Excuse me, sir.

I have booked the restaurant just like you asked. Anything else you need?

It used to be much easier when I was the only one calling the shots.

But nowadays this department kept getting interrupted by the chairman, making me exhausted.

Being forced to go along with this meaningless show.

Is there anyone who likes it when their boss suddenly calls them out for dinner?

But the chairman thinks that getting to know the staffs is good for the company overall.

He's making me go crazy with all of this.

What about you? Was there anything that you were not used to when you first came here?

摸

N-no sir. It was just fine.

Sir... I've made the announcement...

哈啊..

Ok, good job.

脱

Then let's have a quickie!

Do you know that you're the only one here that I can be honest to?

Y-yes I know, sir...

You'll have to stay with me till I become the chairman.

Yes, sir...

I'll stay with you all the time.

That's good. I believe you.

Listen up everybody!

As the host of this dinner,  
our director Mr Lee Ki Tae  
would like to say a few  
words for us.

Hello.

Did I surprise anyone  
with this sudden  
gathering? Thank you  
for attending anyway.

I've not been here at the headquarters for long. That's why I invited everyone here today, to get to know you guys better.

Ok let's not talk about work today. I hope everyone has a good time.

Toast for DS group!

Cheers~!

So tiring... Do people actually enjoy this kind of thing?

Err sir... Your glass is empty... Let me pour you one...

Ah, okay... Are you Kim Dae-Ri?

Yes, yes sir...

He is about my age but he's bowing to me. What a sad fellow.

People are dumb, and have no self-esteem. How can he live like this, only to look up to other people's life?

Let me pour it for you.

Ok, thank you very much sir!

He's lucky to be able to work with this company. This is probably his best achievement in his life.

He'll be forced to sell his life working, while I am able to retire young, being still in my prime.

He's aware of that but is still able to laugh? Pathetic.

ㅎㅎㅎㅎ

How much longer do they  
want to hang around?  
This is getting annoying.

Ahh, you're here...

!!

Ohh, right dear...

Let me introduce you the director of our department.

Ohh, hello.

I'm Jung Nayeon.
