DID I DRINK ALL OF THIS...!?

THIS IS BAD. I CAN'T REMEMBER ANYTHING...

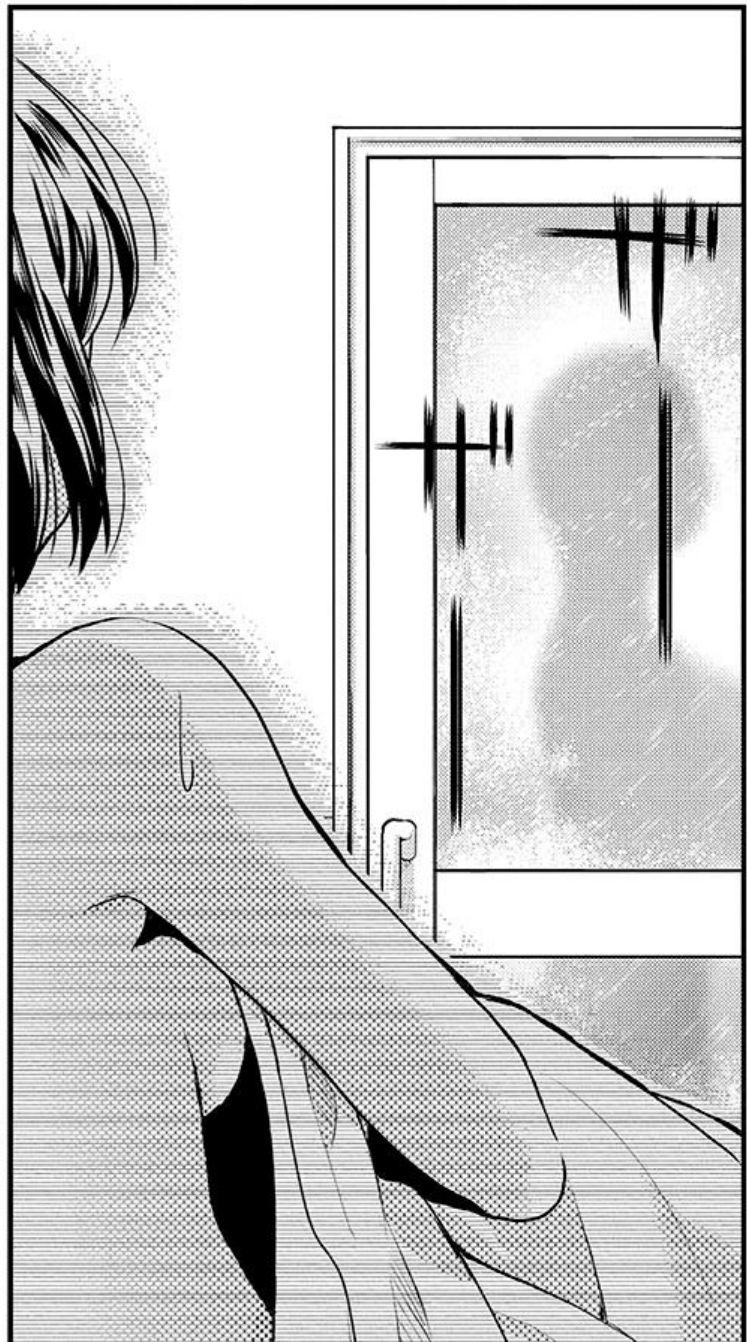

AND THIS HANGOVER'S KILLING ME...!

BUT WHO? WHO DID I EVEN...? I ALREADY... BROKE UP WITH MY BOYFRIEND...

They're taking a shower right now...

Ah, of course...

Okay! Let's try to remember it now!

Maybe I can find some clues on my phone...

I really shouldn't be leaving it out like this

Or did they get me to drink a lot on purpose?

Just keep drinking...

I'll make you feel better...

So does that mean... I was lured in somehow!?

No men here in my call history...

That's why I got away from men...

What am I doing? I should take care of myself more!

Both of those sound awful~!

I RE-MEMBER...

In a warm embrace...

That's right!

I remember someone... holding me in their arms and telling me that...

YOU SHOULD TAKE CARE OF YOURSELF MORE...

Yes... they were... really gentle...

THEY LICKED ME ALL OVER...

AAAHH!

FUAAAHH!

AH... AGAIN...!

Tease
