The shop responds to the various fetishes of their customers.

and there are also people that want those futa cocks to play with them!

There are people that want to play with those futa cocks,

As that implies, the shop workers are all futanari, or girls with dicks.

This is a brothel made up exclusively of futanari girls.

but I've heard that the futa girl might take a liking to you if you're a cute trap.

It's a course where the customer cross-dresses and is then bullied..

Among the courses they offer is the "cross-dressing course."

I'm so nervous...

This is the shop, right?

it's apparently a quite popular course.

Among traps like me, that cross-dress for fun,

M...my cross-dressing looks cute, doesn't it? I hope so...

SENYA-SABOU Presents Original DO-JIN Comic For ADULT ONLY.

Good day, it's Alpha Alf Layla.

This is my first original book in a while. I mean, my cosplay books are technically originals as well, but they look like parodies I like cosplay, but sometimes original stuff like this is nice, too. What did you all think?

The content isn't too different from my usual fare, but this kind of situation seemed to be fairly popular, and I like it too, so I'm thinking about drawing another one like this next time.

Anyway, I have no more time, so I'll end things here. Let's meet again in my next book.

Comments: Pretty straightforward, but also pretty good. I know quite a few people have been unsatisfied with this artist lately compared to their older work, but out of the artist's newer work, I do think this is one of the better ones.
