Onii...
chan...

There
is a
brittle
little
girl...

Oh,
you're
feeling
well
today?

On a
date...

Let's
go

Living
as my
neigh-
bor.

But since she's always staying at home she's physically and mentally younger than her real age.

I did notice that she's actually conscious about it.

From afar, she doesn't look too different from the rest. Her age also isn't that much different from theirs...

That's quite big.

What's wrong? Why are we stop-ping?

Ah, su—...

I want to take a breather there Onii-chan, I'm tired.

Urgh,
wait.

H-her
chest...!

This
is not
good.

すり

すり

Why
is she
mov-
ing...!

...If
it's
only a
kiss...

...

Onii-
chan,
please
...

The softness
of her chest
and her belly
can be felt
even through
my clothes...!

I don't know when will she get herself a boy-friend.

This girl rarely gets out of her house.

That's why it's okay if I teach her this much, right?

Kiss

Nh... Onii... cha ...

Nh

Her mouth is so small...

My belly
feels all
sorts of
tingles

Uwaah!
This isn't
good!

It's
suffo-
cat-
ing...!

What's
with this
wet-
ness?

We've
reached
this far,
it'd be a
shame to
only go
halfway

She is
completely
ready
now...!

Onii...
chan...
My
body...
feels...
weird...

There's
no other
choice.
I'll make
her feel
so good
that she'll
come.

Kya

Ha
Ha

My head
suddenly
went
blank...

What
...?
What
was
that...

If an
innocent
girl like her
was suddenly
taught
pleasure
like this.

Eh...?
My
body...
feels
weird
again...

She's
too pure,
I can't
hold
back...!

For
this
girl...
Was that
the first
time she
masturb-
ated and
came?

W-
what's
this...

Onii...
chan...
Help...

Of course
one would
lose all
restraint
....!!

It tingles
more than
ever
before...

While having sex, are we supposed to move ...?

Why are you suddenly moving?

Onii-chan ...?!

My head is becoming blank...!

It keeps hitting the weird places.

Yha.
What's this...

This feels too good...!

Ah
Ah

Onii-cha...

Damn, what is this.

Noo, something is coming again...!

The more I thrust the more I can touch her womb.

Ah
Ah

...Sex is truly

As good as they say...

Then I should give her an experience...

Befitting her age!

I've been wrong to her this whole time.

What's with this sexy face...!

She has always been a normal girl growing on the inside...!

Sex makes your heart palpitate Onii-chan.

And brings you happiness doesn't it?

...I wonder if I've become a normal girl by now...

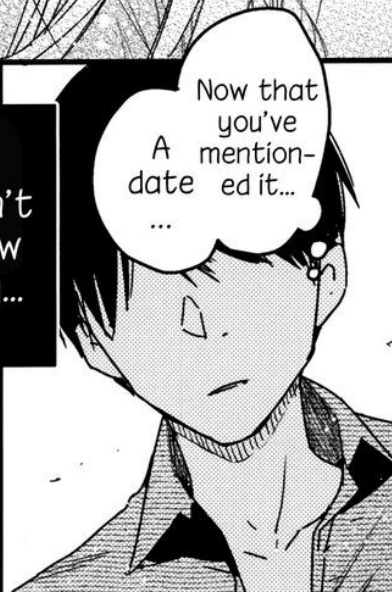

Let's have sex again... some-time

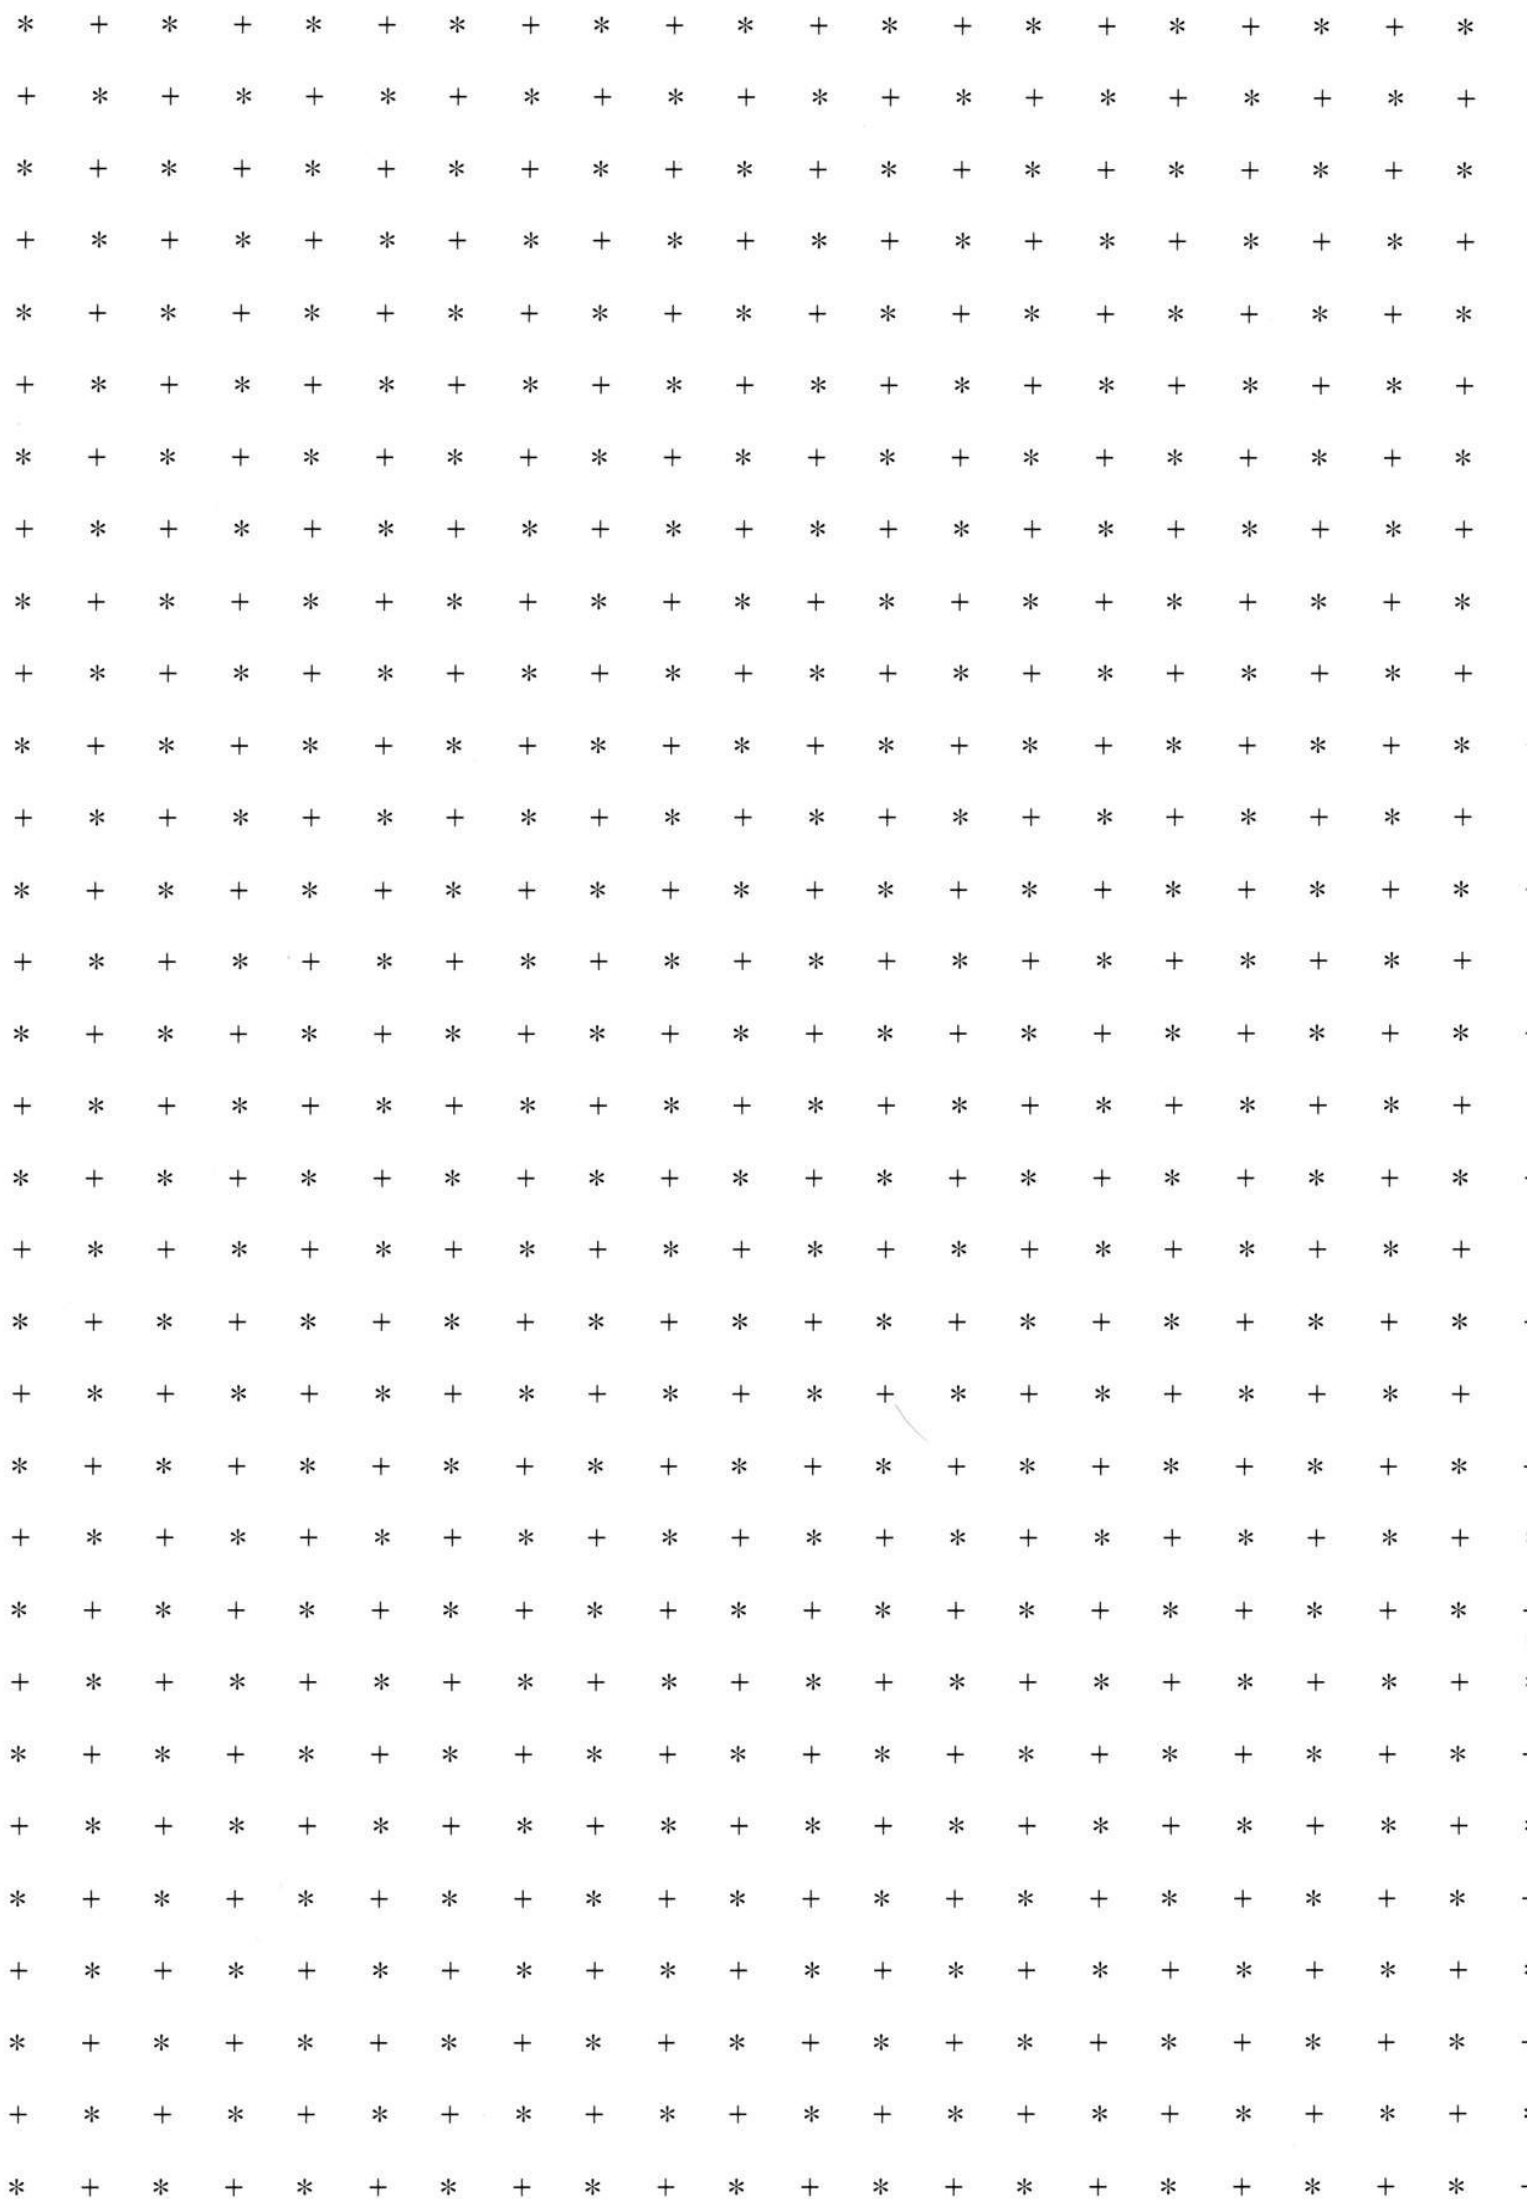

Yeah ...

...At the time... My chest hurts.

I don't know why...

Now that you've mentioned it...
...
