

Alicia & Tao's Secret Sightseeing Exhibitionism

Pervy Kiddie Bitch Collaboration Video

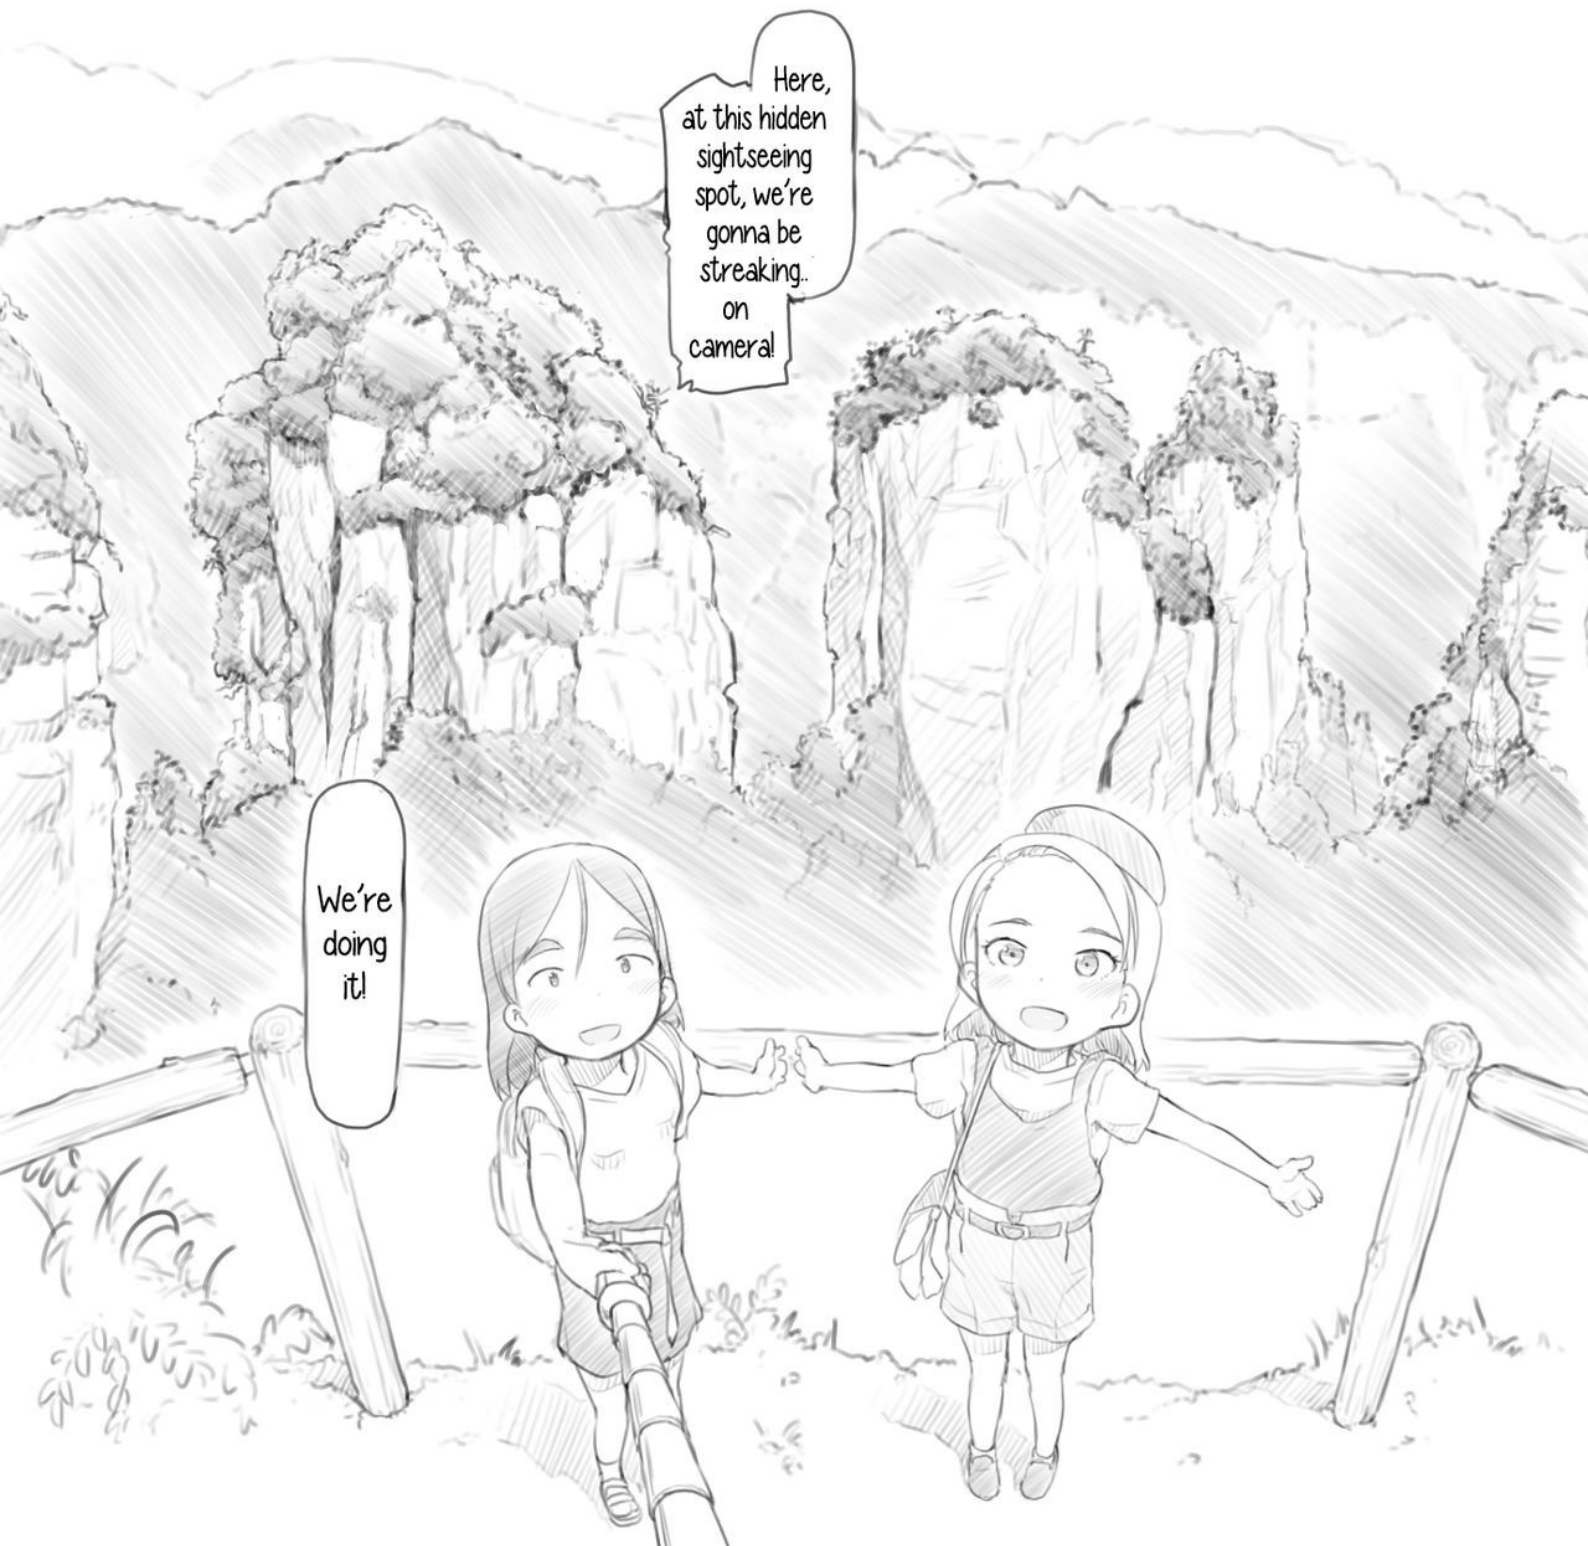

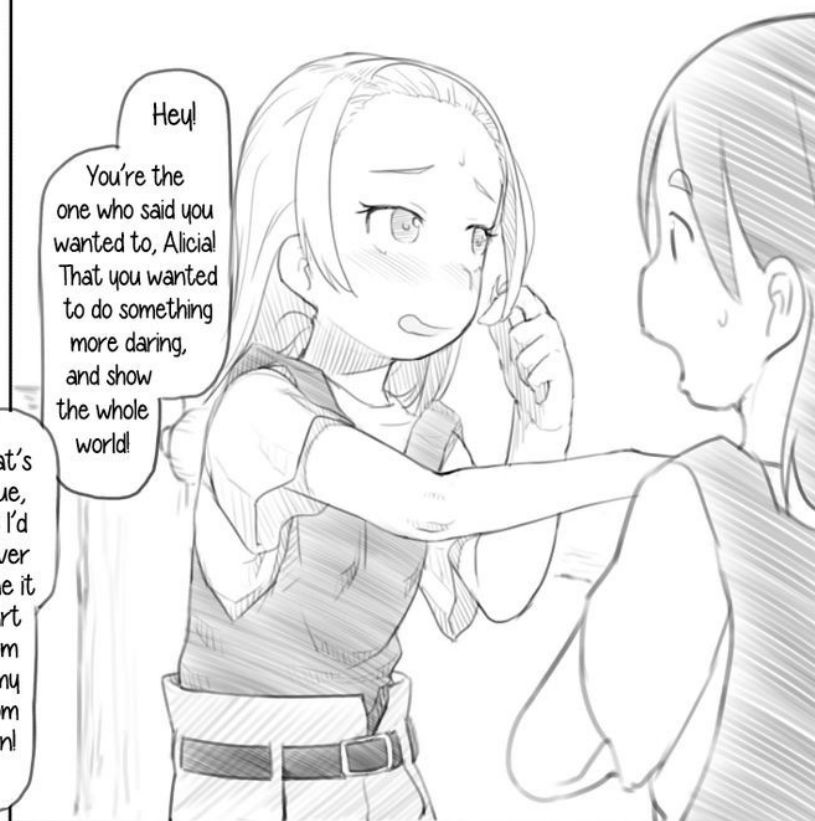

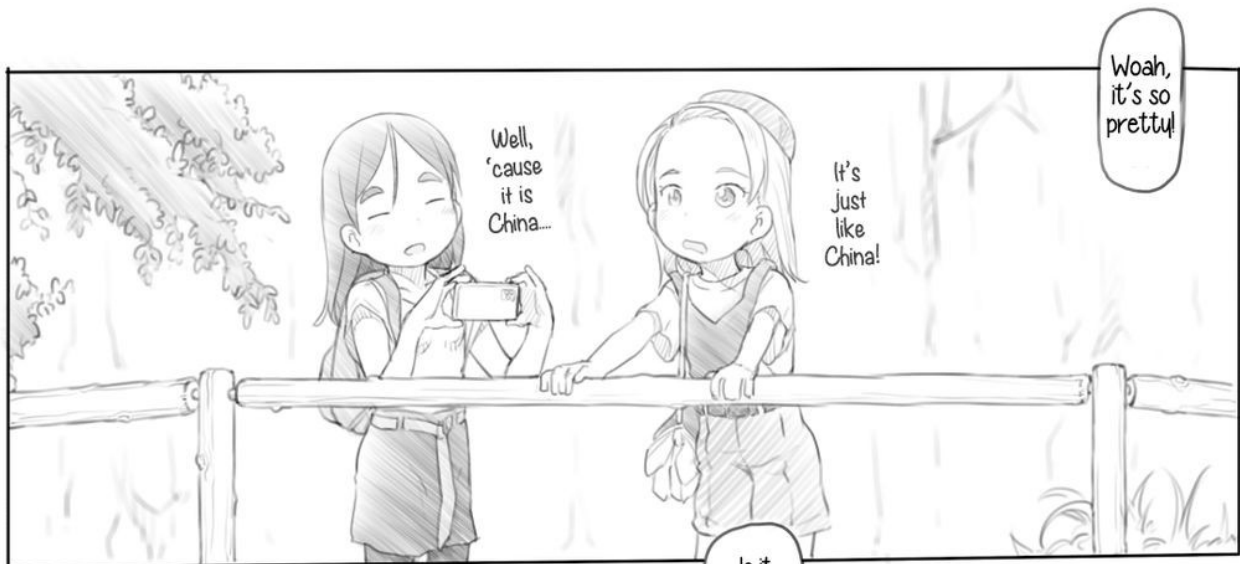

Wow!

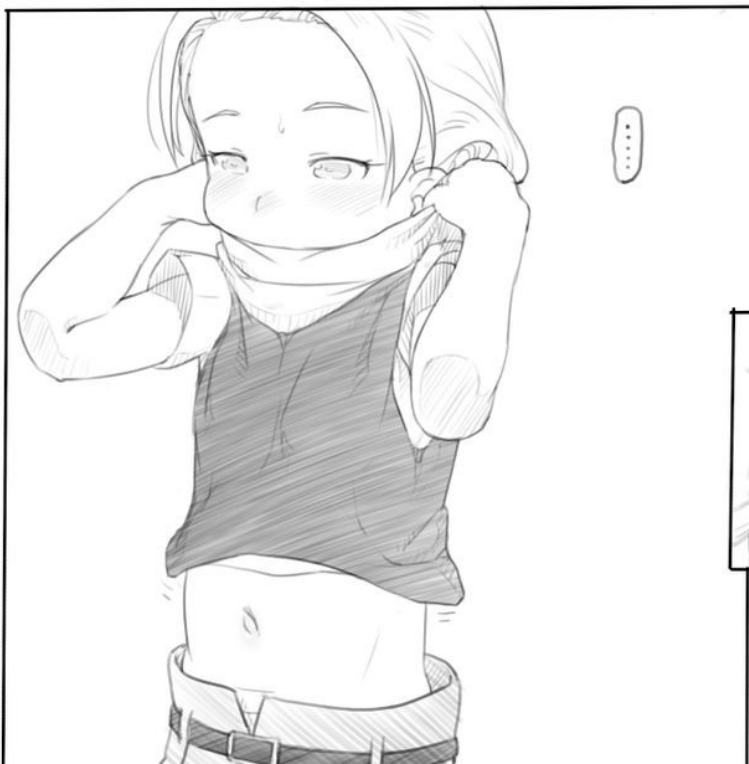

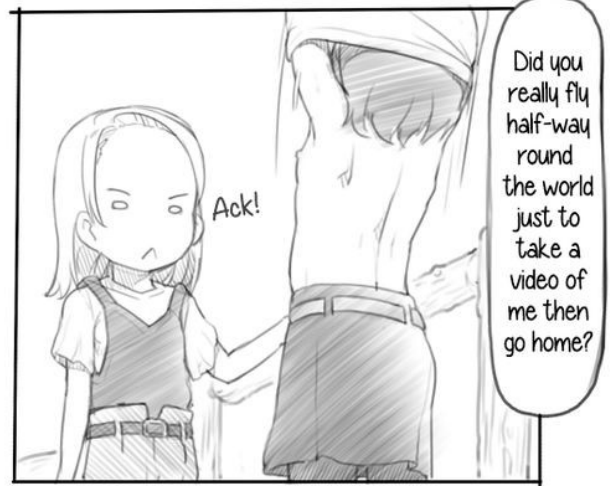

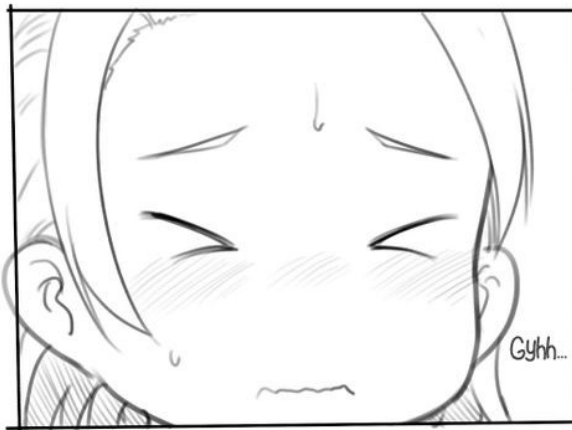

Today is our first ever joint project!

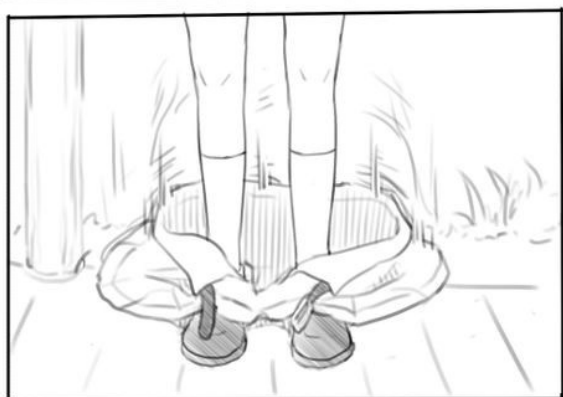

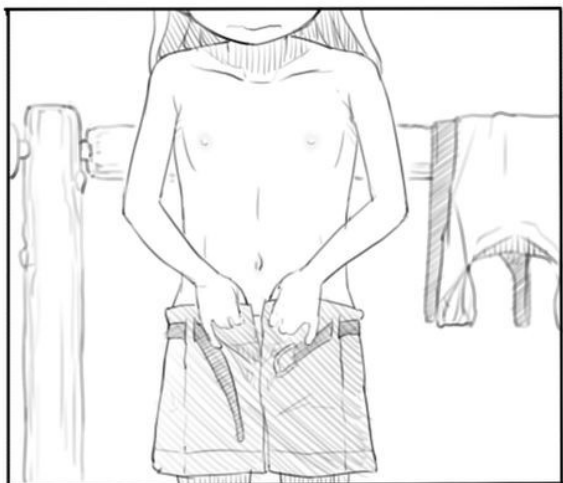

Here, at this hidden sightseeing spot, we're gonna be streaking.. on camera!

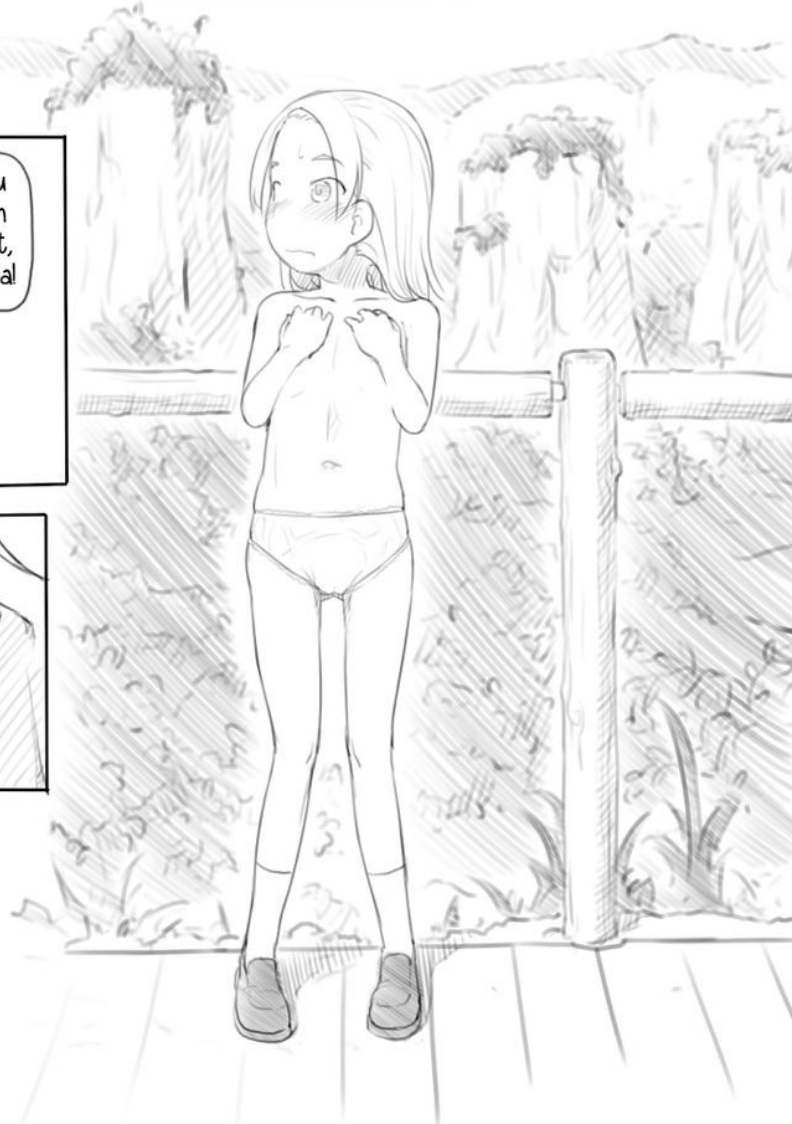

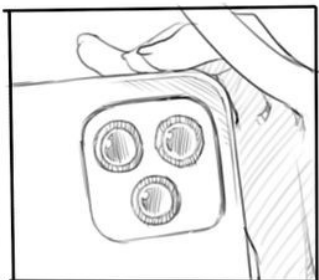

We're doing it!

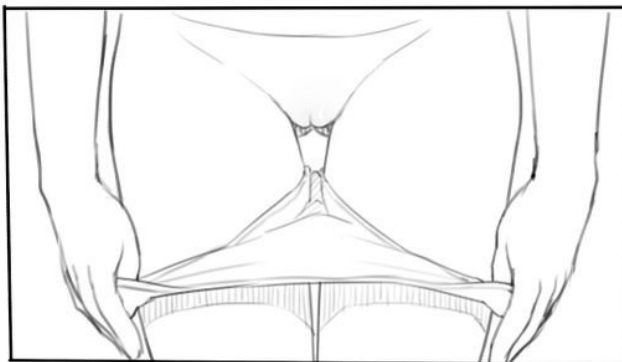

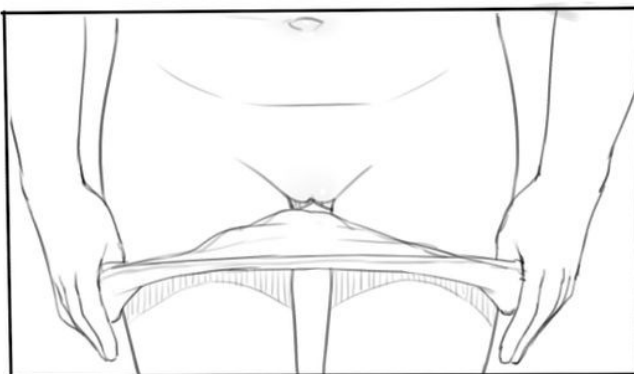

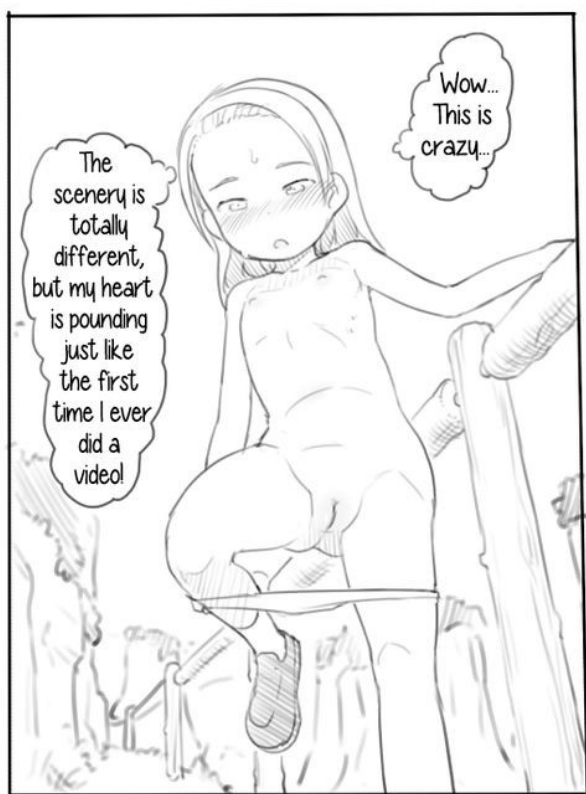

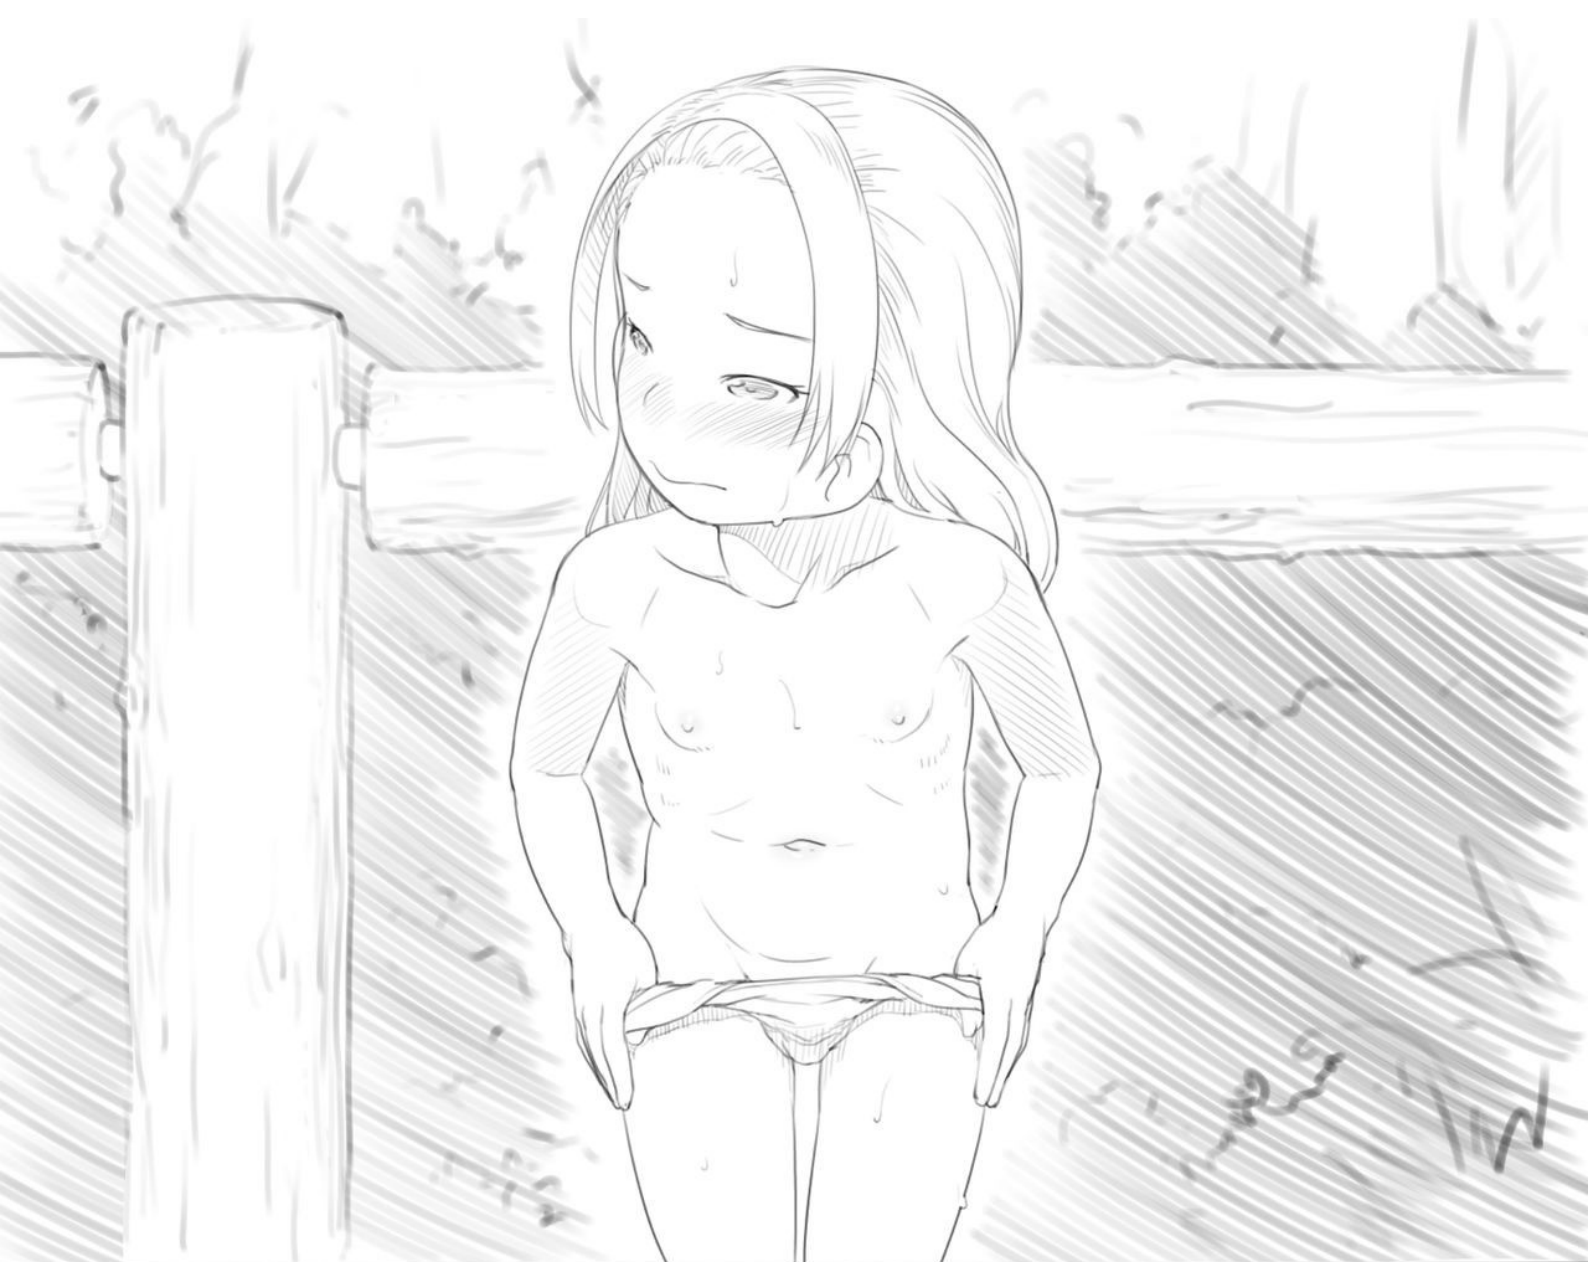

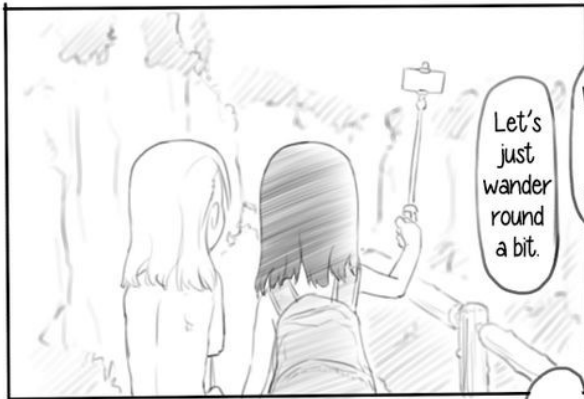

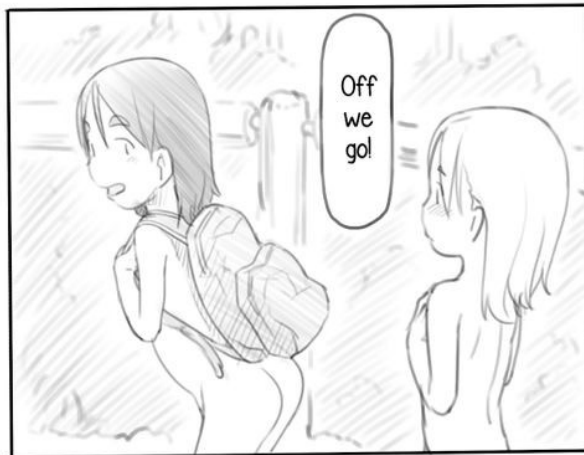

You can do it, Alicia!

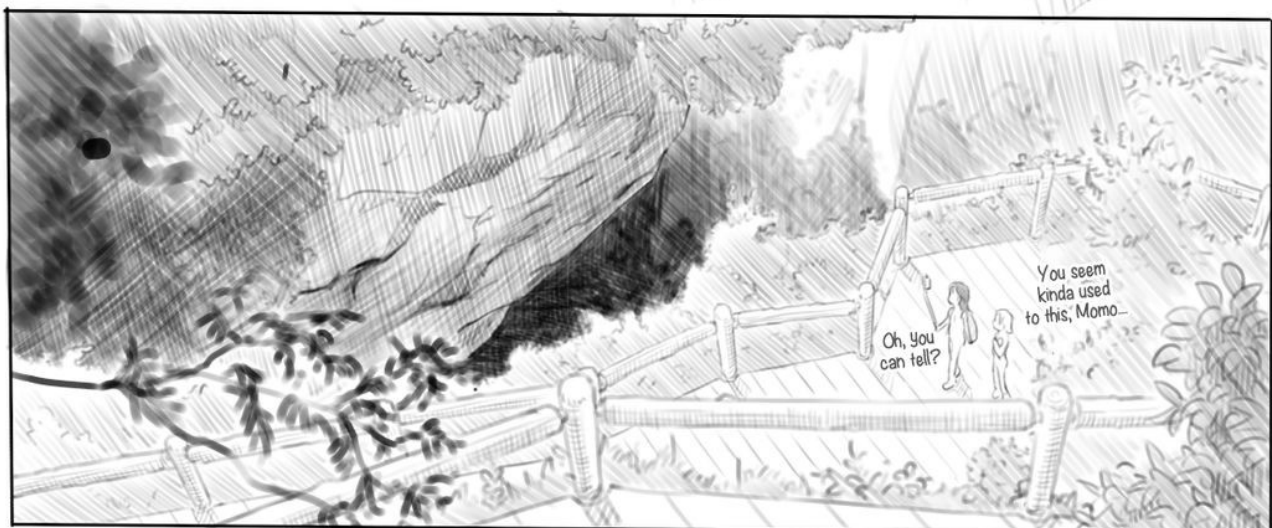

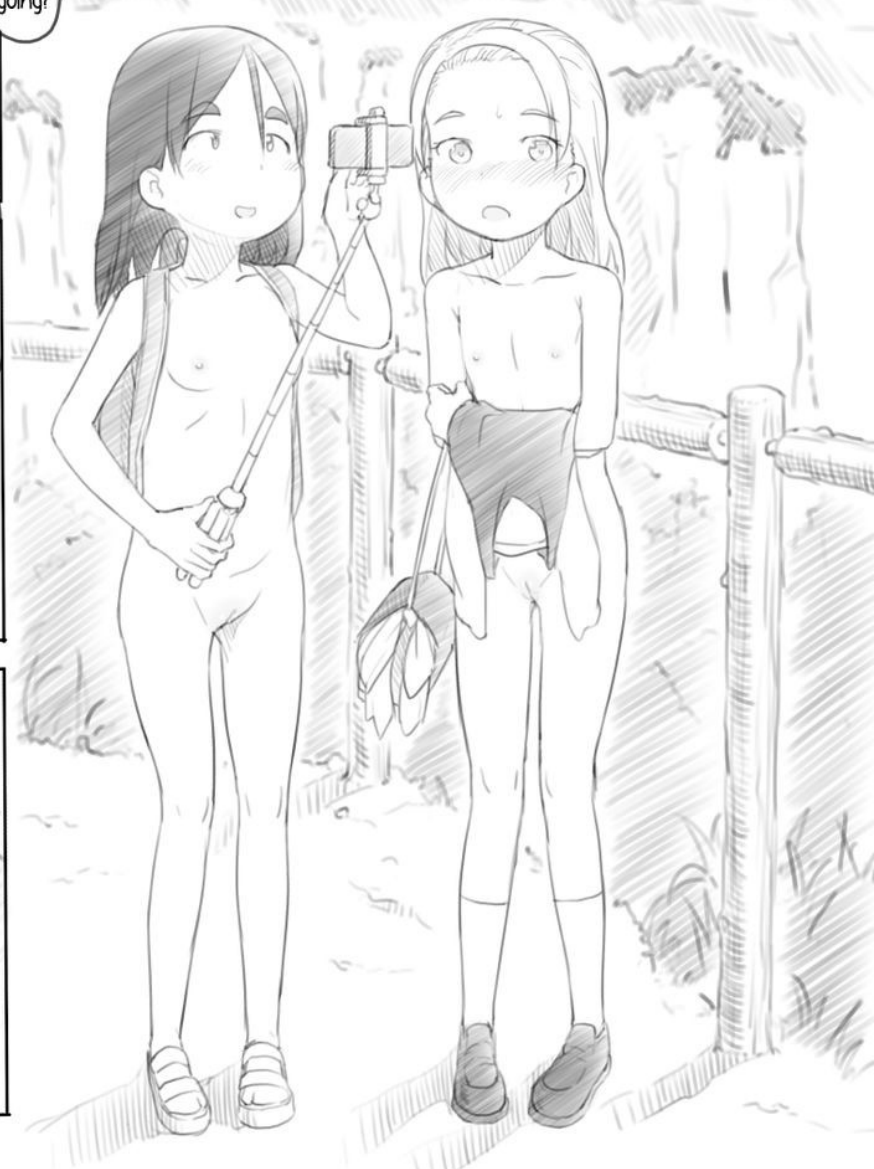

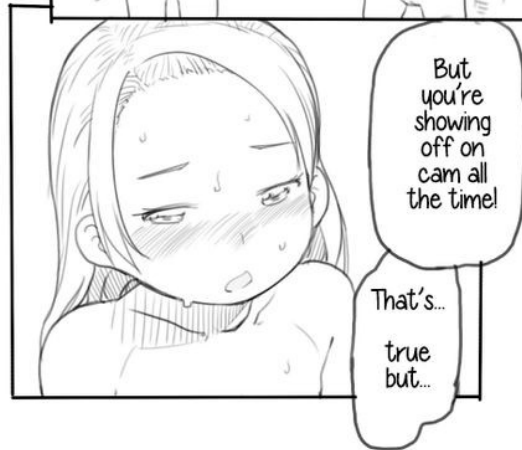

Where are we going?

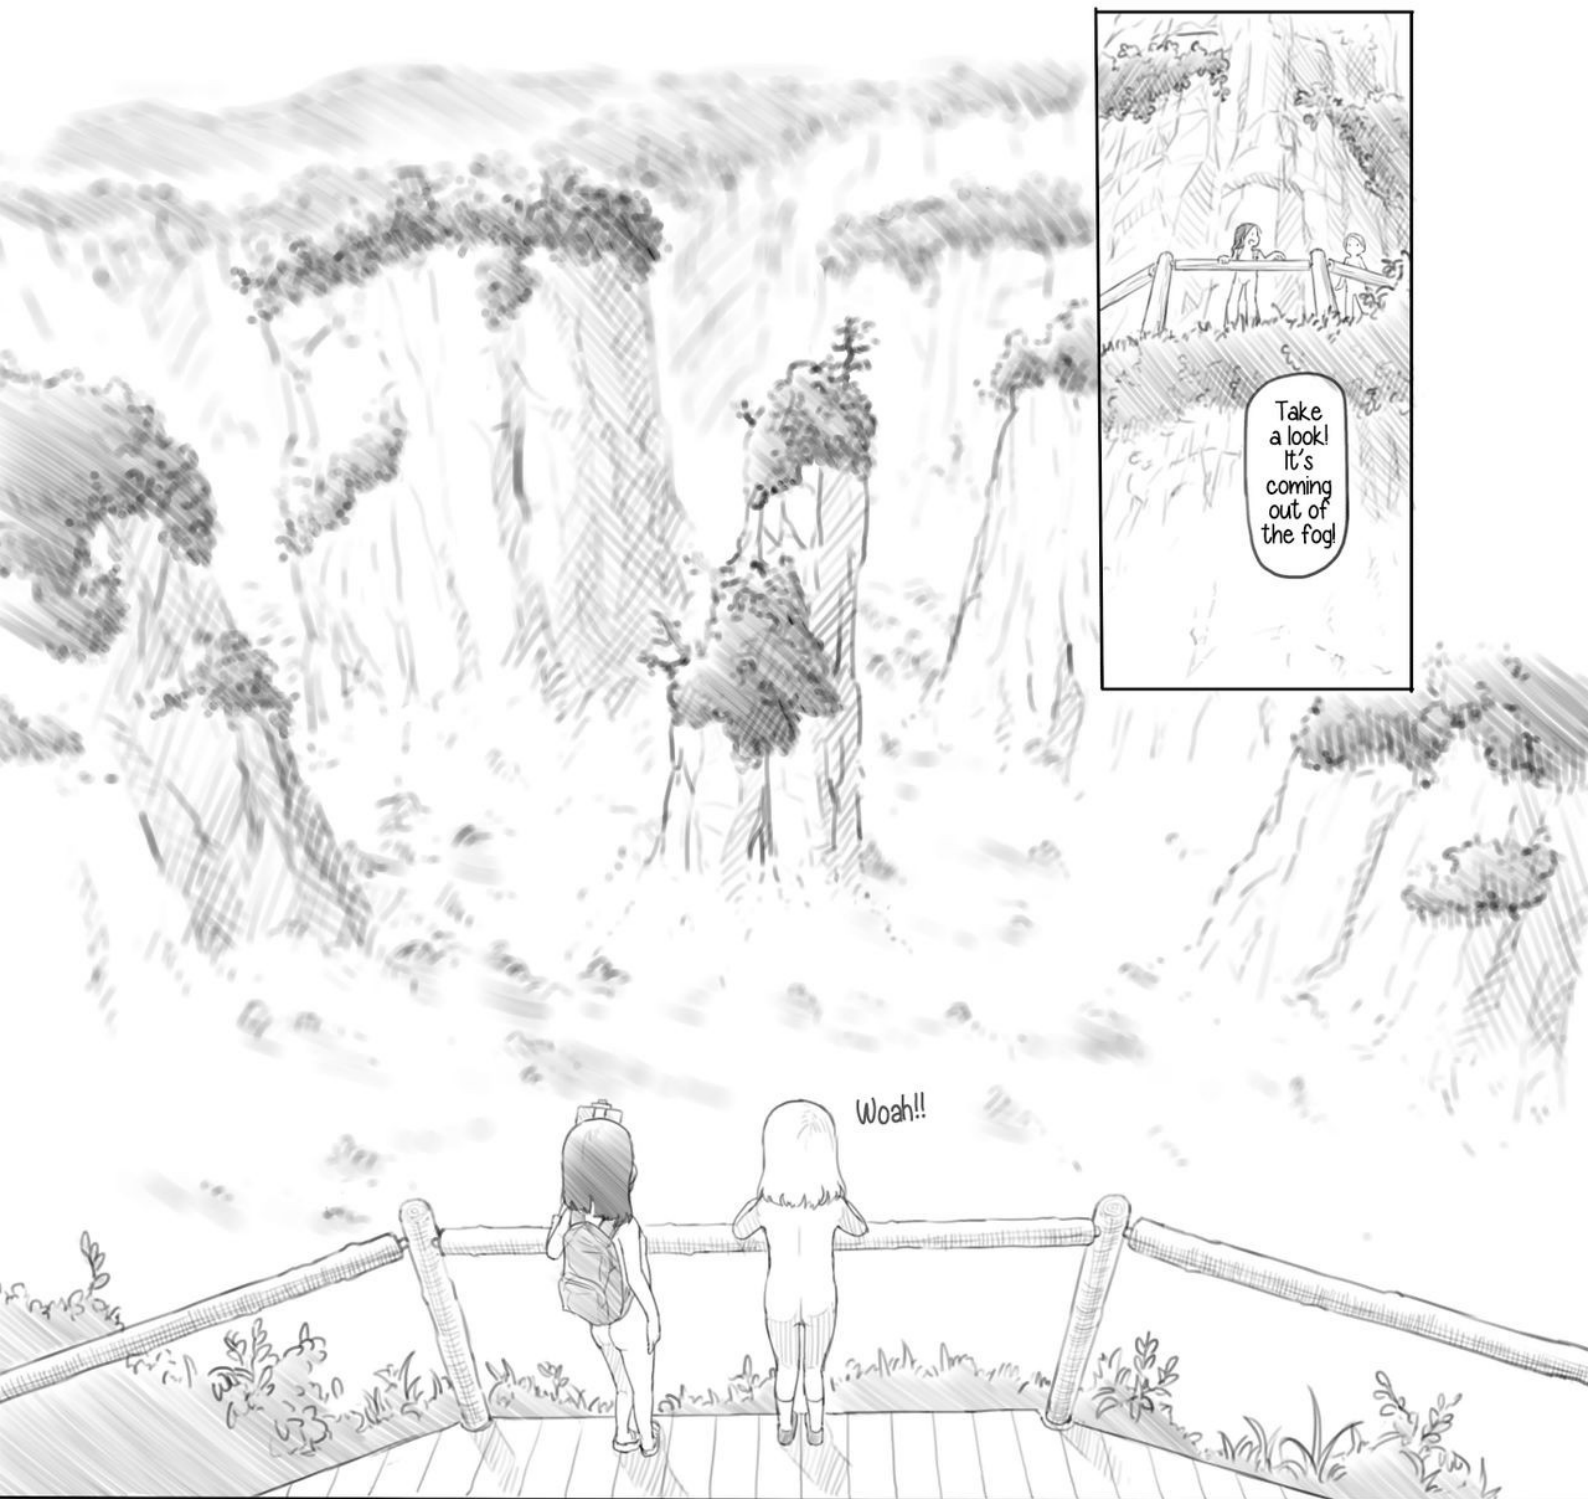

No, I'm ok.

Are you cold?

Take a look!
It's coming out of the fog!

Woah!!

Well, in that case...

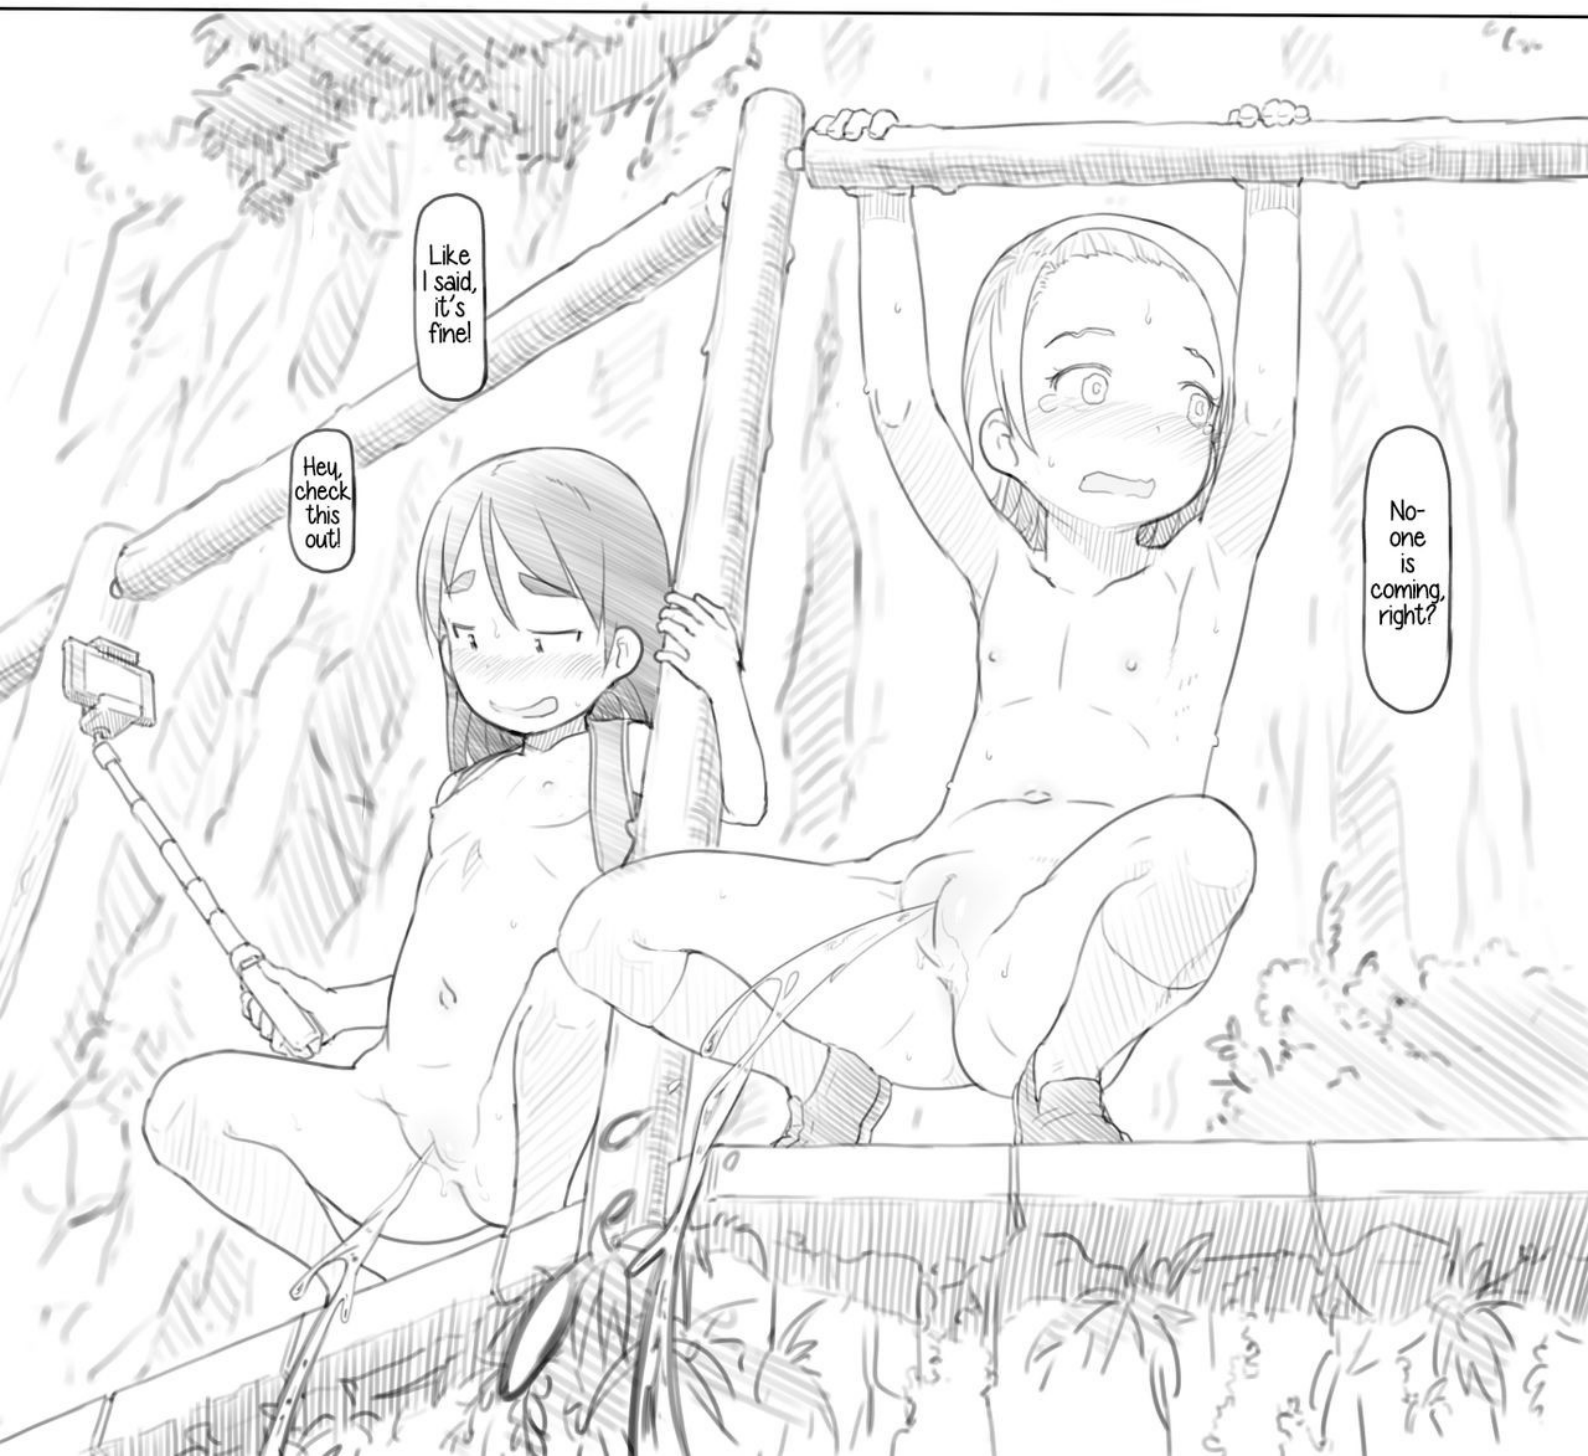

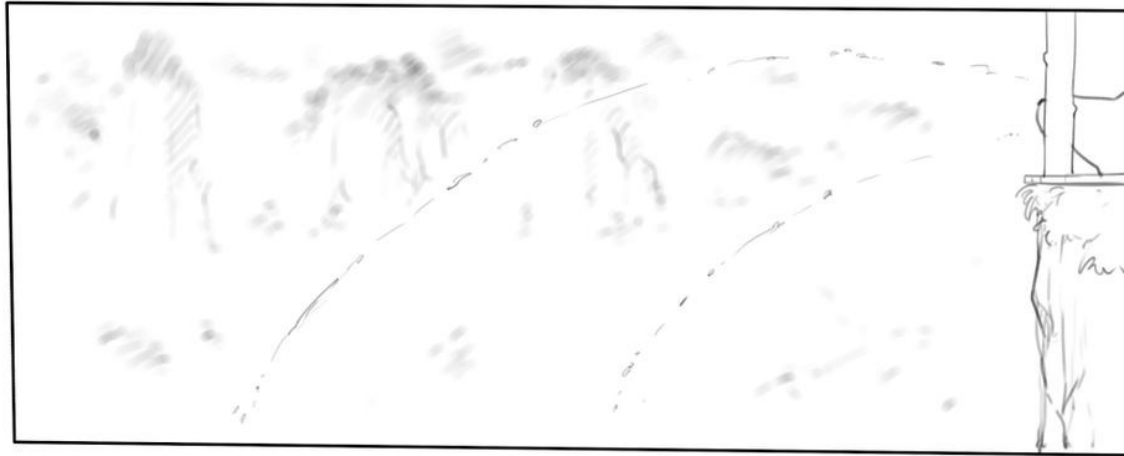

What is it?

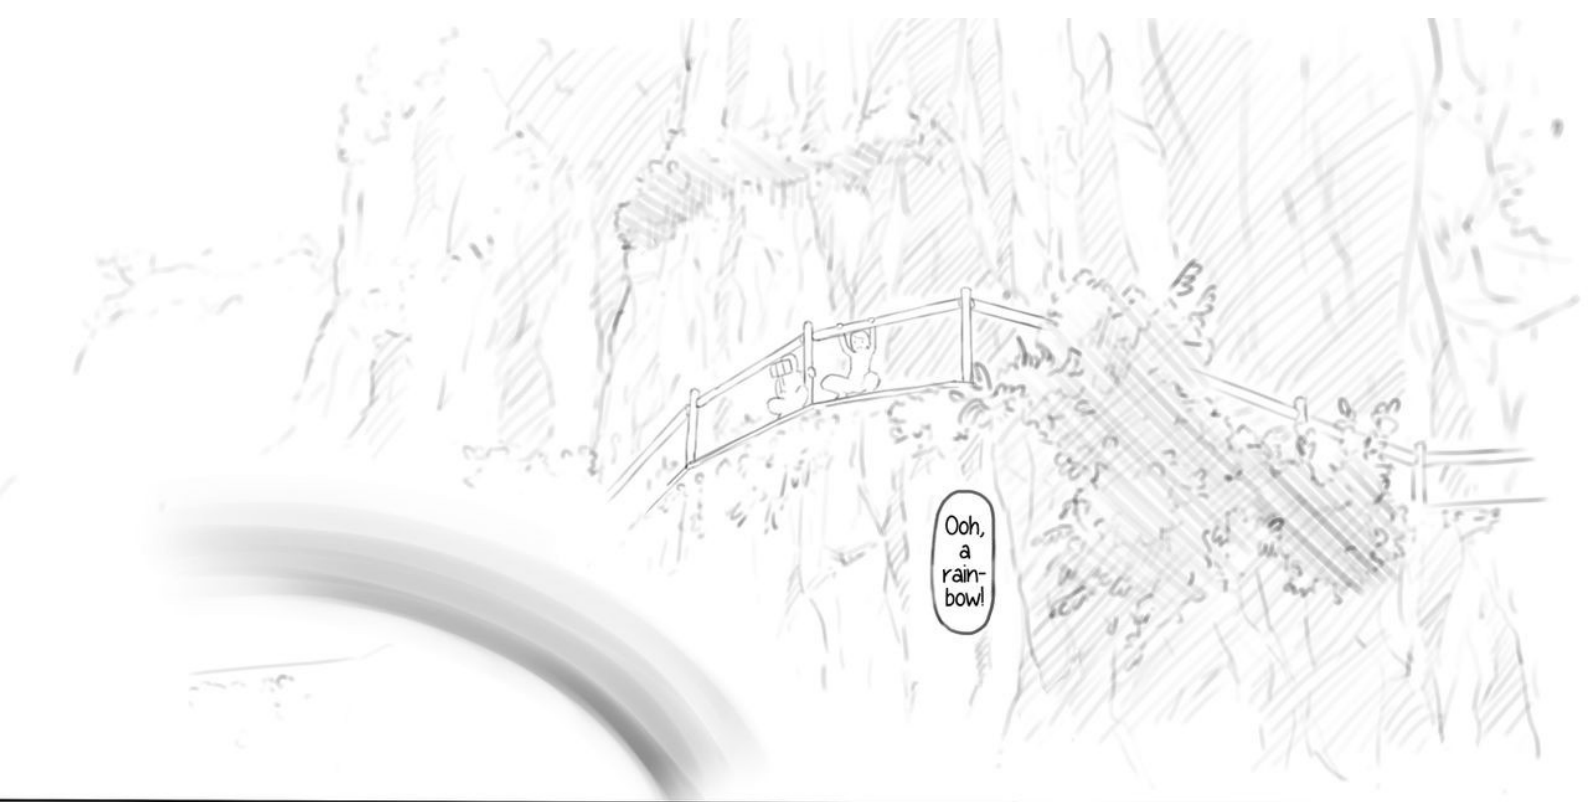

Oh no!

I need to use the bathroom...

Tingle!

I didn't know Laputa was here!

Ooh,
a rain-
bow!

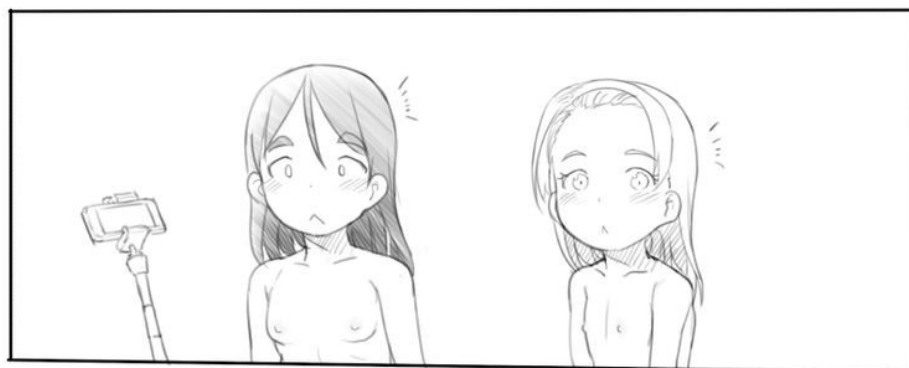

I've
had all
I can
take
for
today.

That
sounds
great,
but the
lesbian
scene
can wait
until
next
time...

I could
lick it
clean
for
you?

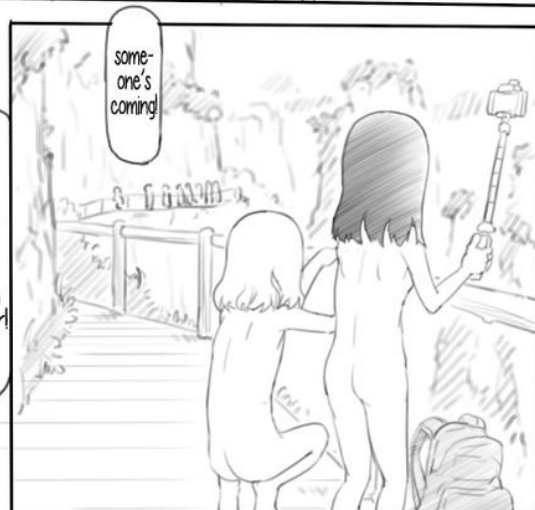

Got
any
paper
?

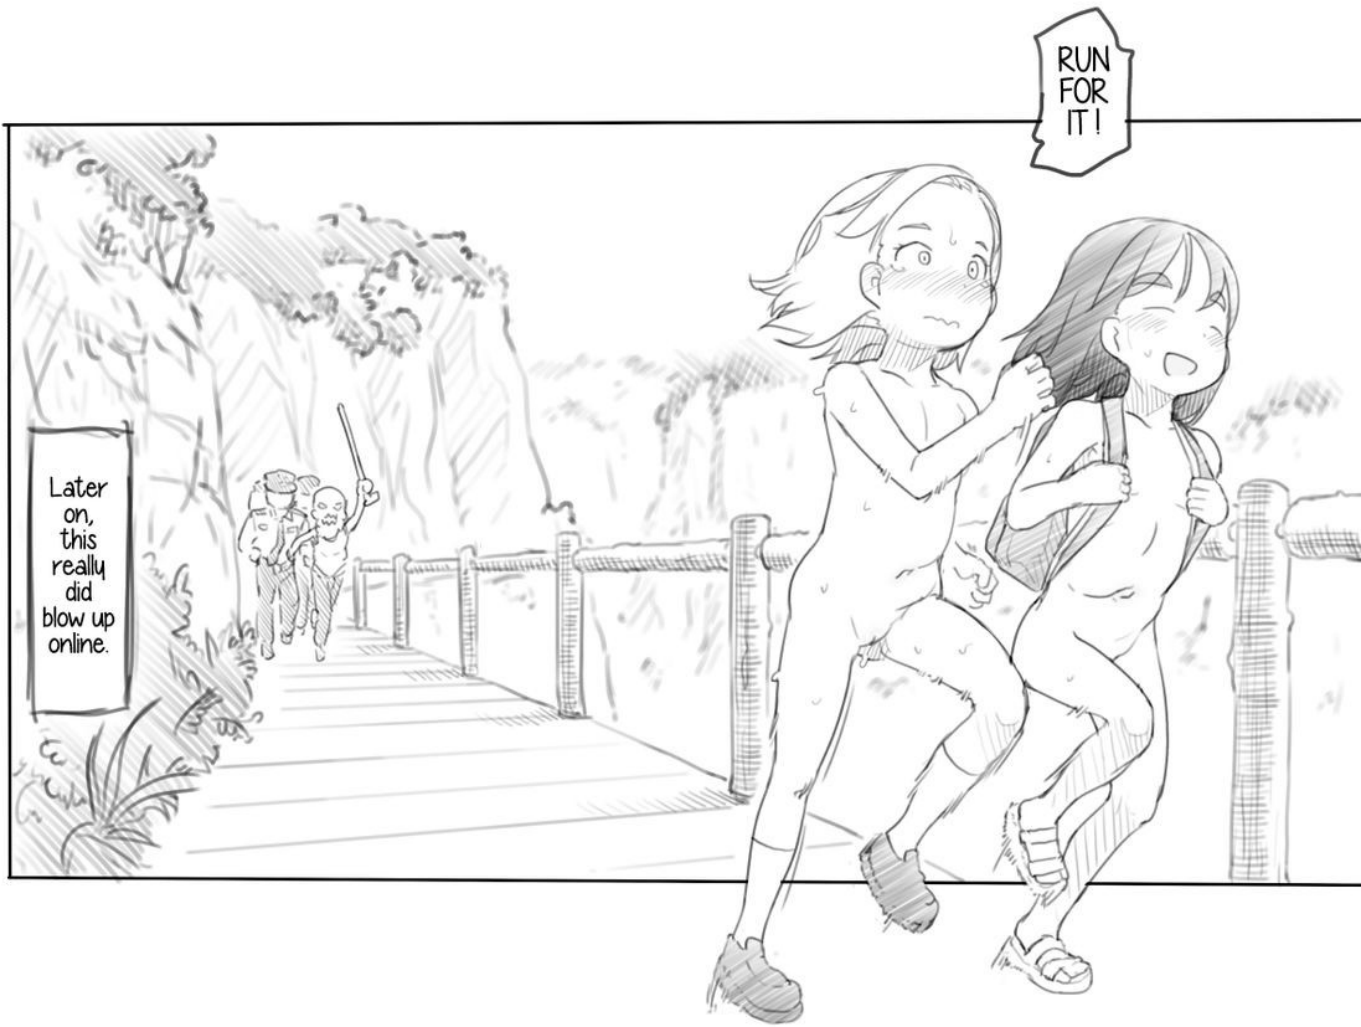

And
he's
brought
some
uniform
dudes
too...

He
looks
mad
AF!

It's
that
old
guy
from
earlier!

some-
one's
coming!

Afterword

This is only a self-published photocopy book, so I thought
I'd challenge myself to draw something that isn't even fap material.
It was a lot of fun.
