Four months earlier
Seoul

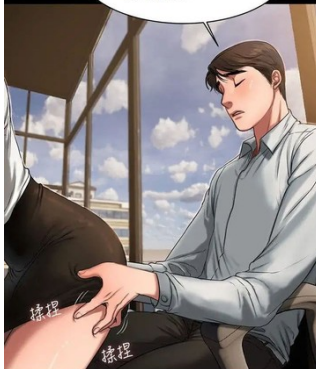

It used to be much easier when I was the only one calling the shots.

But nowadays this department kept getting interrupted by the chairman, making me exhausted.

Being forced to go along with this meaningless show.

Is there anyone who likes it when their boss suddenly calls them out for dinner?

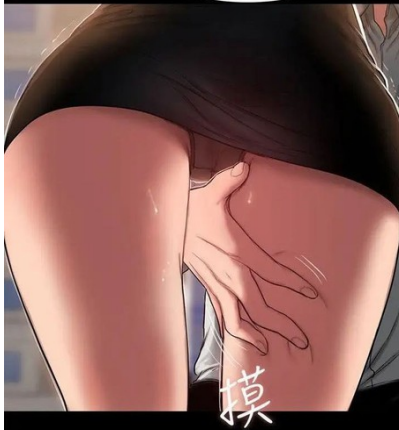

But the chairman thinks that getting to know the staffs is good for the company overall.

He's making me go crazy with all of this.

What about you? Was there anything that you were not used to when you first came here?

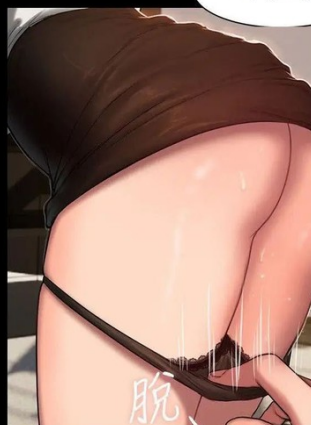

N-no sir. It was just fine.

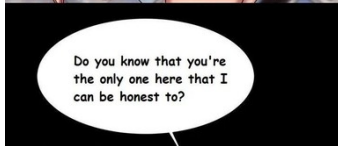

Sir... I've made the announcement...

Ok, good job.

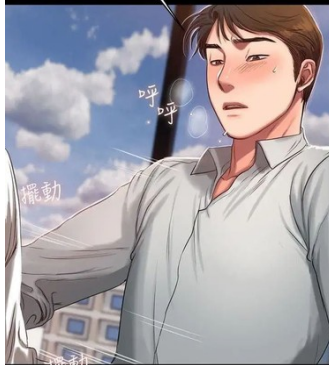

Y-yes I know, sir...

晃動

晃動

You'll have to stay with me till I become the chairman.

Yes, sir...

I'll stay with you all the time.

That's good. I believe you.

Listen up everybody!

As the host of this dinner,
our director Mr Lee Ki Tae
would like to say a few
words for us.

Hello.

Did I surprise anyone
with this sudden
gathering? Thank you
for attending anyway.

I've not been here at the headquarters for long. That's why I invited everyone here today, to get to know you guys better.

Ok let's not talk about work today. I hope everyone has a good time.

Toast for DS group!

Cheers~!

So tiring...
Do people actually enjoy
this kind of thing?

Err sir... Your glass is empty... Let me pour you one...

Ah, okay...
Are you Kim Dae-Ri?

Yes, yes sir...

He is about my age but he's bowing to me. What a sad fellow.

People are dumb, and have no self-esteem.
How can he live like this, only to look up to other people's life?

Let me pour it for you.

Ok, thank you
very much sir!

He's lucky to be able to work with this company.
This is probably his best achievement in his life.

He'll be forced to sell his life working, while I
am able to retire young, being still in my prime.

He's aware of that but is
still able to laugh? Pathetic.

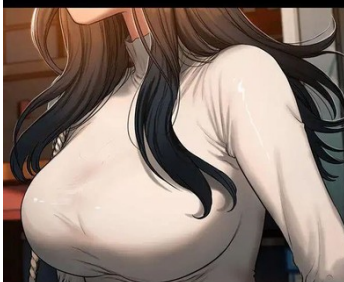

How much longer do they
want to hang around?
This is getting annoying.

Why are you here,

Ah, that... We actually

But then you suddenly
called us up so...

Ahh... I'm not saying that there is anything wrong with that...

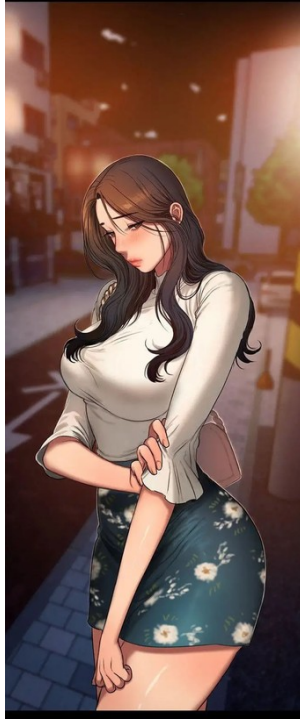

Anyway, she went to the movie by herself. We agreed to meet up here and head home together.

Oh my... I've done something terrible.

Oh, no, not at all. Please don't say that sir.

How about this?

Let me treat you

Maybe she accepted me only out of pity because of that.

It's not hard to believe that since you're still so pretty now.
