

Well
met,
Hero!

Wa

You must be
very confused,
however, since I
have summoned
you here before
those humans
could. I am the
Demon Lord

If I summon the
Hero from
another world
first, mankind
will be powerless
before me!!

I'm a
supergenius!!

Wa
ha
ha
a

gasp

Wa

Hey!

You
worthless
unemployed
virgin, you
have yet to
realize that
your life is in
the very
palm of my
hands!!

Fu

How
careless
of you,
Hero!
Helping
up a
Demon
Lord!

Thank
you
very
much

Nothing
can get
past my
watchful
eyes!

Fu

ha!

Ah

And now,
Hero! What
shall I do
with you.
Perhaps I
shall feed
you to the
Cerberus

I heard that
that's what
all heroes
from another
world are
like?

Unemployed!?

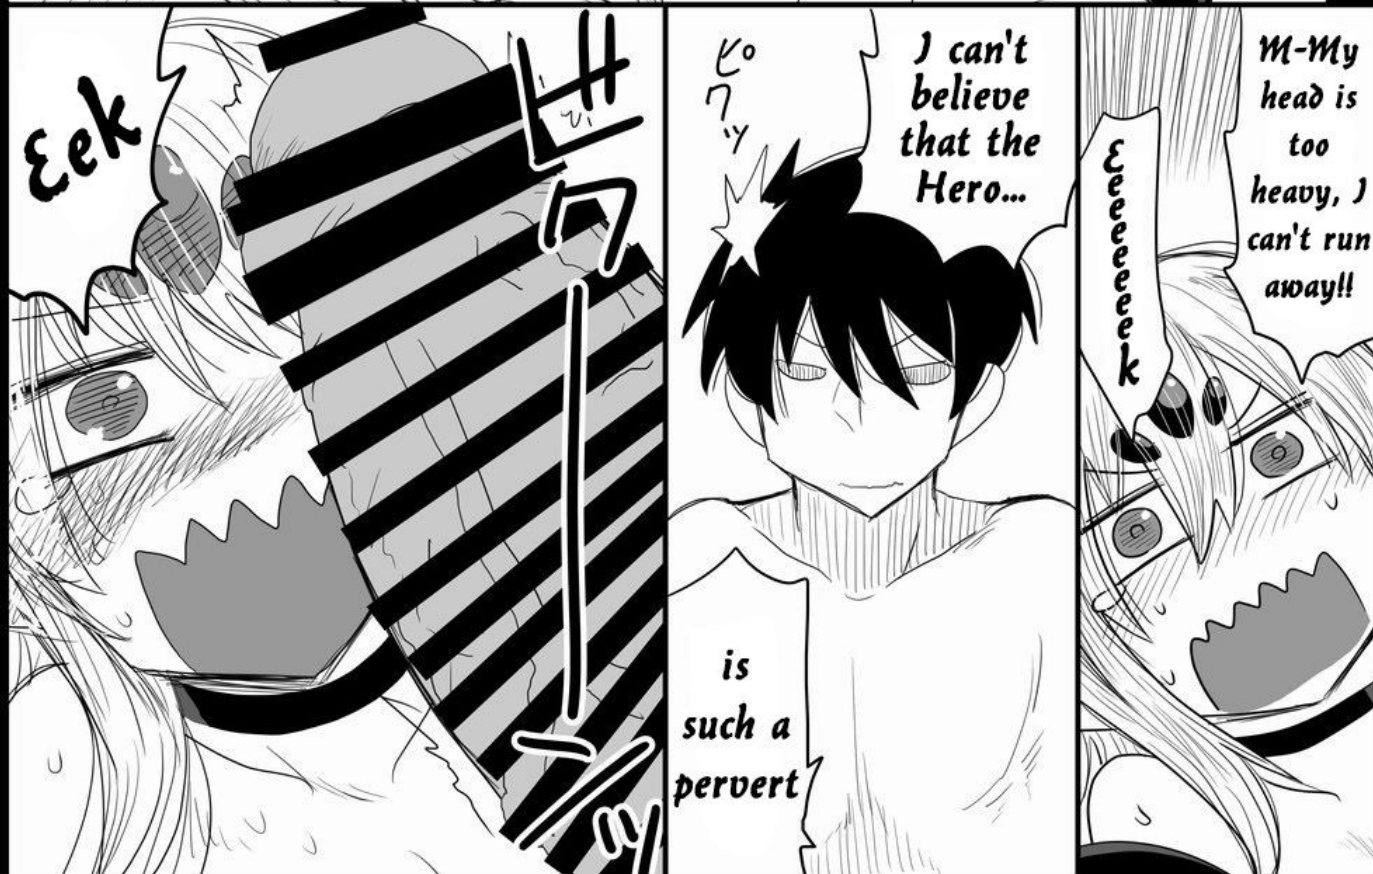

A virgin!?

Is
that
wrong
?

That
pose

That's right, you pervert

Quite pure for a Demon Lord...

...This was your first time...
