Hey!

I am a simple hunter, I make a living from the mountains and forests.

She is the noble's daughter, Rose Mary. She talks freely with me because we were childhood friends.

You're going out alone again?!

Why not bring me along sometimes!?

Mary is often stubborn and coercive.

huh!?

That sounds super fun! Wait for me!

It's just hunting!

It's not some adventure!

You'll be in charge of the luggage, feel honored♪

oh-okay...

begins the adventures of the Prodigious Beuty Rose Mary!

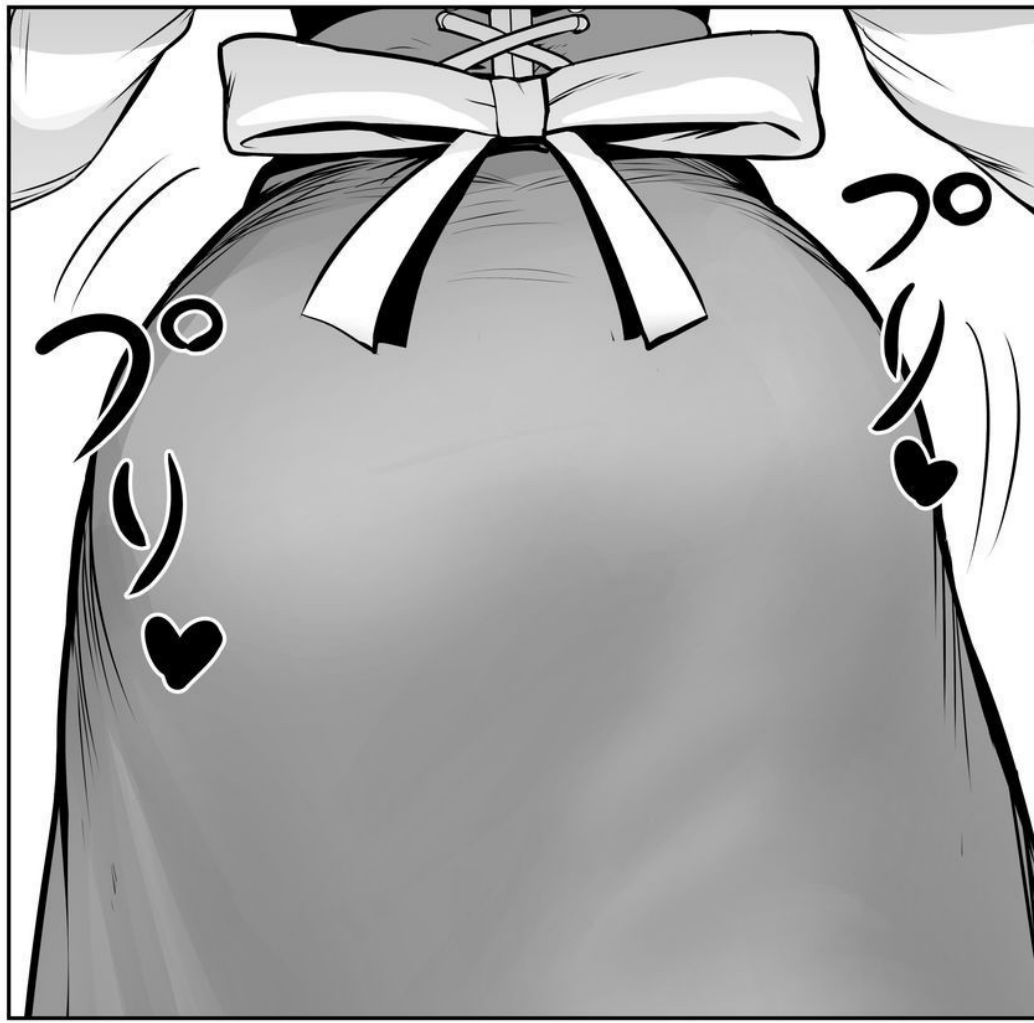

... but that's the Mary I like.

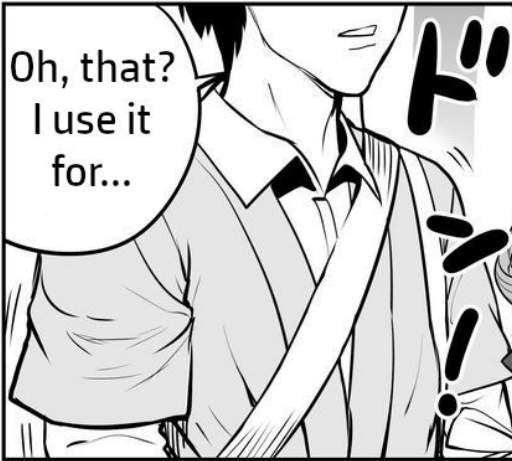

Taking her along is quite a pain...

I guess I have no choice... I should at least make sure she doesn't hurt herself...

fufufu♪
Fresh air feels so nice♪

Oh, that? I use it for...

Hey look!
It's a Spring!
There might be water spirits!

fuwa!?

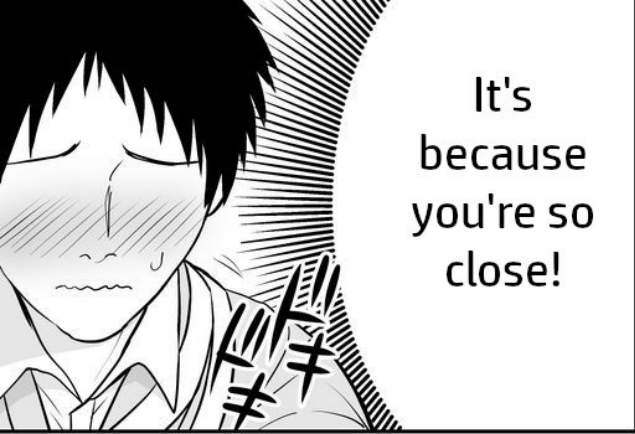

Hey!
Lets go look!

Her butt is touching my penis...!
So soft!

Rub

It's because you're so close!

For Christ's sake, your breasts are touching me!
