しかし、そんな平穏をかき乱す事態がまたしても…？

Gaudy neon lights.

Suspicious shop touts.

The downtown area at night is full of things beyond my imagination

But above all else...

Wait, I only wanted to talk for a bit

Can we get a coffee?

You don't understand

This isn't school, you know

Dinner would be 20,000 yen, Karaoke 30,000 yen

(TL note: \$200 and \$300)

If you can't afford that, I'll just find another customer

Or you could give me some assistance

Public servant

I can't understand what this dragon girl is thinking

Any-way

Why this place?

Don't get the wrong idea, I just didn't want someone to see us talking

Ohoho Thank you for your custom!

Paying your own student to come to a place like this

You really are a pervert

I'm tired of school life, so I'm playing around for a bit.

You haven't come to school in a week, or stayed in your dorm - and when I found you

That's not what I meant

You don't like it here?

This store is owned by my tribe, so I can get all sorts of things here...

I dress like this so men will pay me for a chance to have fun

Just when I was glad to see you, you start nagging me.

I find you loitering around dressed like you're looking for a compensated date

ホッ

Well

what do you mean by "anything weird" ?

That's not good

かかかか

I take their money, but don't give them what they want.

Pretty funny, right?

Thi.. this kid!

They didn't do anything weird to you, did they?

Any-thing weird?

ぽ

かっ♡

I was looking at the microphone

As we're here, why don't we sing some songs?

Oh oho ?

It looks like you're already imagining "weird things"

kukuku... scary...

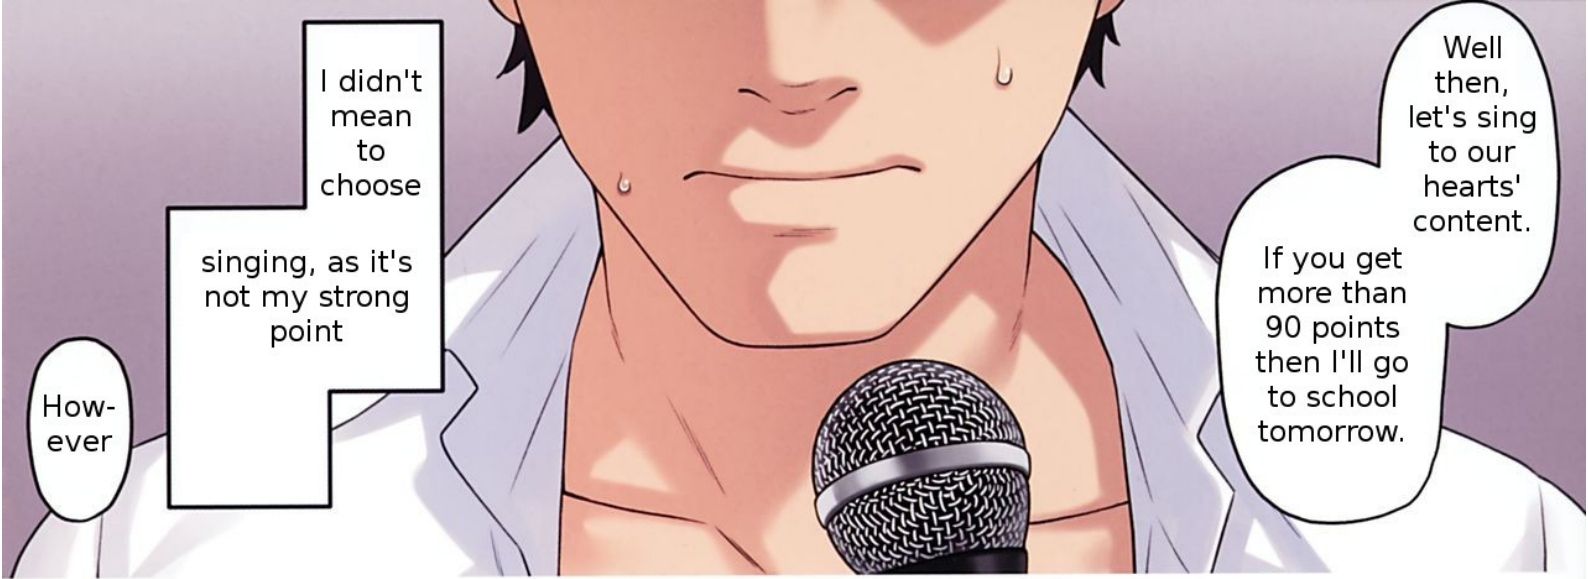

Don't get me wrong

Just showing off her underwear like that

Hm...? What are you looking at?

んっ...

How-
ever

I didn't mean
to choose
singing, as it's
not my strong
point

Well then,
let's sing
to our
hearts'
content.
If you get
more than
90 points
then I'll go
to school
tomorrow.

That's
not
how
karaoke
works

What
are you
saying?
it'd be
boring if
we just
sing
normally,
right?

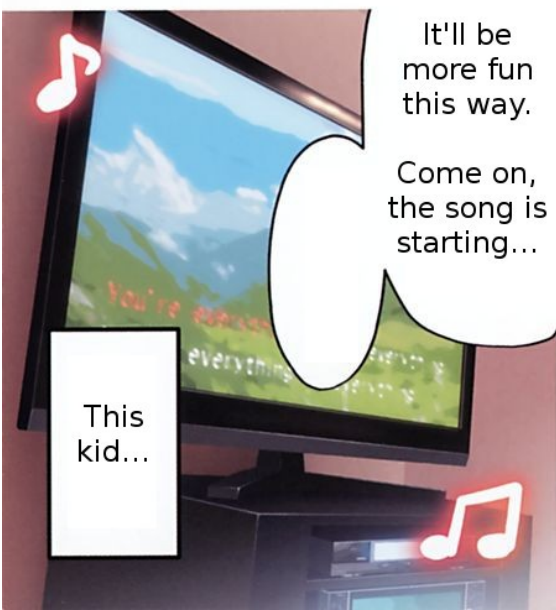

you
also
need to
endure
my
distrac-
tions

Are
you
ready?

No
no
no

There's
no way
this kid
would
just sit
quietly
and
listen.

It'll be
more fun
this way.

Come on,
the song is
starting...

This
kid...

Aaah
It's impossible

There's no way I can concentrate

Just focus on about matching the pitches...

Since it's come to this, I have no choice.

Concentrate on the song, ignore what's going on with my dick

Concentrate..

When I put my attention towards the song, I have no defence against her actions

Come on, you're going to lose more points if you don't sing properly.

This is...

If you want to cum, just do it.

Self denial is bad for you, you know.

れろお

んんん

Come on, quickly!

しゅわん しゅわん

Uuugh!

Let alone matching the pitches
Ah..

No need to hold back
Here, get that hand on my ass

むんんん

Too bad, I guess your singing wasn't good enough.

Damn it

I'm coming

Let's see what your score is.

Alright, the game's over

びんんん

Eh?

It's regrettable but it seems that's all for today.

I thought I was used to this as I give "assistance" every day, but Ursula isn't a normal girl

to be getting played around and to cum just like that.

はま...

What are you spacing out for?

This time, let's see...
You win if you're able to endure for 10 minutes.

たろ...

ミ...

うりち...

Ursula!?!
!?

More strange games?

She attacks precisely on my weak spots.

Aah, her long tongue is squirming around my sensitive dick

Her tongue dances around my dick as she sucks it

Even though I just came, I don't know if I can last 10 minutes of this

The lower half of my body feels so good, it's like I'm melting

Now, for the finishing touch.

ウハ

…へ？

Uwah, my balls are softly being bitten

Kukuku.. it seems you can withstand it better than I thought

Uhi, her tongue's in my asshole

うは

Uwaah, what is this? Ursula's tail is

You sounded like a virgin girl just now, how pathetic.

stimulating my prostate from the inside..?

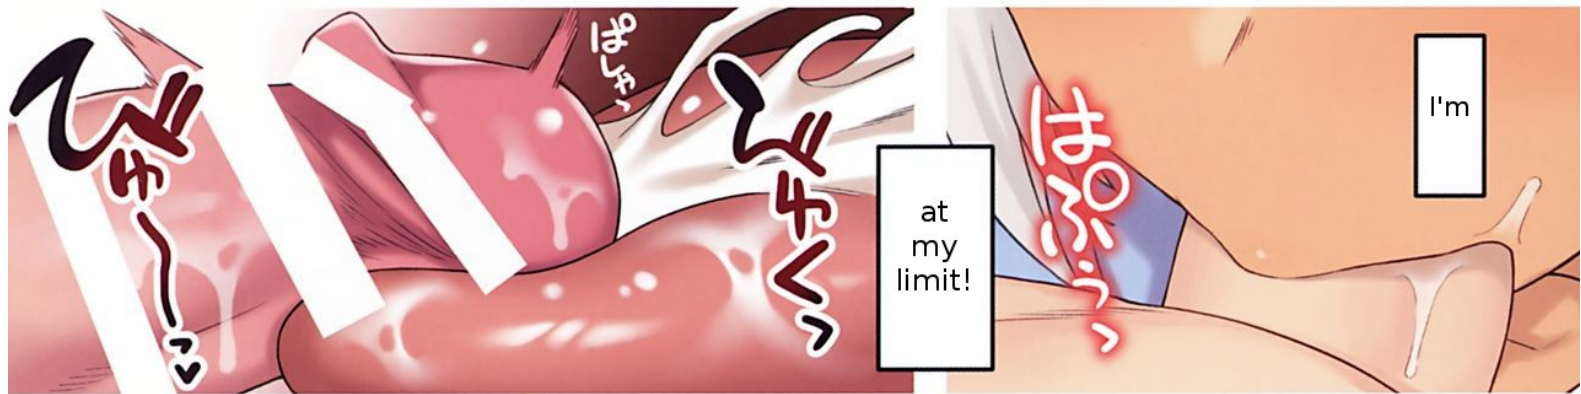

What the, ow?

うは

うは

aaah, she's stimulating me in 3 different spots.

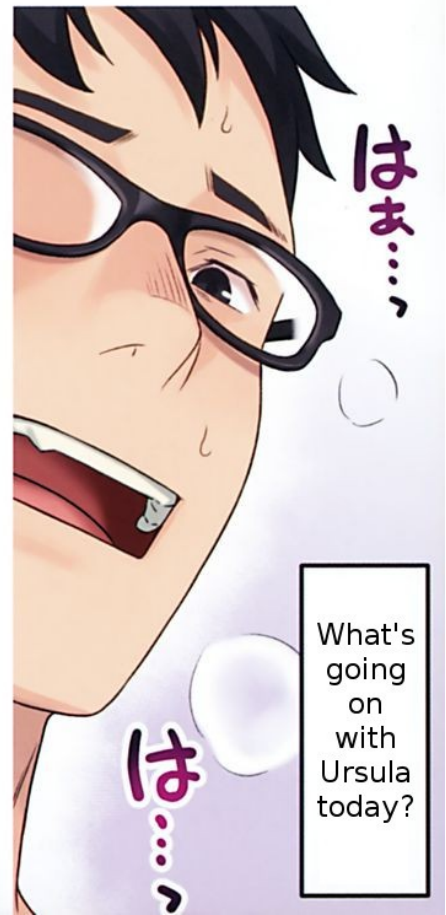

at my limit!

I'm

She's relentless, it's as if she can't resist it.

It hasn't even been 5 minutes yet.
Are you even trying to bring me back to school?

What's going on with Ursula today?

Hoh ou?

Body Manipulation Recreate

I need to rest before I can go again

Just now, was the second time I came.

Wa.. wait a sec.

Well then, next is...

Gulp

I thought I would have a good time with this form, today.

Uuh, the adult version of Ursula from chapter 4!

Ah, that's unfortunate.

All the sexual techniques that could melt your body and soul...

That's really unfortunate.

which can only be done with this body, will be wasted.

You really are a guy who can't go against his urges.

ka

...

It's gotten this hard even though it was only soft a moment ago

ん...
ん...
ん...
♡

うぐ...
いっ

It can't be helped, there's no guy in this world that could resist

the temptations of this body

It's so thick!

It was difficult to find the right condom.

い
3.0
3.0
...

This time, to win I have to make Ursula cum

う...
ッ

Come on, move your hips.

If you win I'll tell you.

Fufu, do you really want to know?

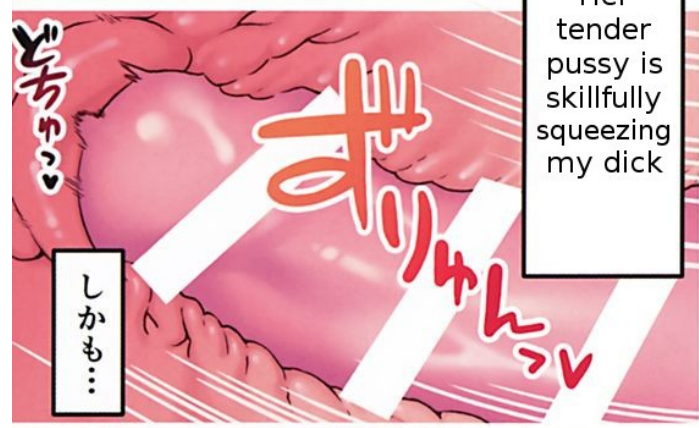

Come to think of it, why use condoms now?

にちゅっ♡

ぷちゅっ♡...♡

Her tender pussy is skillfully squeezing my dick

どちゅっ♡

ぷりゅっ♡

しかも...

んっ♡

ぷちゅっ♡

Her thick ass is bouncing up and down

ぷちゅっ♡

んっ♡

I thought I could endure it because of the condom, but I was naive.

ぷちゅっ♡

4000 ULTRA BIG

はっ♡

With the condom this isn't reproductive assistance - this is sex for pleasure

Combined with her body and outfit, it really makes it feel like we're doing compensated dating

んっ♡

ぷちゅっ♡

ぷちゅっ♡

んっ♡

ぷちゅっ♡

ぷちゅっ♡

ぷちゅっ♡

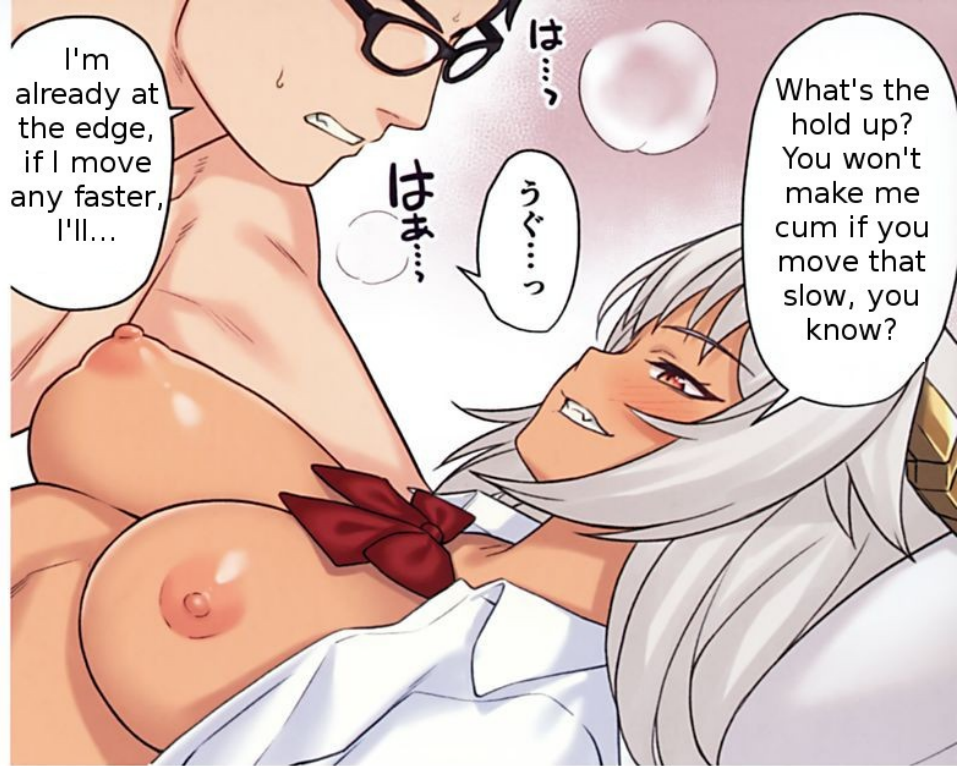

Wha?

ハア...

Can't even satisfy a single female, so pathetic.

I guess those elves you like so much are easily satisfied

ムカ...

I'm already at the edge, if I move any faster, I'll...

は...

はあ...

うぐ...

What's the hold up? You won't make me cum if you move that slow, you know?

Don't you make fun of me

I might unexpectedly lose if you keep this up

kaka now that's the spirit, come on go all out ♡

ムカ...

ムカ...

ムカ...

ムカ...

ムカ...

ん...

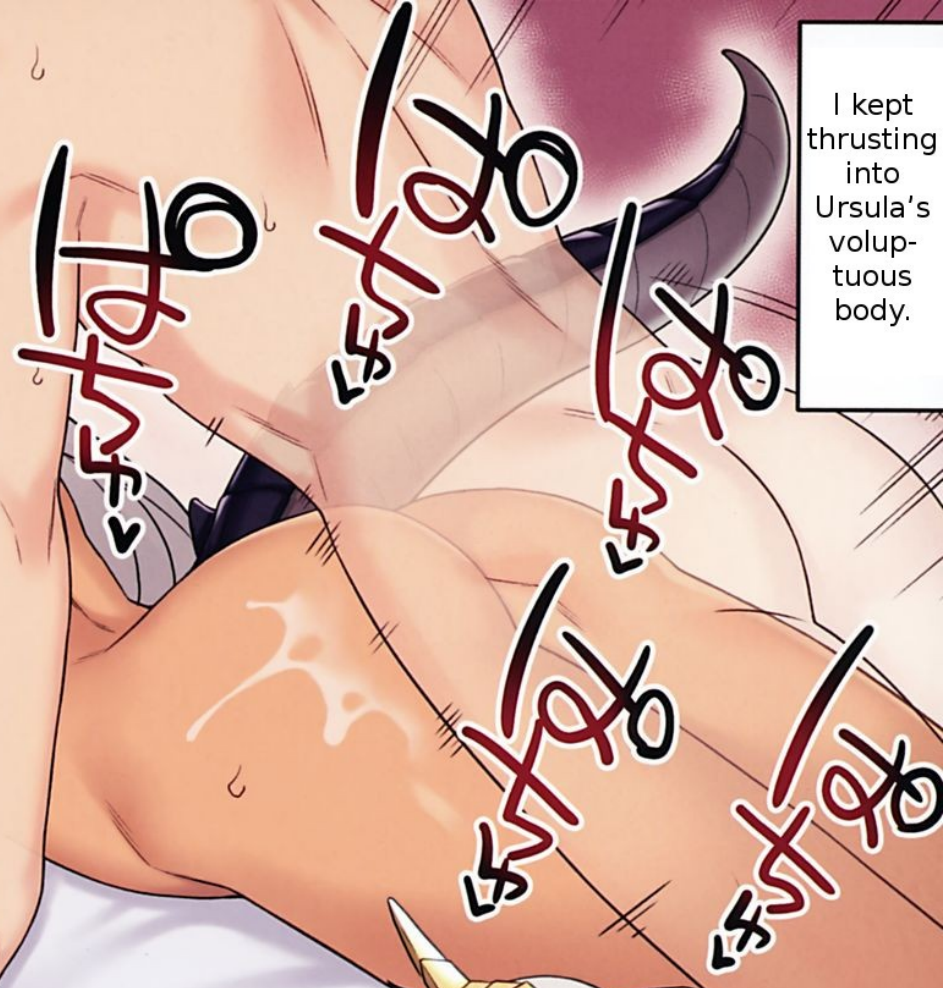

ん...

Hn!

That's great, keep up that rhythm

I actually might lose this time.

I kept thrusting into Ursula's voluptuous body.

Ah! You came again!

Again and

I came over and over.

Come on, cum inside me
Make it spurt-spurt

Uh..!

Again

Big catch!

You finally figured it out?

Strange

はま...

Well then, let's do it one more time.

Even for Ursula, it's impossible for her to not cum after all this, it can't be that she's..?

は...

With my *Body Manipulation Recreate*, I'm able to control the stimulus from my vagina

The only trouble was the long ears' magic which forcibly brought about pleasure, but

I won't fall behind while having sex with you.

That can't be

Which means

As long as there's this condom to avoid direct contact, that magic doesn't work

はま...

はま...

はま...

はま...

はま...

はま...

That means she'll never lose no matter how many times we do it.

This is payback for that time you fucked me in the storehouse after school

(Ch 3)

I'll make sure you feel the same humiliation I got from having forced orgasm again and again and again.

Come on, cum

Cum, cum

Ah...!!

Aaaa h...!!

I'm cumming a..gain..!

Your stamina and emotional strength are already at their limit.

Aah, geez, you felt so good that you've exhausted yourself

はぁっ!!

If you pledge loyalty me, as my pet you'll be released from all your duties. You'll be able to have sex with me to your heart's content.

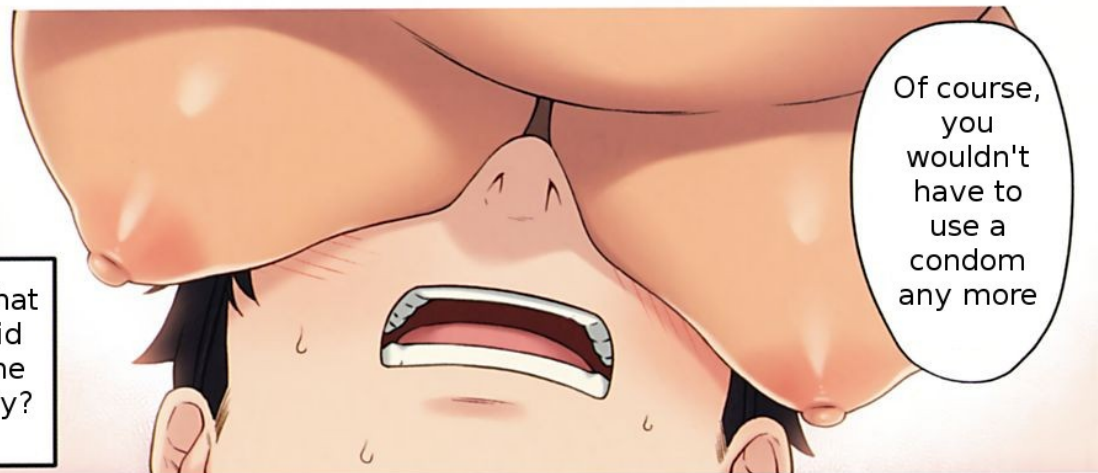

You've come to understand, right? no matter how much you struggle, you won't be able to win against me.

How is it? Won't you be my possession?
You could forget about the school and giving "assistance"

Ursula's possession?

I'm going to be adopted by Ursula from the dragon tribe?
If I accept her offer

What did she say?

Of course, you wouldn't have to use a condom any more

so, your answer ...?

But I can't give assistance to anyone else

I don't need to do anything else.
anything ... anything ...

My cooking and cleaning will be taken care of

I can have sex with Ursula all day long

Then I don't need to work any more?

Ngh!?

Sorry but I can't!

He's gaining strength from sucking on my saliva?!

His dick in my belly is getting bigger! Just when I thought he was at his limit and let my guard down...

The base of my tail!

W.. wait...! you! that place is..!

A dragon's weak spot!

クンクン...

~~~~~

クンクン...

クンクン...

I even reverted to my pristine form when you made me cum

I'm sorry Ursula

Impudent!
To use my high-class saliva and touch my tail in such a carefree manner!

~~~~~

は~~~~

は~~~~

~~~~~

~~~~~

I suppose there are plenty of females out there who would want your assistance

Ha, from around the world?

Yes, that's my plan

But will you be able to accept them all?

But there is also Iris, Aegis, Ellie, Ouka... besides,

Your offer was fascinating, it swayed my heart

**Therefore I can't only be your possession!**

there might be other demi-human girls from around the world that come to me for "assistance"  
I want to have sex with them too!

That's also where I read about dragons' weak spot

And from some literature I read recently, slimes' reproductive function is particularly interesting...

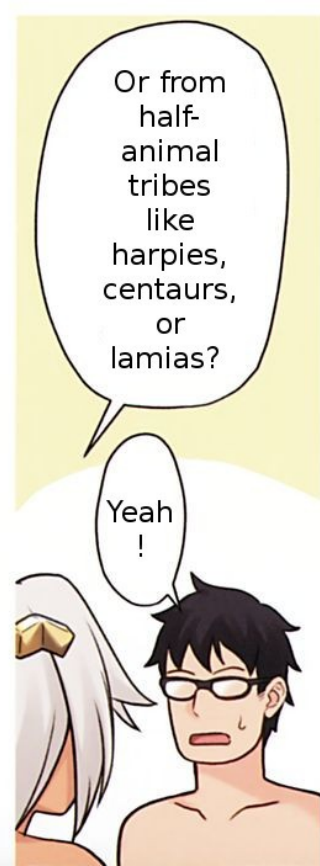

Well, it may be surprising, but from all the species you just said, there might be some of them that are demi-humans, as the results of crossbreeding between humans and those species.

Pfh... aha ha

Or even if they're 50cm high fairies or liquid creatures like slimes or machine life-forms like golems, you'll copulate with them if they ask you to?

Uh-huh

Or from half-animal tribes like harpies, centaurs, or lamias?

Yeah!

You'll give your "assistance" even if they're furries, vampires, succubi, angels?

Sure

It's unusual for Ursula to get all pouty and behave like this

Okay?

Just give all your attention to me.

For tonight, you mustn't think of any woman but me.

But then I realized

For me to have had sex with Iris and the others without the pretext of assistance

and not saying anything about it

ん...

She must be feeling lonely, thinking

she was being left out

I get it now, Ursula.

ん...

knowing that, Ursula must be

あ...

Aah.

We were touching skin to skin affectionately, searching

for how to make each other feel best

This was pure sex, not assistance or any one-sided overpowering

Her charming, twitching vagina overflowed as I shot deep inside her again and again

Her suddenly demure attitude arouses me

Whenever I touch her womb from behind, she pushes her ass up, matching my movement

Every time I came, we changed positions

And I would once again pour my semen inside her vagina

When I got tired, Ursula's saliva let me recover instantly

This blissful time felt like an eternity

I'm cumming

cumming!

It's close!

It's coming, Ursula!

My last ejaculation was remarkably thick

It reached the deepest parts of her insides

Aaah

After that  
...

Ursula!

That's what I was thinking, but

Her attitude hasn't changed, but I think I understand her a bit better than before

Ursula came back to school as if nothing had happened

But well, if you pledge loyalty to me I might deign to listen to your request

To become your pet? Haven't I already refused that?

Come to think of it, the winning condition for that last game was a big mistake

I said I'd come back to school, I didn't say I'd come to class. Especially when it's boring

Hmph

Classes have already started, why are you on the roof?

Ka ka ka

Well.. to be asked so suddenly ...

Co.. couple!? That is...

You're so obstinate

If you don't want to join my family as a pet, how about we become a couple?
