LONG-DISTANCE RELATIONSHIPS

Hello, this is Dousai. As for the kids, Jun-kun is in his 6th year of elementary school, and Ai-chan is in his first year of middle school. So, the part with the old guy at the beginning felt kind of forced, but I hope you enjoyed it a little lol. I'll write about Ai-chan's various reasons next time, but he'll be in high school by then, so shotacons may not have interest in it. But if you would like to read it, then please do so lol well, I'm aiming for april, but i'm not feeling well, so we'll see lol

until next time!

Dousai
