I'm not in junior high!

I'm an adult, you hear me?!

Thanks man!

Definitely not my type...

Blond hair and a bad glare...

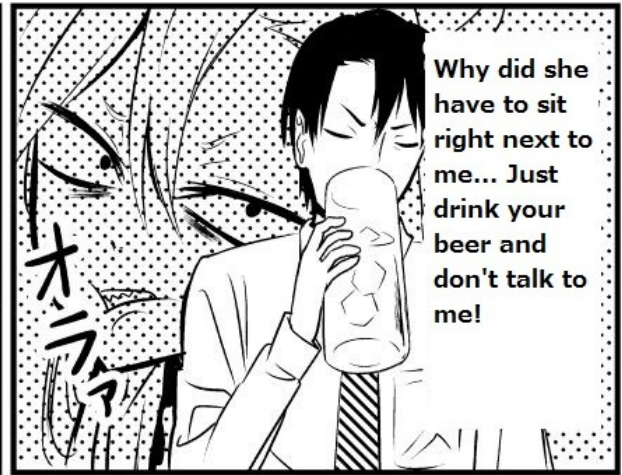

Wow...It's a messy yankee girl in a hoodie.

She started talking immediately!

Hey, are you drinking by yourself today?

Why did she have to sit right next to me... Just drink your beer and don't talk to me!

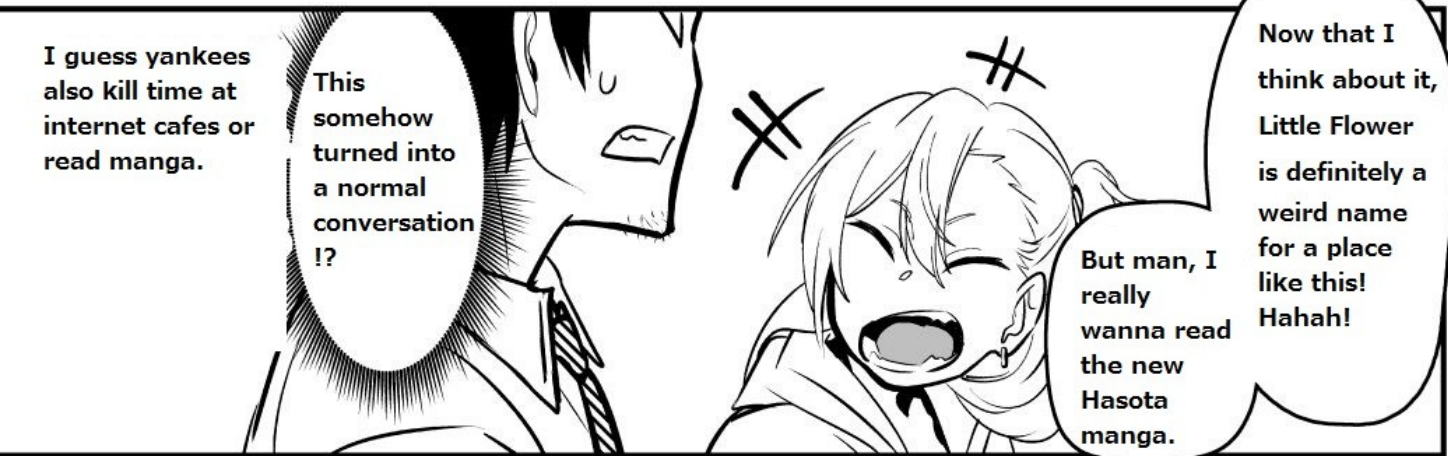

We're too different. There's no reason to talk, right?

Don't just casually walk up to me like this... Seriously...

Yeah...

It's really packed today, isn't it?

Do you come here often?

I guess yankees also kill time at internet cafes or read manga.

This somehow turned into a normal conversation !?

But man, I really wanna read the new Hasota manga.

Now that I think about it, Little Flower is definitely a weird name for a place like this! Hahah!

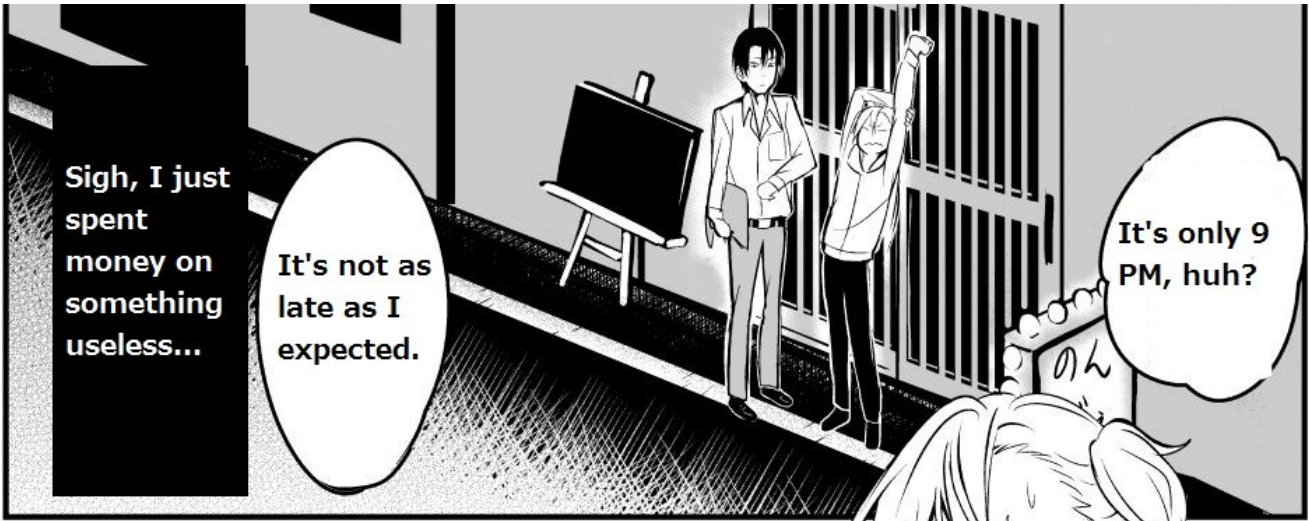

Shit! Why am I treating a yankee girl I've just met ?!

Seriously? Lucky me! Thanks ~

No way, I'm the man here...

Wow, tonight was fun! I'll treat you!

Sigh, I just spent money on something useless...

It's not as late as I expected.

It's only 9 PM, huh?

Wow! She's wearing just a tube top under her sweat-shirt!

Despite the fact that she's a damn yankee and she's completely flat, she's got nice skin... It's kinda erotic!

Damn, it's hot! I'm sweating!

It's not like a fucking virgin like me could resist her invitation... I don't know, maybe I was just captivated by her body... At the second bar I got an erection, so I desperately tried to continue our conversation to calm it down...

It's still kinda early... Wanna go to another bar?

Hey...

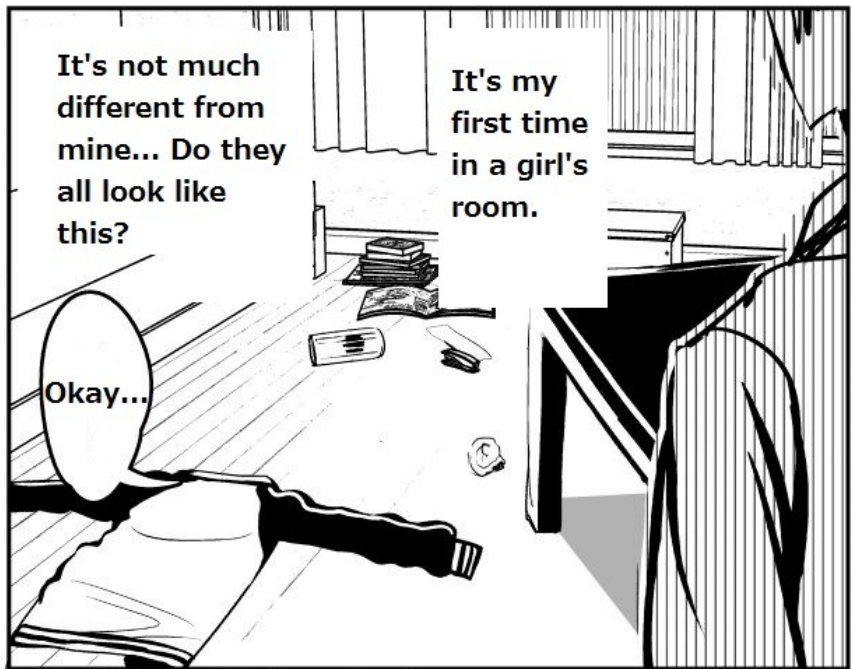

And then...

I live close to the bar,

so I didn't even know when the last train leaves.

It's not much different from mine... Do they all look like this?

It's my first time in a girl's room.

Okay...

Huh?

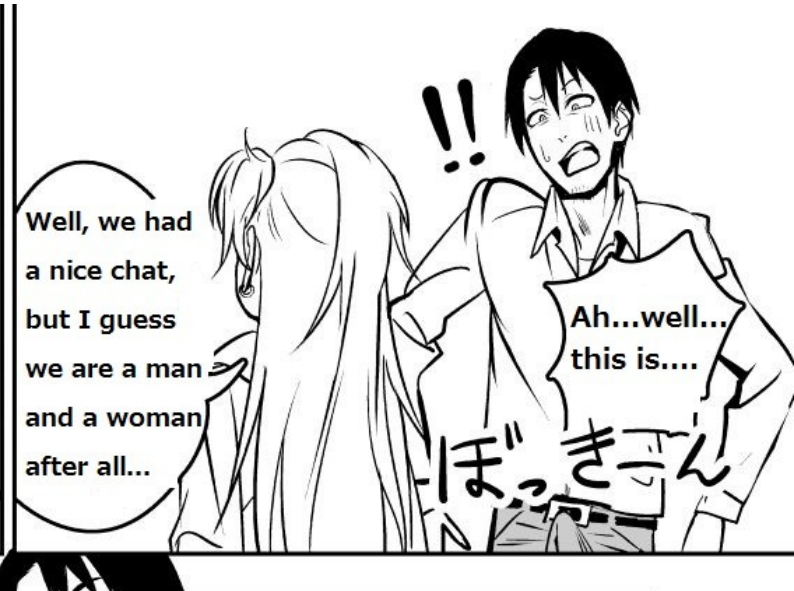

I- It looks like it's ready for a fight!!!

Anyway, what the hell is wrong with that?!!

B- But...

Are we gonna have sex?

Well, we had a nice chat, but I guess we are a man and a woman after all...

Ah...well... this is....

はっ...ま...ん

Right now?

What?

Let's fuck!

I have time until the first train anyway.

Fuck? Really? Did she really just say 'Let's fuck' ?

It's just sticking a rubber wrapped pole inside my tummy.

My friend says sex is like sports...

Well, yeah but...

So suddenly?! We've just met!

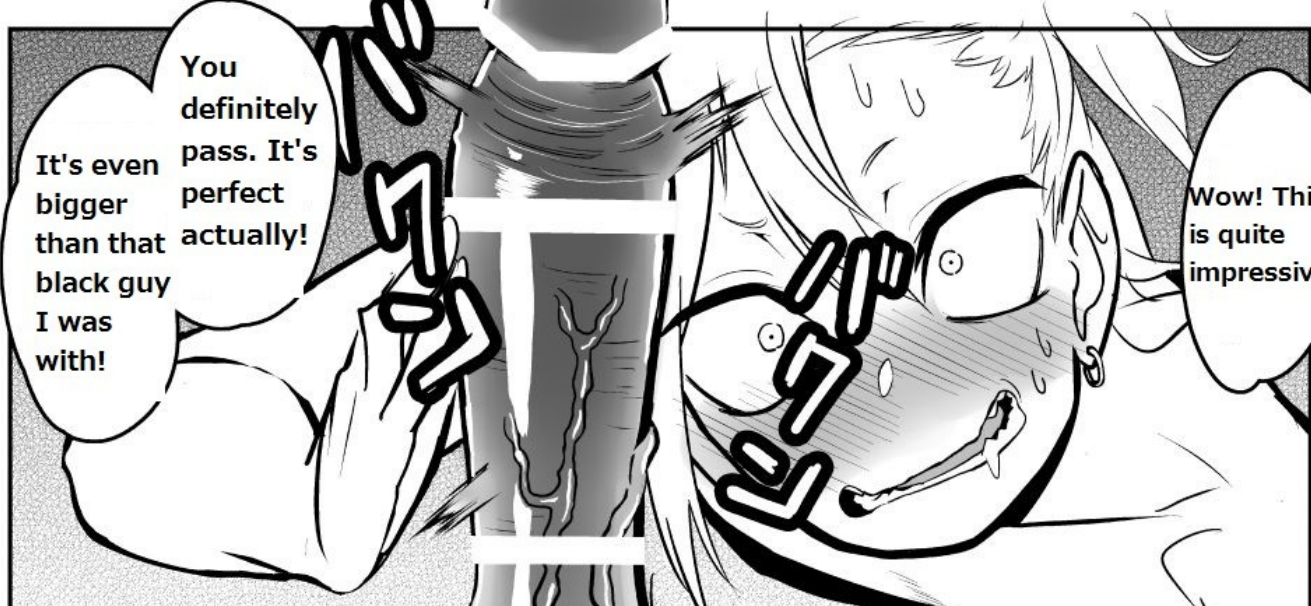

Heh !!?

No... wai-

See? You're so horny you can't even talk properly anymore!

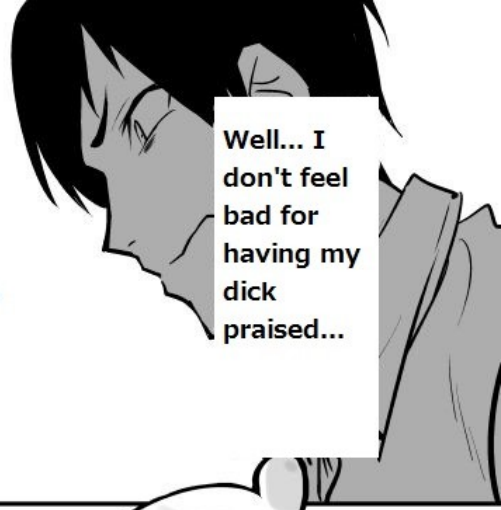

It's even bigger than that black guy I was with!

You definitely pass. It's perfect actually!

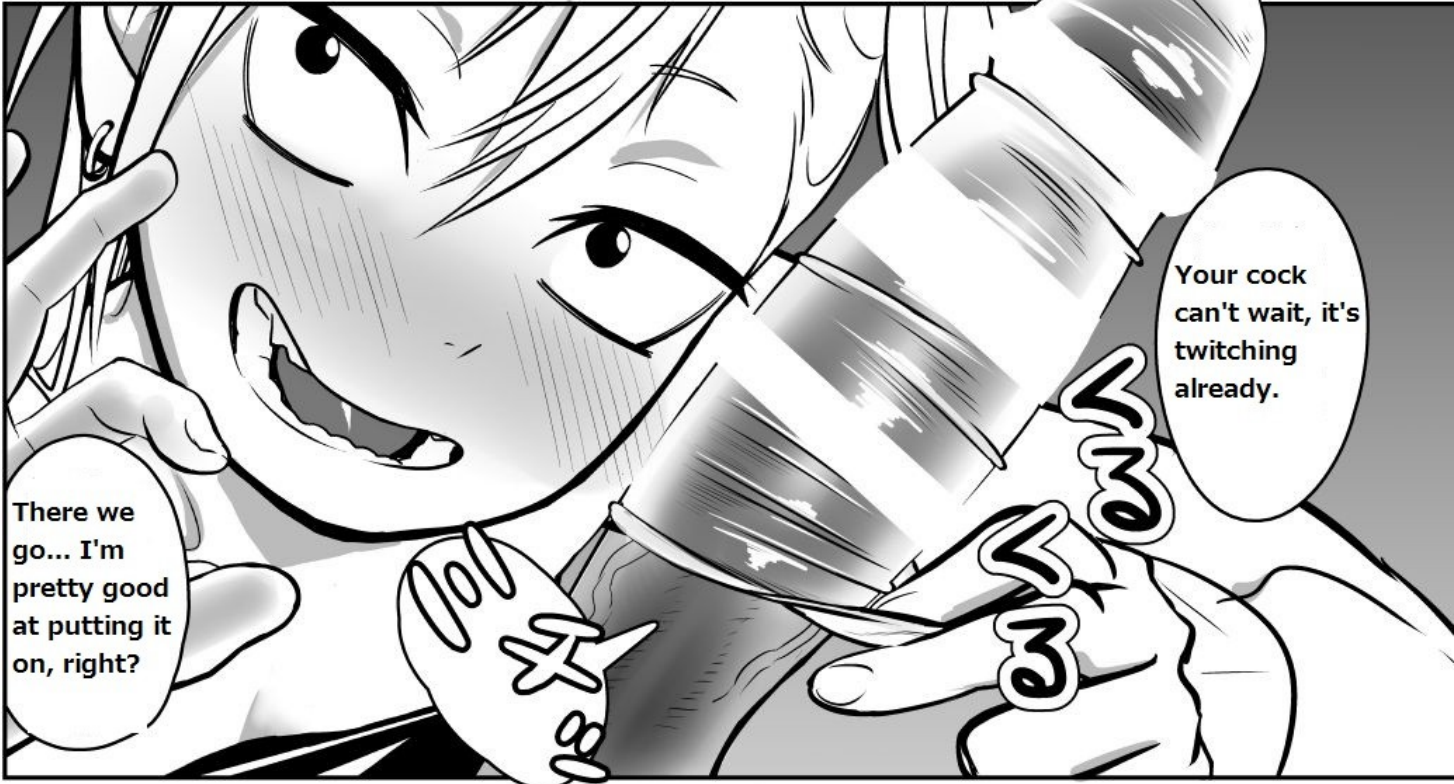

Wow! This is quite impressive!

But still, she even fucked a foreigner. She's a slut after all...

Well... I don't feel bad for having my dick praised...

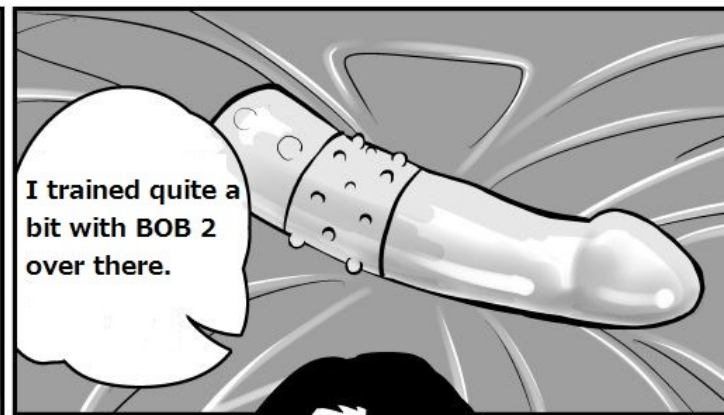

There we go... I'm pretty good at putting it on, right?

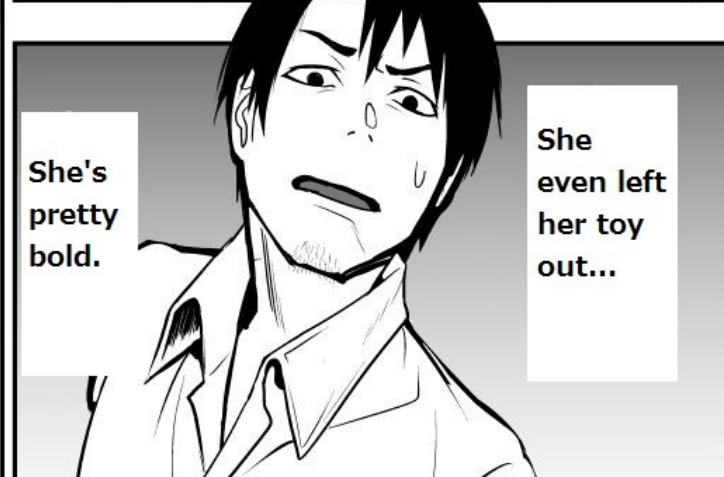

Your cock can't wait, it's twitching already.

Here we go!

I trained quite a bit with BOB 2 over there.

She's pretty bold.

She even left her toy out...

Why am I losing my virginity to this blonde slut...

This is my first woman...

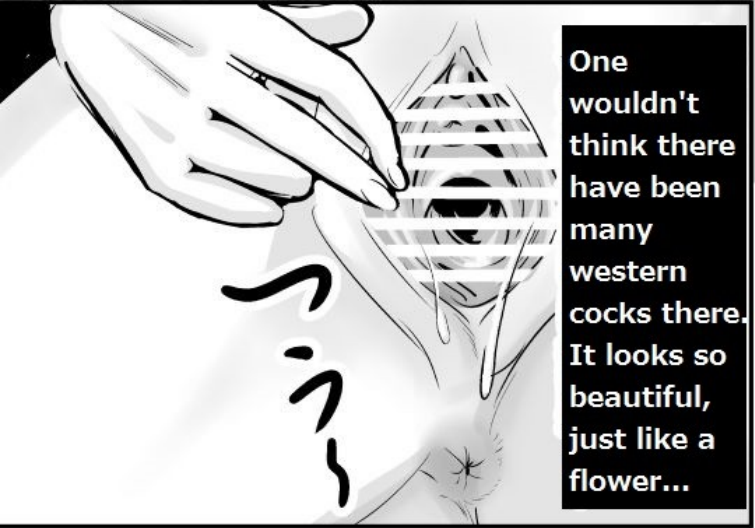

I thought I was going to have my first time with a sophisticated black haired girl...

I don't really have a fine body, but you won't regret it.

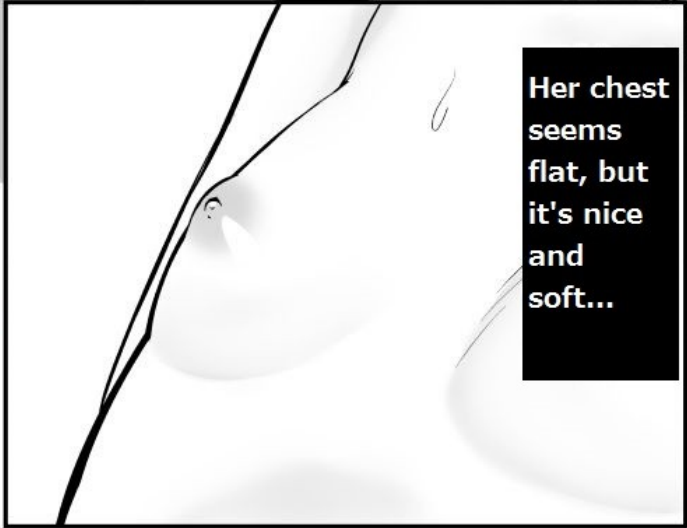

Come here!

イキイキ♡

イキイキ♡

One wouldn't think there have been many western cocks there. It looks so beautiful, just like a flower...

Her chest seems flat, but it's nice and soft...

C'mon, stick it in! Could it be that you don't know where to put it?

Wait! Why am I so lovestruck by this slut?....

Even I know that much from reading hentai! Don't fuck with me!

Wha?!?

Sorry

Shut up already! I know where to put it!

I proposed to her out of guilt...

She was very happy and smiled...

I hate myself so much.

I can no longer have sex with a beautiful dark haired girl because I ended up with no other choice but to marry this terrible yankee, who is not my type at all...

I can't just throw her away anymore... I went over to a girl I didn't love and I got lost in the moment...

It made my switch go off and she almost pressed charges for rape...

Having sex before we even kissed... And marrying each other on the same day...

This feels so weird.

So... I proposed to her 5 hours after I met her and we were married 24 hours later.

I...am a dog- I mean Yashima Kurumiko...

Now Yashima Shibainurou's wife.

We haven't introduced each other yet.

She's right...

So...

This is the girl I'll protect my whole life... I'll definitely make her happy!

I know hehehe

I'm married to such a cute girl! Is this for real?!

I- I'm Yashima

Wow! Now that I look closely, my wife is so damn cute!

It's Shibatarou Not Shibainurou!

*He has the inu (dog) kanji character in his name

あとがき

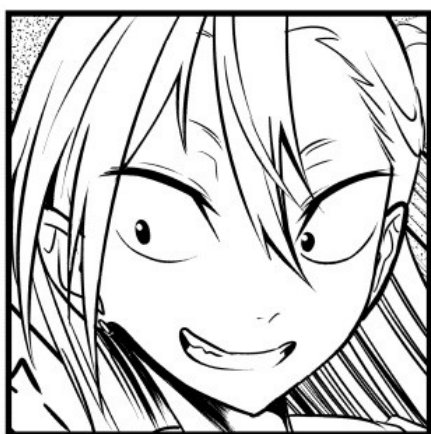

初めまして。にらみっ子工場の工場長です。
初めての同人誌同人誌、しかも成年向けで少々つたないですが
とりあえず一冊。

目つき悪い子スレで描いてきた金髪ヤンチャ系彼女のイラストを
仕切りなおして馴れ初めを描いてみました。
男キャラの見た目もふわふわしてたけどちゃんと決めて…
結構難しいね、成年向け漫画って。

売れ行き次第では2冊目とか…
検討出来るかもだけどまあ無理かもなあ。
100冊も売れないんじゃないかな。
お金と時間に余裕ができたならまたやってみたいね。

登場人物

She masturbates very often and has lovers from time to time, but she's always disappointed by the size of their cock and breaks up with them. Shibatarou is the first man to cum inside her. Since she got together with Shibatarou, she's trying to become a better woman, but she can't do housework at all. She wants Shibatarou's friends to call her Mikko, but since she's older, they usually call her Rumiko-san instead, to be more polite.

Yashima Shibatarou. Kurumiko calls him Tarou. 26 years old. He seemed to be an unattractive and dull man when Kurumiko first met him. His type are clean looking black haired girls. He likes all kinds – from loli-like to adult ones. He hates yankees, but thinks Kurumiko is the cutest girl in the world. He's always been worried that Kurumiko could be traumatized by their first sex, but Kurumiko forgot about that experience in about 2 days.

Ku-Kurumiko-san...
Please have se- sex with me today!

Translation and typesetting: PewPew

Something about me: It is the year 2020, Covid-19 is spreading and while in lockdown I stumbled upon this manga. I thought my Japanese could do with a bit of brushing up, so I decided to translate it for myself. Seeing how many people did things for free in these grim times, I decided I could find a typesetter to let others read this as well... After writing on various subreddits, nobody wanted to help me with my noble cause....

However, my unwavering will did not allow me to stop there. I have never done anything like this, so I just opened MS Paint and did what I could! This is the result!

Enjoy this hentai!
