

I was defeated by a new freshman, and then I got fucked in front of everyone, and I became a bitch. Denied the fact that i'm a man, i'm trained by a bimbo, trying desperately to be a woman. Fluffy perm with long hair, dark makeup, earrings My muscles are all gone and she's all fat and flabby.

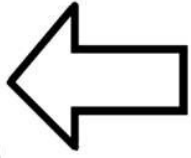

Boxing captain (respected by club members in his own way) I have a problem that I can't put on muscle even though i'm small and work out hard. I long for masculinity and don't like girly boys.

After

Before

I don't...
ooh...
ooooh...

...
Stop
...

...
Please...don't
do it...don't
do i
...
(Crying)
...

At last, I started crying and begging, and I could see the eyes of the members who had respected me before, changing from worry, to disappointment, to disdain...

No matter how much I begged, I was being fucked over and over again... this day, I was completely surrendered by a freshman who was much stronger than me...

No,
Stop it
....
STOP
IT

Well, if you don't like it, why don't you just shake it off?
Captain
(laughs)

I tried desperately to resist, but there was an overwhelming difference in our power that he didn't even flinch.

Seniors, it seems your captain doesn't want you to resist, he wants you to get fucked.
(laughs)

The result of the sparring between the freshman and me, the captain of the team, was... I was literally defeated in seconds. I have desperately trained my body and hone my skills, but the freshmen were far better in terms of power and talent.

The freshmen weren't satisfied with just beating me in boxing,

So he held me down, "I can't allow you to be the leader, you're so weak," he ripped off my trunks.

He fucked me in front of all the club members with the freshmen's big cock...

Tsuyoshi-sama rapes me in the daytime, and at night I stare at a picture of my once manly self, using my proud trophy as a vibrator, and ejaculating into my always neatly polished gloves to make me squeal.

Tsuyoshi-sama doesn't allow a weak person like me to box, or to be a man. "You're a slutty little bitch". "bitches don't box". "If you're a bitch, serve your man." he says every time he fucks me

After that, I am fucked by freshman Tsuyoshi-sama every day many times in front of the eyes of the club members, made to serve fellatio and trained to become Tsuyoshi-sama cum eating slut

I was ordered to thoroughly reject everything I've ever been as a man and masturbate...

I am Tsuyoshi-sama's woman ♡

Ah, Ahhh. ♡ Tsuyoshi-sama ♡

I'm not a man, I'm a woman...

Cumming ♡ I am Cumming

It's inevitable that when I masturbated as a perverted bitch, I started to gradually lose my muscles and my body becomes more and more like a woman's.

I was allowed to wear the trunks for the first time after a long time (with the crotch cut off), to show that I'm the cock-loving whore of the lecherous master, who is completely fawning over men and clinging to them

Ah,
Ah oh
...
This,
This
is

How many times have I been held by my master since then?

I did everything I could to be a woman, to be liked by my master,

I grew my hair, dyed it, wavy permed it, put on makeup, pierced it...

I didn't have any hormones, but I received my master's sperm too much, so I became a fat bitch!

Hey,
check it out!
Look at that slutty body.

He became a woman completely by sucking Tsuyoshi-san's big cock!

This is a ridiculous appearance that can be seen only in the cosplay of the AV actress or prostitute, and a penis that shriveled up miserably and couldn't get an erection...

I looked up to that pervert as my captain. I was decived.

Aren't you ashamed to go out of your way to show such a embarrassingly small penis??

Apologize, you pervert!

I'm sorry that a pervert like me has defiled the boxing club

This was the moment when I realized that my future as an athlete and my life as a man had ended

I belong only to Master!

Master is the only one who needs this disgusting little pervert!

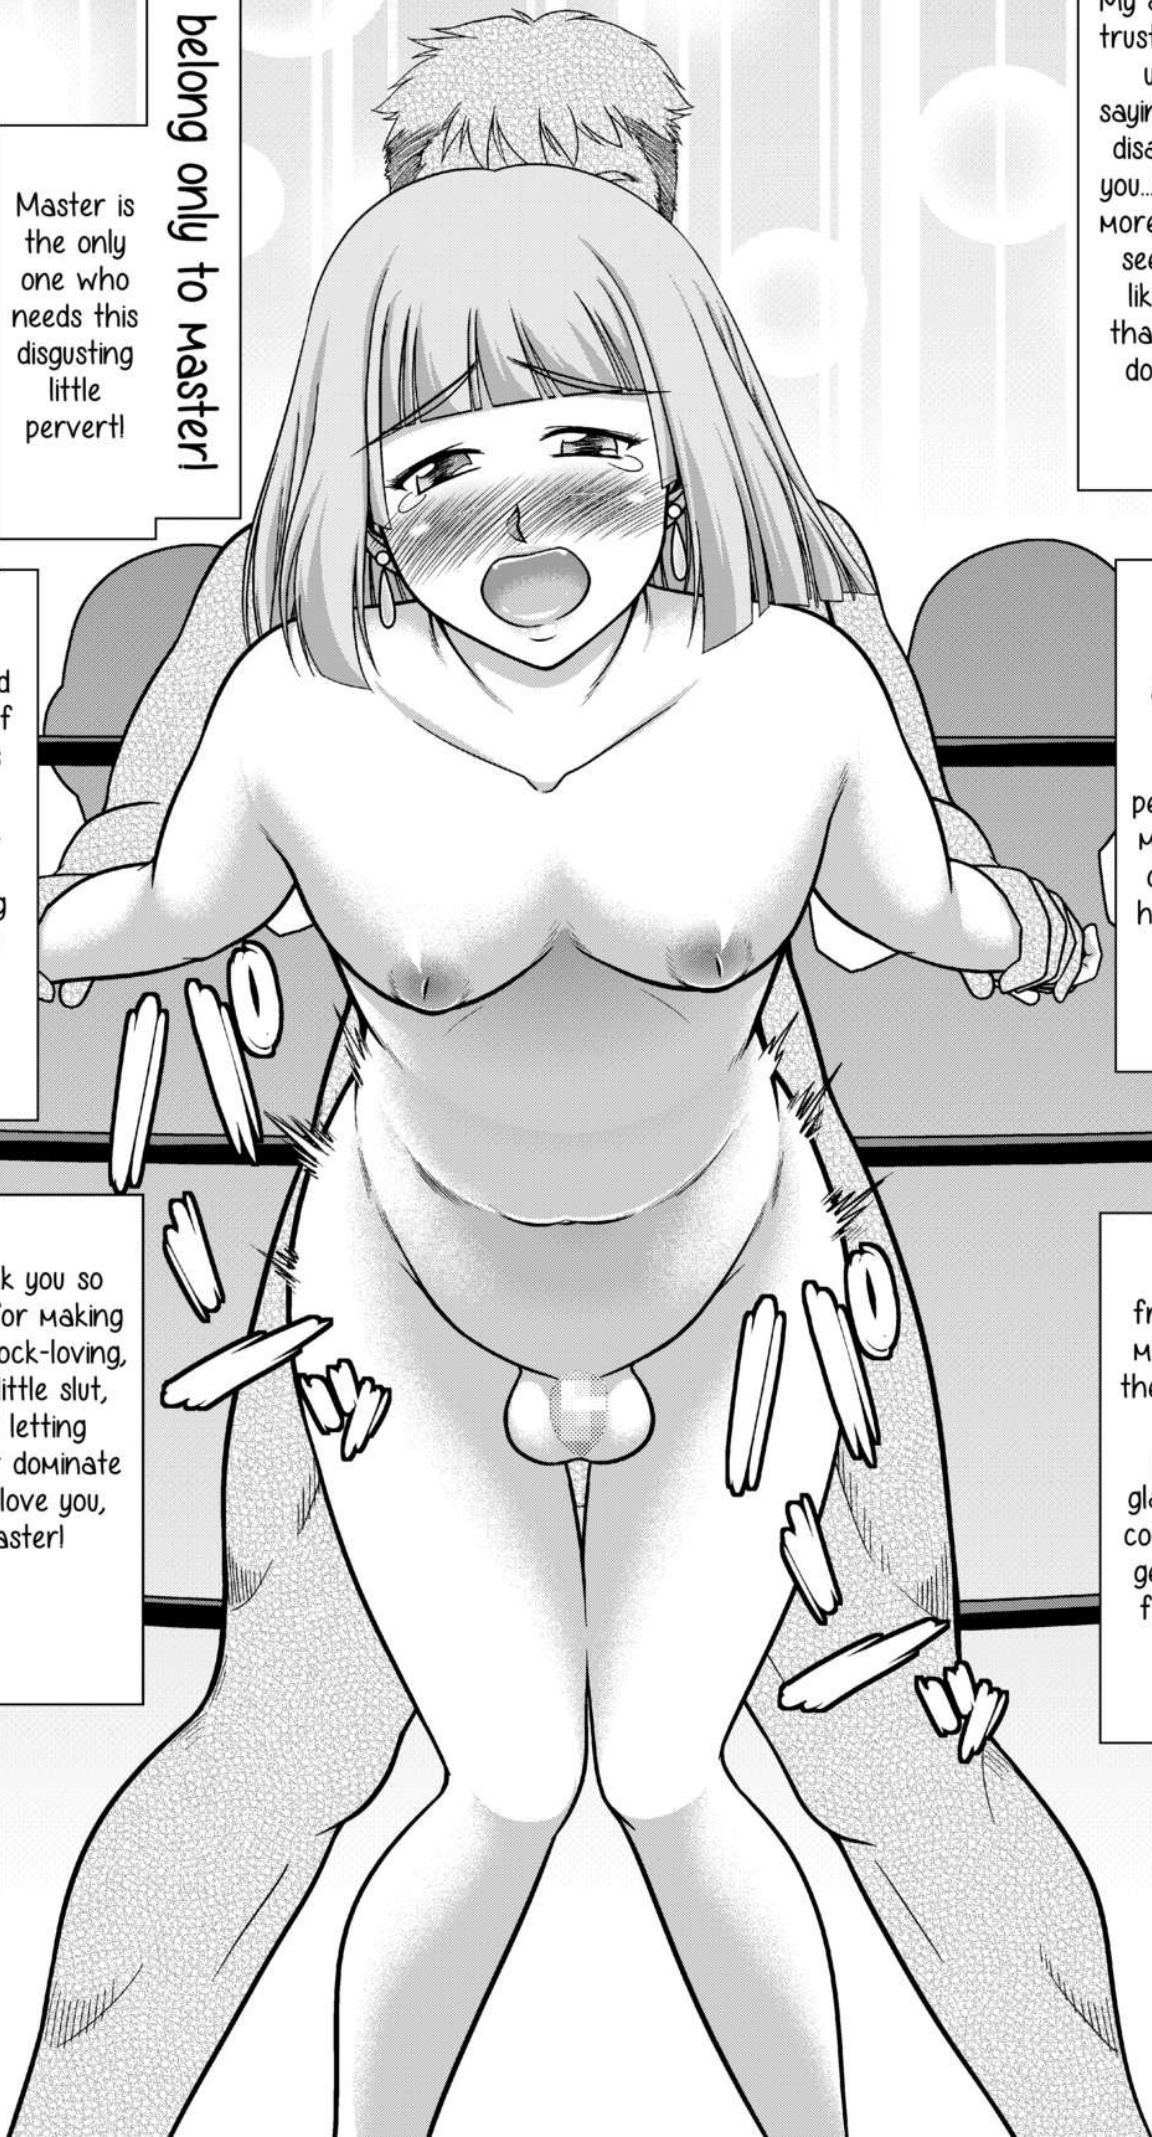

My advisor, who trusted me, gave up on me, saying, "I'm really disappointed in you...well, there's more ambition to see in others like Tsuyoshi than in you, so do what you want!"

I will spend the rest of my life as Master's sex-slave, giving everything I have to Master's cock.

My family abandoned me, saying, "It's a shame that a pervert like you is my family, I don't care, we never had a son in the first place..."

Thank you so much for making me a cock-loving, sissy little slut, and letting Master dominate me, I love you, Master!

All my friends and members of the club gave me a scornful glance and I couldn't even get a word from them again...

I would like the cheapest condoms, please.

Oh, yes, this is it.

Naturally, the master does not wear condoms, this ones are for my slutty little cock

Ah, Aah hh

How's that rubber you bought for your perverted self with all the female clerks scorning you?

I'm going to dump my load in your urinal ass-pussy, so you better unload in rubber.

Yes, sir.

No, I'm going to get a lot of cocks after this, so I'll need a three-box set.

yes ... Certainly

I am a perverted slut who smells like cum... the lowest.

The lady clerk has a business smile, but her eyes...

Master made me buy a rubber to make me drink my miserable loser sperm, which smells and tastes like cheap rubber, to make me realize that it's not the same as the sperm of a man...

Ooh, condom it stinks...

Thank you, Master... for letting me have sex with a condom... with a tiny cock I couldn't have sex with.

As Master's cock pounded me, my tiny cock slammed against my own body no longer able to achieve erection, leaking masochistic juice into the rubber...
