WE RUN A SMALL BUSINESS WITHIN THE TOKYO AREA.

I AM KAZUKI YOSHIDA (29 YEARS OLD)

AT THIS AGE, MY VIRGINITY STATUS' SETTLED.

AND THEN

Yoshida -san!

Oh thank goodness~ You're here!

THERE'S HER, FUTABA NARUSE, MY GIRLFRIEND.

[Panel 6 SFXs: A tight, soft grab.]

SHE'S SO KIND AND CUTE, IT'S SUCH A WASTE FOR HER TO BE MY GIRLFRIEND, AND YET-

Oh, it's not that,

THAT'S FINE! ARE YOU OKAY WITH TO-MORROW POSSI-BLY?

もじもじ

I apologize!

I might be late for the company outing's briefing meeting...

[Panel 5 SFXs: Futaba squirming.]

**SO HARD**  
right now, I...

ぎゅっ♡

I had to step out,  
'cause seeing our clients in such hot clothes...  
made me

It's umm, that-

A FUTANARI.

I-I UNDERSTAND.

I have to go to the toilet to point it the other way.

MY GIRL-FRIEND IS

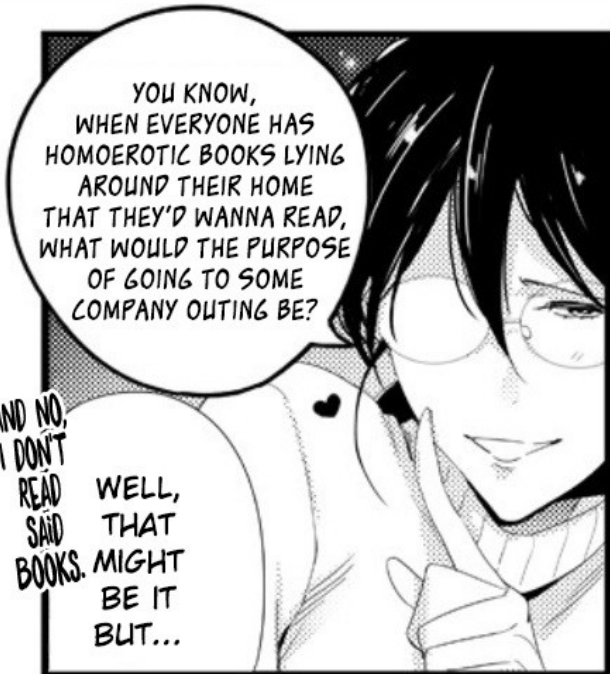

WHY DO I FEEL THE NEED TO CLENCH UP.

MOREOVER, SHE'S GOING FOR MY ASS...

But I'd be a lot better if I put it in Yoshida-san.

Take it easy!

Hee~  
Hee~

WHEN I'M WITH FUTABA-SAN, SHE HAS THAT CERTAIN AIR TO HER.

WOULDN'T YOU WANT SOME ASSISTANCE WITH THAT?

C'MON, AREN'T YOU EAGER TO SPEND THE NIGHT WITH YOUR GIRLFRIEND DURING THE COMPANY OUTING?

IT MAKES ME PANIC, DEEP DOWN INSIDE.

BEING A WUSS IS FINE!

WHAT'S WITH THAT, YOU LITTLE WUSS!

I'LL BE VERY CAREFUL ABOUT IT WHEN WE GO!

OH NO,

Sorry I'm late!

NO WORRIES, FUTABA-SAN! WE ONLY JUST STARTED.

A. TA. MI.

YOU CAN DO IT!

IS TO HURT FUTABA-SAN'S FEELINGS LIKE BACK THEN.

WHAT I ACTUALLY DON'T WANT TO HAVE HAPPEN,

Right, it has hot spring inns.

You know, just being able to go to the company outing, starting with the planning, is happiness enough.

THAT WAS A DISASTER COURTESY OF FUJIEDA-SAN.

NO, THERE'S NO SURE CHOICE YET... IT'D BE BETTER IF IT'D WAS A PLACE THAT'S CLOSER, SOMETHING TYPICAL,

Ah, Have you guys decided to go to Atami?

...I WANT TO HAVE HER ENJOY THIS ONE.

EVEN IF THAT'S THE CASE, WE CAN STILL GO SIGHTSEEING TO ALL SORTS OF PLACES THAT YOU WANT TO GO TO.

Isn't this a conflict of interest? You shouldn't be doing that ~

Eh HEE HEE

It's obvious that I shouldn't go in with them. I guess I can just take baths in my room.

TOO BAD!

RIGHT, FUTABA-SAN'S KEEPING HER BEING A FUTANARI A SECRET, SO SHE HAS NEVER WENT ON THESE TRIPS!..

Cause, that night the party's mandatory I believe-

If I accidentally get drunk, would it be alright if you looked after me?

To be honest, I'm very weak with alcohol.

Oh right! Yoshida-san,

Awa wa

I'm burning up...

What should I do Yoshida-san...

ARE YOU ALRIGHT?

FUTABA-SAN!?

Clang!

Take me please, I can't stand it anymore...

FOLLOWING NATURE'S COURSE, WILL I LOSE MY VIRGINITY-!?

PLEASE, LEAVE THIS TO ME!

COME, LET ME TAKE GOOD CARE OF YOUR BODY-

I heard from the department head.

You're someone who can take a drink right?

OOPH!

OR I SHOULD AT LEAST START BY FINDING SOMETHING I CAN BEAT FUTABA-SAN IN.

We can go and enjoy our company outing!

It's such a relief!

[Panel 1 sfx: A glowing Futaba-san.]

YEAH!

WE CAN DO THIS!

ALRIGHT,

LET'S!

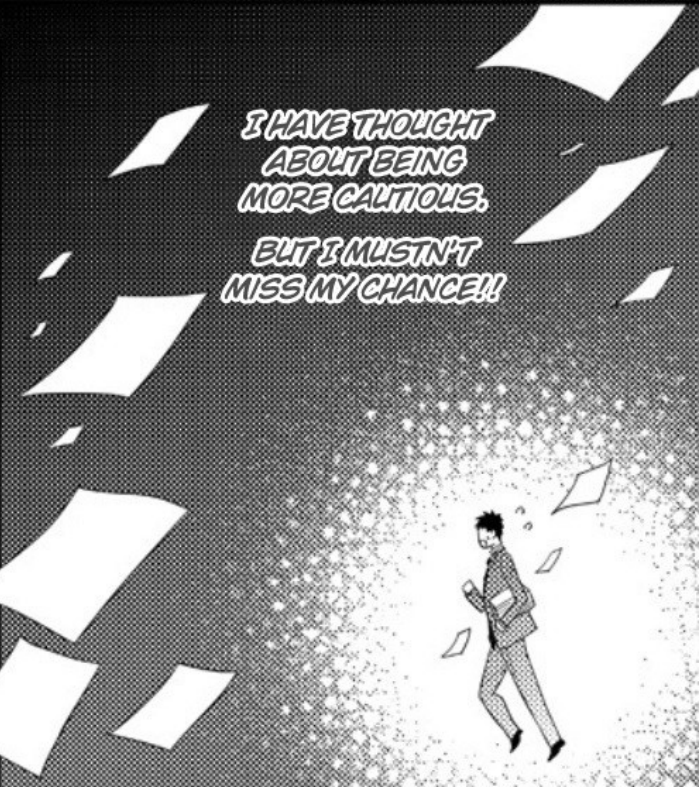

WITH THIS AS PREPERATION, I'M ONE HUNDRED PERCENT READY FOR—

I HAVE DECIDED!

I WAS SAVING THIS FOR JUST THE OCCASSION,

I HAVE THOUGHT ABOUT BEING MORE CAUTIOUS. BUT I MUSTN'T MISS MY CHANCE!!

IT'S THE SEA!

MMH, YES,  
ATAMI  
FEELS GREAT!

THE BEST  
COMPANY  
OUTING THAT—  
OR SHOULD  
I SAY,  
THE BEST  
NIGHT  
THAT I CAN  
OFFER  
HER!!

WE'RE  
NOT  
GOING.

THE SEX  
MUSEUM,  
THE SEX  
MUSEUM!

I'm so glad that  
everyone looked  
like they had  
a fun time.

Yoshida  
-san,

IT'S  
SOON  
TIME TO  
HEAD  
BACK  
TO THE  
INN...

C'MON,

IT'S ALL  
THANKS TO THE  
CONTRIBUTIONS  
YOU GAVE US.

Being  
together  
with you  
is so  
comforting!

I also had  
a lot of  
fun!

I'LL HAVE  
TO TELL  
HER THAT  
TONIGHT!

BEST OF ALL  
WAS FUTABA  
-SAN'S  
CUTE SMILE,

OH MY  
GODDDDDDD!  
I'M SO GLAD  
TO HAVE  
PLANNED  
THIS!

HEY, IS IT  
TIME TO END  
THE BANQUET?

I THINK  
WE SHOULD  
GIVE A SIGNAL  
TO END  
THE EVENT.

EVERY THOUGHT THAT DIRECTOR HAS IS JUST SEXUAL HARRASSMENT!

MAN, AT LEAST  
RECOGNIZE  
THE GREAT  
SITUATION  
YOU TWO ARE  
IN.

THE  
FUCK?

WHEREVER  
YOU LOOK,  
PEOPLE ARE  
WASTED,  
IT'S FINE.

RATHER, YOU  
SHOULD BE  
GIVING YOUR  
FIRST SHOT AT  
FUTABA-CHAN!

YOU  
CAN USE  
THE ROOM  
THAT WAS  
FOR  
SAEKI  
AND I.

OH YOU,  
I GUESS  
YOU'LL  
BE LOOKING  
AFTER  
FUTABA  
-CHAN!

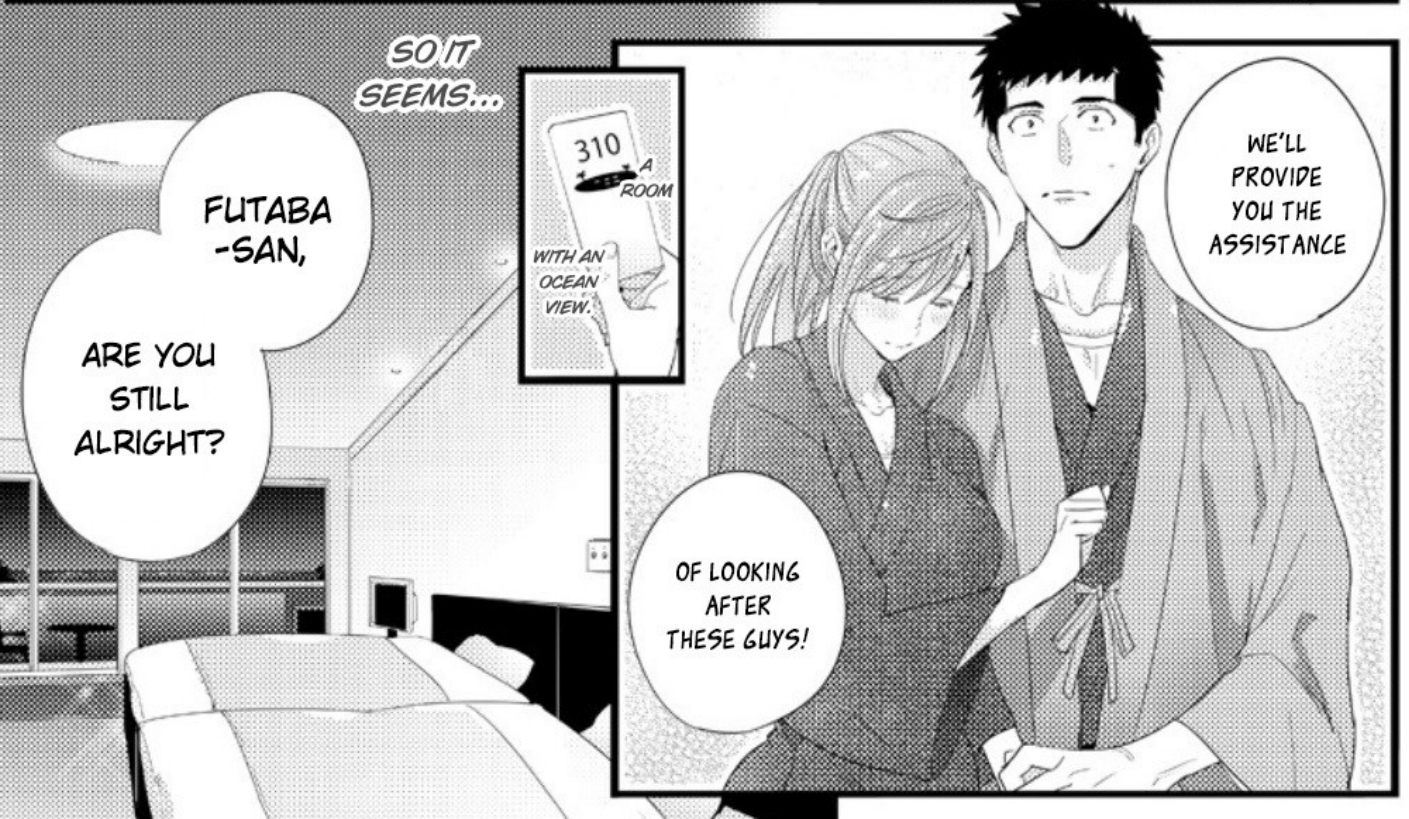

I CAN'T,  
IF PEOPLE  
DON'T KNOW  
THE WHERE-  
ABOUTS OF THE  
TWO SECRETA-

HERE,  
MY  
ROOM  
KEY

ARE YOU GOING  
TO LET ALL THIS  
GO TO WASTE?

THE DEPARTMENT HEAD  
GENEROUSLY GAVE  
YOU TWO THE  
COORDINATOR POSITION,  
FUJIEDA-SAN'S SLEEPING,  
THE STAGE IS SET!

SO IT  
SEEMS...

FUTABA  
-SAN,

ARE YOU  
STILL  
ALRIGHT?

WITH AN  
OCEAN  
VIEW.

WE'LL  
PROVIDE  
YOU THE  
ASSISTANCE

OF LOOKING  
AFTER  
THESE GUYS!

OH WELL,  
GUESS WE  
CAN'T DO IT  
TONIGHT.  
FUTABA-SAN  
LOOKS PRETTY  
SLEEPY.

Huuuuuh?

LIKE,  
DRUNK PEOPLE  
WOULDN'T  
PUT OUT  
THEIR HAND  
LET'S SAY,

HMM hMM  
hMM...

AND THEN,  
VERY  
CASUALLY,

フッ

フッ

!?

WHA!

WHWHWH-  
WHA!!?

Yoshida  
-san,  
let's do it!  
♥

You're  
wide  
open!  
♥

NO,  
WITH HOW  
THINGS  
LOOK,  
OR, WAIT, WHAT?  
HAVE I BEEN  
TRICKED? DID  
FUTABA-SAN  
ACTUALLY  
NOT DRINK?

WAIT...  
WHY AM I  
THE ONE BEING  
PUSHED DOWN  
AGAIN...  
Mmh...

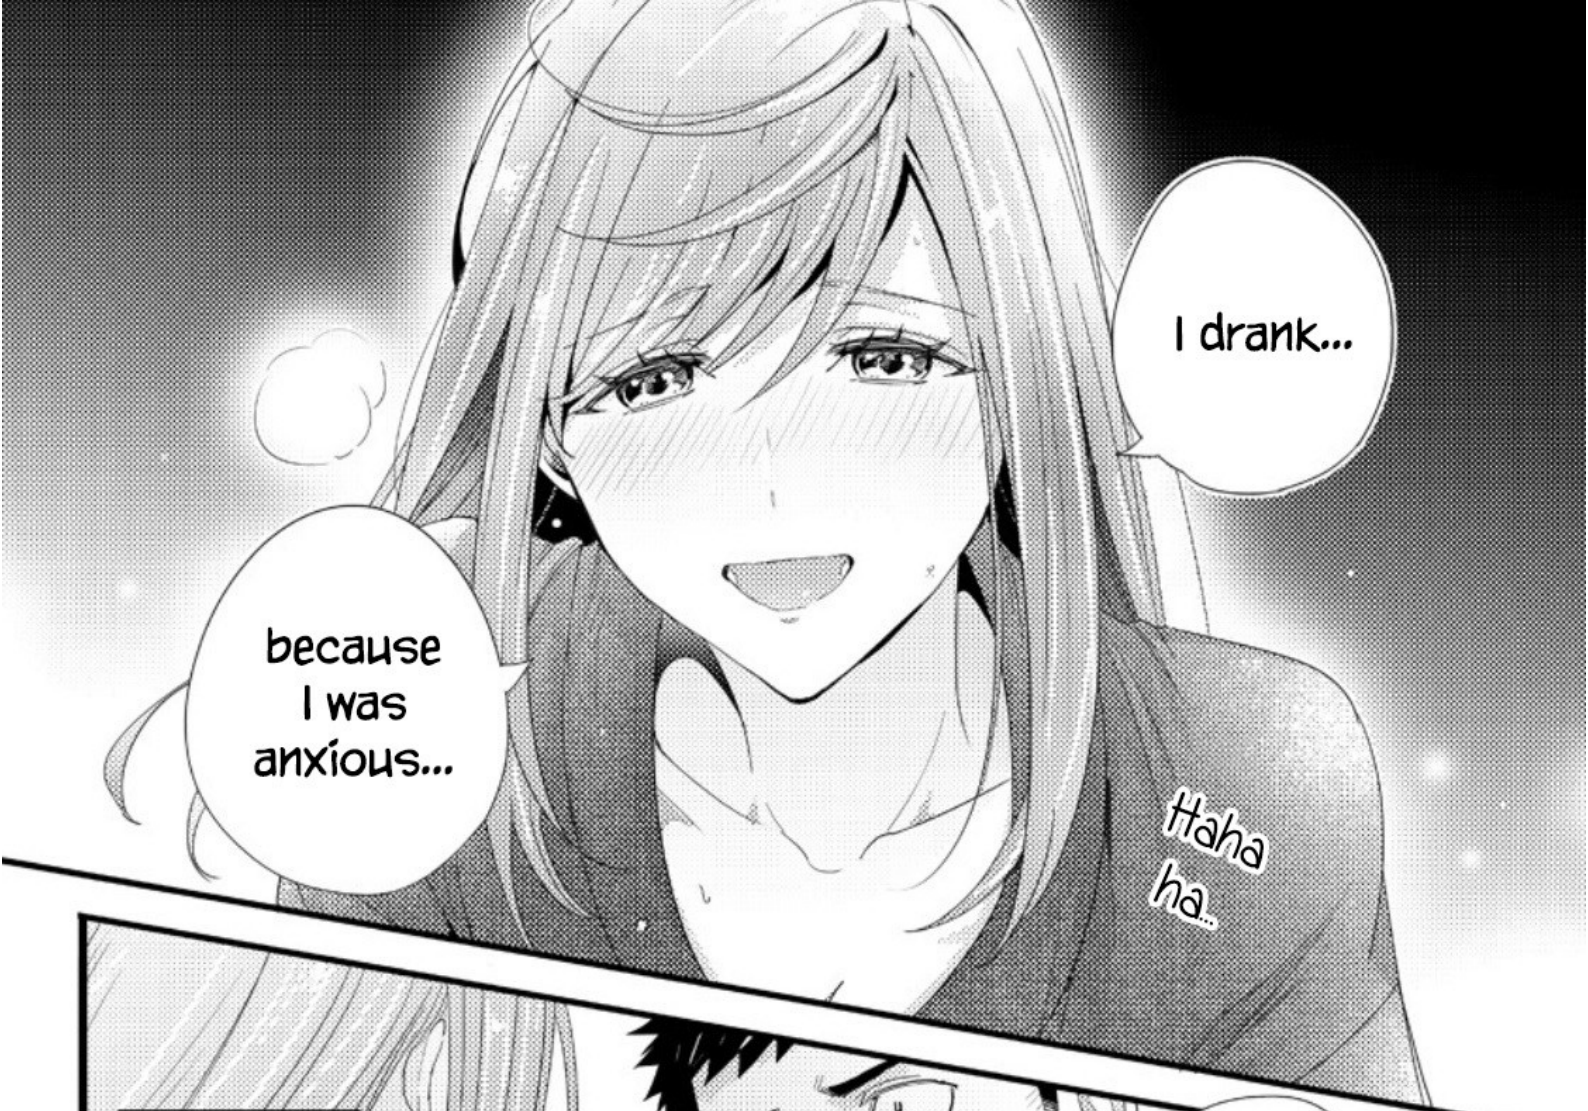

Why?  
I think you  
know why,

Mmh?  
rock...

HEY-!  
ARE YOU OKAY?  
WHY WERE YOU  
DRINKING!?  
EVEN THOUGH  
YOU'RE WEAK  
WITH ALCOHOL.

SHE WAS  
NEVER  
DRUNK!!!

because I was anxious...

I drank...

Haha ha...

I MUST BE SOME GUY,

But..... if I was denied a second time I-

I know it's not good to turn to alcohol for that,

Can we hold hands as we fall asleep for today...?

EVEN WHEN MY GIRLFRIEND HAS ALWAYS WANTED TO PROVIDE FOR ME,

I know you haven't done anything wrong,

I'm always... so can-

LMM, FUTABA-SAN, I CAN-

It's okay.

I'm scared...

FOR THINKING "I WANT TO WIN OVER MY GIRLFRIEND!"

PLEASE,  
LET ME  
HANDLE  
IT!!!

IT'S  
ALRIGHT!  
LET'S  
DO IT!

[Panel 1: Yoshida holds tightly]

BUT PLEASE,  
TAKE MY  
VIRGINITY!

I WAS...  
ABLE TO  
MAKE  
PREPERATIONS!

TO BE HONEST,  
I'M STILL  
SCARED...  
MY RESOLVE'S  
NOT THERE  
YET...

YES!

Huh?  
Do you  
mean,  
letting me  
put it in-

I'm so happy!

Squeeze

I AM SO NOT USED TO A SHOWER STALL.

shaa  
RIGHT...  
WHATEVER HAPPENS, IT'LL BE ALRIGHT. I HAVE DONE ALL MY PREPERATIONS.

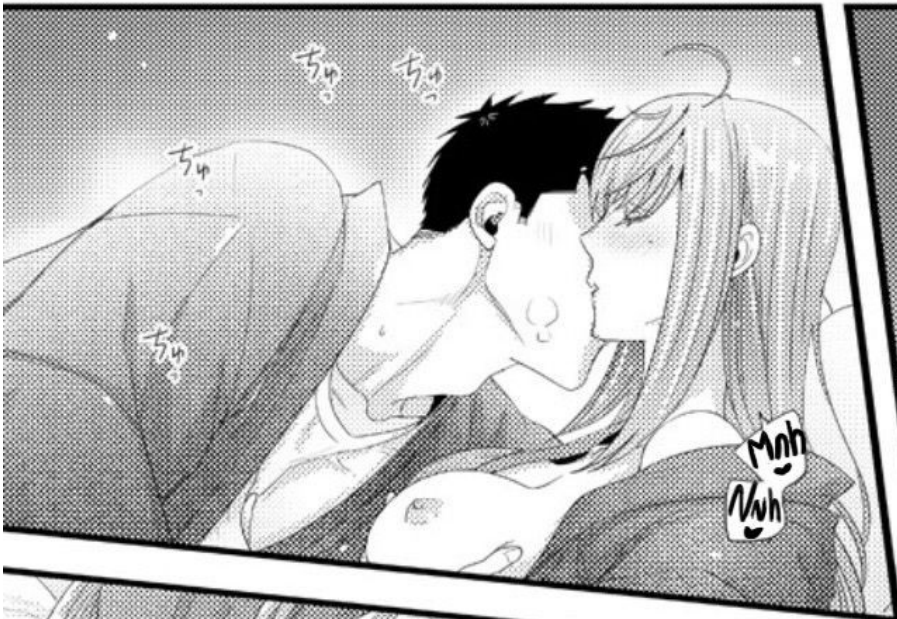

I'M SO NERVOUS!

I REALLY WISHED THAT THERE WAS SOMETHING I CAN DO FOR YOU.

Huh?

YOU KNOW,

WOW, IS IT HARD DOWN THERE? MMH, IT'S STIFF,

Ah!

[Panel 1 sfx: Futaba tries to hide it]

OR I MEAN,

I ONLY WANT TO DO SOMETHING FOR YOU IF I CAN, SO THAT'S WHY

Heeh?

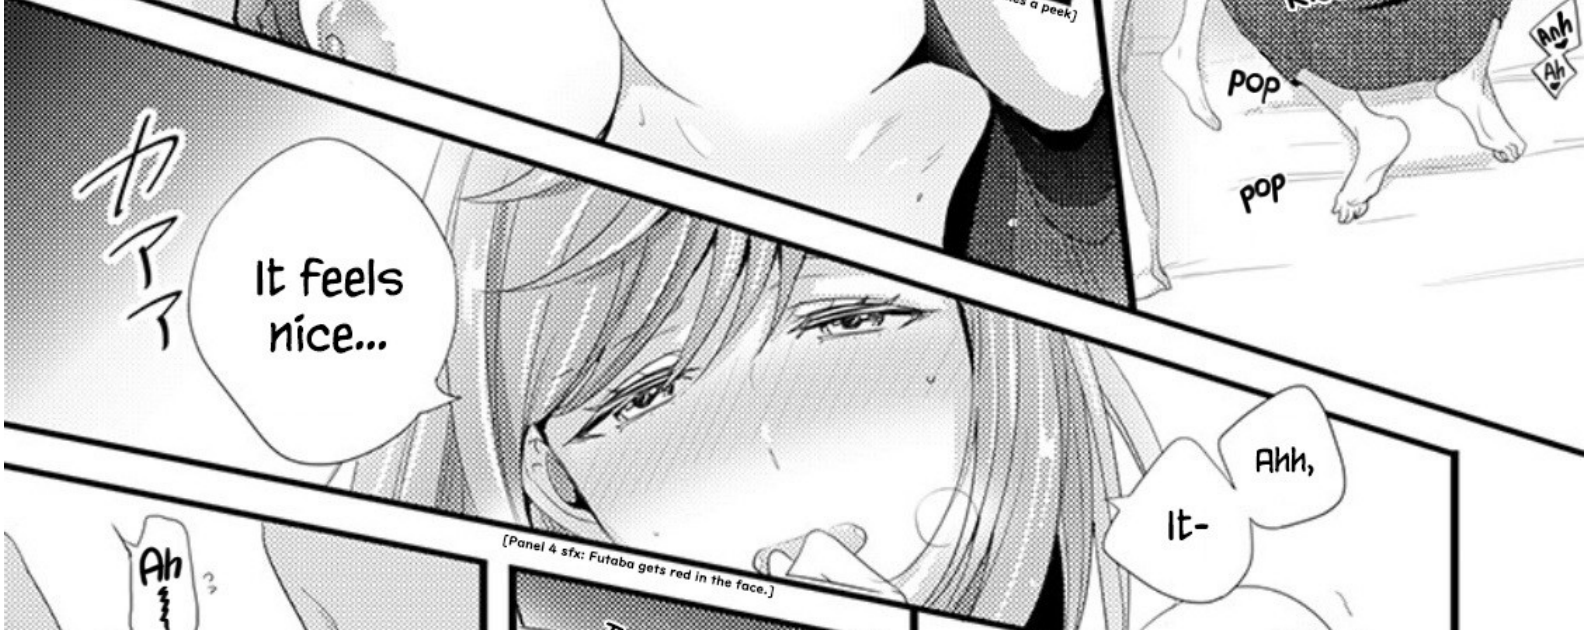

'CAUSE IT'S YOU WHO'S BEEN DOING SO MUCH FOR ME, WHICH IS WHY TONIGHT I...

I WON'T PULL BACK, OKAY.

HUH?

THAT...

Yoshida-san,  
that was so  
ecchi of you!

I HAVEN'T  
REACHED  
MAJOR  
SUCCESS YET.

BUT WAS  
THIS A STEP  
FORWARD?

Whoa, where have I seen this background and formatting before... This one is pretty word-y though, as it doubles as a story. Basically, a story with some porn - and leans even harder on the story part too!

I really like this series! Like, not sure if others read the same themes and messages as I do, but it's a nice story of your pretty typical Yoshida slowly edging away from his idea of masculinity, a man in a relationship, etc., and explores that with Futaba-san! きゃあ! >u<

In terms of plot, I think this is only ahead of what's been scanlated so far by a few chapters [As of January 22, 2019]. Like, it mentions the pillow throwing thing in "well it happened not too long ago" terms, and the company outing was mentioned in previous chapters.

... I hope they'll be updates to this manga. By anyone. Someone?

Oh! Also here's some fun things I found while doing background research on various things to bring this TL in:

1. "Usu-pito" is actually "Usupita", a value brand condom. It was pretty tricky finding references of them in the first page of hits!

2. The two places mentioned, Atami and Hakone, are tourist places. Atami is seaside, Hakone is mountain view. Atami also does have a sex museum, built during its heyday.

3. The author retweets "That Girl Is Not Just Cute"

There'll be

It, feels

Yoshida

**ACK, I

I want to lose  
my virginity  
next!

Wha!  
YOINK!

Yoshida  
-san.

That  
reminds me,  
I wanted to  
talk about that  
this morning.  
Should we have  
sex or should  
we have foreplay,  
Futaba-san!

Can I  
have  
some of  
your time  
please?

About what  
happened  
yesterday,

**SEE  
YOU!**

I should have been more ordinary in size or something-- normally, right!?

(Quiet voice)

Yesterday, when you did those things for me,

I was erect, it was big, and, and,

EW

It is, it is!

Look, if you're big, that's fine. Envious even.

Yoshida-san...

*Is this sort of like the feelings of a girl who is self-conscious about being a girl that eats a lot and so eats lightly?*

while I was drunk, and I did nothing, and for that I'm sorry!

Oh no, what happened then isn't something--

Yes... It's just, you did so much with your mouth,

Huh? That's what you wanted to talk about?

for saying that.

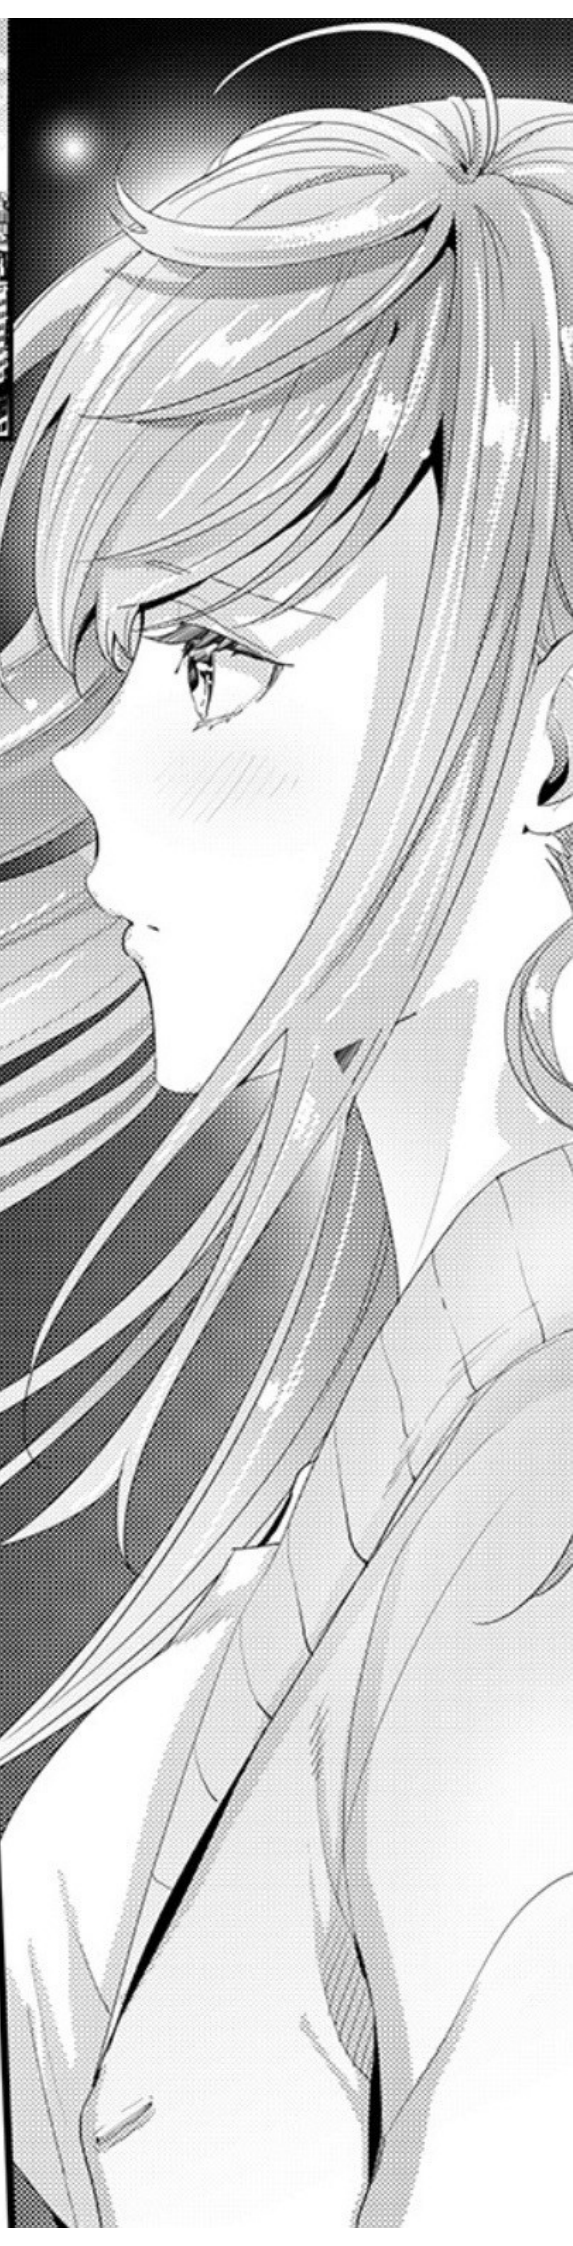

You're really kind

Well, see you at work!

Yeah, see you!

Please come back again!

Well, that may also worry her too...

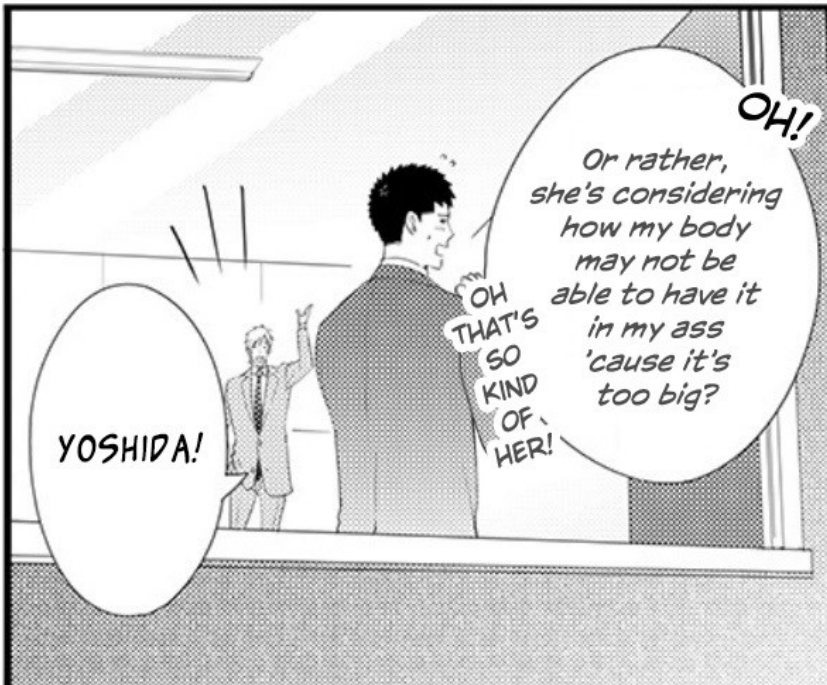

Futaba -san... we actually had a conversation about the size of her dick.

That's not right, if I recall correctly she was just talking naughty, right me!?

Is my thing down there big? But I can't help but be delighted for Yoshida -san!

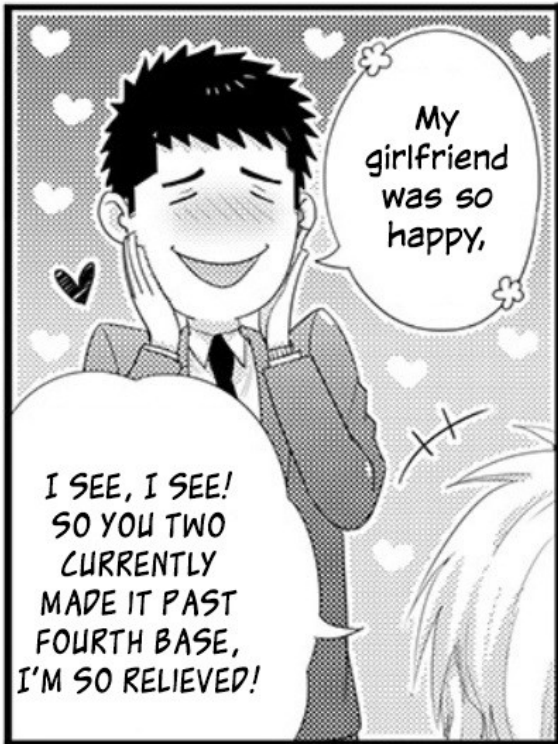

And then, why bring up the topic of sex at that point in time? I haven't even brought that up myself.

YOSHIDA!

OH THAT'S SO KIND OF HER!

OH!  
Or rather, she's considering how my body may not be able to have it in my ass 'cause it's too big?

My girlfriend was so happy,

I SEE, I SEE!  
SO YOU TWO CURRENTLY MADE IT PAST FOURTH BASE, I'M SO RELIEVED!

SO, WHAT'D YOU GUYS DO AFTER?

WERE YOU ABLE TO DO THE DEED WITH FUTABA-CHAN?

Wow, you said you like it.

I LIKED OUR TEAMMATES AFTER ALL. IT FELT LIKE WE'RE OCEANS XI!

OH PSSH, BY THE END OF IT, IT WAS FUN, NO?

Thank you for everything, Ogi. Doing all those things for everyone back there...

Although we didn't go past fourth base, we just had foreplay.

But I won't say that.

[Panel 5: Yoshida gasps.]

BOY, INSTANT BEHEADING!!

AND KEEP THIS OFF THE RECORD AGAIN,

IT'S NOT.

SHE'S PRETTY SCATTER-BRAINED

Would Ai-san be informed of this!?

Was this some kind of plan for us to get intimate so that I would get framed!?

YOU KNOW, WHY SHE WOULD BE SUSPICIOUS OF YOU TWO IS--

AH.

CC  
I'll cheer you on for your new job!  
Hey, umm, congratulations!

and of course about how close you got with Futaba-chan!  
WE CAN TALK ABOUT THIS AGAIN WITH SOME DRINKS!  
SO, GET YOURSELF HITCHED WITH HER BEFORE I GET A NEW JOB OKAY?

*It seems thinking about other people's feelings has me thinking about bettering my relationship.*

*So Ogi and Ai-san met at a place I don't know and made amends.*

*Ogi's shallow but serious in his work.*

*He's been thinking a lot about moving on up with a new profession.*

Cheer you on...

*I'll need to consider the feelings of others for my girlfriend's sake.*

*I've changed, and it's thanks to Futaba-san that I have.*

*Futaba-san isn't just worried about my body.*

*So I get it, I'll admit,*

What on Earth would get you so worried, Futaba-san?

oh we see so soon!

AH HAHA  
C'mon, if we're killing cherry boys, I'd be dead too.

That's for certain!

You're so adorable, y-you must've looked up "Clothes to Kill Cherry Boys" on the net or something!

great!

and the back

You're so

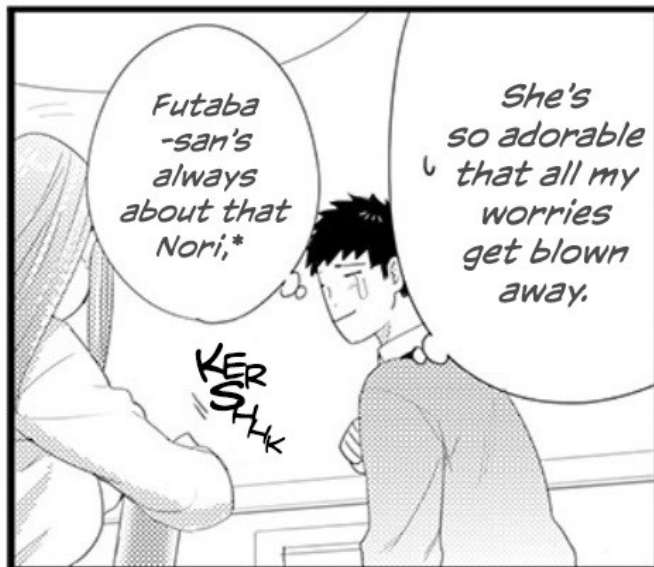

That makes me happy to hear!

You're so cute!

What on earth was "that's for certain"? Man can I not say anything clever... Like wow it's very nice on you! Or hey, you can wear nothing too.

[Panel 1 Note: Nori's a seaweed condiment. You'll see it in the next panel.]

*That Futaba-san wasn't up for it?*

*Was she not ready to have sex with me?*

I don't want there to be any unpleasantness!

I've been thinking about what might've been worrying you,

let's discuss about it!

Futaba-san,

Please don't talk around it or dodge it...

...okay, Yoshida-san.

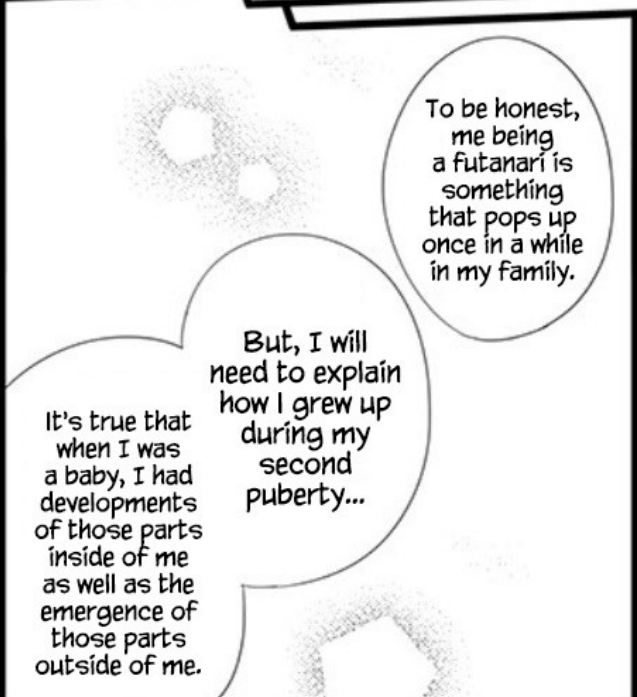

.....

So my family told me that,

You'll be so lucky once you're together with someone who will accept you for who you are.

while I was growing up.

To be honest, me being a futanari is something that pops up once in a while in my family.

But, I will need to explain how I grew up during my second puberty...

It's true that when I was a baby, I had developments of those parts inside of me as well as the emergence of those parts outside of me.

but he was someone who I'd imagine would accept my body as it is.

I thought it would just be a fleeting crush,

He was kind and open minded.

But

When I was at school, I stayed quiet from discussing it with my teachers.

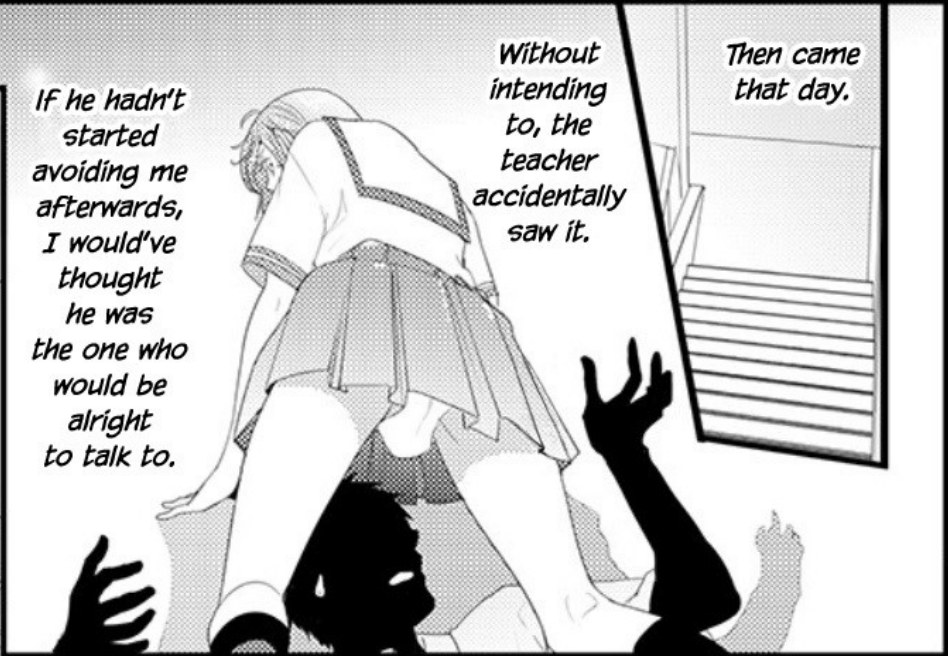

I would have for the teacher I liked.

Wait, so was that why...?

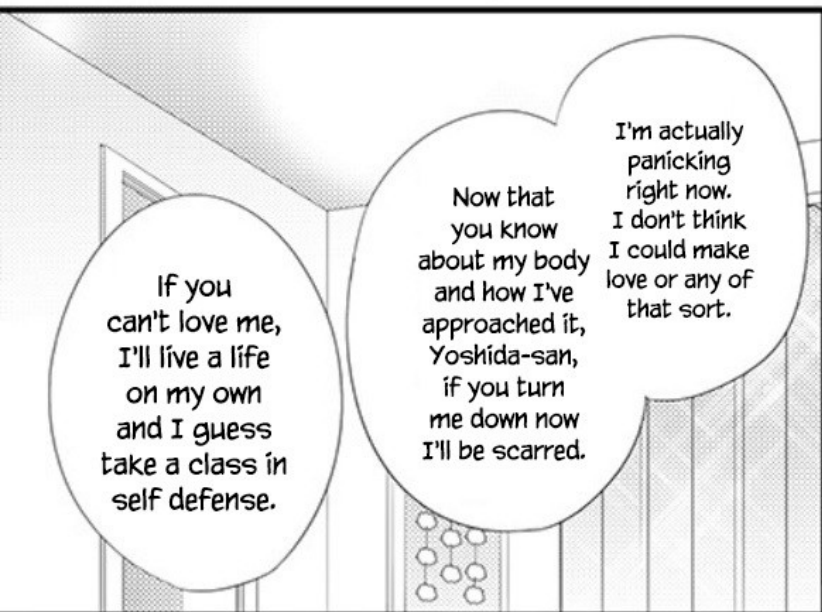

It felt like I surrounded you with my secrets, that I was avoiding the real me.

If he hadn't started avoiding me afterwards, I would've thought he was the one who would be alright to talk to.

Without intending to, the teacher accidentally saw it.

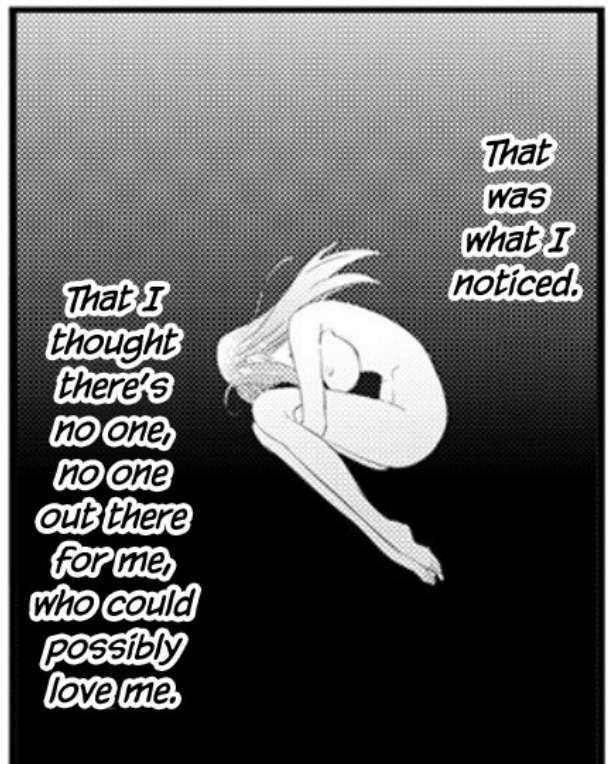

Then came that day.

If you can't love me, I'll live a life on my own and I guess take a class in self defense.

Now that you know about my body and how I've approached it, Yoshida-san, if you turn me down now I'll be scarred.

I'm actually panicking right now. I don't think I could make love or any of that sort.

That I thought there's no one, no one out there for me, who could possibly love me.

That was what I noticed.

Huh?

that I want to put it in your ass... but wouldn't a normal guy shy away from that?

How could we try it out? How could you accept me for who I am, in my entirety?

Futaba-san,

I'm honestly happy to have met you, Yoshida-san, I was timid, but I told you the one thing I wanted to try out, to the nice person you are...

Far from avoid it, you've been working very hard for me.

But then,

There is!

So there's no problem then!

A kind person as you are, Yoshida-san...

Ooph!

E- Even the sexual things as well!

That's won't...

Futaba-san, when I was giving you oral at that time, I totally had a boner then, did I not?

!

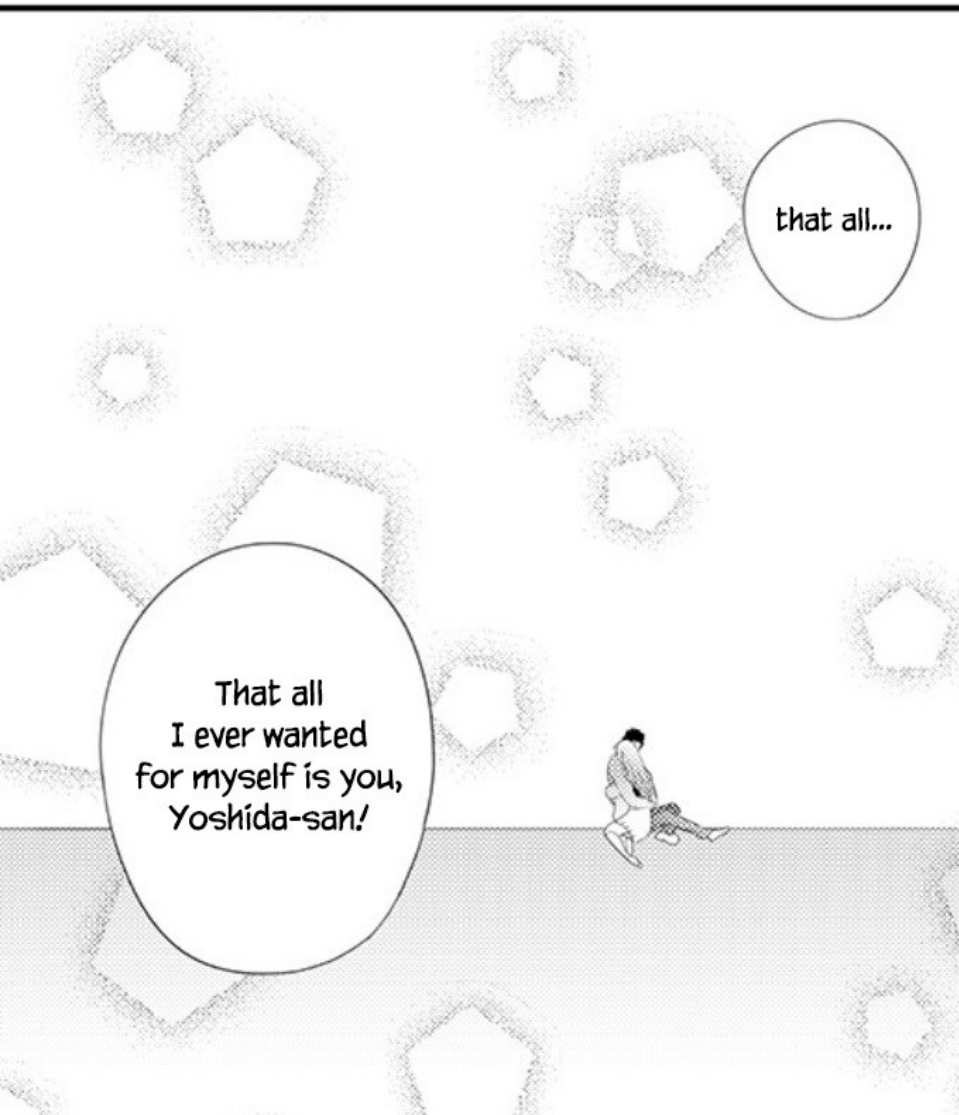

looked at my thing down there.

If you go limp as well, what then...

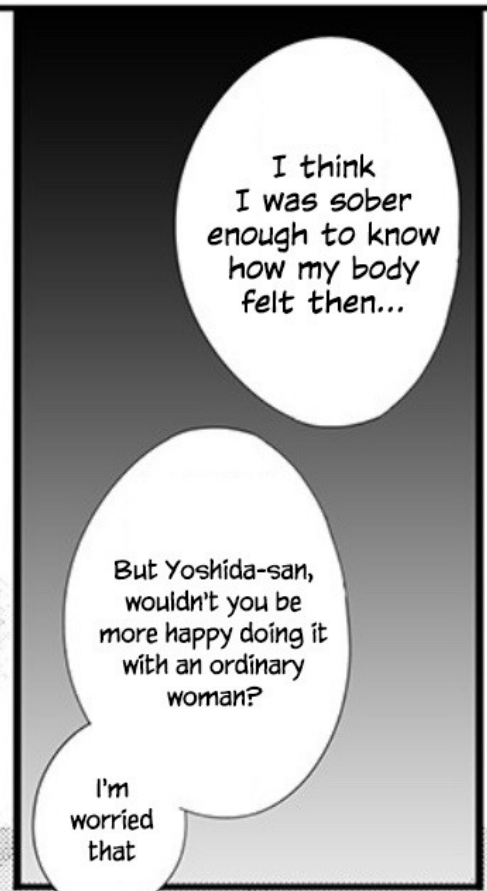

ぽろ

[Panel 1: Futaba's tears falling down.]

that all...

That all I ever wanted for myself is you, Yoshida-san!

I think I was sober enough to know how my body felt then...

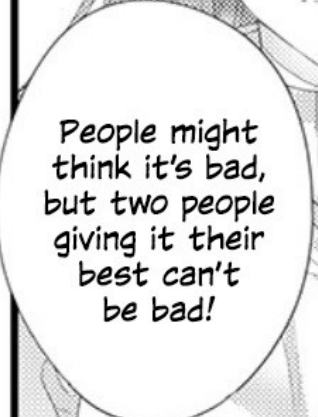

But Yoshida-san, wouldn't you be more happy doing it with an ordinary woman?

I'm worried that

LIKE  
C'MON

Back then,  
after  
you slept,  
I dealt  
with what  
I needed  
over on  
my end.

Oh Yoshida-san,

I wish I can speak the way you do.

fu fu fu

Wait a sec, if we can't graduate from being cherry boys, would we have to repeat a year then?

PFF!

I'm so shy...

Mmh.

Please have at me tonight.

This time, I'll give you a good time...

Excuse me, Yoshida-san's clothes.

Y- yes please!

But,

Futaba-san's lips and tongue feel so good...

[Panel 5: Futaba pops it in and out.]

[Panel 4: Futaba-san tests the skin.]

[Panel 6: Futaba-san lolipops it.]

I'm so sorry

I'm so happy you popped one.

I  
COUGH  
COUGH

Pew Pew!!

You're so cute you flipped my switch here.

I'm alright now!

What?

WHOA, WHAT!?  
You said it's not time, that you don't want to right?

Hmm, I thought that to start I wanted to give you my "first", as a woman.

Yoshida-san,

But what if, for us to try out anal sex, that means Futaba-san has to have sex as a normal male!?

Oh oh, right. Futaba-san did say she wanted it in.

to try it out for her...

I will be the one to graduate.  
♥

*And yet,*

I like it.

When you say stuff like that Futaba-san,

*I'm fine with whoever goes first.*

Hi hi!

It has been about a month since I saw this floating around the site, so I apologize for the delay! Life got in my way...

But on a better note, you might have noticed the non-H version floating around also... :3 Those have the relevant material removed, although not breasts (if you're in a place where breasts are a no-no)... but given Ecchi smut stuff seems to also float around aggregators I think they're cool with them.

I am pretty sure that the title of this manga is supposed to have a wink-y meaning. Check it out yourself!

Also something to note, those who stared at the raw may notice the pages aren't in the order this scanlated one is in. I am pretty sure this is the correct order (since the lines make sense) but also because the latter version I was given had the order that I suspected it was intended to be in.

Eh? But this looks like...

Rub rub Rub!

Ha Ha!

It feels... great but...

it's just a bit embarrassing...

Mmh!

[Panel 2: Yoshida gets rubbed and twitches to it.]

It's all up to you...

[Panel 5: and twitching.]

You're a partner in this as well, Yoshida-san. You too can react to it you know...

[Panel 4: Some rubbing.]

Ooh.

I'll train you nice and slow.

In? That's good.

It— it's in.  
that's sorta the first step huh.

Ah!

[Panel 4: slurping sounds.]

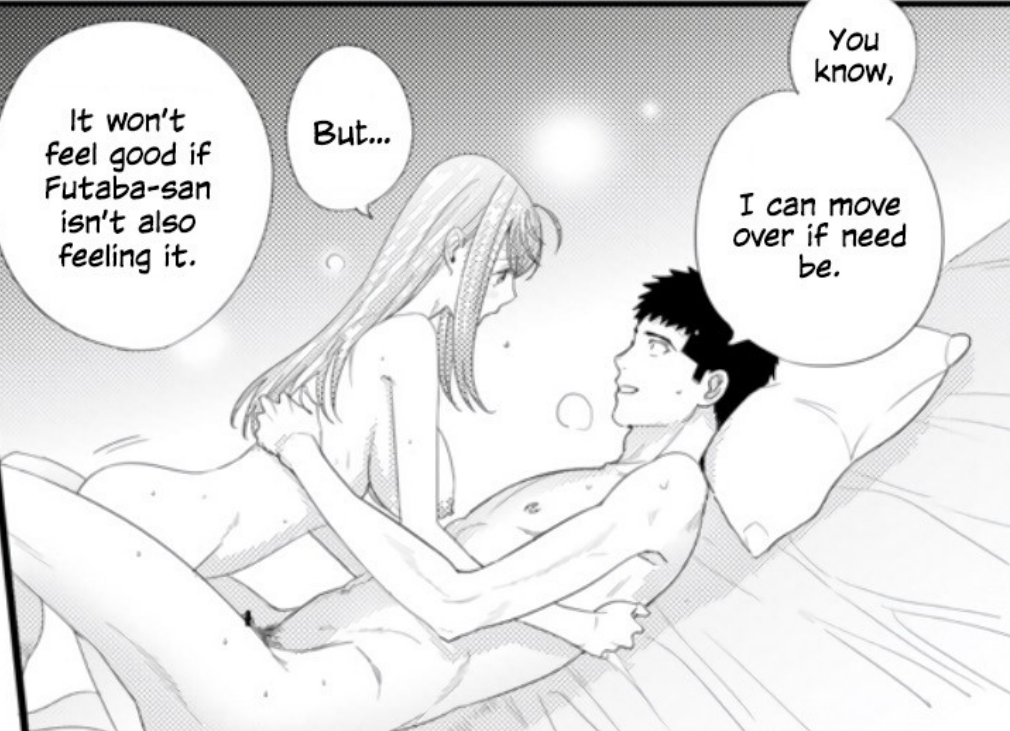

Besides,

It won't feel good if Futaba-san isn't also feeling it.

But...

You know,  
I can move over if need be.

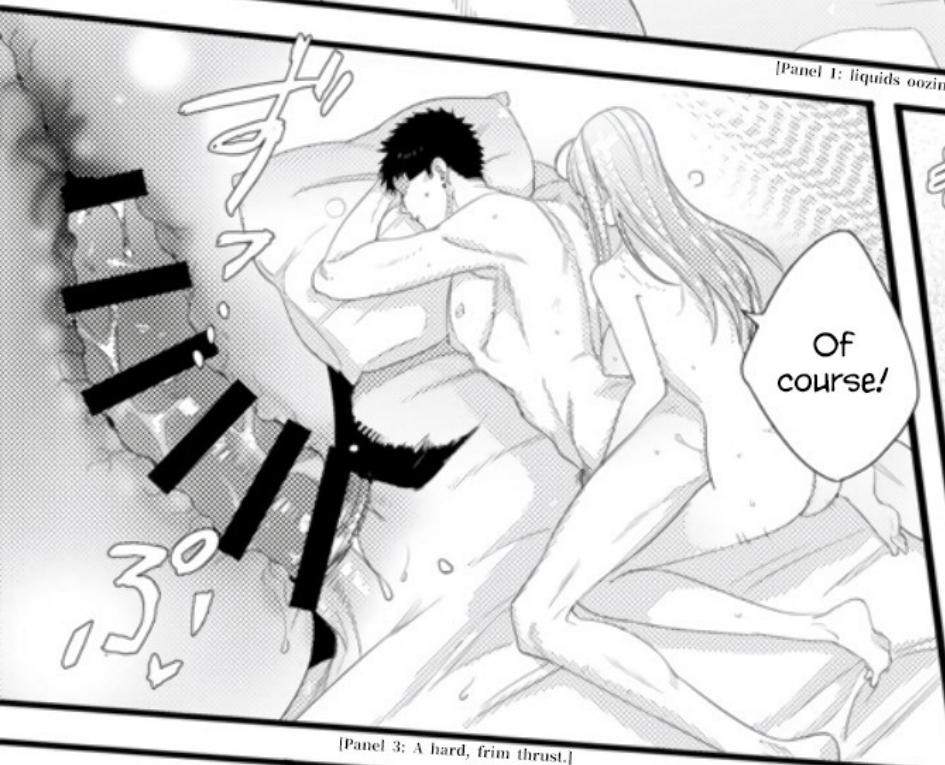

I mean, please do more...

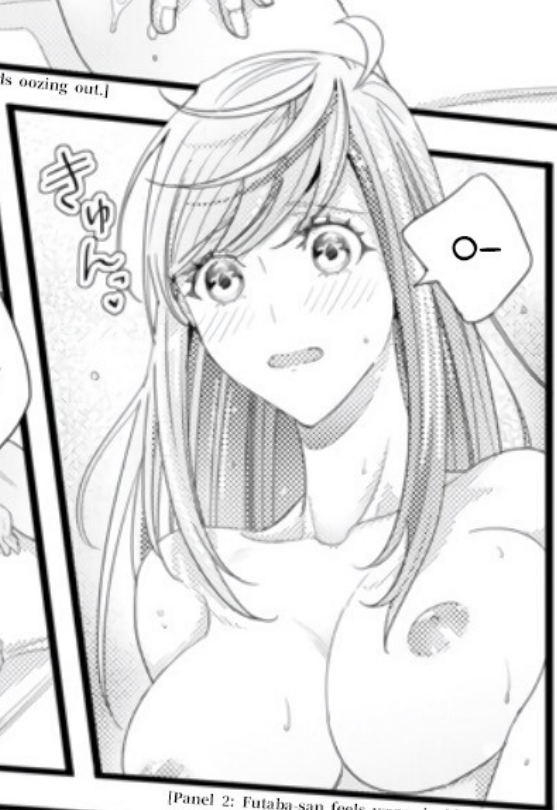

I can't resist...

[Panel 1: liquids oozing out.]

Of course!

[Panel 3: A hard, firm thrust.]

[Panel 2: Futaba-san feels warm inside.]

I like it, I like it,

Mmh fu fu ooh fu I really do!

[Panel 6: smacking sounds.]

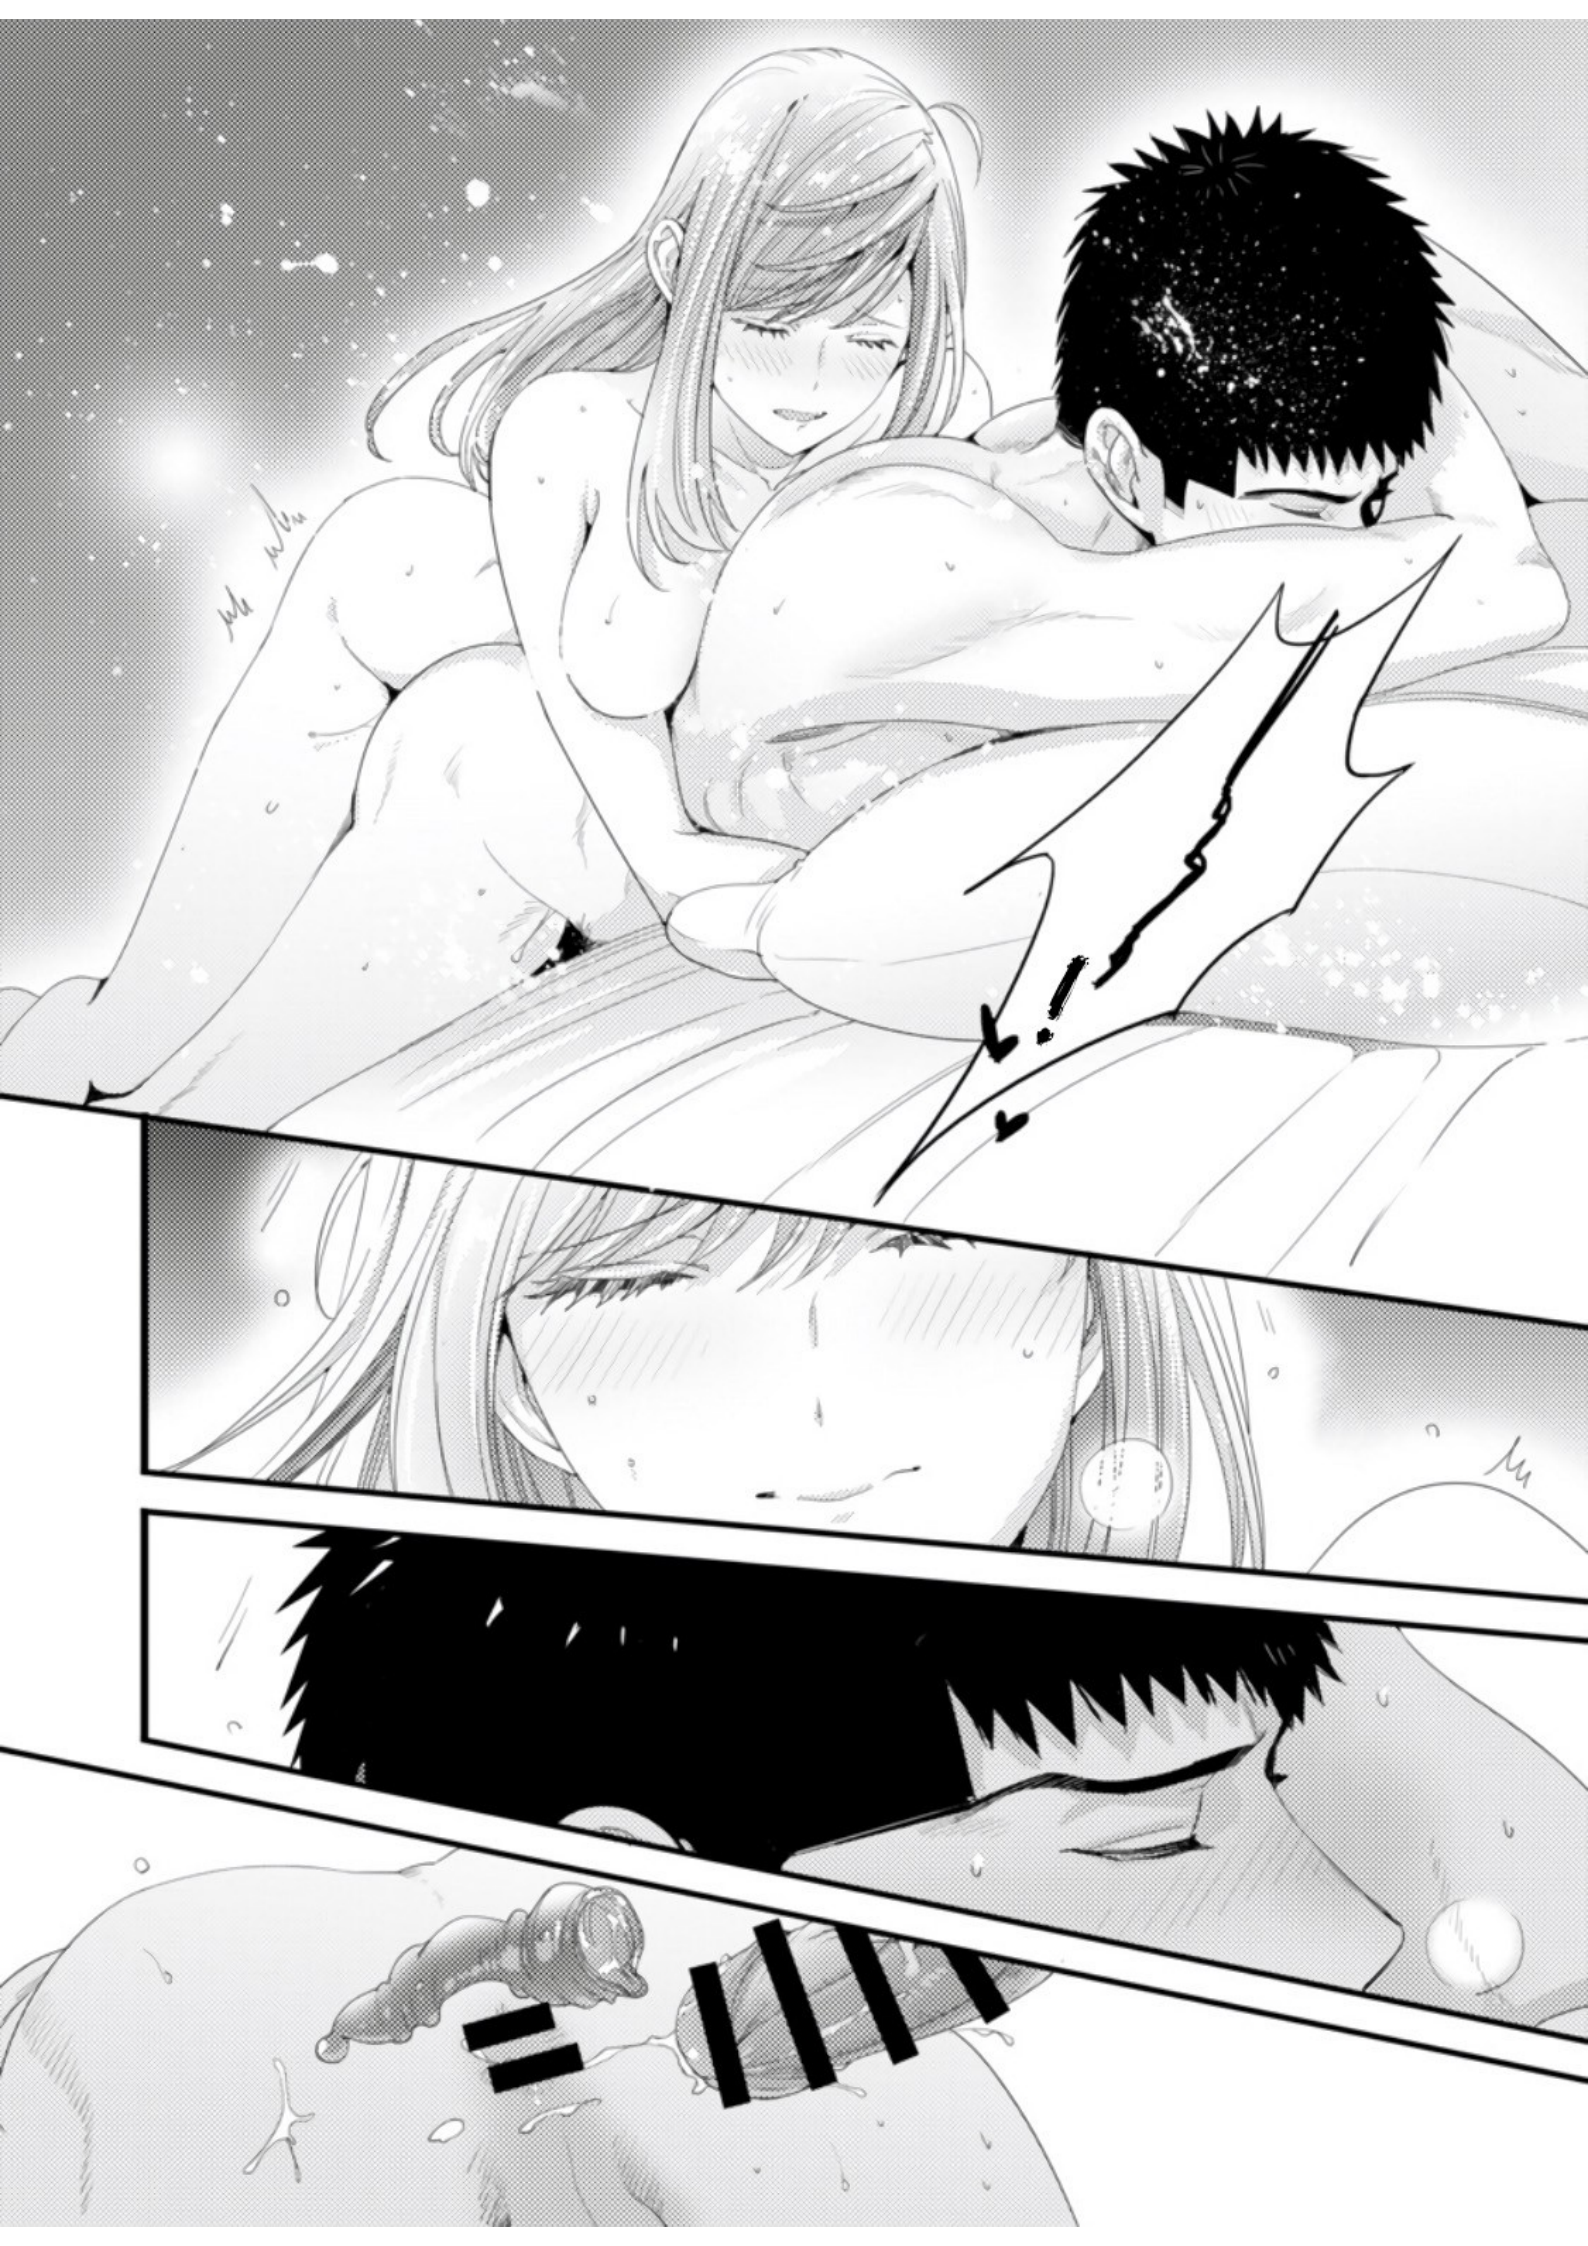

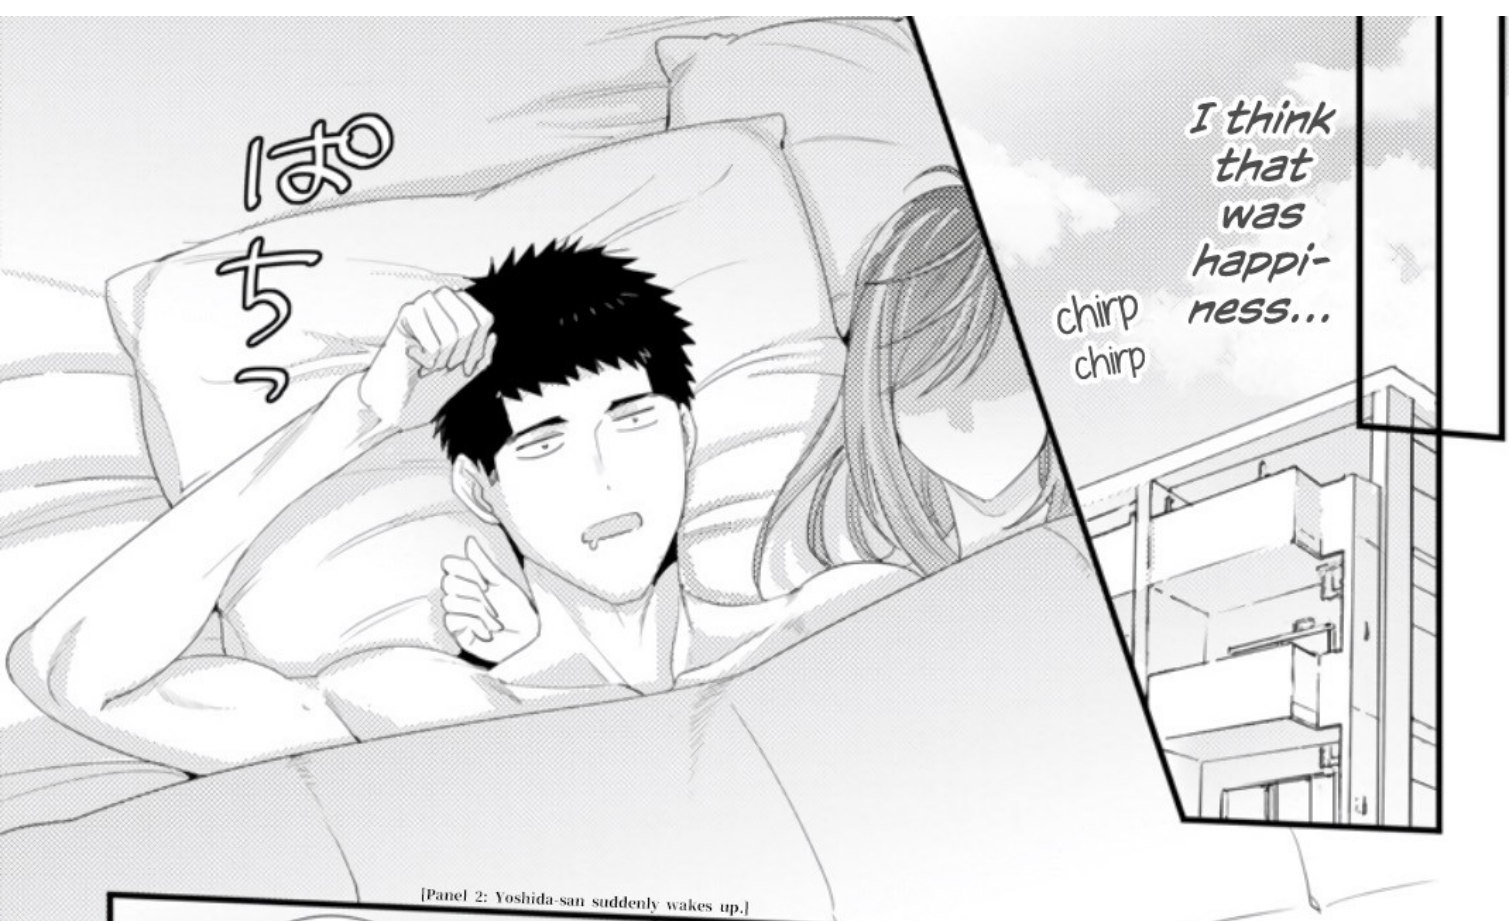

It's hot, it's tight, it feels great! I'm inside Yoshida-san! It's 'cause-I practiced...

[Panel 5: physical thrusting and smacking.]

[Panel 4: rapid thrusting.]

I think that was happiness...

chirp chirp

After all, you fell asleep immediately after we did it, Yoshida-san.

Hey!

I haven't numbed your arm right!?

**I'M SO SORRY ABOUT THAT ...!**

I WAS HERE FOR REVENGE TOO...

But it's not just that...

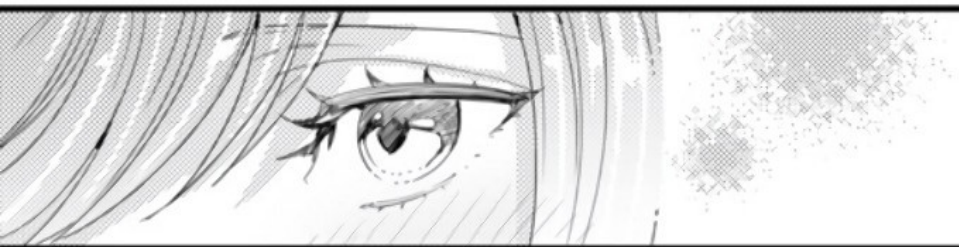

You don't need to worry about it! I fell asleep also!

UWA!

I am so sorry!! It was a very important night, to go and sleep was not what I had in mind!

It must've looked like I spent all my strength... and wore myself...

and that attitude seems to be what

Smack!

Yoshida-san, would you listen to something I have to add?

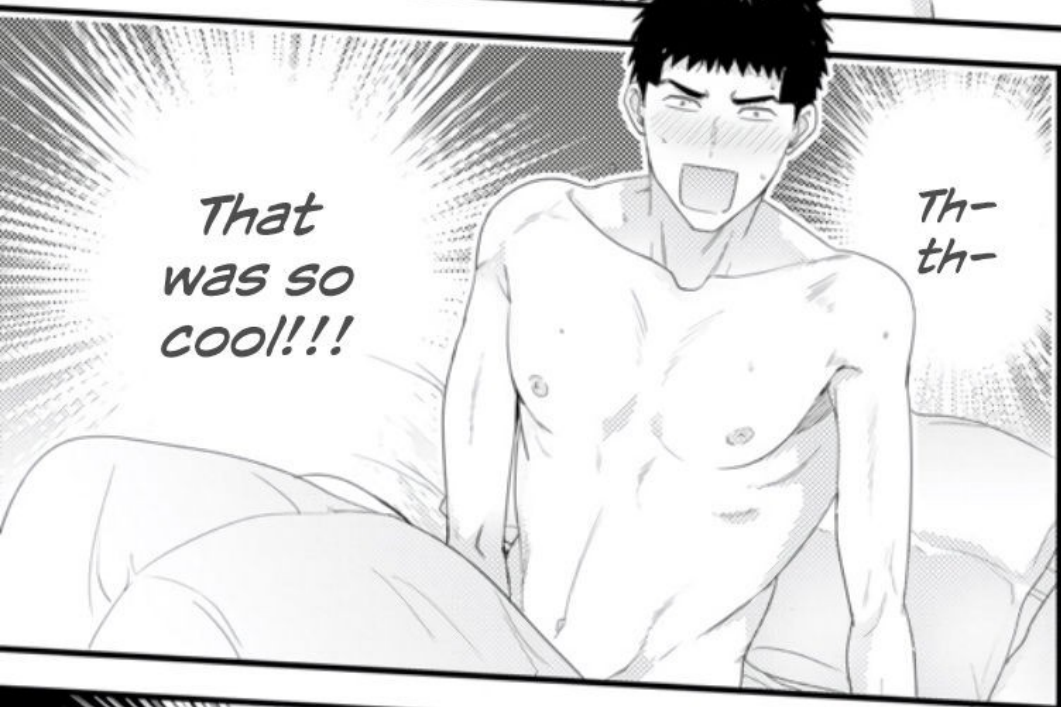

When you make a mistake, you work at it for the both of us...

It was very exciting.

you were quite the amazing man yesterday, Yoshida-san.

Besides,

*That was so cool!!!*

Th-th-

I'll be heading off to the bath...!

Let's work hard on it together next time.

*I just had sex with my girlfriend...*

*I need to consider not to forget who I followed!*

I didn't

the one  
thing  
more  
important  
than  
that is,

I'm a bit  
bummed out  
that my junior  
took the lead and  
that I passed  
out on my first  
night with  
her.

But,

I'm a  
sight...

I think  
but I could have  
there's my revenge  
no place next week,  
where I  
can do  
it...

Let alone meet Futaba-san, I don't think I'm capable of keeping our promise...

I must remain strong for these two weeks...

**DON'T TELL ME YOU'RE THE ONE REPEATING A YEAR!**

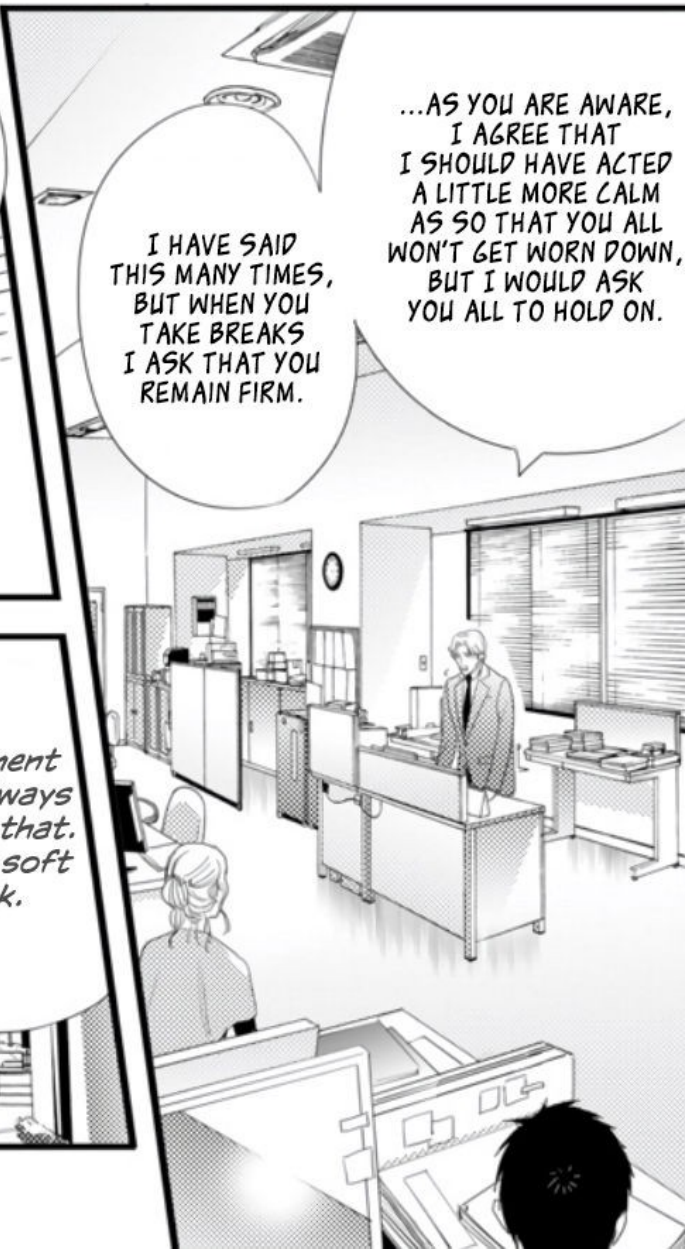

Our plan to graduate from being cherries... I'm such a goddamn idiot!!!

THE PERSON BEFORE YOU DOESN'T WANT TO BE A BAD PERSON.

I AM SORRY EVERYONE. I REALLY AM...

I HAVE SAID THIS MANY TIMES, BUT WHEN YOU TAKE BREAKS I ASK THAT YOU REMAIN FIRM.

...AS YOU ARE AWARE, I AGREE THAT I SHOULD HAVE ACTED A LITTLE MORE CALM AS SO THAT YOU ALL WON'T GET WORN DOWN, BUT I WOULD ASK YOU ALL TO HOLD ON.

That he's too trusting of a person, too confident of others...

The department head's always been like that. He's too soft I think.

Yoshida-san!

which reminds me, should I take the last train home, or a taxi...

I so want to stay here...

I've been putting all my trust into Futaba-san doing it. I'll totally remain a cherry boy at this rate...

But I've also been too forgiving about how clueless I've been.

Futaba-san!

Hey umm, to be honest,

I really wanted to meet you, Yoshida-san. I was patiently waiting...

Many thanks for being patient with me for this day.

BOW Ah!

I'm sorry, but I still haven't made my revenge plan.

This is something we haven't done in a while...

Don't be! I know about what's been going on, we are in the same company after all.

No misunderstandings here.

You've done a wonderful job!

We're going to be a lot more busy, so I want to save the moments we have.

I have this problem.

These were just the sort of thoughts I was having...

but having said that, we just don't have the time to meet up often.

it's for morale.

Just the

Can we live

To everyone who did something for  
this one chapter, thank you!  
I hope you enjoy it and continue  
to work with me!

A thing from me, Jasmine Tea, to you, the community!  
A Tumblr blog: <https://jasminetriedthescansandtea.tumblr.com/>

C'mon,  
stop it...

So  
you and  
Futaba-  
chan were  
able to  
have a  
sexy time,  
huh!

Today's  
my treat, so  
please help  
yourselves!!

Everyone, thank you  
so much for the work  
you put in this year!  
And I truly thank you  
especially for keeping  
up 'till the end of  
the year!!

Al-  
though,

I have  
finally  
decided  
at last.

*I will lose my virginity...*

*Can we live together?*

*At that time, I thought I had to tell her,*

**FROM THIS**

**No!**

*Not that not that not that! Didn't we just talk about living together!?*

*I decided that there's no reason for her to aim for my virginity!*

*And it was great that I was able to propose living together with her smoothly.*

*Leto Leto Leto Leto*

I'm so happy...!

Ah...

If we live together, I think I'll finally get accustomed to Futaba-san's strengths.

Let's get along together!

whether I want to have anal every single day, and whether I want to live together doesn't matter!!

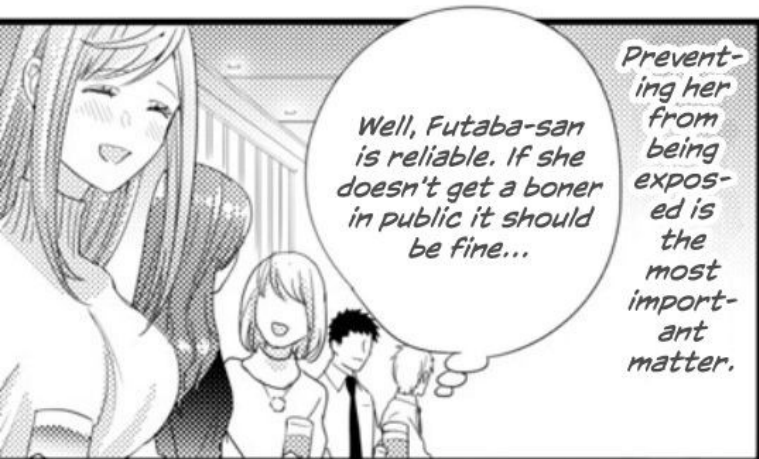

I decided,

can be addressed with her in those moments together...

Plus if we live together, the whole "problem of popping a boner at work or outside and possibly revealing that you are a futanari,"

Thank goodness she readily agreed!

Well, Futaba-san is reliable. If she doesn't get a boner in public it should be fine...

Preventing her from being exposed is the most important matter.

は、は、は、

Tell me more!

Yoshida-san's  
sooooo cute and  
soooooo dirty,  
like wow,  
best night  
ever.

I doubt it,  
just look at  
you Futaba-  
chan.

I'm not  
drunk!  
I haven't  
even had  
one glass!

That's  
a lie,  
right?!

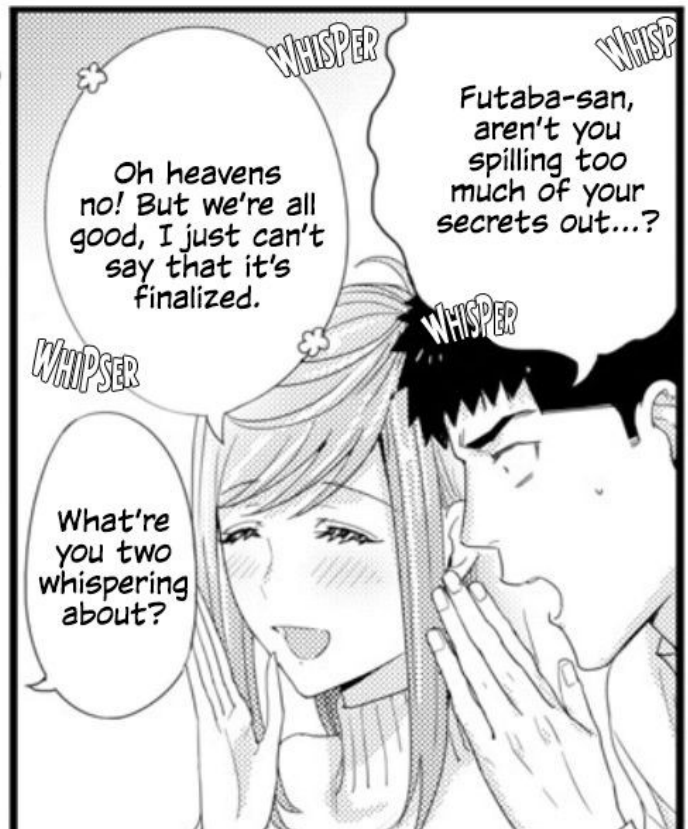

Oh, the  
hus-  
band's  
here-!

Did you  
drink  
again?!

H-h-  
h-  
Hold it!  
Futaba-  
san,

Hey  
Yoshida-  
san!

I'm not!

Are you warm?

EH?

Yoshida my boy,

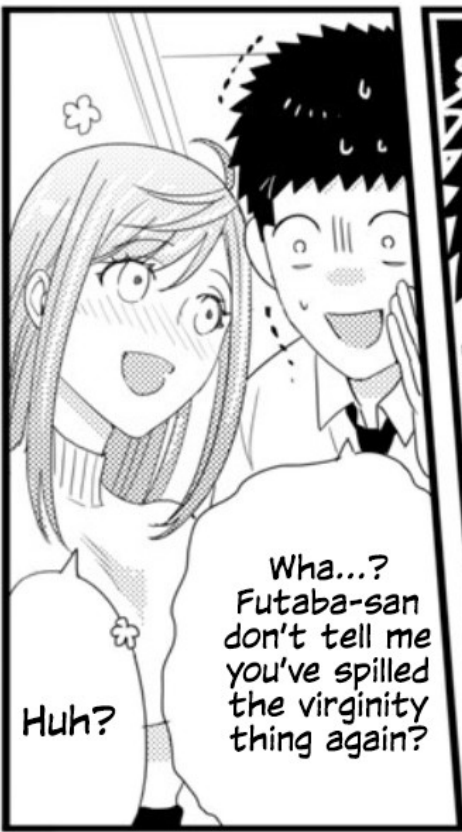

Ah right, I'm have been busy so I haven't noticed it but-

have you settled in?

Well would I call it calm, or rather having some dignity...

What do you mean have I settled in?!

Huh...?

Huh?

Wha...? Futaba-san don't tell me you've spilled the virginity thing again?

you've decided to remain a virgin and anal fuck for life.

It is,

Well isn't that fine?

...wait, what even is the presence of an experienced woman!?

Did I change even though I was unable to graduate from my virginity? Is this from being in the presence of an experienced woman?

Lose  
my...!!

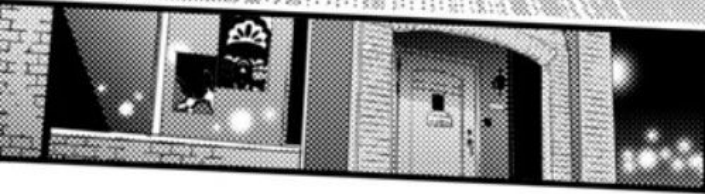

Seems  
so. he's a  
guy worth  
teasing.

Had he  
realized?

Yoshida's  
not chill at  
all huh...

Where're you  
going?

Is that a  
good reason  
at this point?!  
Next time I'll  
definitely  
decide to...

AH  
HA  
HA

Was that  
surprising?

M-

Marriage!?  
Th- isn't  
that a bit  
too fast!?

So,  
when's the  
marriage?

Living  
together!

I thought  
about it,  
but it's just,  
a year hasn't  
even passed  
by yet...

Kazuki, I  
thought that  
"living together  
= marriage",  
but I guess  
that isn't  
it huh.

It was a period in which you looked like a delivery boy for love letters addressed to me.

Since we were young, you would begin with giving up and giving in to the girls who liked me.

Seriously, please spare me the details...

...I mean,

are you being cautious?

Eh?

You mean you haven't done it yet?

I'm just saying that I've been thinking about how much I want to graduate from my virginity.

And I thought it certainly had been decided at the outing.

Eh?

You didn't read the situation and remained close with me right? Other men would have been jealous.

That is just your good points, Kazuki.

Is that so?

hee hee  
I couldn't read the situation, so I always did that weird home delivery thing.

I don't believe it's necessary to get worked up and feel fear or anything like that.

It might be that you're helping your girlfriend through things just like you were with me.

You being there and doing that back then really helped me through it...

Oh Kenji...

And at all times, I'm rooting for you!

Virgin or not, either one is fine.

You can think a little about popping your cherry, but I think if you just stay confident you'll be fine.

Congratulations!!!

Whaaa!? You should've said such a big thing!

And if we're talking marriage, we should plan the wedding for next year. so my girl-friend can come.

Alright!!

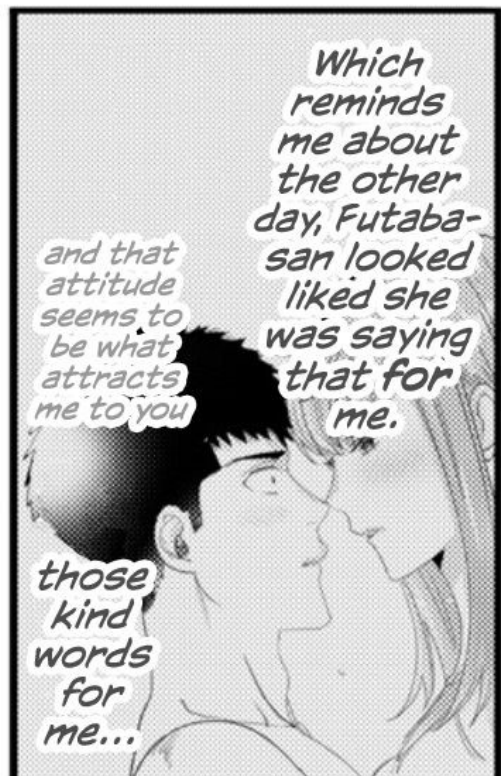

Please wait for me, Futaba-san.

I see, I want to make Futaba-san happy when we have sex,

as I lose my virginity to her...

Which reminds me about the other day, Futaba-san looked liked she was saying that for me. and that attitude seems to be what attracts me to you

those kind words for me...

Futaba-san, sorry I'm late!

I have made up my mind!!!

I mustn't lose self confidence over this!

No... don't dwell on it me!

The fuck, she had a boyfriend?!

Yoshida-san!

and with such a lame fart too.

Shwip

?

Was told this at home but had difficulty dressing nicely for it.

Lately people from the company told me that one of the rooms was cute and provided amazing service. I'm so happy! To be honest I went over to check this place out.

Do you feel good actually going to a love hotel... today?

Those condoms...

there's nothing but small ones?

Oh... those are fine for me, Futaba-san.

The bath is gorgeous! The shampoo's my favourite brand too!

This place has it all!

The interior design's so adorable!

Well done on this place's womanly feel!

I'll hang up your coat.

Futaba-san, will you use the shower fi-

The tension rises mmh?

Oh phew, thank you Kenji!

**RS!**

?

What's so shocking? It is time.

My weak heart ain't prepared-

You took them off quick!

You can use the shower, Yoshida-san! I took one before I left...

This is of course because I like you that-

We are completely prepared.

Alright...!

Oh actually when I was about to leave I took one.

Eh!?

Whoa-

You're cute, Yoshida-san, and I think today I might just attack you...

The truth is out...

You are being weird!!

If you are anxious,

You've been weird the other day.

I...

Having your futanari secret get leaked out, then that risky thing being chatted about...

do you still not want to have sex with me...?

By any chance,

I am totally not at all anxious, Yoshida-san!

What are you saying?!!

Eh?

I seem to be able to worry about anything, weak little me I am...

I thought that frankly, as long as you're here, I might be fine with having my body type be exposed and all.

When you said you want to live together, I was so happy, I thought it would be absolutely reassuring being with you every single day.

I'm being playful here.

But...

!

I feel invincible!

As long as I'm with you,

*Compared with my complexes, she'd always,*

*always, had so much more to go through.*

Futaba-san,

you hadn't ruined the mood...

*She was able to be patient on so many things,*

*and she was able to take on so many pains.*

That's why I'm so happy...

When I met you, I... I'm so lucky, honestly.

I see.

Ah,

Ah, as I said that I started welling up.

Ah haha

I ruined the mood, please hold on for a bit.

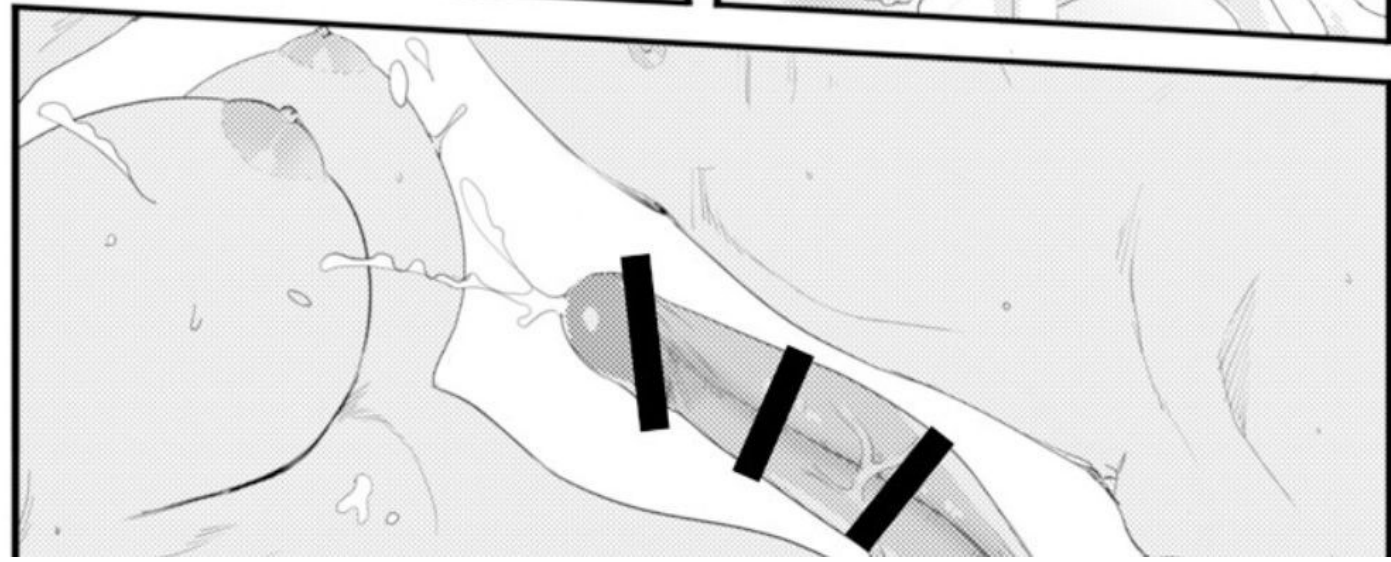

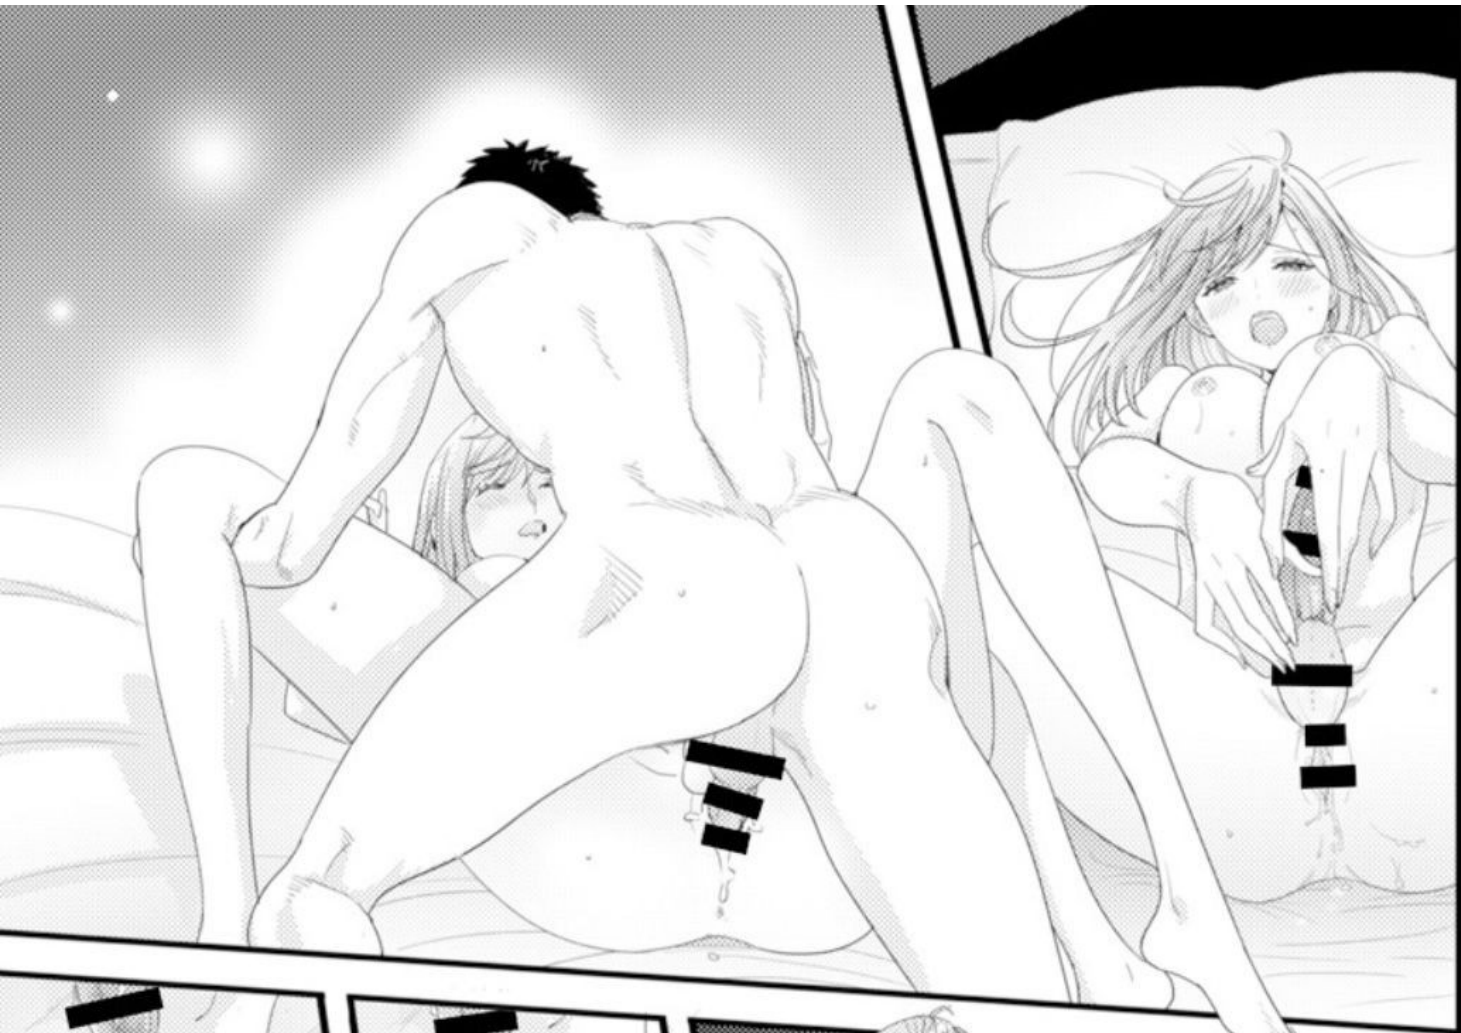

*That my  
girlfriend  
could think  
she can rely  
on me for  
this-*

You turned  
me on.

We're not deciding too early on where to live yet huh.

Yeah!

Condos are nice, and a single house with an old-fashioned garden would be so great.

It'd be fun if we can do some gardening!

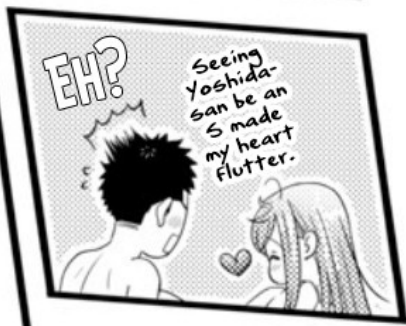

Futaba-san, does your body feel fine?

I'm alright! It's very fine...

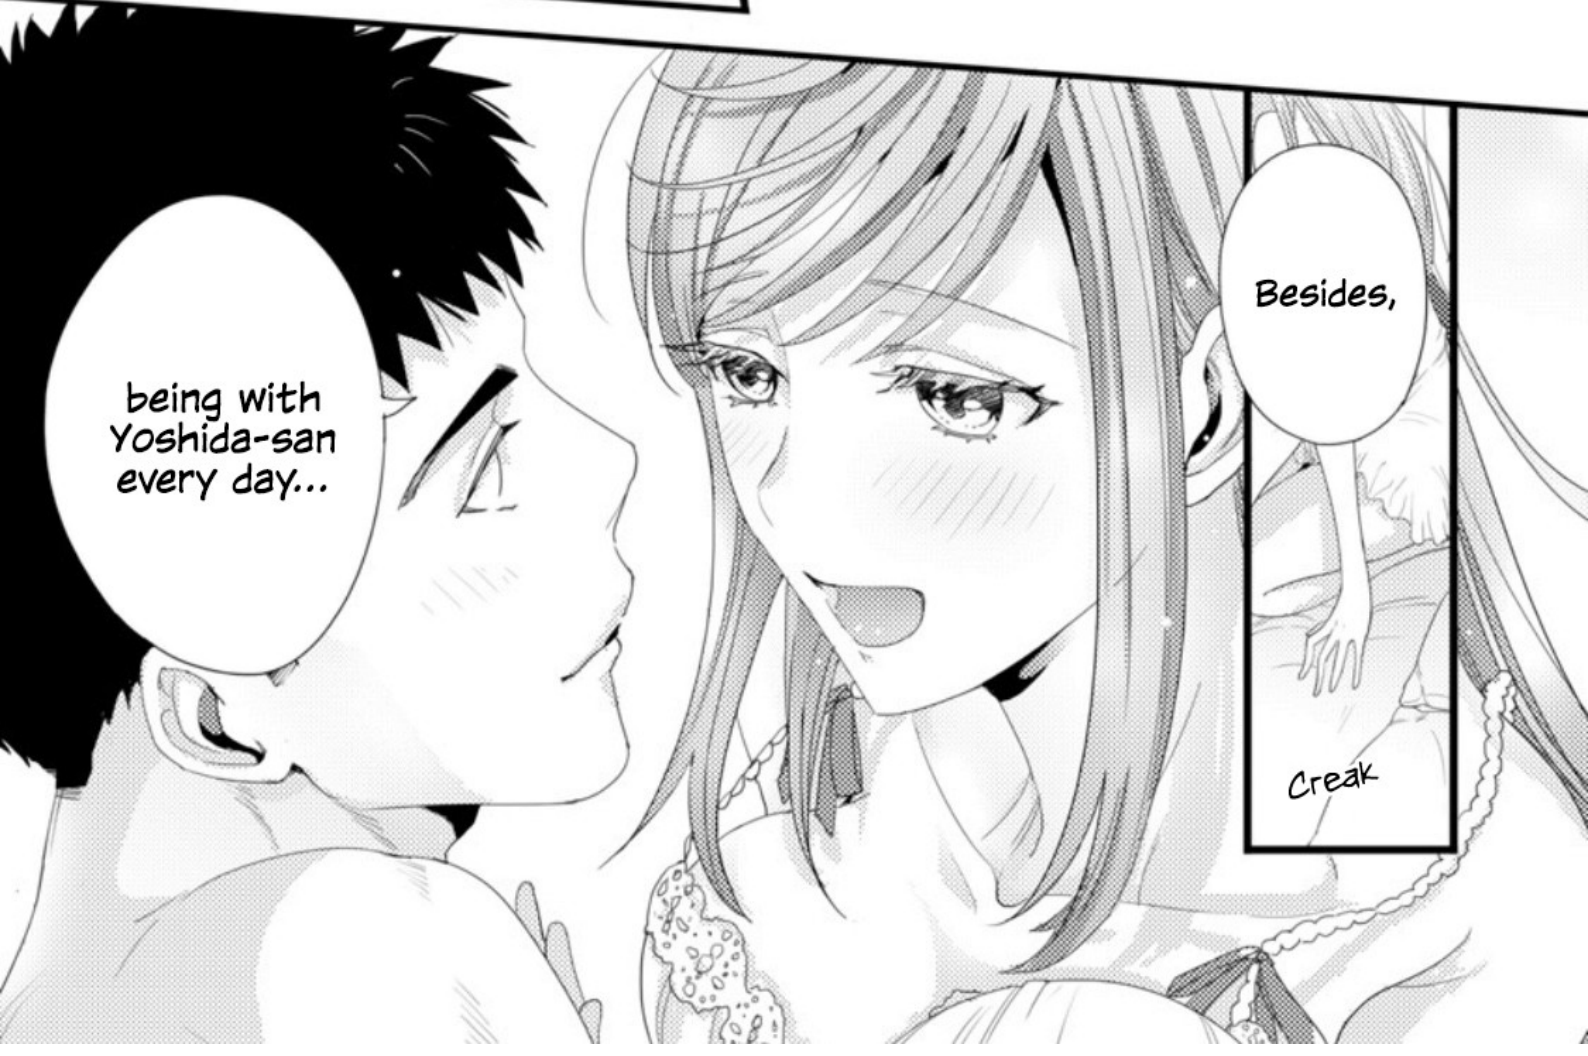

My heart's still fluttering...

EH?

Seeing Yoshida-san be an S made my heart flutter.

being with Yoshida-san every day...

Besides,

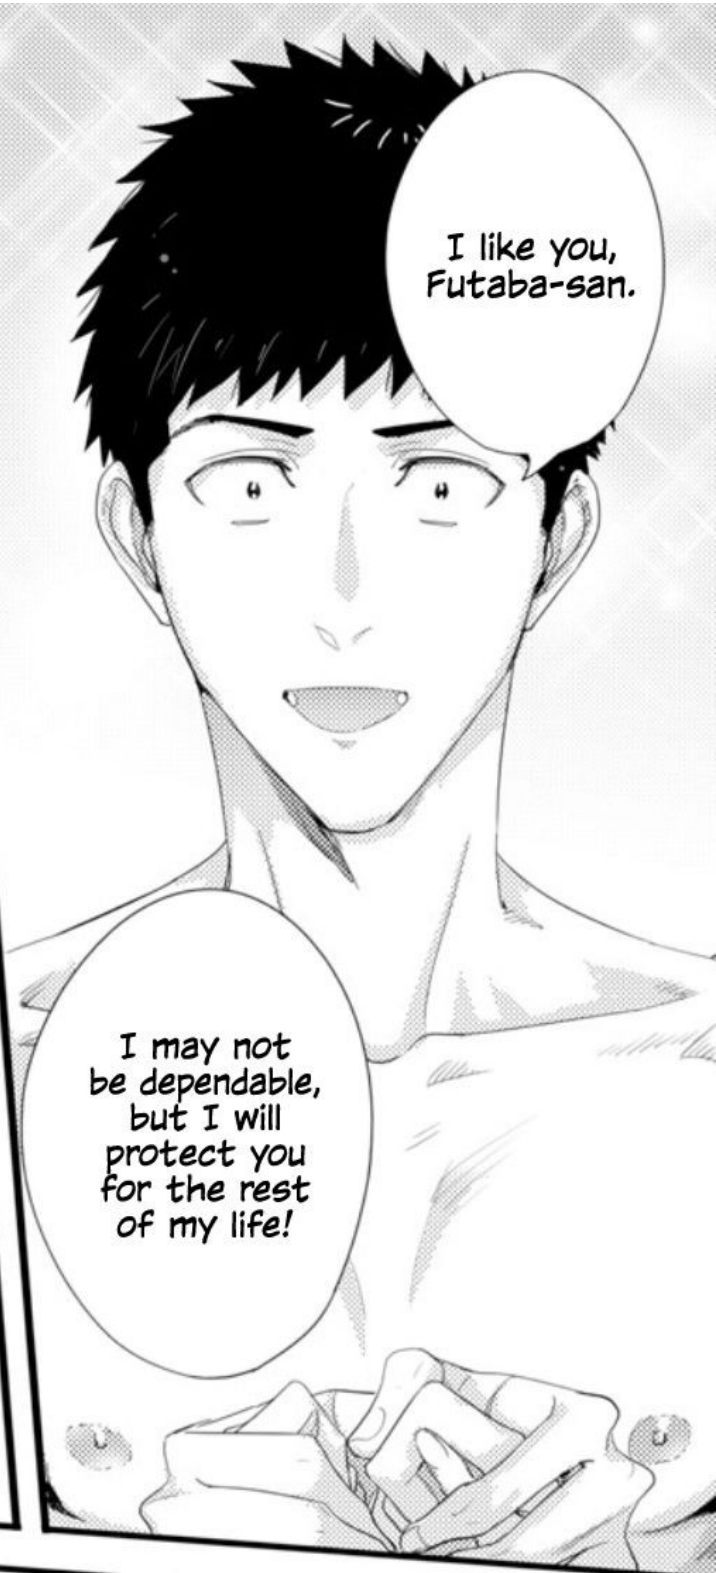

Creak

I too...

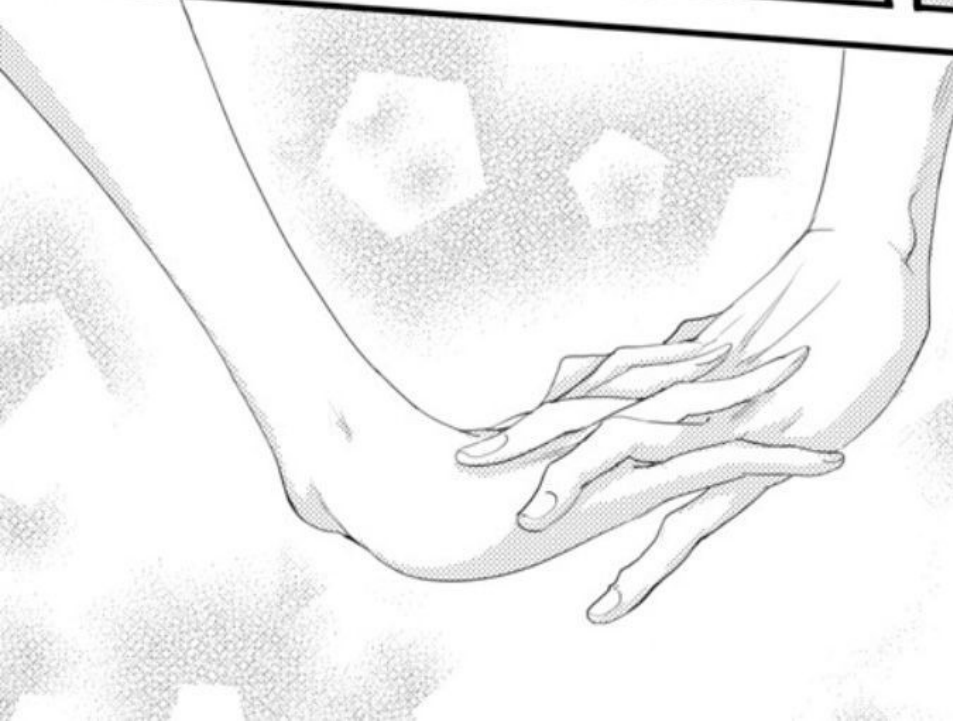

will also  
like you  
always.

I really  
love you.

I like you,  
Futaba-san.

I may not  
be dependable,  
but I will  
protect you  
for the rest  
of my life!

From our first  
day to our last,  
we'll always be  
together.

EVERY-ONE!

I FINALLY HAVE IT!!

EVIDENCE OF YOSHIDA DOING SOMETHING NAUGHTY TO FUTABA-CHAN!!!

Y-Y-Y-Yoshida-san!

Surely that's some misunderstanding! Don't go rushing-

Umm...

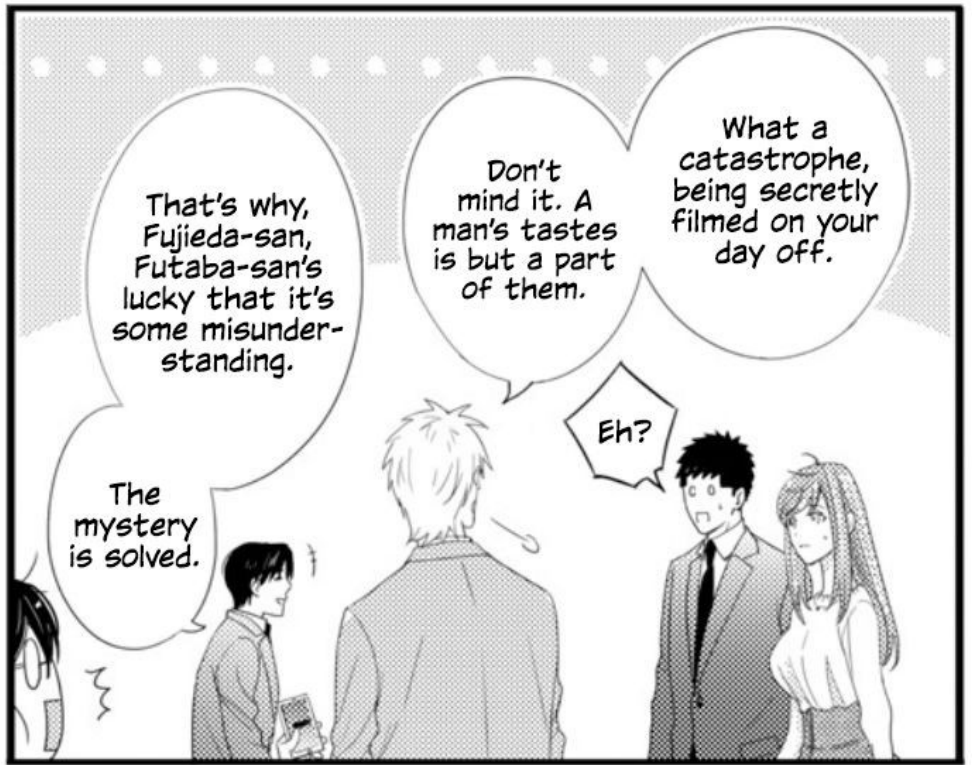

Yoshida...

You two...

Why are all of your reactions like that!? I want you colleagues to willingly share that hobby!!!

Ah, is that the case?

That's why, Fujieda-san, Futaba-san's lucky that it's some misunderstanding.

Don't mind it. A man's tastes is but a part of them.

What a catastrophe, being secretly filmed on your day off.

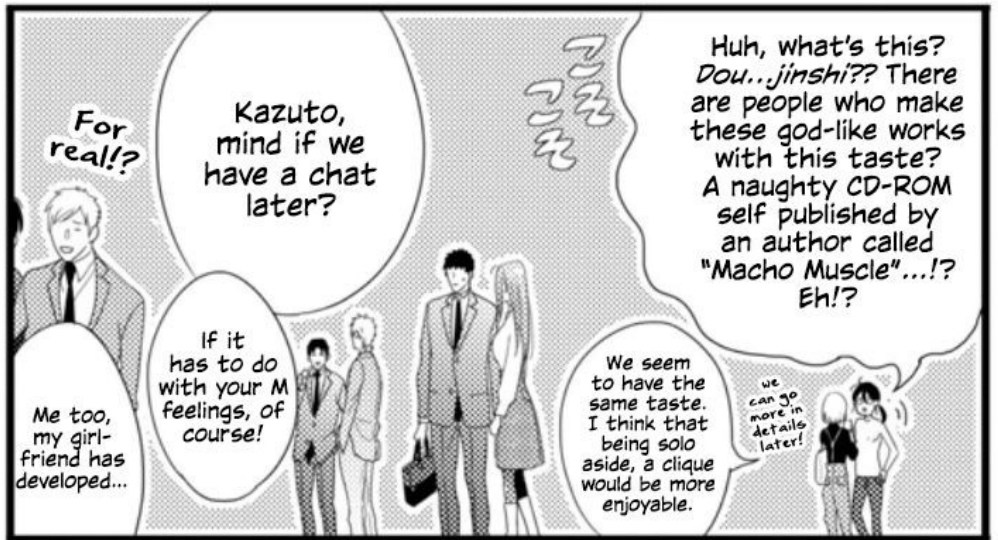

Eh?

The mystery is solved.

My girl-friend a while ago—

Sorry, Yoshida!  
Do you have work?

For real!?

Kazuto, mind if we have a chat later?

If it has to do with your M feelings, of course!

Me too, my girl-friend has developed...

Huh, what's this? Dou...jinshi?? There are people who make these god-like works with this taste? A naughty CD-ROM self published by an author called "Macho Muscle"...!? Eh!?

We seem to have the same taste. I think that being solo aside, a clique would be more enjoyable.

we can go more in details later!
