Ryuge
Yakuza working in the
Kanzaki Group

Kenzaki Yaiba

Except for his man-loving tastes,
he's an ordinary salaryman
His grandfather is the head of
the Kanzaki Clan, but being the
chief is a secret he kept from
Yaiba.

Masaru

Ryuge's underling

He secretly cares a lot about Ryuge,
but he knows that he lives with Yaiba,

Synopsis

Ryuge, who was walking in the city while being frustrated by his position in the group, gets even more irritated after Yaiba's brief (Which he just dried after laundry) falls upon his head. After invading Yaiba's house, Yaiba tries to put him to sleep with a sleeping pill. Unluckily he put a viagra on Ryuge's tea. He ends up having sex with him because of Ryuge's raging erection.

When Ryuge is about to take revenge on Yaiba, his grandfather, who is the leader of the group which Ryuge belongs, appears and makes Ryuge keep the secret about their yakuza relationship. After a short interaction, his grandfather decides to make Ryuge, Yaiba's bodyguard, and make them move together. That's the beginning of Yaiba and Ryuge cohabitation.
