

The Toy President

Chijimetaro

Security Company CEO
Kozawa Masato

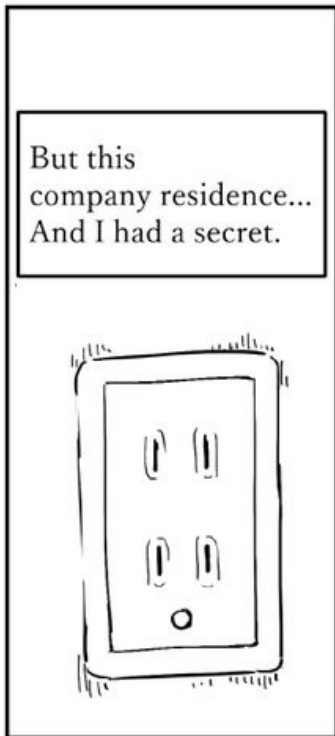

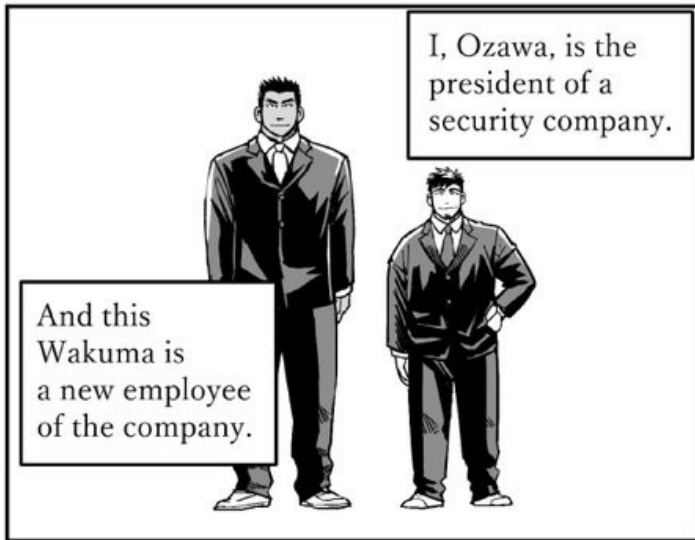

To explain
this situation,
the time goes
back two weeks.

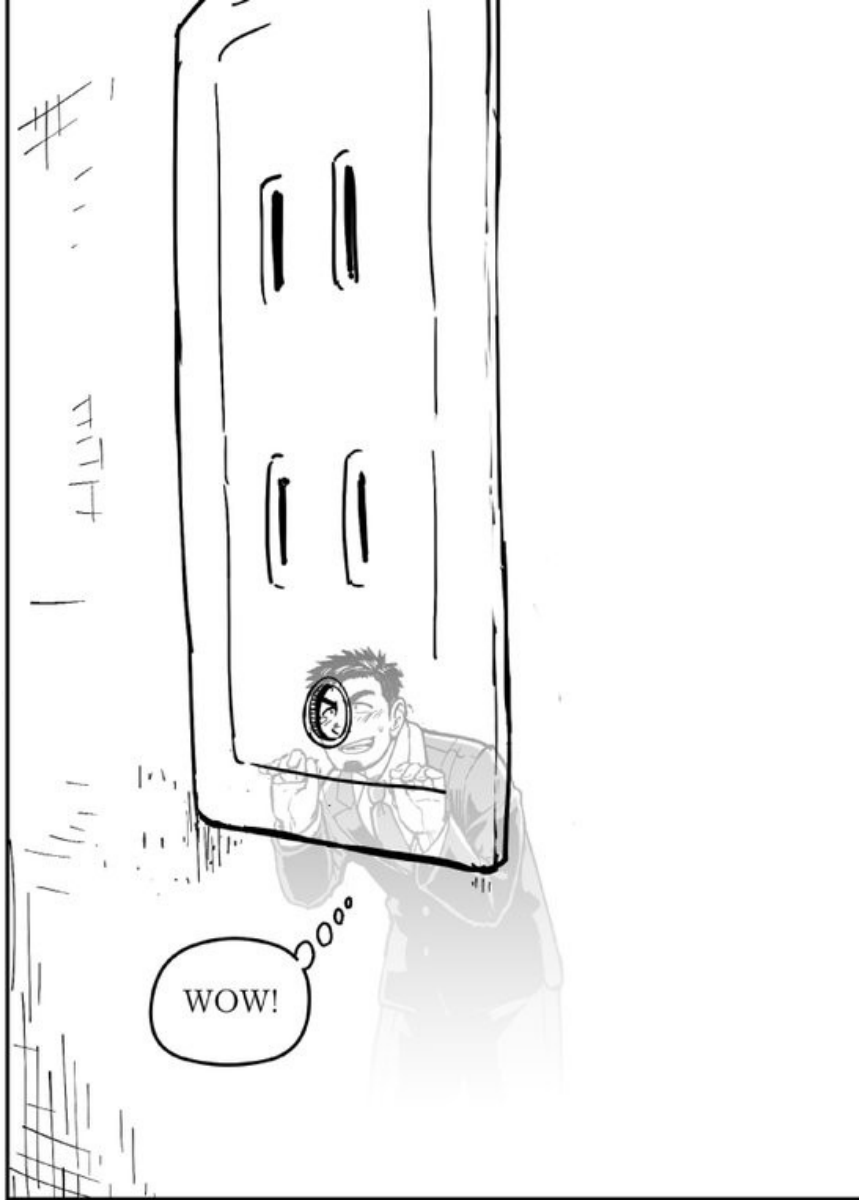

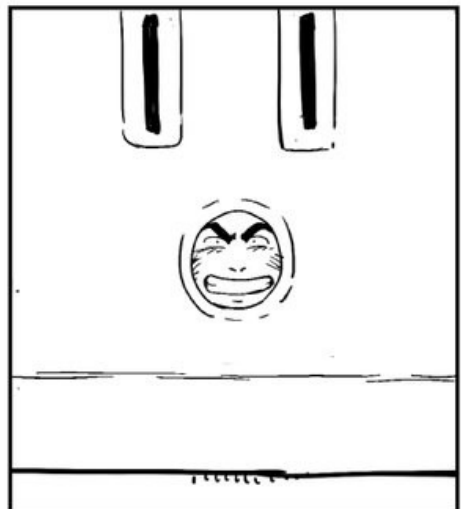

Security Company Employee
Wakuma Atsuhiko

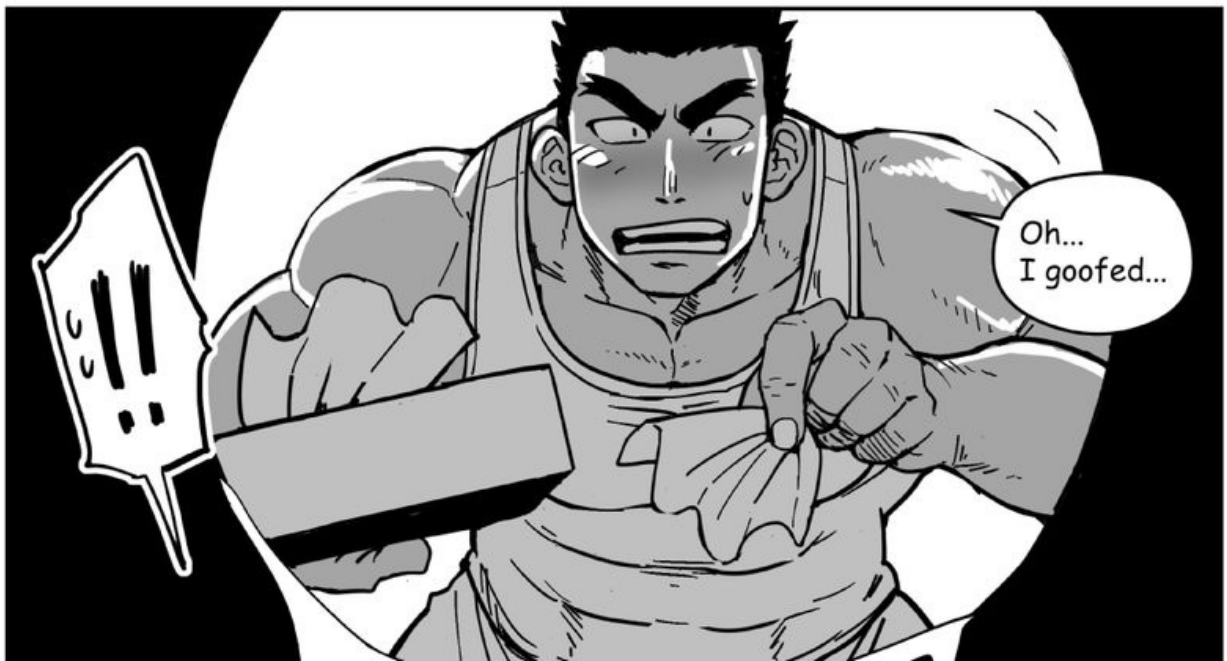

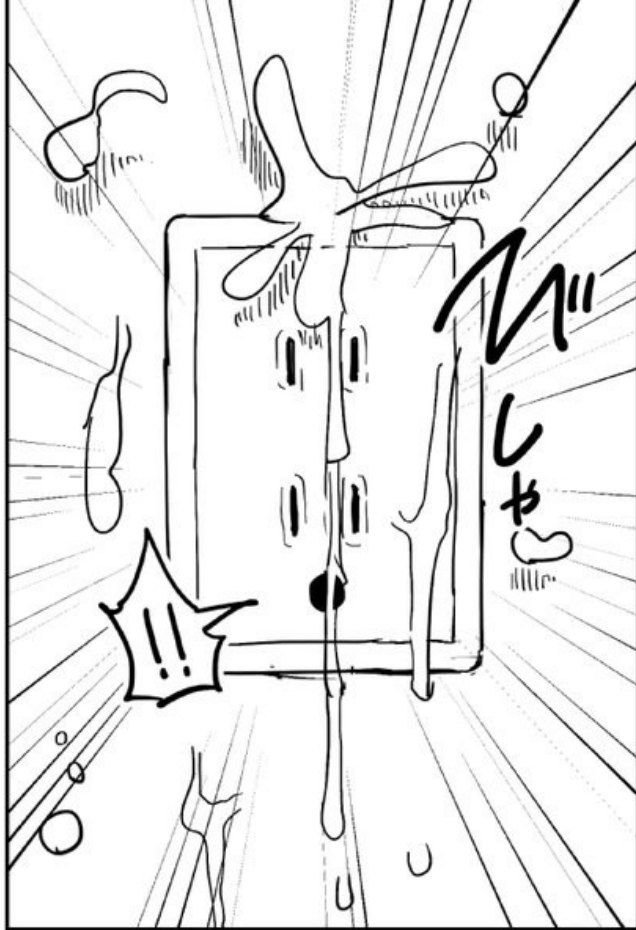

Will be found...!?

Isn't it inside?

Isn't it broken?

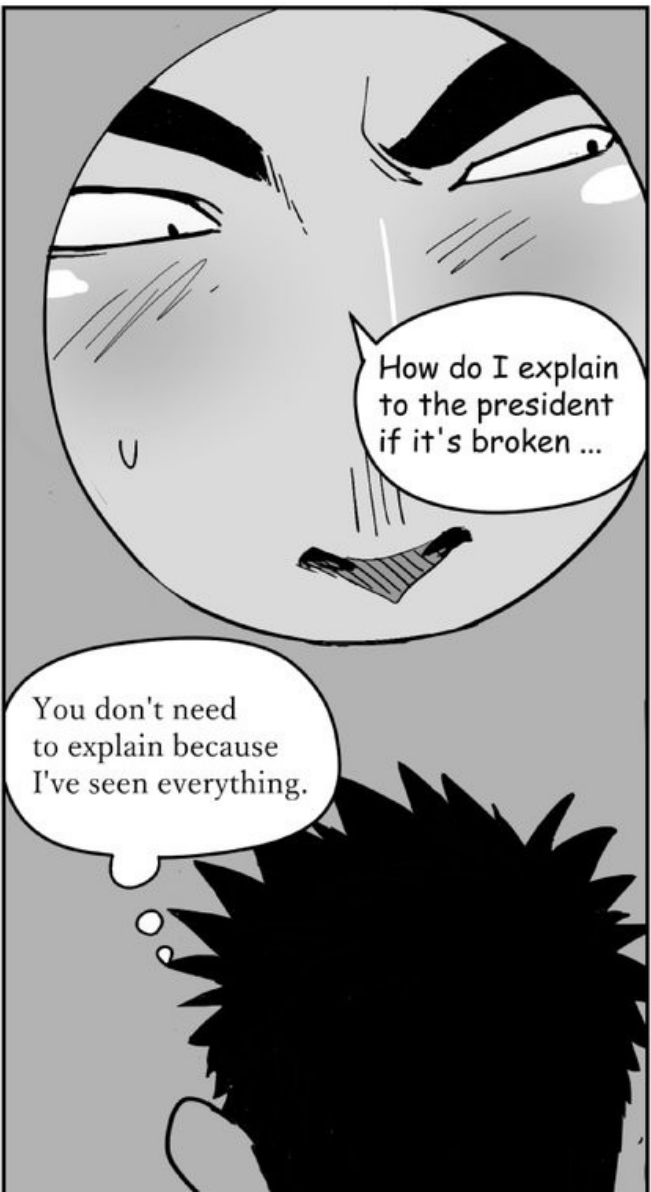

I have to take a bath.

It's easy to have no family.

I've been waiting!

たまたま...

How do I explain to the president if it's broken ...

You don't need to explain because I've seen everything.

Wakuma at the workplace follows his boss well and responds carefully to customers.

He remembers his job quickly and works hard.

Since then, Kozawa has been frequenting this favorite newcomer.

Peeping gradually escalates ...

I can't see it here ...

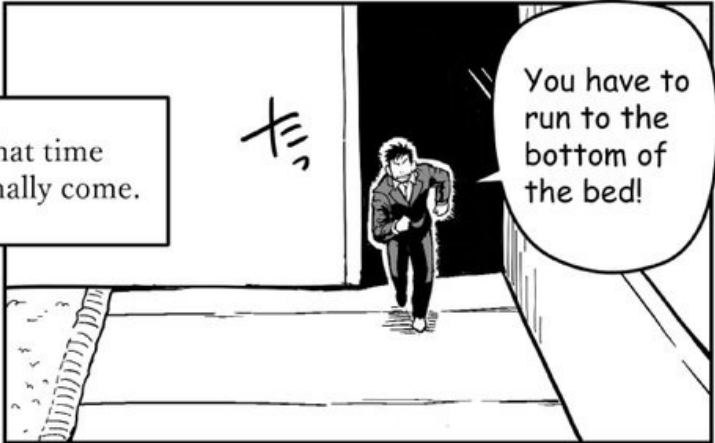

Well, he started, but

Fuck...

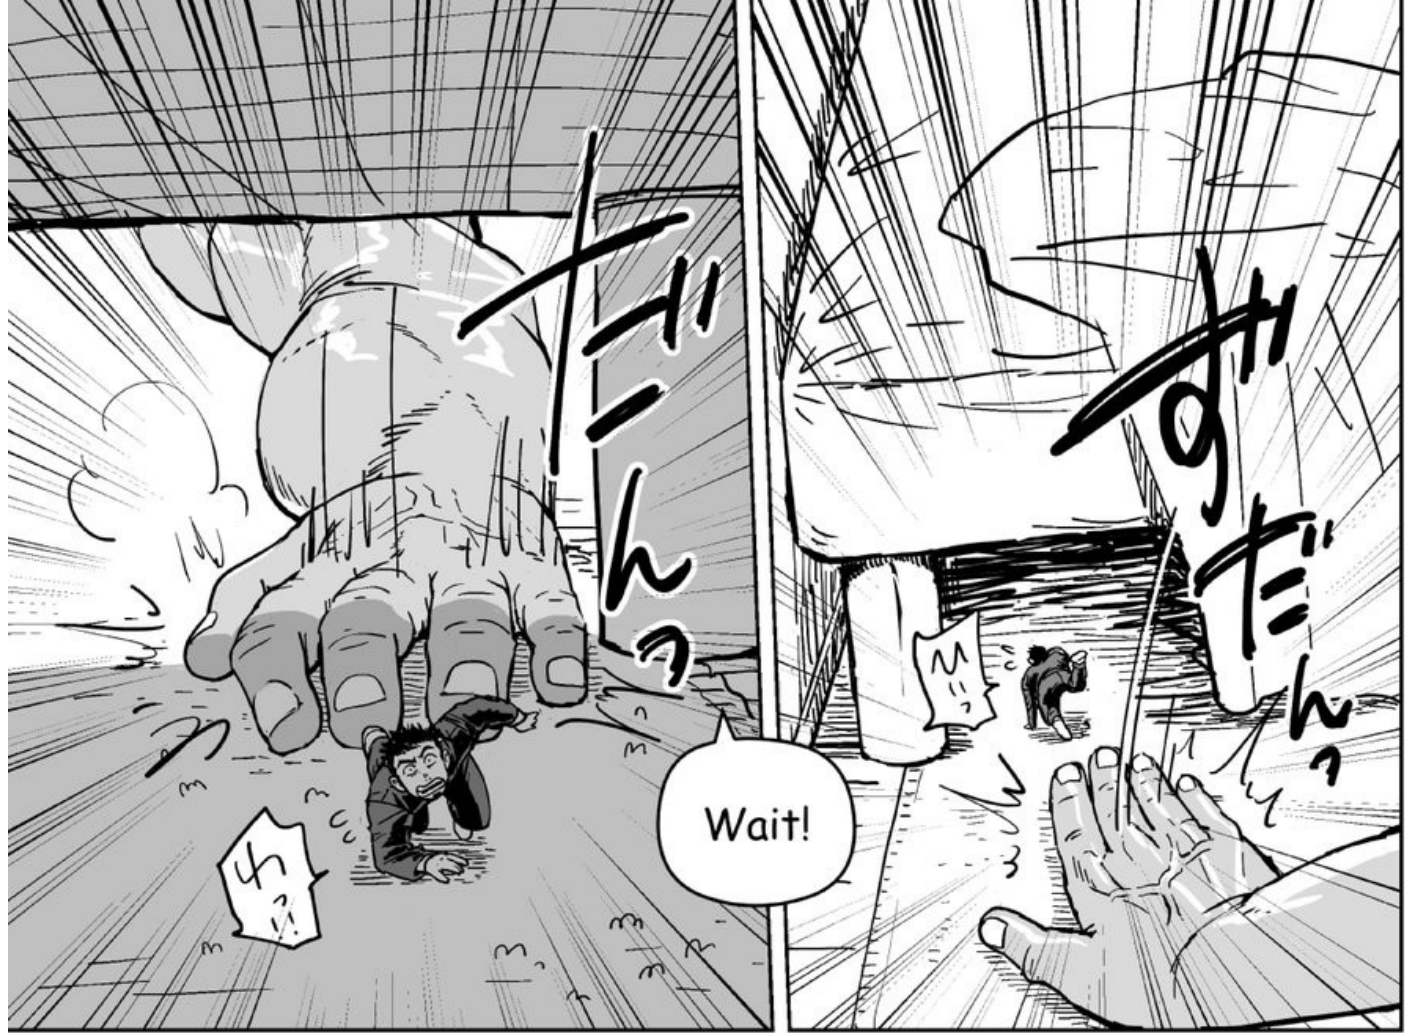

And that time has finally come.

You have to run to the bottom of the bed!

There is no escape, tiny...

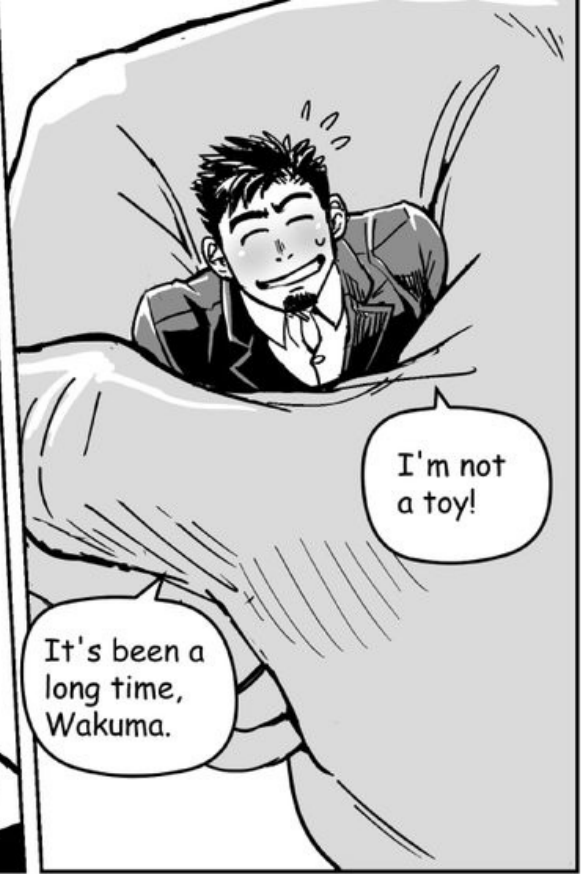

He was standing and walking like a real creature...

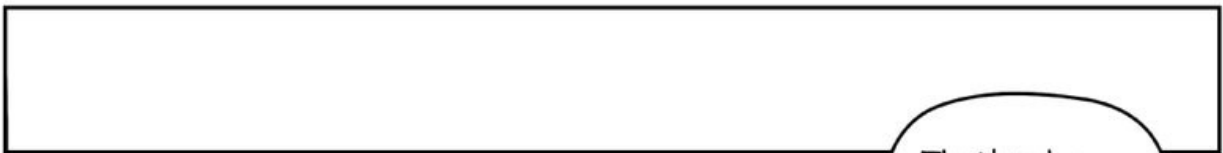

what's this? Is it a toy?

Eh...?
President Kozawa !?

I'm not a toy!
It's been a long time, Wakuma.

So you were looking into me with such a small body...

Sorry...

That's why people like me lived in that house.

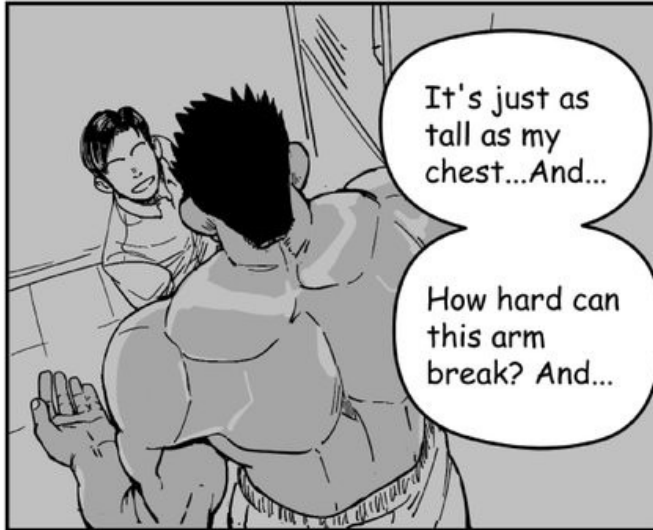

Y... Yeah...

So this is that Shrinking Unit.

You wanted to see closer?

I couldn't do it until the end ...

I'll give it back if you make me feel good.

Hot...

His nuts are warm and soft.

This is where his semen is made.

I remember when I touched a horse.

I can hear his heartbeat

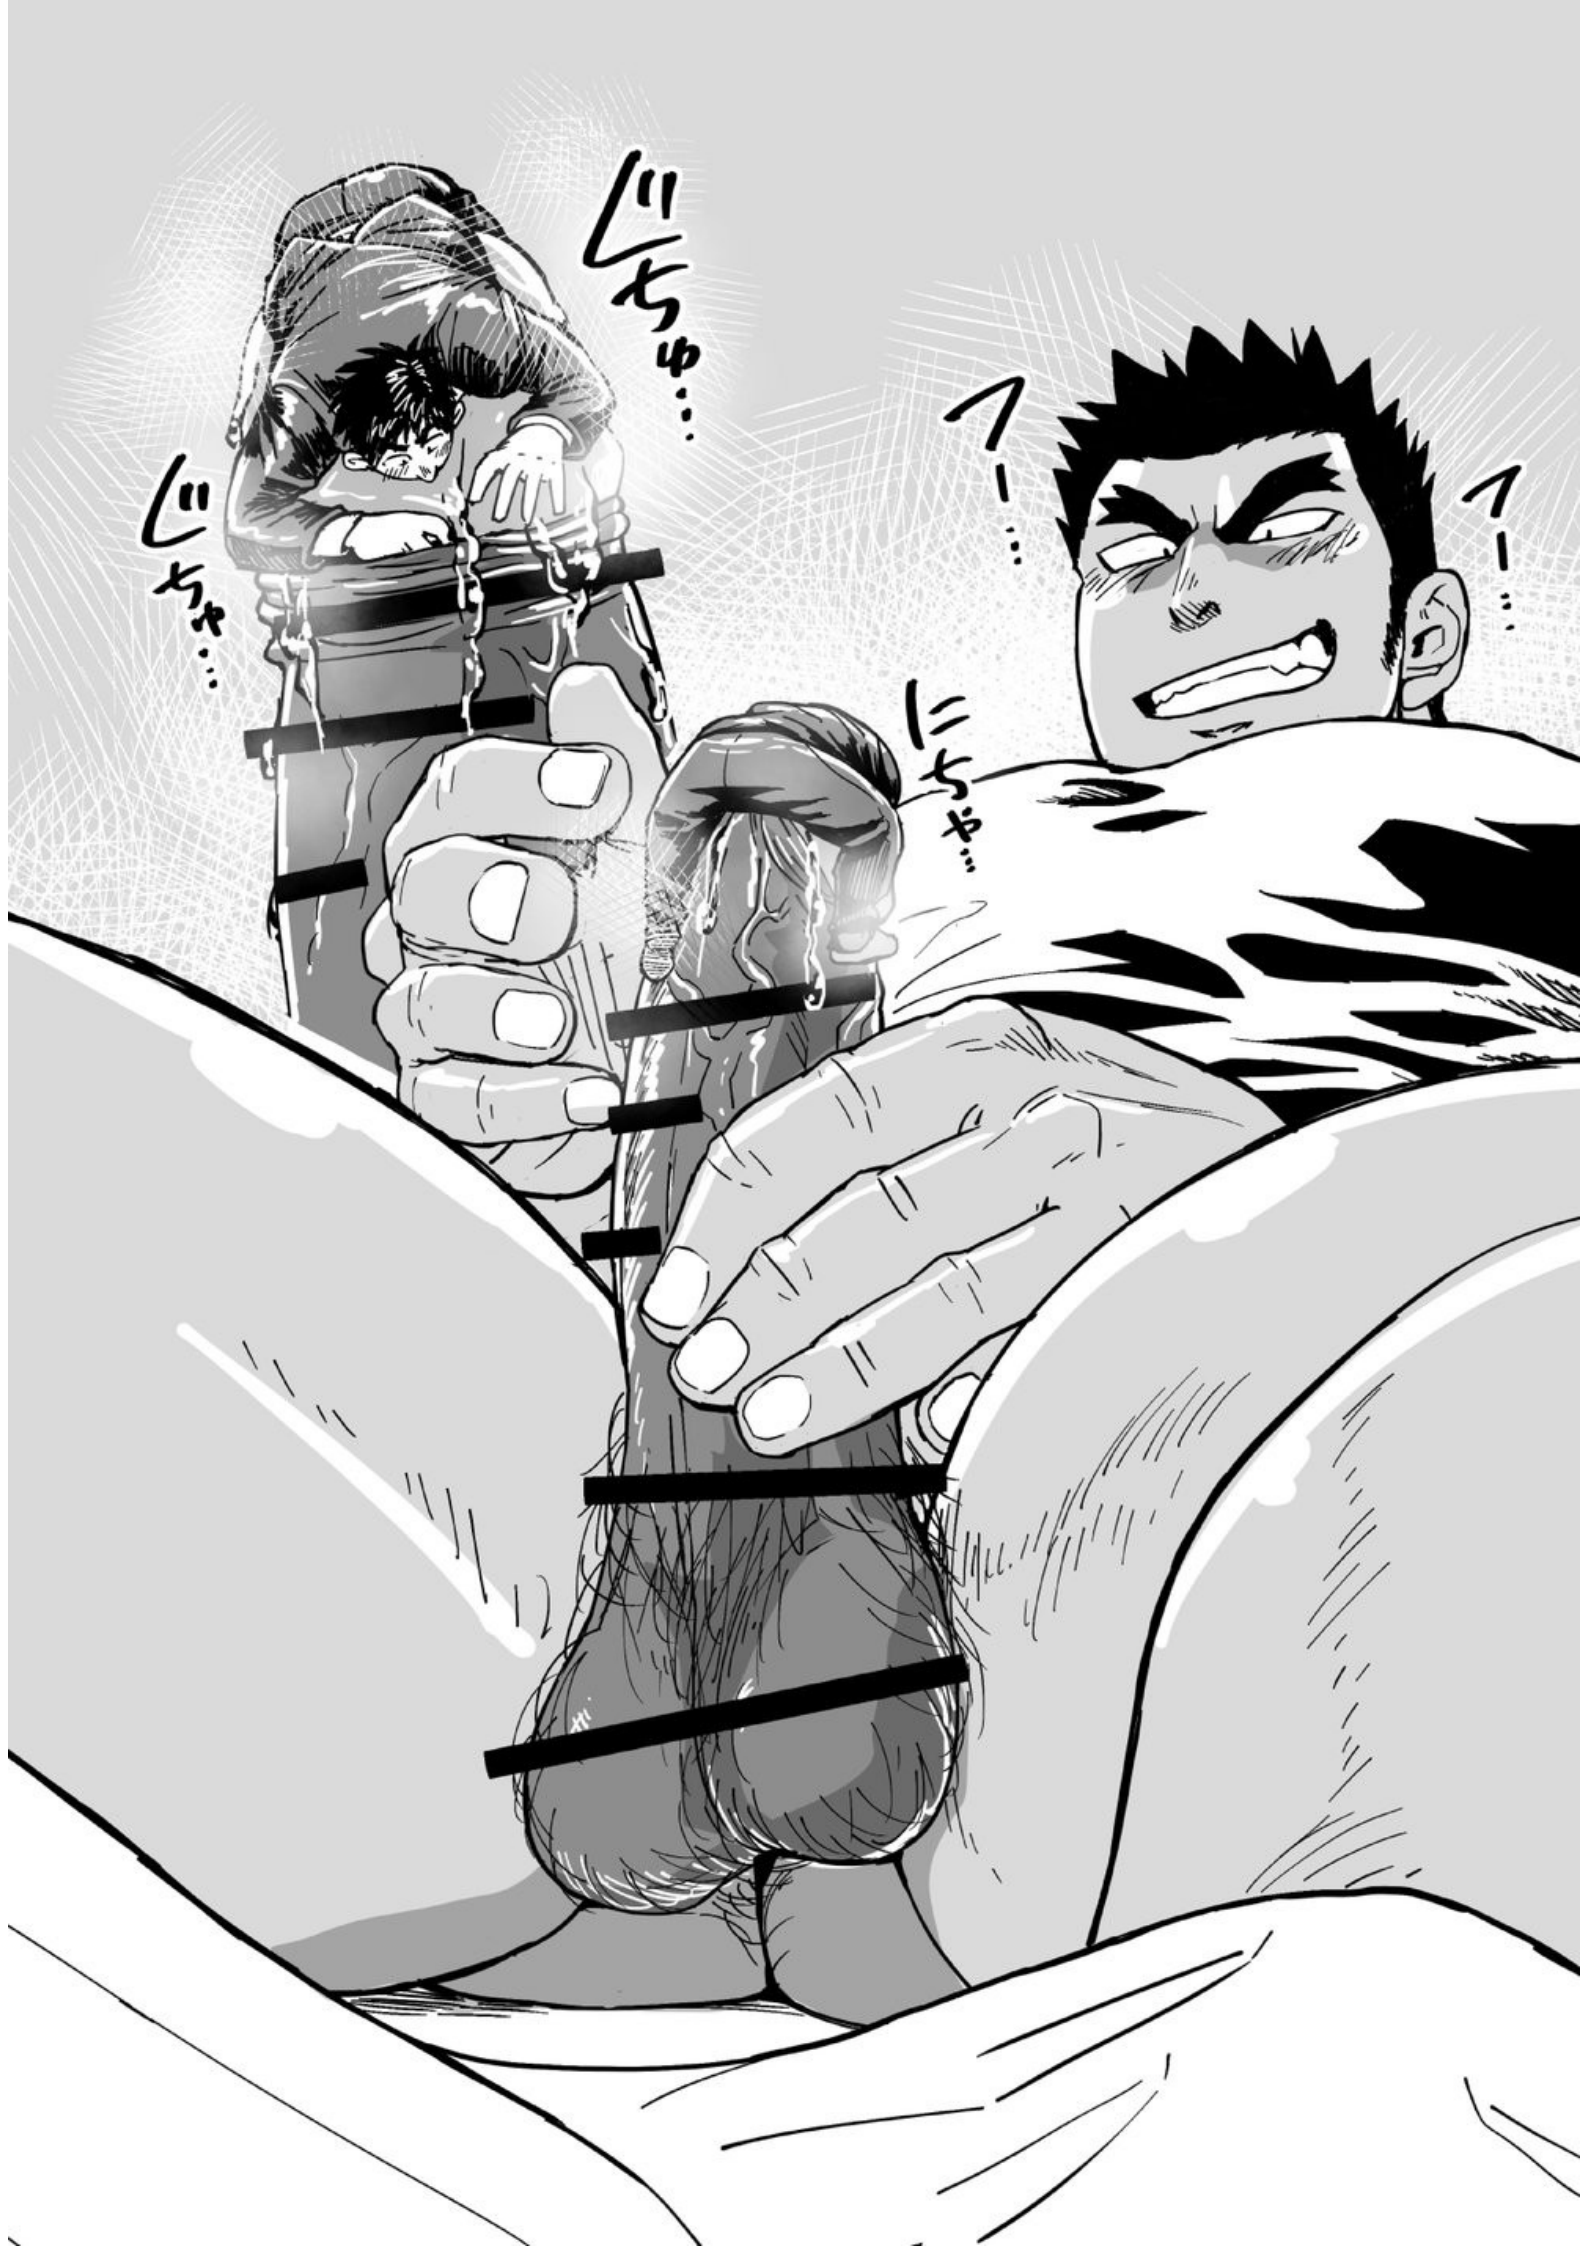

It's interesting because this crawling is my president.

To satisfy me ...

It feels like a warm is crawling.

A few days later

Fuckin' director ...
He was overpowered by the absence of the president.

His president is here...

もいあ...

Please...
Please give me water...

The guard's job is tired of standing.

Did you understand the spiciness of employees?

Hey, President, are you alive?

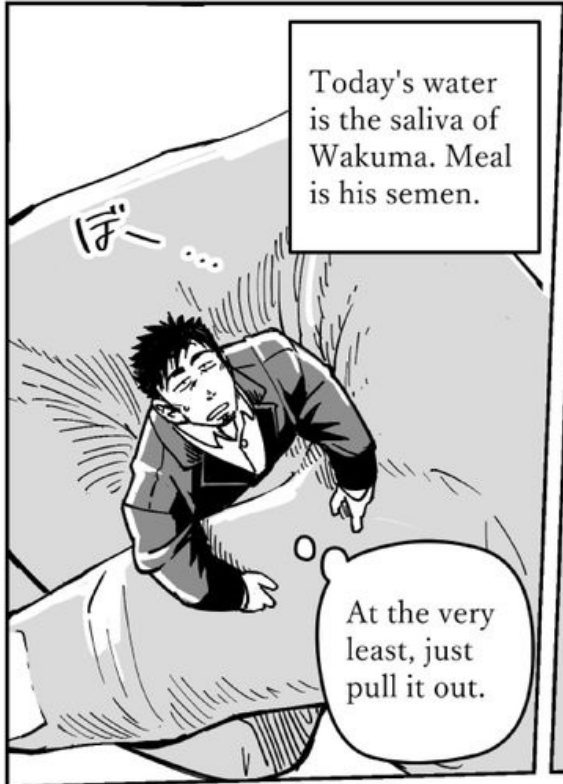

He didn't return the shrinking unit to me after all.
He doesn't seem to let go of me as a masturbation tool.

My sweat is too salty for drinking water.

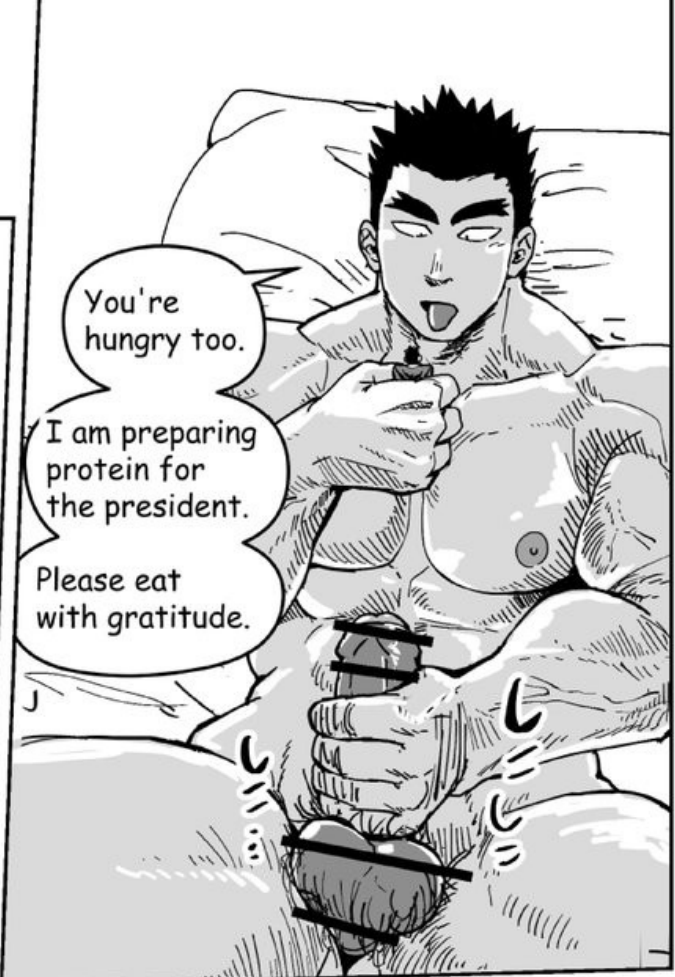

A special service for the president.

Today's water is the saliva of Wakuma. Meal is his semen.

At the very least, just pull it out.

You're hungry too.

I am preparing protein for the president.

Please eat with gratitude.

I can't hear your thanks.

Suck my nipples as punishment.

If I put my strength in my hand, I'll make you minced in an instant.

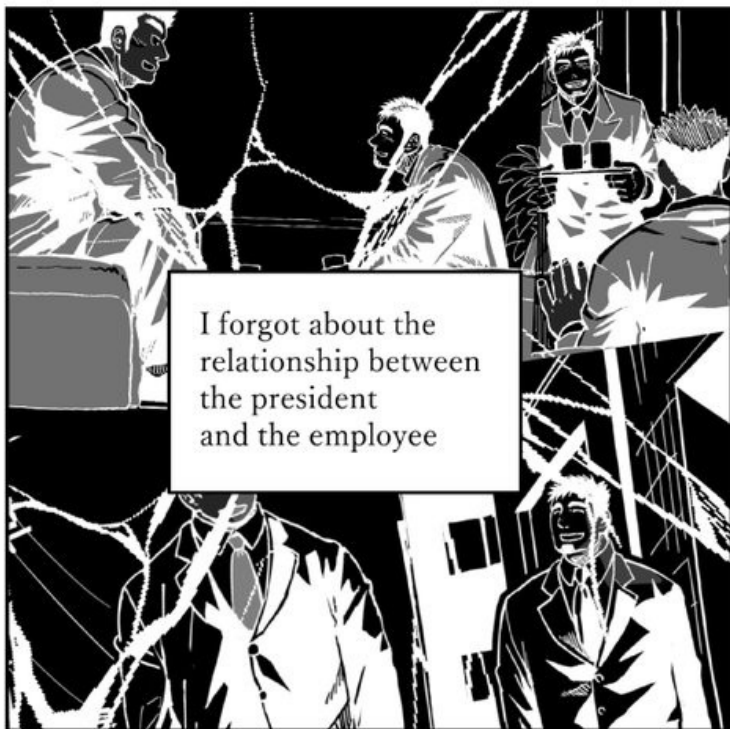

だ... だ... だ...

Finally, my spirit has changed

I gradually undermine my dignity...

I forgot about the relationship between the president and the employee

Little by little, I started embracing this life.

はあ... はあ...

We have become
a little sex slave
and the master.
