Ahaha!

I'm kinda addicted to it.

THEN, THAT MEANS TAKU-CHAN WILL BE EVEN COOLER AFTER THIS?

AH, YOU SEE...

TOMORROW, CAN YOU GO HOME WITH ME?

I-I don't know

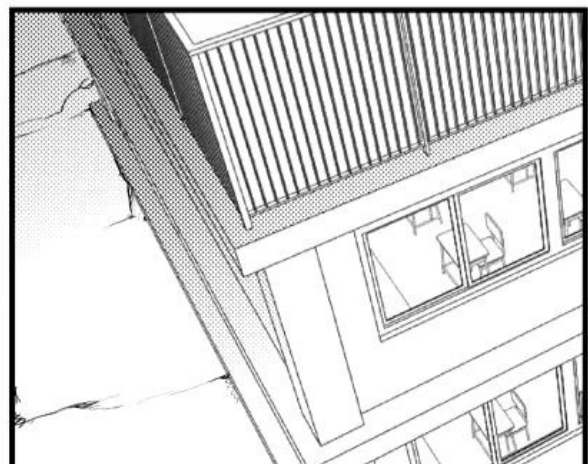

Since you've been giving Sayaka-chan a lot of consultation,

Lately, we haven't got to spend much time together,

S-SORRY.

Yeah,
I want to
chat with
you a bit
about that
guy.

Eh, you
have business
with me? Not
Yasumoto?

Ah, if
isn't it
Saya

I'm sorry
Mio, but can
I borrow him
for a bit?

Eh? of
course,
no
problem!

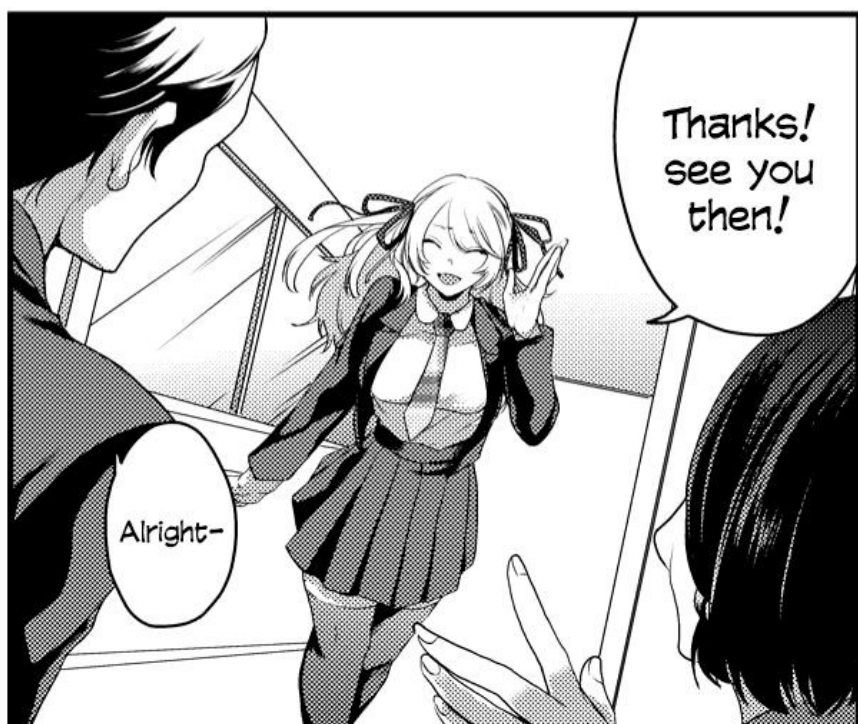

It's kind
of a naive
discussion, so
I don't want to
be heard by
others.

I
finally
found
you

I was
searching
for you,
Takumi~

Thanks!
see you
then!

Alright~

Thank you!
then can we
meet after
school?

Yeah.

If that's the case, then she can just talk with us here.

Does she want to give him a birthday present or something?

That's true.

What's happening between Saya-chan and Yasumoto-kun?

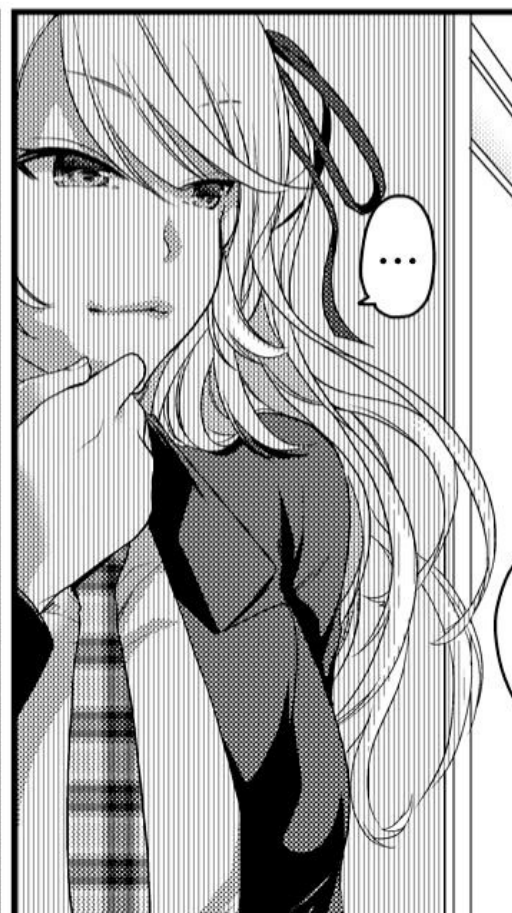

Hmm...

No way they'll have a fight or he gets violent right?

He's not the type of person to do such a thing.

Right...

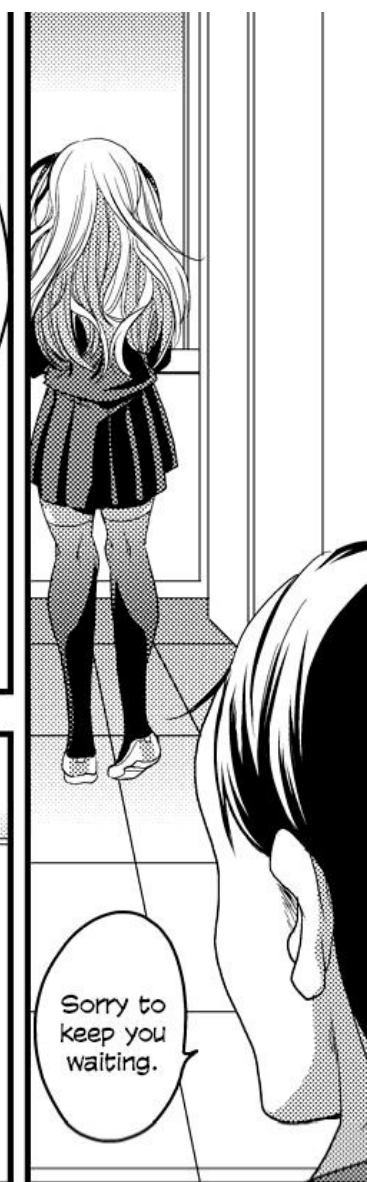

...

I hope we can be any of help.

Yeah.

Of course.

Is that supposed to be a compliment?

You really are kind, Takumi.

What about Yasu-moto?

What's happened to you?

[*Yasumoto's given name]

HA!?

He said it really turns him on if he sees his girlfriend having sex with another man.

To tell you the truth, *Yoshito has some particular fetish.

I already have Mio.

I understand your feelings, Saya.

B... but!

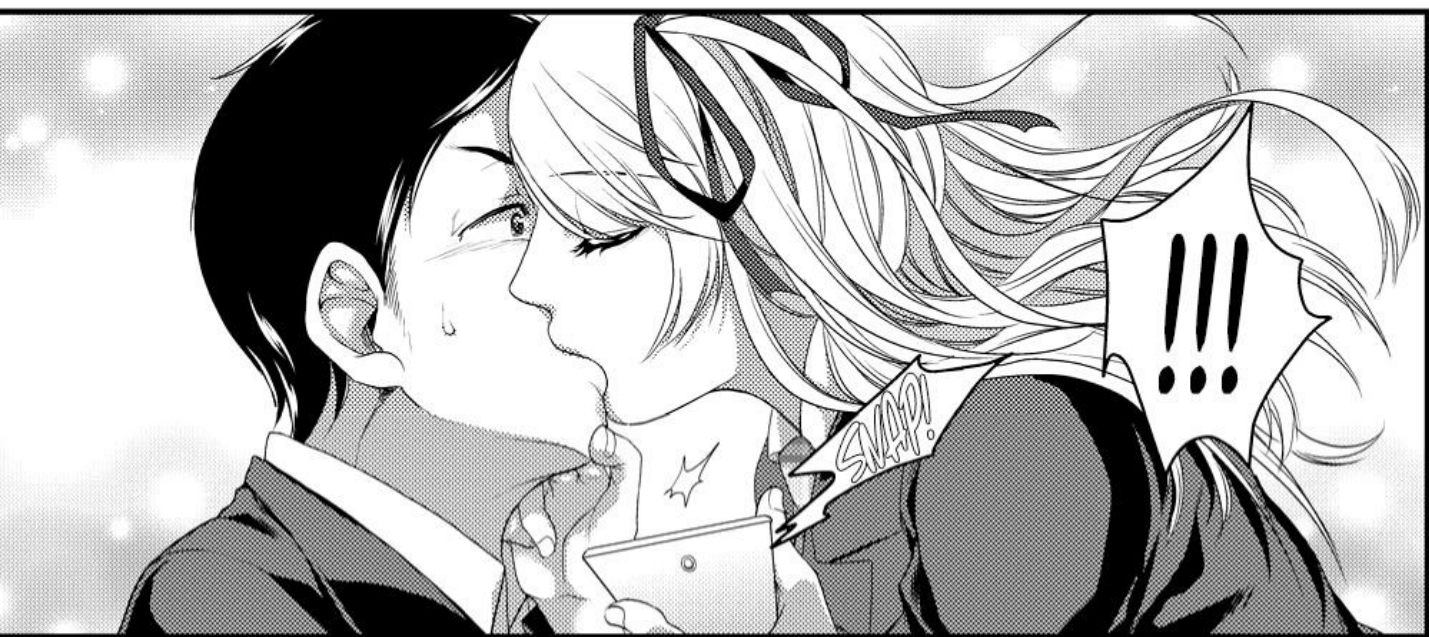

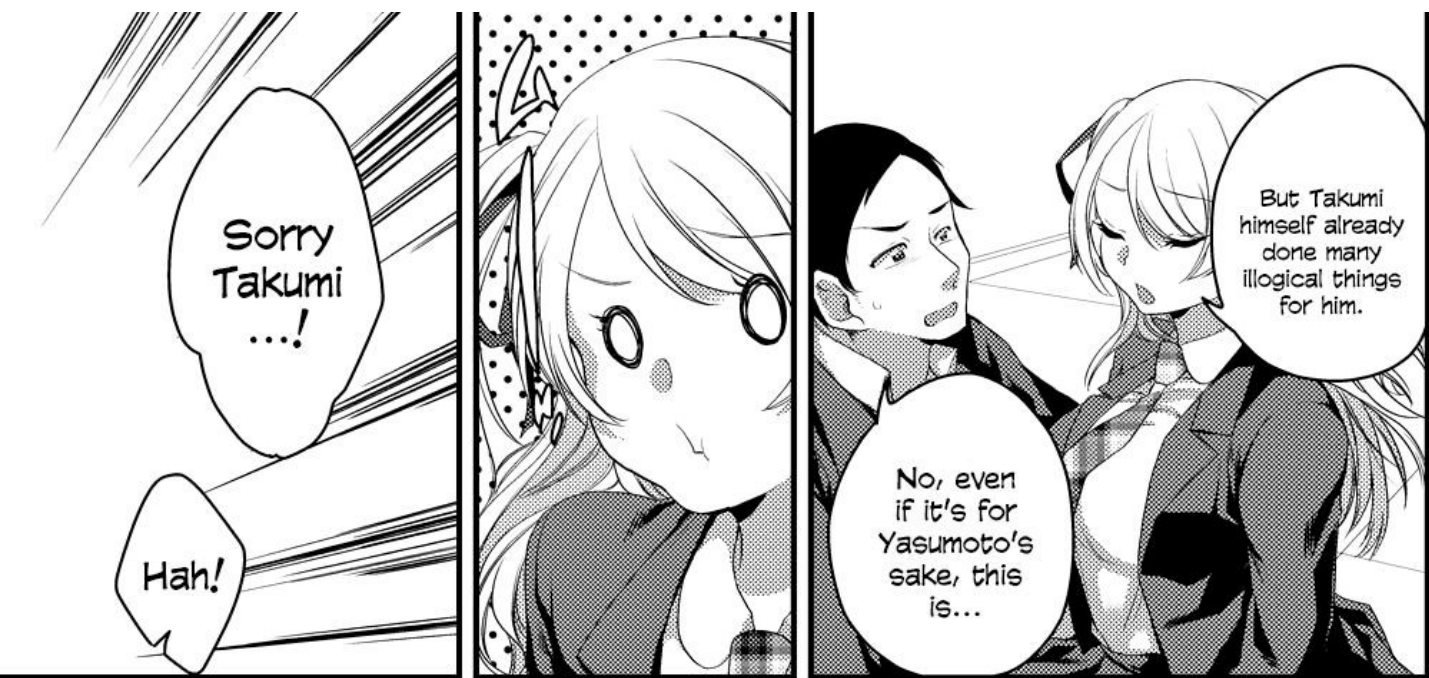

I can't do something that would betray the both of them.

And you're Yasumoto's girlfriend, right?

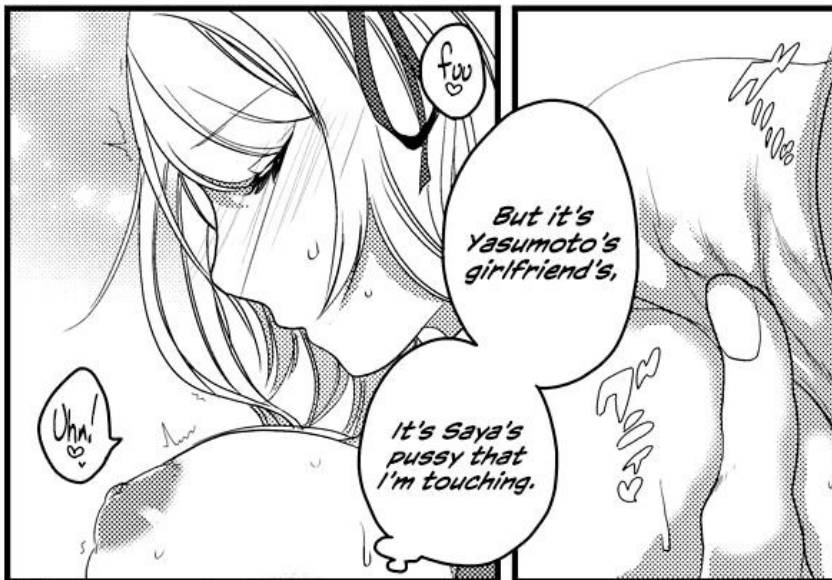

It seems he doesn't get satisfied enough with the regular sex.

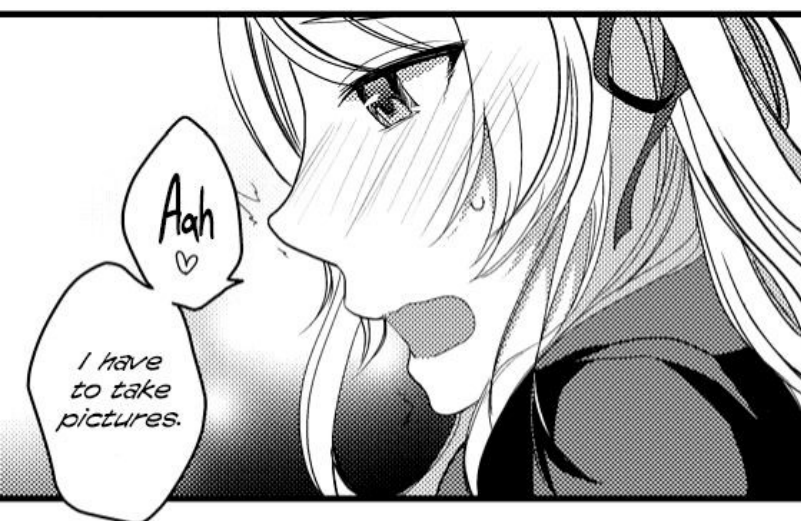

That's why I want to give him more pleasure.

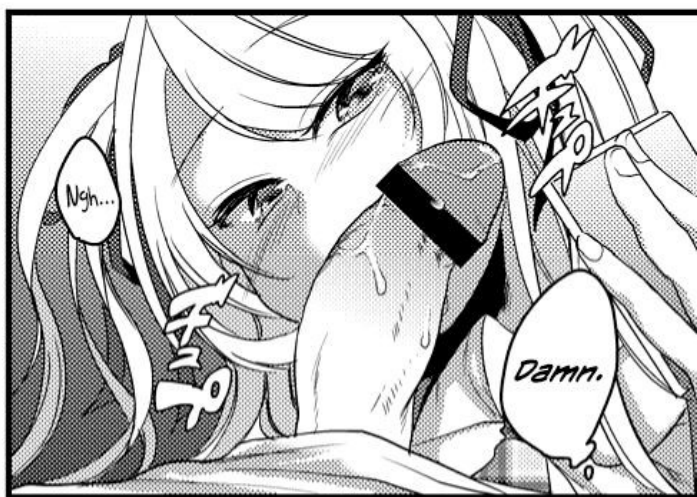

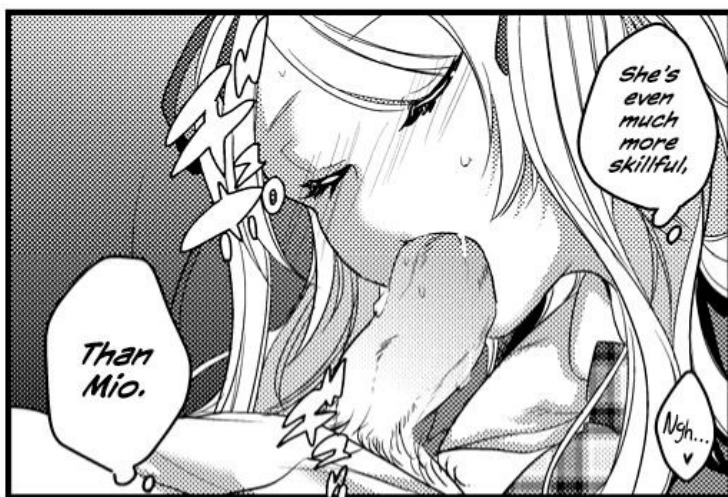

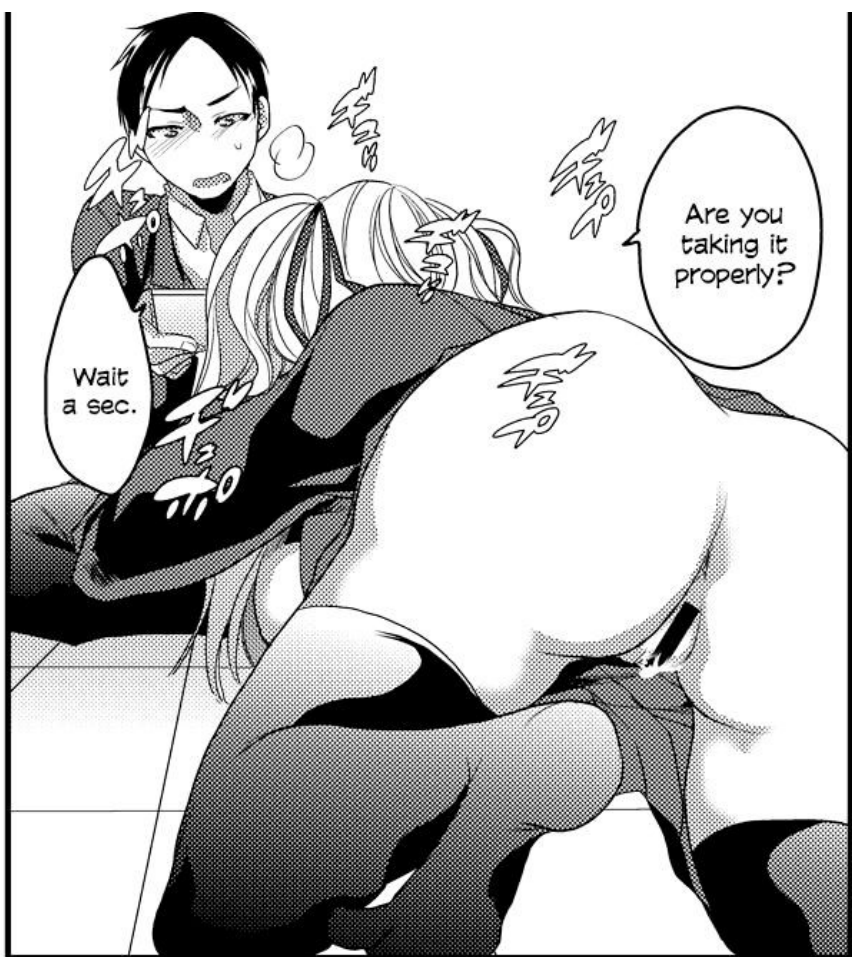

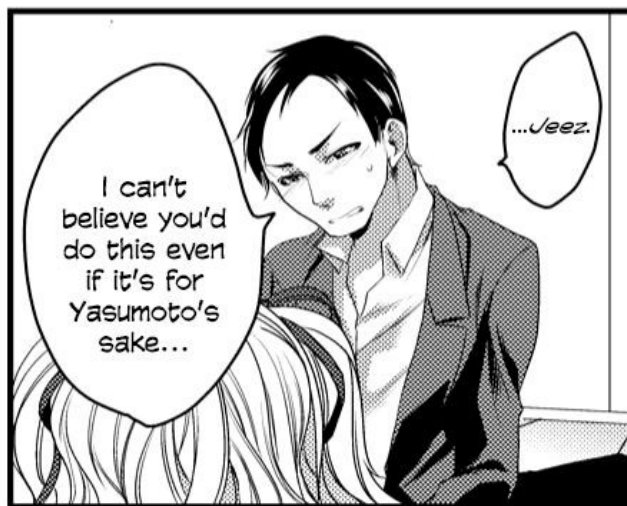

Neither
does
Mio.

Yoshito
doesn't know
that you're the
one who has
my company.

Fufu, you
were also
feeling good
as well, right,
Takumi?

You
really
are...

Well,
like I'm
one to
talk.

If we
just keep
this secret
between
us.

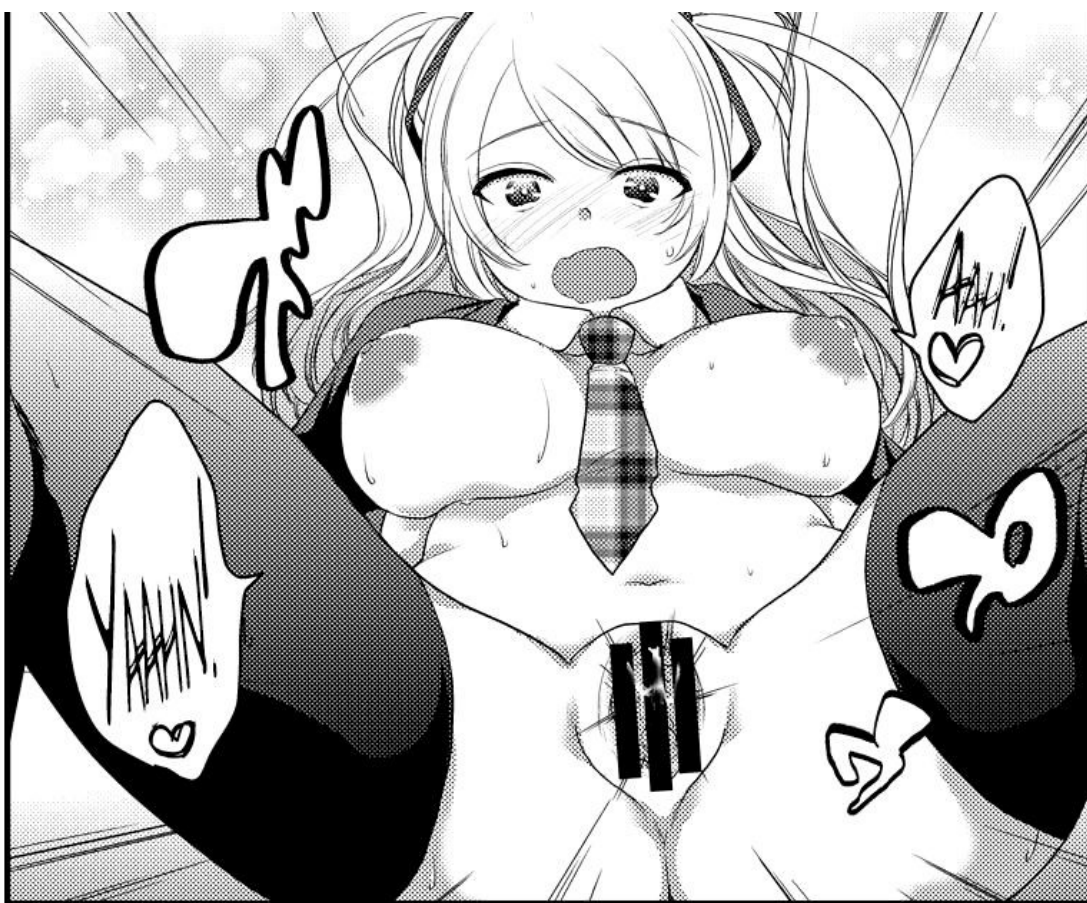

Everyone
will be
happy in
the end,

Kyaa!

Uh!

That's
why,
you
see...

But,

That was
the best I
ever felt.
♥

Ehehe,
it's so embar-
rassing...

It looks
like... I'm
addicted
to this.
♥

Yoshito
was very
happy
seeing it!

He
said the
photos
were so
cute!
♥

Thank
you,
Takumi!

Yeah.

See
you.

Takumi.
♡

When
those times
come, please
take care of
me, 'kay?

I might
be asking
for more
of your
help from
now on.

Taku-
chan..

chan...

...

Ah, it's
Saya-
chan.

Yahoo!

You
okay?

Mio.

Morning,
you two-

Well,
that's
good
then.

Yeah,
sorry, I
just got
spaced
out.

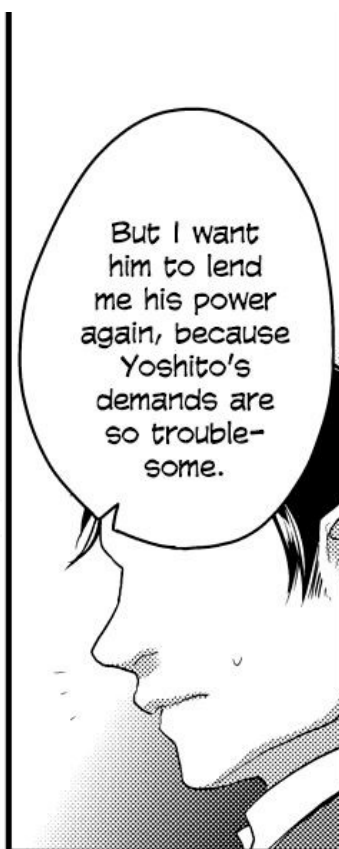

Of course, it's all right~

I'm sorry, but could I borrow him again for today?

Thank you, Mio.

But I want him to lend me his power again, because Yoshito's demands are so troublesome.

Yeah, thanks to Takumi, he helped me a lot back then!

I see, that's good.

Then, let's meet after school again, 'kay.

It's about our secret...

Takumi.
