鬼を怒らせた巫女の話

The folded book can be used without Kagura bells. Since making a lot of shinigami takes a lot of power, it's better to store them in the book ahead of time.

Shinigami bearing a pentagram are intricate models. You can use it without a Kagura bell because they can't be made easily, and they use up little energy.

Common Shinigami can be manipulated with a Kagura bell

Ghost Horns. The Ghost's spiritual power gathers here. If the horns are destroyed, The ghost will be weakened.

This is really cruel..
It seems that the gods who live here are eaten. They become food for parasites.
It is here.
I am the mountain god Chisha, an exorcism witch
I have come to this shrine now where countless ghosts are depended on by villagers
The gods here shouldn't have been weak enough to be eaten by a single spirit
And if ghost could eat this god and use his power as his own..
Must stay sharp
The door is open?
Show yourself, ghost!
But at the time, I didn't think that this kind of thing could happen.

The hell do you want?
Yeah, Yeah...
To think A miko would visit here Of all places.
They say that evil spirits can use the miasma flowing through their bodies to toy with others for entertainment. One avoid breathing it in.
Hmm. Hmm.
What appeared to me was a very beautiful female ghost.
But since I have so many Sacred spells to dispel it It shouldn't be any trouble
I'm here To seal You!

District: Does the little y-head think she Can beat our concubine?
Oni...
IT'S OVER!!
Oh no!
Why is she laughing?

Be My Meal.
Ah Ah
What an odd little girl...!?
Greedy ghosts can never be satisfied even if they eat a god
What an amazing power...
One concubine
Angle
Who will obediently let you eat it
Ah.. ..Ah...

What's with this stature?
Once.
And like that, The spiritual energy Has been dispersed Through the ground. You Can't use any of it Right now.
RU-INED
You dare rob me of my power and beauty?
Unfor-Giveable
It's punishment For sucking Up so much energy.
Please let me cleanse it

It ends here.
She Popped?
!?

The Oni soul can move to objects
In this form, I can do many fun things, did you know that?
A suicide?
How could I die without taking my revenge on you?
As long as some flesh remains, it can regenerate
What
Before you're sealed, you may explode, but if you touch flesh or the right object, you may recover
I'll use your own power to give you something excessive.
It's great that you have so much power
It's acceptable

That young body is looking a bit bloated
It's an ugly look or two...
That aside, let's work on your belly.

That gaze... where is she...
Feeling comfy? No?
Life force? Is that?

Where is it? My head Blew by me Suddenly
It's ok not to destroy the core.
Huff
Pant
If I Don't Hurry ... It will
I must heal first before tending to my swelling stomach.
Lat gods, Help me find it
Did You Find It?
Even with the body severed, There's Such a Power
After all My stomach Is so heavy
Are You Here?

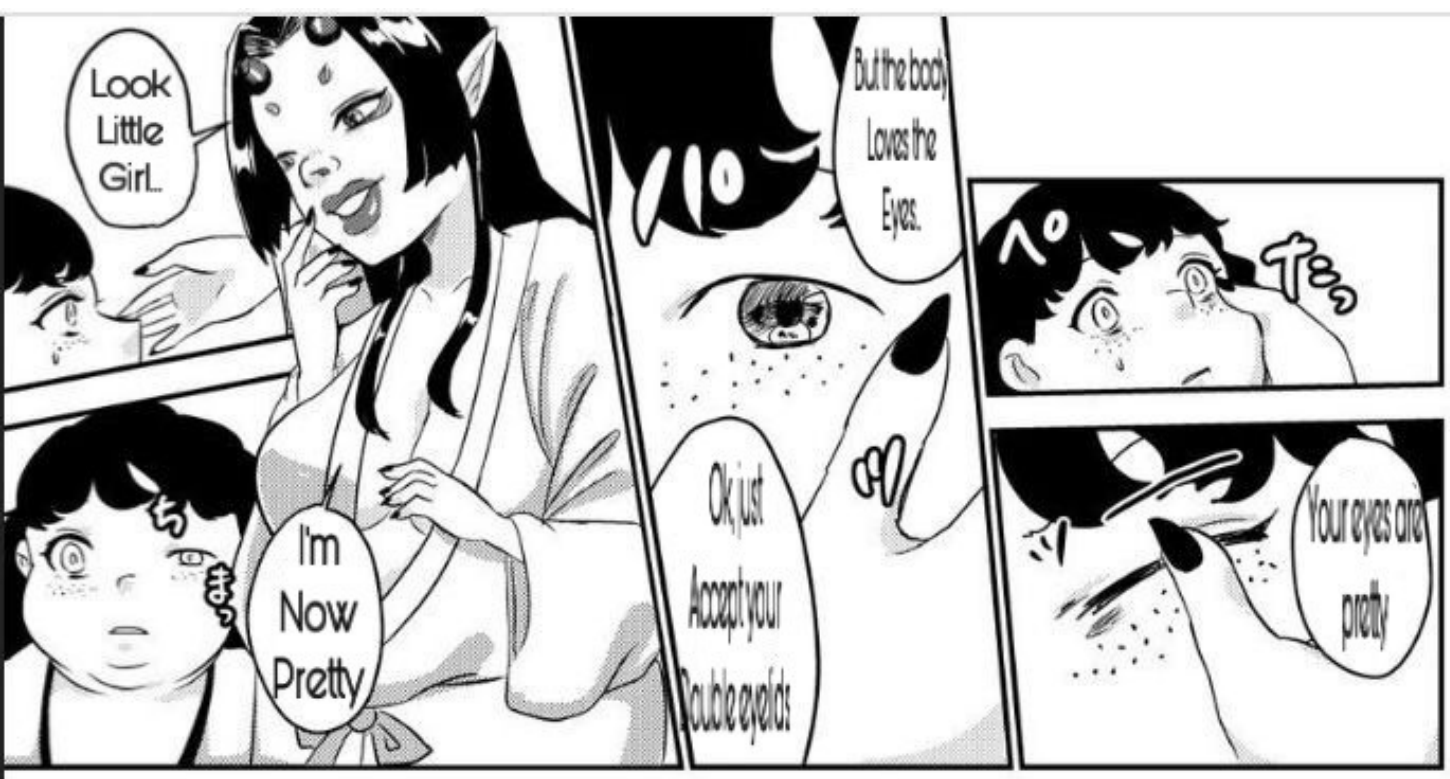
Is it stubborn?
It seems To be Honest
It was hard, but now it's done.
Honestly, If you run away It will be a girl.
Shut up! You're done!
That one waiting In you Seems Desperate.
What's happening now?
You're not at peace right now?
Isn't it a coincidence?

Give up, Little girl, You lost
Right, I gave up the comb back there
In other words it makes no sense to strike me down Now
Your tired body Can't resist Me Now.
It's only A matter Of time.
Now that my body is back The parts Inside of You are Active Again
You can't do Anything like this.
I can only watch Myself become Ugly

Useless
At this stage I'll
Only Be
Oni food
!?
Go away!
Get out!
Ah, now
my body
Has healed
This beauty
Must leave
Her freckles
And curly hair
With your
body.
Stop

Oh, it's so Good. You Can't move
ﾌｽｽ
No! How could I lose To you?
I heard that A powerful Witch was Visiting, but It was really No big deal
Can't do Anything, Fatty?
Be happy Your Oni Will be replaced As soon as Possible.
What To Do
Now it's Almost over, Little girl.

Little Girl
Ah..
But.
It's Pretty Good.
Nng.. This face..
It's Far from Perfect
Then, I'll also Have this Face.
Approved



Look Little Girl..
I'm Now Pretty
But the body Loves the Eyes.
Ok just Accept your Double eyelids
Your eyes are pretty

But "isn't This even Spiritual Energy?"
Resistance Is Futile
What are you Going to Take next?

That look on your face Screams 'when Will it end?'
I just want To look nice

Can't Move
Agh
It'll be Fine
Let's play Some more
Obviously
Im Ugly

Then give you My plump lips. Just for you, dear
Oops. We need to Get your other Eye here.
Aw... Such a cutie Piggy nose
There, Perfect.
By the way, You must be Dying to see it.
Who. Is this.
Your Own Face.

What do You Want?
Who else would it be?
If I don't return, The villagers here Will contact My village
In which case Someone Stronger Than me Will definitely Come and Defeat you!
What now?
Ah
Even if I'm ugly It won't change your fate.
I'm thinking since I've come this far.
I'll just make You Thicker And even more Ugly
I mean, what's The difference?
If someone really does come to beat the Oni.
It's OK.
But that day Probably Won't come

Is your spiritual Core protected By this?
Is it here?
It seems That because Of this thing, Your body Won't Change Any further.
Sure Enough.
AH
Even if the body changes back From that ghost comic, Their horns will Never grow again
Ghost horns are such complex and precious things,
But they were ruined by you.
Crushed. Destroyed.
You must Take sole responsibility

What are ya Gonna do?
The concubine was originally supposed to take it up me!
The concubine Loved the land and wanted to return to it Take it over
Then why did you Plant the bitter Seeds like Before?
Responsibility...?
Does that mean that the tori that destroyed The shrine at the God's here too?
Ah
What does This mean?
It's something to Undo your seal
So... about this..
That's what It means!

Is virginity Needed for The seal to work?
What are You Saying?
Ah Ah Ah
It... Hurts..
If that's The case Then there Will be Nothing left To protect You
Your spirit power Was enhanced By this seal.
Oh? You didn't Hear?
If you don't do this to The concubine, They will replace The gods and Protect the village.
You won't be like this.
Stop it.
You can Transform Further if you want.

What's that nonsense?
Like it or not,
It's too late now
Bu
Bu
But...
Don't
No!
Stop!
This lovely lady
just wants to
make you ugfier
Now.
No!
Don't
Stop!!
Don't
do
It!
How could I
stop?
Okay, I'm gonna
Go now ♡

The moment all
Of your spiritual power is
drained.
Ending will make
noises in your body
Days later
The mark has been
completely
removed
Now, when I've
taken your power,
you will have to live
in the
shadows.
Fast
Hurry up
Thanks
for the
TLC
Hand

What...
Give it back!
Also
NO NO NO NO!
It's a nice look Little girl.
Move this Poor Ugly girl
Don't
Ok, demons

What an Ugly human
What are you Going to Do with This guy?
Stay away
I will Show You Something Interesting..
Don't Ask
It's all Right Here
Put it down here

No way! I wouldn't Dream of it
Aha?

Excuse Me.
A traveler found something Strange in the other Shrine
And who is this..
The witches are still united

If you are Not skilled You must Notify Someone
While the witch recall Rule was strange Alew said
Yes. I'm concerned For the nearby Villagers.
What? Is that Right ?
I've seen Something Like this Monster Before..
Let me Teach You some Counter-Measures.
Rea !!?
When ?
ヒタ
Yesterday
I asked the villagers to inspect the shrine
ヒタ
Thank You, Traveler.

Num Nom
It woke Up! Quickly, The tribute..
I can't make A decent sound
Pant
Save Me..
Huh
Oh, that is..
A voice came.
What Happened To my Body?
Just as the traveler Said
Hurry up and praise it to help it Eat it's Fill
Give it lots Of tribute Every day. Then it won't Attack our Village, Right?
It's so Uncomfortable.. Eating This much
What a Bad posture
For our female Master. Who was eaten By the Monster

Who Can Understand!
All in All, it's Okay.
It actually Swelled up To being fat Or something
Stop
Mio I hate This kind of Body
Forget the power As soon as the Next village..
Ha ha Just listen To the story Of the victim in The next village Er zi lived in Regret
Little girl, Ha ha
If you Don't have Horns, you Can't store Spiritual Power
