C'MON, WE'RE GONNA GET THE SOFA DIRTY FOR SURE

I DON'T THINK SHE'S GONNA BE HOME THAT SOON...

Thank you very much for your purchase

Good day to you, nice to meet you, this is Tare Mayuzou.
This time it's a story about Sora and Hiro,
two characters I made on social media,
Drawing Sora, who's sensitive and in the grips of puberty,
and Hiro, who's just the polar opposite, is really satisfying.
Anyway, it was fun... even though I thought as I was drawing
that it seemed unbelievable that they'd turn down a trip
to Okinawa for a soccer match, it did lead to a fun
sleepover, so I decided not to think about it too much.
The story is over, but if you read all of this
to the very end, thank you very much!
If you found it even a little entertaining, I'm happy.
