その日
私のカラダは
2頭の獣に
貪り尽くされた

It all started that night when I was invited by my former students to a reunion party

I was stupid enough to fall into their trap

I replied
back
thinking
that they
would
soon get
bored
of me

Since
then
they've
called
me
multiple
times

but...
that
wasn't
the
case

My
behaviour
started
to
change...

The calls
became
more and
more
frequent,
and each
time my
body
betrayed
me...

The
pleasure
that they
gave me
was...
...exciting...

Tonight too...

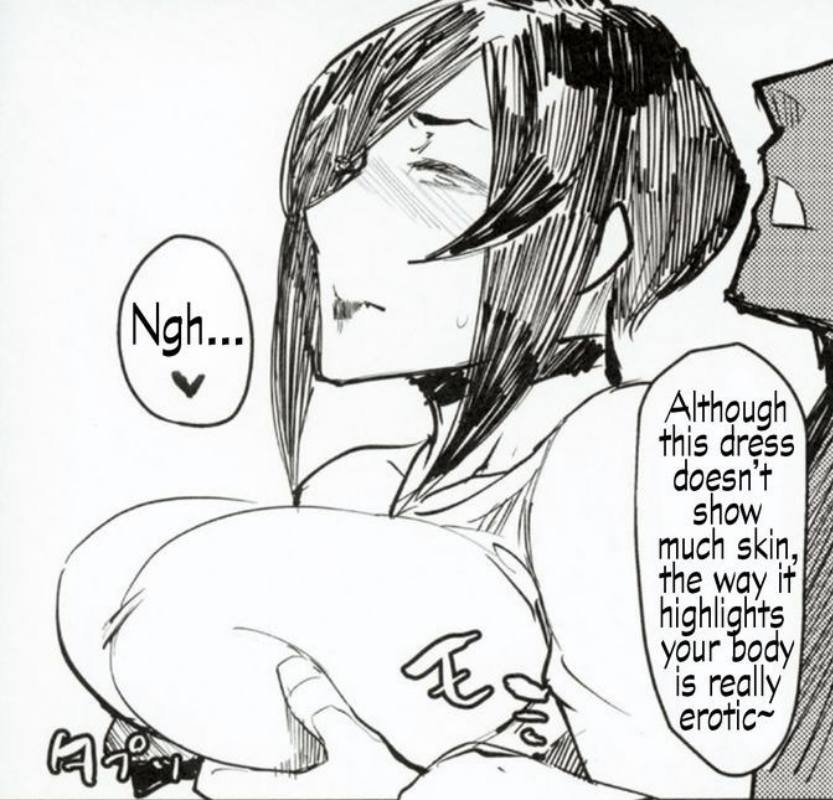

Today we're gonna see how much of a masochist Yukari-Chan really is~

What?

Aha, there's no point in denying it~

Ho~ you're already wet down here...

Lets jump straight to bed now~

Ngh...

Although this dress doesn't show much skin, the way it highlights your body is really erotic~

This... was just by chance

Yukari-Chan, thanks for wearing my favourite dress today

Wait, why are you going first?

Don't be ridiculous I called dips on her first

AH

Wait... not the ears...

Senpai, you were too slow thats why

Woo hoo~ that's a nice view

Let's turn you around first Yukari-Chan~

Hold down her legs

Hey, she can't move right?

Haha, look at how sticky it is

It's still too early for your love juices to leak Yukari-Chan~

ねはあ...

Haha, you're so wet down here~

Was the ear play that good?

Its time now, you don't have to wait anymore Yukari-Chan~

No... I wasn't waiting...

Oh, I see

Your face doesn't seem to agree though

Is your breath getting shorter too?

that's not true...

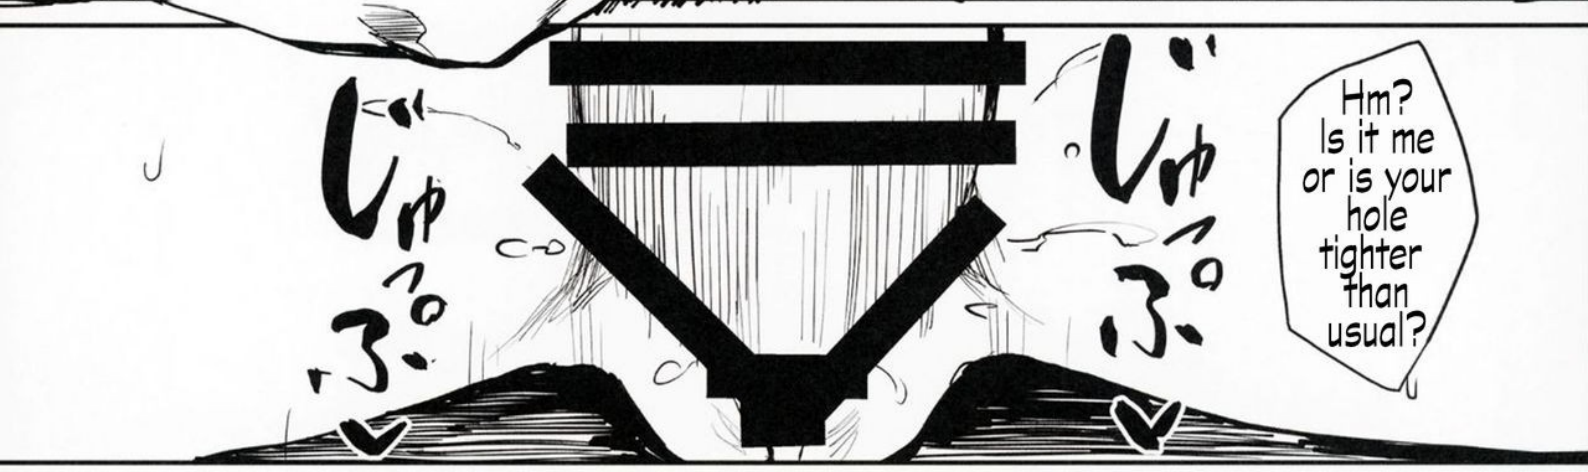

This... this... this is...

Yukari
-Chan,
your hole
always
feel
amazing

Ah~
this feels
really
good~

Hm?
Is it me
or is your
hole
tighter
than
usual?

Hoo~
Yukari
-Chan,
your
masochist
side is
showing
up now~

Hm,
is it because
she's giving
me a blowjob
while you're
fucking her
hole at
the same
time?

Ah
Shut
up

Yukari
-Chan,
is it that
hard for
you to
admit that
you're a
masochist

How does
it feel
to climax
from
someone
who's
not your
husband?

Hehe,
it's so
erotic when
you're
dishonest
Yukari
-Chan

but,
your
body
is
much
more
honest!

Yukari
-Chan,
can you
hear me?

Hehe
that
was an
amazing
reaction~

Hm,
maybe
I overdid
it a little
bit

It was
awesome
how
honest
you were
just now

but
don't
worry~

From now
on, we're
going to
let you
feel the
joy of
cheating
sex~

After
this,
there's
no way
that you
can ever
be
satisfied
from
normal
sex
anymore

When I
woke up
again,
I was
sitting
on their
knees

They lined
up the
used condoms
on my leg
to showcase
the amount
of times
we did it

They
were
probably
taking
a
picture
for
their
account

I was
wearing
an
extremely
erotic bra

...but
I've fallen
too deep
to stop...

I can't
stop this
anymore...

There's no
one else
to blame
but myself
for getting
into this
situation

I'm getting
tired of
this easily
aroused
body...

to lose
conscious
while
having sex...
