Yeah... there's no mistaking it...
Hey... isn't that...
That's the princess of the western dark elf tribe...
What's she doing here ...?
The price of one thousand village girls wouldn't even compare to the price we'd get for her
Kukuh... to think that an opportunity like this would appear before us...
Hey ...
Yeah... we're done hunting for slaves for today ...
Don't screw up okay ?
Yeah, leave it to me...

I BEG YOU.. PLEASE LOWER YOUR KNIFE ...
...
I-I'M JUST A LOCAL VILLAGER... THE ONLY REASON I'M OUT HERE IS TO LOOK FOR HERBS AROUND HERE...

Uuhh ...
Huh!?
Wh- where am I...?
Oh, you're finally awake huh.
Y-you bastards! What's the meaning of this!? Do you know who I am...?
Of course we do, you're a noble from the west- ern dark elf tribe
You are really popular amongst us humans you know?

What...? Then you know what's going to happen to you if you lay even a finger on me right...?
Kuhkukuh... that kind of threat isn't gonna work on us. Even if your tribe were to attack this country, we'd already be long gone and be in another country by the time that happens.
Dark elves are really popular among the nobles in this country you know?
What happens to you depends entirely on the person who buys you...
But before that...
Wh-what are you going to do to me?
We have to make sure
Of how good the quality of our catch is right?

This is amazing...! This is my first time... fucking a dark elf...
Ahiihh
Kuhh !!!
This is my first time tasting such a nice and tight pussy...
I can understand why those nobles... took a liking... to them.

Phew... I got lost in the pleasure.
AHN!
NOOO!!
GUHH... I'M CUMMING...! I'M GONNA CUM INSIDE OF YOU!
Hey now, don't get too rough with her, we have to keep her in a good condition you know?
I know. Alright now bring her over here.
Come on, come here!

You're walking too slowly! Hurry it up!
Ugh ...
Uuh ...
Hey now... there's no time to rest.
It seems that she needs to be punished.

Y-you Bas-tard.
If you Bite my cock, I'll poison the water source nearBy where your tribe lives.
Open your mouth!
And don't you dare Bite my cock okay?
Come on.. if you don't swallow my semen, your people are going to suffer instead you know?
UGHH

There ...!
OHHO
Hmm, this isn't stimulating enough for me ...
The more you glare at me, the more excited I become.
Aahh ... deep-throating a dark elf feels so good.
NGMPHH!?
I'm going to fuck her from behind then...
NGHH!?

Besides, there being no war is a good thing.
The quality of offerings from the humans have been increasing lately because it's so peaceful.
Excuse me!
Look Anubis-sama, they've arrived.
Okay, okay, but I've had enough of gold and food you know?
Anubis-sama, the offerings from the humans for this month have arrived.
