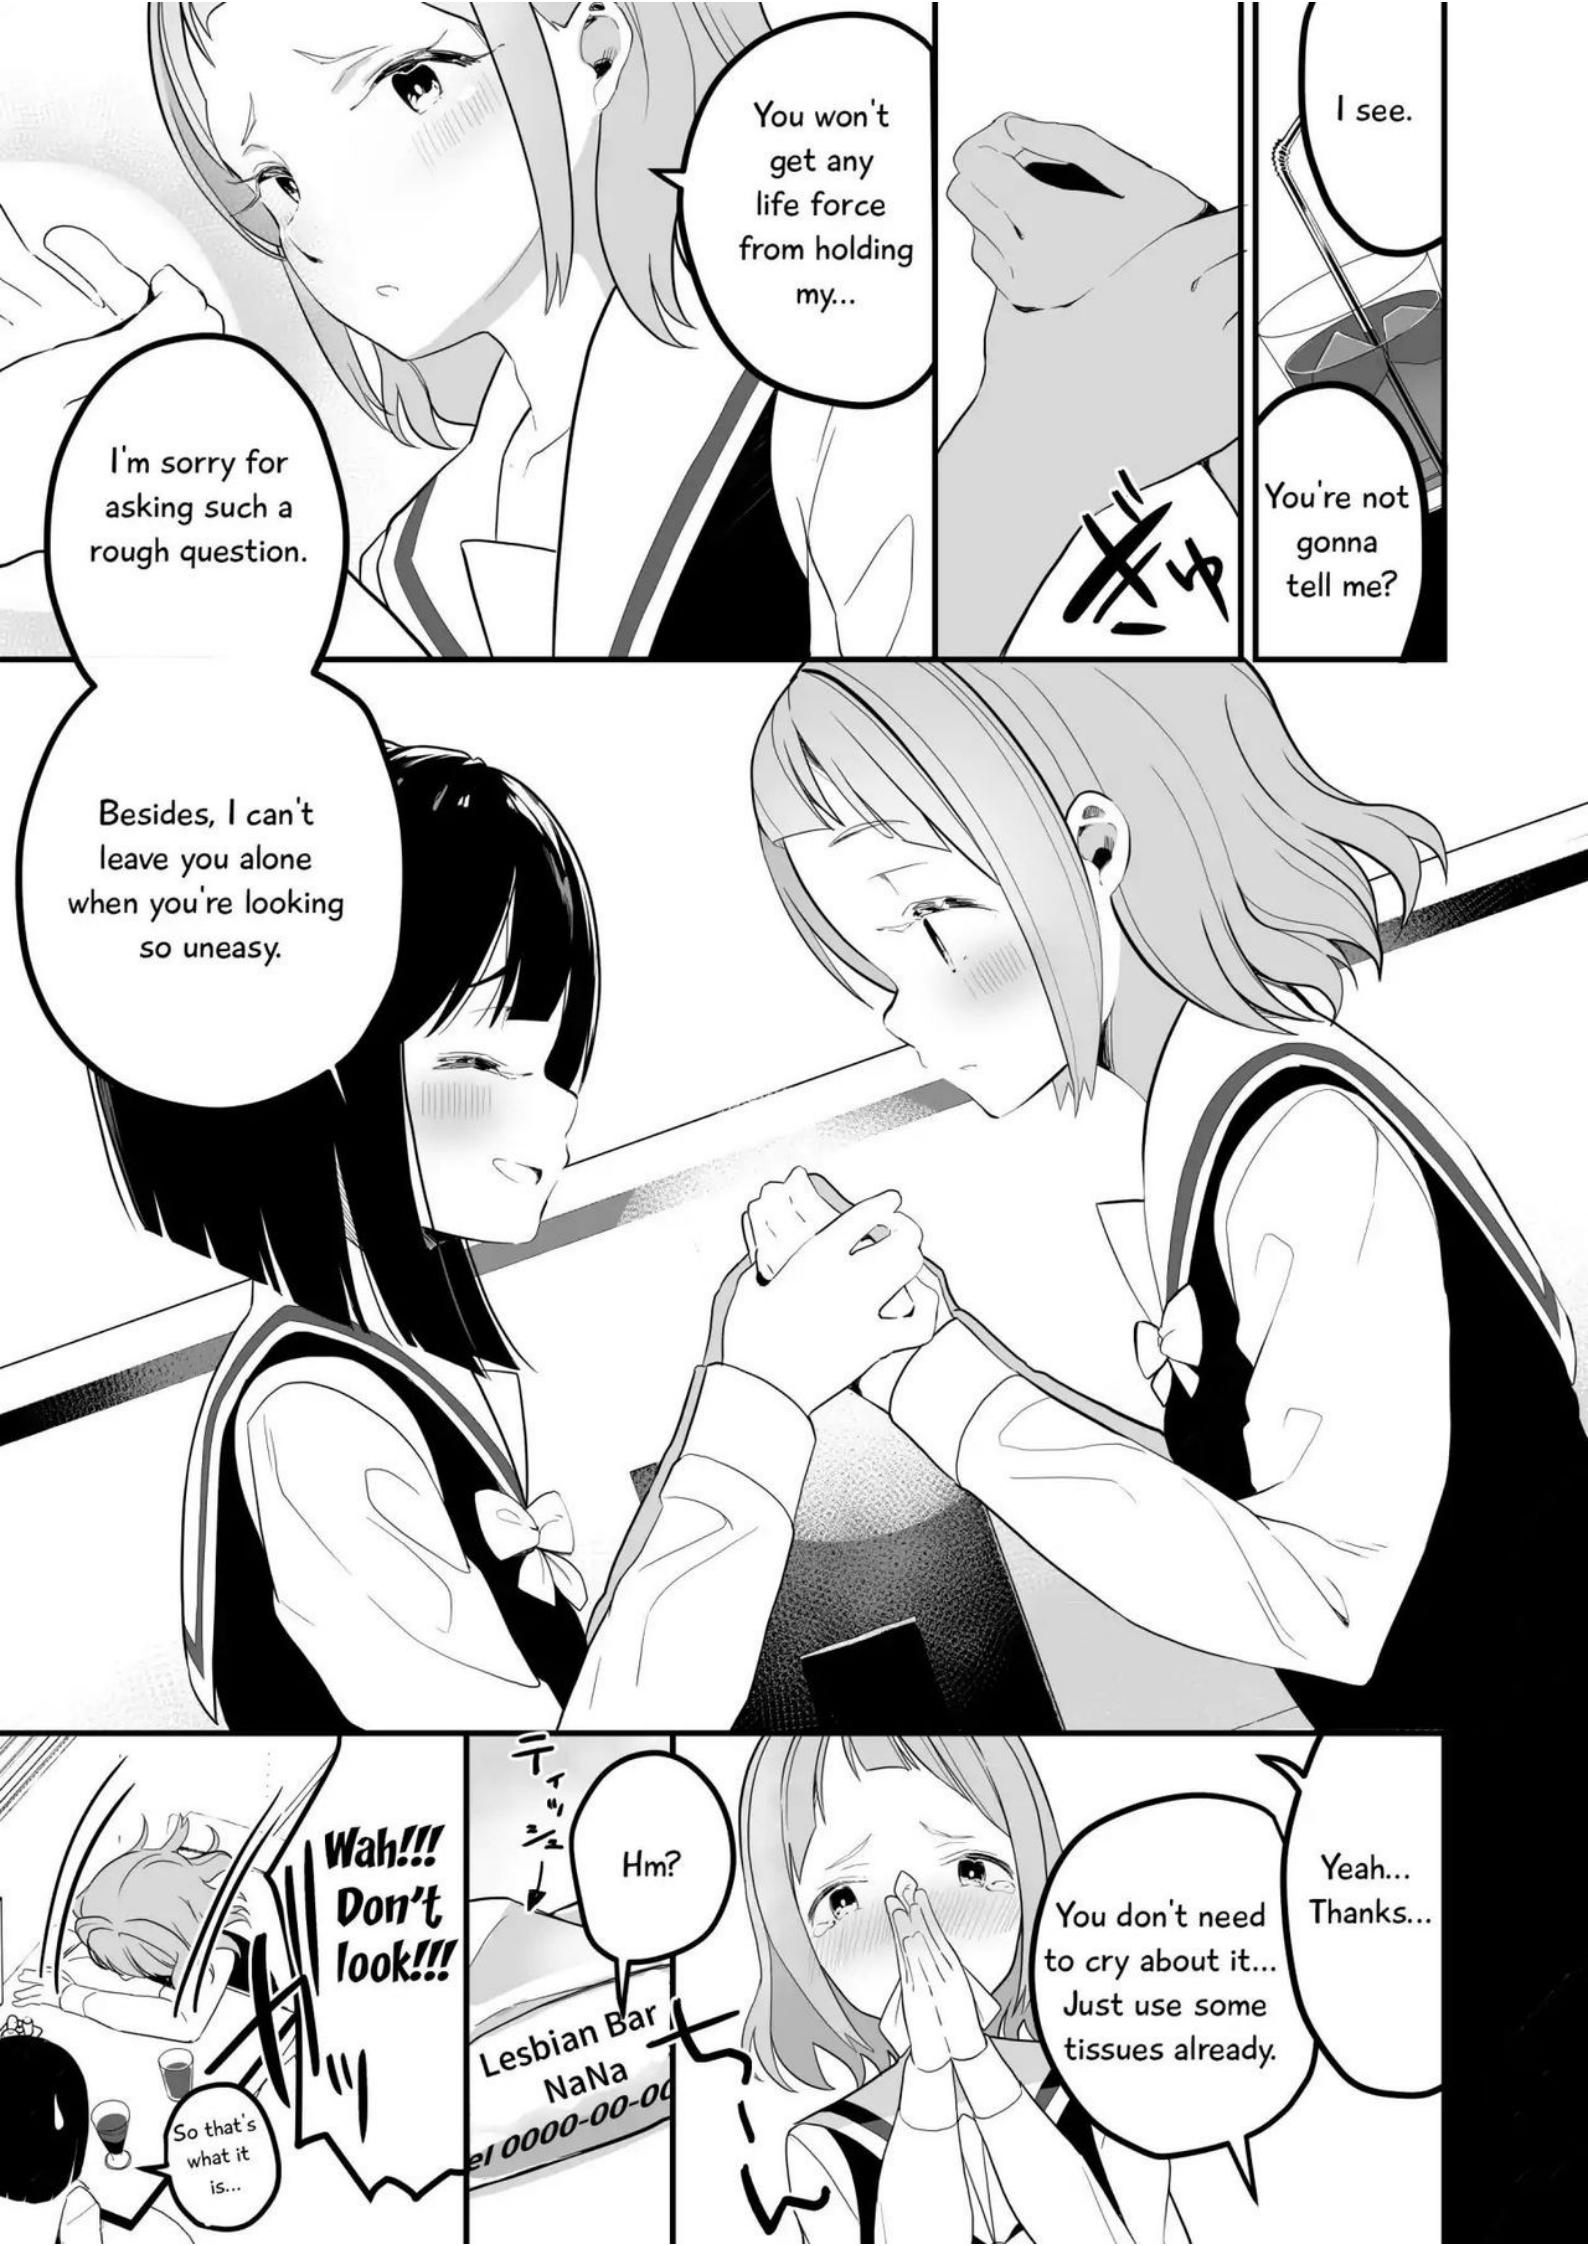
We've got a new transfer student joining us.
Come on in.
Okay.
Nirasaka Konomi
I moved here from Tottori.
I'm Nirasaka Konomi. Nice to meet you.
Well then, go sit at the desk over there.
Okay.
The hair is such a pretty color...

O-Ootsu Yukiko. Nice to meet you.
Nice to meetcha. What's your name?
Thank you...
Yukiko... That's a lovely name.
Sure.
Yukiko, let's go home together.
Sure. I need to go too.
Can we stop by the bathroom?
Ah~
Is she okay going with someone like me...?

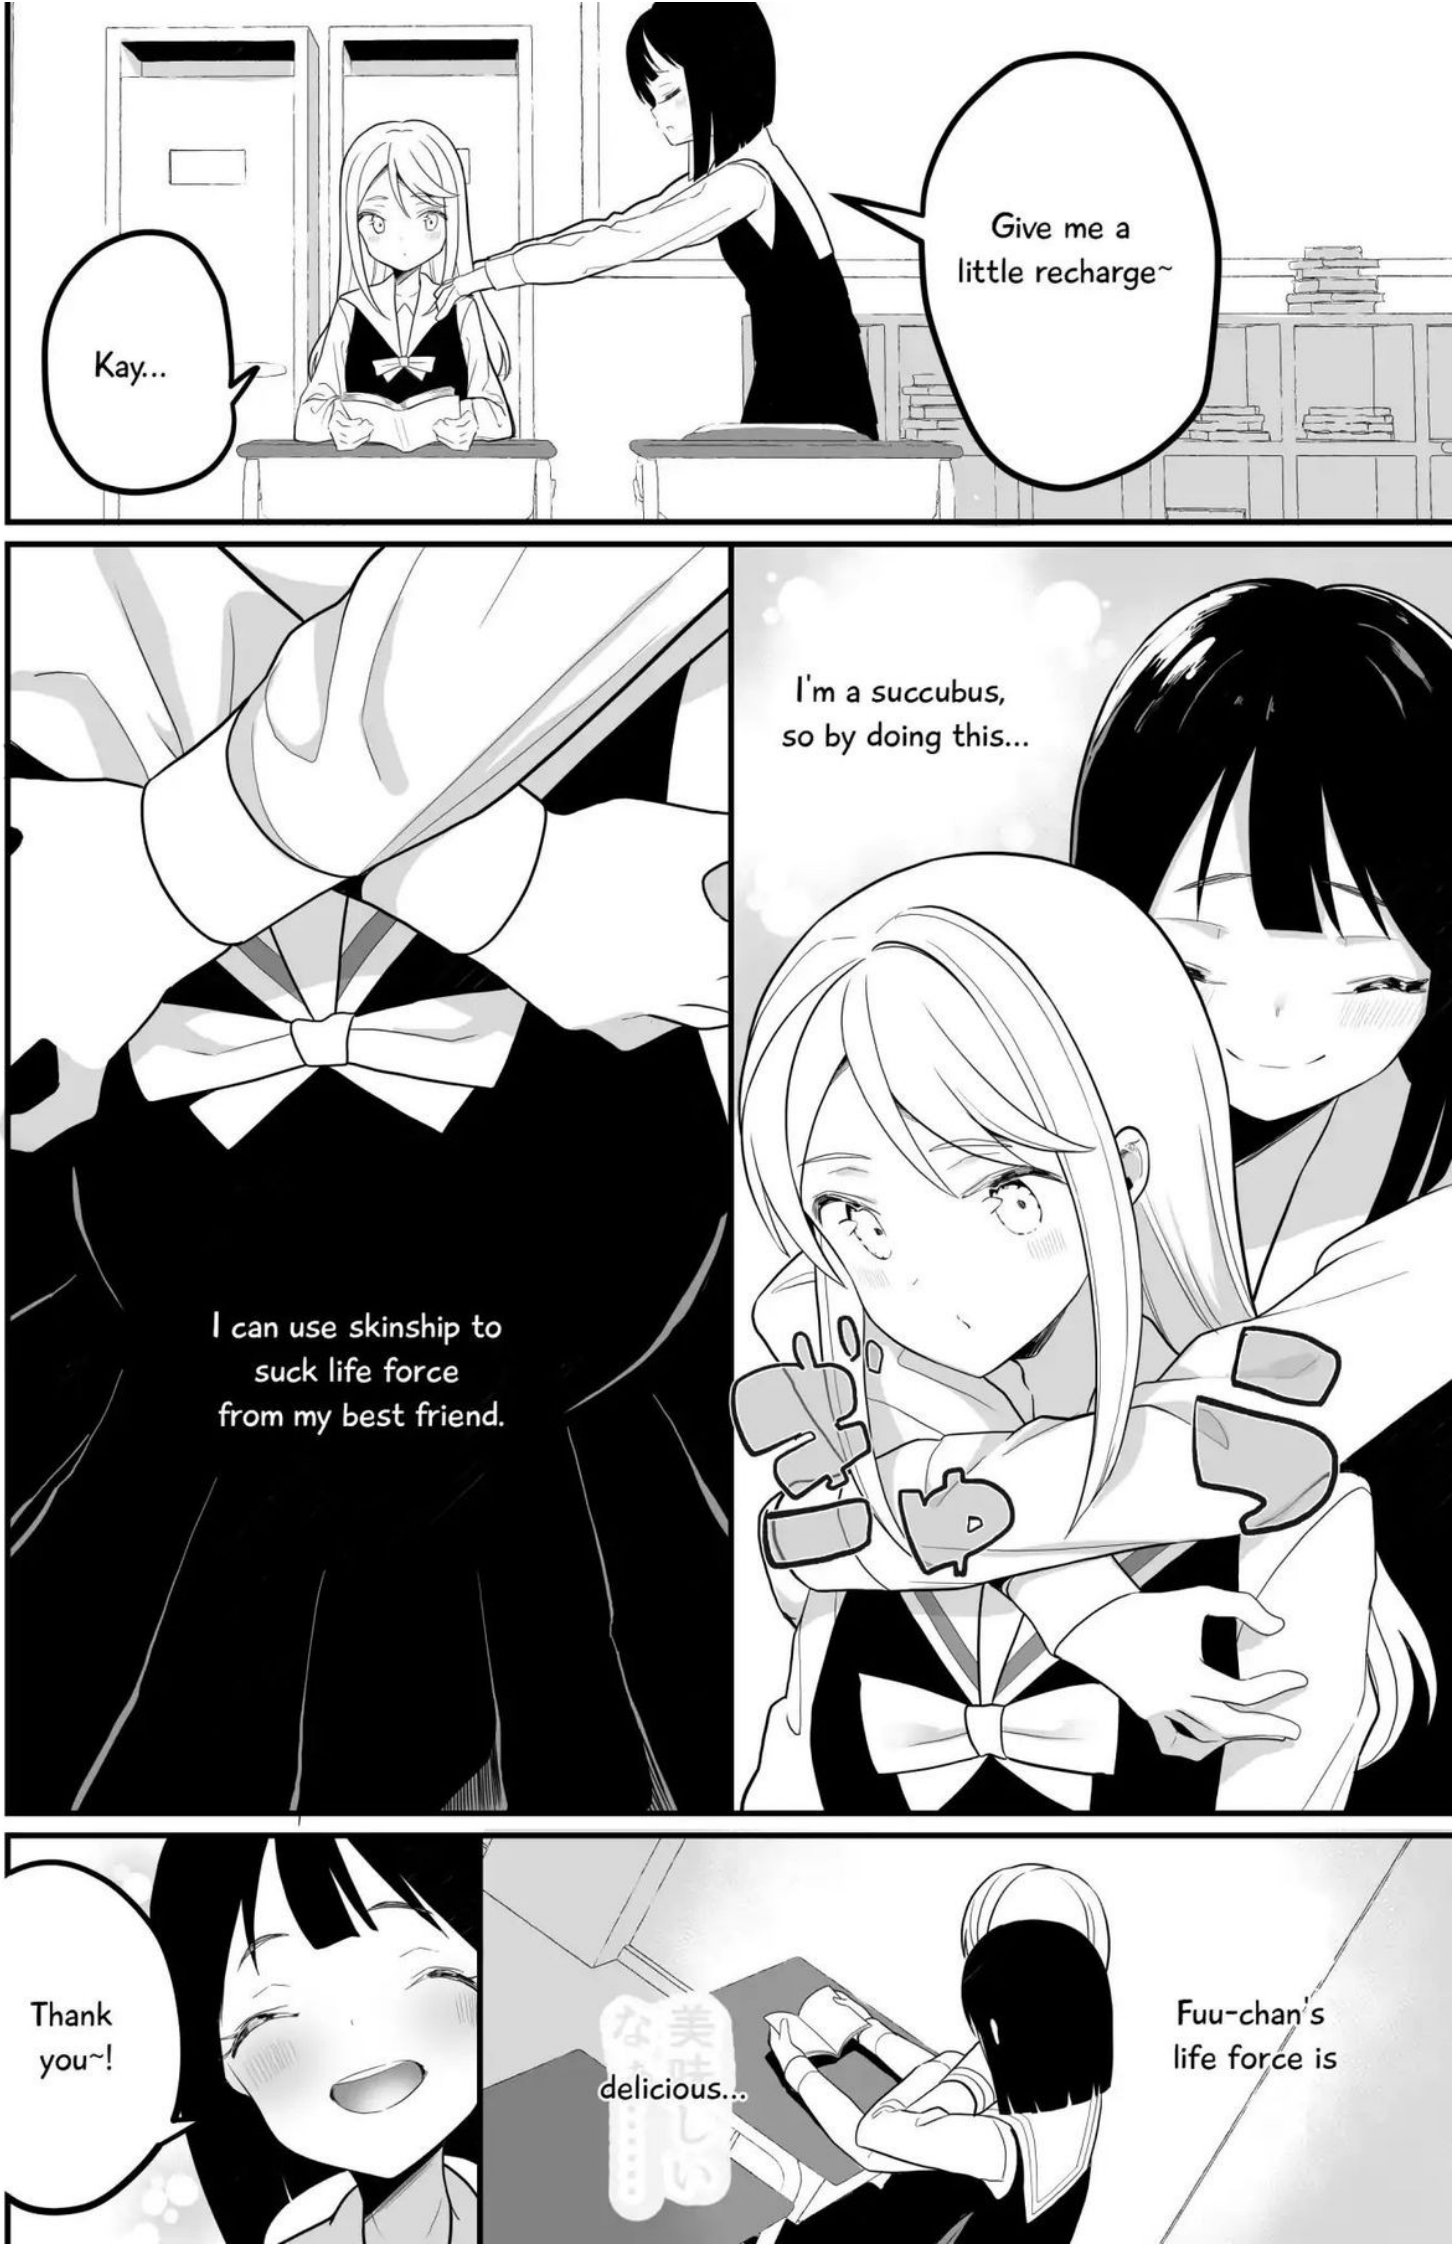
Nirasaka-san...
Why did you get in the same stall as me...?
Yes?
Well, y'see,
I'm
a succubus.
who really loves girls
Succubi can't create life force,
so we have to take it from girls in order to live.

I'm also a succubus...
Eeeh!?
You look delicious, Yukiko.
Give me some of your girl power.
Hey...
Wait...
Hm?
ゴッ
Succubi don't have any life force of their own so...
I can't suck anything!
Sorry for the trouble...
I'm also kinda sorry...
I made a succubus friend.

Eh!?
Then what do you do?
Both succubi
I don't attack people to begin with.
Don't want to cause disorder, after all.
What kind of girls do you attack, Yukiko?
Cafeレス
and hold my friends' hands.
ギゅっ
I give hugs
ギュっ
Aah! I see! So you can do it that way!
How do you normally suck life force...?
I don't want to say...

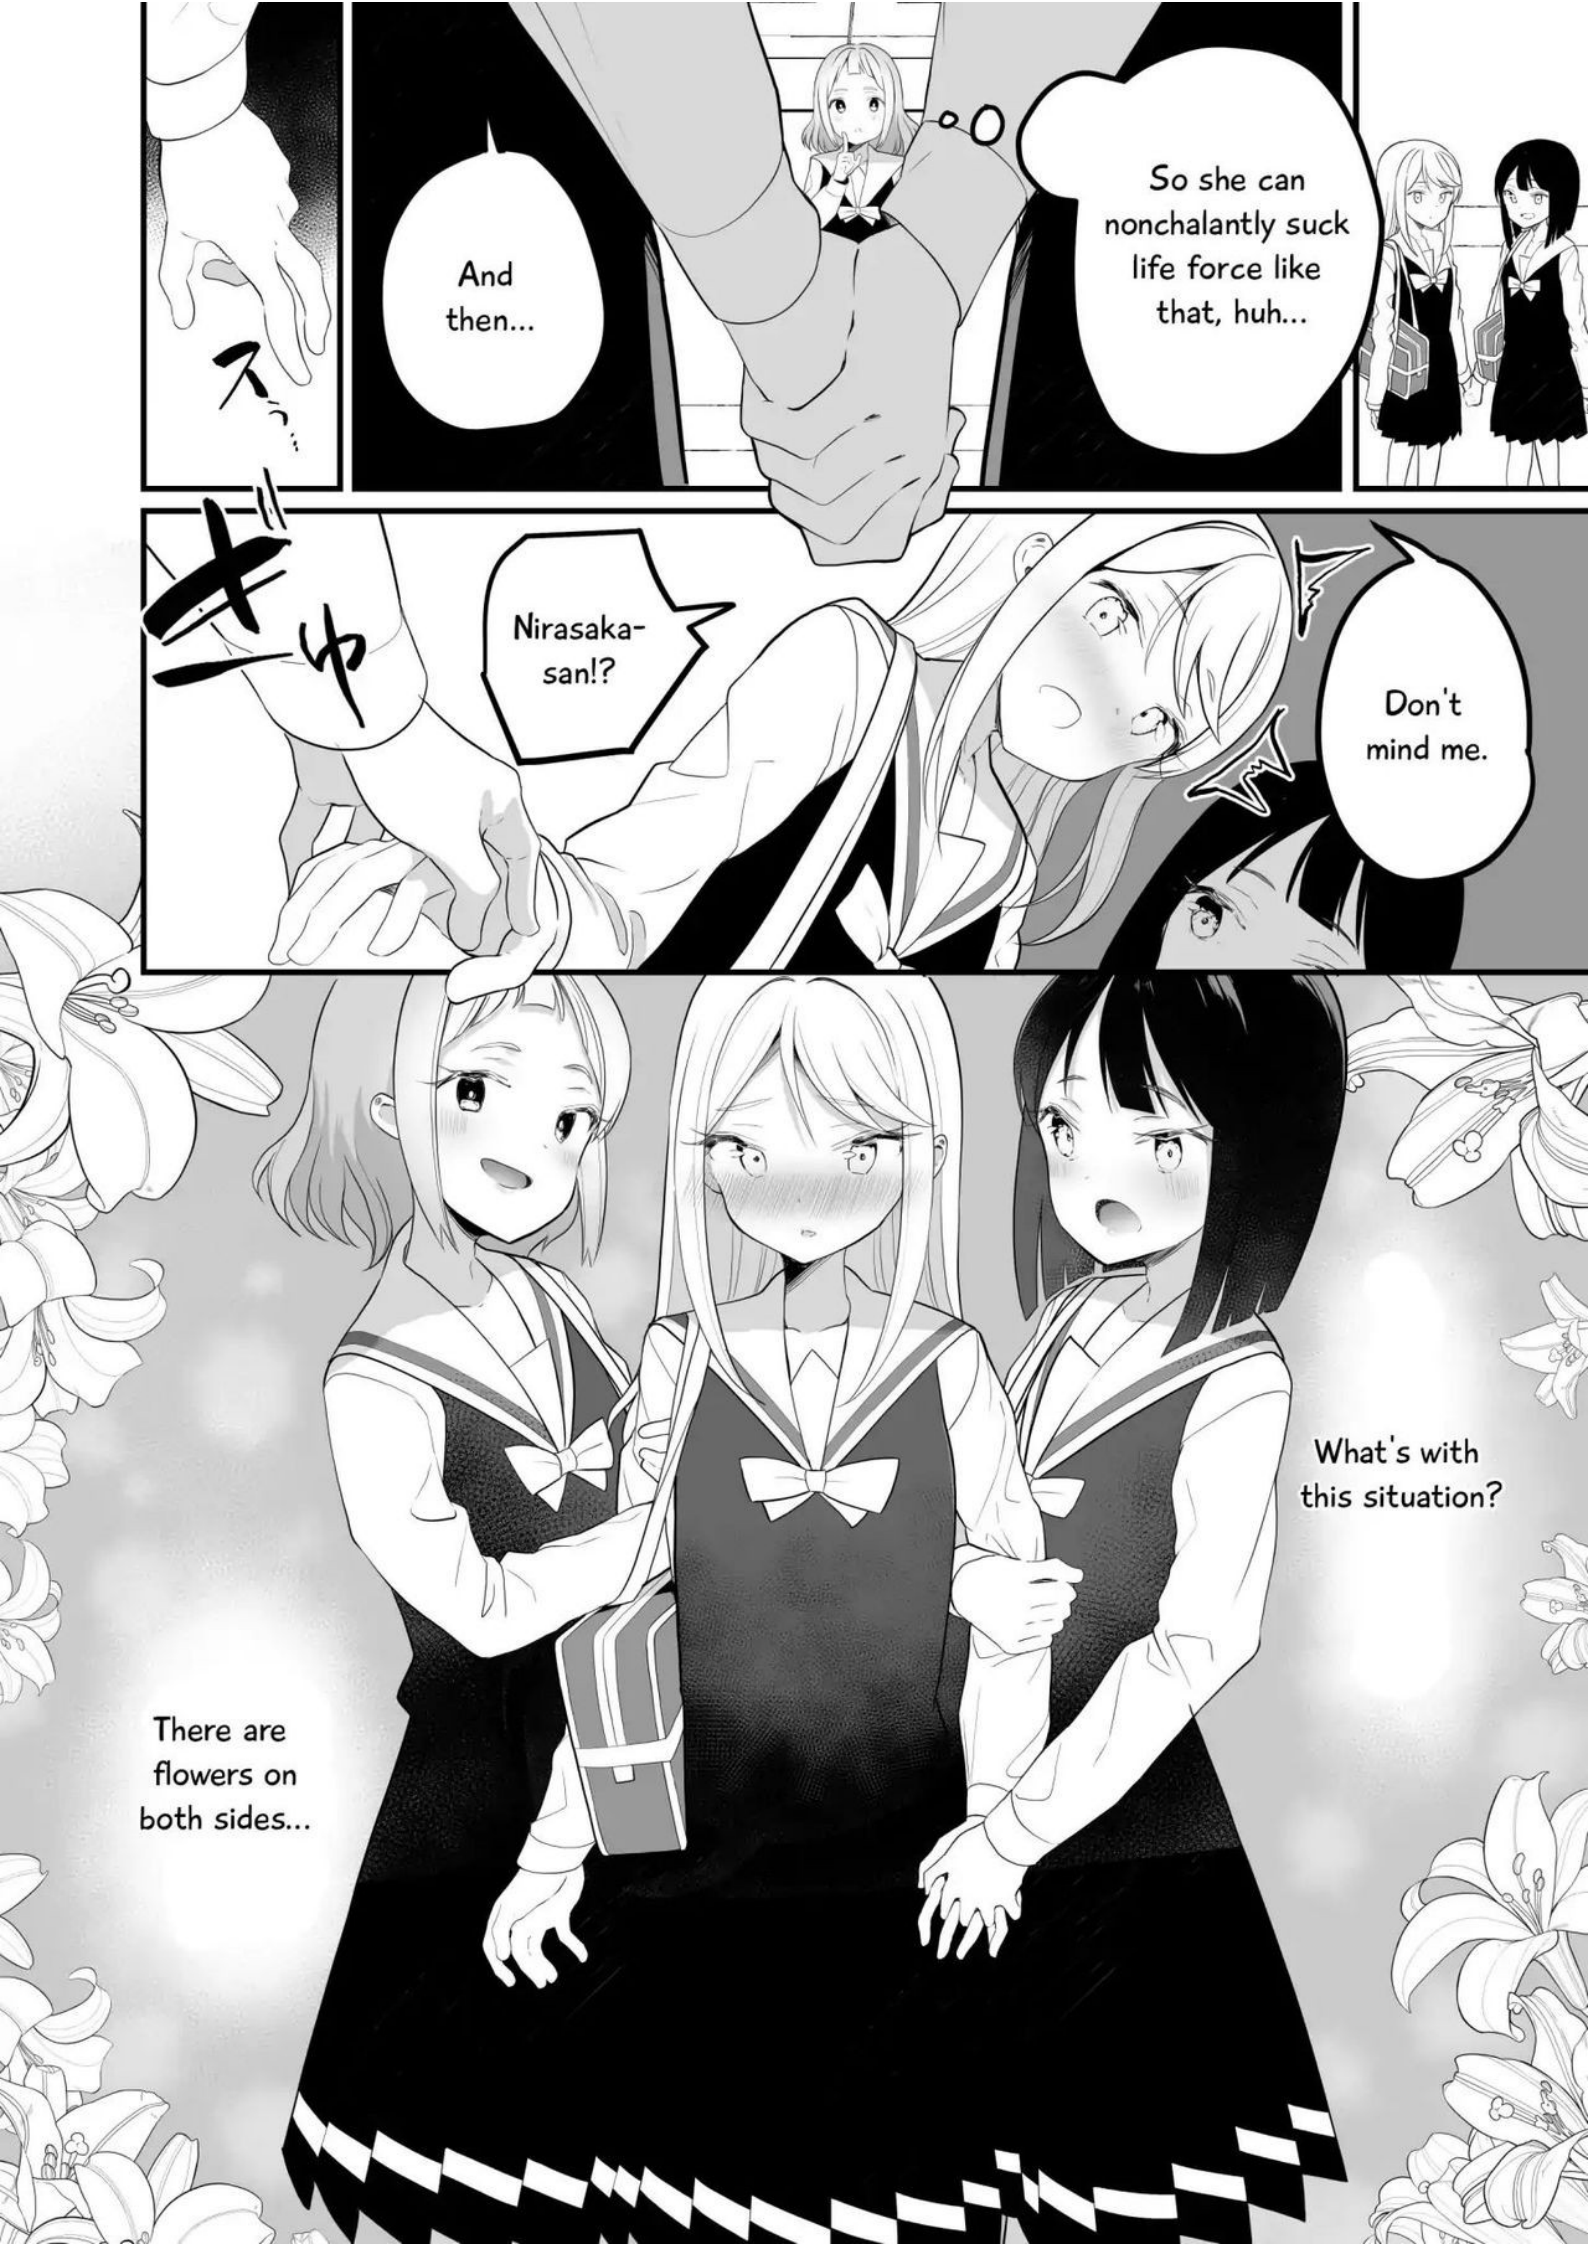


You won't get any life force from holding my...
I see.
You're not gonna tell me?
I'm sorry for asking such a rough question.
Besides, I can't leave you alone when you're looking so uneasy.
Yeah... Thanks...
You don't need to cry about it... Just use some tissues already.
Hm?
ティッシュ
Lesbian Bar NaNa
Wah!!! Don't look!!!
So that's what it is...

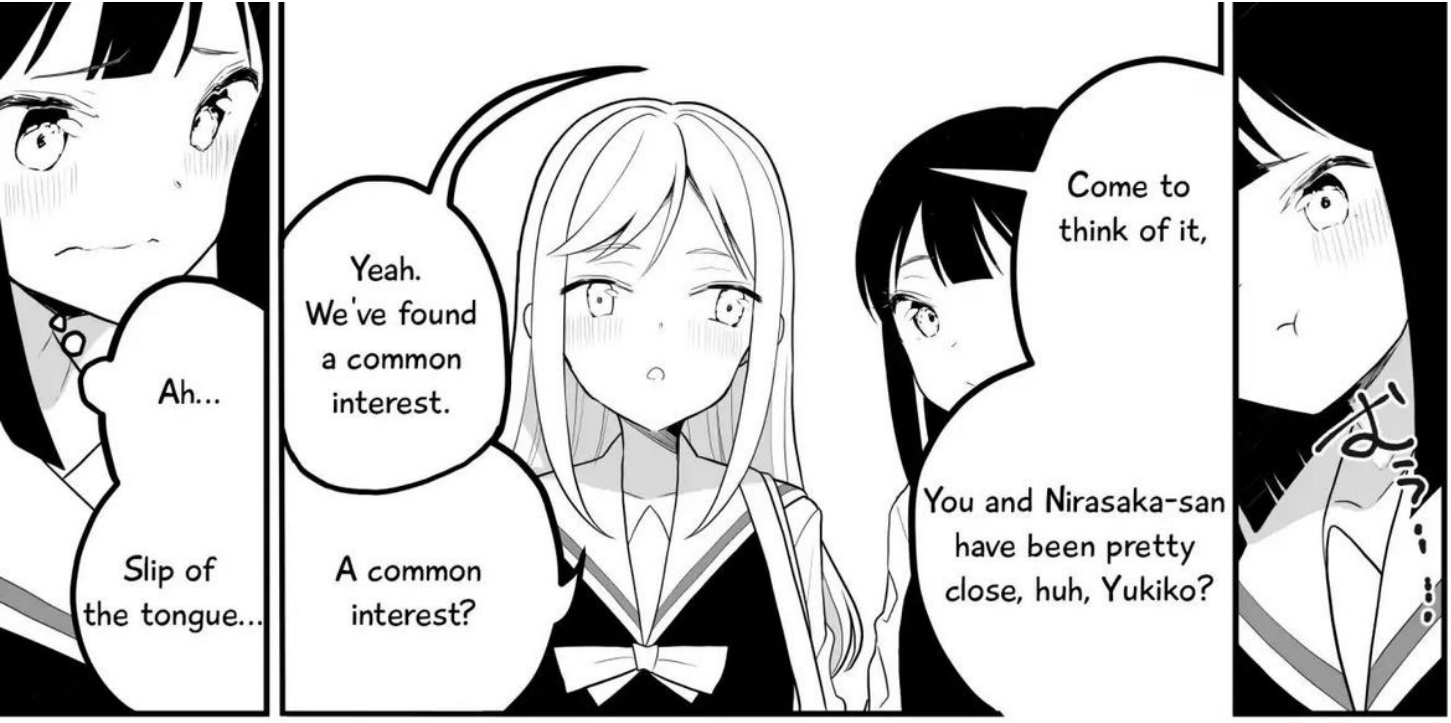


Give me a little recharge~
Kay...
I'm a succubus, so by doing this...
I can use skinship to suck life force from my best friend.
Fuu-chan's life force is
美味しい
delicious...
Thank you~!

That'll be 100 yen.
You're charging me!?
Aah...
I guess it would look like I was selling my body...
Doesn't want to pay
...Wouldn't paying you make you a prostitute...?
Alright, 500 yen.
You jacked up the price!?
This is an exception.
She treated her to a crepe.

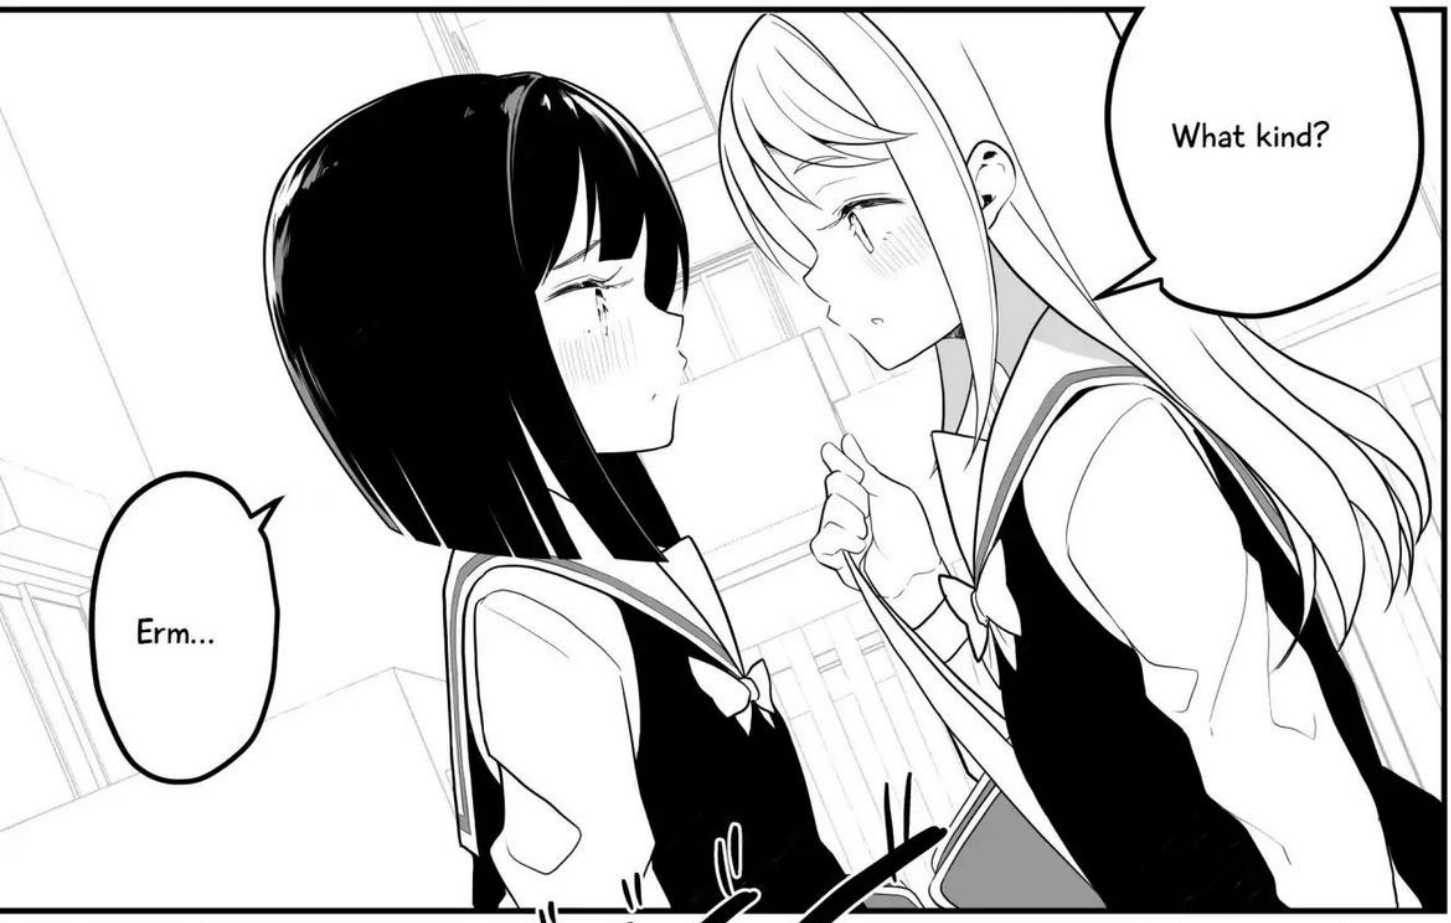


スッ…
And then…
So she can nonchalantly suck life force like that, huh…
ギュ
Nirasaka-san!?
Don't mind me.
There are flowers on both sides…
What's with this situation?



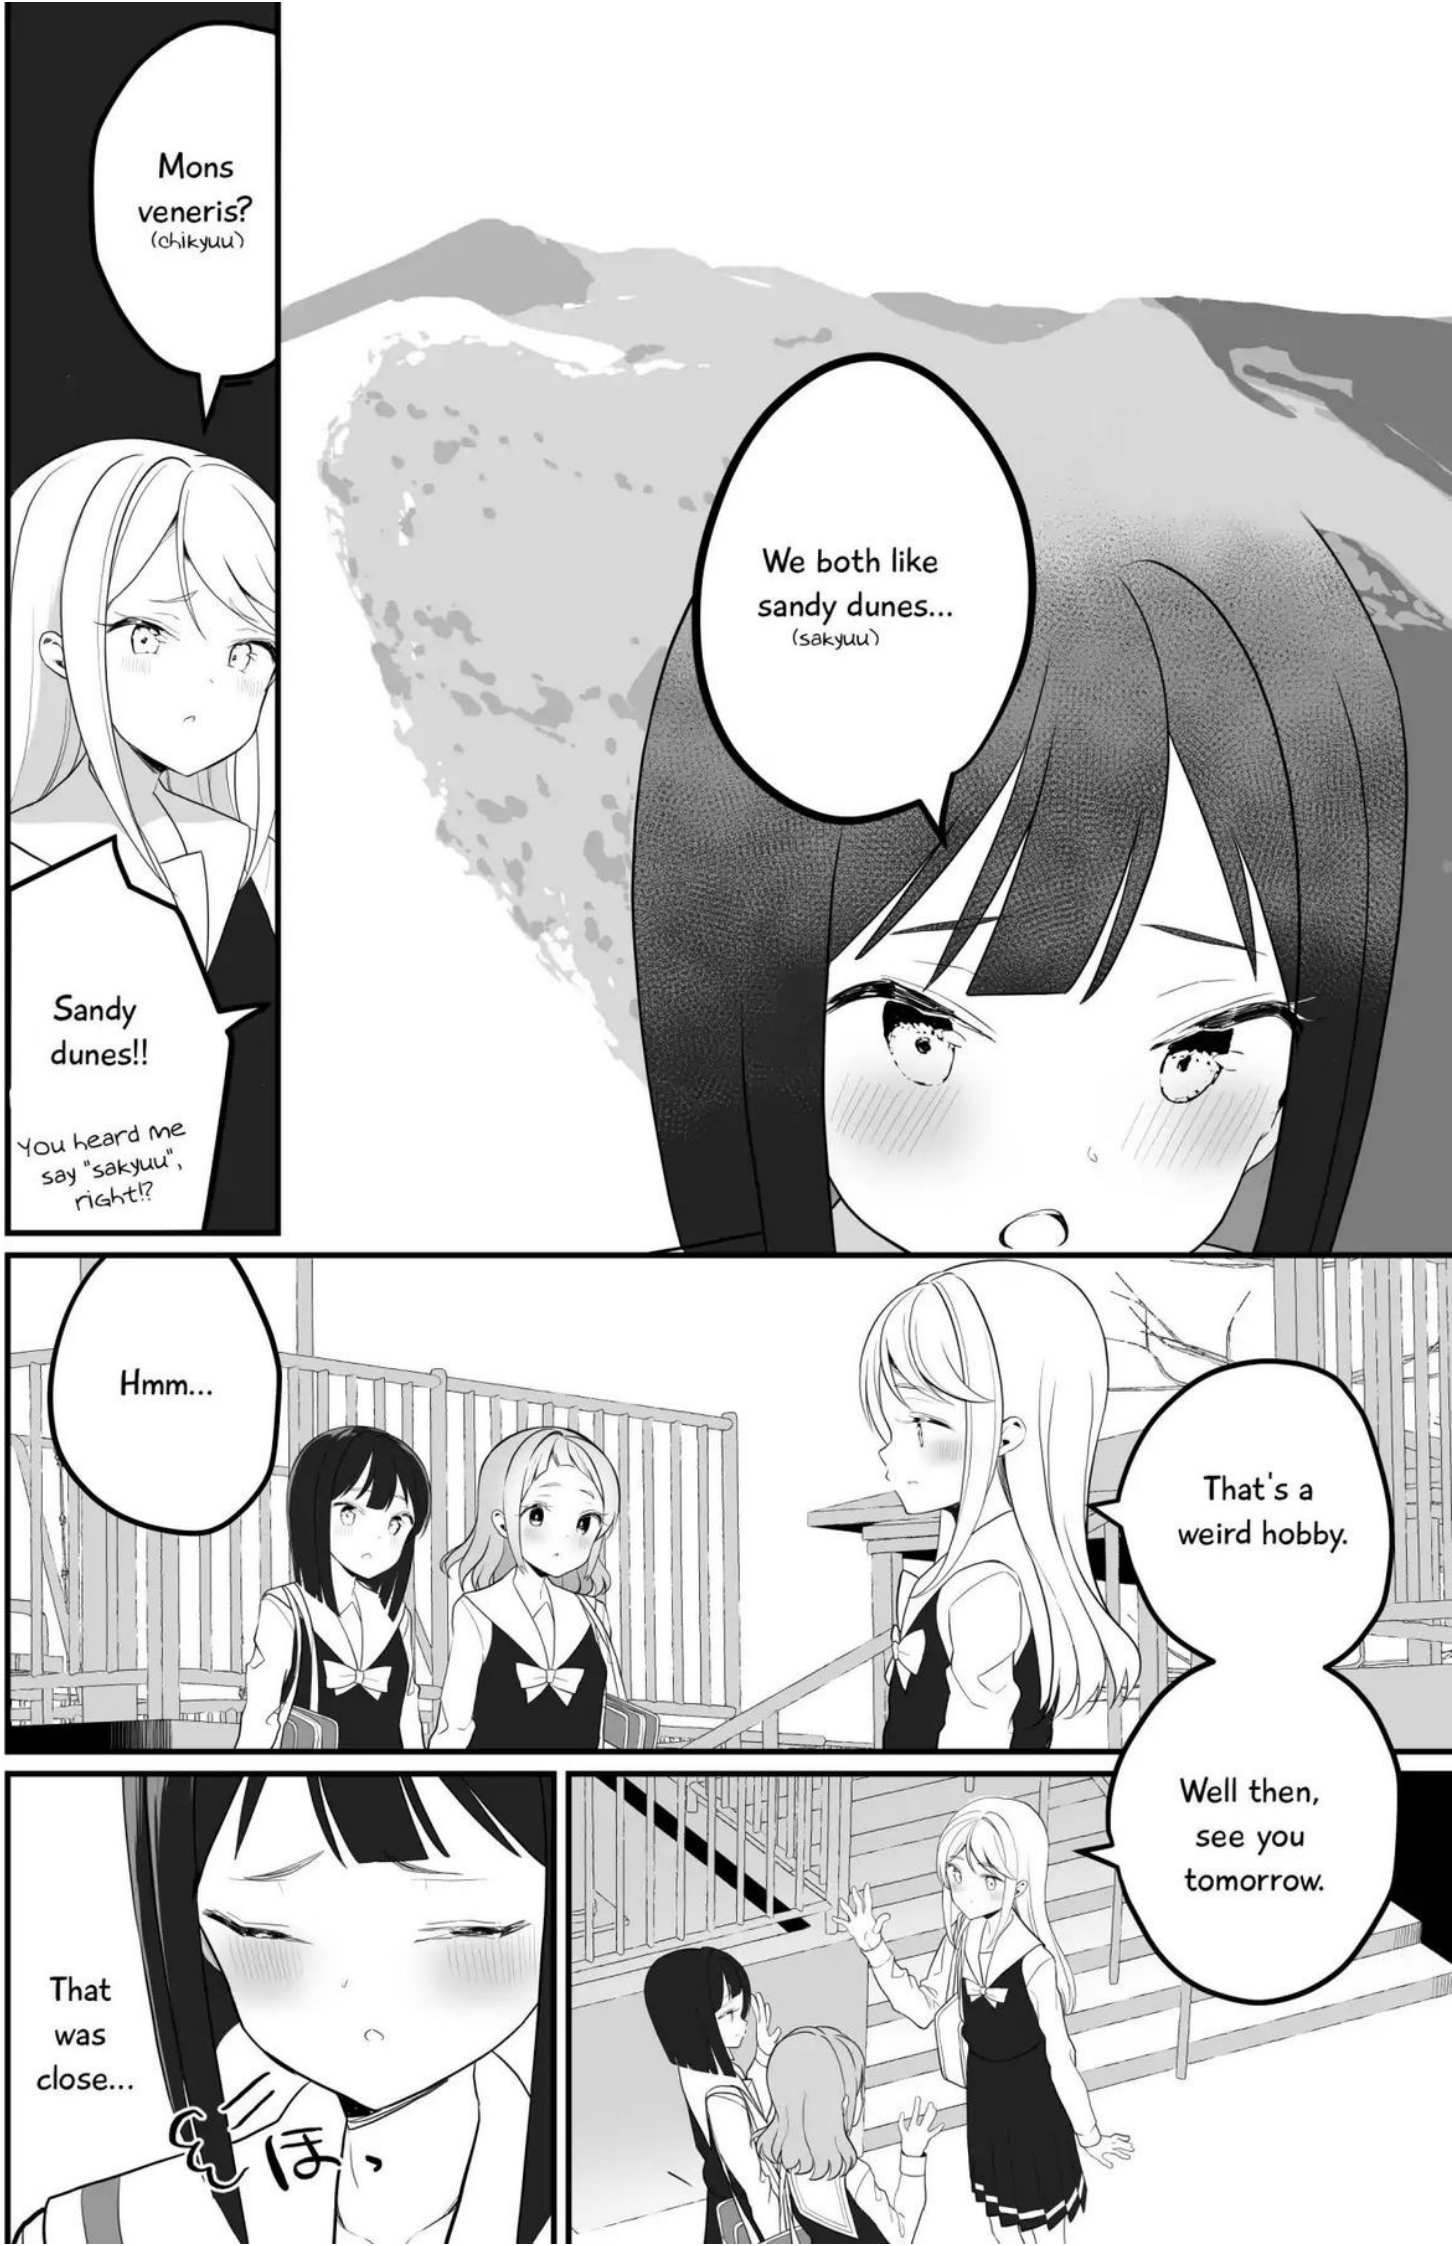
Ah...
Slip of the tongue...
Yeah. We've found a common interest.
A common interest?
Come to think of it,
You and Nirasaka-san have been pretty close, huh, Yukiko?
Hmm...

she's gonna find out that we're succubi...

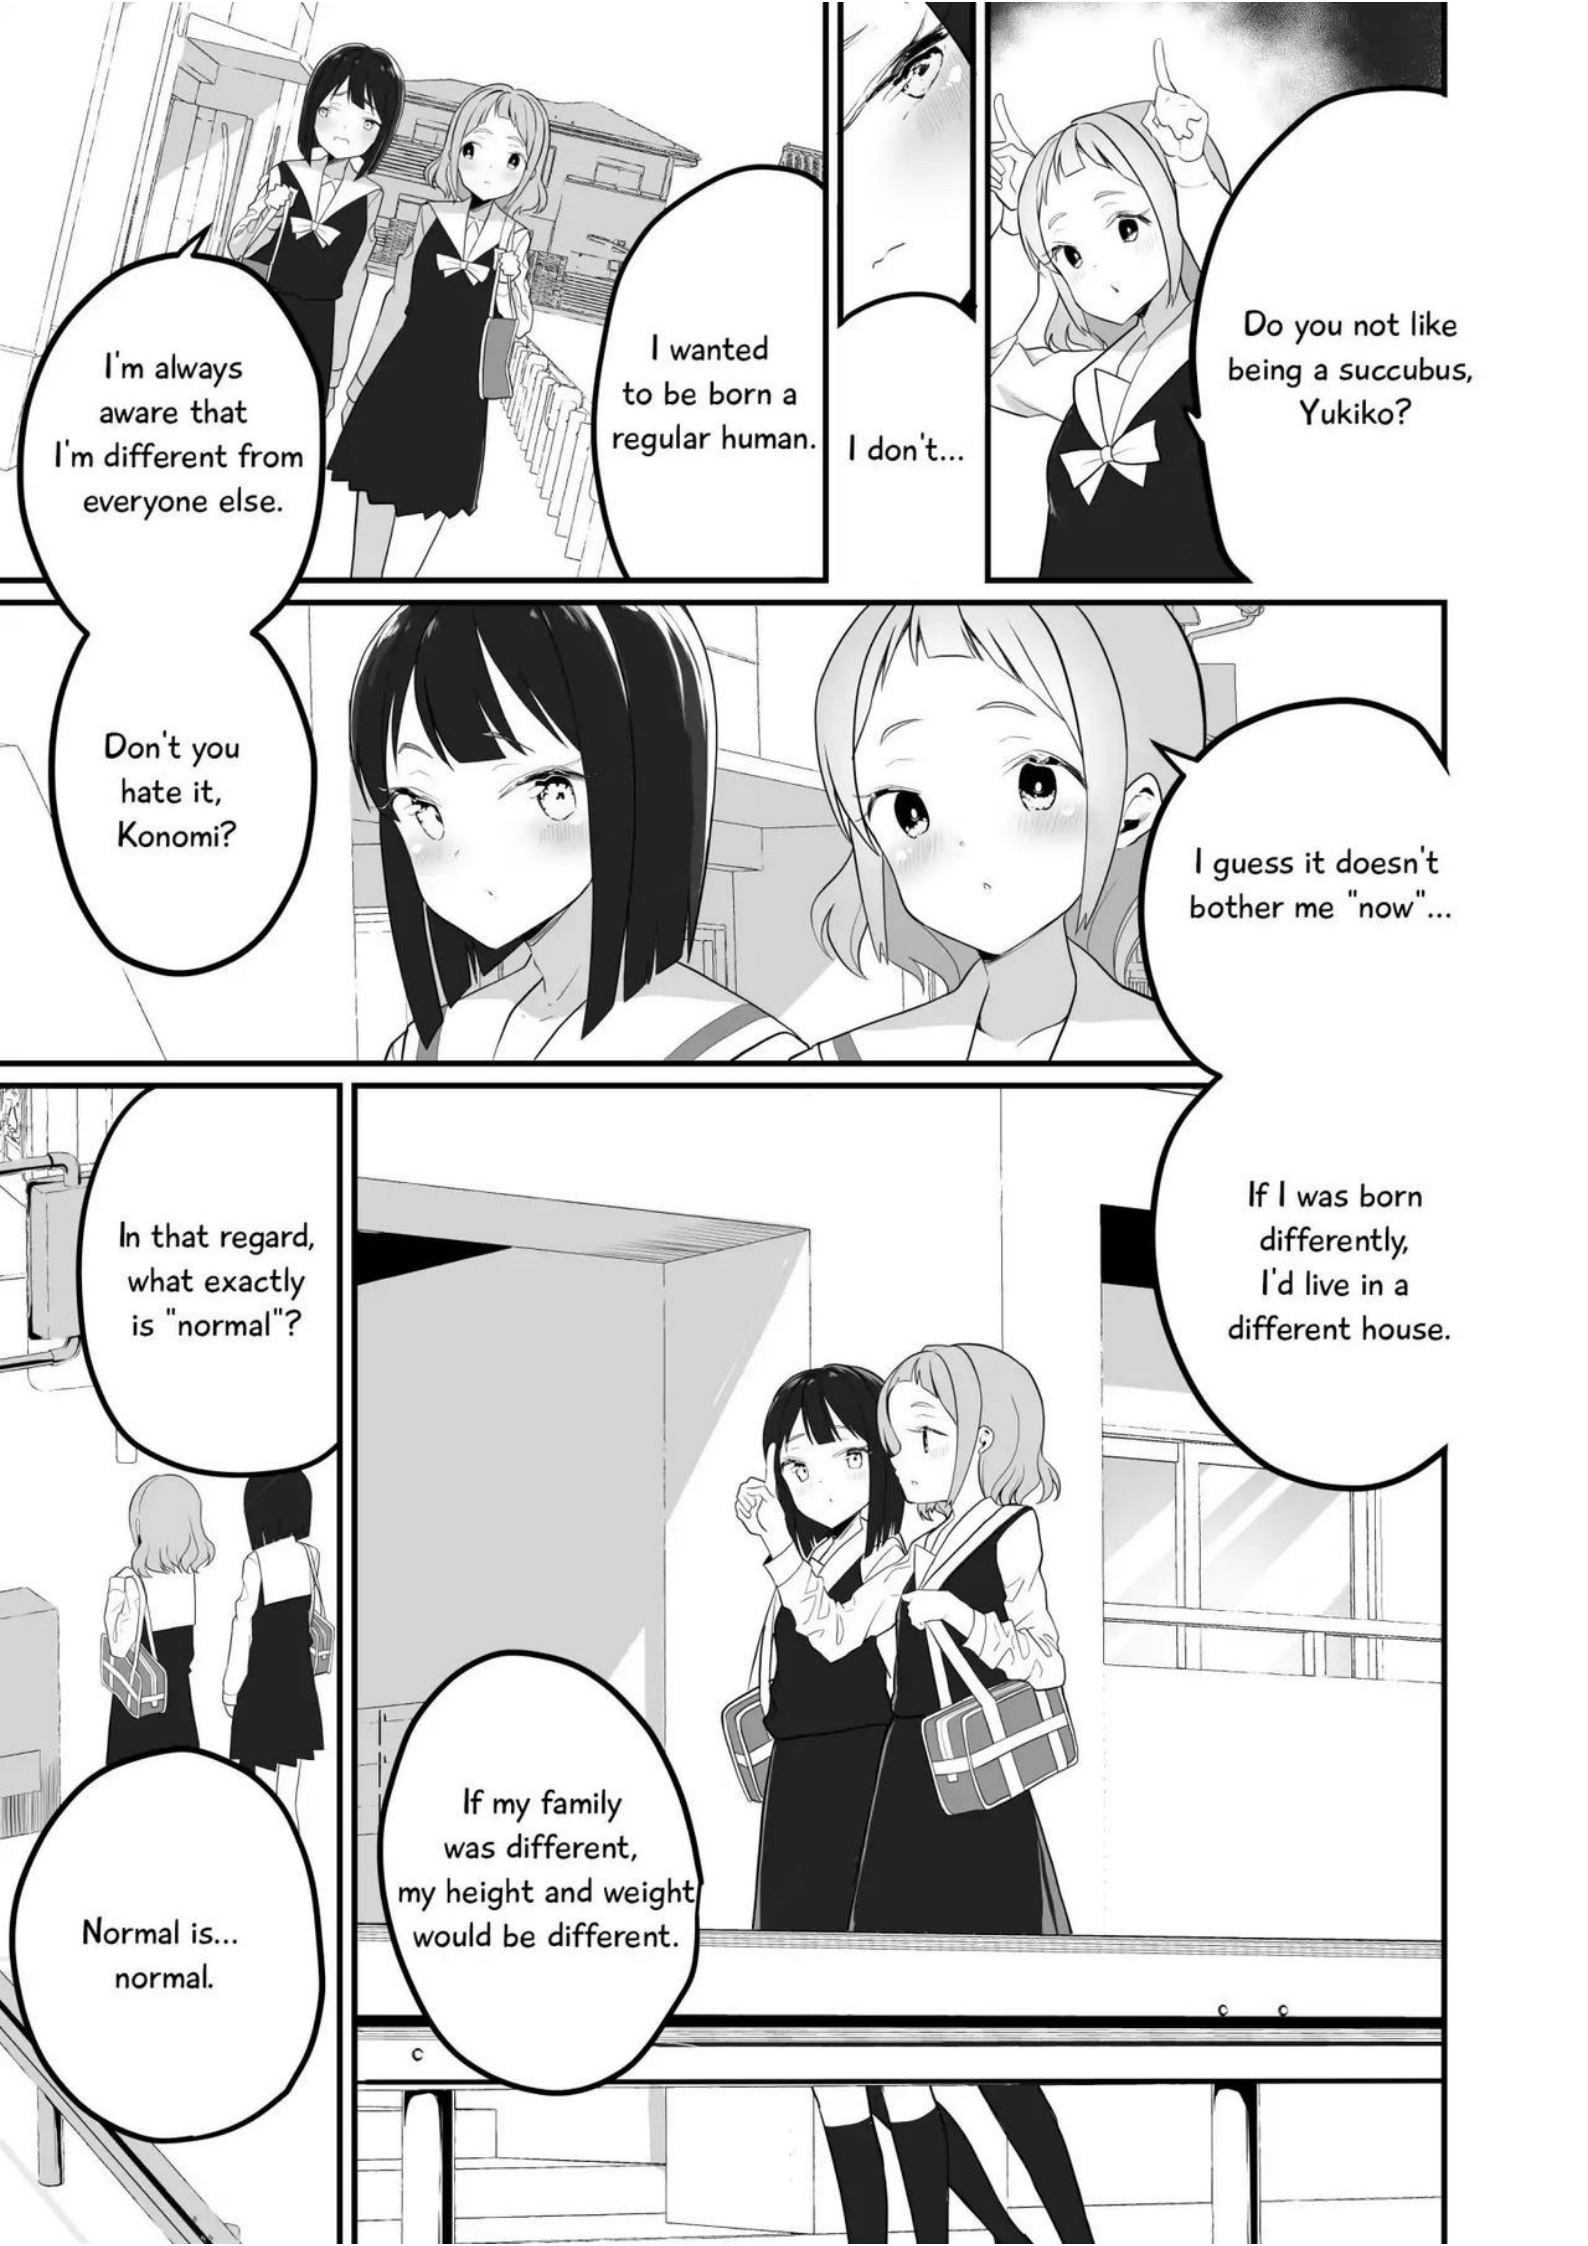


What kind?
Erm...

Succu...?
Succu...
What kind?



Mons veneris? (chikyuu)
Sandy dunes!!
You heard me say "sakyuu", right!?
We both like sandy dunes... (sakyuu)
Hmm...
That's a weird hobby.
Well then, see you tomorrow.
That was close...
ほっ



I'm always aware that I'm different from everyone else.
I wanted to be born a regular human.
I don't...
Do you not like being a succubus, Yukiko?
Don't you hate it, Konomi?
I guess it doesn't bother me "now"...
In that regard, what exactly is "normal"?
If I was born differently, I'd live in a different house.
Normal is... normal.
If my family was different, my height and weight would be different.

If succubi aren't considered normal...
Hm...
Then to me,
Yukiko is normal
and the rest of humanity is weird.
Fufu...
I feel so much more optimistic when I'm with you, Konomoi.
Right~
I SUDDENLY
HAD A POWERFUL THOUGHT THAT KONOMI'S HAND...
LOOKED DELICOUS.

さわ。
Are you hungry, Yukiko?
Ah, sorry...
I think I might be... a little hungry...
Your face is all red. Are you okay?
Eh?
Huh?
Isn't she a bit too close?

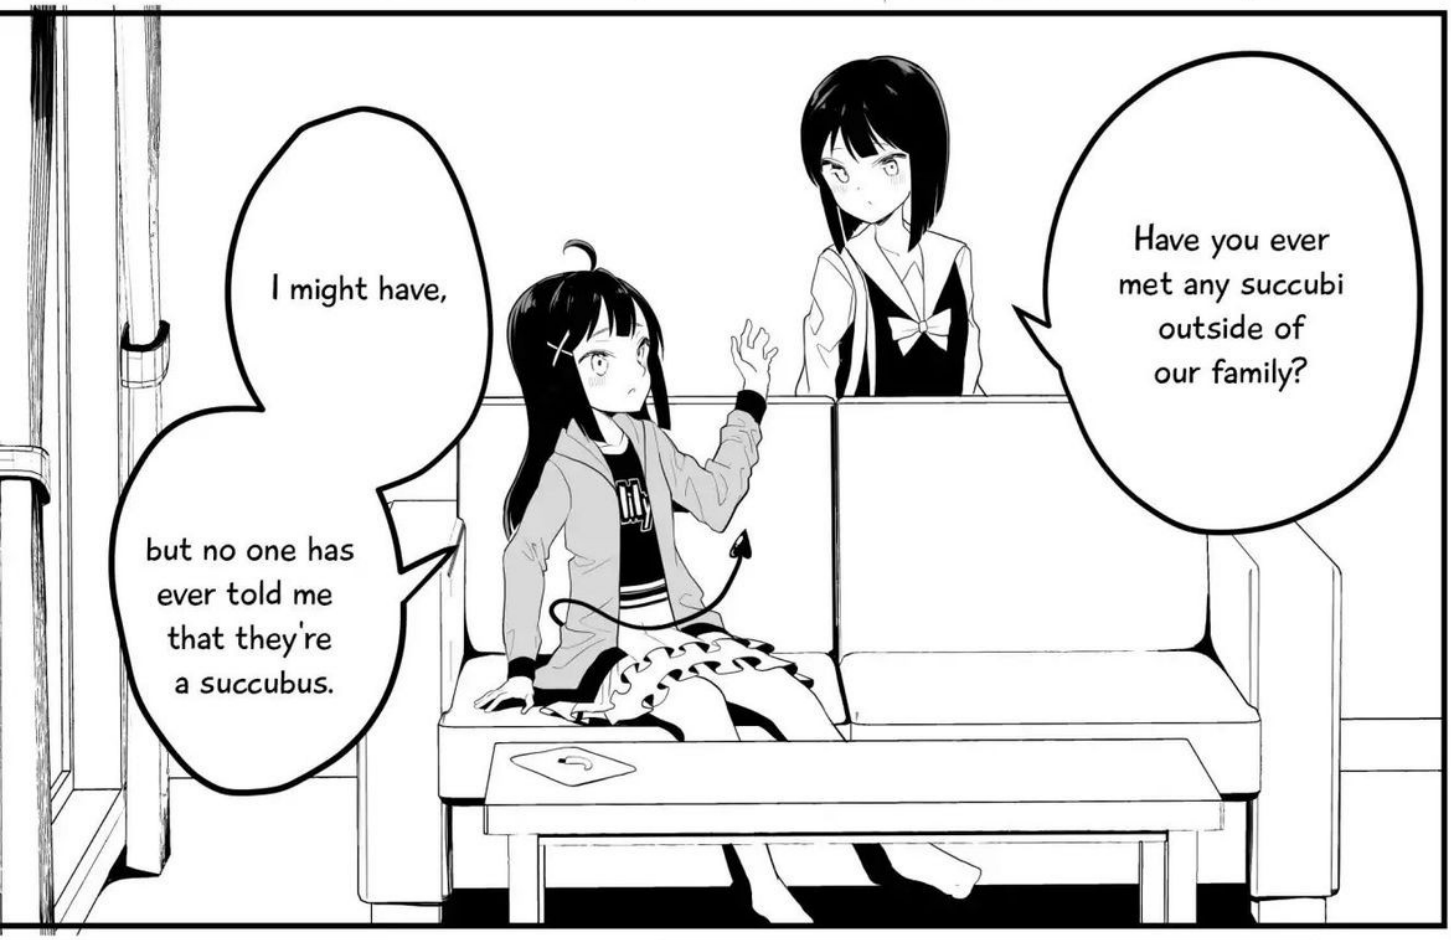
I'll be fine!
Is that so...? Okay. See you tomorrow.

I'm fine! I'll work things out when I get home!
But...

If I go home...
I'll work things out...

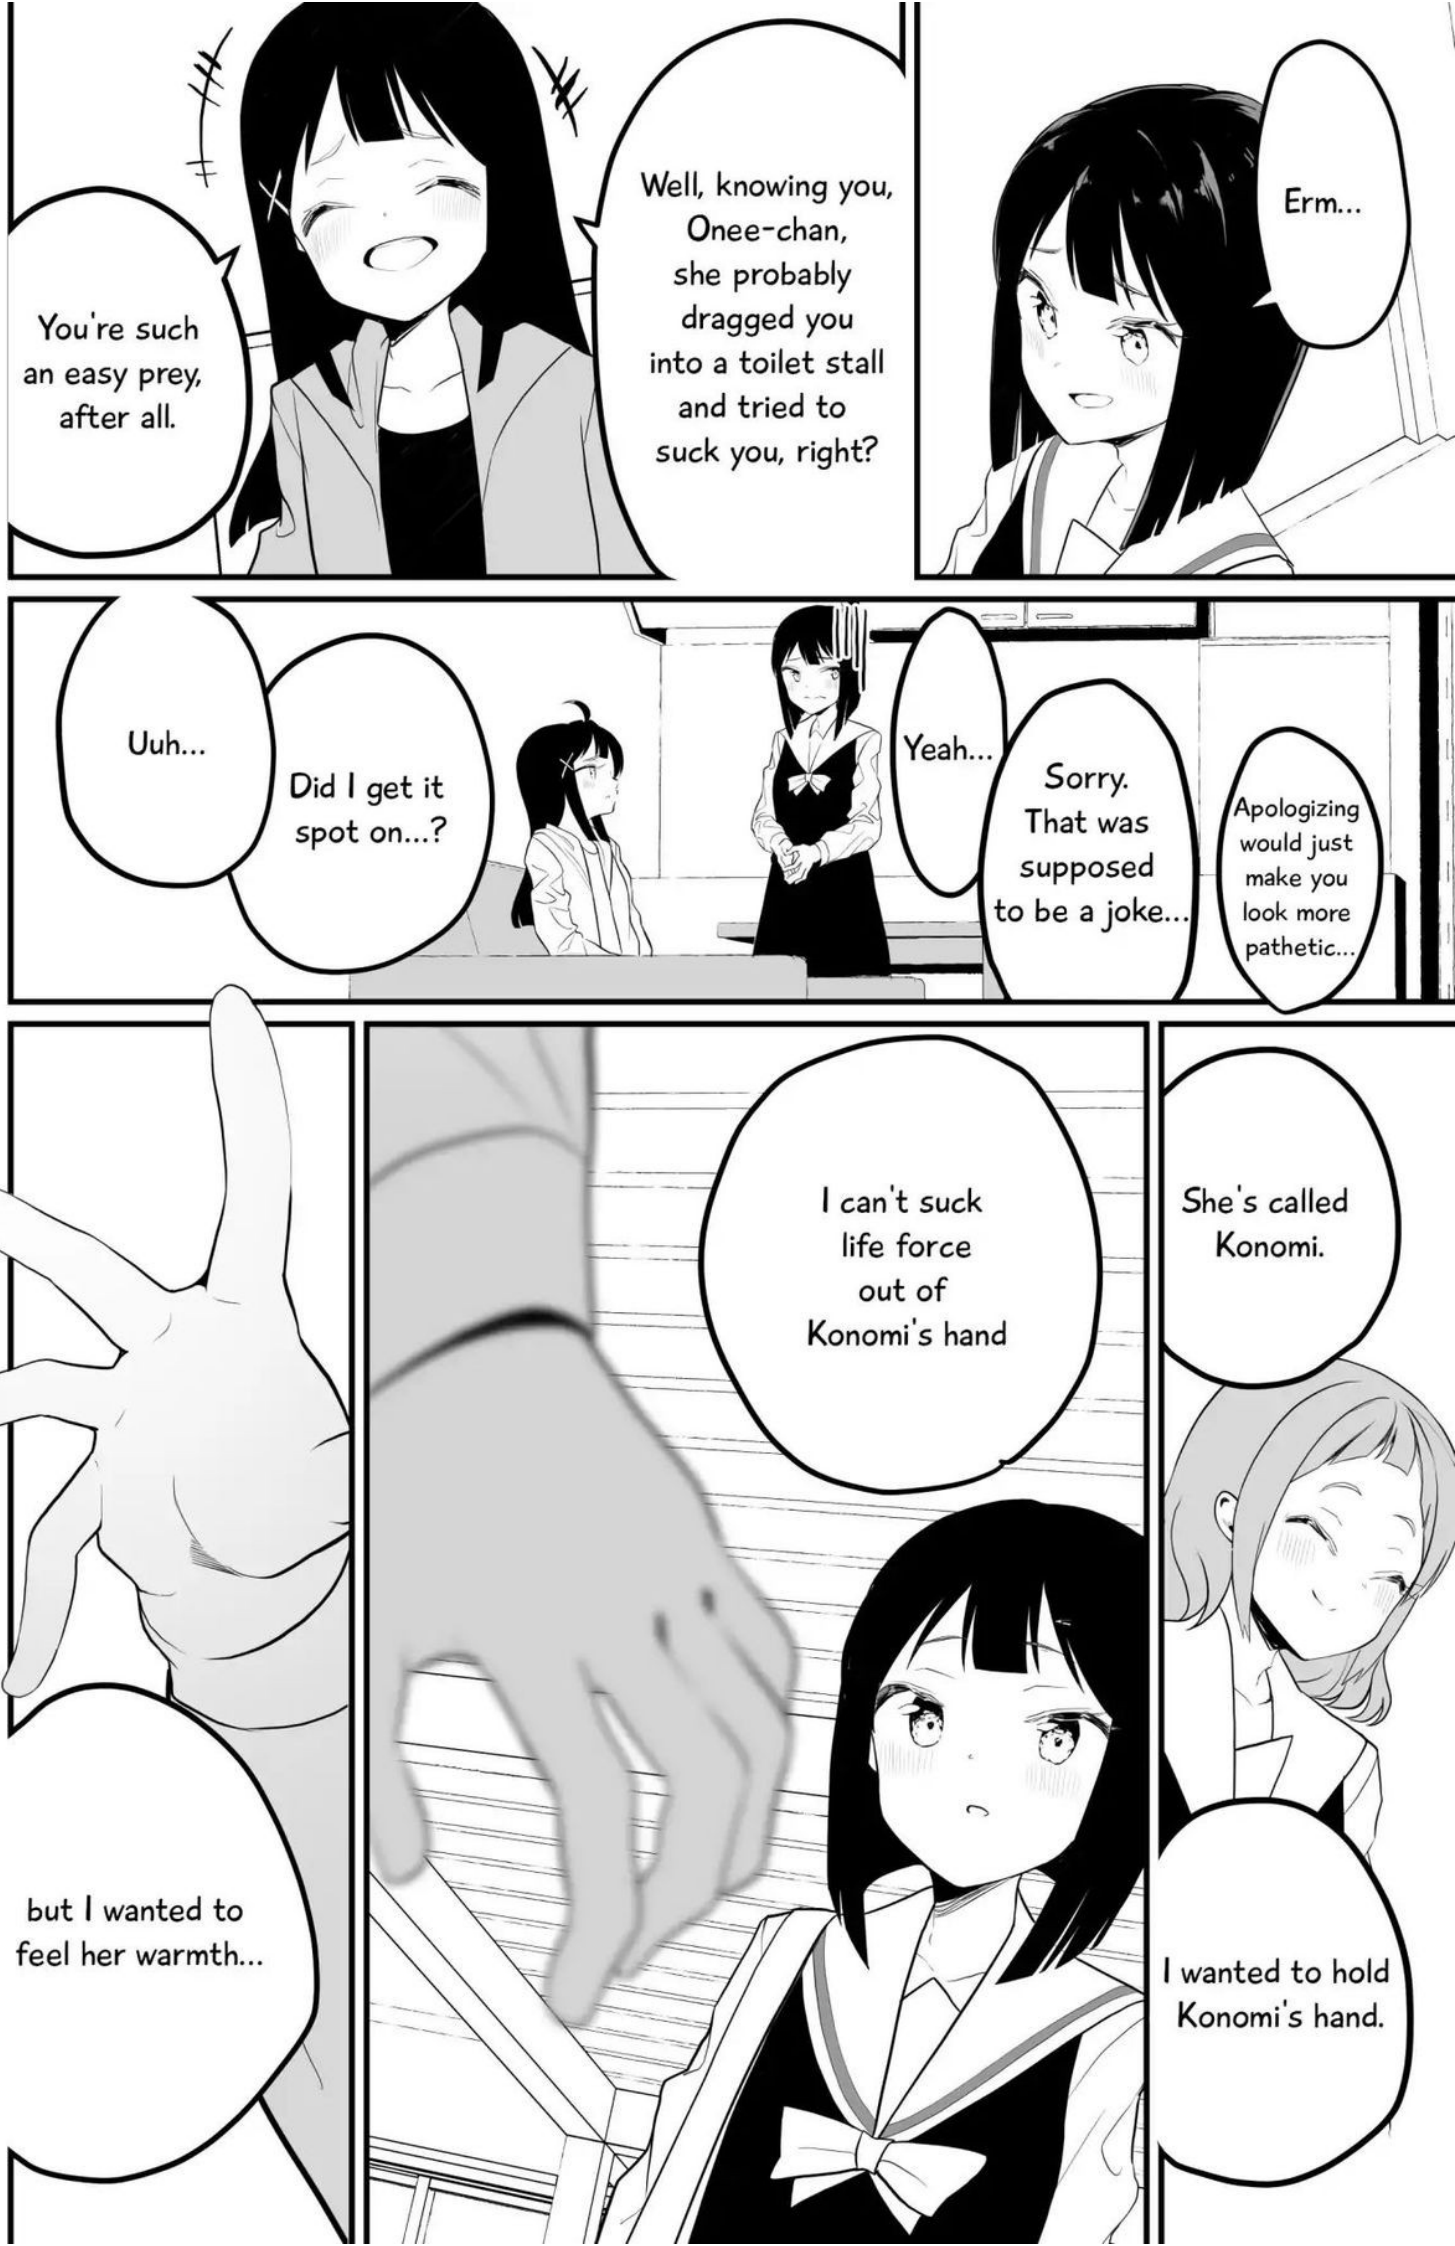
If I don't look at Konomi...

Hey, Aki.
What is it, Onee-chan?
Welcome back, Onee-chan.
I'm home.



Have you ever met any succubi outside of our family?
I might have,
but no one has ever told me that they're a succubus.

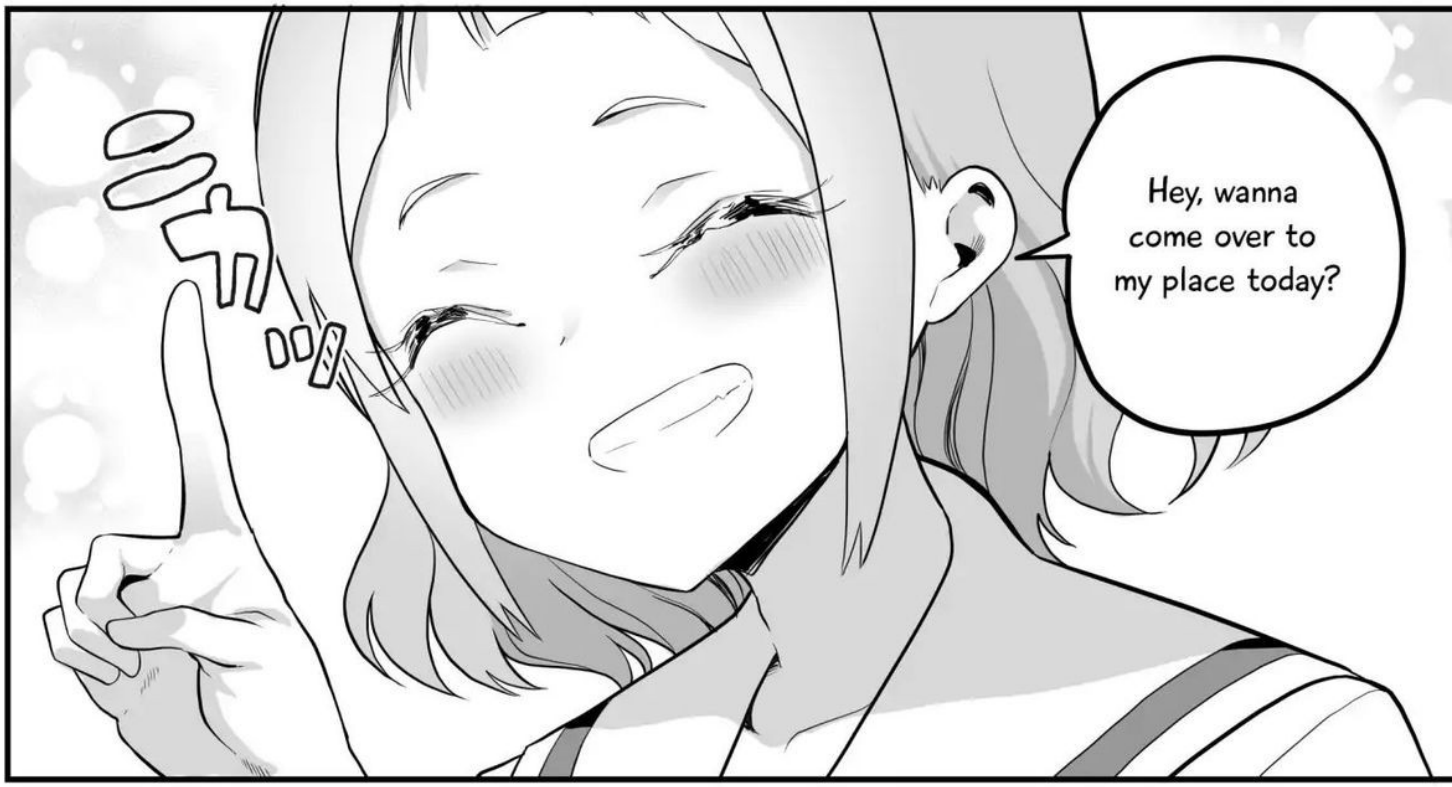
How'd you learn she was a succubus?
We normally keep these things a secret.
We've been talking a lot lately.
Yeah... She's a transfer student.
Heh...
So you've met one?
I guess so~



Erm...
Well, knowing you, Onee-chan, she probably dragged you into a toilet stall and tried to suck you, right?
You're such an easy prey, after all.
Uuh...
Did I get it spot on...?
Yeah...
Sorry. That was supposed to be a joke...
Apologizing would just make you look more pathetic...
She's called Konomi.
I wanted to hold Konomi's hand.
I can't suck life force out of Konomi's hand
but I wanted to feel her warmth...

Onee-chan, that's...
love.
Love!? No way!
Are you Toto**'s Kanta or something?
Erm...
Um...
Ah! I've never eaten someone from the same species so I was curious!!!
That expression sounds just like cannibalism, y'know?
Note: From My Neighbor Totoro

Weird, huh...
What exactly is "weird"...?
Hey, Yukiko!
Hyes!?
Yukiko...

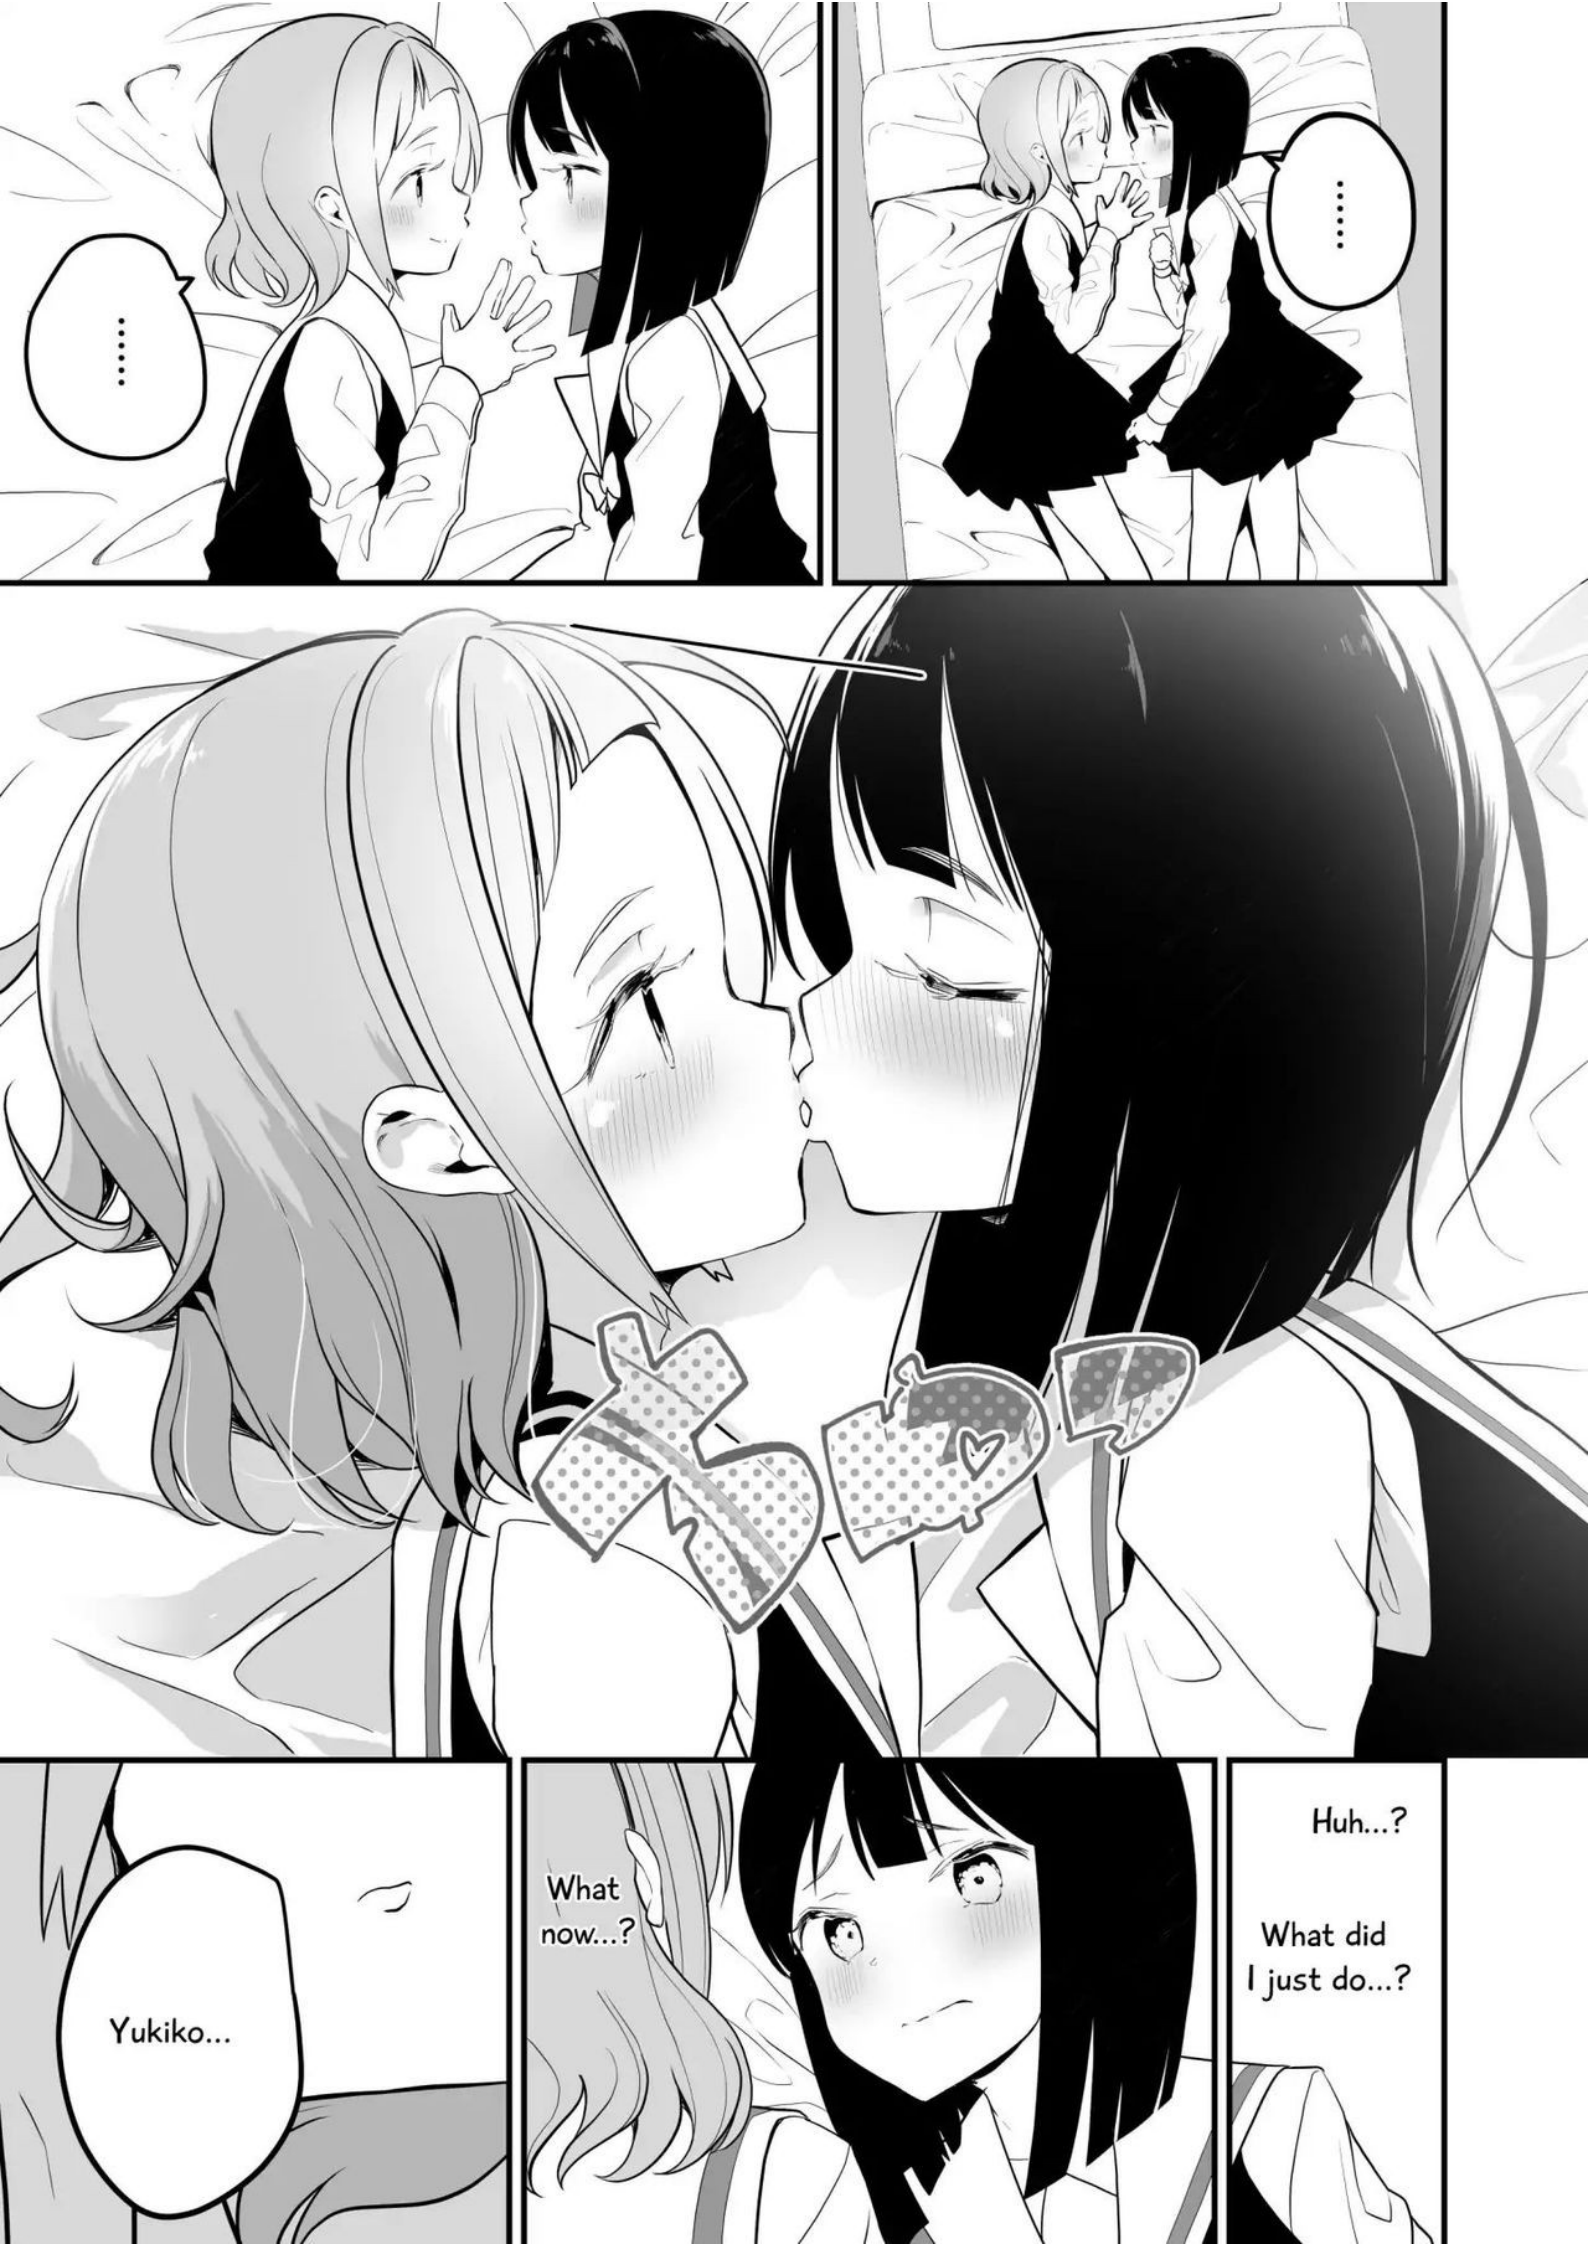


Hey, wanna come over to my place today?

Both my parents are out today!
Sure, but... Erm...
Being noisy won't be a problem!
I see...

Man, we can make as much ruckus as we want with no parents around!
Yeah, okay. I'll come.
I'll put some tea on.
I'm just going over to hang out...
There's no weird meaning behind it...
Bed...
POMF
This is Konomi's...
Come on in~

I could just doze off
It's Konomi's scent.
and calming scent.
It's a slightly sweet
You awake?
Sorry. I kinda lied down on my own accord.
You seemed to be enjoying it so I wasn't sure if I should wake you.
Or something.
Yeah...
You surprised me.



……
……
ドドド
Huh...?
What did I just do...?
What now...?
Yukiko...

Honestly...
Are you that hungry?
That's not why I did it.
You can't suck life force from me!
Eh?
Eh !?
I need to pour these feelings into Konomi
until it soaks into her!

I love you!
Eh?
I love you, Konomi!
I want to hold your hand!
I want to kiss you!
I want to touch you all over your body
and be touched by you!
I want to do more lewd stuff too!!
I love you, Konomi!

Wait!
Um...
I was just surprised...
I had never thought about doing that kind of stuff with you, Yukiko...
Sorry...
Forget about that...
Even my wings came out...
I knew it...
My brain can't think of sex as something to express love...
I can only picture sex as a way of eating.
If it's with you, Yukiko, I can do it.
You sure?

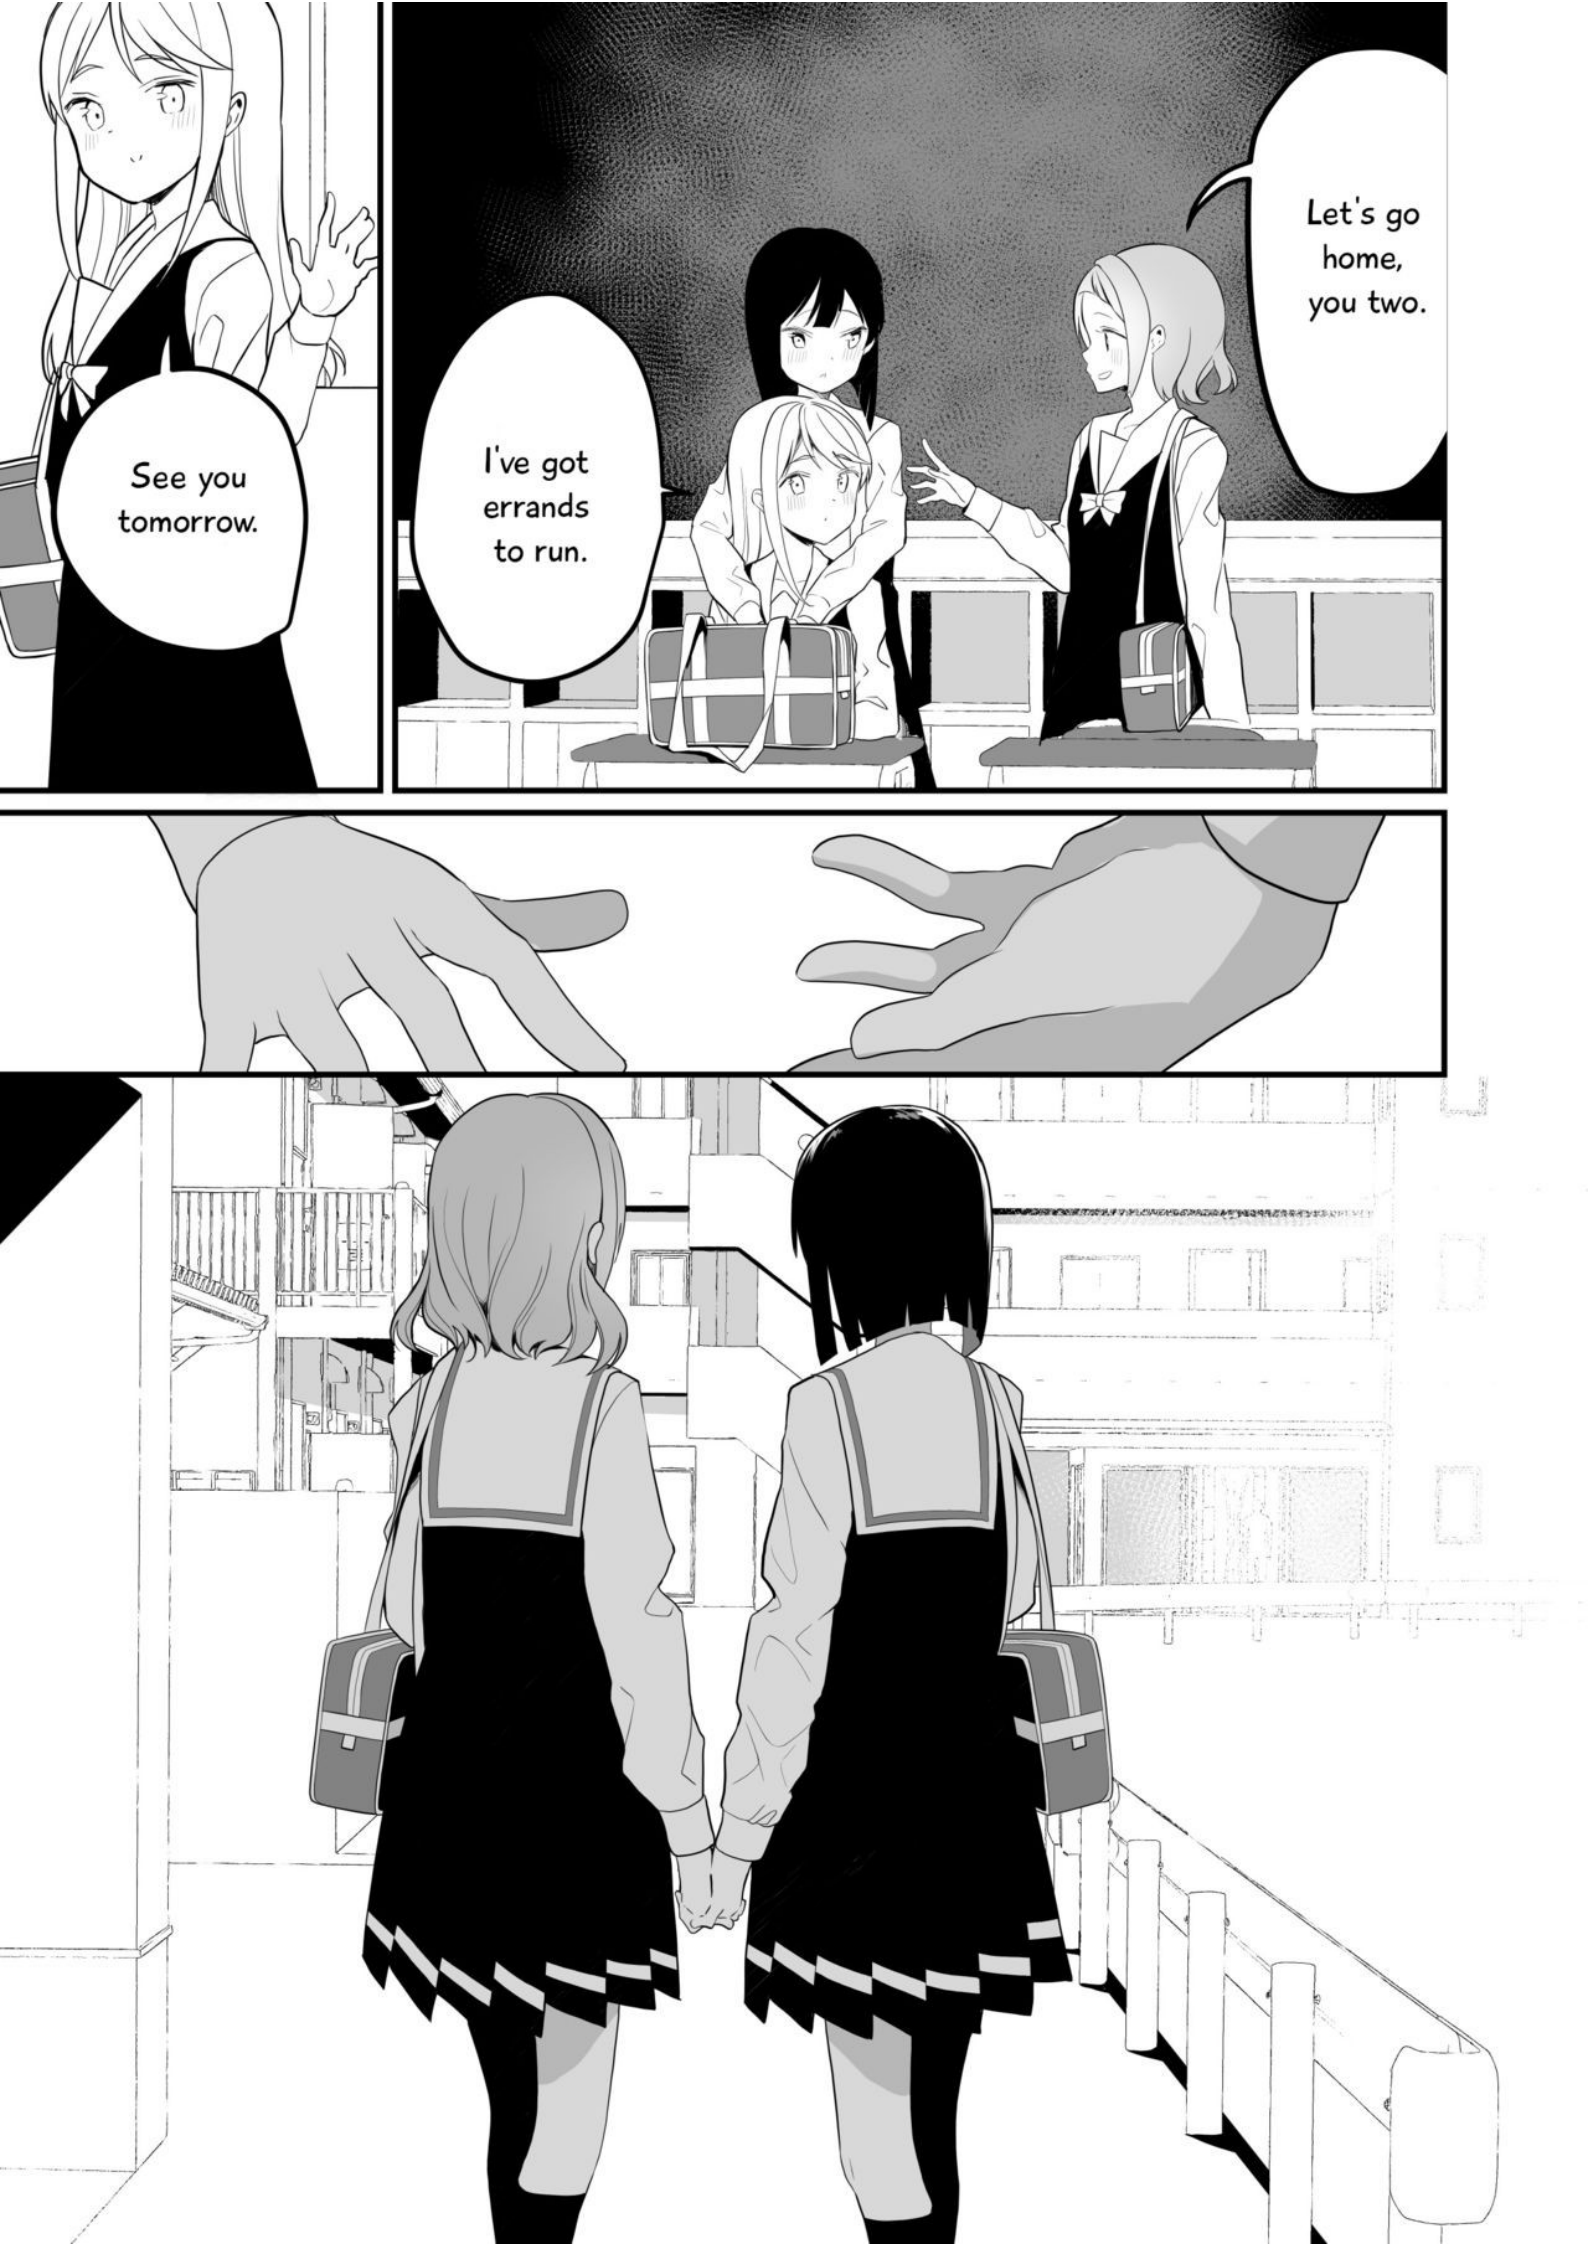
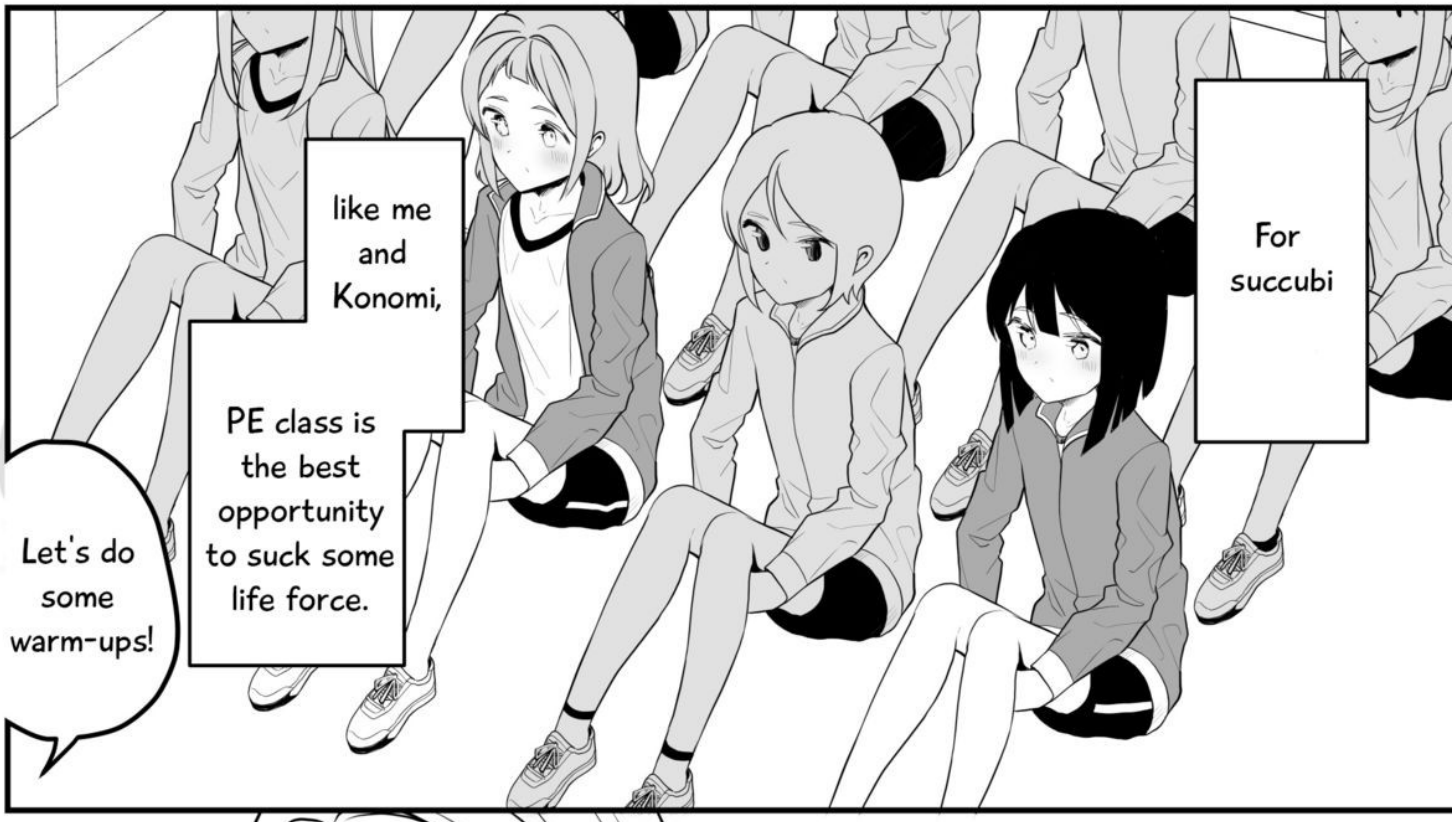
.....
What do you mean?
It's nothing. I was just imagining things.
Did something happen, Yukiko?



See you tomorrow.
I've got errands to run.
Let's go home, you two.



For succubi
like me and Konomi,
PE class is the best opportunity to suck some life force.
Let's do some warm-ups!

Even if its over clothes,
regardless of where it is on the body,
if I can cling against them,
I can suck their life force, although how much I can suck varies.

However ...
Okay, your turn, Fuu-chan.
It's because she's my best friend
and because she has the highest quantity of life force.
I have multiple reasons for doing so.
Fundamentally, I only suck life force from Fuu-chan.
Fuu-chan is so annoying that I can't suck her properly.
Just how stiff are you...
OW...! Ow!
I can't do it! I can't do it!

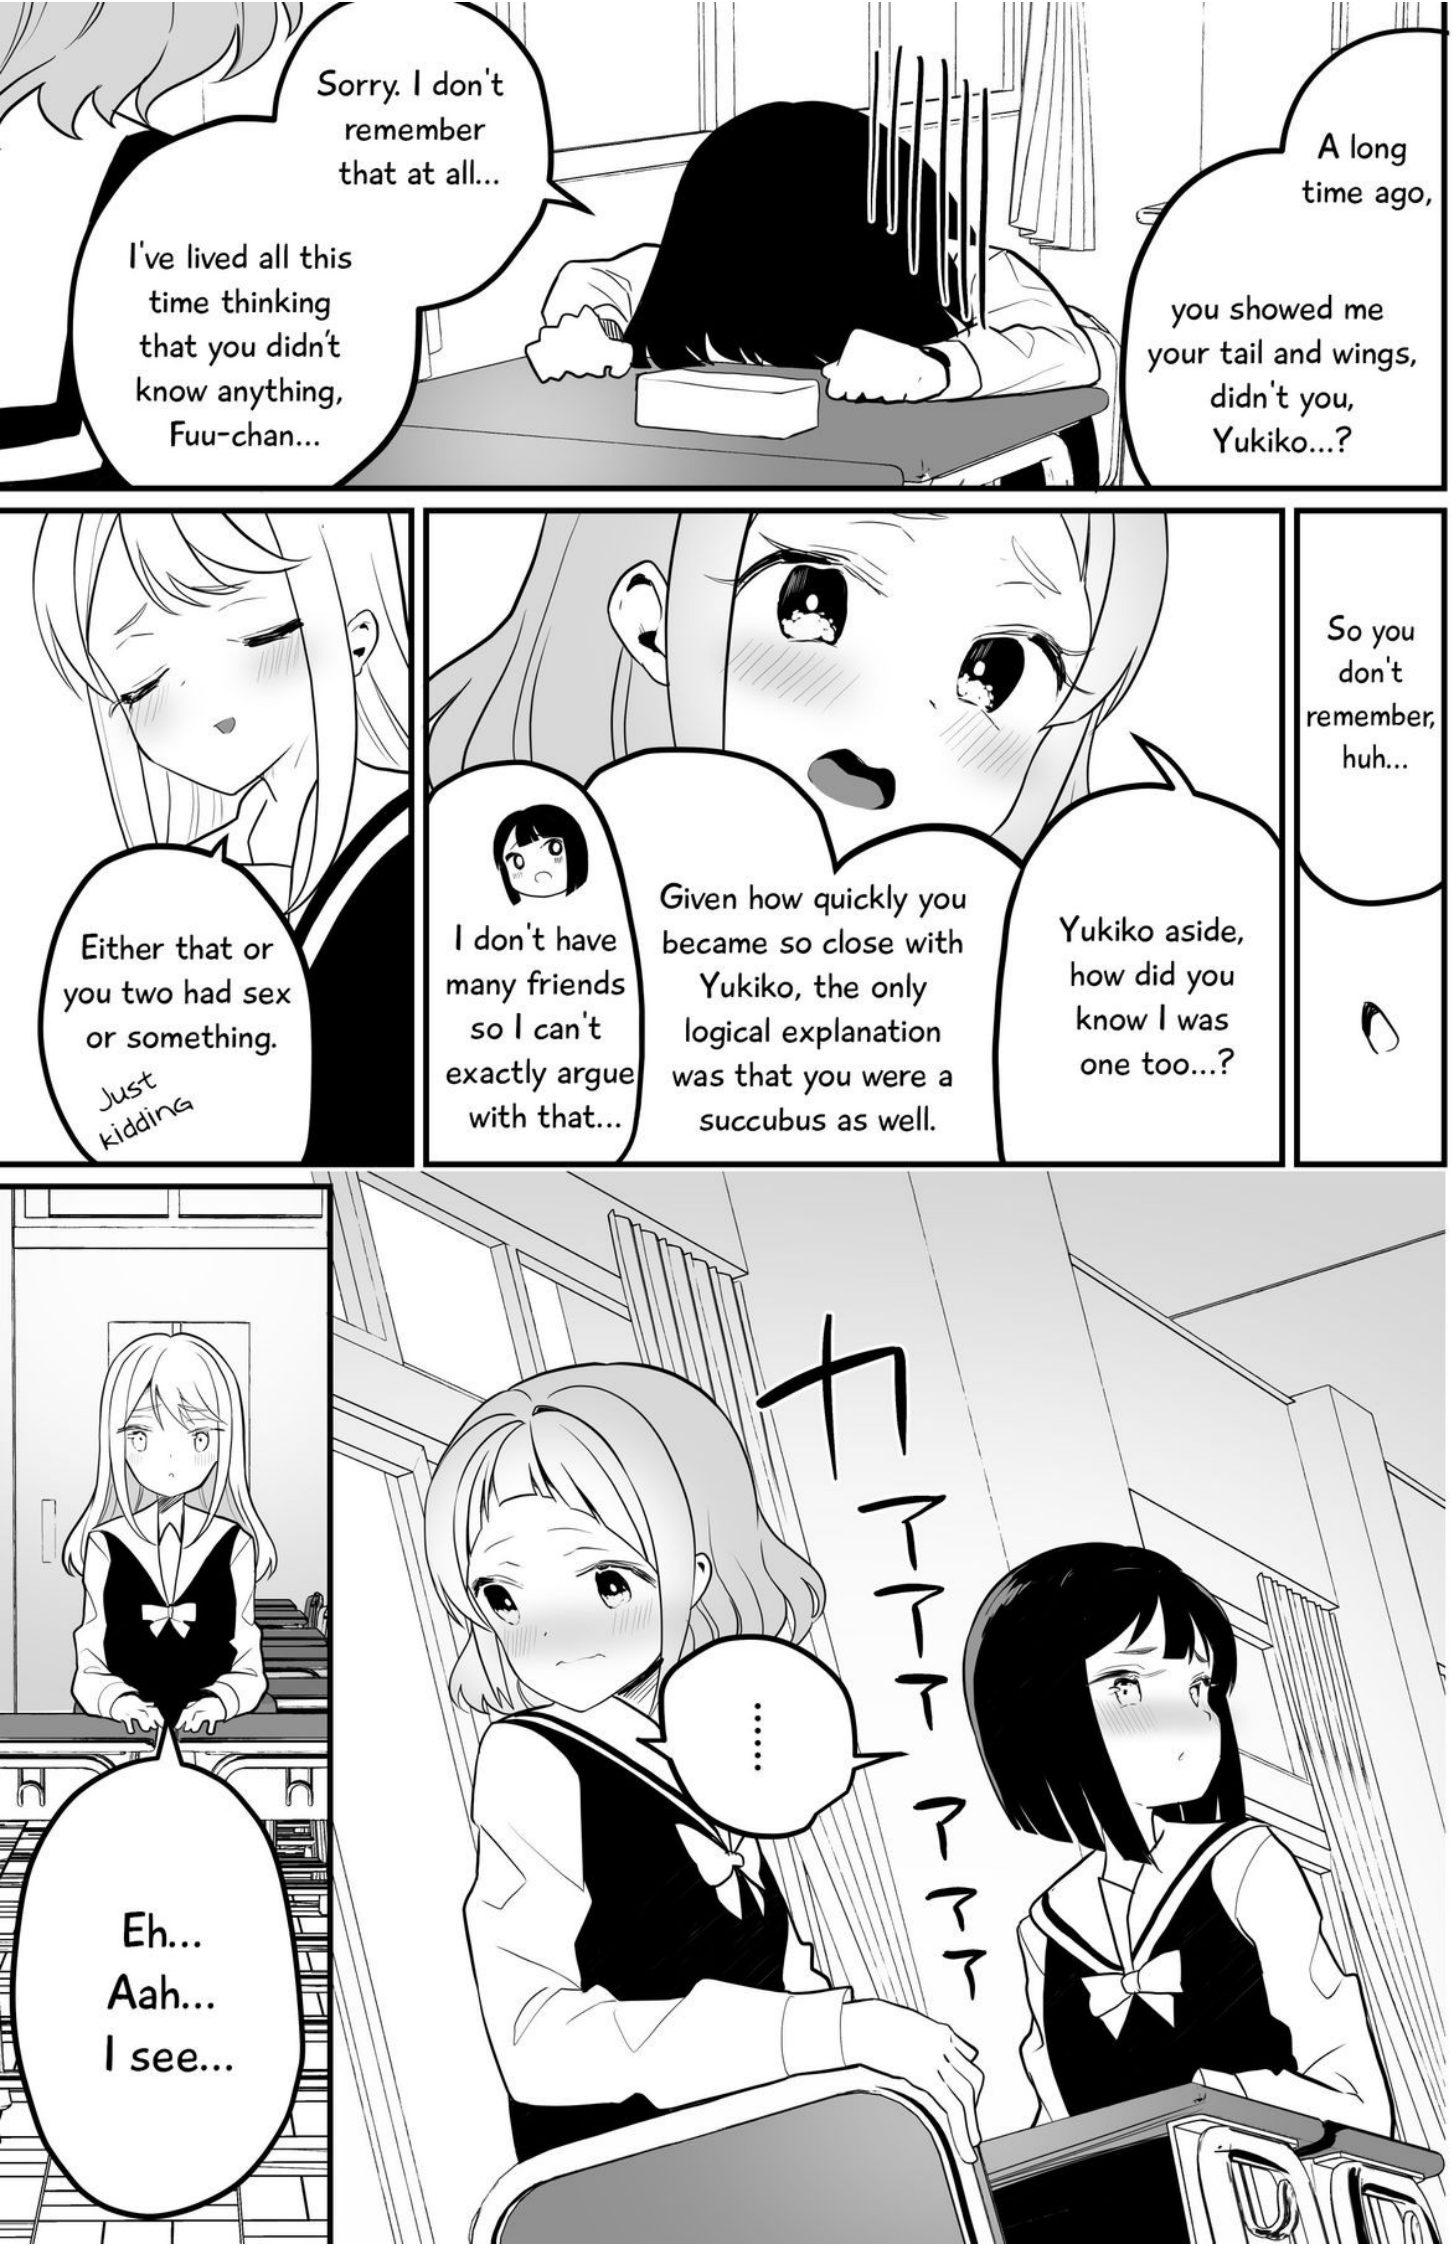
Uuuh~
I'd be able to leap over this easily if I could use my wings...
You can just leap over it normally without using wings, y'know?
I can't help it! I'm no good when it comes to exercise!
Yukiko.
Even though you say
you hate being a succubus,
wanting to use "the part that wings humans don't have" of all things
Here
Thanks

...That's because I have you now, Konomi.
is kinda surprising.
Yukiko...
Okay, that's enough flirting!
We weren't flirting!
.....

I've never had any opportunities to hold hands outside of sucking life force before, so it felt fresh...
I guess so~
It's a kinda different feeling when you're not sucking life force.
It's hard to put into words, but I guess it's warm? Or something like that?
Yeah, that's it.
.....
Hey.
Hm?

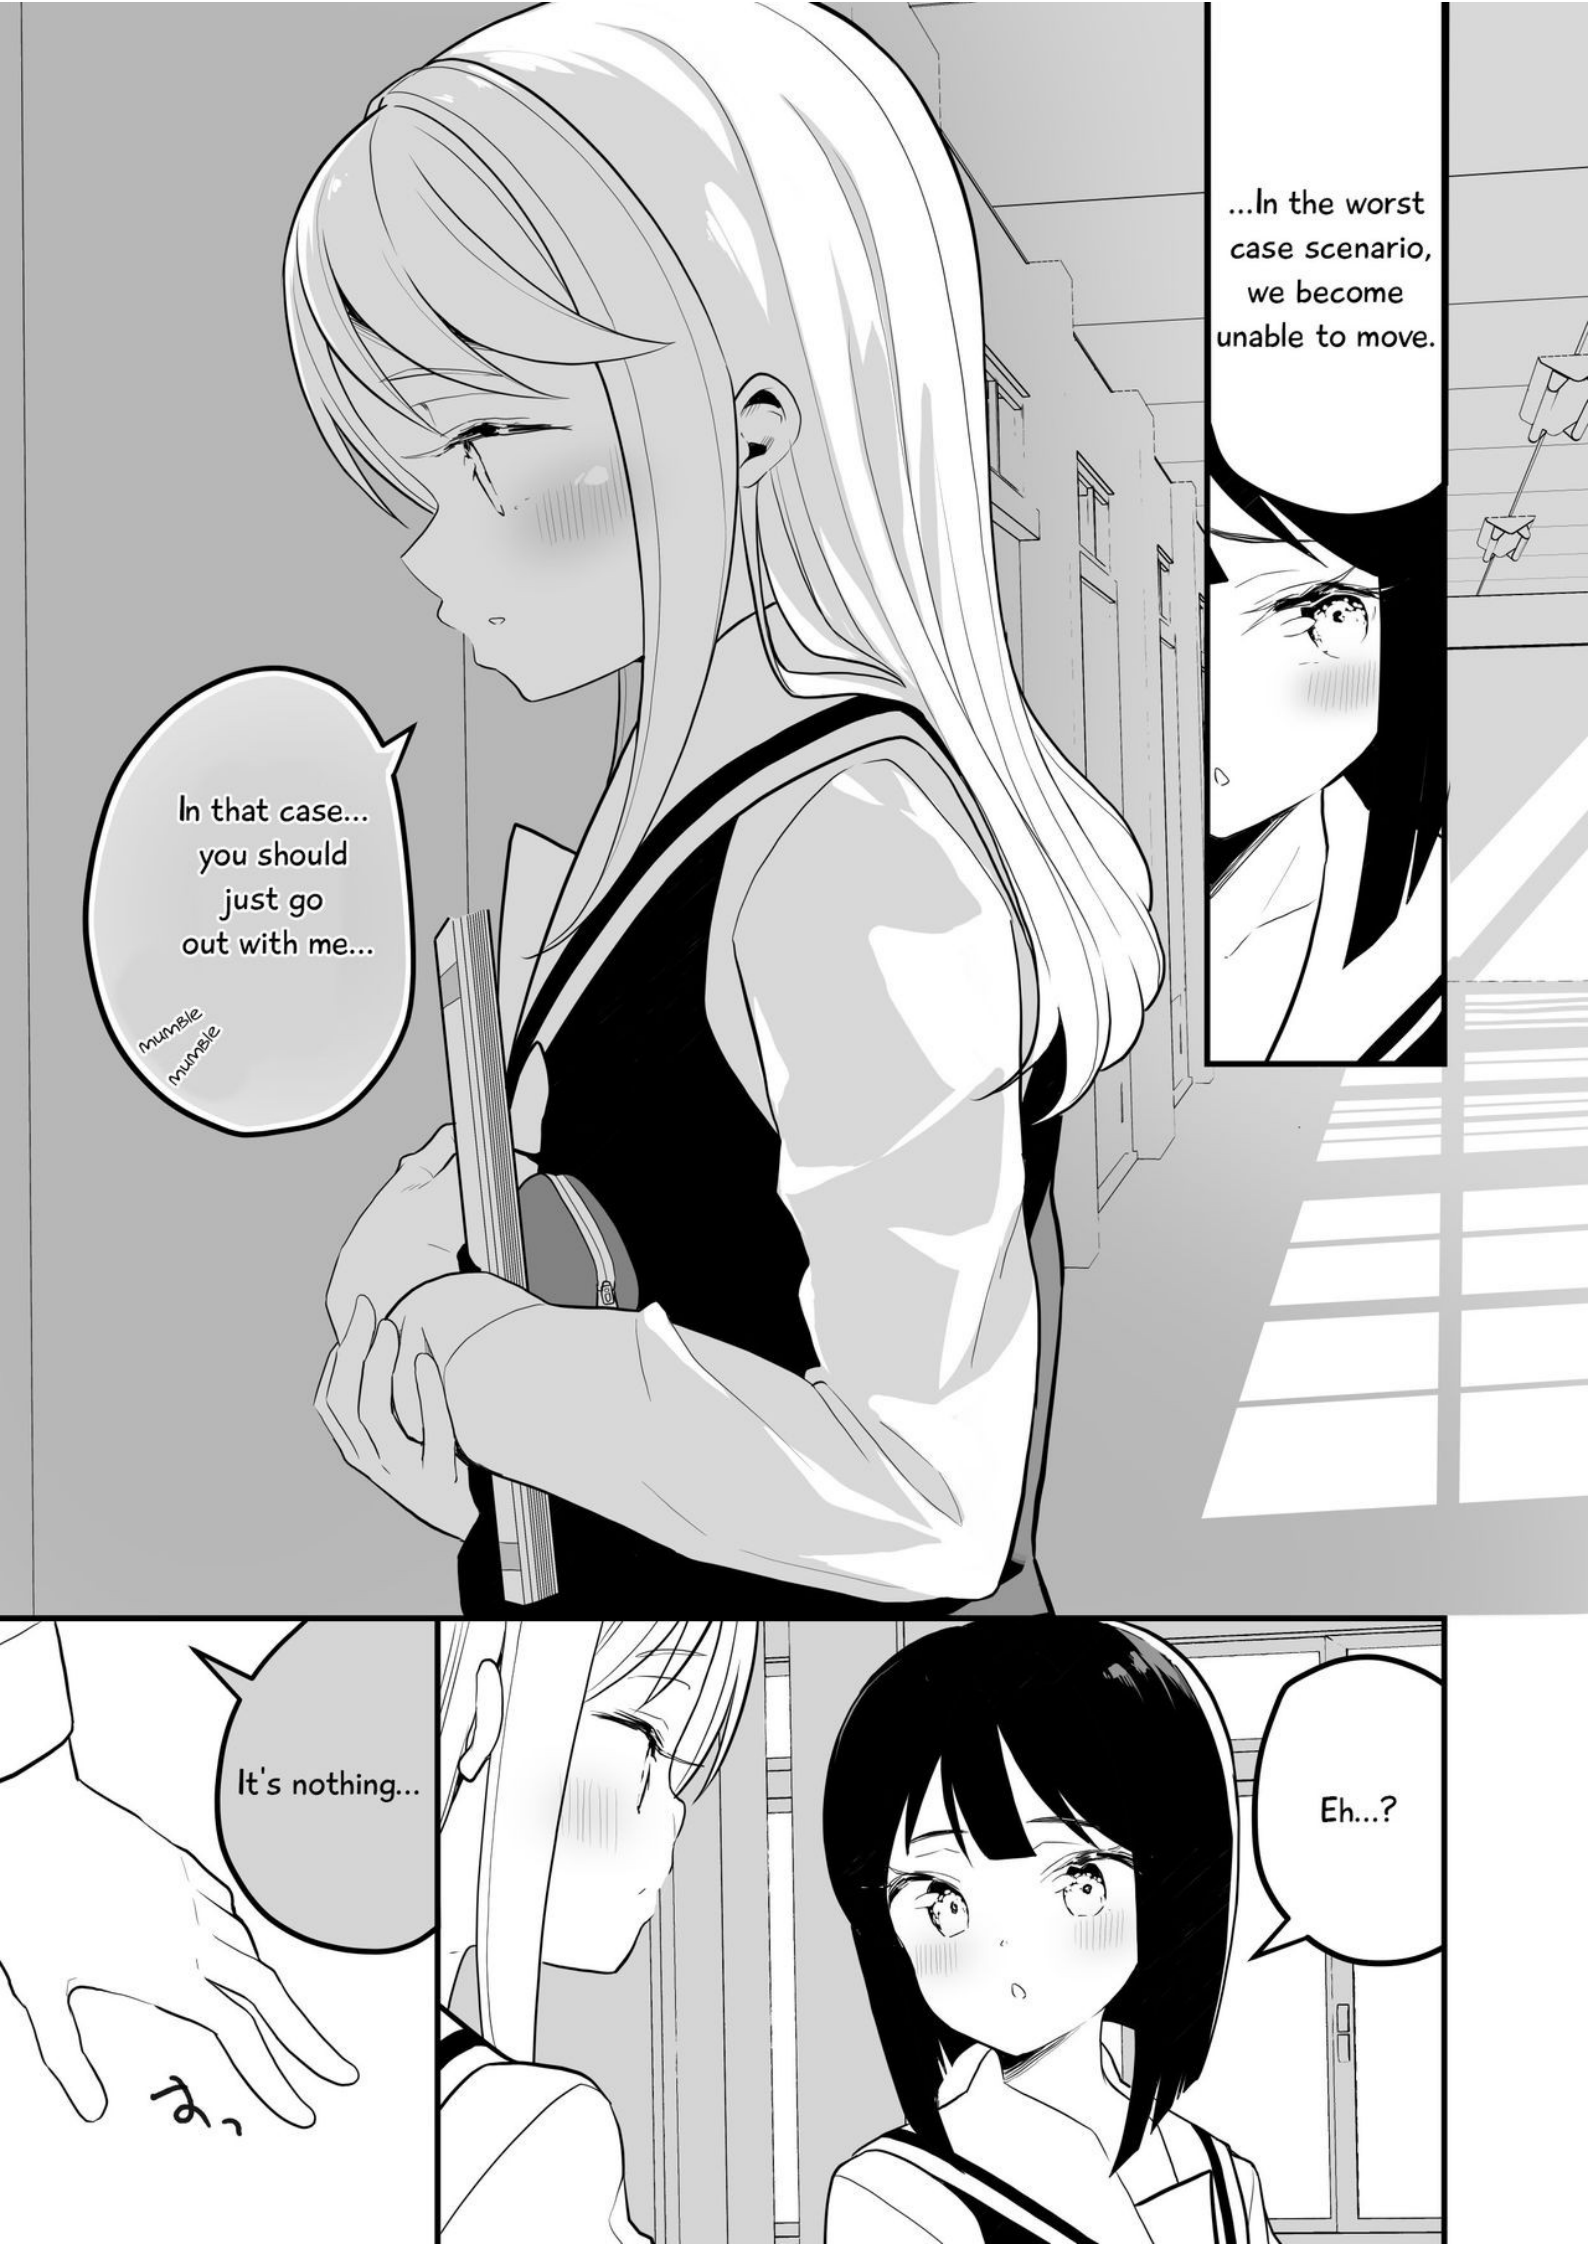
I'm guessing that having sex feels different when you're not sucking life force too?
Erm...
I don't know if you got the wrong idea or anything, but,
what happened the other day was a first for me, too...
Show me your face.
Don't look!
Show me your face!

Eh?
What were you two talking about earlier?
It's a secret between the two of us!
I can't tell her that we were talking about sucking life force while having sex...
You mean the one about you two being succubi?
Succubi? Of course not!
Your horns are showing.
Put them away already.



A long time ago,
you showed me your tail and wings, didn't you, Yukiko...?
Sorry. I don't remember that at all...
I've lived all this time thinking that you didn't know anything, Fuu-chan...
So you don't remember, huh...
Yukiko aside, how did you know I was one too...?
Given how quickly you became so close with Yukiko, the only logical explanation was that you were a succubus as well.
I don't have many friends so I can't exactly argue with that...
Either that or you two had sex or something.
Just kidding
カァァァァァァ
……
Eh...
Aah...
I see...

Yukiko...
You and Konomi aren't dating, right...?
Eh...?
Yes, that's right...
Next are our elective classes, right?
I'm heading this way. I'll catch you later, okay?
Let's go, Fuu-chan.
すっ
Do you want to suck some life force...?
Yeah...
What happens if you don't...?
Erm... We just lose a little energy, that's all.
Don't lie to me.

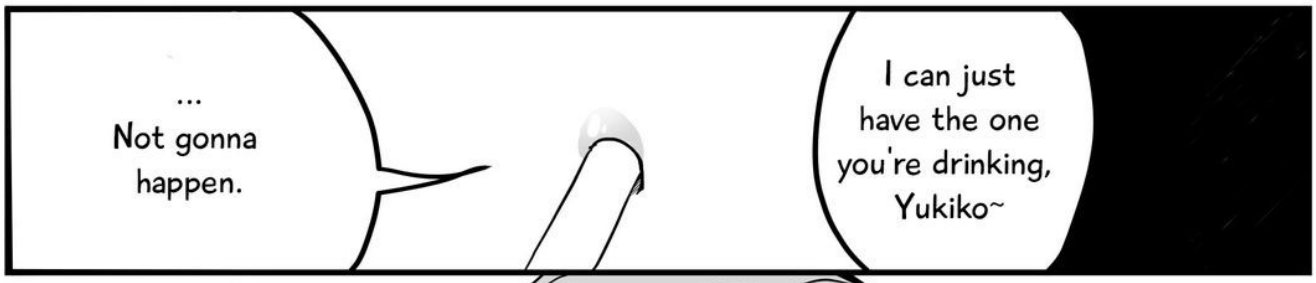


...In the worst case scenario, we become unable to move.
In that case... you should just go out with me...
mumble mumble
It's nothing...
Eh...?

We've arrived at the classroom.
Oh, right...

Yesterday,
things got awkward between me and Fuu-chan.
Fuu-chan is my precious friend, after all.
I want to clear the air between us...
Yukiko~
I believe it was during elementary school...
Come to think of it, how did I become friends with Fuu-chan anyway...?

You seem to be drinking something good.
Give me some~
Buy your own.



...
Not gonna happen.
I can just have the one you're drinking, Yukiko~

In that case, I'll just drink from here instead.
I said I'm not giving it to you.
Pretty please~?

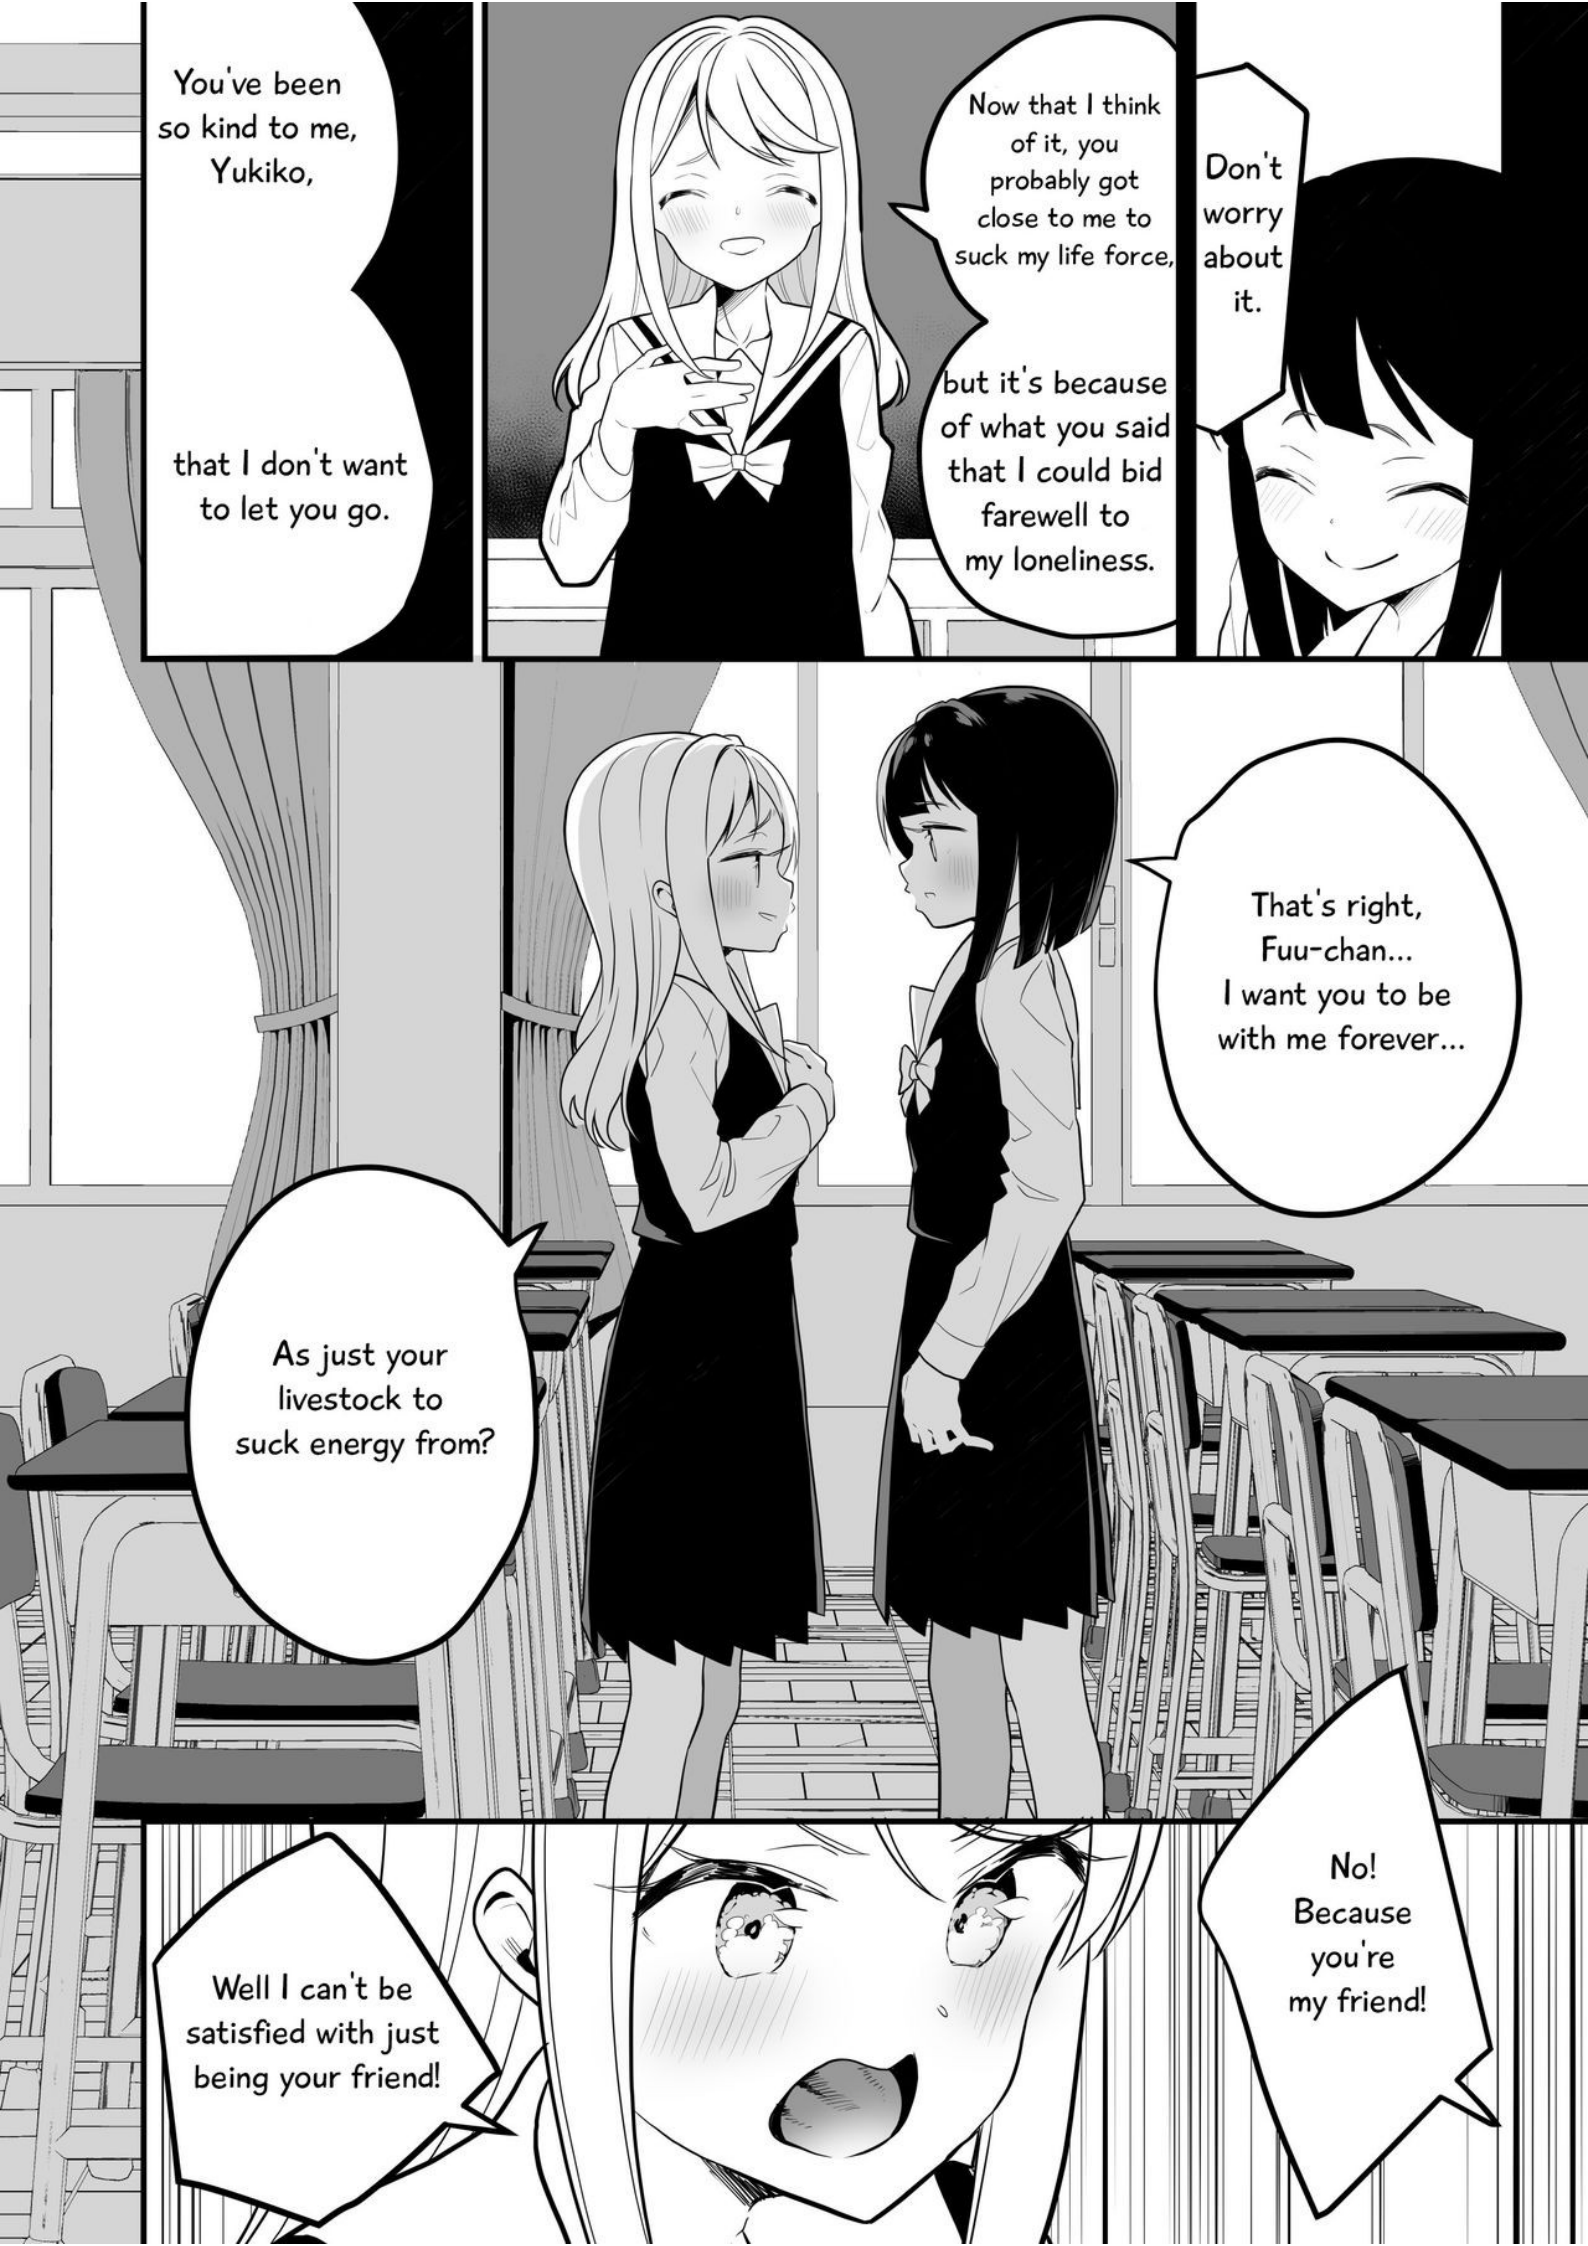
Fuwa-chan...
Sorry for surprising you...
You might not remember this, Yukiko,
but I was bullied back in elementary school.
What's this all of a sudden ...?
I hated being by myself.
I was lonely.

If you get involved with me, you'll also...
Are you sure...?
Here comes goody two-shoes.
Tch.
Stop that!
Yukiko...
I'm Ootsu Yukiko.
I'm not "you".
Yukiko.
Eh?
I want to get along with you Yanigahara-san.
I'm different from everyone else too.
I'm different from everyone else since I'm so slow...
I'd only bother you too, Yukiko-chan...



You've been so kind to me, Yukiko,
that I don't want to let you go.
Now that I think of it, you probably got close to me to suck my life force,
but it's because of what you said that I could bid farewell to my loneliness.
Don't worry about it.
That's right, Fuu-chan... I want you to be with me forever...
As just your livestock to suck energy from?
Well I can't be satisfied with just being your friend!
No! Because you're my friend!

ちゅっ
Yukiko.
I love you.
……

Is it wrong for me to devote my body and soul to you, Yukiko?
Why choose Konomi!?
Choose me!!!
Fuwa-chan...
That's...!
I won't give you any life energy if you don't go out with me.
Right now,
you're making such a troubled expression...
Why is that?
Because you lost your meal?
.....
At least try to object...

Is my life energy delicious?
Ngh!?
You can suck it more.
More...
Fuwa-chan, wait...
I'll keep pouring it in until your belly is full...

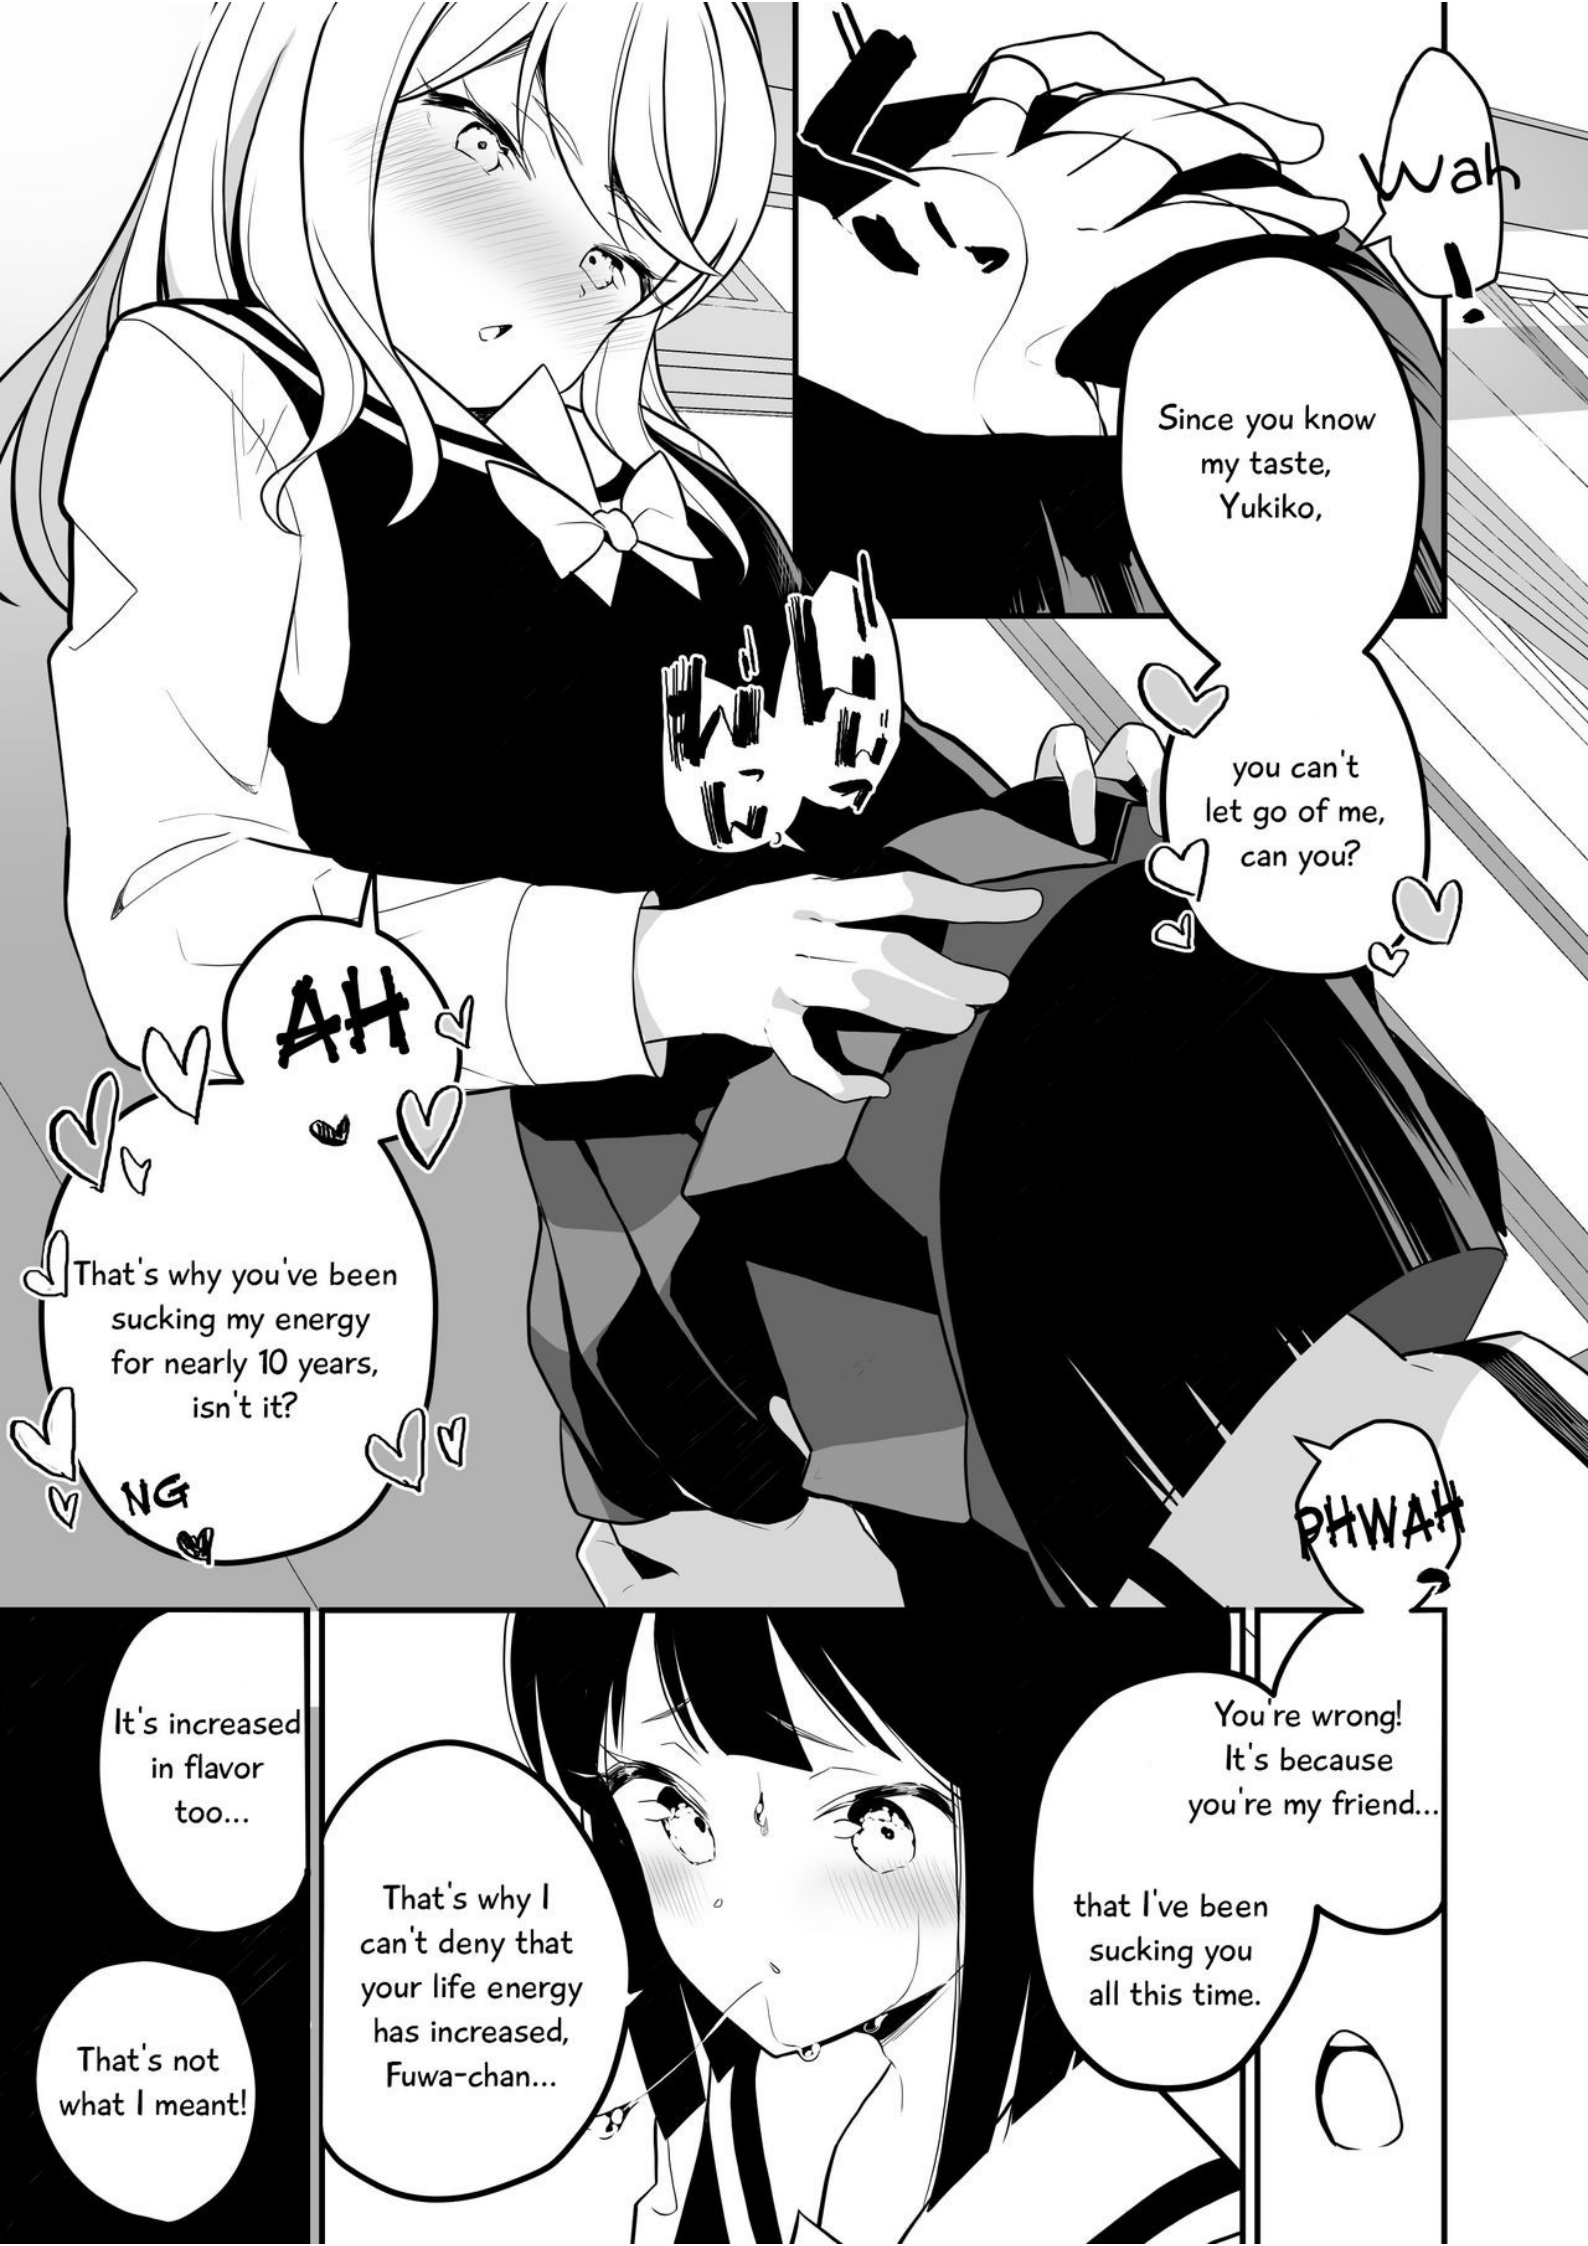
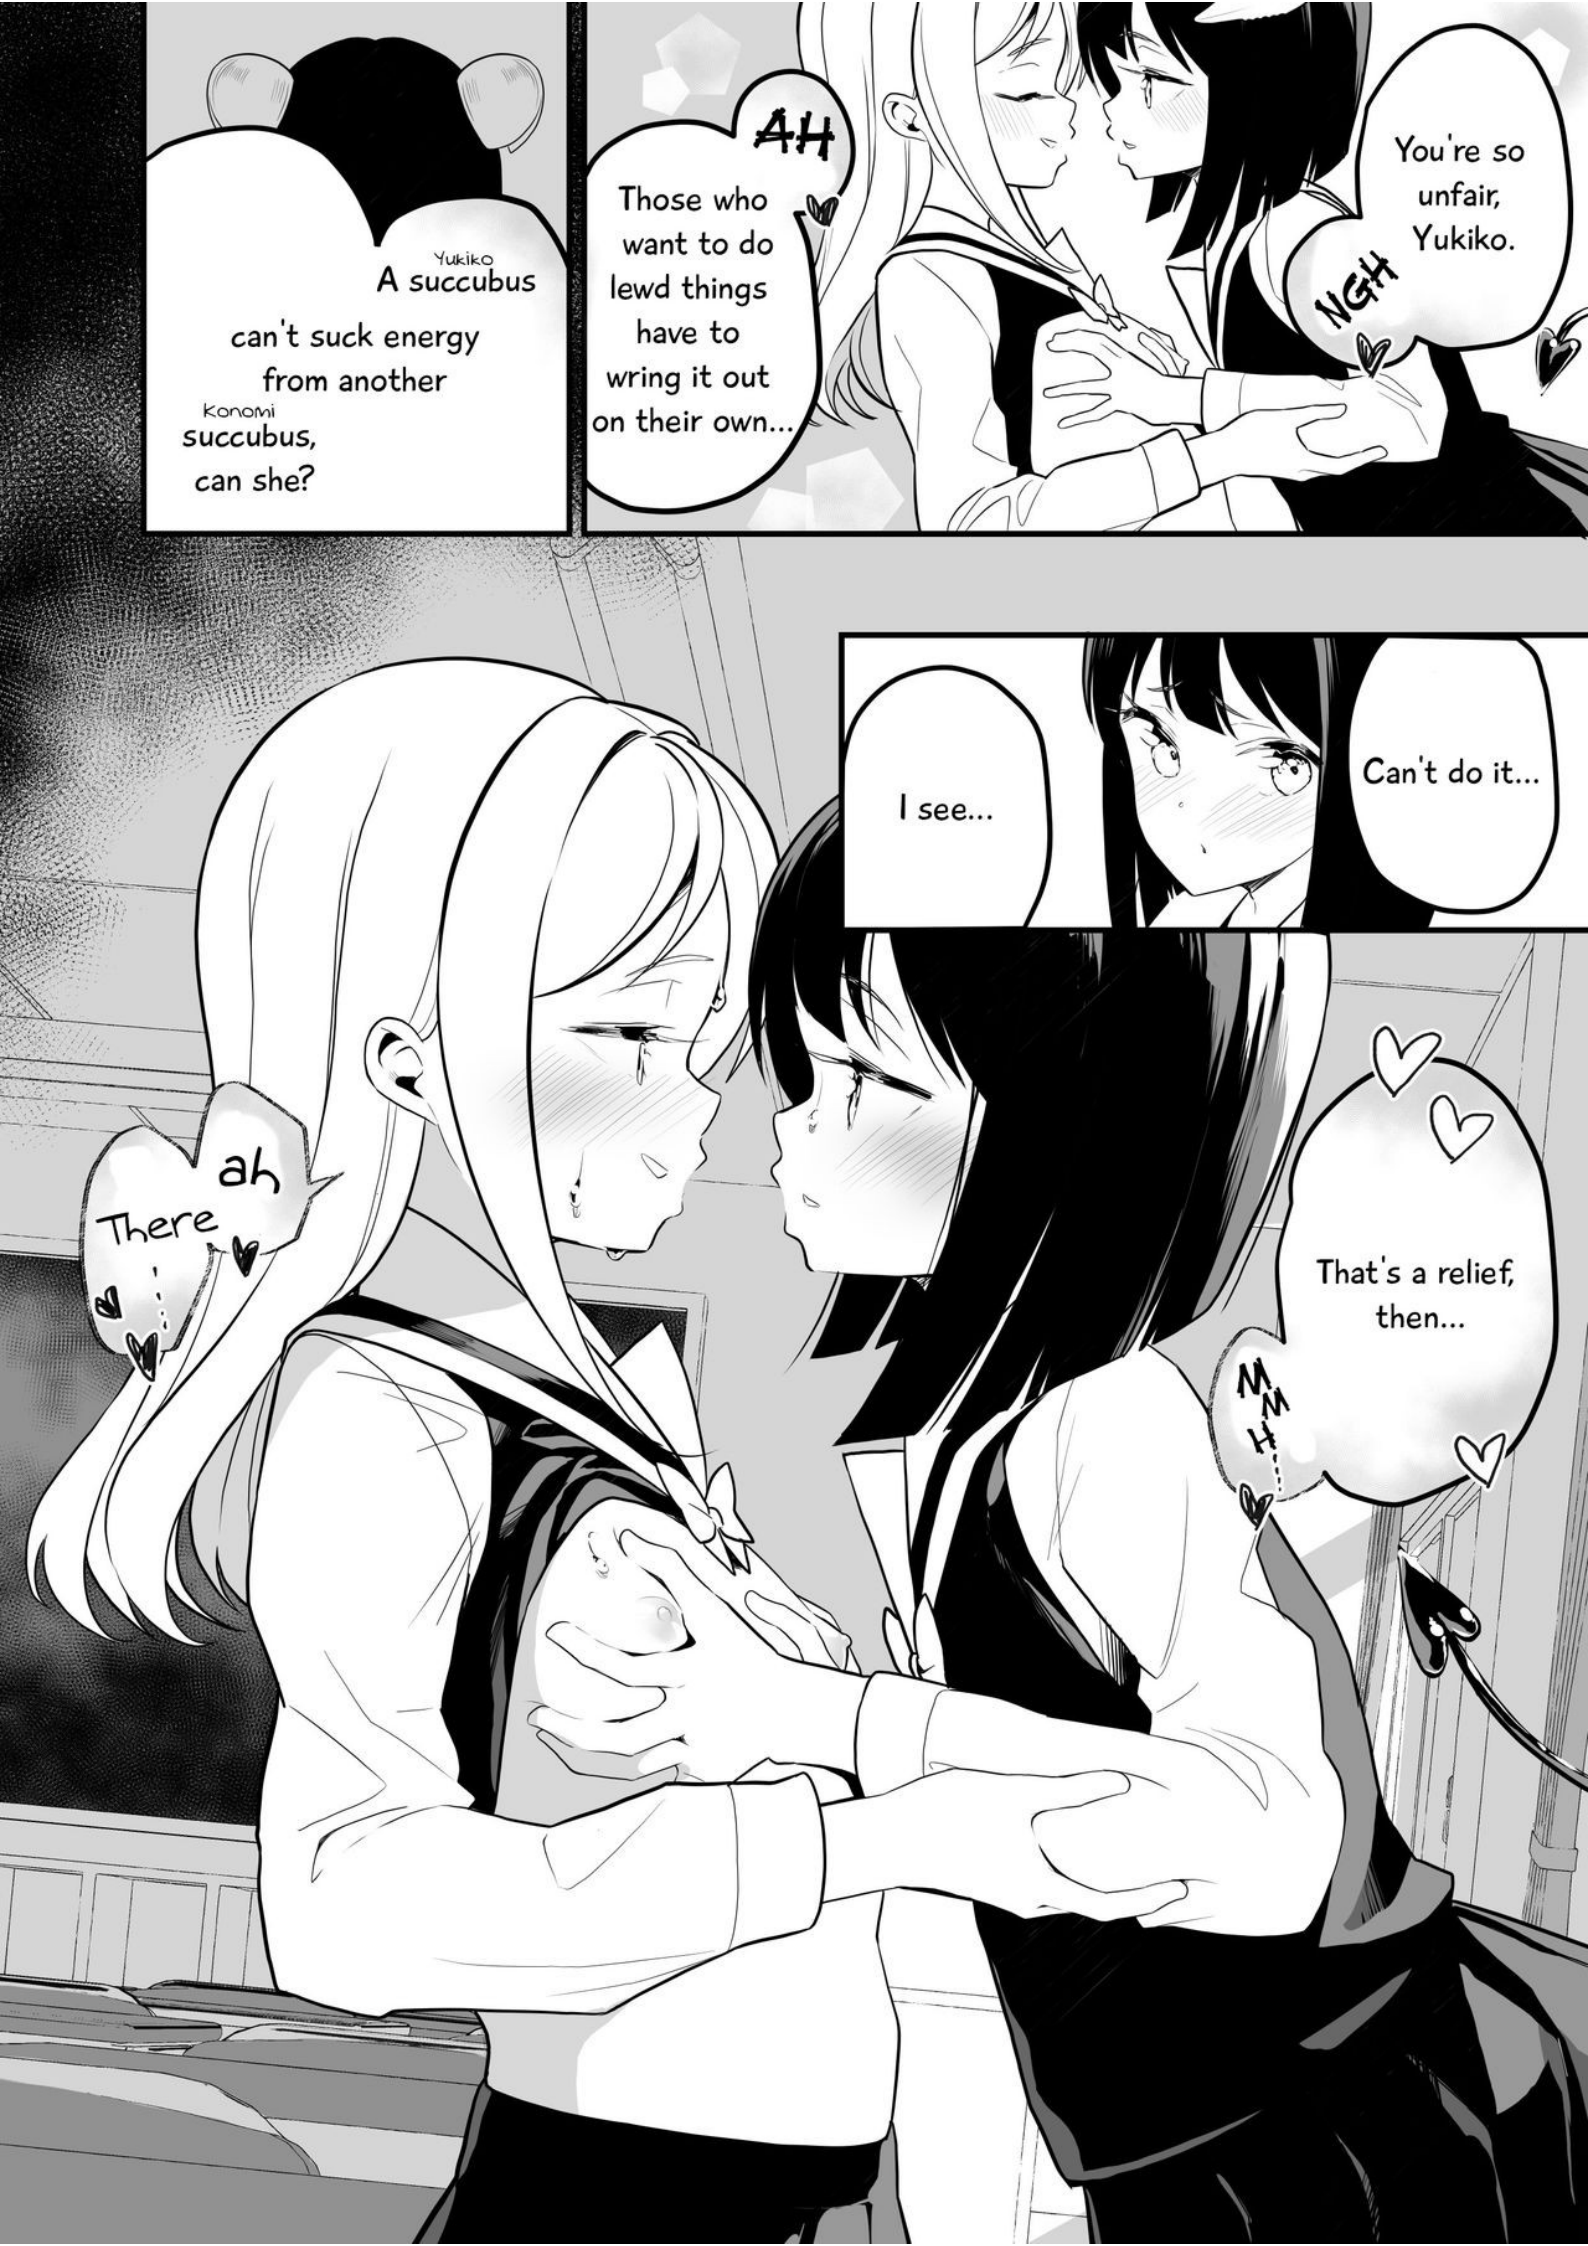
You need me, after all.
I won't let anyone have you, Yukiko...
No objections, I see.
...



Wah!
Since you know my taste, Yukiko,
you can't let go of me, can you?
AH
That's why you've been sucking my energy for nearly 10 years, isn't it?
NG
PHWAH
You're wrong! It's because you're my friend...
that I've been sucking you all this time.
That's why I can't deny that your life energy has increased, Fuwa-chan...
It's increased in flavor too...
That's not what I meant!

The "friend" I know wouldn't do this kind of thing.
Eh...?
is over.
In that case, feeding time
You'd only do this
if you were more than a friend a lover or less than one a slave
Life energy...
I want to suck her life energy...
I sure am hungry...
You can't leave me hanging like that...
Yukiko?
What did you say?
Fuwa-chan... I want more...

I want you, Fuwa-chan!
Very well done.
I'm just happy that you want me, Yukiko.
As for why you want me, I won't worry about that right now.



A succubus
Yukiko
can't suck energy from another succubus,
Konomi
can she?
Those who want to do lewd things have to wring it out on their own...
AH
You're so unfair, Yukiko.

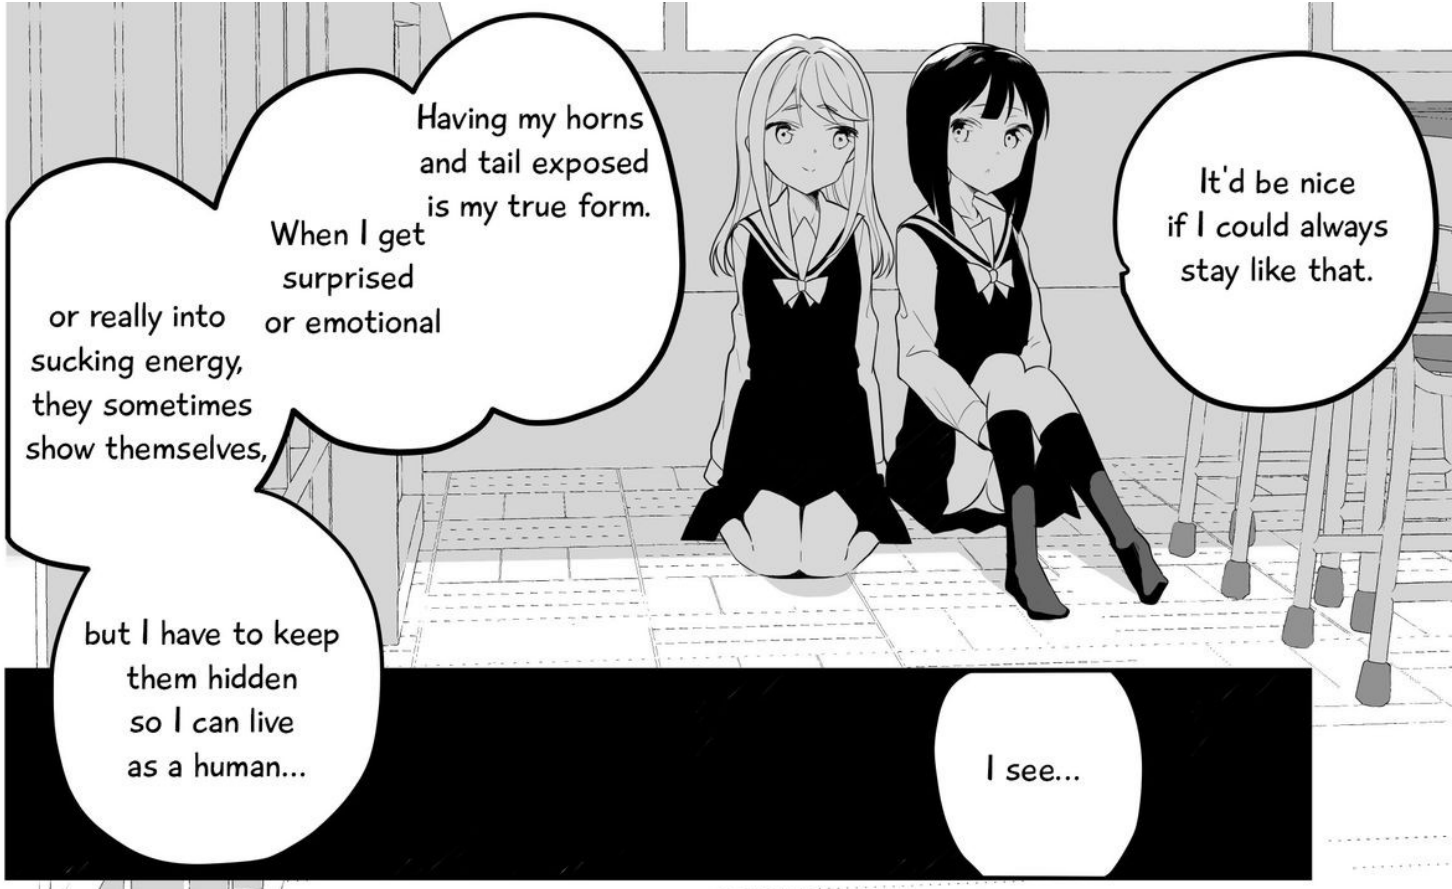
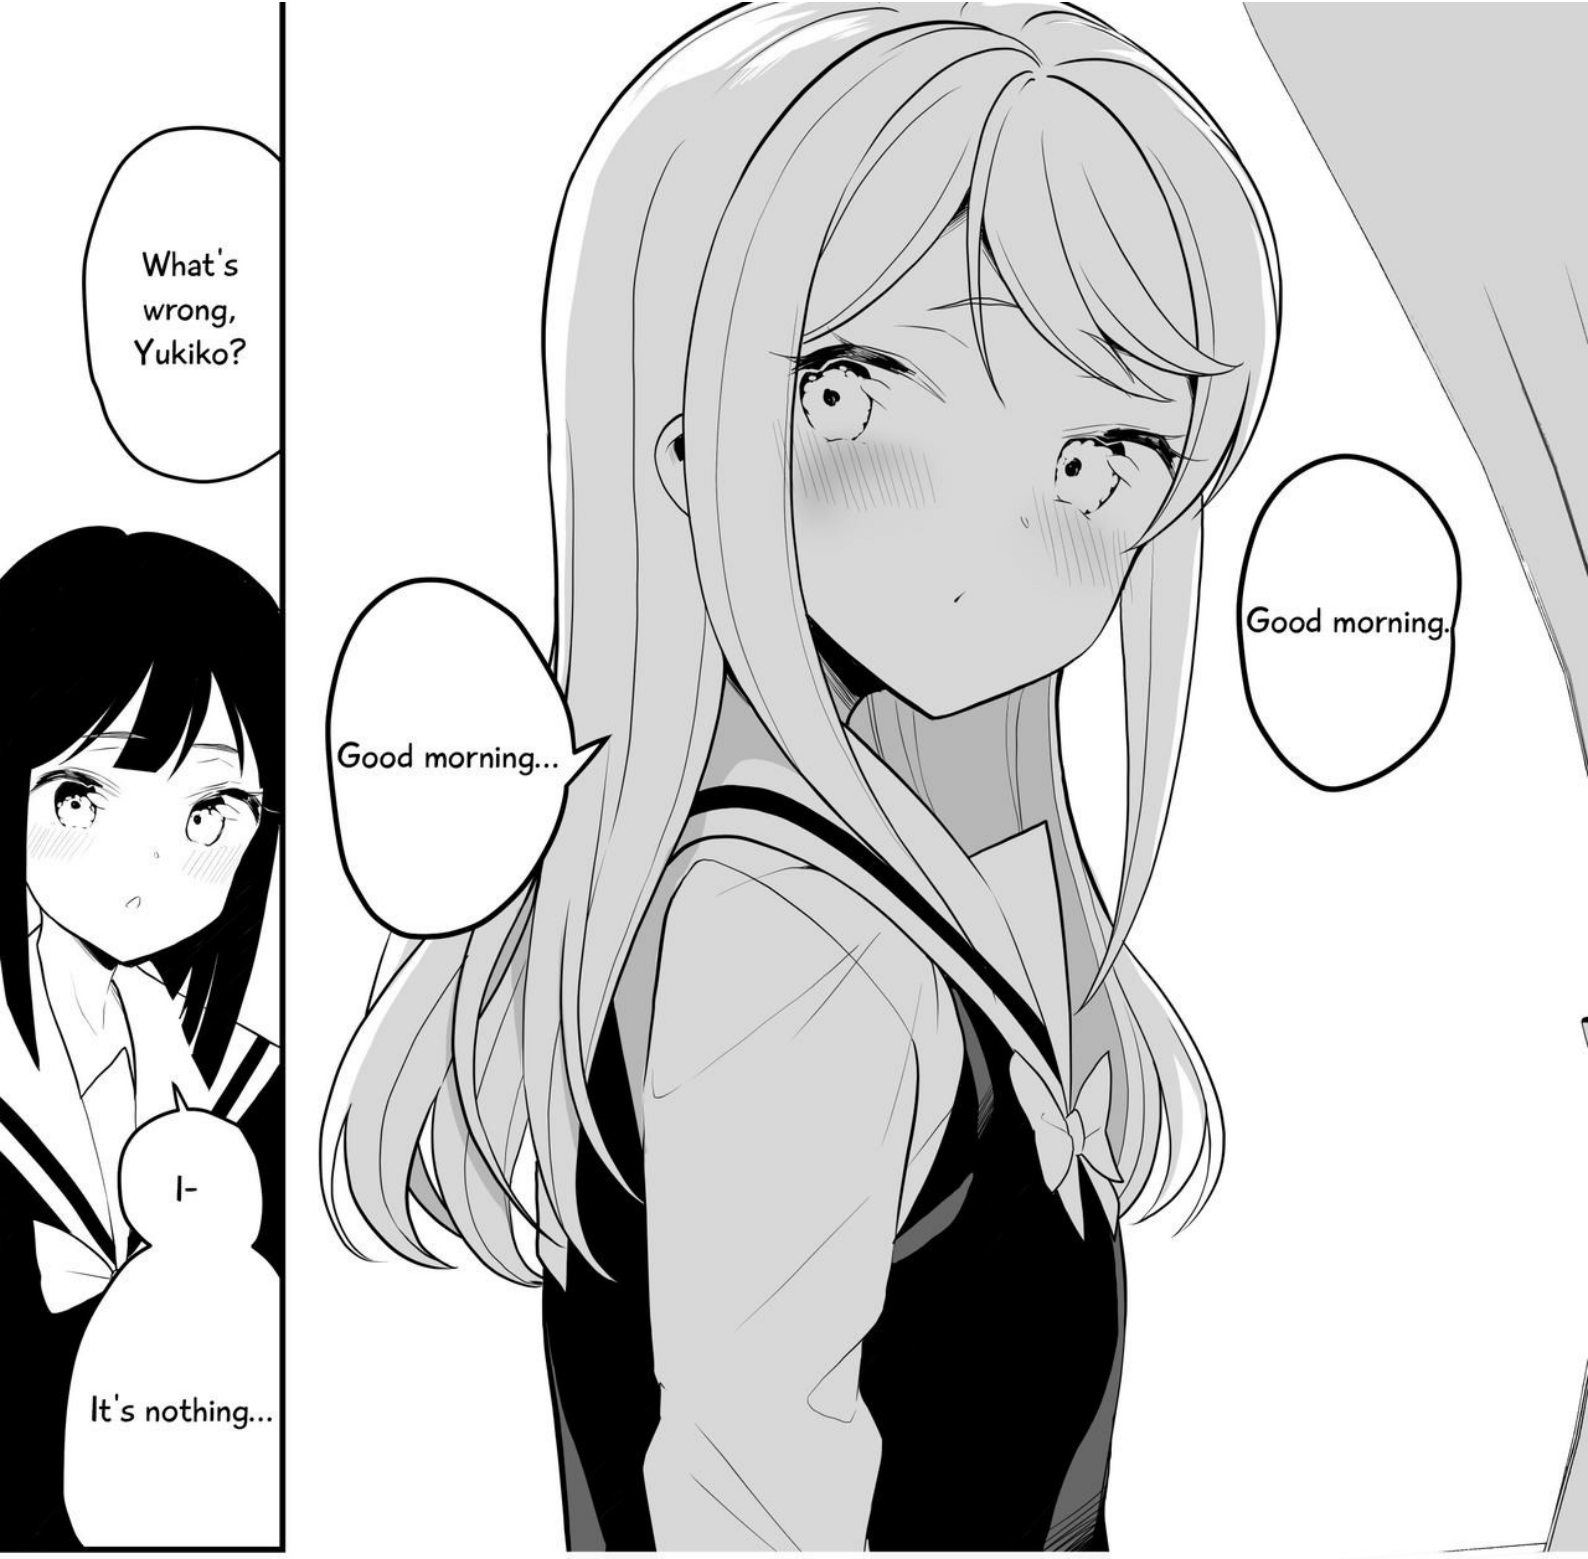
Your succubus form is cute too, Yukiko...



It'd be nice if I could always stay like that.
Having my horns and tail exposed is my true form.
When I get surprised or emotional
or really into sucking energy, they sometimes show themselves,
but I have to keep them hidden so I can live as a human...
I see...

Fuwa-chan.



She made a face as if nothing happened...

As if there was nothing.

Afterword

This is the second volume of Succubus Yuri.
A story about Yukiko and Fuwa-chan.

You don't often see situations where
a succubus is assaulted by a human,
so I wanted to try drawing that.

I'll try and think of how to continue it.
