

I want
to make
every
part of
her go
wild...!

...I
want
her...

Every
part of
you should
just belong
to me...

Every
drop of
liquid
from her,
to her
very
last
breath...

Her
body,
her
mind,
and her
voice...

At first, I just thought... she was really pretty.

She was an existence that I looked up to.

Even though I was older than her...

She's a looker alright~

She's that famous, super-smart second year girl, Sasashiro Shizuku, isn't she?

Wah!

...I was just thinking how different she is from me...

N...!
No...!

It's not like that!

You're looking like a girl in love, Yusa~

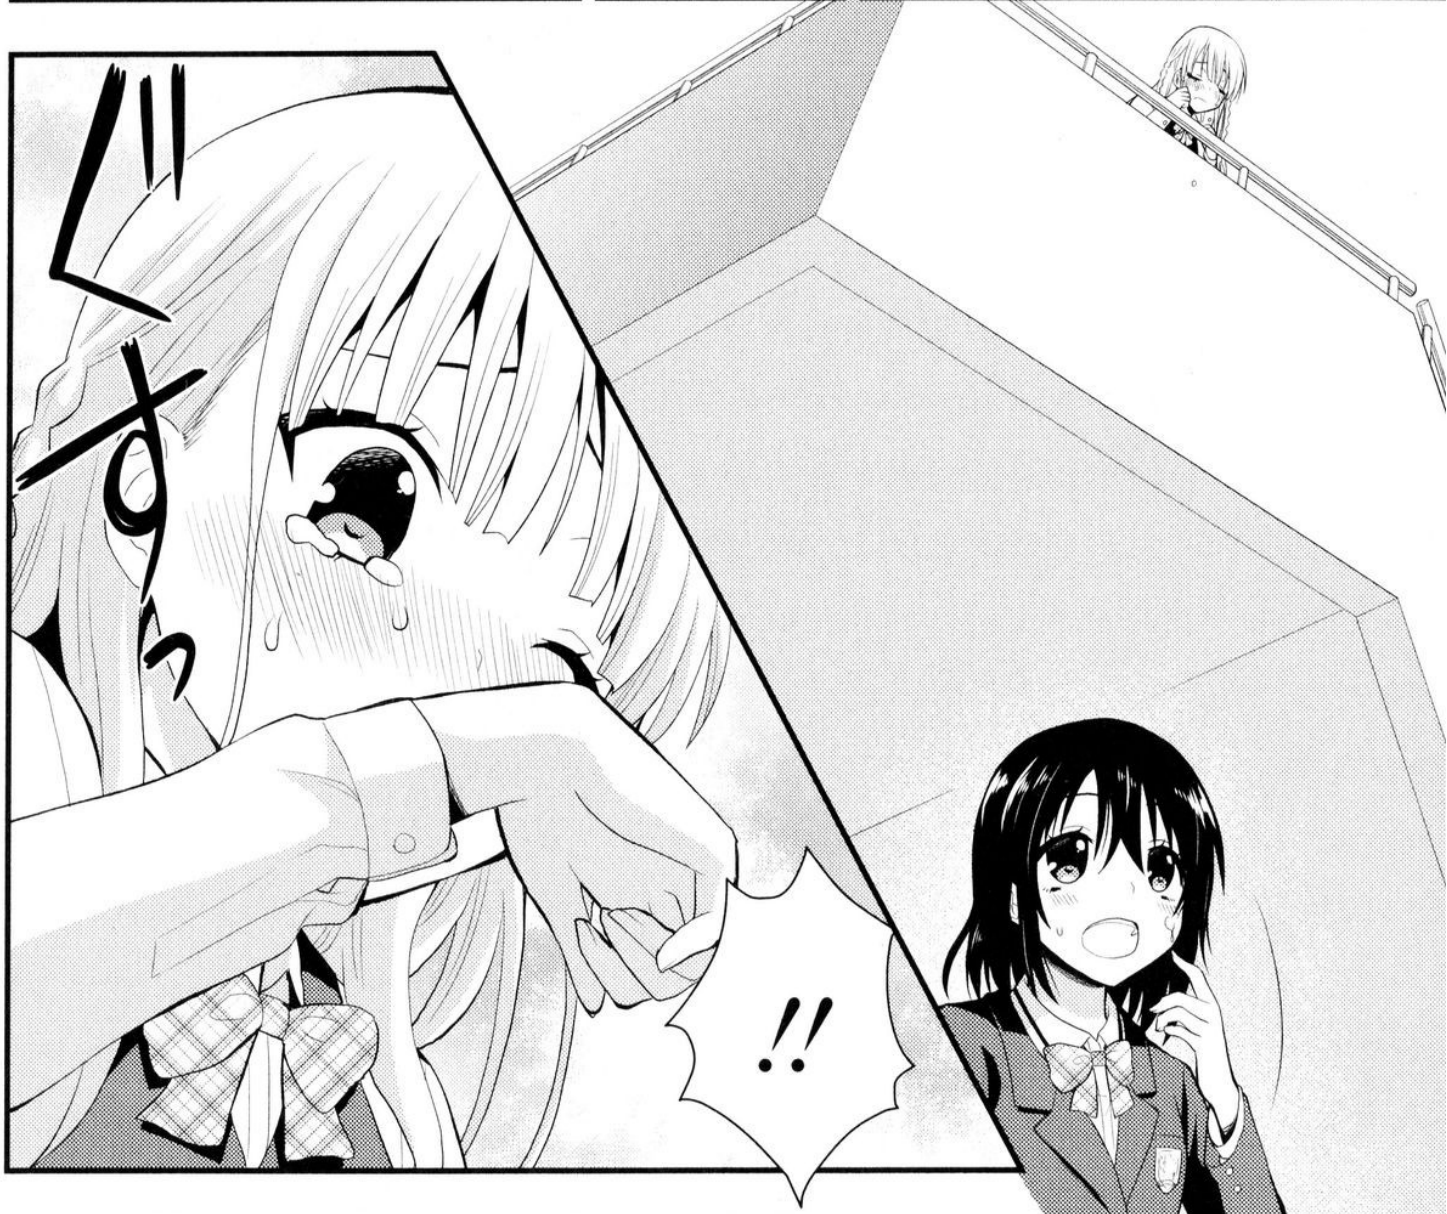

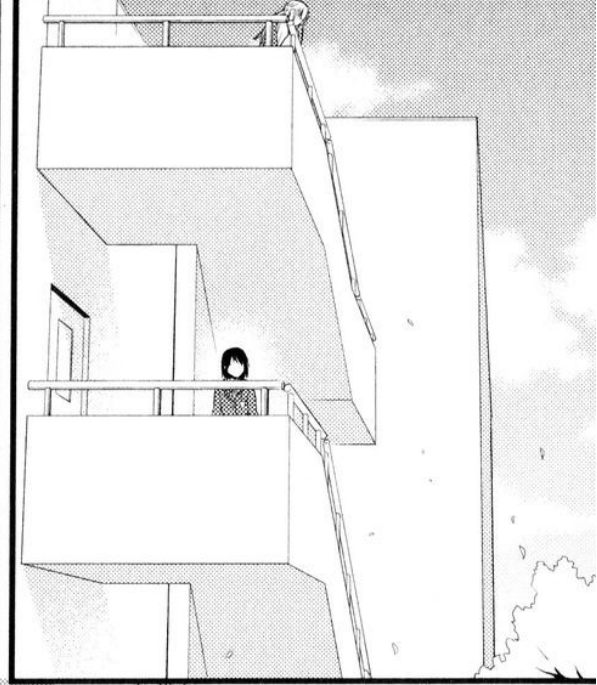

I couldn't tell if it was envy or jealousy that I had for her...

But a feeling that I couldn't put into words started stirring up in my chest.

And one day, when the cherry blossoms were fluttering...

A "tear" that dropped from above the stairs became the start to our story.

...But... Can I really just leave her alone...?

The emergency staircase, one flight under the locked rooftop.

In a place nobody would go... That's where she was.

Um... Are you okay?

U...
Ah...

Er...

There was something lyrical and captivating about it.

Drenched in tears, she was different from her usual, elegant self.

Uuu...

I'm sorry for jumping at you...

Uwaaaaaaa!

U-um...

It's fine! Don't worry about it!

You surprised me though ...

...I wonder what happened?

There, there.

...I was remembering about when I got my heart broken...
And I just got really sad somehow.

Sure! What is it?

Sniffle
...Can I... ask you for something?

Heart broken? So that can happen to a girl as pretty as her too, huh?

...U... Um...
Well...

...Can I kiss you?

Wha?!

Um! Excuse me...!

Just this once... Please...
What is she doing?!

Whaaaaa?! No... That's...! I'm not sure that's really...!

Haa...

Huh?!
W-wait!

Um...

But...
I can't stop
myself...

...I'm
sorry.

Y-y-y...!
You really
did it!!

Ahn!
Nnn

...Just this once...

Nnn!
Sorry... I know I'm weird...

The thing I'm touching right now is...!! No way...!!

This is the first time I'm touching someone else there...

So hot... She must be feeling really embarrassed too...

Is she getting turned on from my finger...?

あーん

It's not like I don't know how that feels like, or... I think everyone does...

You're so nice, Senpai...

Sorry I made you see something embarrassing.

N-no, it's okay.
I was surprised... but it isn't weird.

This is... wrong, but...

I... I said no... Fwah...!

...It feels so good... It's strange...!

I'm... doing something I shouldn't, but...!!

I can't resist...!!
