✕ Afterword ✕

Just imagining a girl feigning calmness so nobody notices the vibrator in her panties, while writhing from having a it tied on down there gets you going, doesn't it? This book was focused on somewhat atypical tastes, but hopefully it was to your liking, everyone? This is smack bang on my preferences, so I enjoyed making it.

I am open to your mail, opinions, complaints, criticisms, appeals and so on. Please give me your thoughts on social media!

Farewell everyone.

✕ Afterword ✕

I got such enthusiastic praise for the concept of girls with vibrators inside their panties after my previous work that I made a second volume.

The sailor uniform girl and the maid appearing in this volume are the same character.

The preview images below, a sister volume “Handjobs, Footjobs and Some Nipple Teasing With a Side of Verbal Abuse” is an illustration collection with some of the girls introduced here engaging in the titular handjobs, footjobs, and nipple teasing.

Plans for a downloadable release coming soon.
