

安眠を求めて

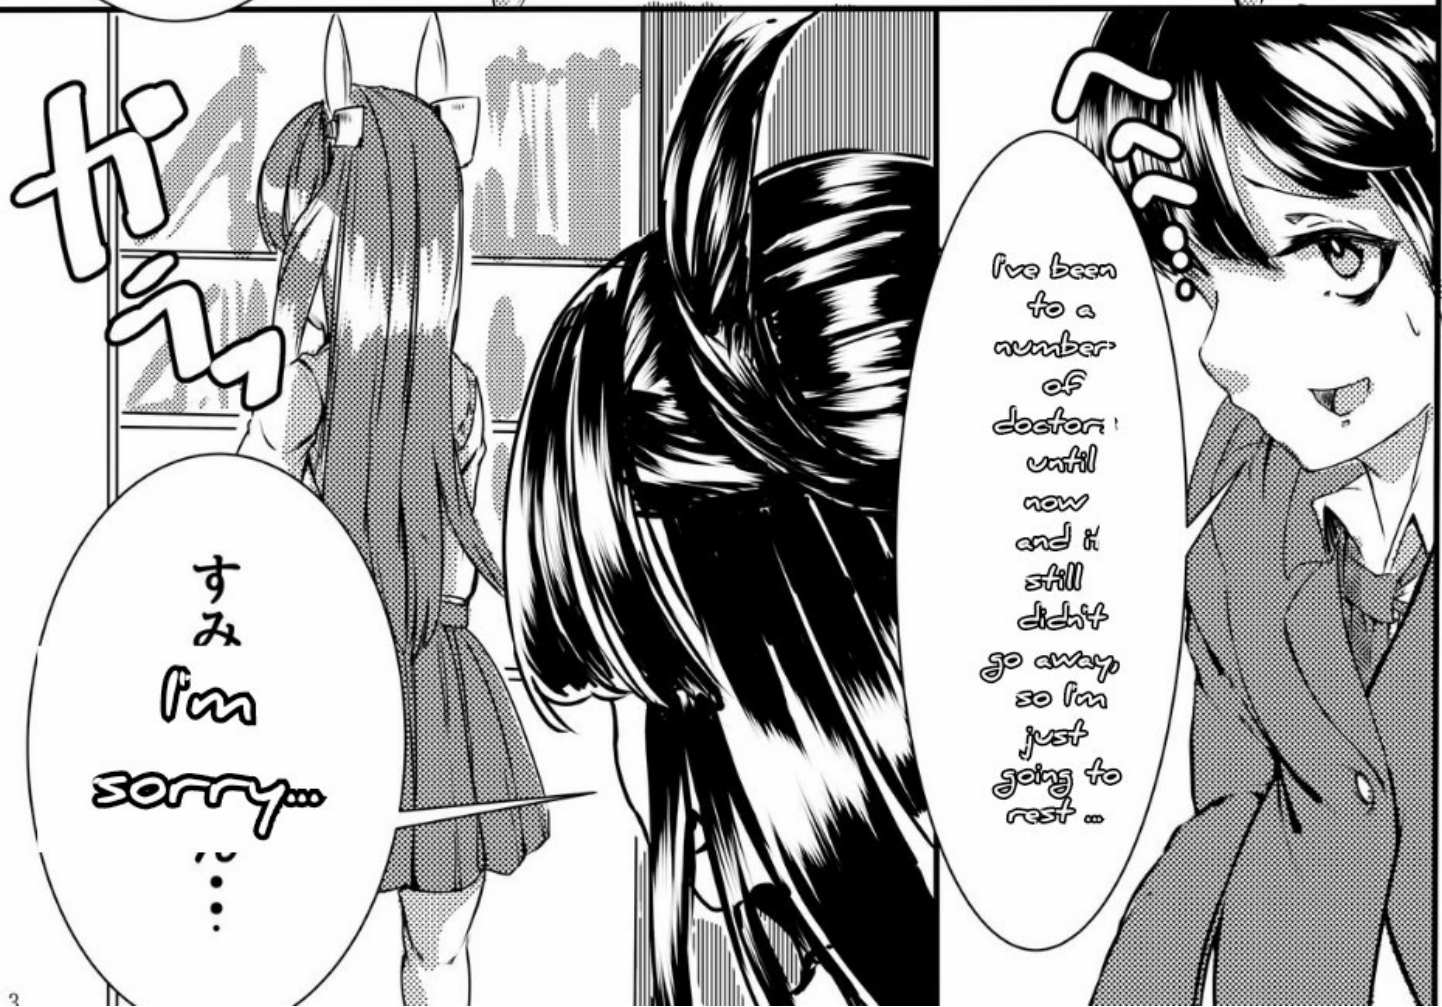

その人の胎に

If you
go here,
there are
people who
can cure
any insomnia
and stress
quickly ...

I was
told
that
I
couldn't
sleep in
recently.
So
someone
said to
come
here...

すみ
I'm
sorry...

I've been
to a
number
of
doctors
until
now
and it
still
didn't
go away
so I'm
just
going to
rest ...

Hello!
Looking
for
some
thing?

Hello.

Oh

えっ何!?

Why is
this
woman's
stomach
so
big!?

Will I be cured if I enter?

ふふふ

It can't
be
helped,
this is
also for
people.

I
didn't
want
to
add
more
the
two.

Oh if

So if
someone
wants
to

"Should I

I just
thought
about it
and it
entered in
so
smoothly .

When I
switched
to
new
bedding,
I finally
couldn't
fit it in
my bag
with
my
