

唔...天恩真

Eunhye's Supermarket 01

Even before the entrance ceremony, I had the formula of college life = dating

But on the day of the entrance ceremony, I knew my formula was ruined

I didn't know there were so many guys in science...

There was no way out

But there was one hope in this place...

That hope...

A fresh smile...
The innocence of that sister

The super goddess in front
of the school...

Enufay, who has a pretty
face, cute, and smart,
belonging to all of us

No one has really
talked to her before,
but everyone thinks
the same thing...

She is the best part of
this supermarket.
