

On that day,
I was supposed
to meet my
Friend in front
of the old Jizo*
statue,
our playground
from the old
days.

But...
What I
Found
there
was...

*Patron bodhisattva of children, women, and travellers.

Alone,
half-naked
woman,
sleeping
soundly
on the
ground...

She's cute...
I mean,
what's she
doing sleeping
out here like
this?!

I
forgot
about
my
friends
entirely...

In that
moment,
I just
couldn't
control
myself.

I'm not
dreaming...
She...
She's a
real girl...!!

Thinking about it later, doing something like that in front of a Jizo statue... No punishment would be too great.

I totally lost all control.

But...

Atoy like this...

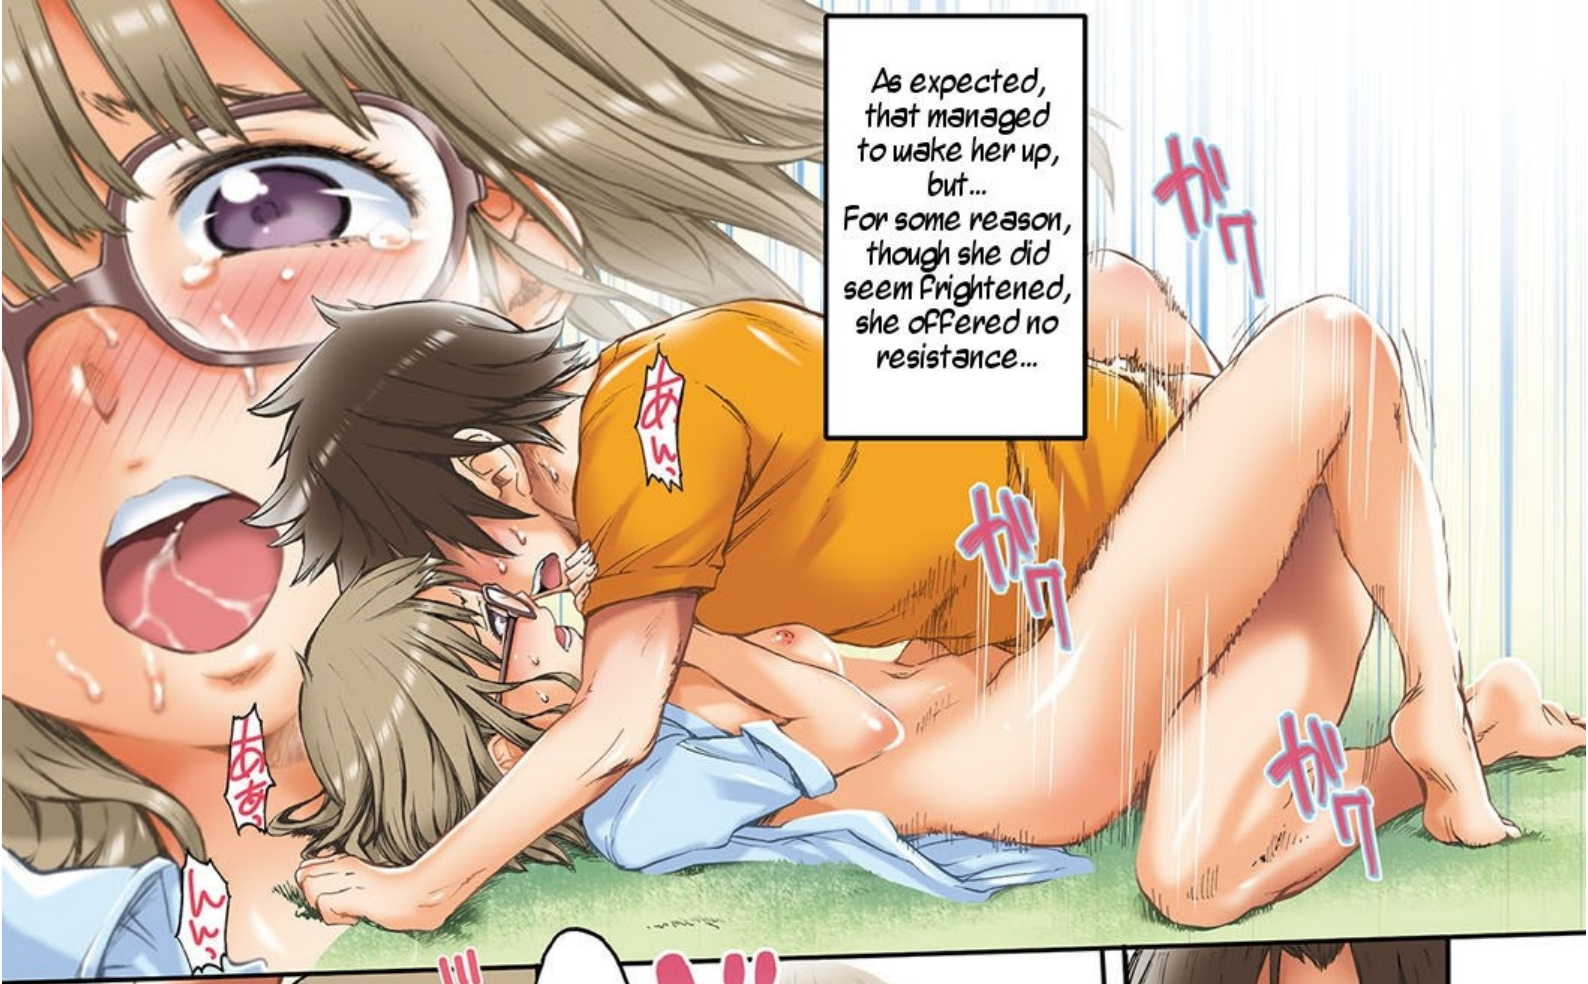

I was so enthralled with her cuteness and her body, there was nothing I could do to stop myself.

Hyah!!

A real one feels way better!

As expected, that managed to wake her up, but... For some reason, though she did seem frightened, she offered no resistance...

I'm gonna let you feel even better!

I don't know why, but we really seem to go well together!

O... Don't! Don't put it in!!

Huh?

STOP!!

What is it...? What happened?

Wh... What ...?

I'm sorry.

Even though our first encounter was the worst, there's no way I can ever forget her!

So please let me see her again!!

I don't know her name or how to find her!

What am I gonna do now...? Jizo-sama...

PLEASE!!

I have to go home!!

Eh?!

Wait!!

THE
NEXT
DAY

Really?
Thanks,
Kakeru.

Sure
thing!

We'll hang
some
other
time.

Okay.

Sorry
about
yester-
day,
Kakeru.

I
started
feeling
sick out
of the
blue.

Well...
In the
mean-
time,
I was
up to
some-
thing
else
anyway...

あ

It's no
problem
at all,
Toru.

I want
to see
her
again so
badly...

I still really
wish I had
seized the
moment and
chased
after her...

okay,
everyone
take a
seat.

FOURTH PERIOD

I can't take it off in front of everyone...

R... Right now...

Sorry! Just passing by...

Sorry!

Hm?

Kakeru?

Am I wearing a bra??!!

Why in the world ...

What's going on!!?

A... A bra?!

Is this a bad dream or some kind of spell? Did I get hit with a divine curse?!

I've turned into a woman!!

This has gotta be punishment for what I did yesterday...!

What the hell is going on?!!

You said a prayer to that statue of Jizo-sama, didn't you?

Kakeru.

I should have told you sooner.

I'm Toru.

What?! It's... you!!

No way... You too...

There's a lot for us to talk about, so let's get out of here.

Uh... Ok.

But there's no way...

That voice is... Toru?!

#!#!#!...

That can be...

Then yesterday... At the Jizo statue...

There's no question that I prayed to be able to see the female version of Toru again, but...

Maybe you need to use a prayer flag...?

If you make an improper prayer to this Jizo statue, it strikes you with a curse...

That turns you into a girl..!

So my condition is that if I take off the bra and expose my nipples, I turn into a girl!!

I've tried everything to not turn back, but no matter what... If you do a certain thing, you take on the appearance of a woman...

So that's why when I...

Now I get it!

If this ever gets pulled out of my asshole, I transform into a woman!!

Whoa!!

Huh?

Right! And my condition is... this!

Going back even further... I made my improper prayer over eight years ago!

Eight years?!

The reason that I look like a girl is...

No, my case is different!!

I'm so sorry! I did such a horrible thing to you yesterday... Even if I did get cursed, there's nothing I can do...

I made my wish because...

I'm...

In love with Kakeru!

To tell the truth...

F... For real?!

And so I thought-
lessly said a
prayer to
this Jizo
statue.

I didn't
know
what to
do.

Ever since
third grade,
I started to
realize that
those Feelings
of Friendship
I Felt toward
you...

Were
day by day
chang-
ing into
thoughts
of
love...

I'm the
only one
to blame
for my
punish-
ment.

It's
all...
my...
Fault...

But
it's
different
for
Kakeru...

You never
would've
become a girl
if I hadn't had
sex with you
yesterday!!

KOKORO!

Eh!!

fwan!

Y'know, when all is said and done... This really does feel like the body of the girl I had sex with yesterday.

Kakeru!

What are you...?!

Wait!!

MMMMM!!

Hya!!

Kakeru!!

I will never be able to forget meeting that beautiful GIRL yesterday...

From the very first moment I saw her, I was in love... And I said a secret prayer to the Jizo statue.

If this is how the prayer was answered, it can't be helped!

Kakeru...

I know now that you've been miserable for the past eight years and feel responsible for what happened to me...

But...!!

Kakeru, why would you put that thing in all of a sudden?!

Have Fun?

So don't think about this too hard!!

So today I'll be the woman!

Yesterday I played the male role...

Eh? Then, I'm the male role?

Instead, let's just have Fun!

So hurry up and take 'em off!

Oh, Ok!

P... please be gentle...

For sure!

It's cool that we get to experience both sides!!

I will.

It's in!

んあ〜ん!!

んあ〜ん!!

んあ〜ん!!

んあ〜ん!!

んあ〜ん!!

Hya!

Toru, you idiot...! You got so intense all of a sudden!!

Kakeru... The way you're tightening around me feels so good...!

Deep inside of me...!!

It's so warm... And hard...

So...
Amazing...!
Every time he
thrusts into me...
It makes me
want more...
It feels like I'm
losing my mind
to his dick...!

I want it...
I want
more...! ♥
Cock...!! ♥
Cock...!! ♥

I want
Toru's
cock
even
deeper
...! ♥

Ka... keru... I'm just about to...

Here...!!

Here it comes...!!

It's okay...!!

I'm cumming!! I'm cumming!! Aahh!!

Just shoot it into me!!

Yeah...

I still find myself wondering why exactly I was turned into a girl...

Whenever Toru turns into a girl, I'll be a guy... And whenever I turn into a girl, it'll be the opposite!

Y'know, if you really think about it, turning into a girl isn't much of a punishment at all!

Our love that started from a curse.

Yeah, that sounds right to me.

Maybe someone was just trying to teach me a new way to love.
