Girls your age are really bad at asking for things. Well, let me ask instead

Ha ha ha

Kyousuke-saan~!!

No! Balloons are for kids! N-

Let me guess... You want it?

We accidentally met after 4 years. Then things happen and now we're dating.

Yuki-chan was my student back then when I was a home tutor.

Are you Sensei?!

Sen-sei...?!

小学 3年 算数 ドリル

I've liked you for a long time...!!

Now now, just think of it as a present from me, alright?

I-I've never said that I want one!

Sorry I didn't ask what color you want.
Is pink fine?

But maybe because of our age gap, she tried to act more mature.

Ceez ...

Thank you...

Ehehe ♡

But I'm already happy with your childish side.

Pardon the interruption

Haa

Well,

I'm partly to blame for that matter.

Kyousuke-san... ♡

Let's have...

Let's have sex ♡

I'm the one who made her this way.

So I kept on thinking whether she's forcing herself or not.

Eh... Do you hate a bad girl...?

I love it, but it makes me worry

But when you love someone, anything can happen.

Yuki-chan, you've become such a bad girl

Hey, can I put it in? I'm putting it in

Kya!

Forgive me Yuki-chan!

Eh
Um

You don't have force yourself to act like a grown-up

Yuki-chan,
you see

Kyou-suke-san...

Just grow...
...on your pace

I always love you just the way you are

You don't have to always keep me in mind

S-so what I'm saying is that you don't have to force yourself! And I will hold myself to that!!

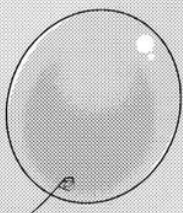

W-well...

That's not something you should say after having a sex with a child

M-may-be...

W

FuFu

I will stop forcing myself to act like a grown-up

As you say,

Yuki-chan...?

But, I have a wish.

So I may become a proper grown-up...

Of course she is...

It'll still take some years for her to be legal...

From this day onward, please stay by my side

And teach me more things, okay?

あとがき

初めましてこんにちは。こしのです。
夏休み入りたてくらいのJC2が一番好きです。こしのです。
女の子の成長は大人が思ってるよりも早く、だからこそ
少女期間がめっちゃ尊いのでえっちなことしたい。こしのです。

夕季ちゃんの髪型が最後違うのは作画ミスではなく、門限ギリギリになりそうだったから急いで整えて出て来たからです。

エロ漫画として至らぬ点が多々ありお恥ずかしいのですが
皆さんの良きシコシコライフのお供になったら嬉しいです。
それでは、またどこかでお会いできることを願いつつ。
ここまで読んでくださりありがとうございました！
