Girls' Changing Room Rhythmic Gymnastics Club

t o m o o s h i m a & t o w a o s h i m a

I told you not to encroach into our space, didn't I!?!?

Hey! You people in the artistic gymnastics club!

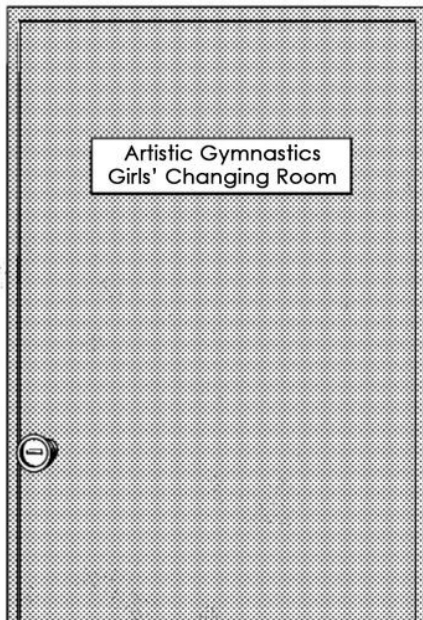

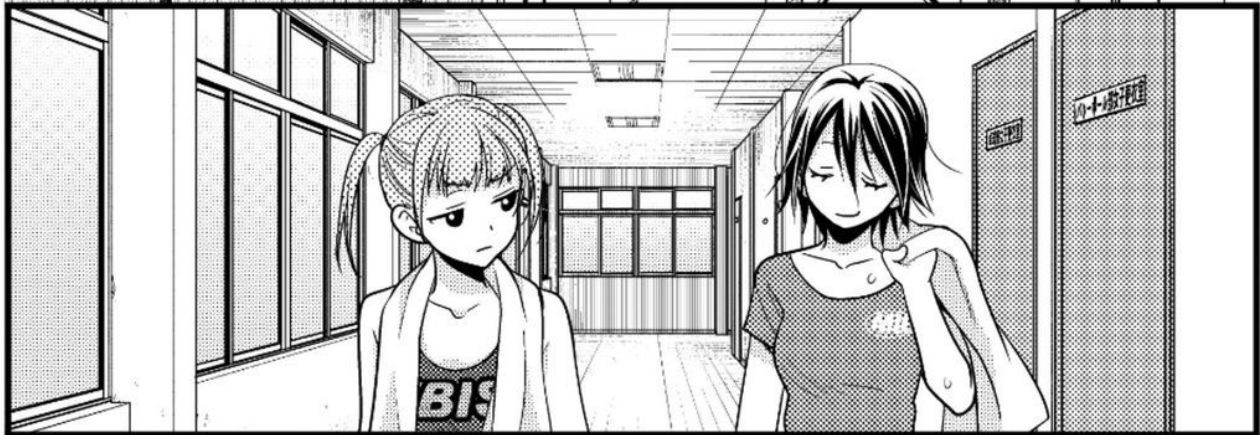

Aah, sorry, it's 'cause we have a lot of equipment

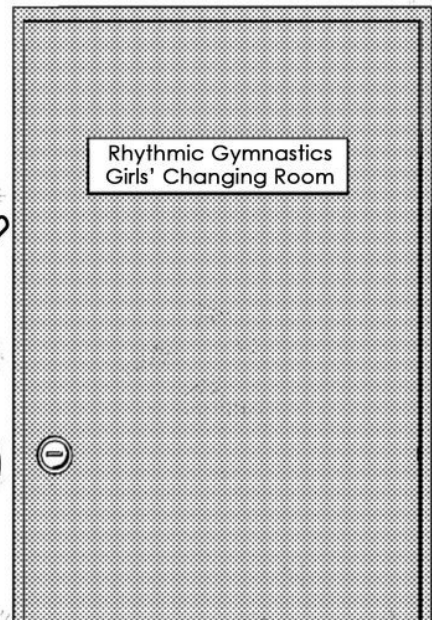

and a lot of members too!

Ghh...

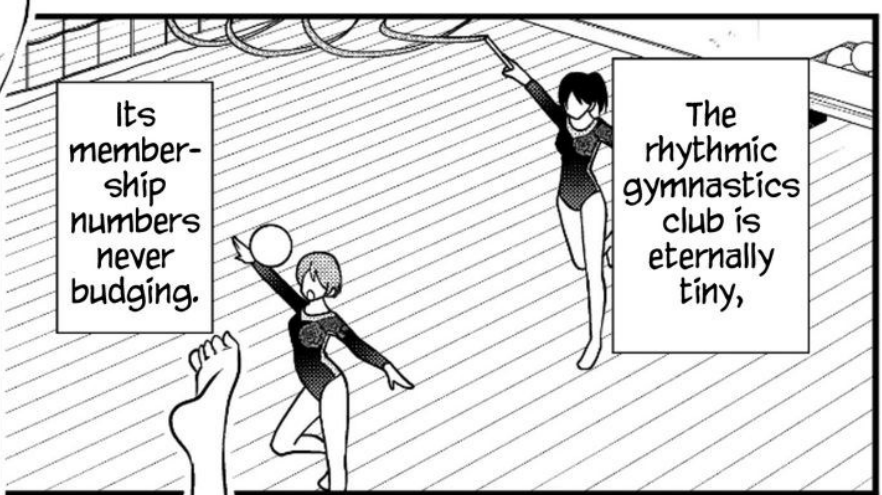

Slam!

Haah...
I said
something
rude
again...

I'm Akane,
the head of
the rhythmic
gymnastics
club.

Its
member-
ship
numbers
never
budging.

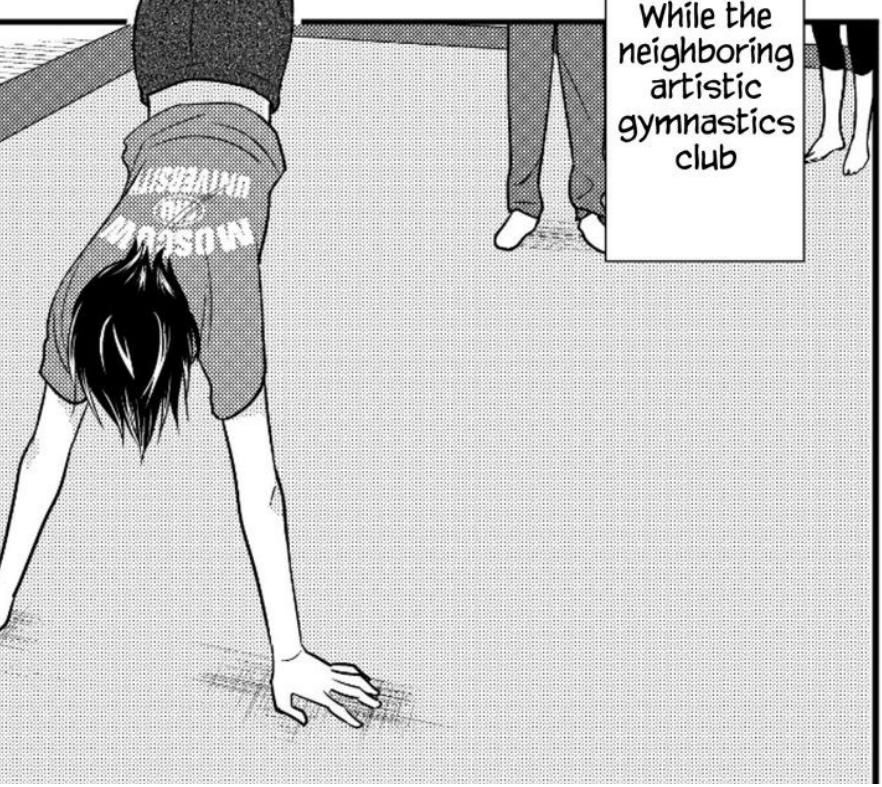

The
rhythmic
gymnastics
club is
eternally
tiny,

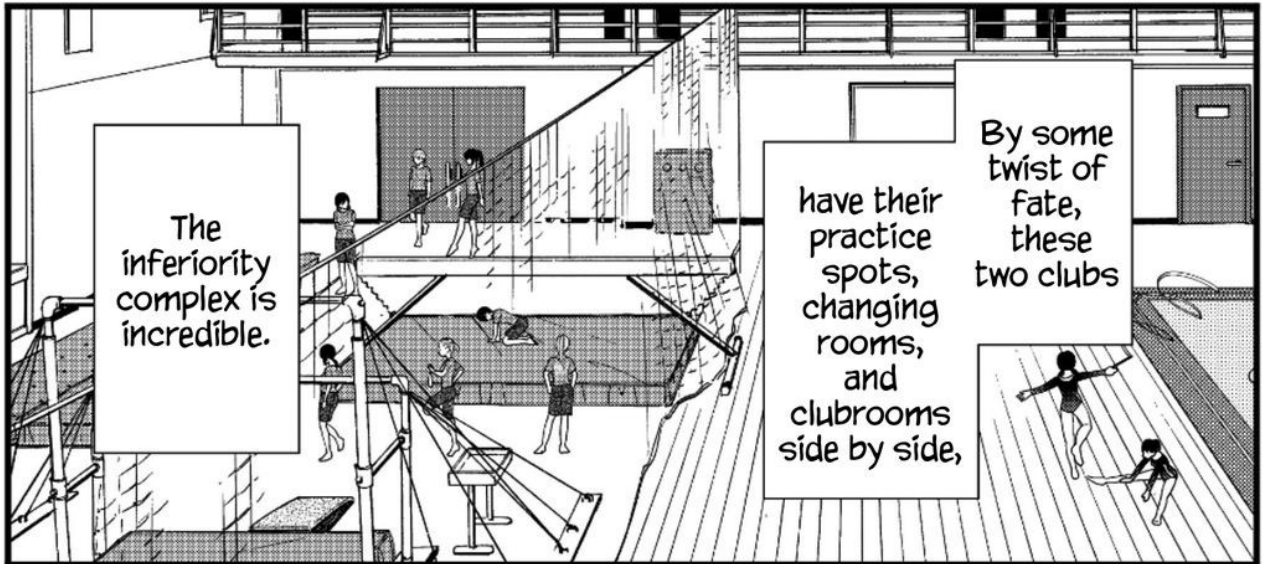

While the
neighboring
artistic
gymnastics
club

has made
splendid
achievements
such as
making to
the national
tournament.

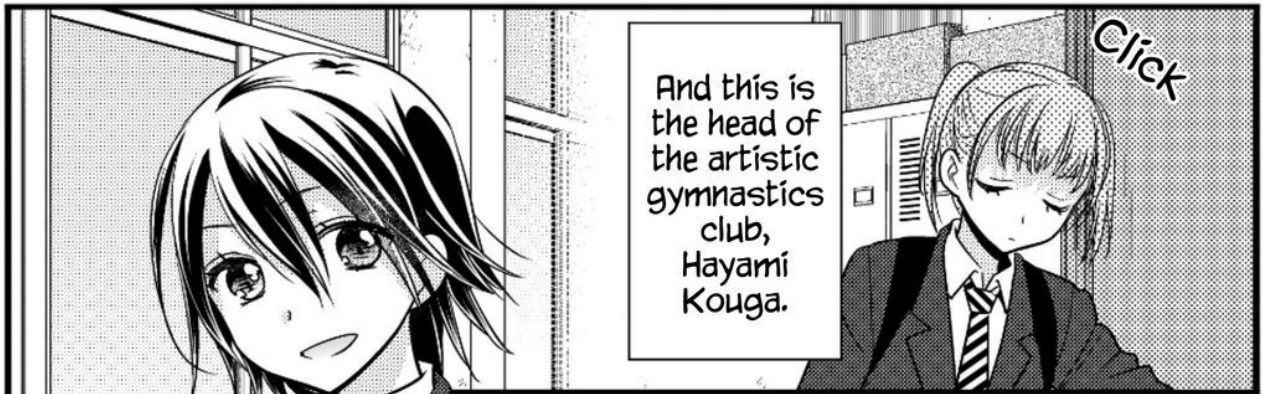

The inferiority complex is incredible.

have their practice spots, changing rooms, and clubrooms side by side,

By some twist of fate, these two clubs

And this is the head of the artistic gymnastics club, Hayami Kouga.

Click

Oh

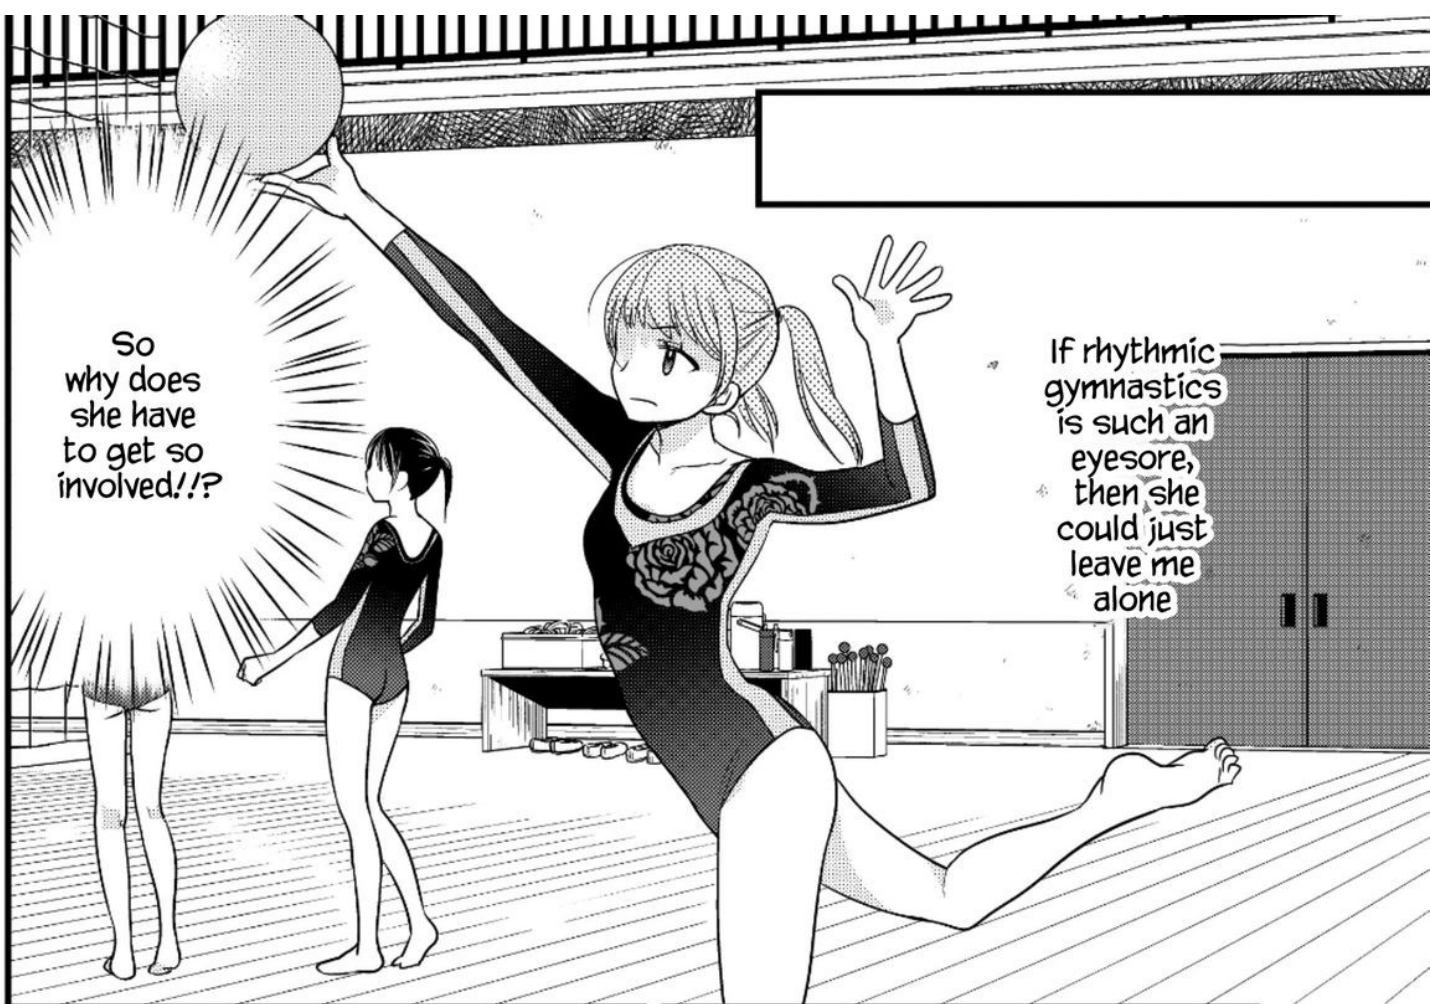

Eh

Akaneee!
I saw it, your practice today♪

Is a really annoying person!

So why does she have to get so involved!!?

If rhythmic gymnastics is such an eyesore, then she could just leave me alone

Sure, just watch

Hey Captain! Please show us that routine again!

'cause I'm giving it all I got.

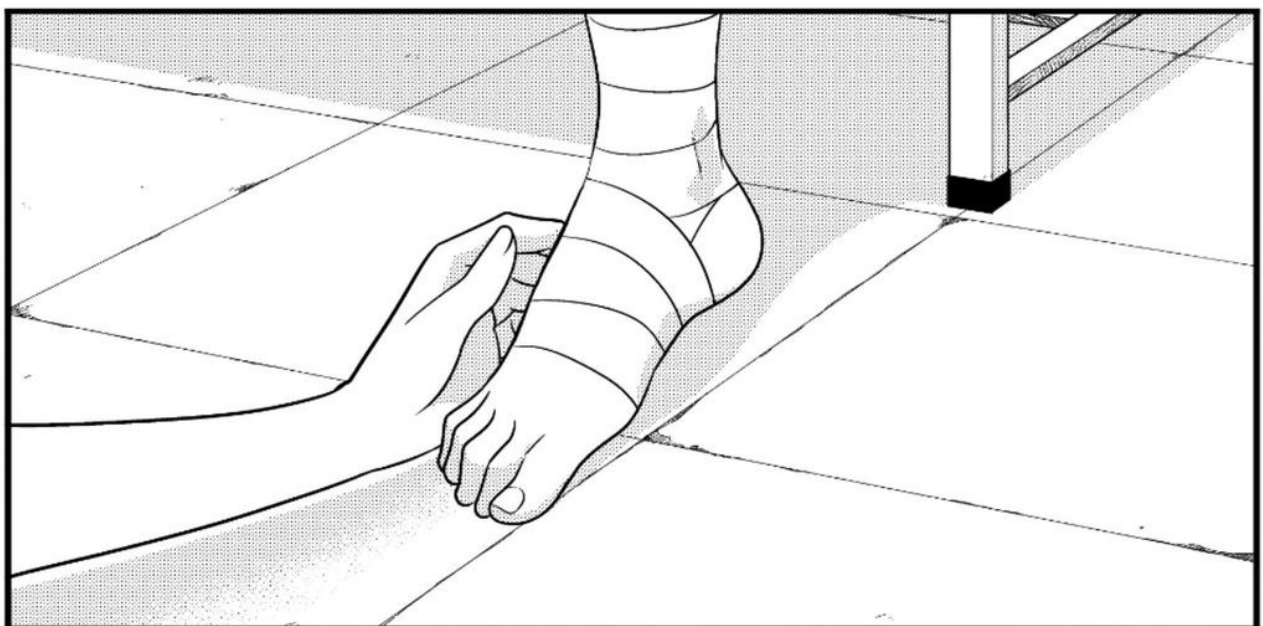

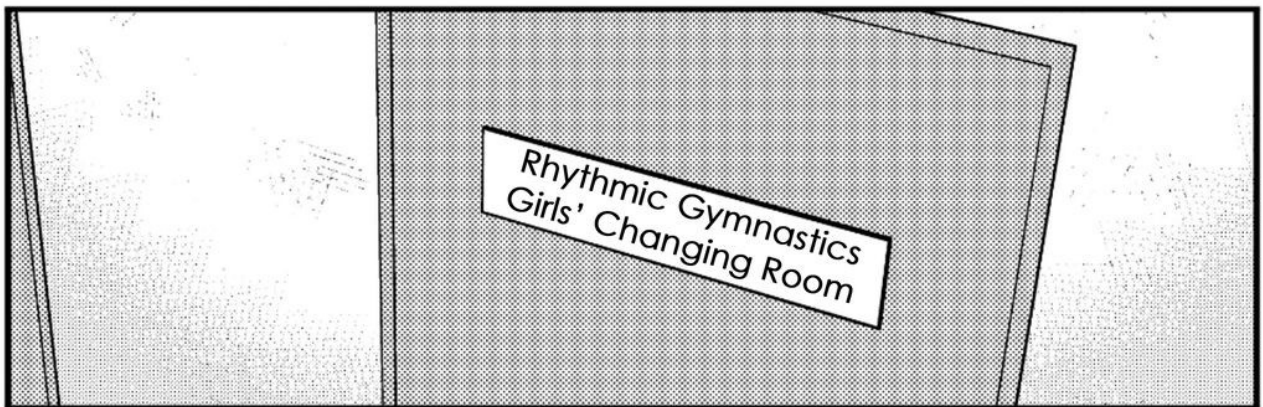

but I'm a club head in my own way,

It may not be on your level,

Is it a cold?
See, you're hot

Something seemed off about you today

!

'Cause I used up all of my stamina!

I was so annoyed, that I overdid my strength training

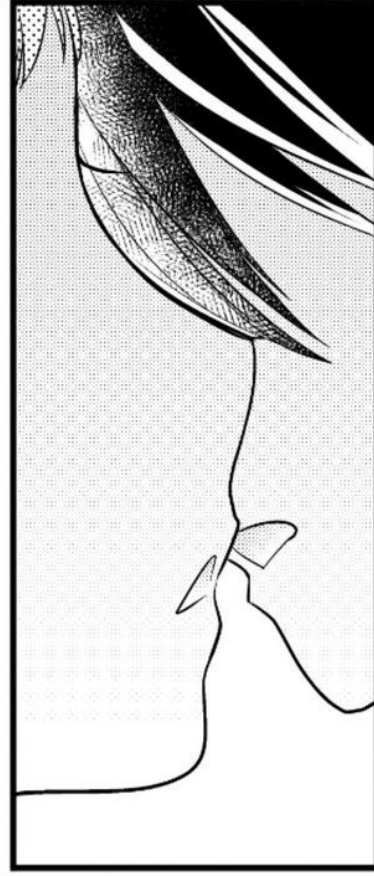

It's half your fault too!

It's ...it's nothing, really!

...it's just...

...Then, that's fair, but

Ehh?

No way I'd do that to you

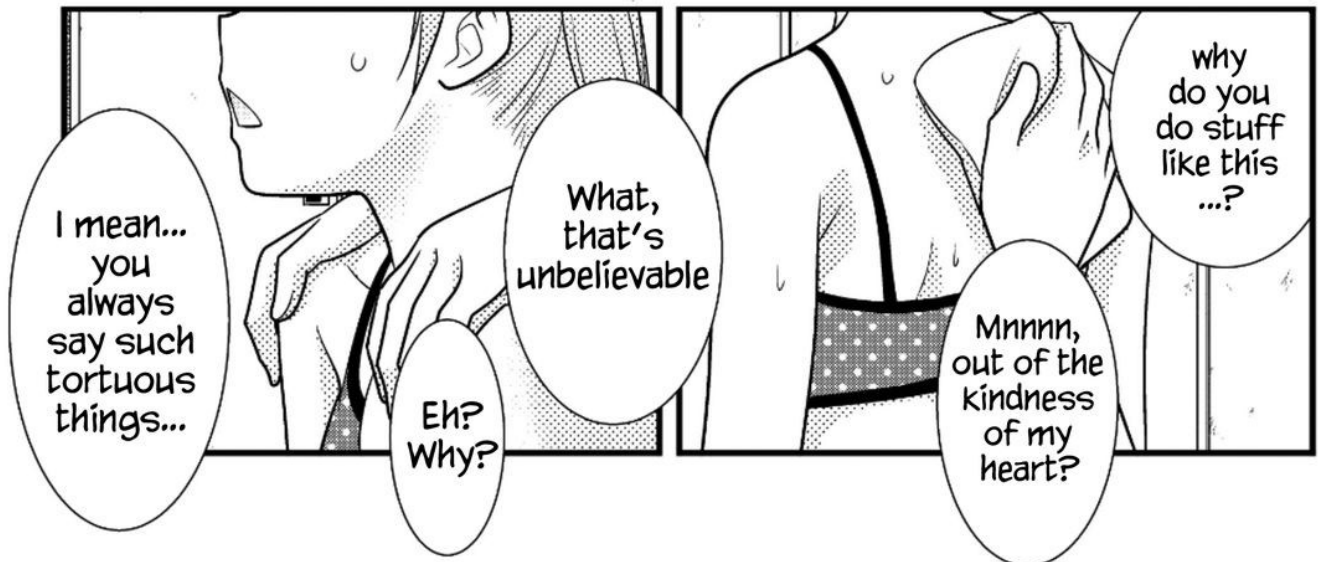

Bullying?

If...if this isn't bullying, then...

Here, I'll wipe you off and let you up

I mean... you always say such tortuous things...

Eh? Why?

What, that's unbelievable

Mnnnn, out of the kindness of my heart?

why do you do stuff like this ...?

'Cause it's your fault for always teasing me!!

I don't sense anything good from this!!

Hey!

What do you mean by just once!?

Keep quiet a bit more,

okay?

Just once

Grand Duck

-Ahh...

Ahh

Too ... too much, you say

It's too much

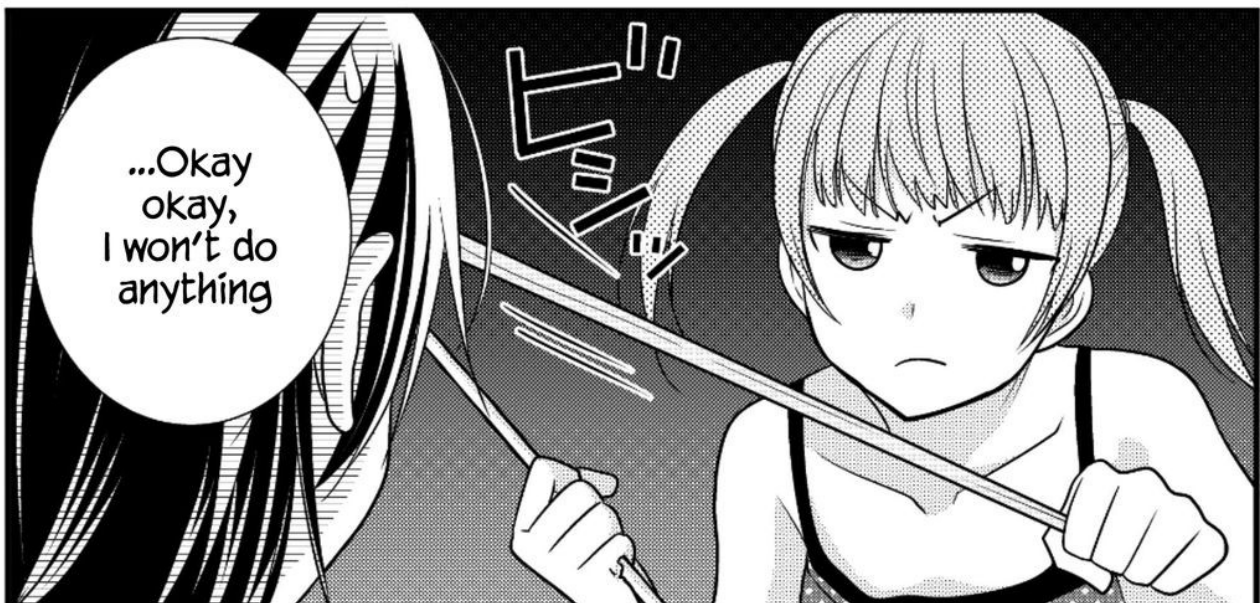

this voice is cute

Oh dear...

Hey... sto-

At
least for
today,

...okay?

What's
with that
blatant
sigh!?

Hhah~
Then go
change,
I guess,
'cause I'll
see ya
home

Let
me
down!

So this
is a new
kind of
bullying,
right!?

Hey,
what is
this!?
This is
way too
attention
grabbing

Aaah,
yes,

such
soft
thighs

What's
that
about!?

Thank you for reading.

The other original yuri series "After School" that is being published at the same time are about two girls who aren't yet lovers, so I thought to depict a story about lovers in "Girls Changing Room"... or so I decided, but I thought of the characters first, and when I set them in motion, it turned out like this.

It is the club that the author (Towa) was a member of in her school years, so there's a special attachment, and I'd want to write a continuation of these two characters... (and if possible, all the way to a happy end...!)

I look forward to future dealings whenever there's a continuation published.
