Recently, lactating without being pregnant known as "Puberty Colostrum" has been trending within many girls-only schools.

Of course, this phenomenon poses no harm and goes away naturally with growth. It becomes a common sight in the school's everyday life.

Wanna go to the infirmary and milk it out?  
I'm fine... we have a test soon, so I'll just hold on in the classroom.

Me! me~ I'm certified first place in the national milking solo division. I will do the milking~

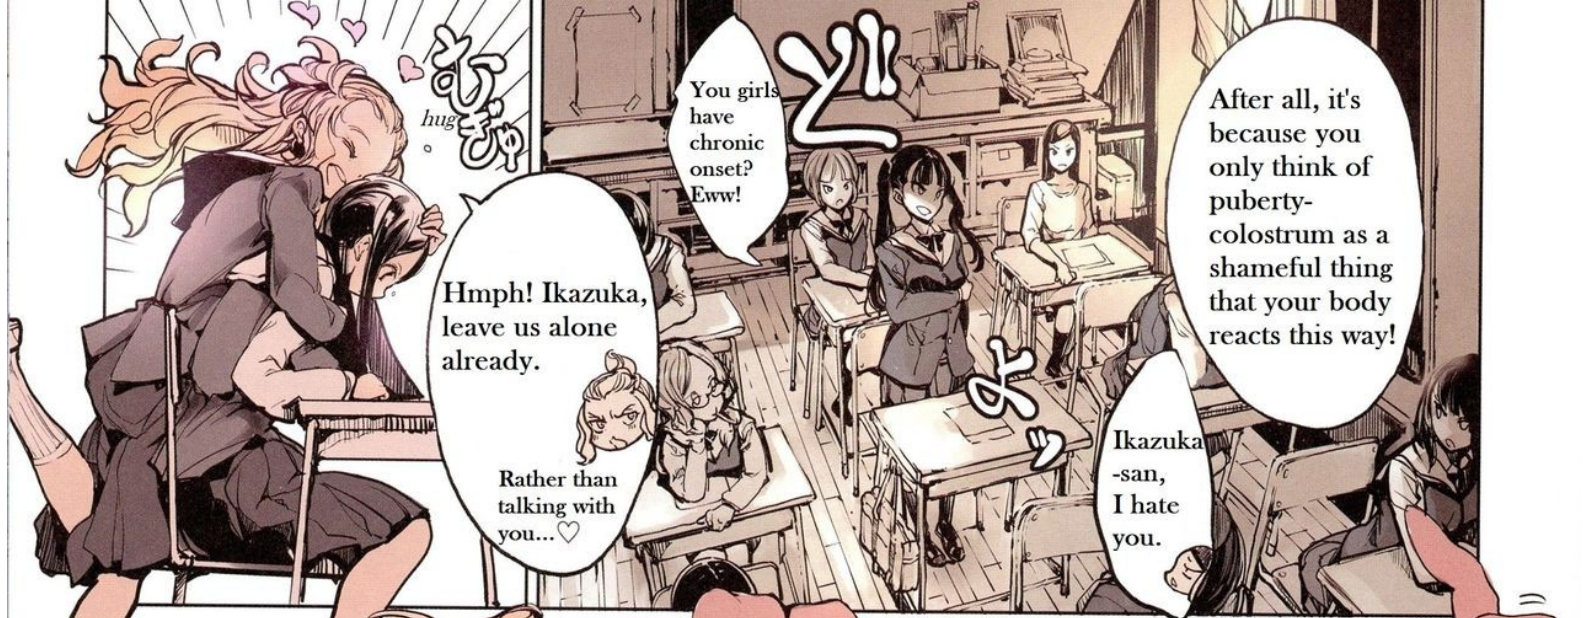

Well then, let's have someone milk Kottoi-san's breasts while class resumes.

Hmm, I need someone who has gotten used to this....

"certified?" I call bullshit

あははは

hug

You girls have chronic onset? Eww!

うん

After all, it's because you only think of puberty-colostrum as a shameful thing that your body reacts this way!

Hmph! Ikazuka, leave us alone already.

Rather than talking with you...♡

Ikazuka-san, I hate you.

Allow my humble god finger to help you unload the floodgates in order to wring out all the stress... hehehe

Mmm... If it's you, Kuriko, that's fine...

Waah... so heavy

wtf is "god finger"

たぶん

えっ

For some strange reason, it looks like a pregnant belly...

Breath in~  
breath out~  
Relax...  
Fuu- fuu-

...that,  
are you a  
midwife?

Waa... your  
breasts really  
are big.

Like a water-  
balloon  
packed full  
with milk...

Ah!

Geez,  
please  
don't  
play with  
me like  
that...♥

my bad,  
my bad

It's like  
she had  
a mini  
orgasm

Sorry, I  
slipped!

Sink into the interior of the erect nipple and continue to knead and repeat. When you feel that the milk is about to discharge, push in tight just like the feeling of capping the lid.

If you're patient with the feeling of milk-ejaculation, it'd be painless. Feels good, doesn't it?

Then, I'll do it seriously. My nipple and Kottoi's nipple shape are very similar, so let me teach my secret technique

むむむ

あふ

Ah! Is it because it feels too good that you moan so much? For myself, doing it in the house and having family hear it is embarrassing.

But, leaking this amount is too much. How many days have you neglected milking?

The milk is coming! We're not there yet! Keep stimulating with circular kneading so it erects more!

Are you cumming? Hold it in!

Release it all at once!

Collect more milk! more more more!

Looks like she feels good

Hey Kottoi...  
Your moans are  
loud... as expected,  
you produce too  
much breast milk...  
At this point, even  
a towel won't be  
enough

Even in a classroom  
packed with  
delicate girls going  
through puberty,  
I'm able to sense  
loud moans and  
sweet milky scent.  
What if it spreads  
through this  
classroom like  
contagious lust? I  
can't even imagine.

You're  
also  
leaking

Kuriko

You're  
kidding?

but

んッ

Well... I guess it's OK.

tho up until junior-high, mine are bigger...

Hey Kuriko-chan... Want to squeeze out your milk together?

no no no, it's 'barrassing doing it in class, and I sympathize with the feelings of classmates whose breast sizes are incomparable with Kattoi's

Haha... you saw through my premature ejaculation?

For sure

Kuriko-chan, it's not over yet, y'know?

Eh ?

What the heck did you bring to school??

Let's continue

Eh? I brought it in every day, and just didn't use it.

Sensei, is that allowed?

Even now, what are you saying?

Wait wait wait! You can't possibly sully a maiden's chastity at school!

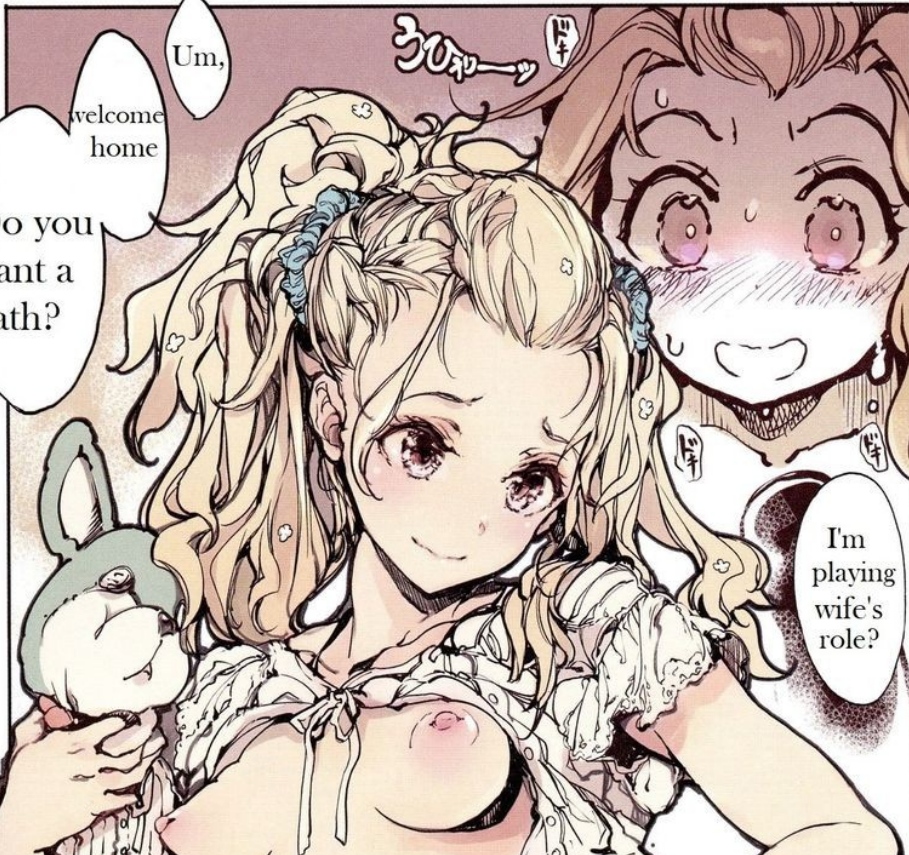

Hm... Let me think. Bringing a double-dildo isn't really explicitly prohibited in the school rules...

course that won't be written down!

scary

Ever since elementary school, didn't you always come to play "house" at night?

Um,  
welcome home  
Do you want a bath?

I'm playing wife's role?

I'm home!

Kuriko-chan, for today's married couple life, I will play the role of the husband!  
*This was in the back of mom's closet*

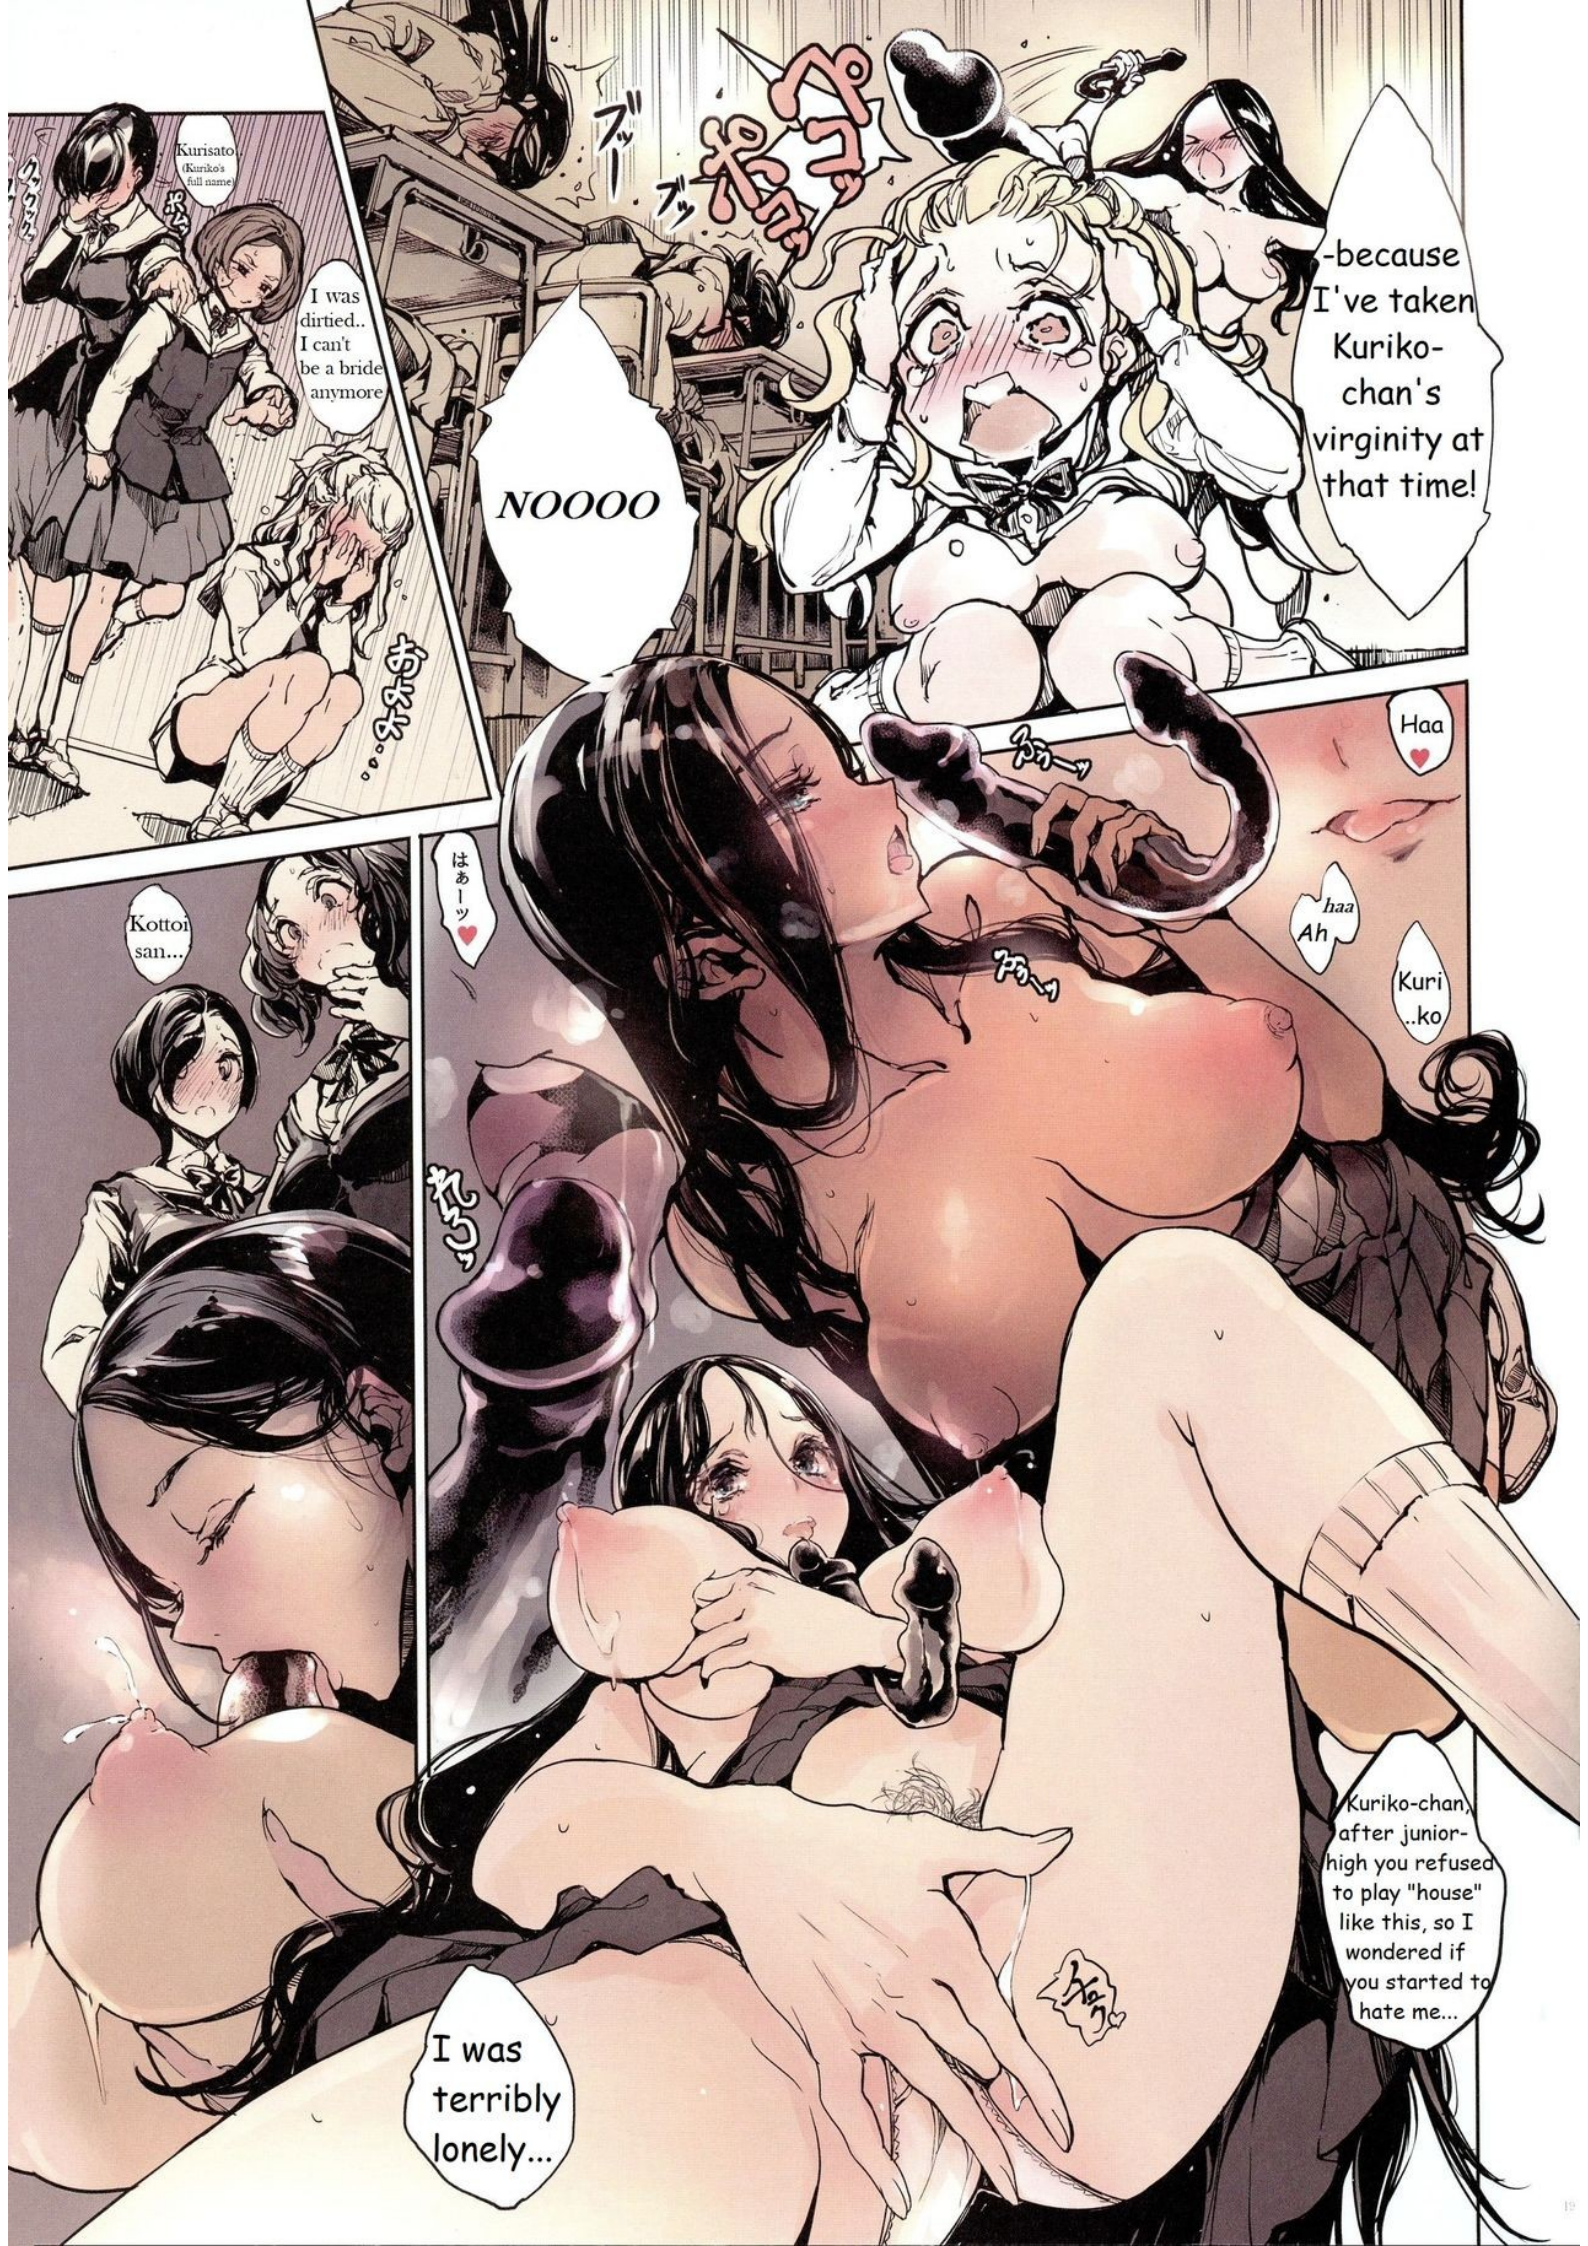

Should we order pizza?  
How about Sushi?  
Microwave some frozen food?

Rather than that... Would you come pamper me? ❤️

Whoa.. Amazing  
so it goes in like so...

Kuriko-chan, just like that time, I'll be playing the dad role

Here! One dad coming right up! ♥

I want your child... Please cum inside me a lot

Today is pregnancy prep, the day before ovulation. I will for sure pour baby batter in Kuriko's vagina~

'cuz today is my super risky day

IKAZUKA-SAN DID NOT MOVE A MUSCLE

■□ あとがき

こんにちは、おはぎさんと申します。

今作は兎に角今まで一番ふるふる漫画にしようとおれこれ考えて描きましたが無駄だったでしょうか？

ネーム段階では一話完結の内容でしたが特牛さんと栗里さんの掛け合いをしっかりとしたエロ場面しようとしてページを増やしたらとんでもない枚数に…、既に表紙を描いた後だった為表紙の雷塚さんのエロシーンがない前後編の内容になりました、この辺りは本当にすいません；後半のネームは出来上がっているの近いうちに必ず出しますッ

わたくしめの座右の銘を一言「エロ漫画はファンタジーです」です。ありえない誇張や設定をかませるのが漫画の醍醐味でありエンターテインメントの基礎ですから変な事はとんとんやろう、が自分の中にあるかばそい漫画論の一つだったりします。

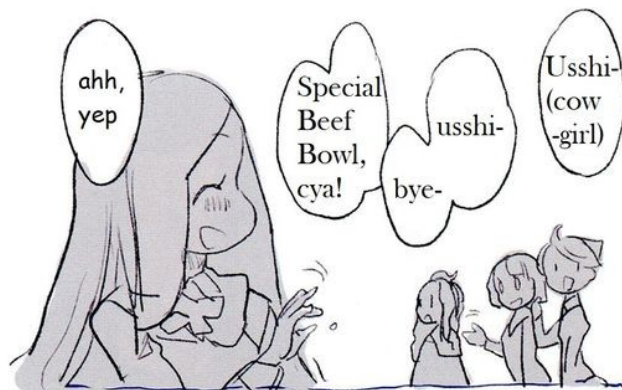

すぐにお分かりと思いますが今作の搾乳と母乳は射精と精液のメタファーです、いわばふたりではなくみつなり、石田三成です（意味不；）。

なので描き始めた当初は共学で男子生徒もいる設定でしたが射精役がいるから女子校でいいじゃないか？

みたいなノリで変更しました、流石はファンタジー世界です；

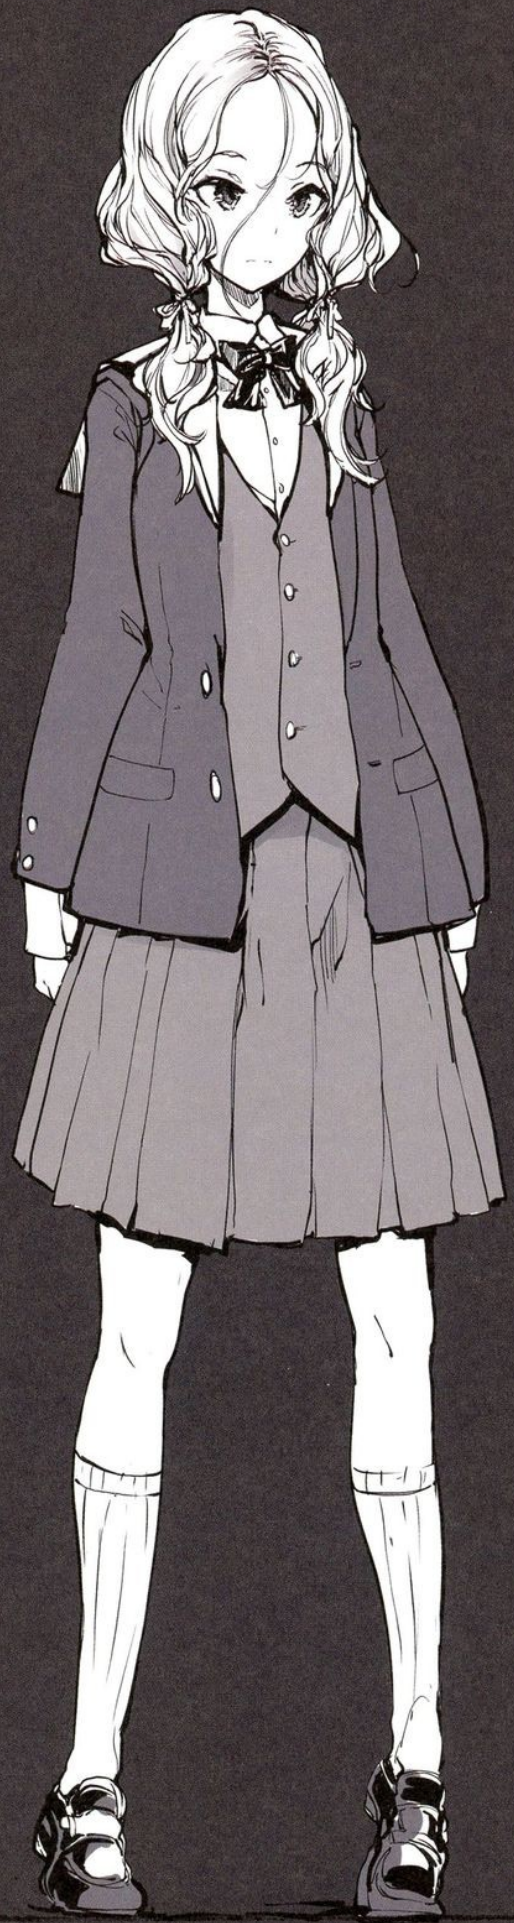

それでは、当誌をお手に取って頂きここまで読んで貰えて感謝感激です、どうぞ機会がありましたら次回作も是非お手に取って下さいませm(\_ \_)m
