BECAUSE OF THAT STRANGE MACHINE, I COULDN'T RESIST IN THE SLIGHTEST. EACH TIME I THOUGHT ABOUT WHY I LET MY GUARD DOWN AT THE START, I FELT WRETCHED.

SINCE THAT DAY, I CONTINUED TO BE FORCED INTO PERVERTED ACTS.

YES, SUNFLOWER-CHAN, IT'S...! IT'S W-WATER TIME.

BEING MADE TO LICK A SHITHOLE ISN'T SOMETHING ONE EVER GETS USED TO. DOING IT WHILE RECITING A SPEECH, NO LESS... I MUST'VE LOOKED LIKE THE VERY EMBODIMENT OF A PERVERT TO ANYONE WHO COULD SEE.

I-I'M SO GRATEFUL THAT I GET TO LICK YOUR ASSHOLE TODAY TOO.

TODAY, I HAD MY PHOTO TAKEN FOR THE BUNBUNMARU NEWSPAPER. OF COURSE, IT CAME WITH A SMILE FORCED BY HYPNOSIS.

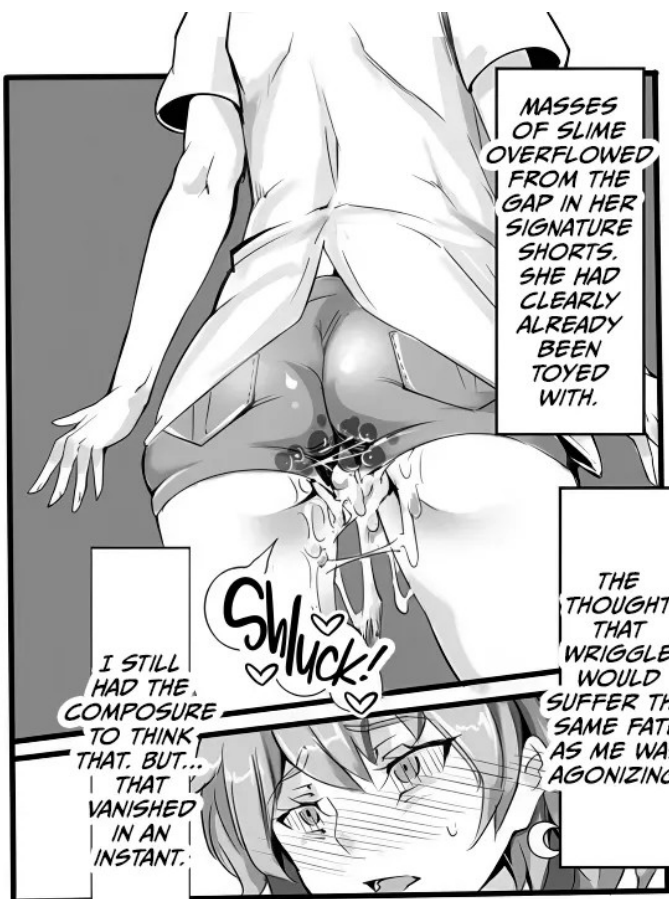

YEEY.

THAT NEWSPAPER, WITH MY PHOTO ON THE FRONT PAGE... I PASTED IT ON THE SHRINE'S BULLETIN BOARD MYSELF. I... HAVE BECOME THE VILLAGE'S OFFICIAL PERVERT.

IF I VOMITED... IF I VOMITED... UGH, I HAD TO CLEAN THAT UP TOO. YOU GET WHAT THAT MEANS?

I'VE LOST COUNT OF HOW MANY TIMES I NEARLY THREW UP DURING SHITHOLE-LICKING TIME. I JUST SOBBED, DESPERATELY CHOKING BACK THE URGE TO RETCH.

...THIS PART, YOU'RE BETTER OFF NOT KNOWING.

MASSES OF SLIME OVERFLOWED FROM THE GAP IN HER SIGNATURE SHORTS. SHE HAD CLEARLY ALREADY BEEN TOYED WITH.

Shluck!

I STILL HAD THE COMPOURE TO THINK THAT. BUT... THAT VANISHED IN AN INSTANT.

THE THOUGHT THAT WRIGGLE WOULD SUFFER THE SAME FATE AS ME WAS AGONIZING.

THAT DAY, WRIGGLE WAS THERE. LIKE ME, SHE WAS CONTROLLED BY HYPNOSIS.

WITH HEAVY STEPS, I HEADED FOR THE SUNFLOWER FIELD AGAIN TODAY..!

AH, I-I, I WASH GONNA DO THE MAGICWUL YUUKARIN THINGY...

THE SCRIPTED PERVERTED LINES SPILLED FROM MY MOUTH ON THEIR OWN, AND I IMMEDIATELY UNDERSTOOD THAT HE WAS CONTROLLING WRIGGLE TO TOY WITH ME.

BUH! KYAHAHAHA! WHAT IS THAT? YUUKA-SAN, ARE YOU RIGHT IN THE HEAD? WHAT ON EARTH ARE YOU WEARING?!

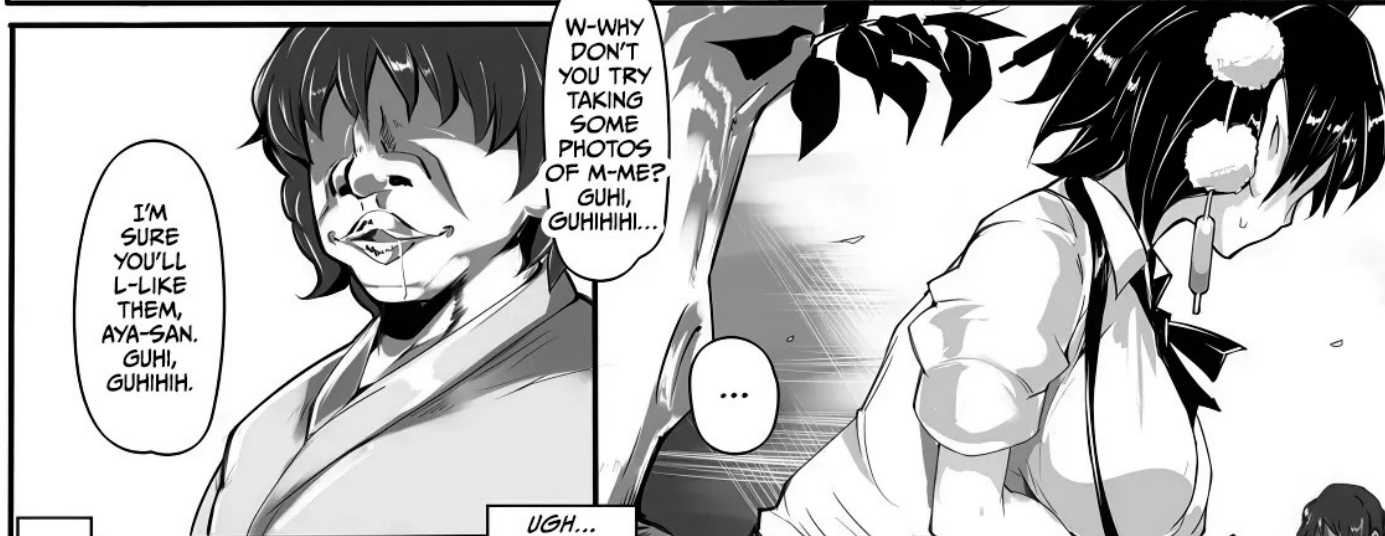

Go on. She's here. That's your toy.

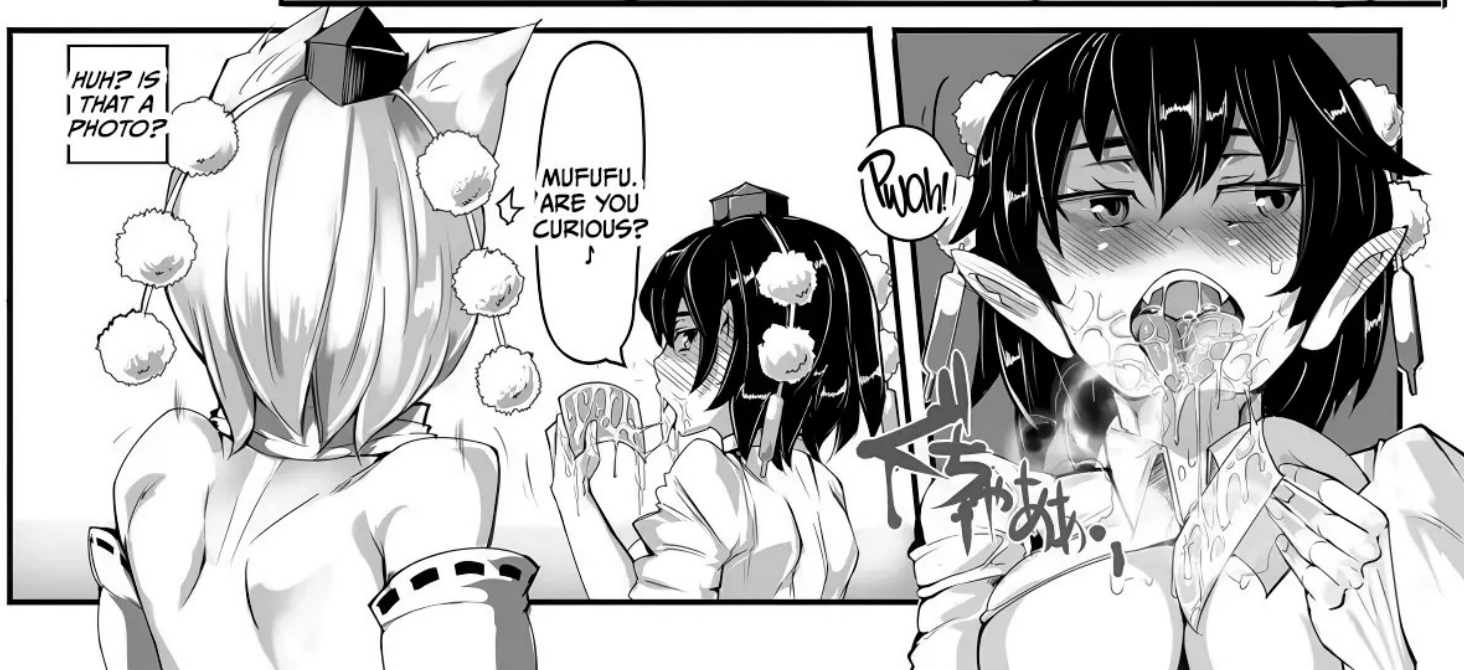

BECAUSE THE EYES OF WRIGGLE LOOKING BACK AT ME... BORE THE EXACT SAME LOOK AS THAT MAN'S.

OH MY, IS THAT YOU, YUUKA-SAN? WAIT.

## AFTERWORD

To everyone, thank you so, so much for purchasing "Saimin nante Kakaranai!!!" (Hypnosis Won't Work on Me!!!) today!!

My name is Nyuu, and I am mainly active on pixiv. I draw almost nothing but single-page works in genres like hypnosis and time-stop.

I have drawn manga a few times before, but those were all commissioned works where I wasn't involved in the publishing side, so this is the first book I have created myself.

I like drawing girls performing extreme acts as if they were normal, so I filled this book with that kind of content. Hypnosis is great, isn't it? Especially the part where you make them do impossible things so casually.

Even though it's my first book, I feel like I ended up drawing nothing but weird stuff, but it was a good experience. I would be happy if even one situation hits your strike zone.

It feels like I drew stories set a little before the works I've posted to pixiv so far.

I draw Ran-sama and Yuuka-san quite often, and I draw Aya-san quite a bit too. However, on a whim, I tried drawing Momiji this time... I wonder if that was good or bad.

I'm not used to drawing long stories, so I packed in multiple short ones, and this method might have actually suited me. I can't say for sure since I've only drawn this much, but it was easy to handle since I could switch to drawing a different act immediately when the scene changed.

My regret this time is that the panel density and dialogue counts varied wildly from page to page. It's difficult, but I feel it would be a much better manga if I could adjust that balance.

Also, the truth is, each page actually took about the same amount of time. Among them, some turned out well, while others felt lacking... Still, I gradually got used to certain things and noticed others as I went along. Toward the later pages, it felt like more and more parts were coming out looking like actual manga. So I hope my next manga will turn out at least a little better.

Anyway, thank you very much for this time. I look forward to your continued support.
