There there, why don't you calm down

Yamaoka sensei, what is it that you'd like to discuss by calling me out to the gym storeroom?

What do you think of this?

It'll be bad if this was exposed...

To think the strict and honest Midorikawa sensei did that with a student in school

Ah~ I was surprised

What?! That's!!

It's simple

As
expected of
Midorikawa
sensei,
you're
quick to
understand

What
do you
want...

Let me do
whatever
I want
with your
body

For
one
week

There's no need for
you to go all the way.
Just think of this as
helping me to release
my pent up lusts

I've no
intentions
of
revealing
it to the
public

After
a week,
i will
delete the
footage

What's the matter?

Ah... Kamiki kun...

After a week

Sensei!!

Ok...

Head home without me

Sorry... I still have work to do so...

Ah... I was just wondering if I could see you after school today...

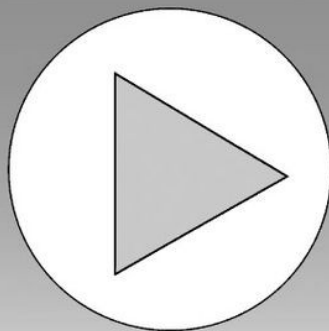

Hmm? Someone send me a footage?

Sensei has been acting strange lately

It's like she's avoiding me...

Don't worry,
this is just to
create the
atmosphere.
I'll delete it
later

it?
