Yeah, I even found some tissue paper.

Did you find any origami paper, Asano-san?

I hear Kawashima-san has a lover out there in the working world.

I can't wait for the cultural festival.

Yes.

You're so cool, it's like you're an adult!

Where did you meet him!? How old is he!?

We met online. Mid-20's, I'd say.

Then... um... have you two already... well...

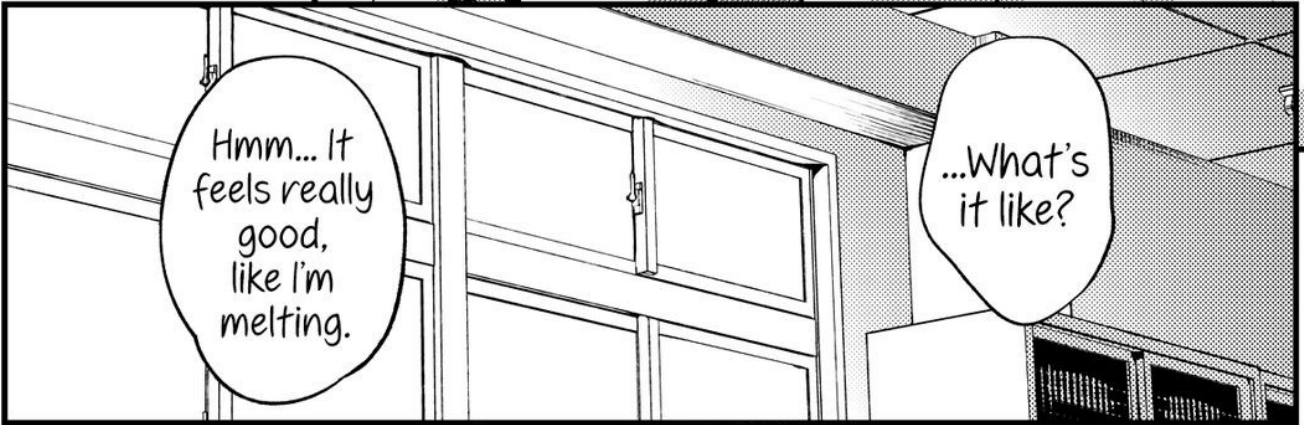

What kind of person is he?

The kind of person who takes the lead and loves to teach me all kinds of things.

How long have you been dating!?

About half a year.

Girl-friend, not boy-friend.

Huh?

Wait, so Kawashima-san was doing it with a girl...!?

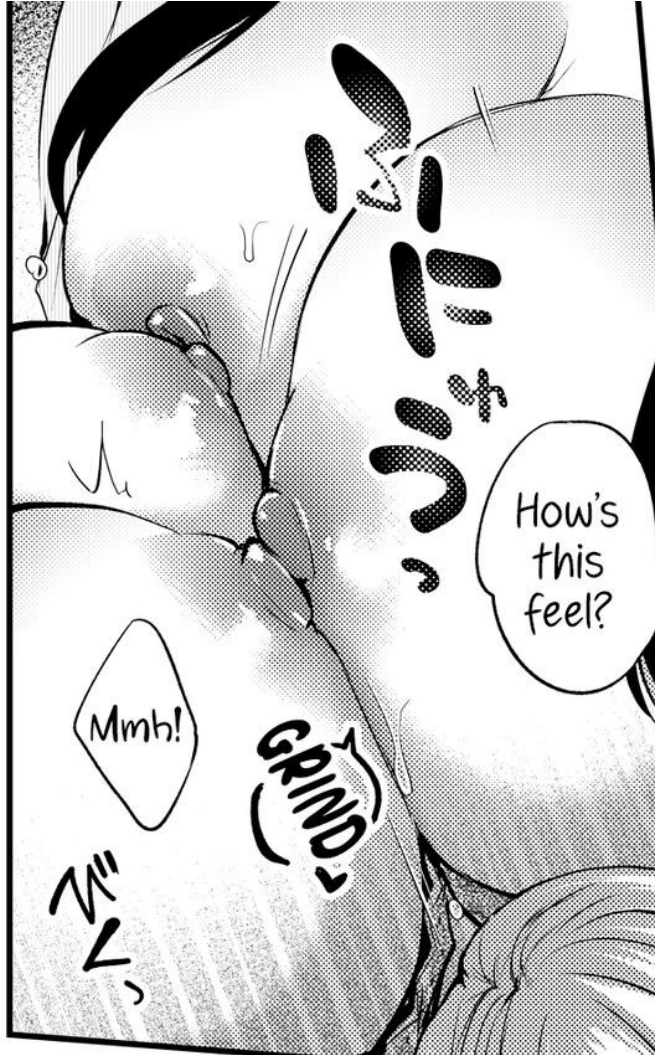

Huh?

Ah.

How's this feel?

You could say our wombs are connecting to each other through our nipples.

Then take a good look.

You have such a pretty hymen, did you know that?

I don't look at myself down there that much...

I'll be careful not to break your hymen, so don't worry.

Kawashima-san's finger is going inside me...!?

Is this your weak spot?

Are you about to cum?

THE STEAMY YURI HOT SPRING STAY WITH THE HOSTESS

I will be your hostess, Shima.

It's fine.

Machiya-sama, right?

Sorry that I changed the reservation to just one person...

Oh, um, I'll be in your care!

I was supposed to be enjoying it with another person, but...

My first trip on my own.

Please come with me.

Japanese clothing sure look good on the people working at the inn...

It's kind of sexy...

If only I was as cute as that girl over there,

but I'm starting to feel like that wasn't a good idea... Since this was paid leave and all, I thought I might as well go on my own,

then maybe she would have liked me more.

Oh gosh, I'm going to cry...

She told me that she always wanted to visit this inn, so I made us a reservation.

I was actually supposed to come here with my gir- my lover.

I shouldn't be bothering the hostess with my troubles...

Yeah, that makes sense!
Are you guys really busy right now and just need extra hands or something?

We're not that high-up, but typically speaking I don't deal with the guests that much around this time of day.

I thought that they were on the higher-end of management.

I don't really go on trips that often,
do all hostesses do waitress-like work like this?

so I wanted to check up on you.

Actually,

I had a feeling that you weren't feeling well,

that late at night, so I'm sure you'd be able to enjoy your bath in peace.

Our open-air bath is open until one in the morning, but there usually aren't that many people

they always leave feeling refreshed and happy.

But after a good night's rest,

We do have guests with unrequited love every once in a while.

it was a good idea to come here...

You know,

...At least, that's what I felt at first, but it looks like someone's coming.

Two people, actually...

Hey, Over here...

But...

Ahh!

Hmm !?

These bathrobes really fit the atmosphere, too...

It's not like that it matters though since there isn't anyone here.

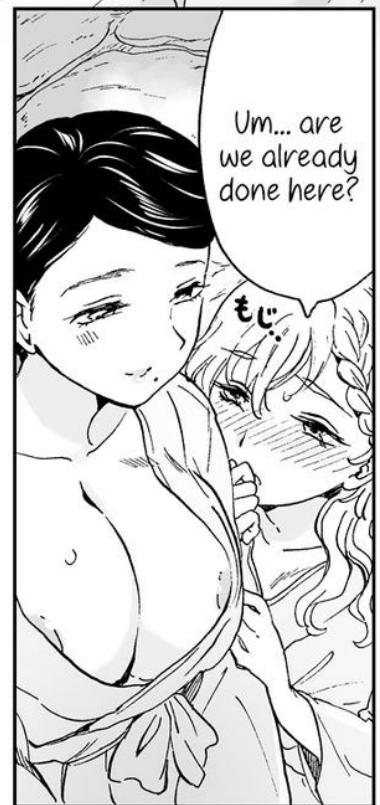

It's just like the hostess said, it's nice being able to relax without anybody here...

The hostess !?

Huh !?

Wha...!?

I want our guests to go home feeling happy.

I'll heal you down to your very soul,

It's fine, just leave it to me.

Wait, she can see us-

W-We shouldn't be doing this! We'll dirty the bath water!

They'll be cleaning it up after this, so don't worry about that.
