Haa...

You're one
troublesome
underclassman...

Yu-chan...
Yu-chan.

... I love
you...

I... love you too...

Do you love me too, Yu-chan?

She's always so forceful... But I don't think I dislike it.

...I can't hold back...

I'm glad... Hehe.

I love you... Shizuku-chan.

When I'm like this... all of my worries just melt away...

Aah...

Aaah...
No...

Haa... Mm...
Actually, I want
to hear your
voice, but...

Aah...
Yu-chan,

wet...

My voice
is going

out...!

It's okay...
Nrrrr!

Aah...

Aah... Fwh... Mmmph...

Shizuku-chan...

Aah... It's delicious... Nn! Nn!

Licking mine and touching hers, it's really sexy.

Yu-chan! Yu-chan...!

I'm... really turned on...!

Shizuku-Chan...!

It's coming!!

So good!
Aaaaaah!

How long was she watching... ?

N... No way?!

The first-year that was bullying me last time?!

Was that just...

Huh... ?

U-um...!

Someone like you...!

You're disgusting!!
Disgusting!!!

...Shouldn't get your filth on Sasashiro-sama...!!

びん
!!
!?

Yu-chan didn't do anything wrong.

If you want to do something, then do it to me.

You're... the girl who locked her in, aren't you...?

おっ

ウーッ

I'm just! I'm just thinking of you, Sasashiro-sama...!! I'm getting rid of this...!

I've always admired you!

... I like you, Senpai!

... But...!!

So...! I couldn't stand to look at this idiot...!

Um... For a long time, I've...

... Loved you, Senpai!!

I-it was for you, Sasashiro-sama...! I was just...!

... Thank you...

But I hate you.

...Sasashiro-sama...

I don't know who you are.

And I won't forget how you locked Yu-chan in.

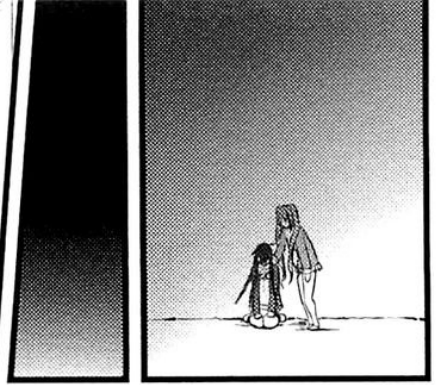

...Ah...!

That's...!

Let's go, Yu-chan.

OK

It didn't seem like she saw us having sex either...

Sorry, Yu-chan. I got you wrapped up in this.

Oh right

They were calling you, weren't they? Hurry up and go, Student President.

It isn't your fault!

Wah!

I have those feelings for Shizuku-chan too...!

...But I think I might know how that girl feels...

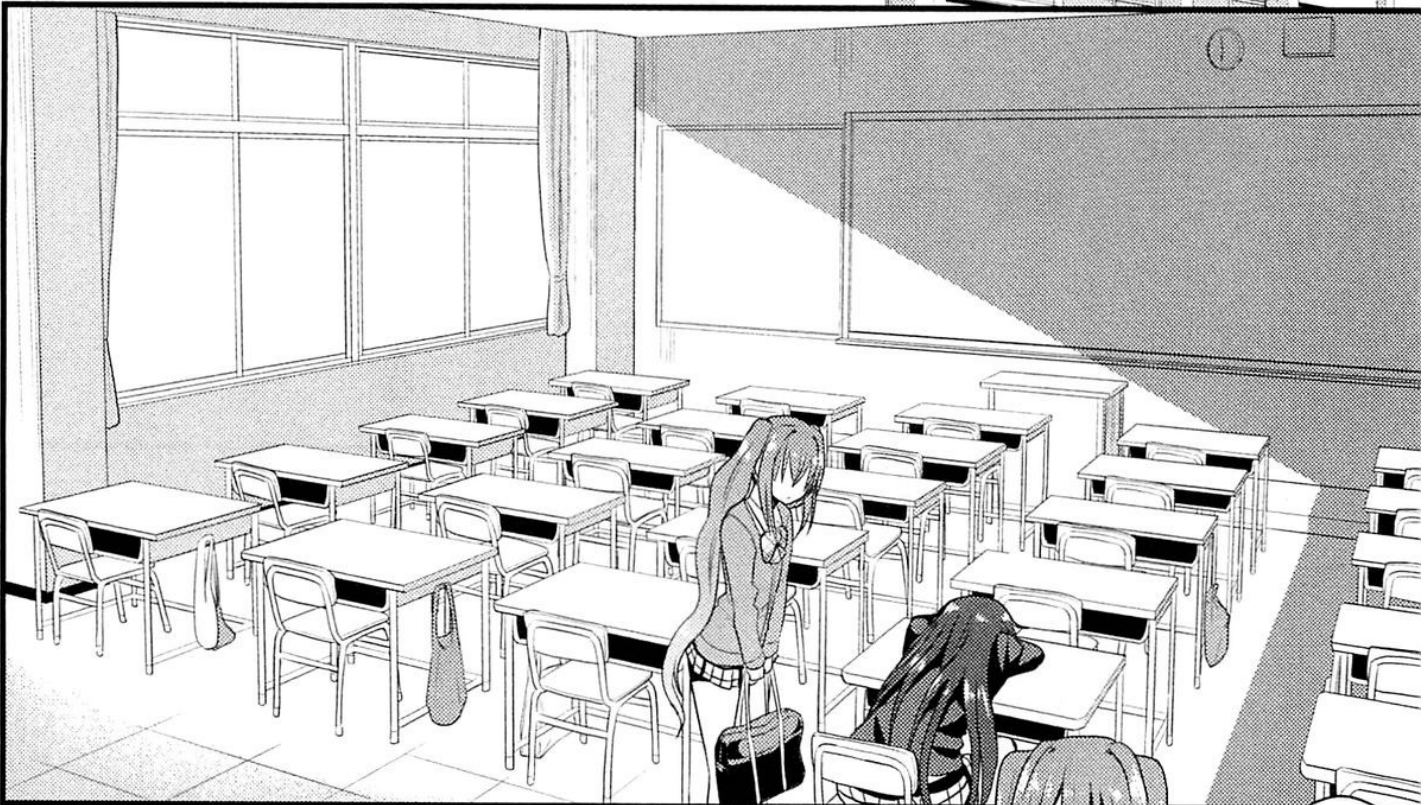

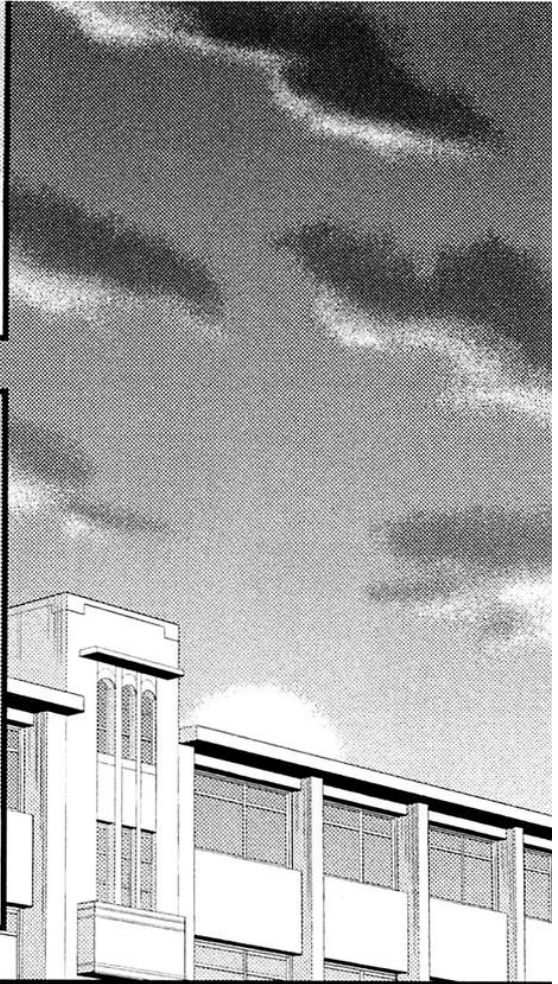

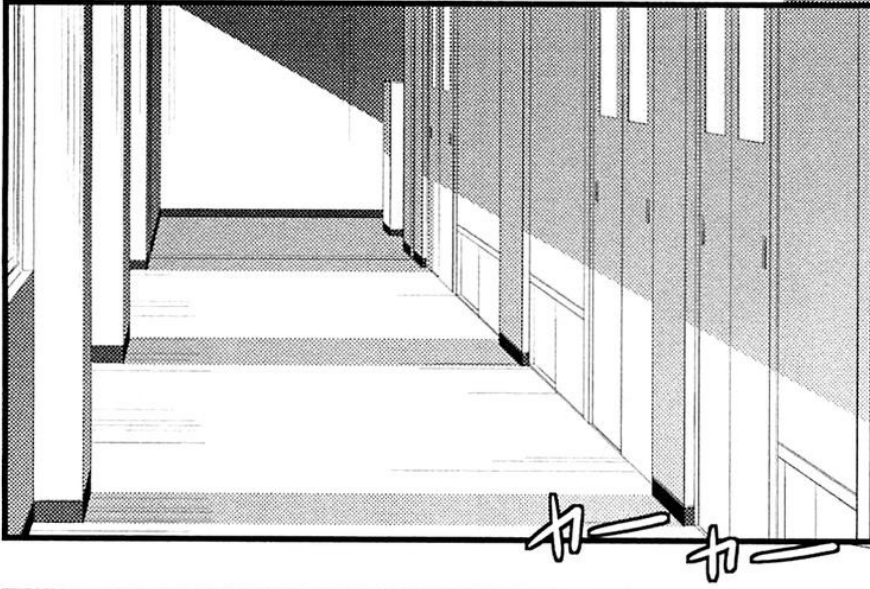

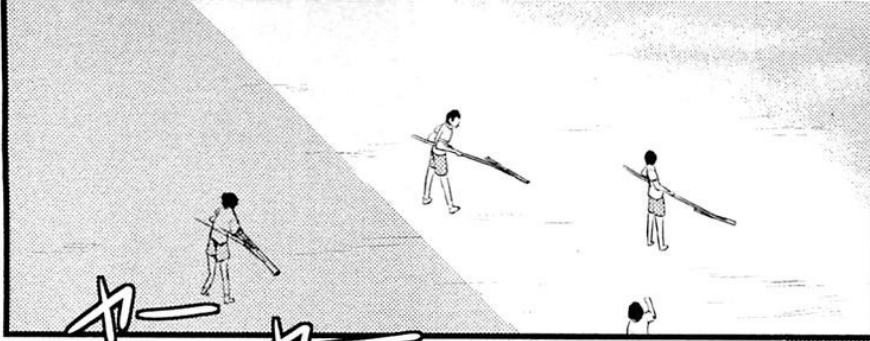

Yeah... Sorry...

I'll see you later then.

And I do get anxious when I'm away from her...

... Shut up...

Tamaki... It's getting dark.

I hate you.

I was fine just letting them smolder... But I destroyed them...

All those important feelings of mine, I kept them locked away in my heart.

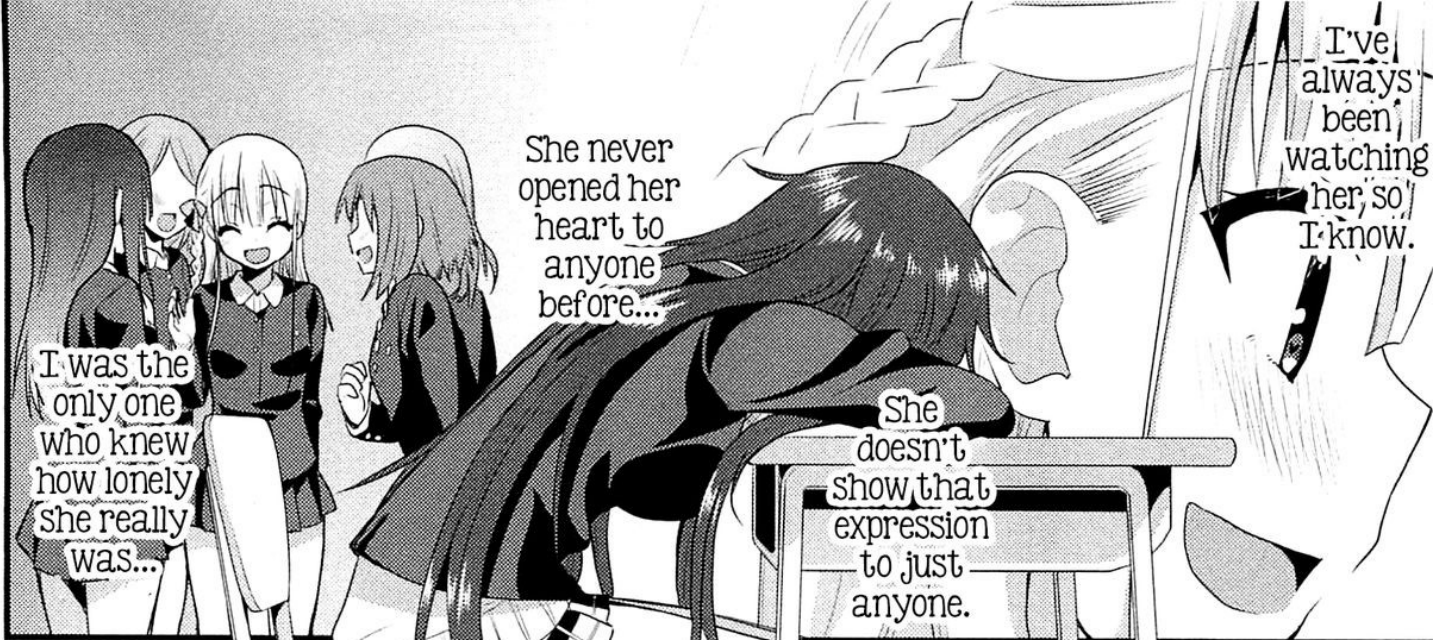

I might have been able to keep them the way they were if I just stayed quiet...

...It's not like I wanted anything to come of them...

I'm an idiot...

I've always been watching her, so I know.

She never opened her heart to anyone before...

I was the only one who knew how lonely she really was...

She doesn't show that expression to just anyone.

...Of course it wasn't...

...But just knowing wasn't enough...

Kyou...

There, there...

I'll always be by your side, Tamaki.

Wah!

K... Kyou...?

Tamaki...

I want to comfort you, Tamaki... You can throw it all on me.

W-wait... What are you doing...?!

...I'll accept everything from you.

No, it's dirty!

You're beautiful, Tamaki. Just relax...

That's...!! It tickles!

Kyou...! St...!

Her tongue is licking between my legs...! Eek...

It's because of the saliva, right? It's all wet...!

St... Stop...!

My body is tingling! I'm going weak...!

Aahn!
Aaaahn...!!

Am I... getting turned on by Kyous's tongue?!

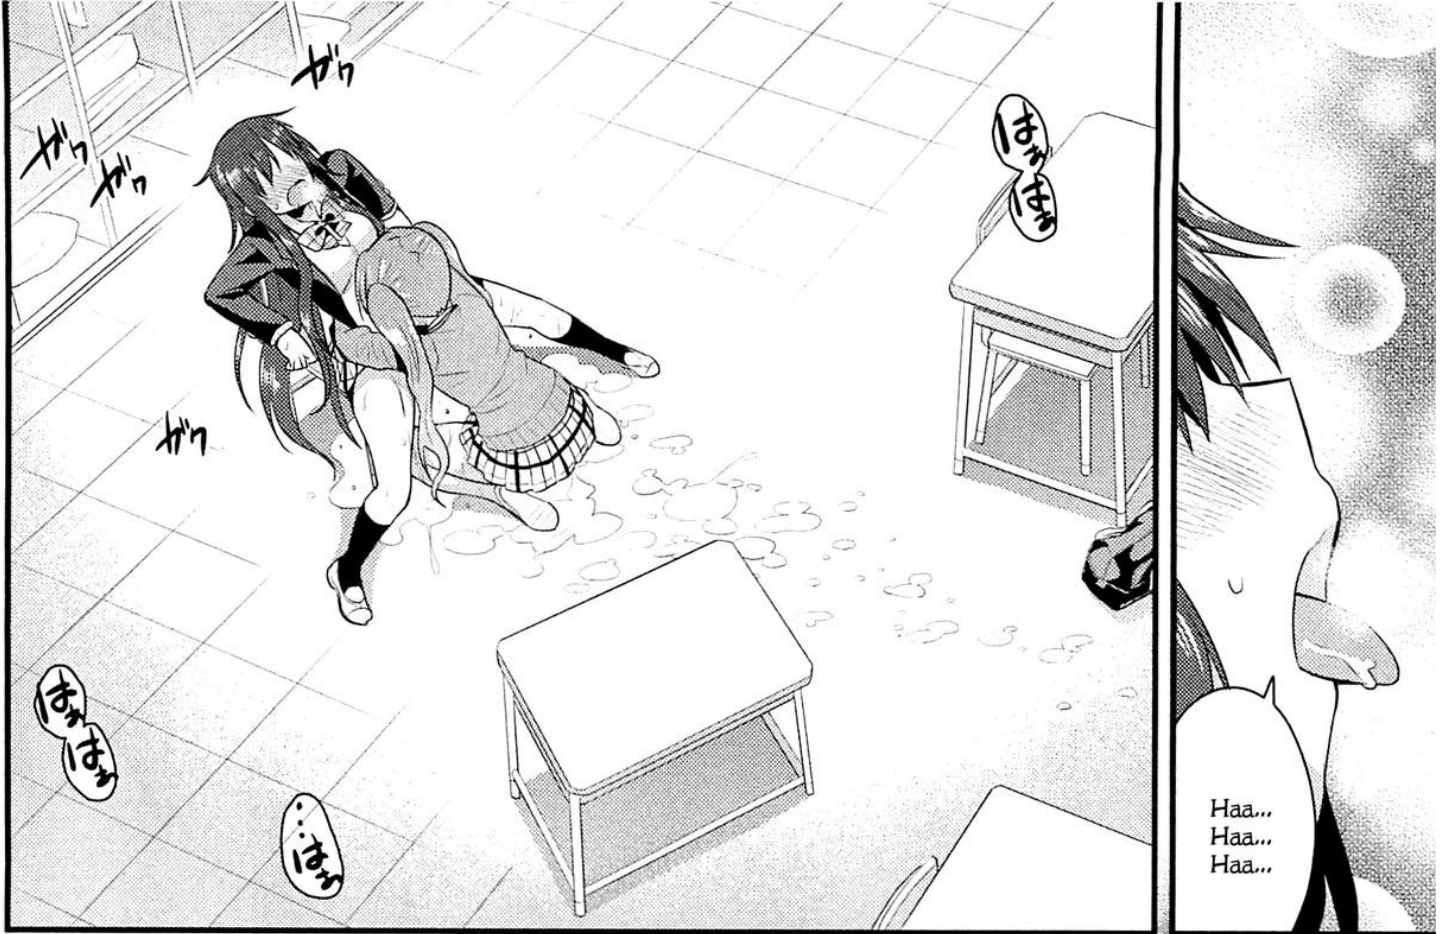

Aaaaaah!

Aaaah...!
Ah...!

It's okay...
Tamaki... You
have me...

I love you.
