Fundamentals of Demonology PART 4

So big...

All right!

Ah, thank you.

Here are your drinks.

All drinks here are homemade!

HEHE ♡

THAT'S IT, DRINK UP!

TASTY, RIGHT?

SO. YOU LIKE IT?

S-SURE.

Umm...

It's the same in every room.

Look!

Ooh...

It's all because of those drinks they're served.

When they drink it, they're caught in a demonic state and can't stop fucking.

If the angels find out about this place, things will get ugly.

SO THIS IS BASICALLY A POWER PLANT, HUH.

And that orb floating up there is an Essence Collector.

Its purpose is to absorb all excess life essence.

Sorry, we started without you.

Y- YOU ...!

SKAN

Well,

Now that the main guests are here...

Hmm? Want to do it yourself?

You boys were just raring to go, weren't you?

Let's crank up the heat a little.

They couldn't wait any longer. ♡

Noah

Hoah

SO...

They're all pretty far gone, so...

Once they get going, they can't stop! ♥

I don't know what a "PTA" is, but they bored me with their endless yapping.

So I used erophypnosis to shake things up.

They called themselves the Night Watch Brigade.

No, No, ah Cumming!

There we go

And not just any demon, it seems.

So who are you?

Wh!

はーはー

Your scent gave it away, you know.

Wah

You're a demon, right?

Then again, even if I take these guys one by one...

If I transform right here, we might get noticed by angels...

Haha... Your cock looks amazing

Haha

Pon!

What do we do?

Guh

I knew it...

Another Essence Collector.

These bastards ...

Are they using sexual energy to temporarily turn them into love demons?

If they're not careful, people might die.

And if you throw in Kaname's sexual energy...

And they're under erohypnosis too. They're too far gone...

AA  
GHI?

...when you can actually back it up. ♡

You only get to boast of that power...

YEAH, RIGHT!

Anyone could say that.

IF YOU KEEP DOING THIS...

AH...! I'M THE SON OF THE DEMON KING!

CHILL OUT, BABE. THIS BUILDING'S CAMOUFLAGE IS WORKING LIKE A CHARM!

LOOK AT ALL THESE PEOPLE. THE ANGELS WON'T BE ABLE TO TELL HIS ENERGY APART FROM THEIRS, UNLESS HE WERE THE ACTUAL DEMON KING.

We have to make sure the angels won't notice.

Tonight we finally have a demon as our guest again.

We're closing up shop for today.

Zoey.
