...Hikari!

~gh...

To-day,

How selfish  
...

... Really,

She didn't tell me she liked me again

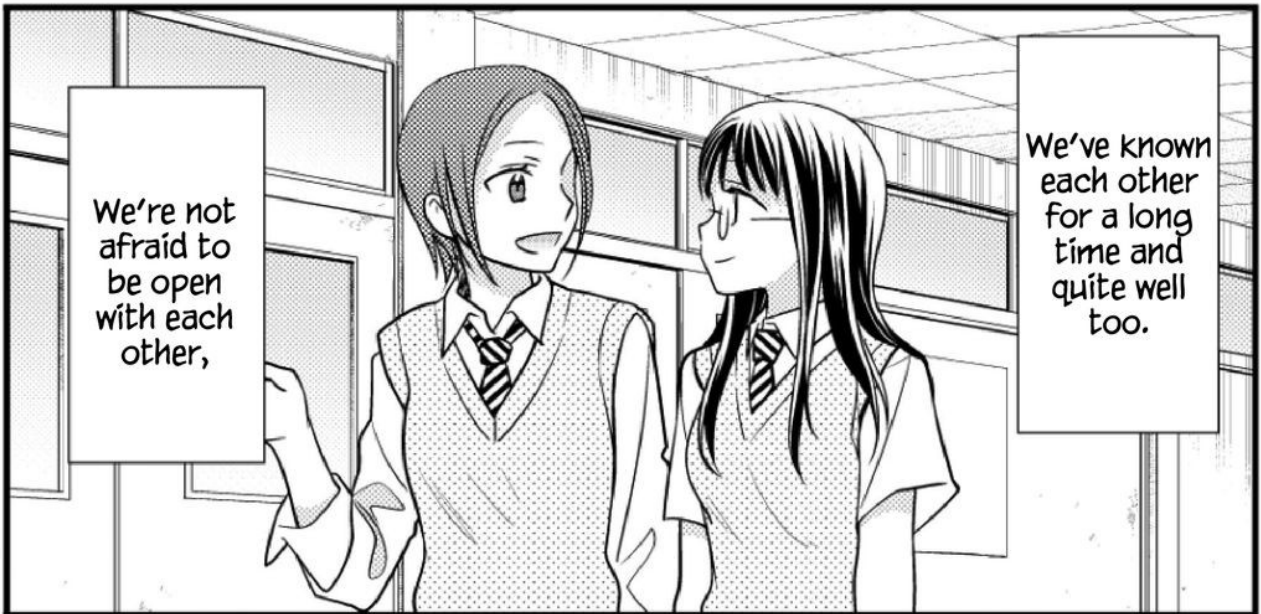

We've been best friends for as long as I can remember.

Hikari and I have known each other since childhood, and we went to the same swimming school.

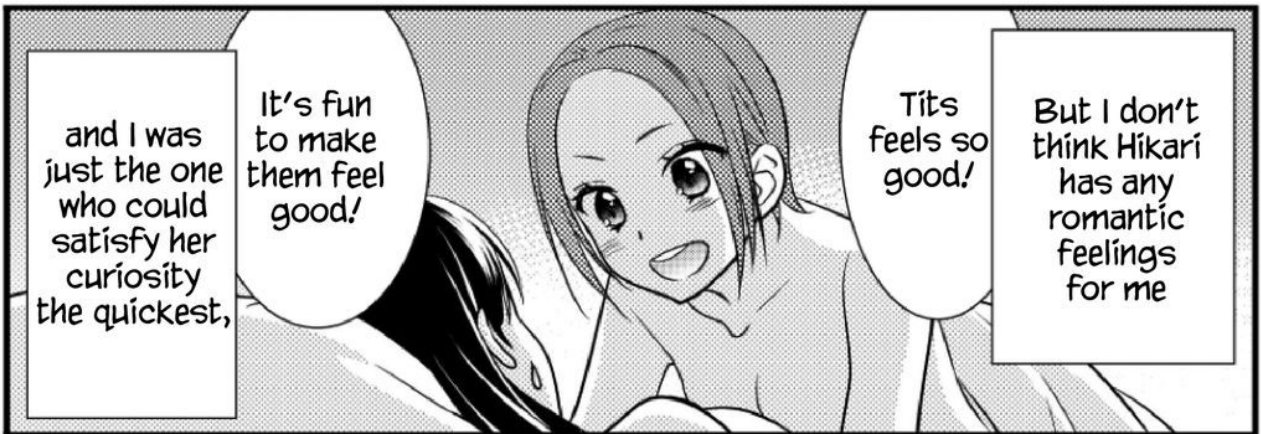

We're not afraid to be open with each other,

We've known each other for a long time and quite well too.

and I was just the one who could satisfy her curiosity the quickest,

It's fun to make them feel good!

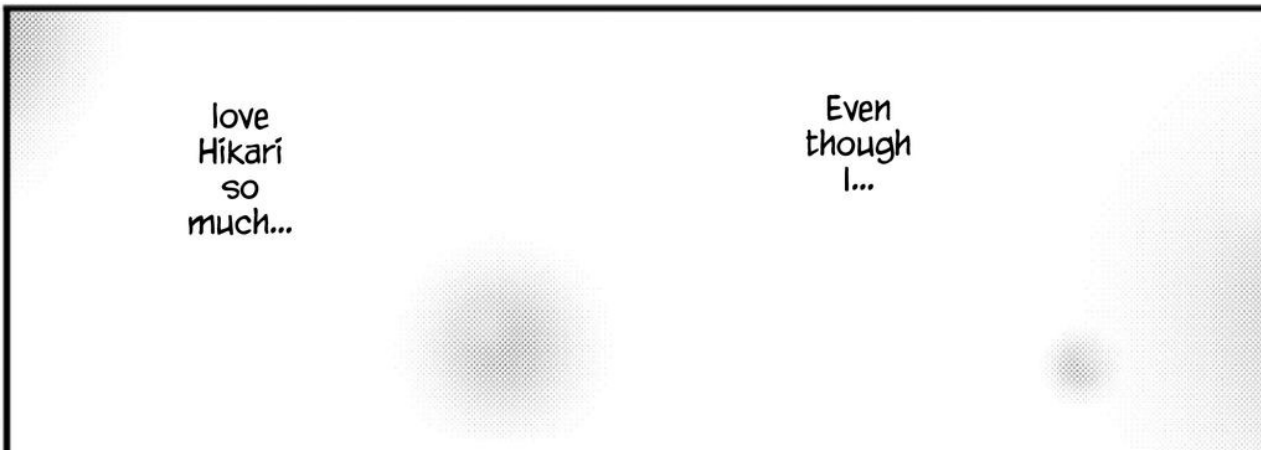

Tits feels so good!

But I don't think Hikari has any romantic feelings for me

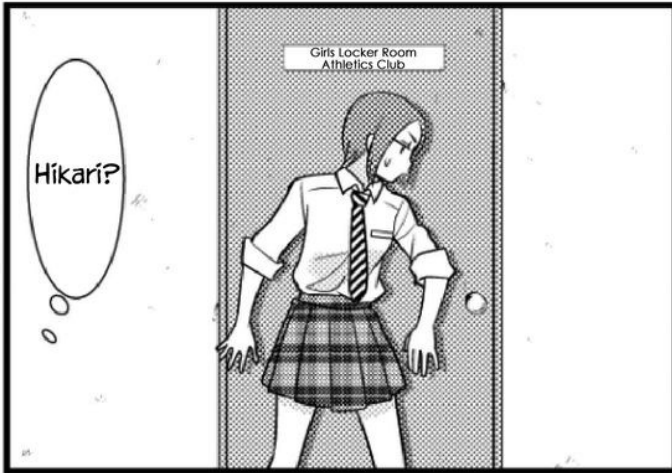

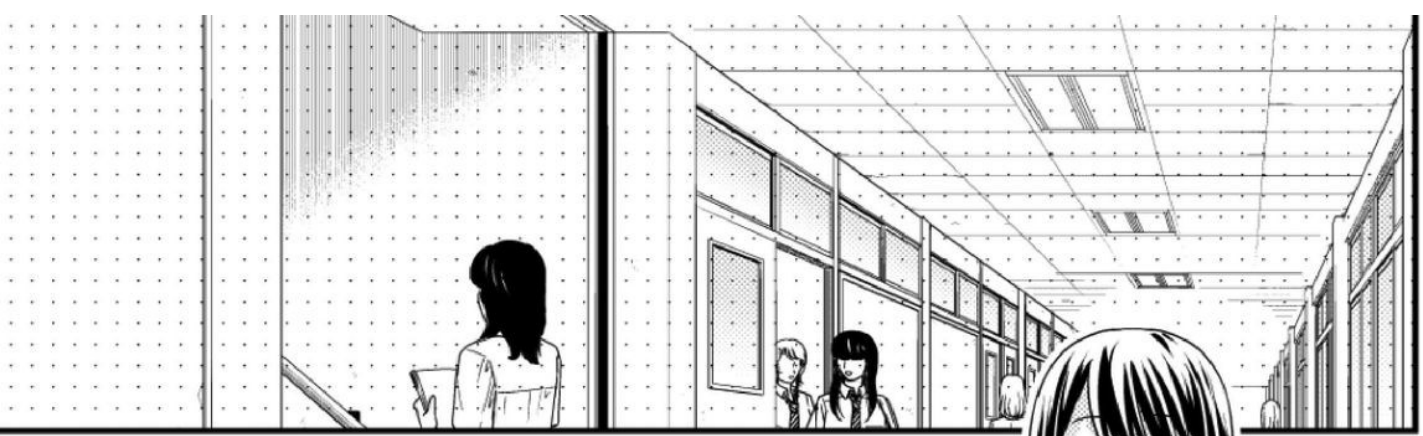

we're not a couple.

So I would think....

love Hikari so much...

Even though I...

Ee  
ee  
ee  
eh  
!?

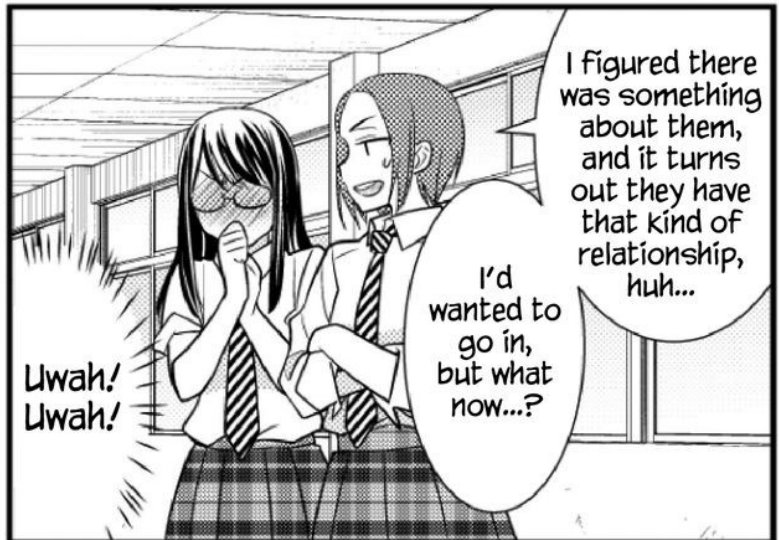

Mnh

Hey,  
Rina...  
not  
here.

She's  
doing it  
with  
Mayu-  
chan.

Even  
though we  
do that  
ourselves  
...

Uwah!  
Uwah!

I'd  
wanted to  
go in,  
but what  
now...?

I figured there  
was something  
about them,  
and it turns  
out they have  
that kind of  
relationship,  
huh...

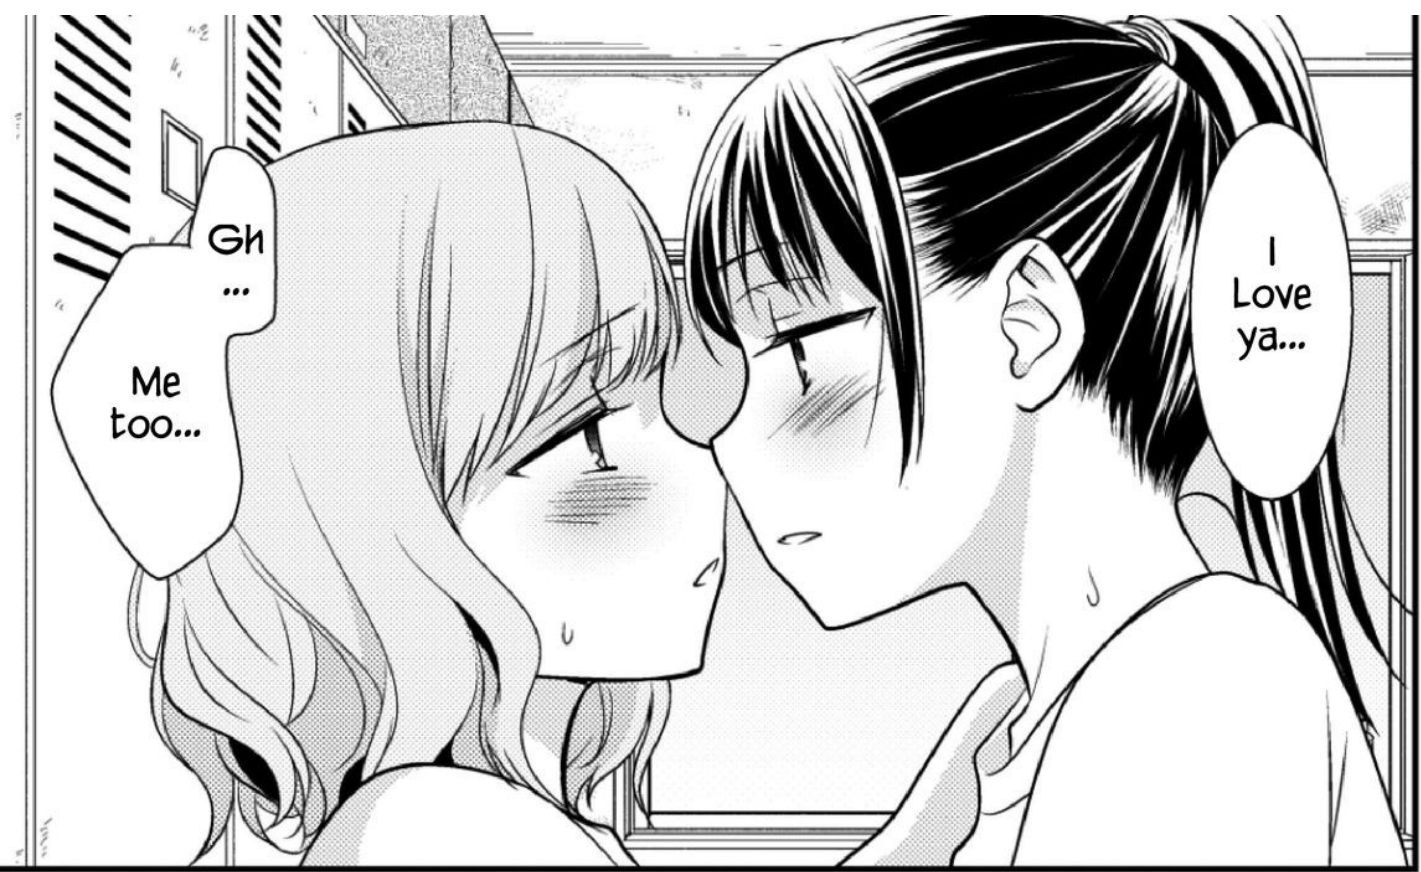

Mayu  
...

Mn  
...

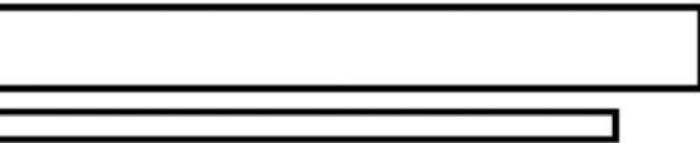

It even  
makes  
my heart  
race...!!

It's so  
excit-  
ing...

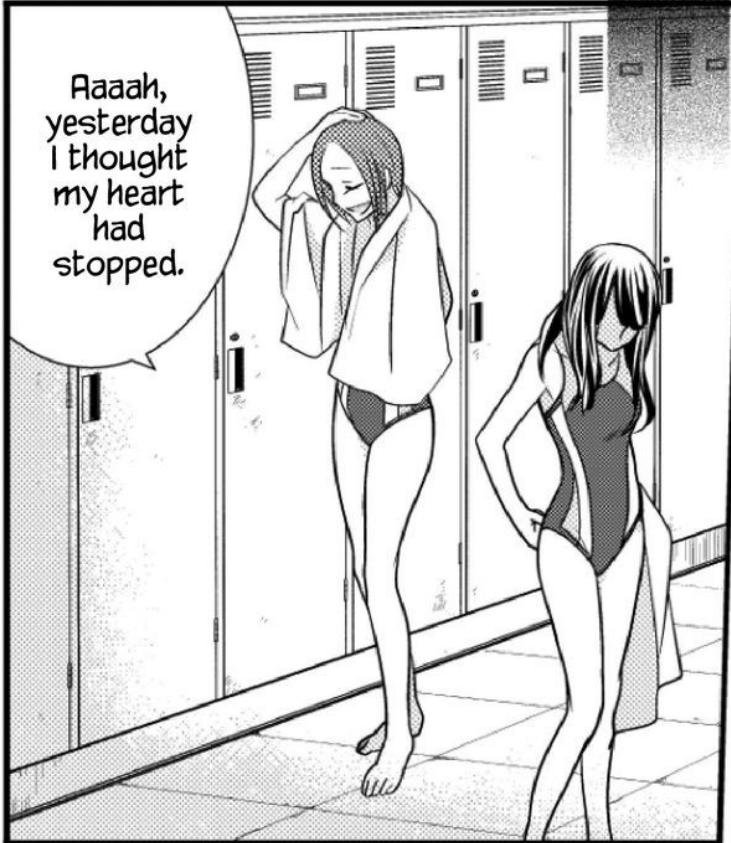

So they... were lovers...

unlike us...

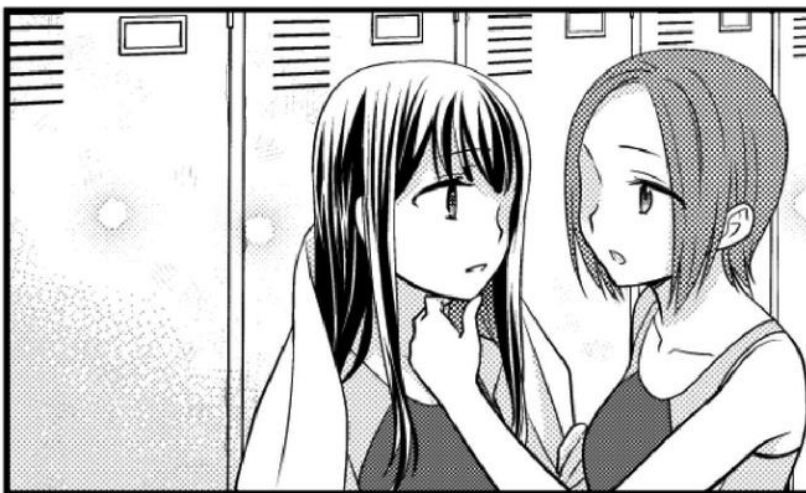

And then that gal...

Yeah ...

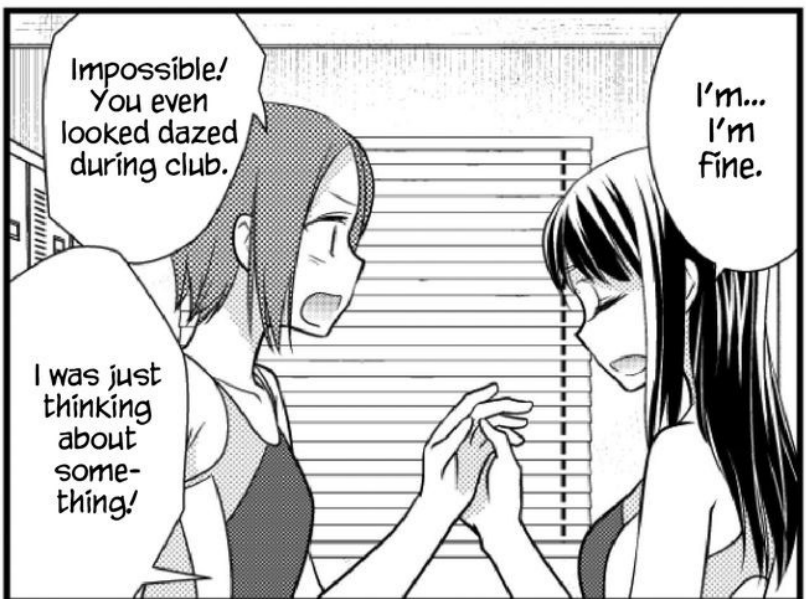

So I pretended I didn't know.

Well, it looks like Rina is hiding it,

Are you sick or something?

Aya? You've been down all day.

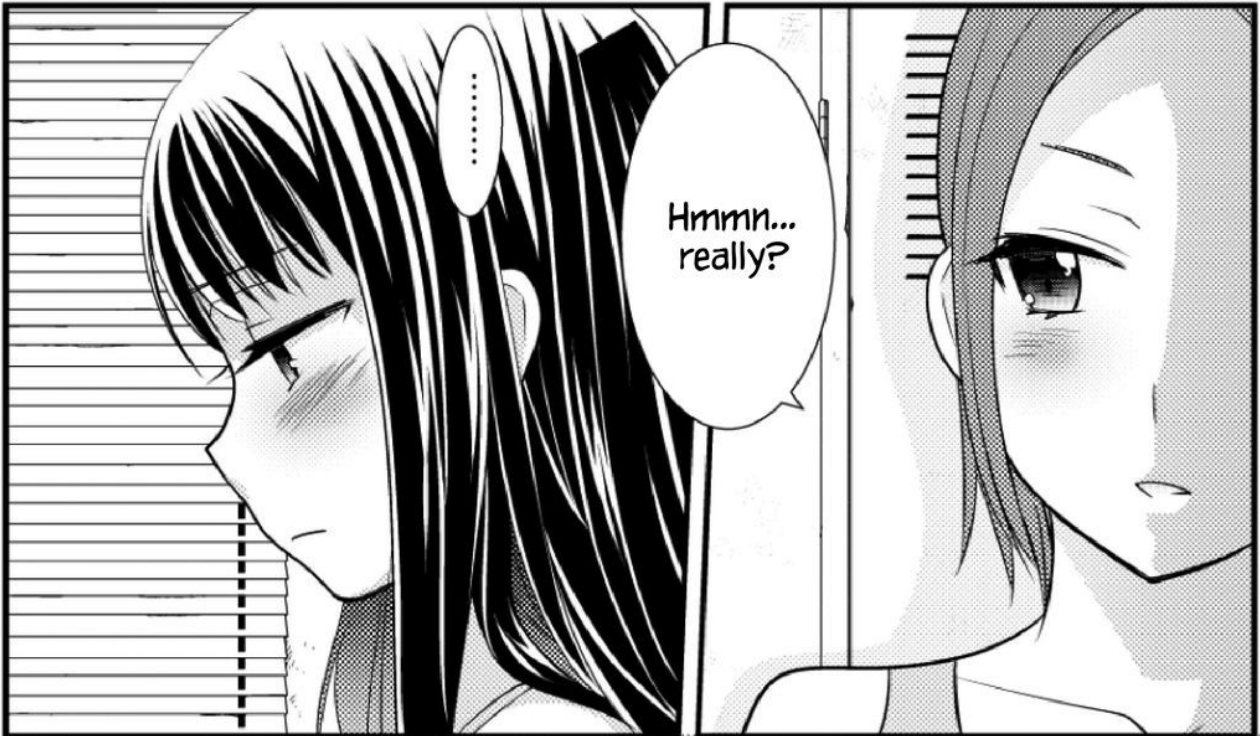

Impossible! You even looked dazed during club.

I was just thinking about something!

I'm... I'm fine.

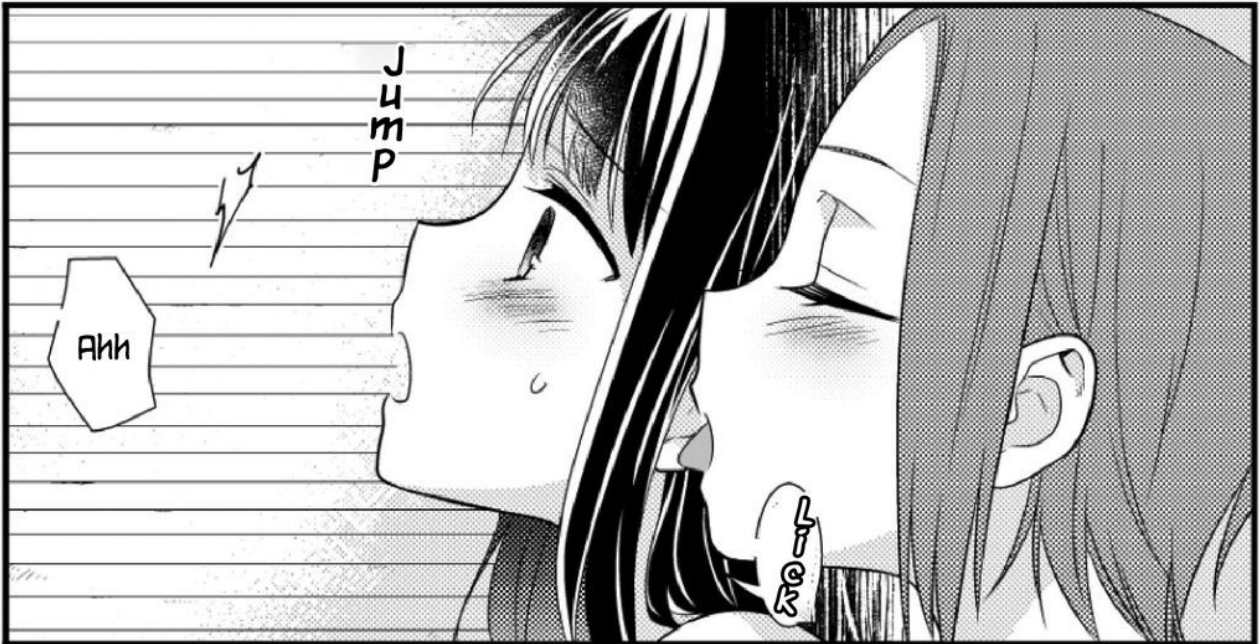

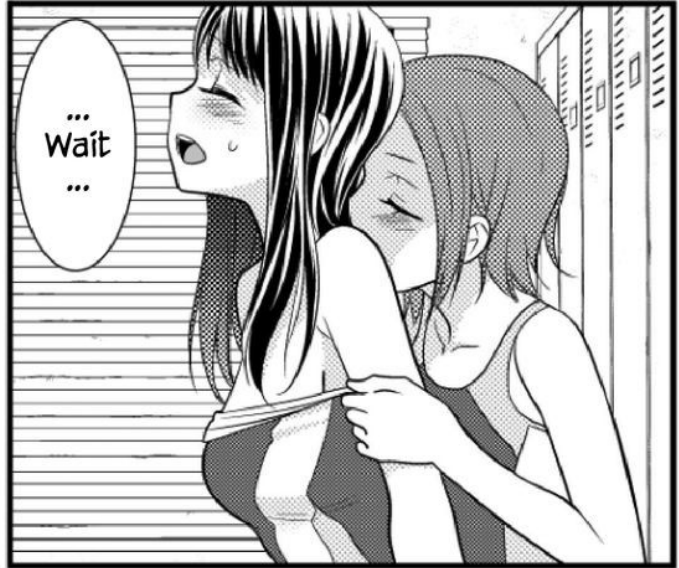

.....

Hmmn...  
really?

let's do  
something  
that will  
make you  
feel happy  
again.

Then,

DUCK  
DUCK

Ahh

again  
she  
won't

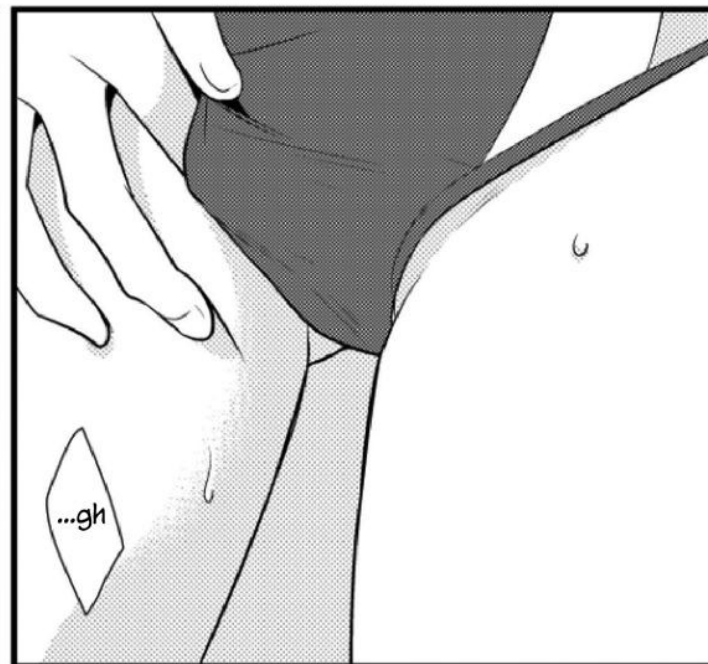

tell me  
that  
she  
loves  
me.

haah

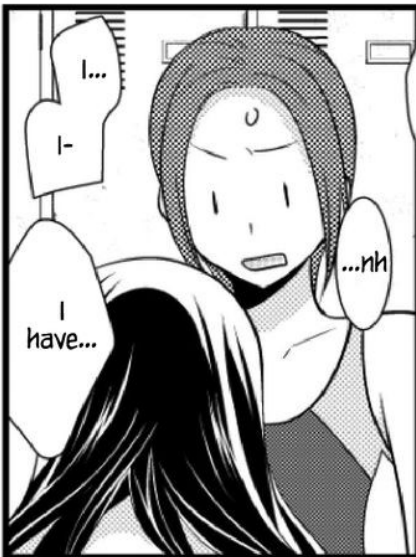

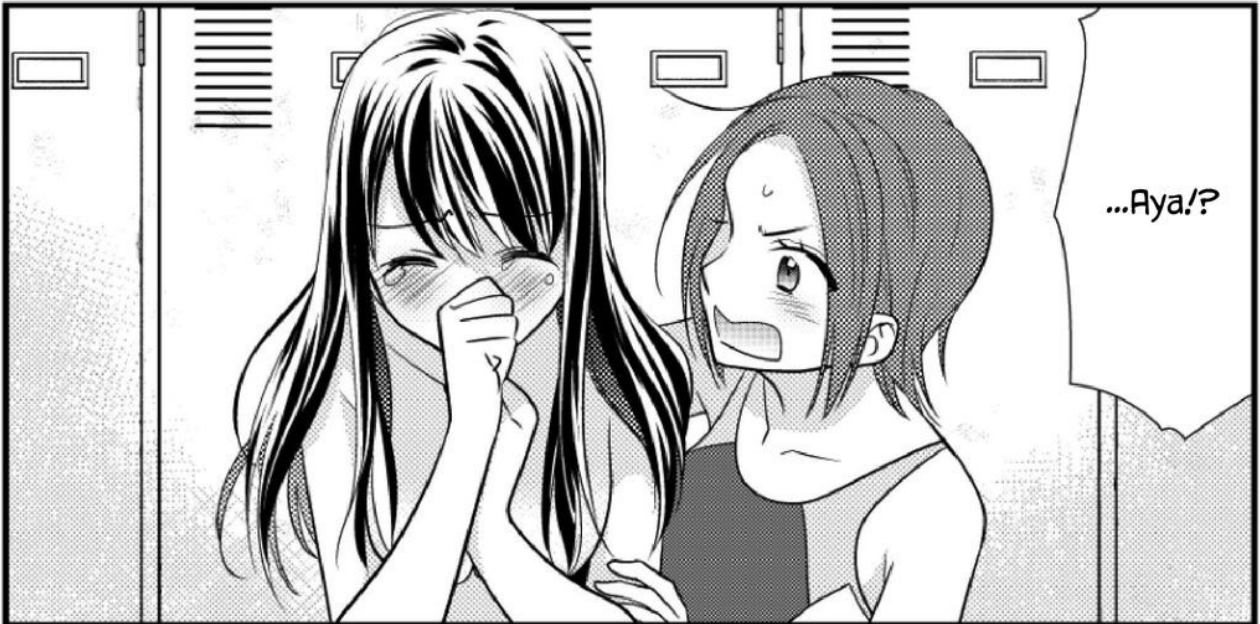

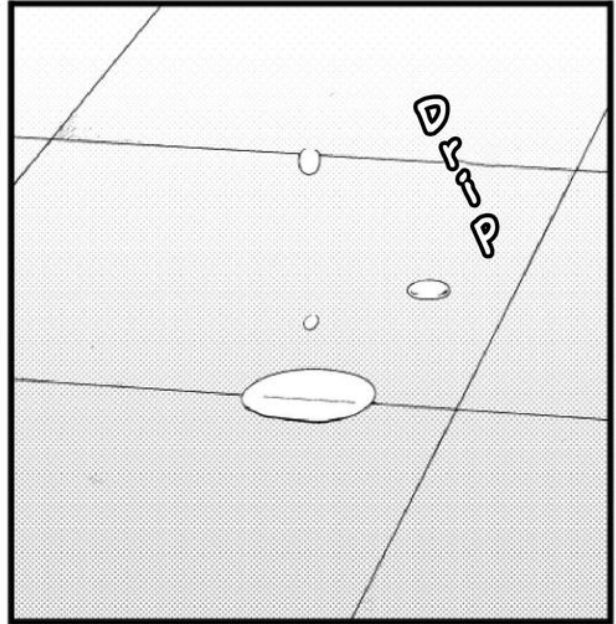

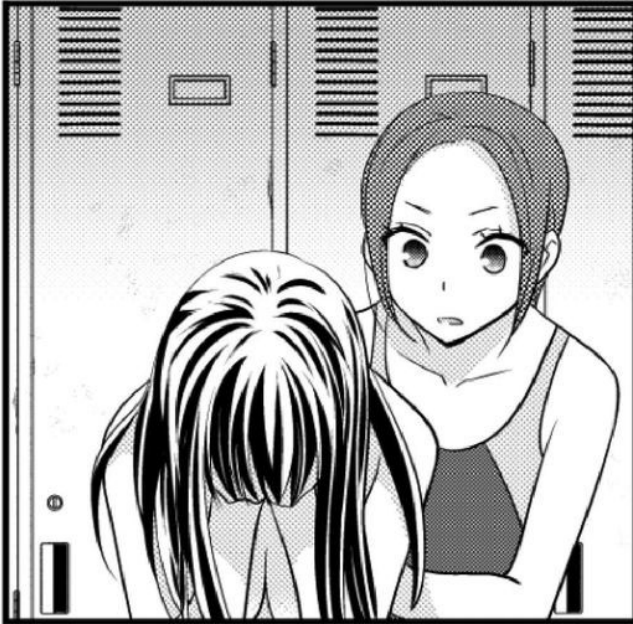

Ah

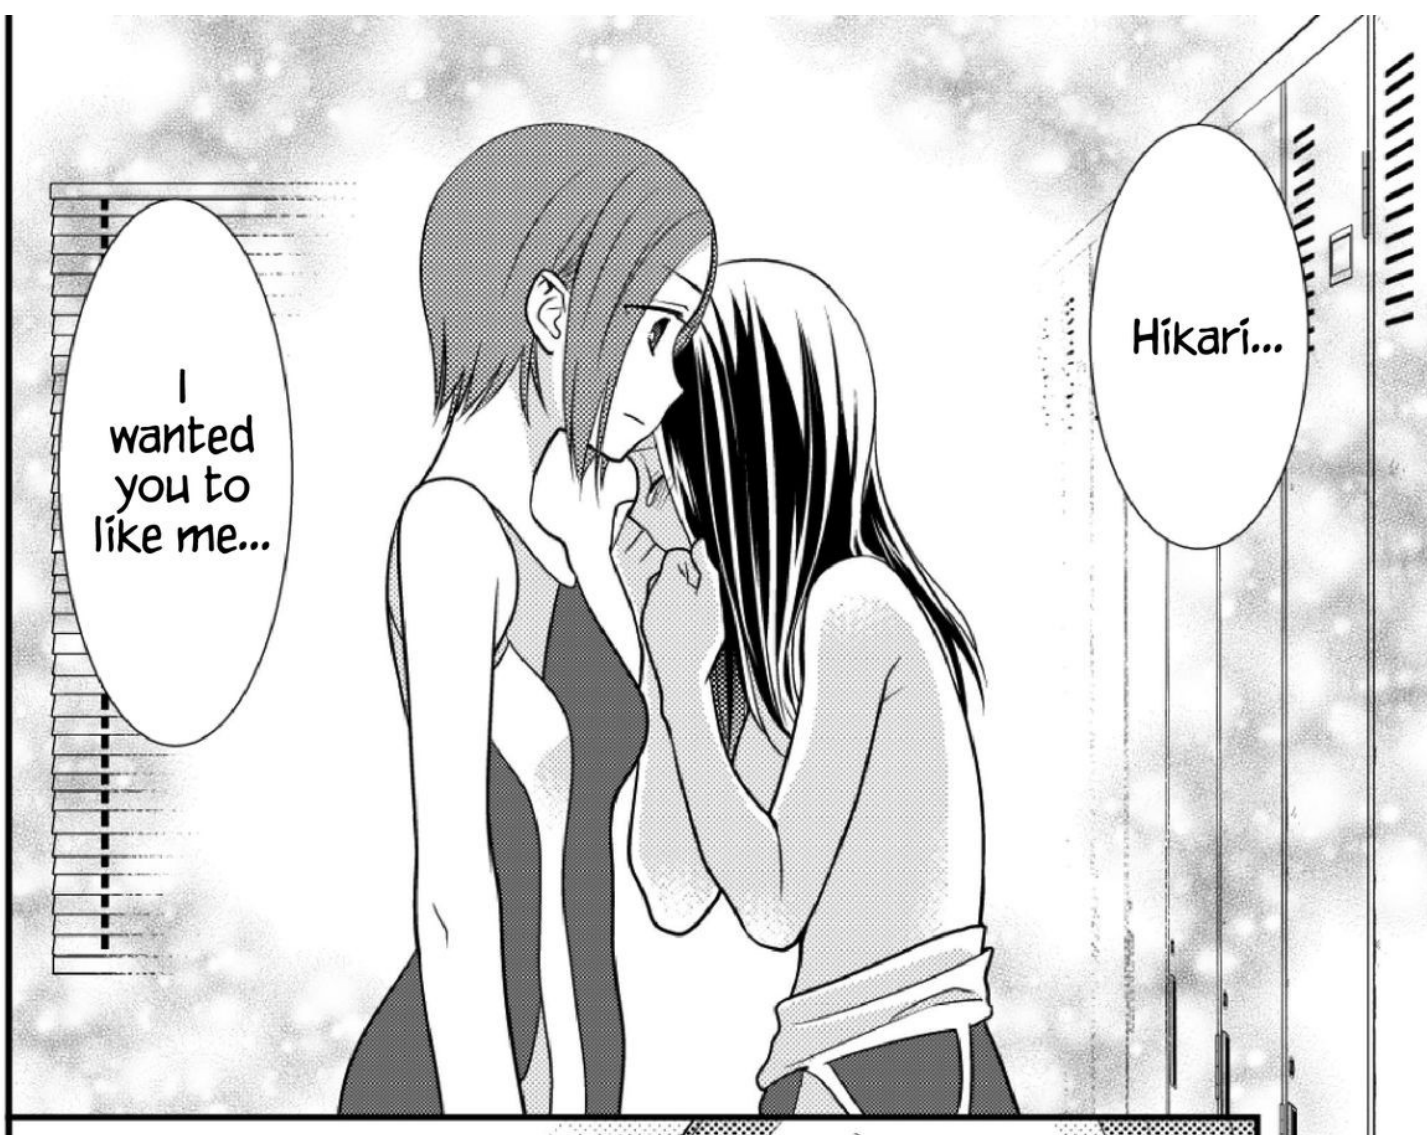

Mayu...  
love  
ya...

...gh

I  
wanted  
you to  
like me...

Hikari...

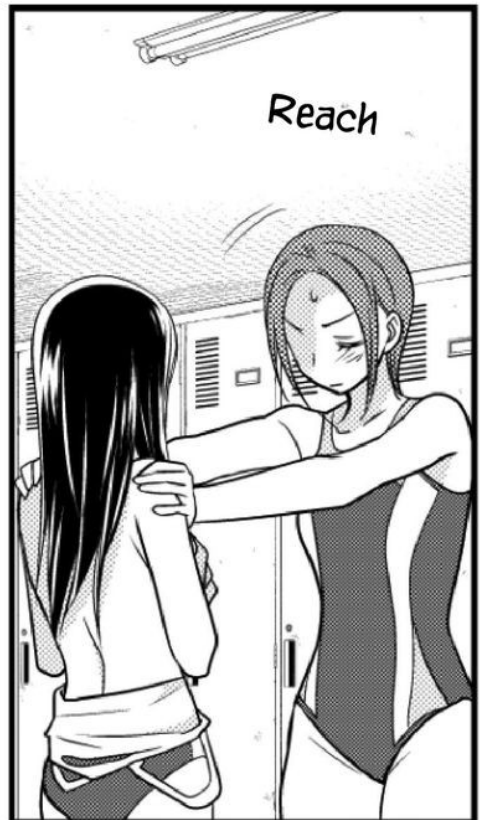

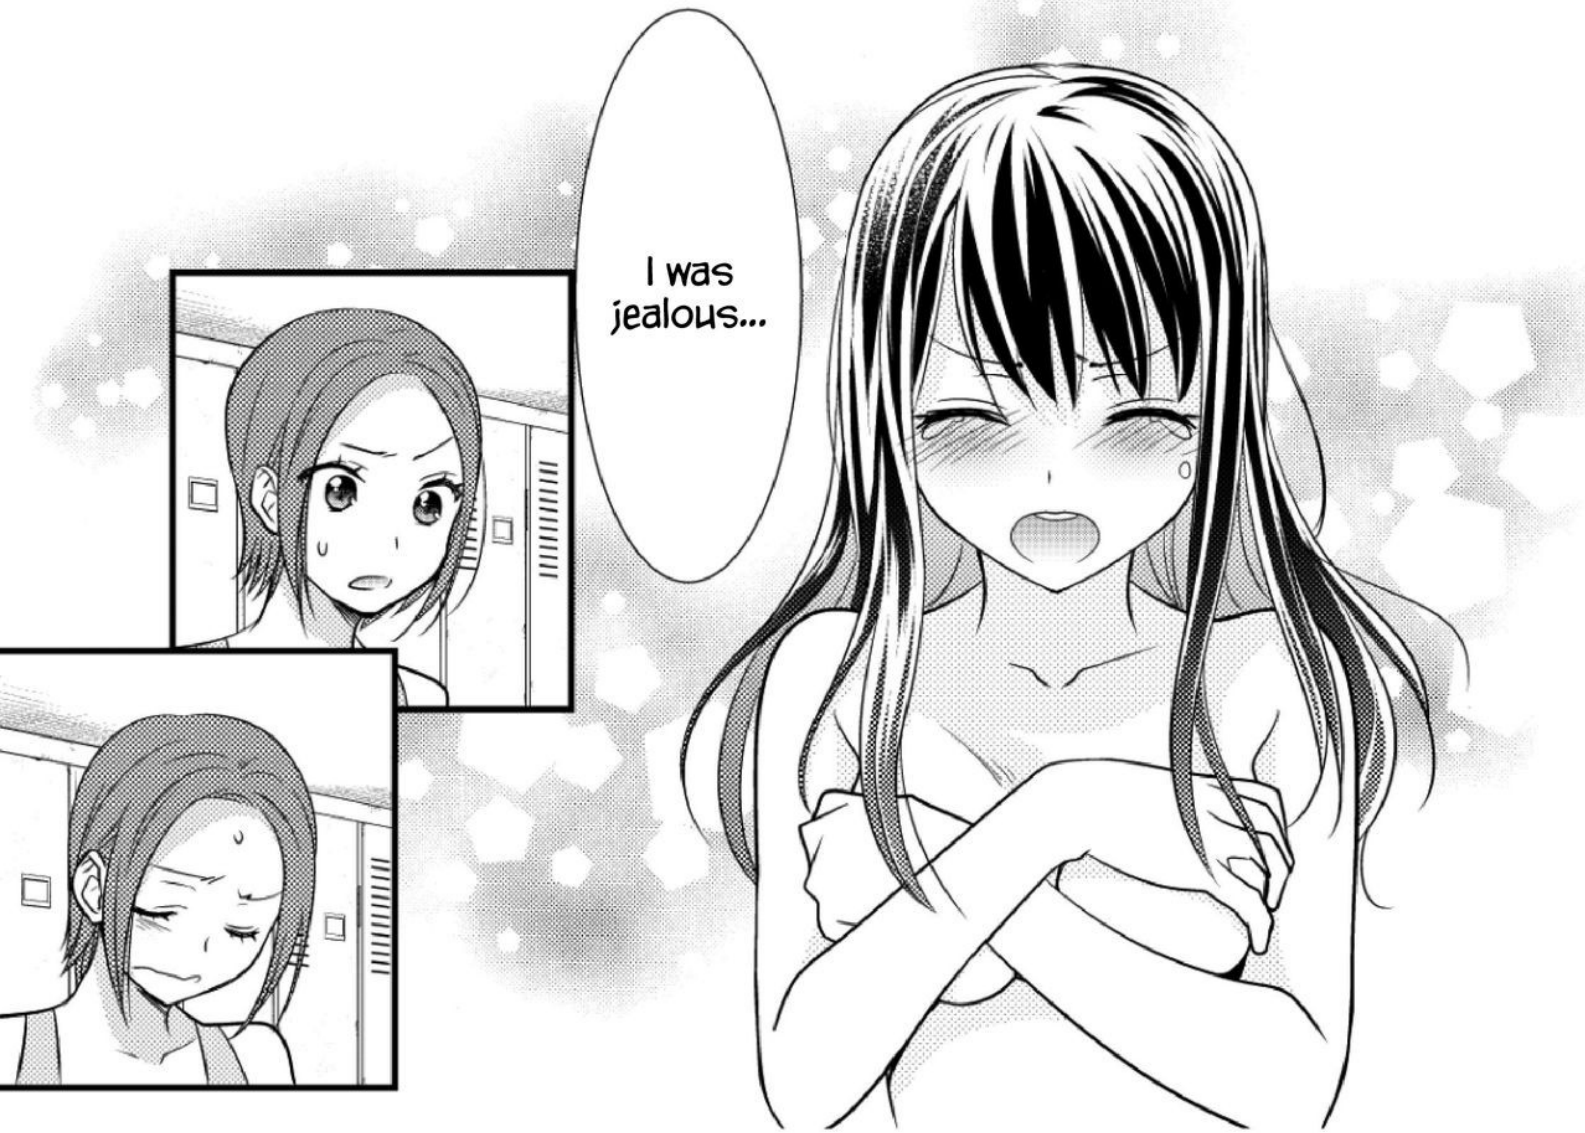

Ahhhhh...  
this is what  
being lovers  
is all about,  
I thought...

told  
each  
other  
they  
loved  
each  
other.

were  
just  
looking  
at each  
other  
and...

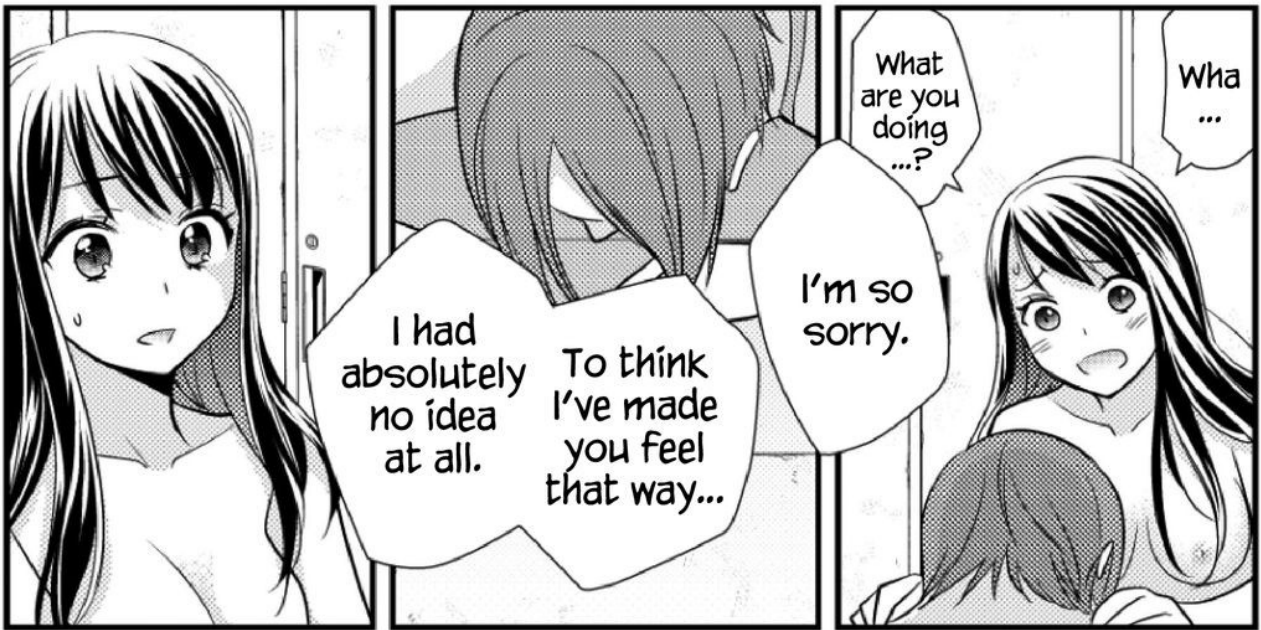

Rina  
and  
Mayu-  
san

What?!

I'm sorry.

I had absolutely no idea at all. To think I've made you feel that way...

I'm so sorry.

What are you doing ...?

Wha ...

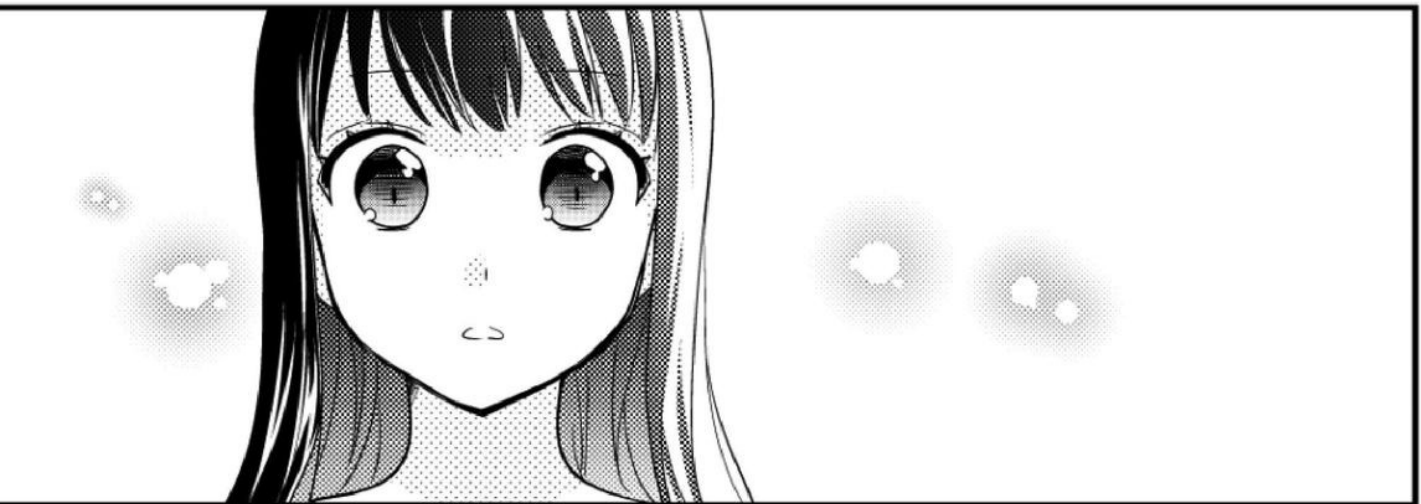

I presumed too much, I was naive.

I figured you would know without words for sure.

is the worst thing a lover could do...

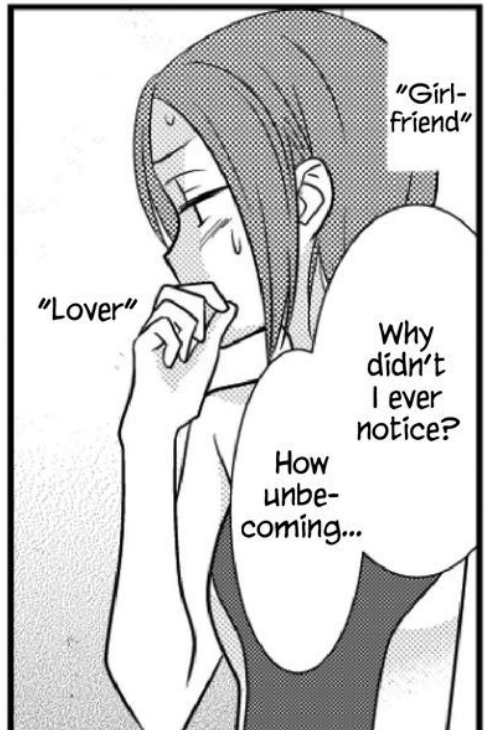

To hurt their girlfriend,

I'd lost sight of what was important.  
I got so attached to a single word,

...Yeah, me too.

"Lover"

"Girlfriend"

Why didn't I ever notice?  
How unbecoming...

Hey!  
I know you likes this!

has never said it,

You're probably tired now, so let's get some rest.

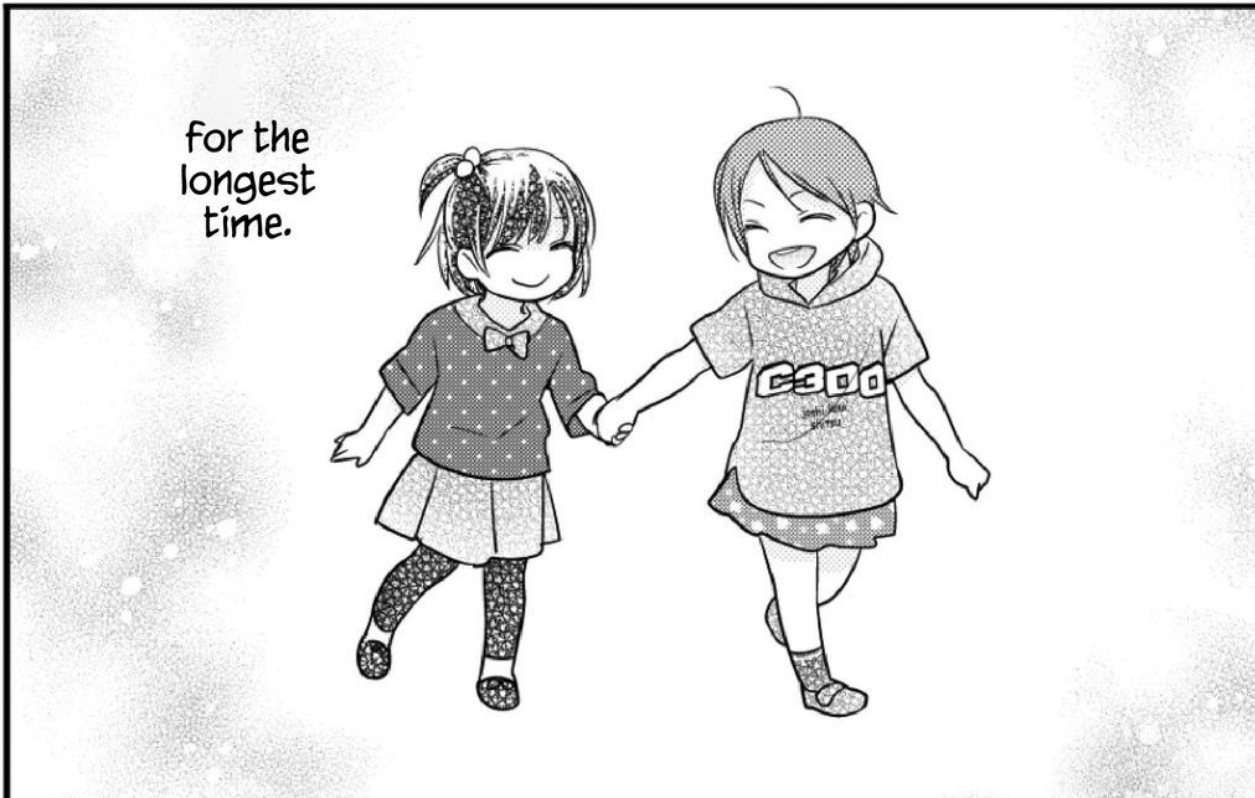

Don't push yourself too hard!  
Aya, you're not feeling well today, are you?

Even if Hikari

She's always been thinking of me

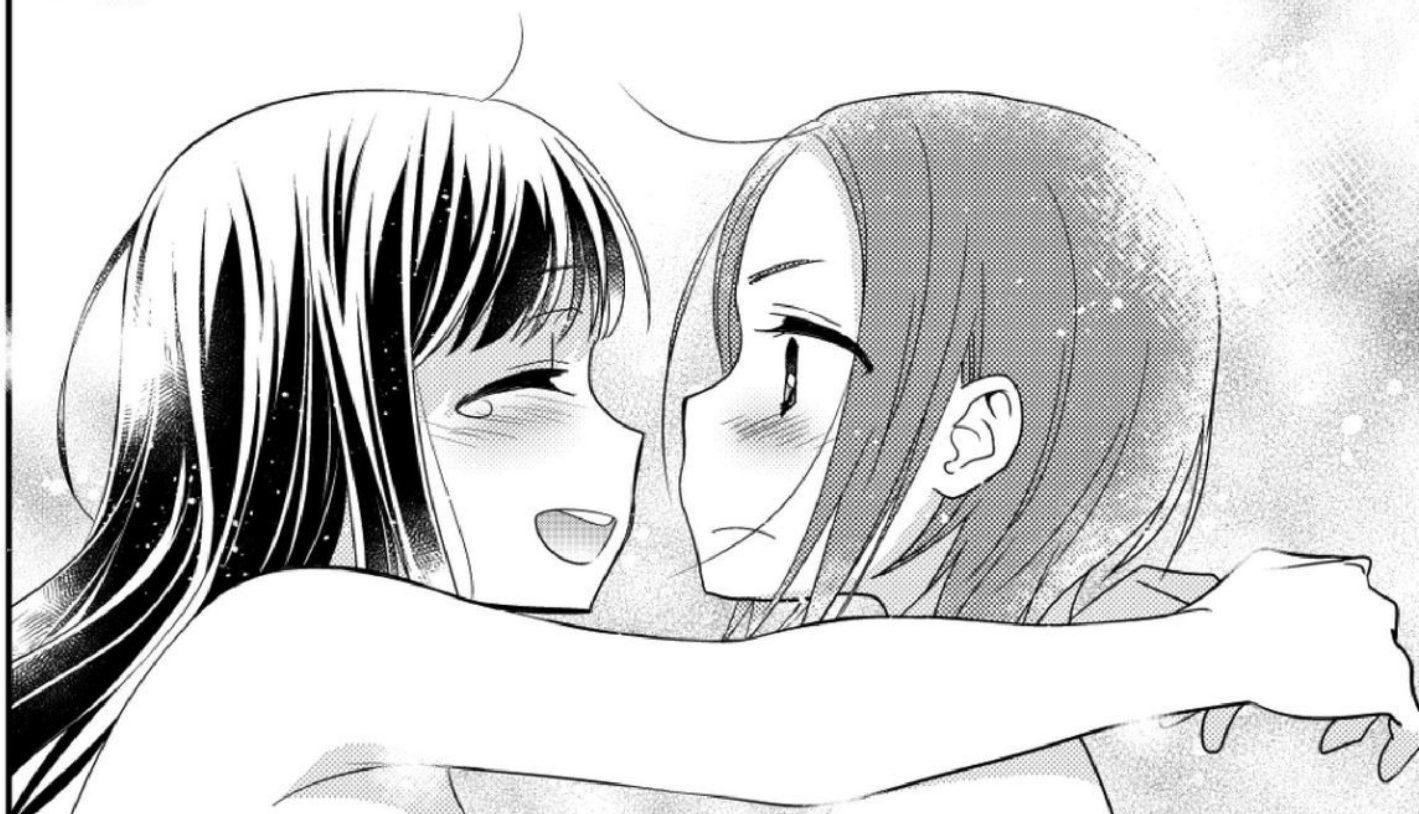

for the longest time.

to be  
my  
lover!

Please  
continue

Me  
too,

if you  
may!!
