

Getting  
swallowed  
up by feelings  
of pleasure  
and pain...

...And  
melted  
into a  
mess.

That's  
when  
I lost  
conscious-  
ness...

I was  
forced to  
feel good  
while I was  
dizzy from  
fever...

I wonder  
how many  
months it's  
been since  
then...?

We're back  
to being  
strangers,  
like  
before.

And missed  
the chance  
to talk to her,  
so we gradually  
lost contact  
without  
meeting.

I was  
stuck  
in bed  
for a few  
days after  
that.

If she  
really did  
admire  
my sister  
for a long  
time...

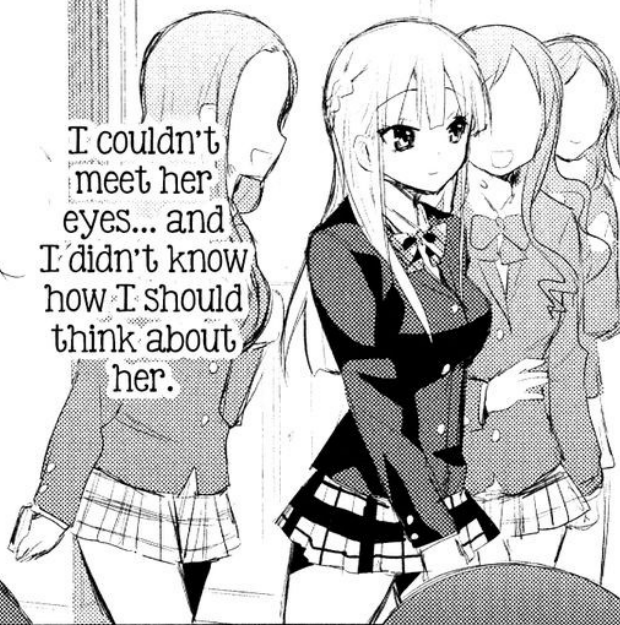

I couldn't  
ask her if  
all of it was  
really true  
or not...

...Or how  
Shizuku-  
chan  
thought  
about  
me...

I couldn't  
meet her  
eyes... and  
I didn't know  
how I should  
think about  
her.

This  
loneliness  
keeps  
smoldering,  
and I hate  
it, but...

But I  
don't  
know  
what  
to say...

I was  
just  
scared...

Scared...  
of making  
things  
clear  
between  
us.

I wouldn't  
get a chance  
to see her  
anymore  
too...

...When I  
graduate  
today, we  
might just  
forget about  
the whole  
thing...

Current  
Student  
Representative,  
Sasashiro  
Shizuku.

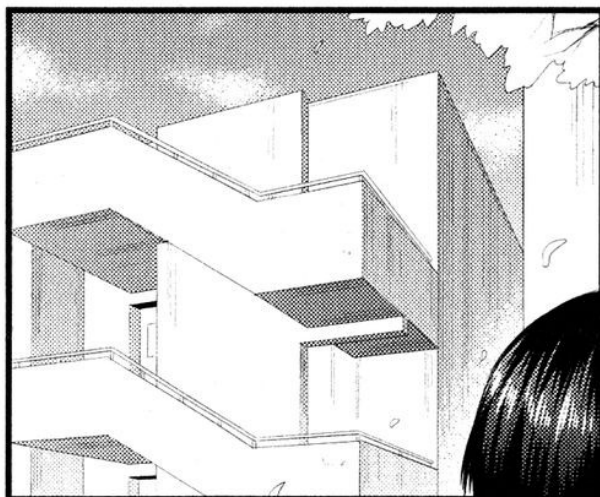

Congratulations  
on graduating.

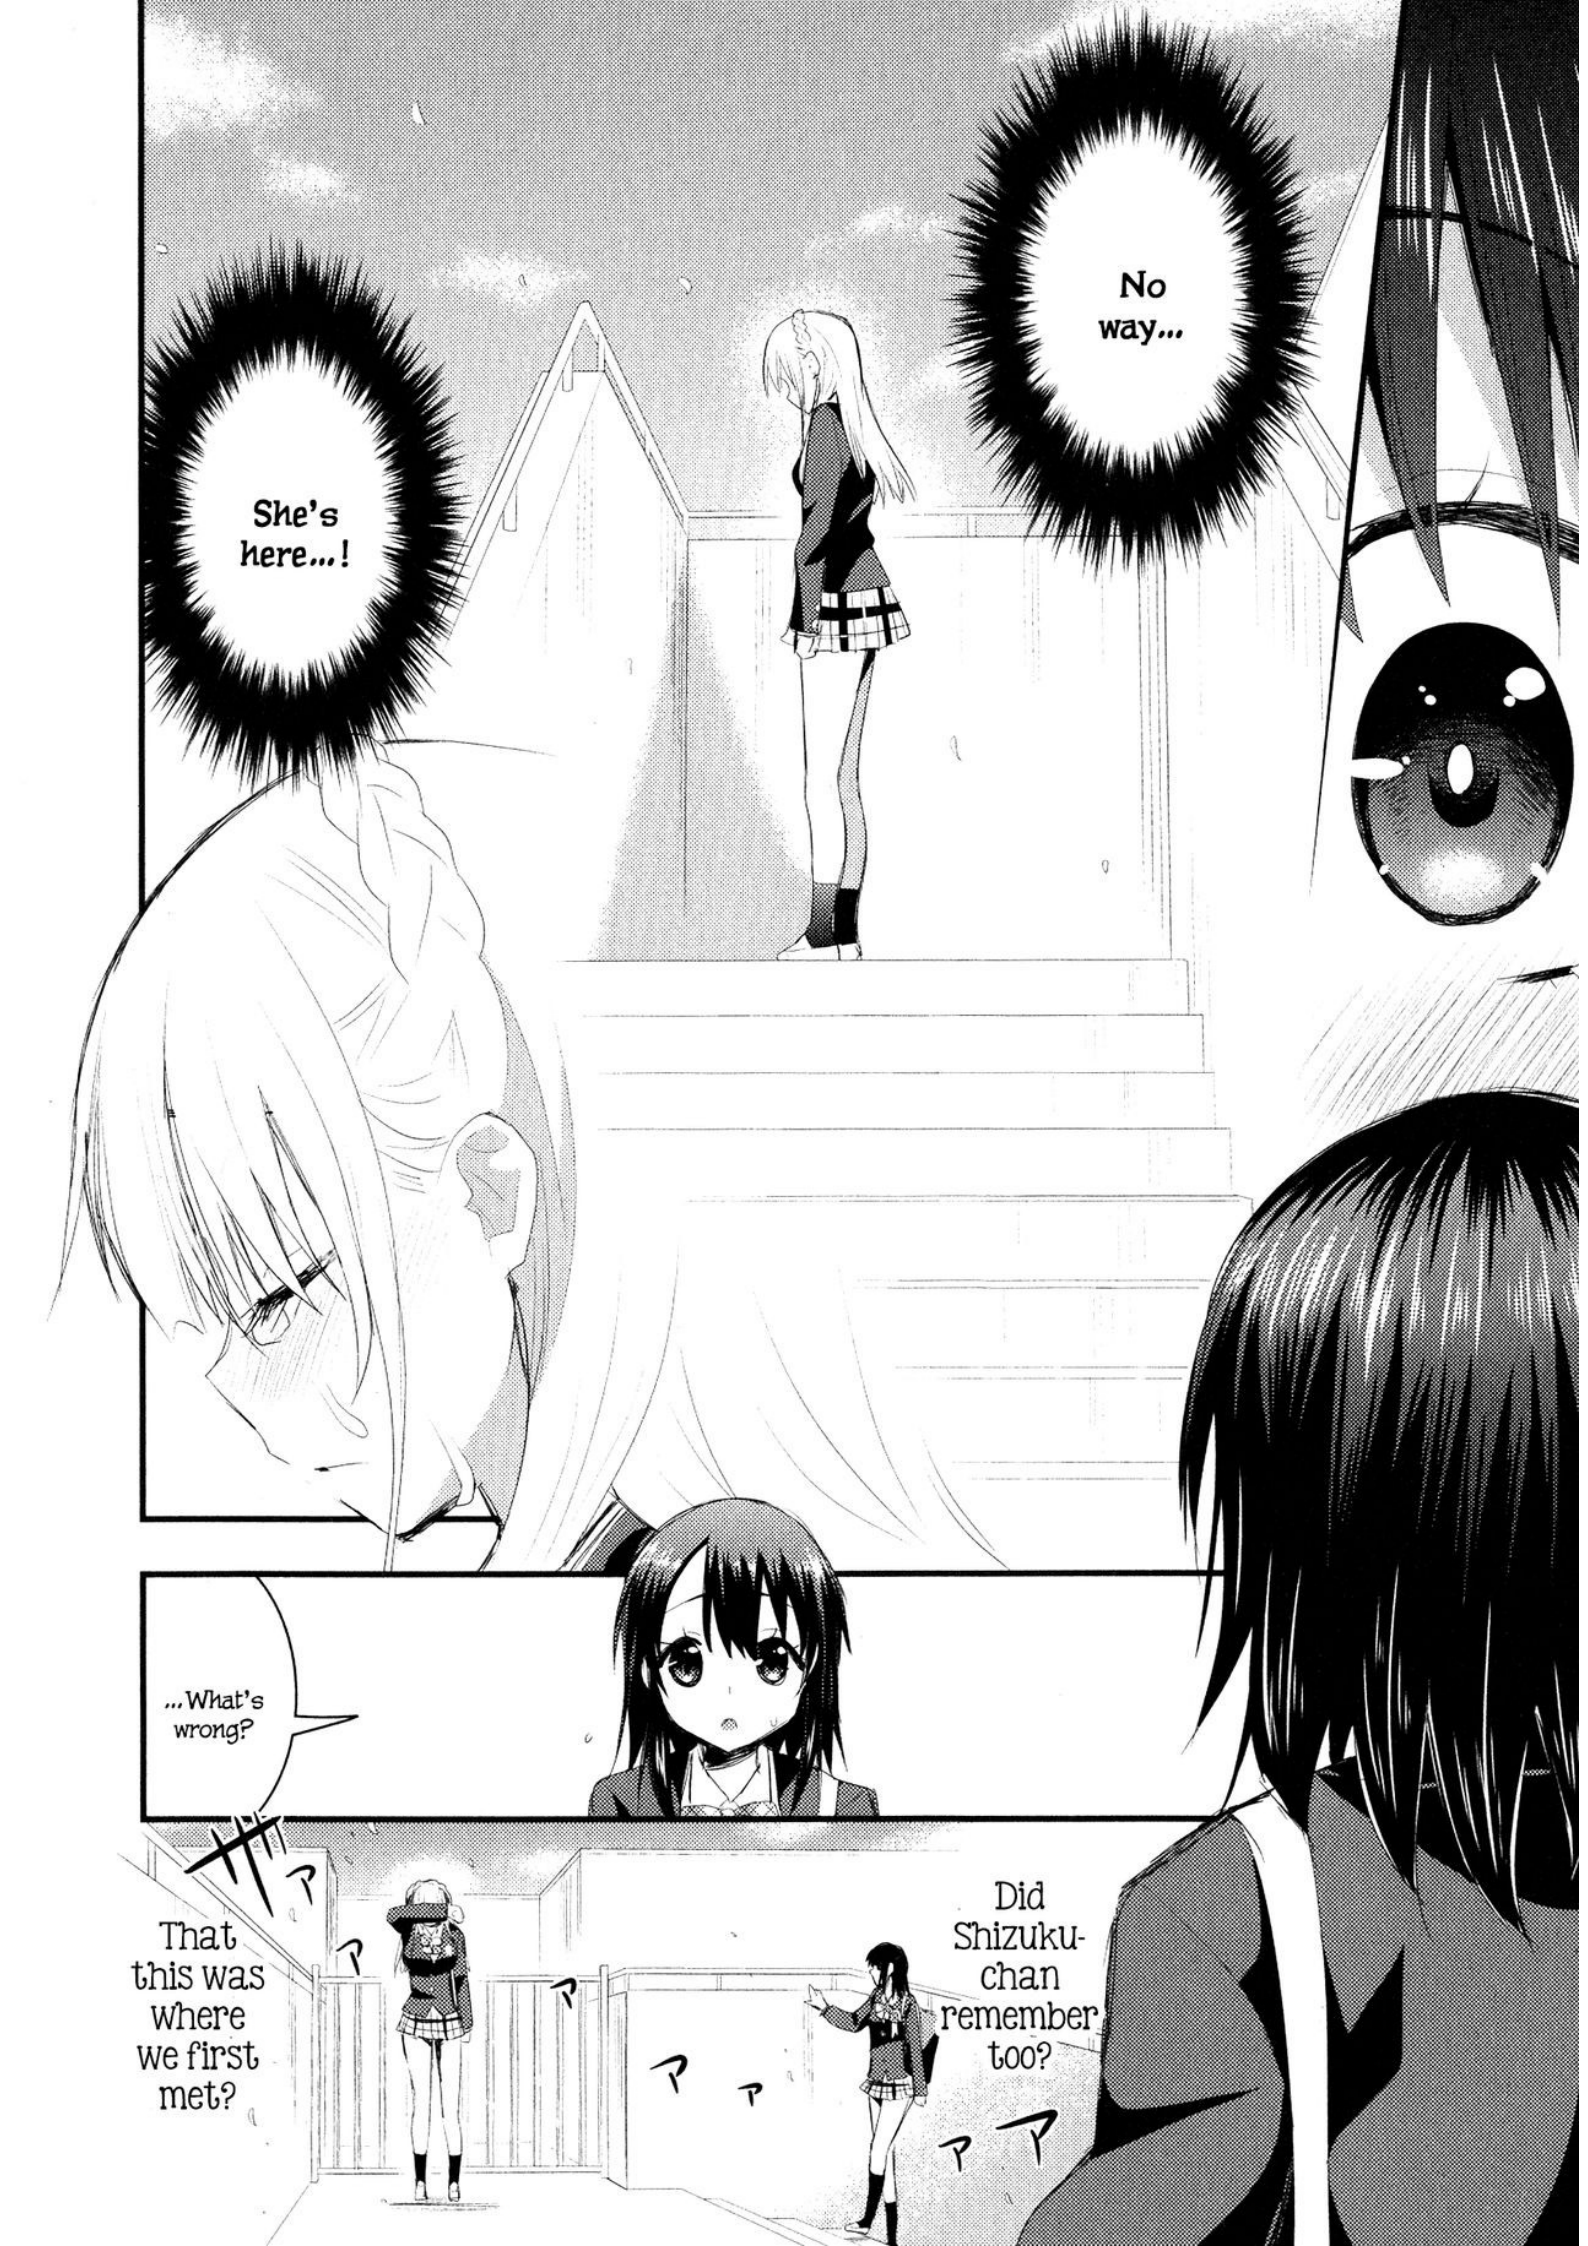

Yes!

A kind  
voice that  
I could  
hear no  
matter  
where I  
was.

...She's  
so far  
away.

Was it  
just that  
one moment  
that our  
paths  
crossed?

She's  
here...!

No  
way...

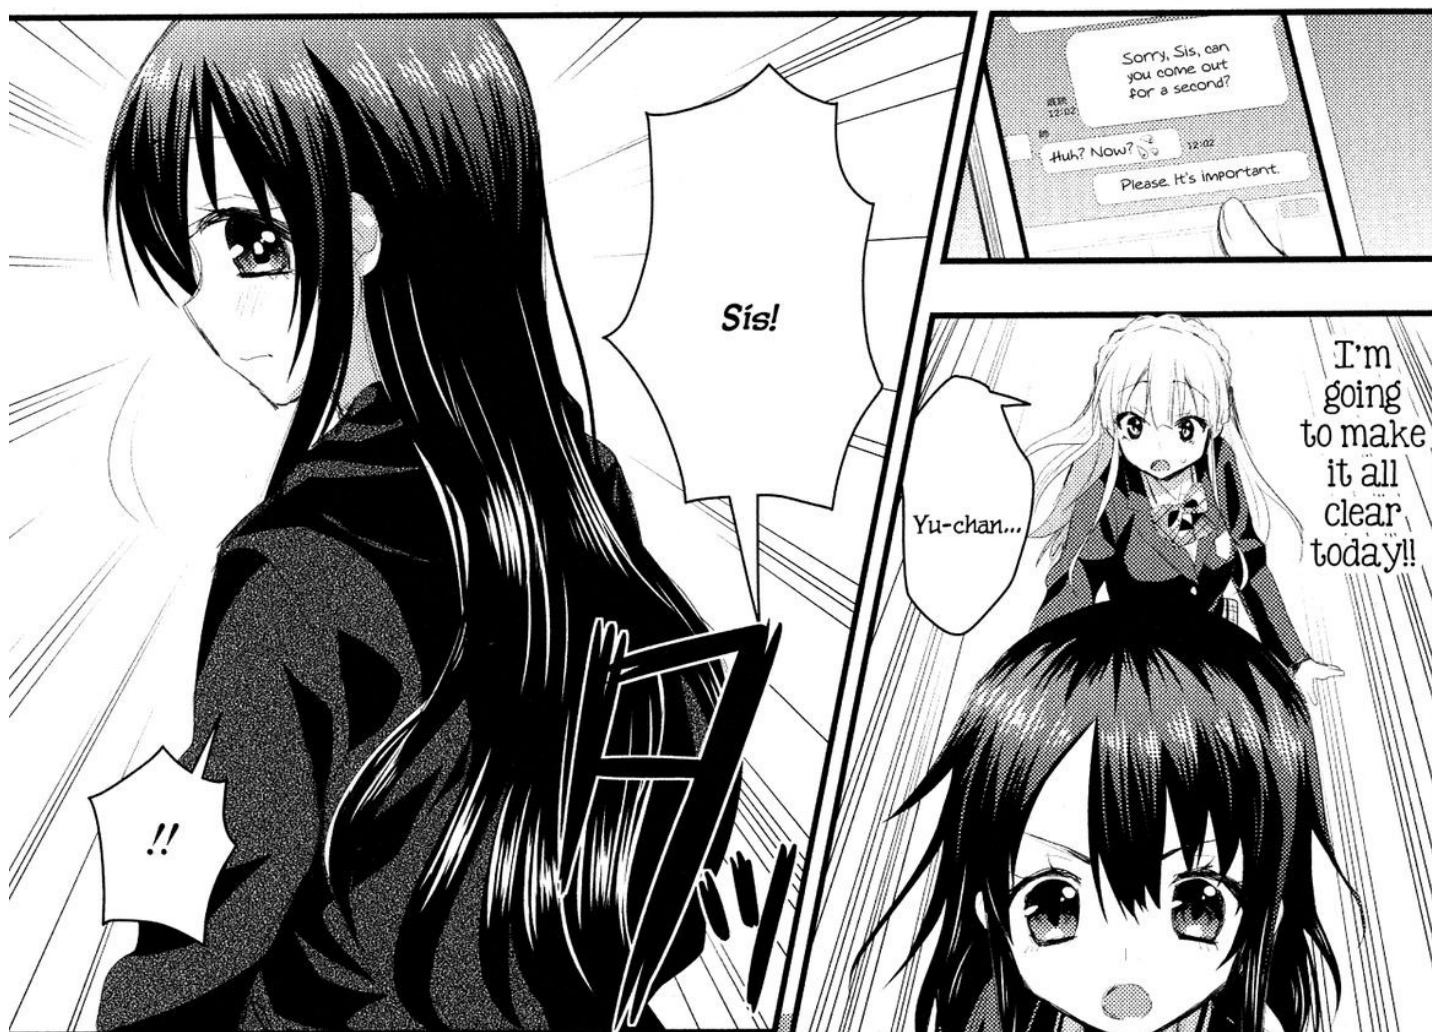

...What's  
wrong?

That  
this was  
where  
we first  
met?

Did  
Shizuku-  
chan  
remember  
too?

T-the two  
of us...!

Are  
going out!

Huh?

Yu-chan?!

From  
now on...  
too...

And...  
Um...

Can we  
really be  
together...?

I've...!  
I've always  
admired you!

...Huh?

I love Yu-chan!

More  
than  
anyone  
else!

Whenever you  
were in front of  
me, seeing you  
made my heart  
race!

It's love! I  
loved you!

I admired  
you for a  
while... so  
it was hard  
to kick the  
habit...

But!

But my love  
for Yu-chan  
is unique! It's  
different from  
everyone else!

My  
admiration  
for you  
was just  
admiration...

So...!

I've quit  
that now!

Shizuku-  
chan!

I want to stay  
with Yusa-serpai  
from now on too!

Yu-chan,  
please go out  
with me again!

Please be with  
me forever!

Of  
course...

I'm sorry...  
I love you...  
I really love  
you...!

Get along  
you two,  
okay?

Sis...!

I'll leave  
my sister  
in your  
care.

I love you!  
More than  
anyone else in  
the world...

I'll never let  
go of you...

I love you  
so much,  
Shizuku-  
chan!

I love  
you!

No... I'm  
getting too  
turned on...

Yu-chan! I  
love you! I  
adore you!

I love  
her so  
much that  
just her  
touch makes  
me shiver  
with pleasure

I love you...!  
Yu-chan,  
Yu-chan!!

Aaaaaahn!!  
Your tongue,  
it's good!  
Aaaaah!!

It  
feels  
so  
good...

Aaahn!

Eek!

Eek!

Her tongue,  
her voice, her  
warmth, all  
of it feels so  
comfortable.

Not there...  
It's dirty...

It's so  
hot... Are  
you turned  
on...?

You're all  
trembling,  
Yu-chan.

It  
feels  
like  
we're  
melting  
together...

Don't say it...  
It's because  
you're loving  
me, Shizuku-  
chan...

Your lewd  
juices are  
flowing out no  
matter how  
much I lick!

Hyaahn!  
Your tongue  
is so warm  
and wet!

You too,  
Shizuku-  
chan...

Ahn!

University's  
pretty free,  
huh?

I love  
you.

Me  
too.

END

Rude. I  
waited for  
you too, you  
know?

Thank you  
very much!

You  
might be the  
forceful one  
these days,  
Yu-chan.

Come  
here.
