おなかいっぱい
あやかしの種

その巻

佐藤沙緒理

I'm Akari Kizu.
My eyes and head
have always been
strange

Hey ...
can you see it?

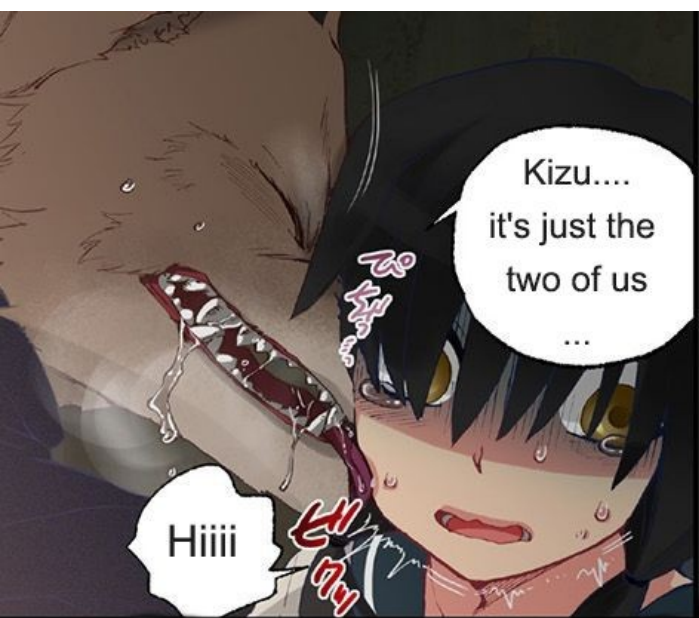

what are you t...
This is a hallucination!
This is a HALLUCINATION!!

I am a person who can see things, that are not human

My true appearance

Kizu....
it's just the
two of us
...

Hiiii

I just have to
pretend that I
can't see it

I can't be
seeing
something
like this

It's
a
lie...

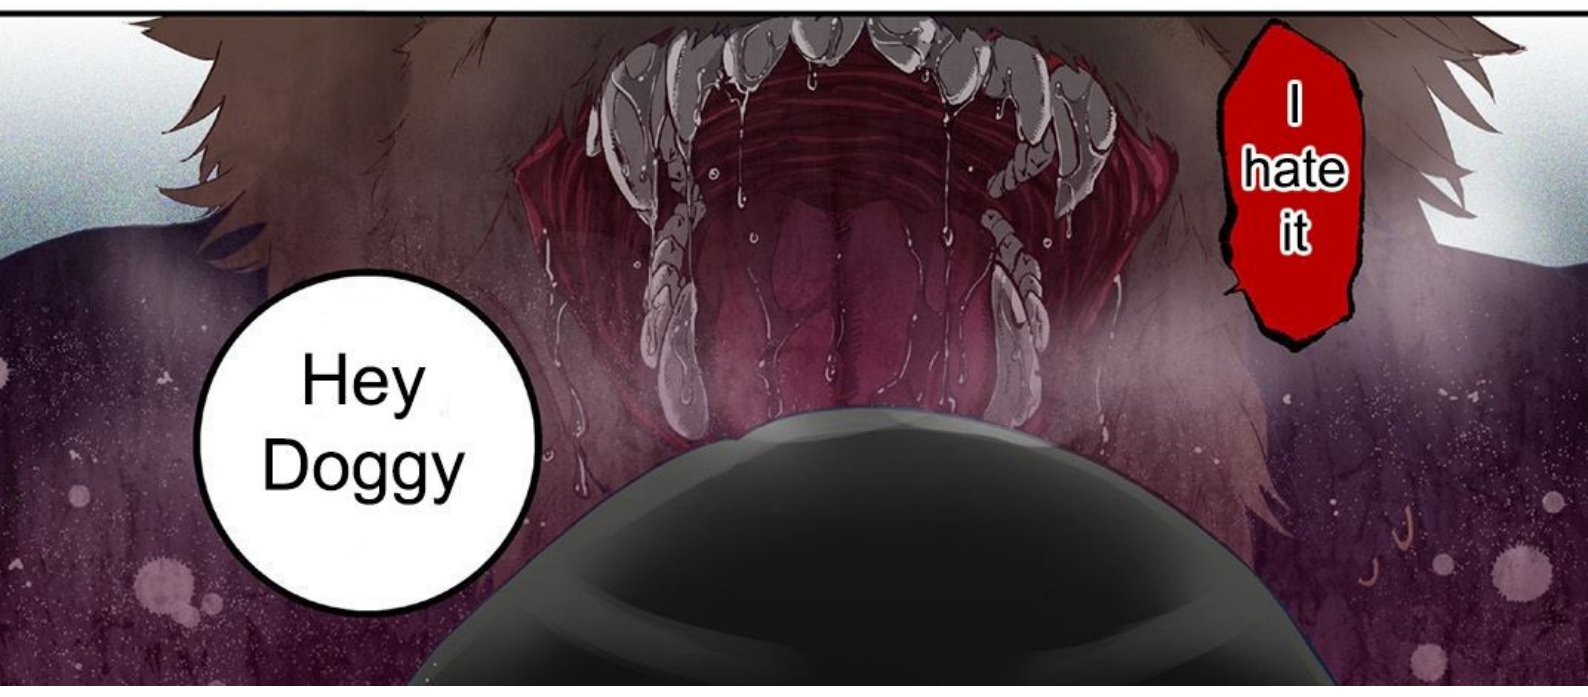

Then why
are you
trembling?
...

You're
wrong

Your
eyes
scared
me

!?

Hey
Doggy

I
hate
it

Leave her alone

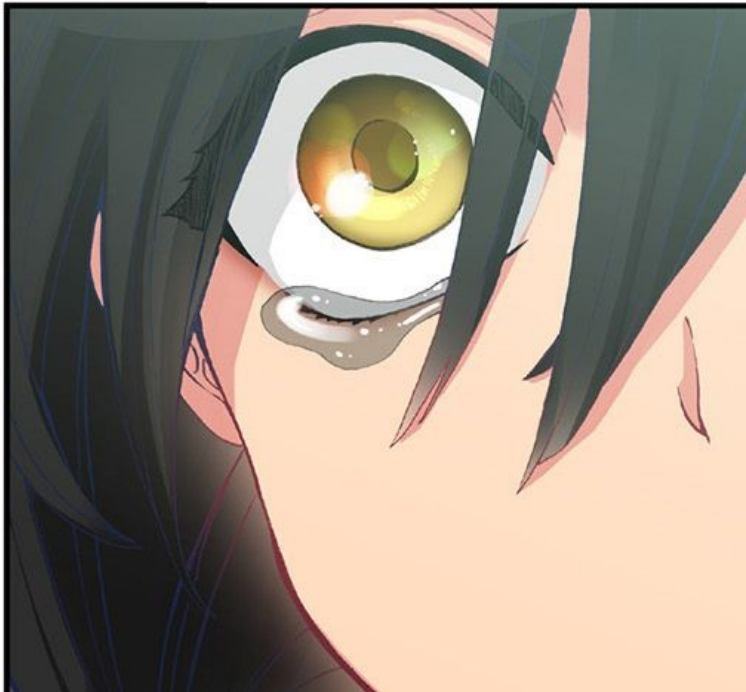

Well if you make a scene i will report you

She is... beautiful

You know the rules

this is
not
normal

Hey
YOU

Ah I'm
having
trouble
with
my bangs
...

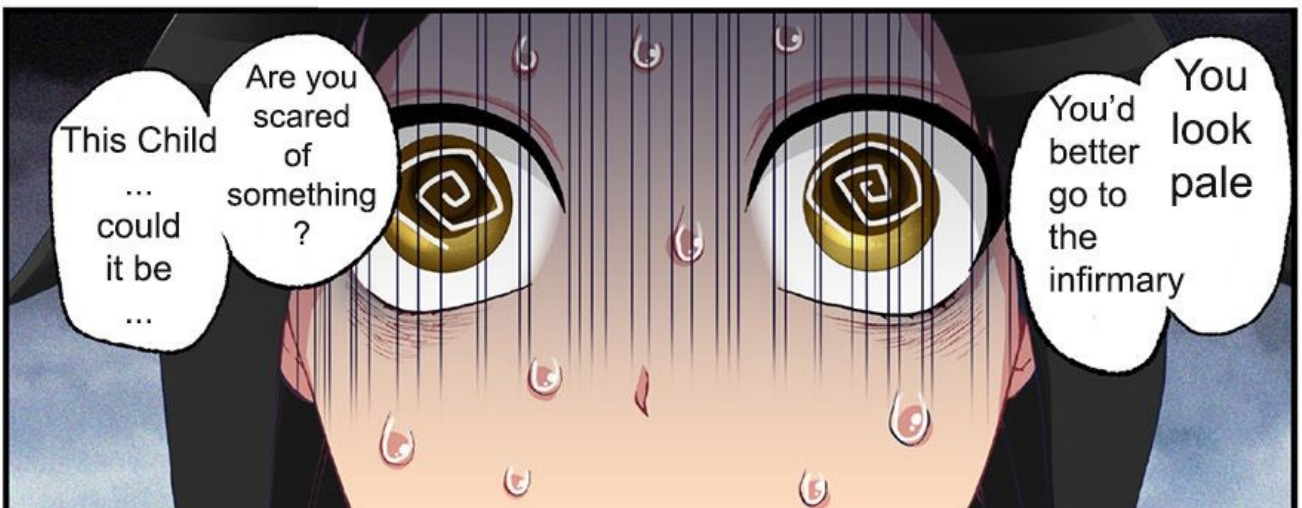

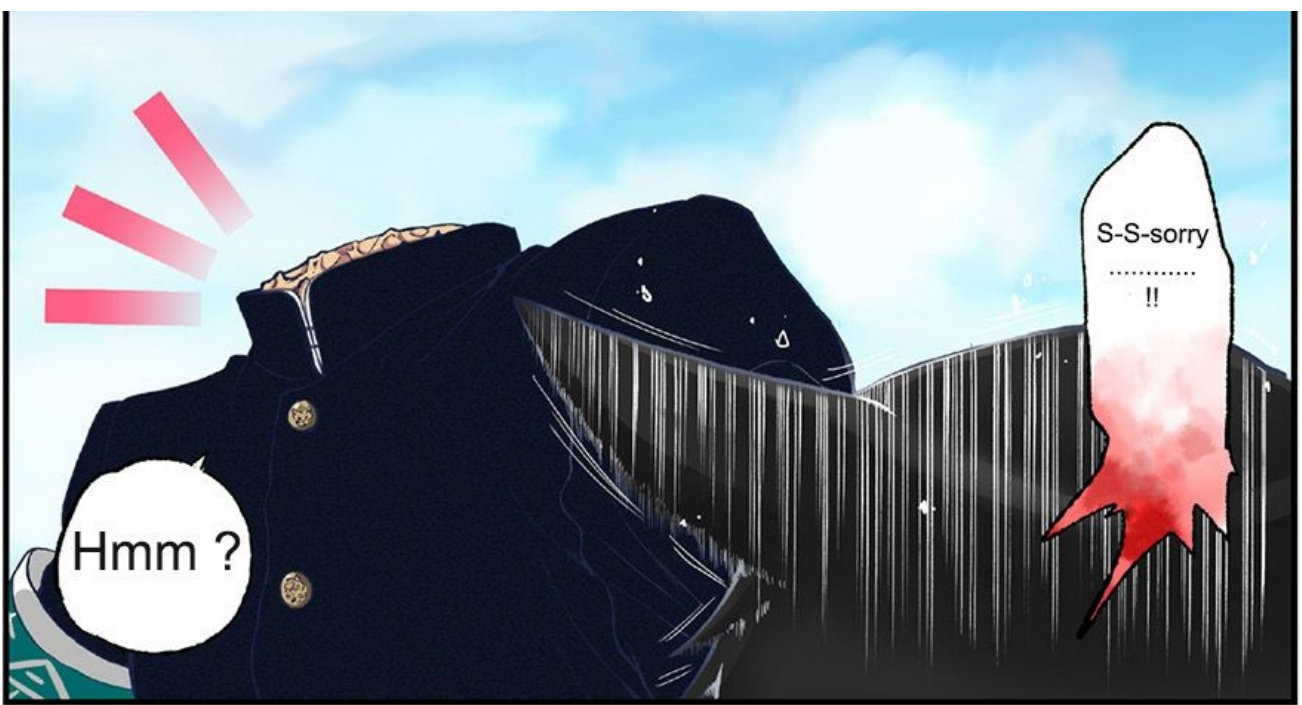

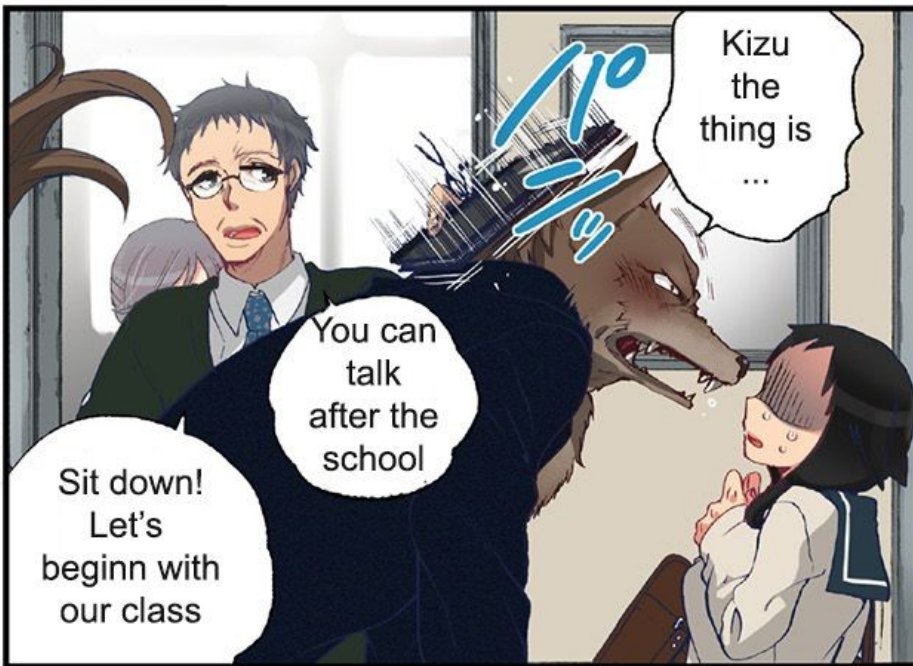

It was
not a
Dream
...

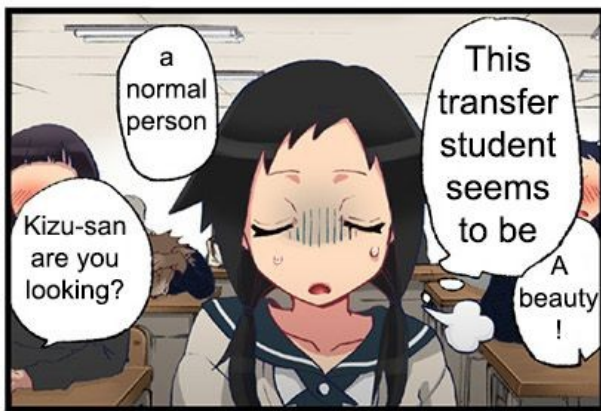

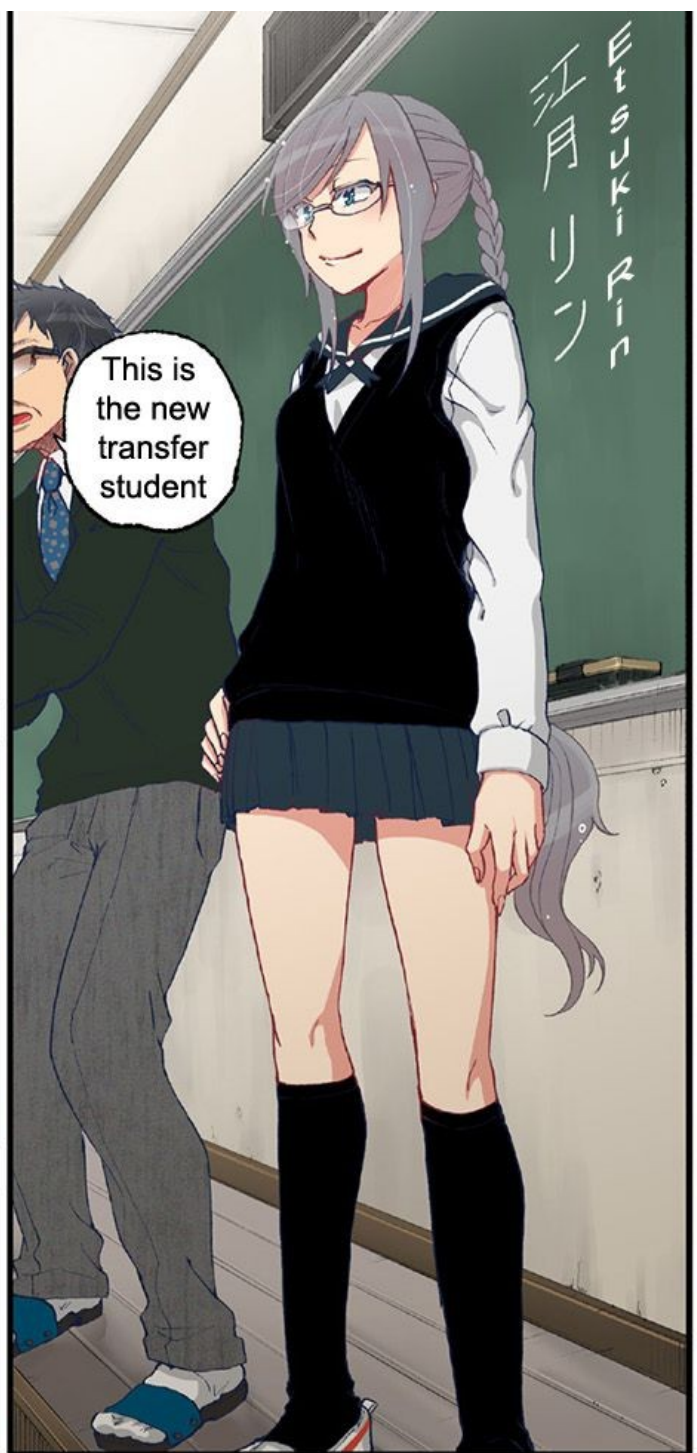

What
was
that
yesterday
?

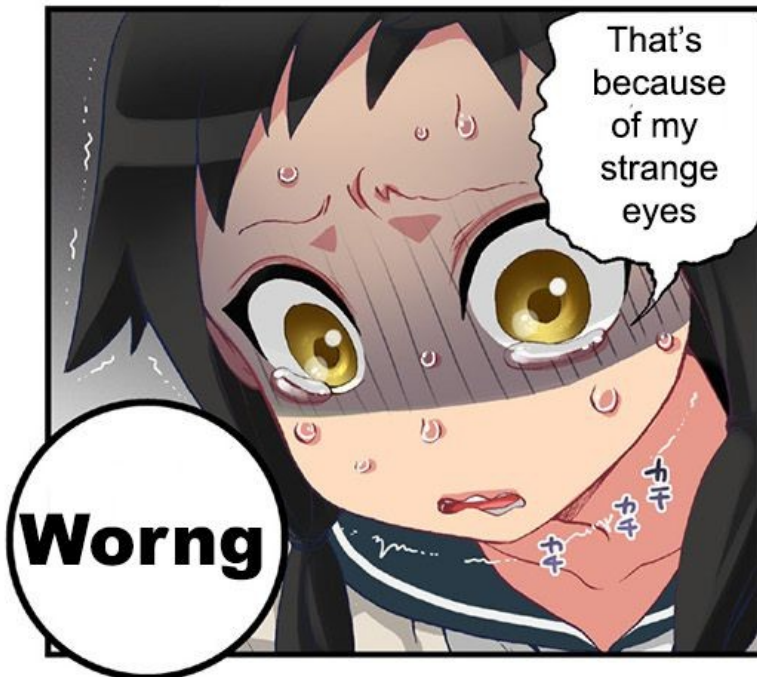

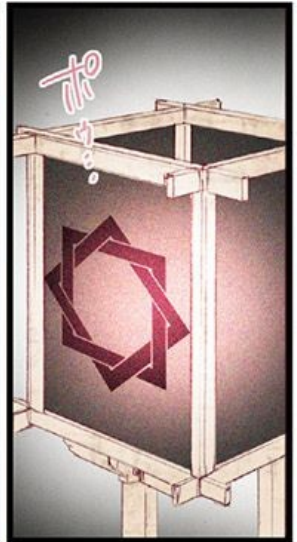

I want you to help me

collect yokai semen

They aren't strange they are just too good

Those who are not human they are called "yokai"

for certain reasons I am now collecting their semen

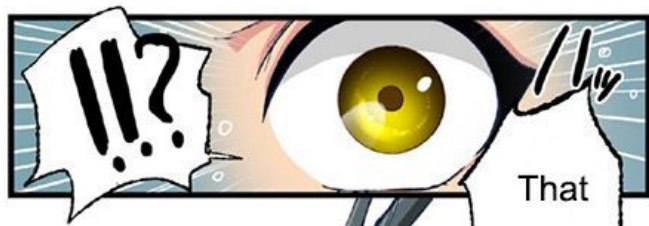

.....
s-ss-s?

Sperm, seed, semen, white milk. Well,

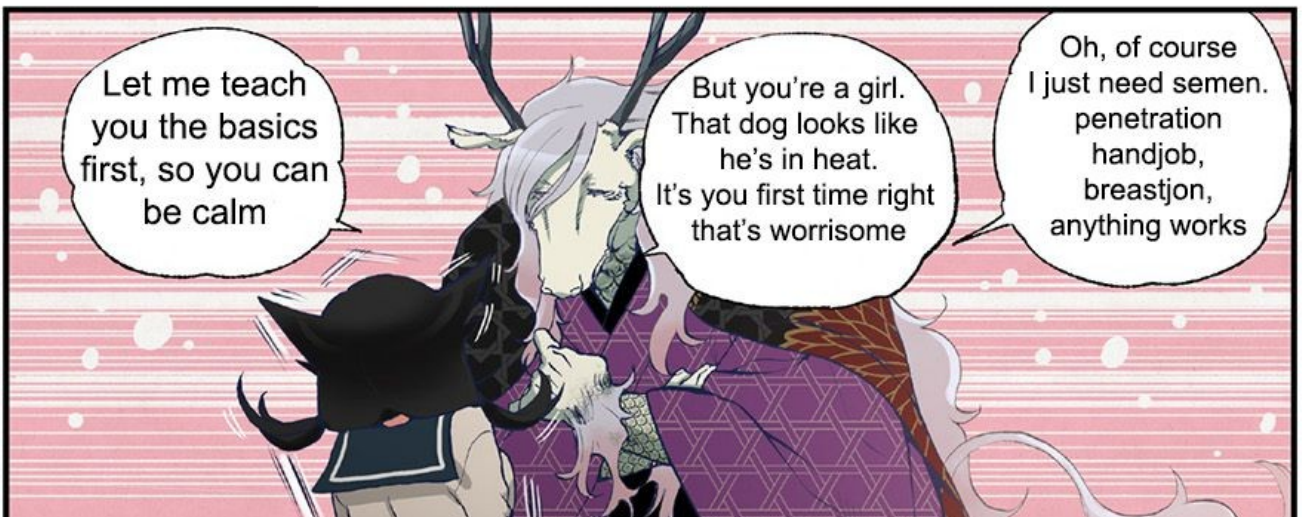

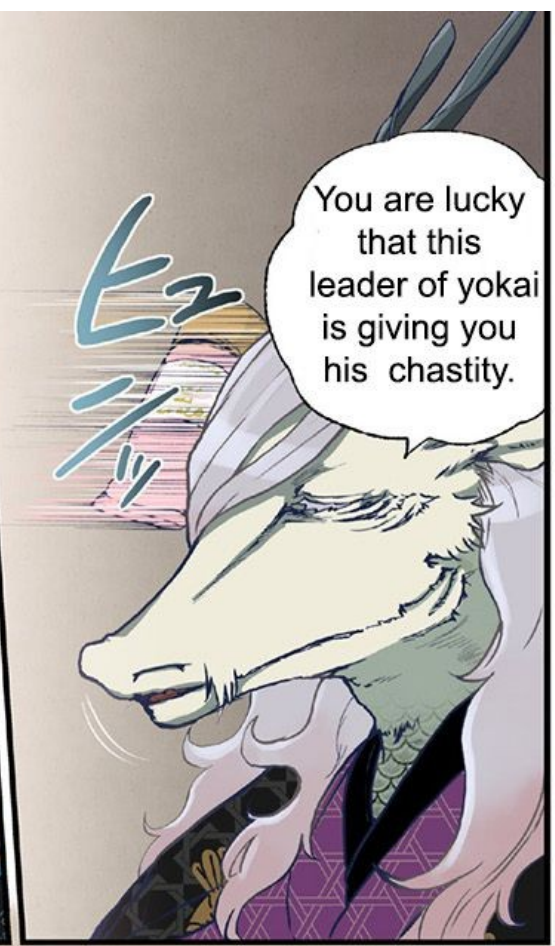

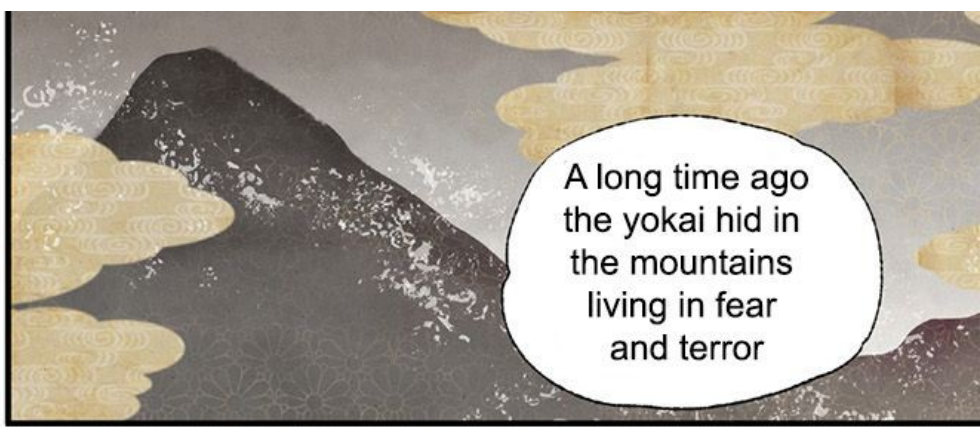

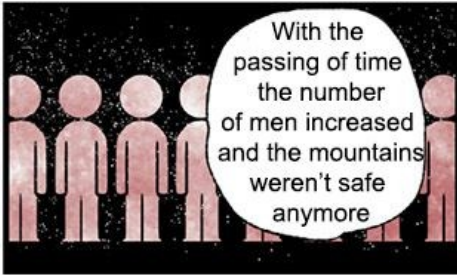

I hunger for yokai semen

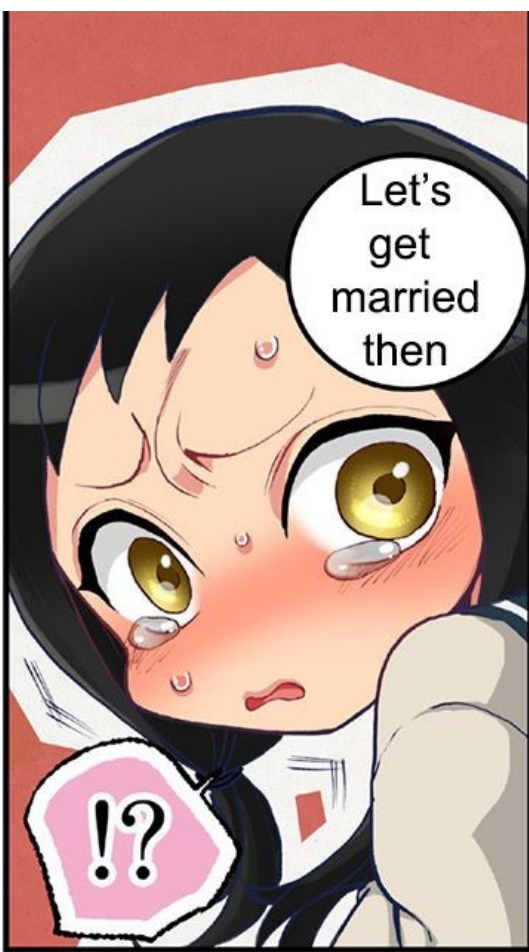

The Second Part

Satou Saori

Let's get married then

That hurts aren't we Friends?

I'm an ordinary person..... It's better to do it with friends.....

I... Why ...?

In the old days human did get together for it

do you want to stop seein us ?

And you humans are quite popular with us

ordinary humans can't see the true appearance of Yokai

because many of them prefer not to frighten humans

you could become normal...

If you could meet that person

This means there should be an original owner

This eyes do not belong to a human but you are one.

え...

That's right It's all up to you

I don't know how to take Semen

But... I don't know...

That's ok

I will pesonaly teach you

Akari
breath in
and
breath out
and take
a deep
breath

sorry
I
forgot
to tell
you
that i can
turn into
a man.
I will pull it
out at once

Scared?
Oh...
is that
so

I...
am...
scared
...
Oh,
no!

What?

I don't know ... no...

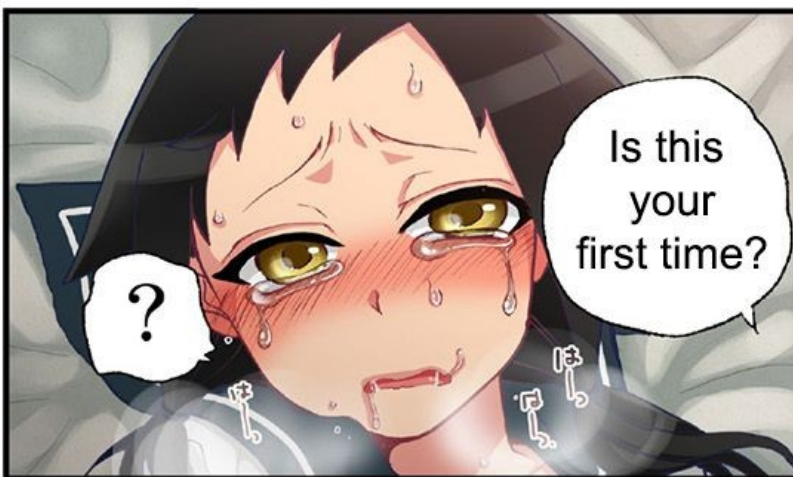

Tell me Rin what's this feeling ?

I don't know what to do it's scary

It's ... different ...

My Tummy ... feels ... so hot

Is this your first time?

?

Rin?

.....
