Three months have passed

since I became a succubus.

What the hell's that?

It's become an urban legend...

And then I was brought back to life, as a succubus.

To be exact, I died three months ago. When I was ran over by a demon who was on vacation.

Oh yeah, did you hear that rumor about a "winged woman"?

Winged woman?

But during these past three months, I've been painfully reminded about it.

Hey, keep working!

We are working!

Even now, I can hardly believe it happened.

When that happens, I emit a pheromone that puts the people around me into a state of hypnosis.

Squeeze

I must absorb men's semen. If I don't, my uterus starts to hurt.

Twitch

Gting...

Glow

To put it more precisely, I end up emitting a pheromone that forces the men close to me...

...to feel strong sexual urges towards me, whether they want to or not.

Besides,
this
condition
ignore
men's
feelings.

I think
that sex is
something
I'm only
supposed
to do with
somebody
I love.

I really
hate
being a
succubus.

Lose
control.
Start
having sex
indiscriminately.

But if
I don't
do this,
I get
hungry.

It actually
happened
once when
I was in
the train.

Oh,
Yamada.
I've been
waiting.
Come
over
here.

And take
off your
clothes.

I've been
taking
semen
discretely
through
one-on-one
encounters
whenever
possible.

Ever
since
then,

Sorry...

Good grief...
What kind of
middle school
student wears
something like
a micro bikini
under her
school
uniform?
I could
see it
easily
through
your top.

But

Hey,
don't you
know why
the school
rules only
allow you to
wear white
or gray
bras?

...that
I'm not
human,
it hasn't
really
hit home
for me.

It's
just...

Rustle-

It's
because
when girls
like you
wear such
obscene
underwear...

...especially
black-colored
ones that
show through
the most...

Honestly,
even now,
the fact
that I'm a
succubus...

I knew it.
Just as
I thought.

I'm not sure if it's the A-spot or the P-spot, but it feels really good for you here, doesn't it?

Take this!

Good grief.

there's no need for me to enjoy this as well!

I hate this. If all I need is sperm,

Quick summary of what happened 3 months ago.

Thus, an urban legend was born...

Hello there, Kanro Ame here.

I planned on getting this book out during Air Comiket, but before I realized it, it was already the end of June... I feel bad for everyone who was waiting for this, but I'm also relieved that I was able to get it out just right.

This time it's a story about a reluctant succubus, a poor girl who became a succubus against against her own will. (She doesn't hate it as much as she thinks she does.)

This is the first time I'm doing this genre, so I went through a lot of trial and error while making this story. But if you enjoyed it, that's enough to make me happy! About the previously mentioned train incident, I was thinking that in the train, her hypnosis power went berserk and she was molested by several guys, then dragged to a hotel where they had sex, and after that she got hungry for sperm again and resorted to late night compensated dating with mock lovey-dovey sex. I wanted to write something like that, but that'll have to wait for another time!

Well then, let's close things up here. I hope we can meet once again.
