Naye Hong

the winner of

“Miss Beautiful Armpit”

INTERVIEW

Please tell us a little bit about yourself:

Hello everyone, my name is Naye Hong. My birthday is the 14th of August and I am 22 years old. My three sizes are 40 - 24 - 36. I am a confident person and have a huge sex drive.

Can you go into detail on your sex life?

Well, I really love sex, so I always try to find new ways to make sex more exciting for me and my boyfriend. I get so turned on when something unexpected happens which leads to a new experience, for example I fooled my boyfriend recently to spice up our sex life.

Interesting. How did you fool your boyfriend?

I had a little accident and when I woke up in the hospital, I overheard the doctor tell my family that I might have temporary short term memory loss. So I played along to see how my boyfriend would react. I wanted to see if he would take initiative in sex for once.

Wow!! So how did your prank turn out?

Well the act lasted for a few days. He tried to make advances towards me but I swiftly rejected him every time and could tell he was getting irritated. I was hoping that he would get fed up and be more dominant with his desires but sadly he did not. In the end I had to give him a little push by leaving my door open so he could peek on me changing. As I anticipated, that was enough to turn his switch on and he made his move. Normally I am always the one who initiates sex, so seeing him take charge was a huge turn on. We started having sex and even tried anal for the first time. He fucked my ass so hard that I ended up having the best orgasm in my life. It was really exciting since I had never done anal before.

God damn, I am getting turned on by just listening to your story. Lastly, any words for your fan club?

Thanks to everyone who voted for me. Please continue to support me and I promise I will also do my best for you guys. Thank you.

Naye Hong
