Are you taking your doggy out for a walk too, young lady?

Oh my?

Look, Eriko. It's your friend. Hurry up and finish your business so you can say hi to him.

Aah...

Oh my,
does
this girl
interest
you?

With-
out a
doubt.

There
must be
something
about
you deep
inside.

**THE STUDENT COUNCIL PRESIDENT
WON'T HAVE THEIR WAY
~1ST PERIOD~**

Excuse me.

I'm so nervous.

Oh gosh~

...Wow, it's pitch black.

It doesn't look like anyone's here...

Hm?

I wonder if it's because I came too early?

32nd Term Student Council

Let's see...

It's an album of our past seniors.

Oh wow. ♡

There she is!

Honoka-senpai!

46th Student Council President Honoka Miyamura

What is... this?

Huh!?

52nd General Meeting

She looks ...

awful ...

I mean ...

Appointment Commemorative Pa

This is the student council album. So then, why...?

Why would something like this be in here...

have a picture like this!?

Why on Earth does the student council ...

For generations, the president has been a vessel for the students' frustration.

Oops.

Eek

has made it possible for this school to be at peace, even in these times.

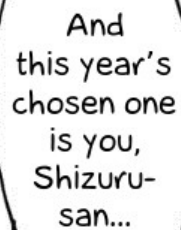

What we've done behind the scenes...

Fufu, you look surprised.

Hyaah

Ah... Vice president!

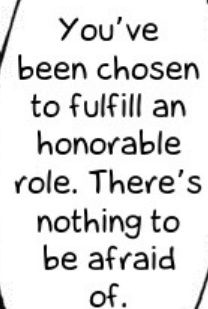

And
this year's
chosen one
is you,
Shizuru-
san...

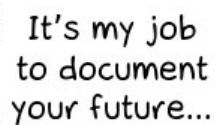

Ah...
Aaah

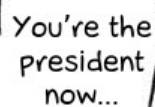

Help me,
president!
Please
help me!

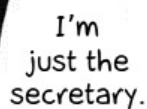

You've
been chosen
to fulfill an
honorable
role. There's
nothing to
be afraid
of.

It's my job
to document
your future...

You're the
president
now...

I'm
just the
secretary.

Hehe...
Be a good
girl, will
ya...?

HAA

HAA

Hi
Zu

You're
not gonna
like it for
now,
but by the
time your
term ends,
your crotch
will crack
open by
itself.

Ugh
...

We even
voted for you,
so don't be
mean to us
now.

Hi
Zu

Were you hoping for this or something?

You're liking this more than I thought.

but you're already soaking wet here.

So you say,

There's no way that...

Don't leave us hanging.

Make us feel good, too.

AAH
:
Gaaah

AAH

AAH
HEE

Ow!

Guh...
fuu...
It
hurts
.....

AAH
HEE

Mmh

AAH
GUH

I'm...
I'm
gonna
break!

Mhaah

I'm
going
to
break
...

That's cuz
she feels
too good,
dumbass.

PH
HEE

That's
too
quick,
vice
prez.

Oh
man,

I can't
keep up
with my
thrusts.
I'm
about
to cum.

Her insides
are sloppy
as hell. This
girl's got a
real knack
for being a
prostitute
than
Honoka.

Don't
you
agree,
Shi-
zuru-
chan?

If she's
that
great,

then I
guess I'll
have her
suck me
off with
that cute
mouth.

Yeah, that's it. You're pretty good at this.

I'll drag you around on school campus if you bite.

C'mon, stick your tongue out.

She suddenly tightened up when she started sucking you off...

Ooh!

Her pussy juices are gushing so much, they're splattering all the way onto my pants.

She must be one hell of a pervert in reality.

She's using her hips on her own now.

Now you can
carve your
name in the
history of
the student
council...

You're
beautiful,
Shizuru-
chan...

Ah
:
Fuu

Mh
:

There's
gonna be
a chairman
selection
for each
committee
next week.

You'll be
helping us
with that,
too.

We're
looking
forward
to it...
