Afterword

I'm A6, it's been a while!
Sorry if you had miss me.

I was not able to give an effort
for my art work as I expected
because of my family matters
and physical condition.

Anyway, here is my second book
presented by "Kisho-Muri"
(means "impossible to wake up
in a morning")

The theme of the story was
the inner desire to see and to show,
as you can see from the title.
It's cute that adolescent boys
getting curious to see another penis...
heh, heh.

The boys in the story are
a childhood friend however
they have 2 ages of gap.
I tried to express a subtle sense of
distance... and it was challenging.
I wonder if cute Taiki be aware of
gap of age and will use honorifics to
Yo-kun a year later.

And if Yo-kun get shock with that...
Yo-kun, although it wasn't
appeared in the work,
actually named "Yotaro".

The sounds "Taro" is expressing the
thickness of his eyebrow.
...just kidding.

Anyway, I'm glad that I could
provide you these 30 pages of work
and it is increased 2 pages from
the last time,
which means this is the longest story
I ever create. Yay!

(It's not that long I know...)

As for "Secret Wednesday",
I would like to draw the continuation of
the 2 boys one day.

Good bye until next time.

Thank you for reading it until the very end.

Normally, he doesn't
hide his penis at school

Taiki

(Waiting as a hidden meaning)
The boy who wants to show.
He is very easy.
He likes Yo-kun very much,
although he never says that to
Taiki face to face.

Normally, his behavior is
very soft and relax at school

Yotaro

The boy who wants to see.
He can't stand of the cuteness of Taiki.
Pubic hair has grown recently
(bit slow).
He has meek atmosphere,
but aggressive sexually.
