Ultra
sick!!

Even an
entire

wouldn't
be
enough
to taste
it all!

Really...

Green!!

Aah
this
world
is
sick!

It's
over-
flowing
with
unneces-
sary
entertain-
ment...

so the
way this
world's
entertain-
ment culture
is in full
Bloom...

If money's
the issue
then we
can use
magic to
make as
much of
it as we
want,

IT'S
THE
BEST!

But
there's
some-
thing
that's
even
more
important
than
that.

money
is impor-
tant,
Nnn~

Wouldn't
it be
faster
to make
whatever
you want
through
magic?

After worldly desires, now I want to sate my hunger!

...al-right!

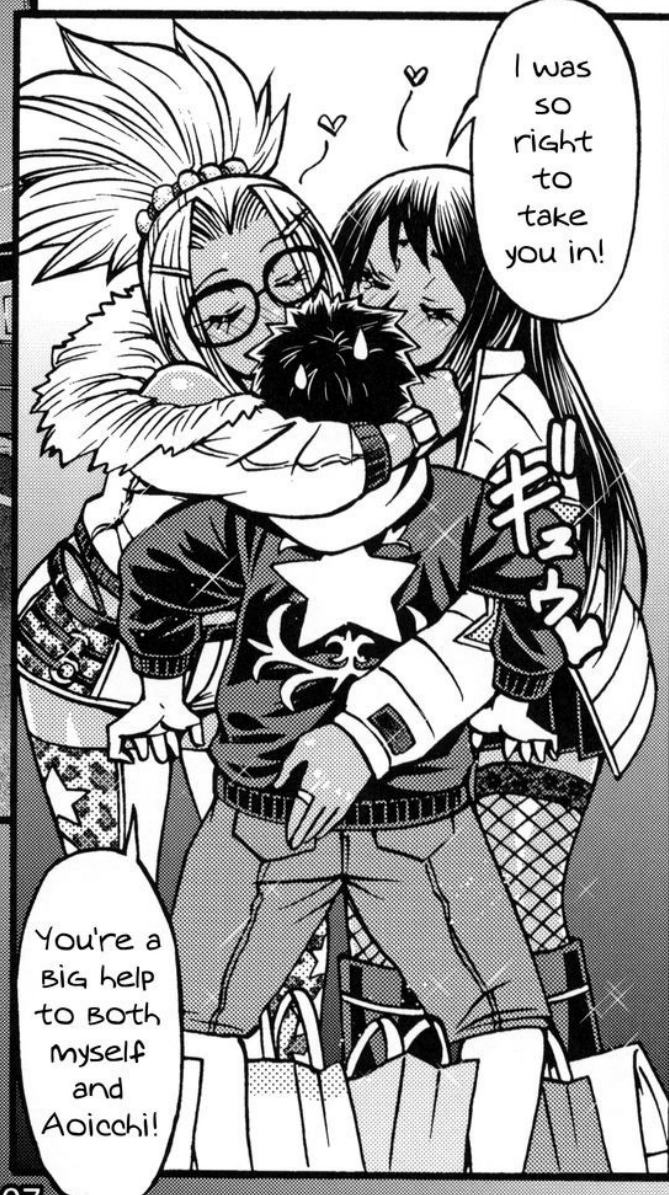

Ah, nice idea!

You understand that sensation, don't you?

The former stray cat familiar,

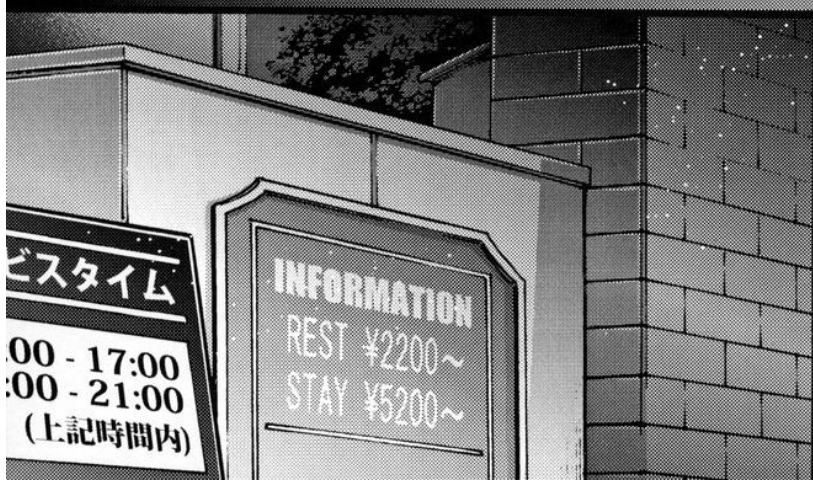

Ka-zuya!

It's been about a year since you became human?

You're a big help to both myself and Aoicchi!

I was so right to take you in!

sleepy-

for the
kiddies!

Only
treating
me like a
kid at
times like
this...

...like
you
can talk
when
we've
had
sex...

For kids
who can't
become
adults,
that is.

Night is
the time
for kids,
isn't it?

...to
actually
being
able
to live
like a
human...

I
never
thought

go from
that

I
want
