When she's around of other family members and strangers, she looks cool, bright and proud ...

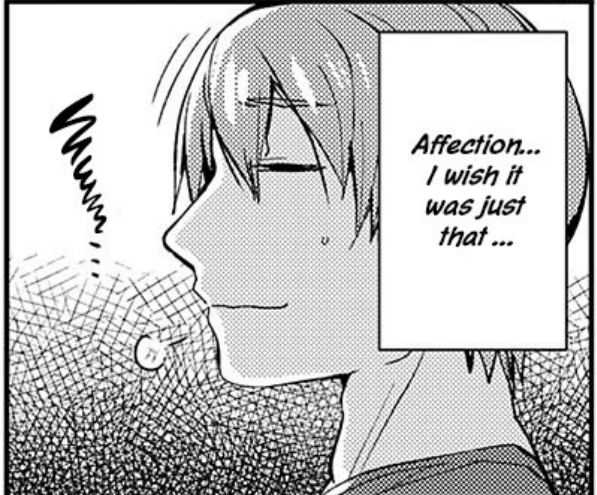

I no longer remember how she ended up like this.

People from the neighborhood use to call her "the flower in a high peak"

She's gorgeous and has a nice figure.

...but

Mmm...

Affection... I wish it was just that ...

She has a rather abnormal "affection" for me.

Some-how she...

Oni-chan

Oni-chan

By these with the sister complex fetish.

She replaced all my favorite porn books ...

Where she's riding me.

And next to them was a kind of diary called "My anniversary with Oni-chan"

23	24	18
30	31	25

If someone asked me if this makes me happy.. Well, it does, but..

She's going too far...

And talked her directly ...

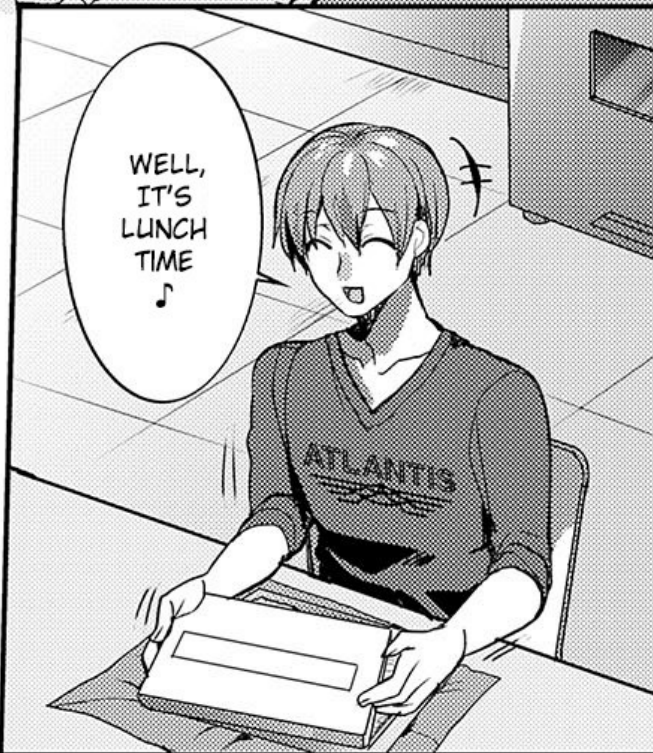

So you're that girl he likes...

She even had the guts to approach the girl I like.

In the past, she was so innocent and pure ...
