You bastards...

Eunhye's Supermarket 01

Even before the entrance ceremony, I had the formula of college life = dating

But on the day of the entrance ceremony, I knew my formula was ruined

I didn't know there were so many guys in science...

There was no way out

But there was one hope in this place...

That hope...

A fresh smile...
The innocence of that sister

The super goddess in front
of the school...

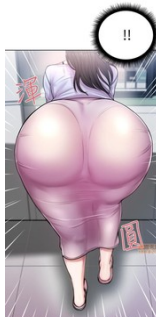

Enthusiasm, who has a pretty
face, voice, and name,
belonging to all of us

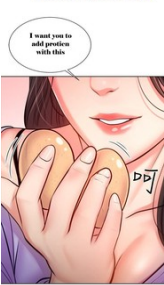

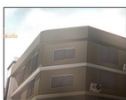

No one has really
talked to her before,
but everyone thinks
the same thing...

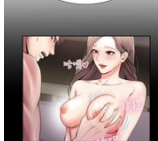

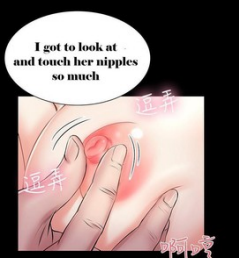

She is the best part of
this supermarket.

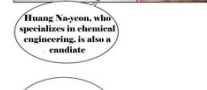

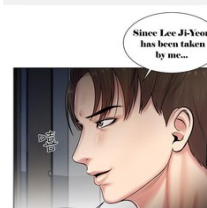

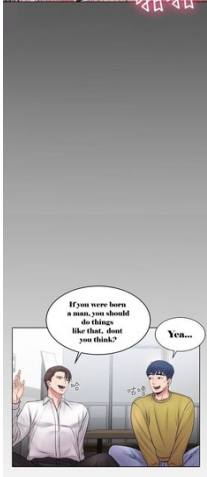

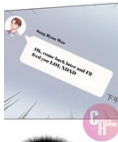

Eunhye's Supermarket

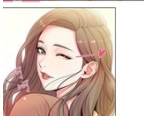

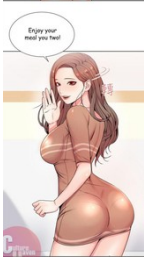

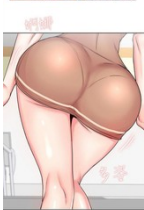

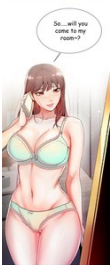

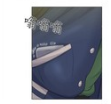

She needs my nipple
Each...

Eumhye's Supermarket

After employment club, the dream

Senior~ keep your voice down

Do you want rumors to spread about us at school?

It's ok- it doesnt matter to me

What's wrong with her?
She's not even going...

What are you thinking about?

I don't.

I don't.

No. This isn't enough...

It's wrong that I'm not going...

Wait!

I don't believe I'm thinking about...

I'm not happy?

As soon as I'm not...

Had her face covered with my
semen...

To be continued....

Oh right! The others...

But...

I want to be more...

I don't know how...

But I think I can do better!!

Scene 02

That's right... just a minute ago...

She had sex with her husband?

Just thinking about it...

Make my dick hard again?

Did she really?

No...She said...

He...

Is that it?

Is it that?

Thank's for being around at all!

Not what kind of data would I be
to have in the world?

Maybe I should send a text?

Oh...

This won't be perfect will it?

Thank... after that we all moved up

I don't know...

I think everything will work out somehow

Oh... (there's a message?)

She replied back?

Wait...

What is it?

How do I...?

Maybe I should ask them too...

If she is....

Then you shouldn't even have to think about it

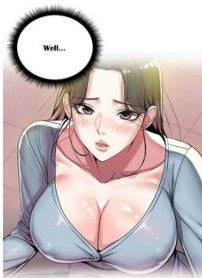

Do what you want to do

Do what I want to do?

Well...

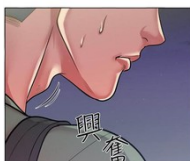

Eunhye...

She seemed pretty desperate earlier...

Not here...
Maybe I can let her to use more than her mouth...

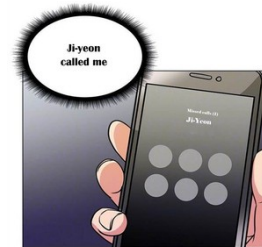

Should I get her to do more?
