Hey, this is W.P.

I am already done with Tomto's "Unsou Gyoukai ni mo Makura Eigyou ga Arutte Hontou desu ka". Yay!

There are several who already emailed me for translation inquiries and here several things that I would like to point out.

A.) I am doing MTL's; simply saying I use multiple language softwares to derive any readable languages on the doujin and I would fix every single line just to make a coherent. Hence, I can translate whether the language of the doujin is Chinese / Korean / Japanese.

B.) I do everything, from cleaning, proofreading, editing and typesetting. Sadly, I don't have anyone helping me out.

C.) Don't worry, the translation might not be 100% accurate but I always keep it 80-95% and always tries that the story line won't deviate because of the translation.

D.) You can suggest and reach out to me at waddlingp@gmail.com but won't be able to promise that everything suggested will be included in my pending projects. (Colored Doujins are no-no's, they are very hard to clean and always needs redrawing, unless everything is in the opaque text bubble.)

E.) Do I accept commissions? Yes, you can reach me using my aforementioned email. Commissions will be prioritized and will definitely finish it within the day. (Depending on the length of the chapters.)

F.) I am open with any kinds of scanlation collaborations. Just reach me out.

Dad, Mom.
Are you in
heaven
looking at
me?

I've
experience
a lot of
hardships
through out

this is my
happiest
time of my
life.

Because
today, I
am
getting
married.

At first, her
dad scared
the wits out
of me. But
now, he
treats me
like I am his
own son.

My wife of
mine, come
on.
Let me see
your face.

I would swear to
love her forever...

This kiss
will seal
our vow.

getting
ravaged by

How can you
rest? There's
no time for
that. You still
have to serve
another three
rounds of
gang rape.

We will keep
raping you to
the point that
you won't be
able to
recognize your
parents.

It's seems
like you
had been
ravaged
badly.
Let me tell
you
something.

Actually,
your father
used to be
one of my
employees.

He thought
that he can
run
away from us and
always tries to
escape. I used to
punish him well
using this.

Are you even
listening?
Well, you
don't need to
talk.
What's the
point of
running if his
son would be
caught like this.

Hmp.
You'll
become
my
daughter's
toy, that
will be
your job.

あああ
あああ
あああ

screams

But I
swear,
I love
you...

あとがけ

なんとか終わりそう・・・なんで毎回こんな修羅場なんだ・・・
