I didn't
have any close
relatives.
So my custody
was handed to
some distant
relatives on
moms side...

That
summer I
had lost
my family
...

I got
lost
...

There's
almost no
one my
age in this
mountain
village

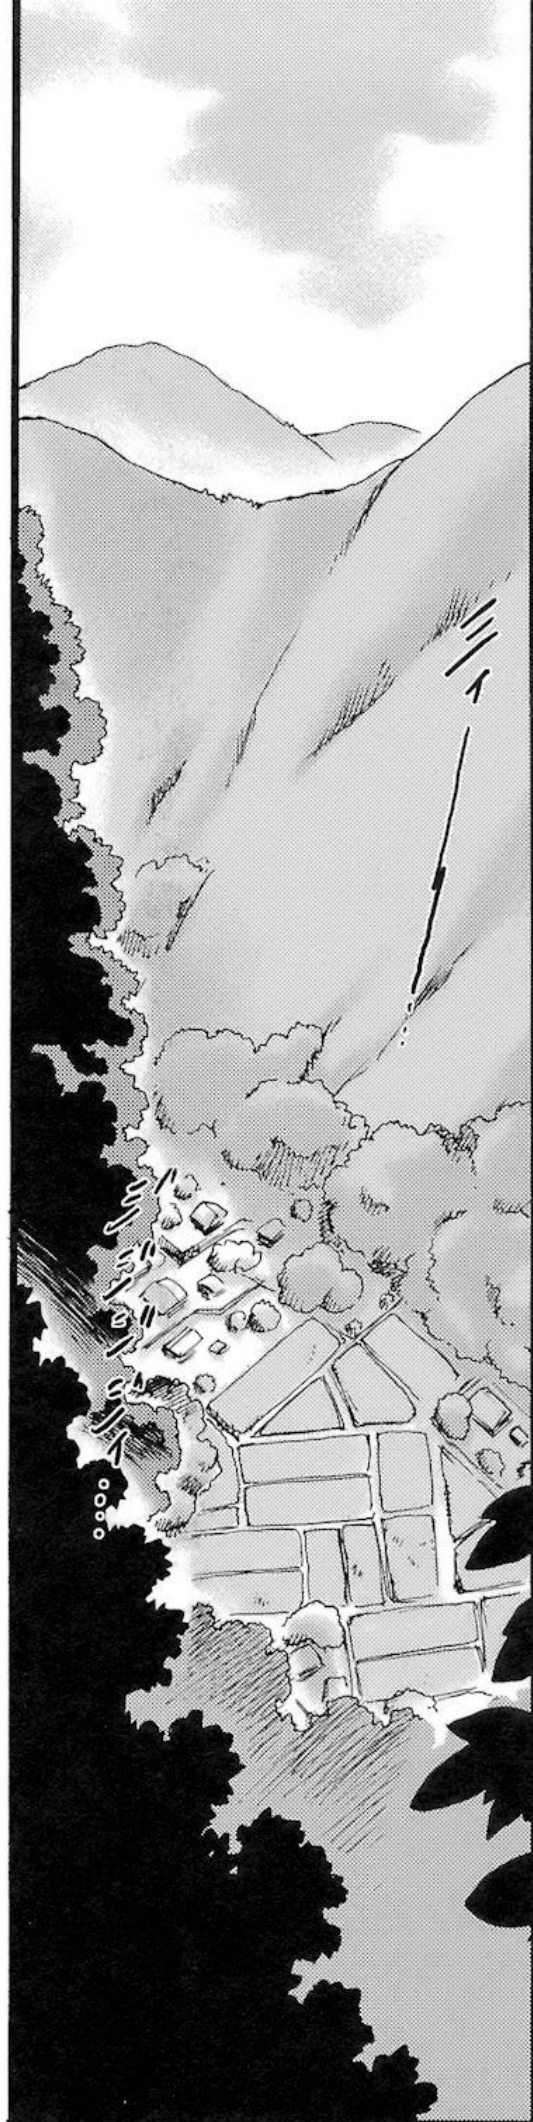

Jeez

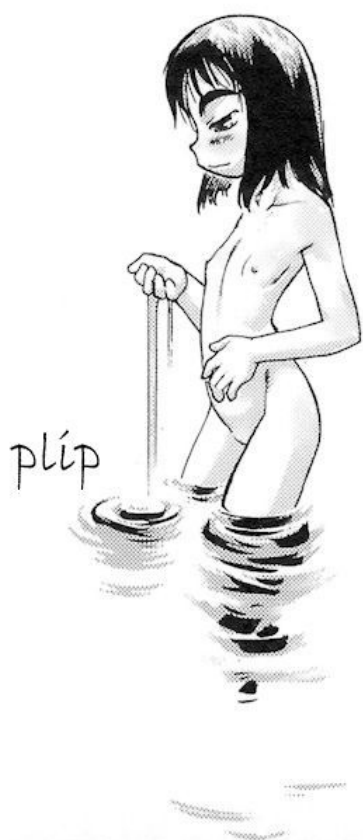

*splash

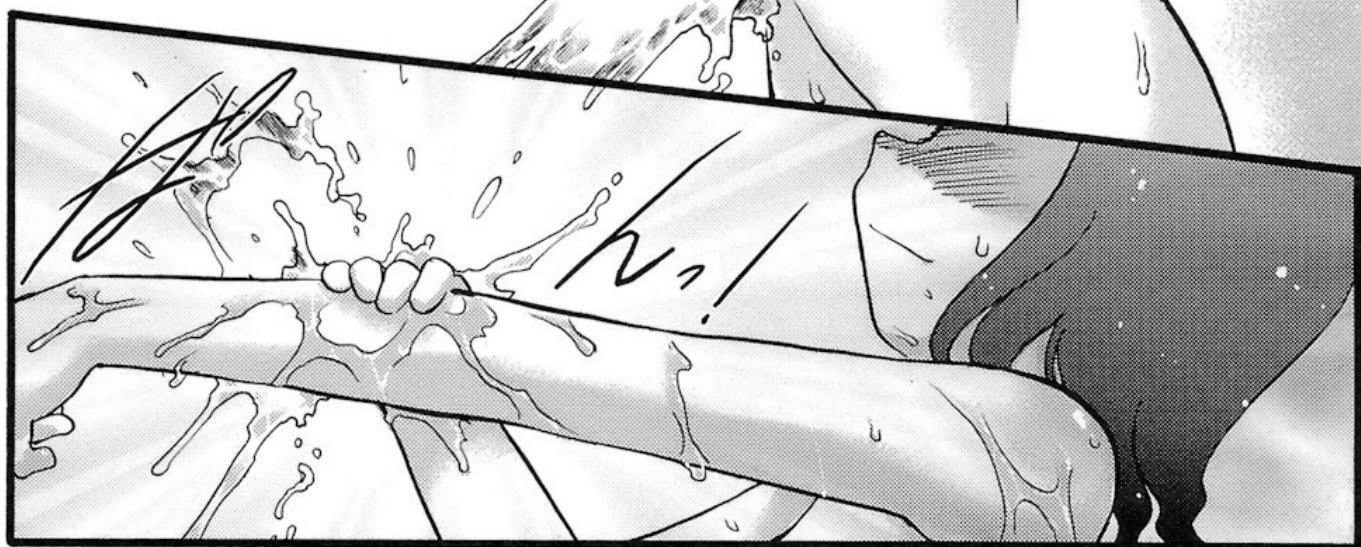

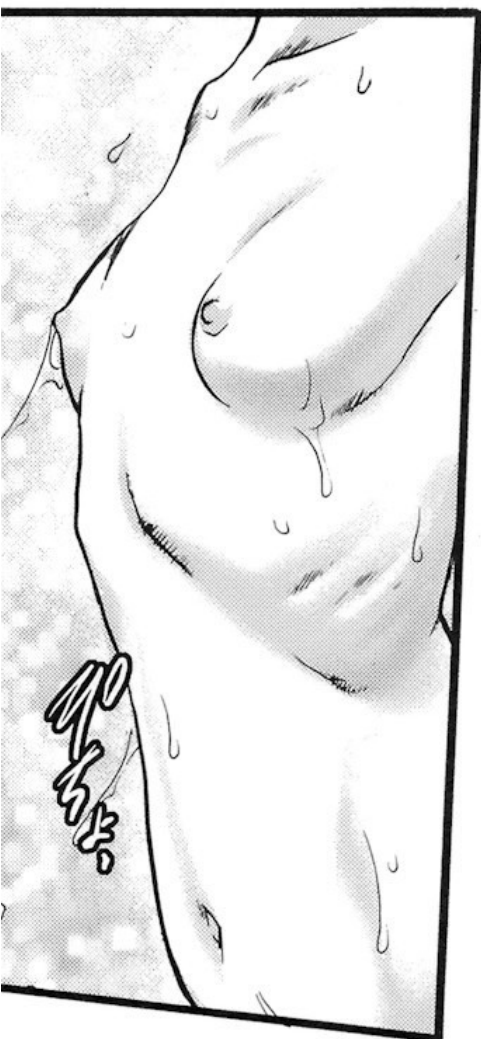

Is
someone
over
there?

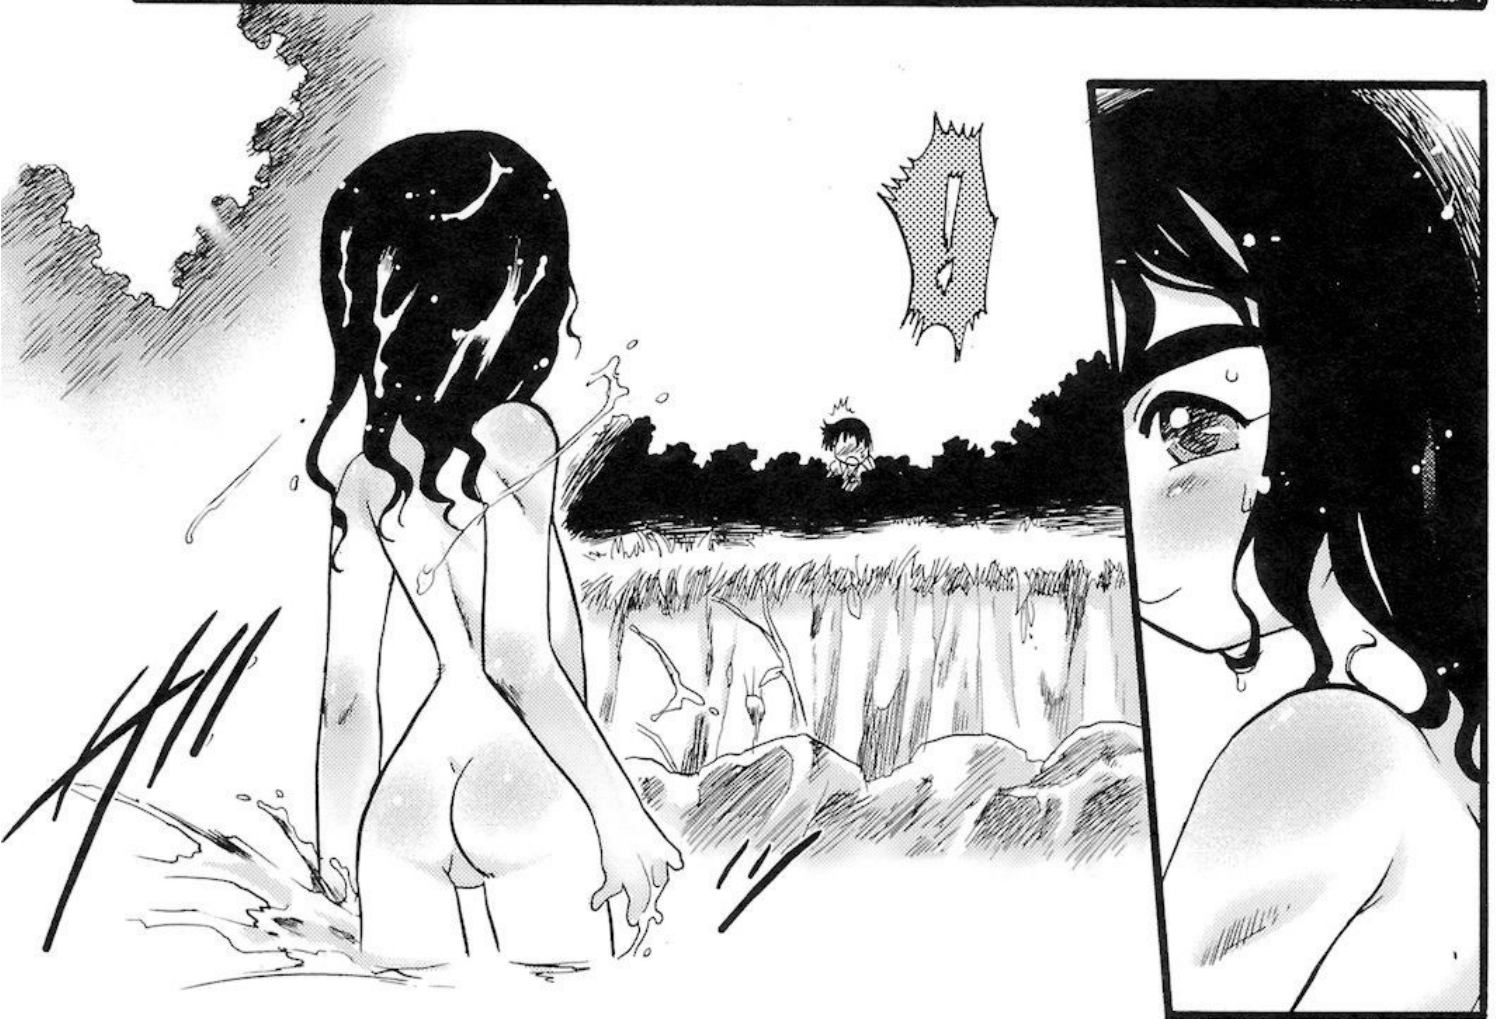

I heard a
splash
....

CHAPTER 1 TRADITIONS OF OLD

Is that
fine
with
you?

splash

I'm going
in the same
direction
as the
village.
Should we
go back
together?

Do-
do you
live in
the
village
too?
Do you
know the
way
back?

Ye-
yes,
that's
it

Hmm?
All kids
in that
village use
to play
there.

By the
way, why
were you
playing on
that river
bank?

But everyone calls me Mayu.

Mayu-zumi Mayu-mi.

My name is Mayu.

leaving that aside, you ...

I also forgot to bring my swim-suit ...

That doesn't bother me. Besides, there was nobody there when I arrived.

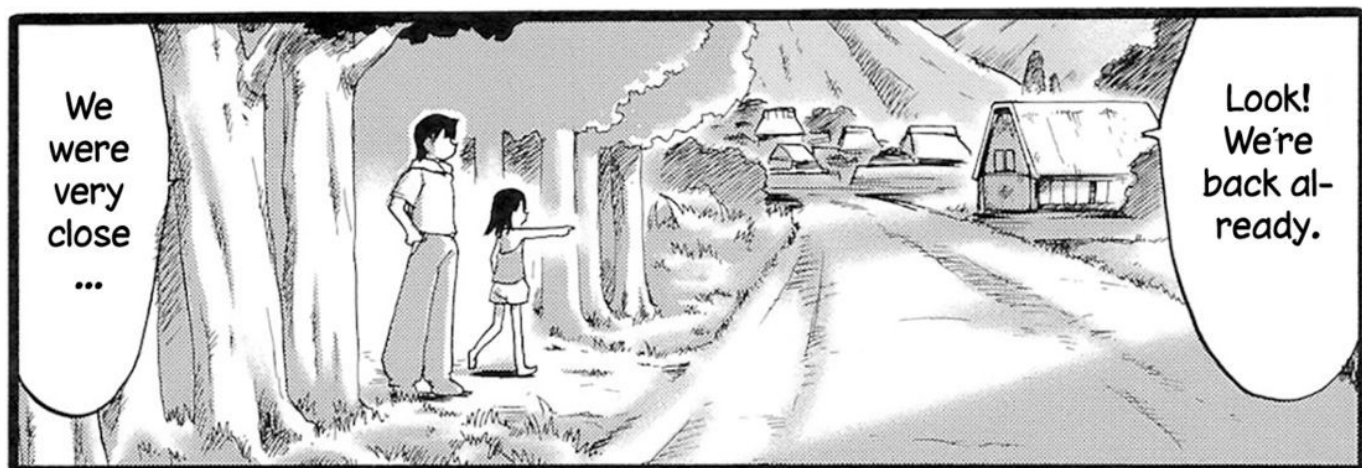

Mayu-chan ... Are you fine with playing naked?

That was ...

But you seemed fine even after you saw me ...

during
this time
of the
year
....
Do you
under-
stand?

It'll be
best if
you don't
go back to
the river
bank...

Really
?

I can
only pro-
mise to
think
about it.

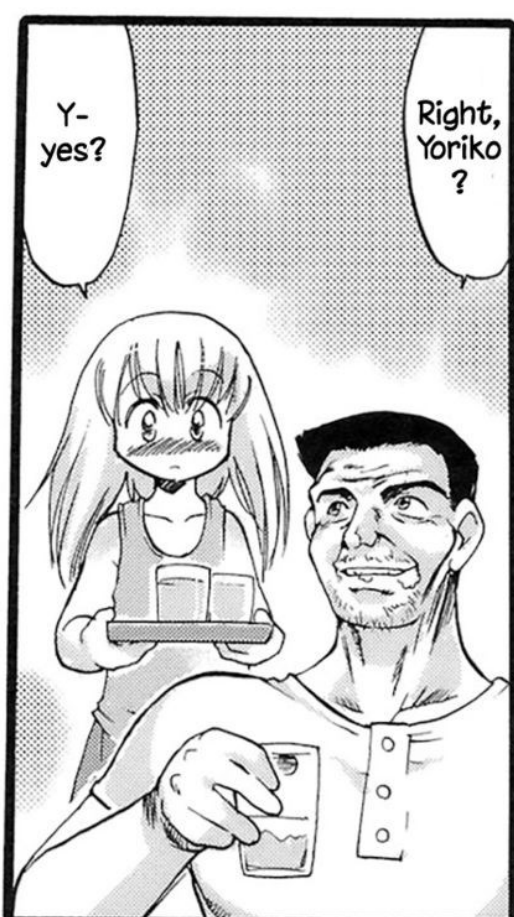

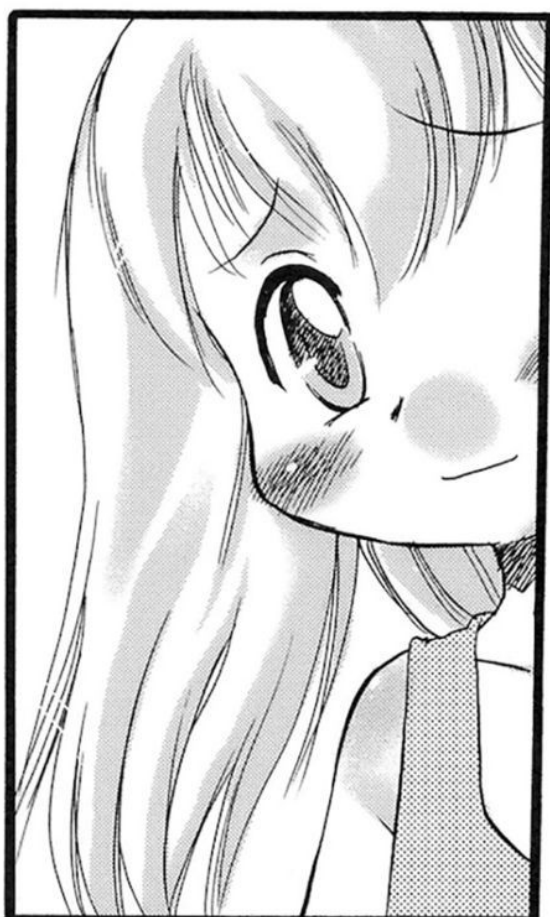

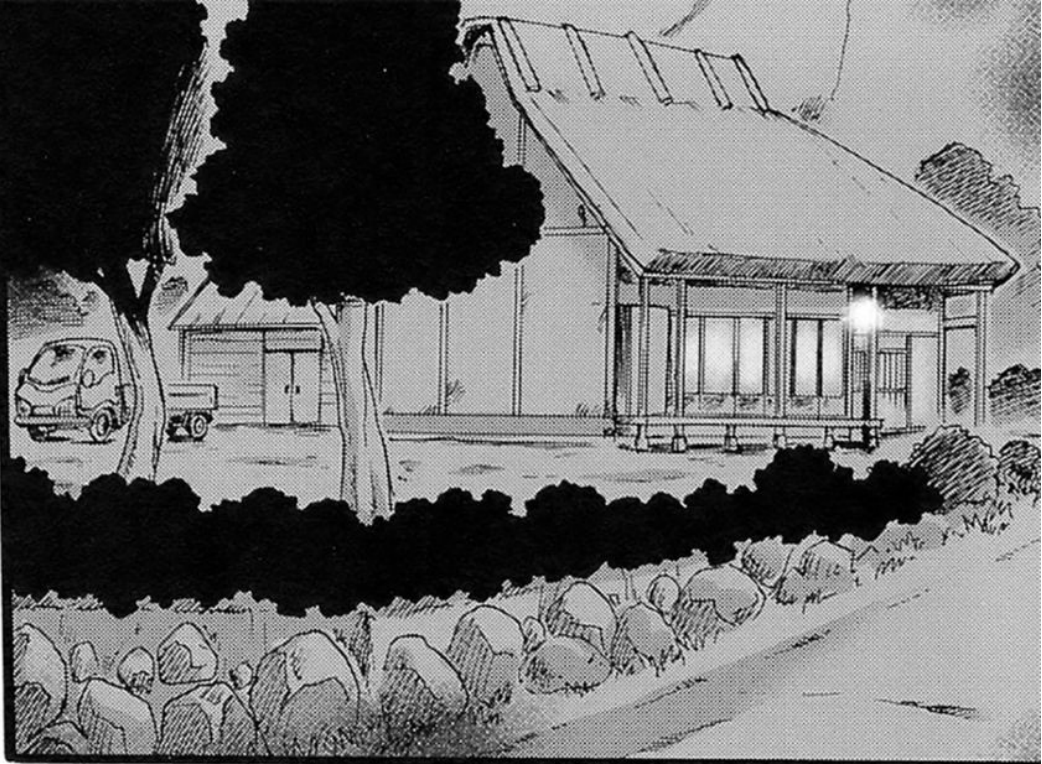

Heh?

Yes
...
but

Ah
...

So her
name is
Mayu,
huh?

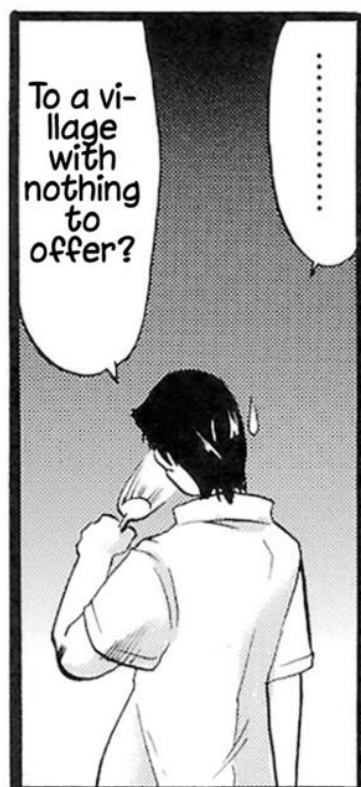

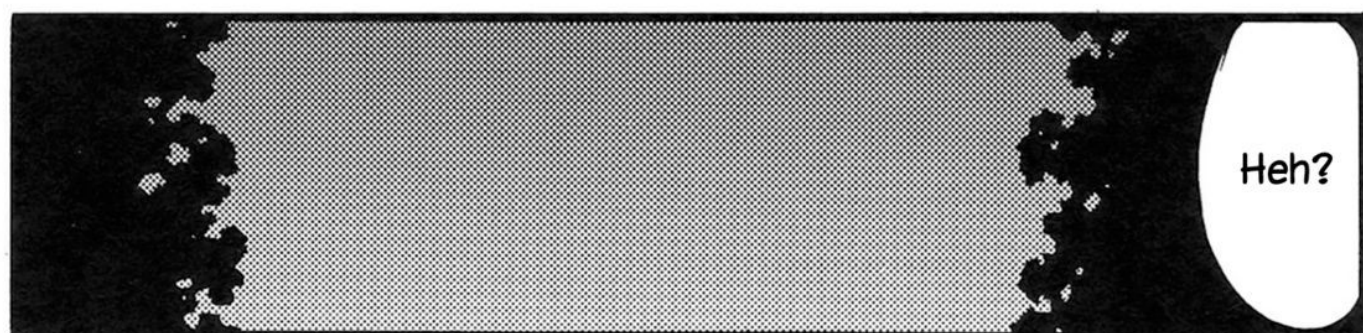

Well
...
At least
she said she
would think
about it
...

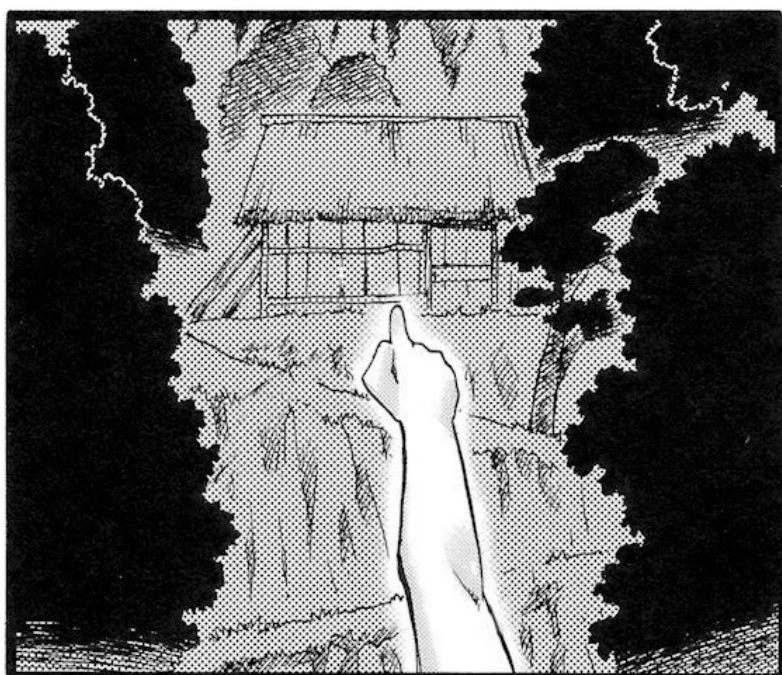

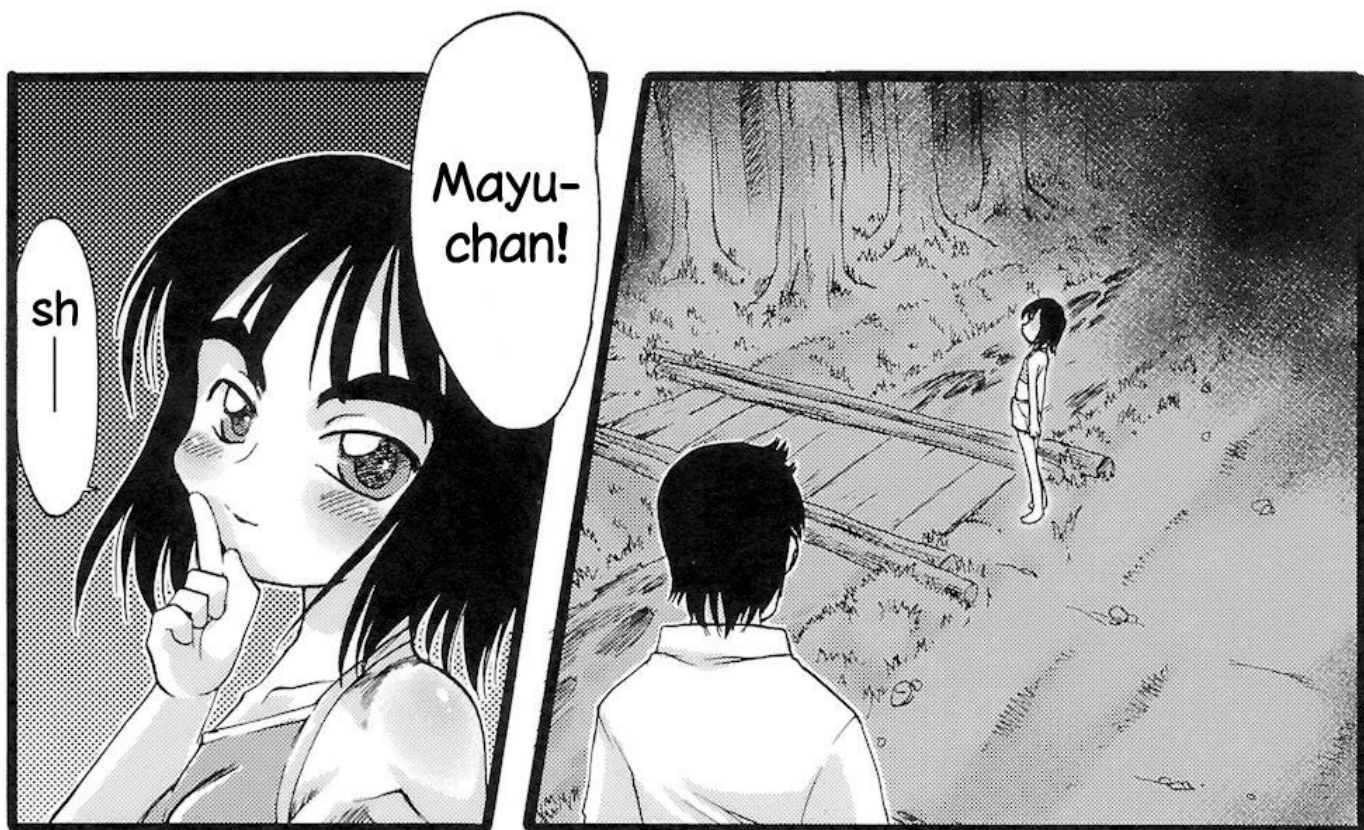

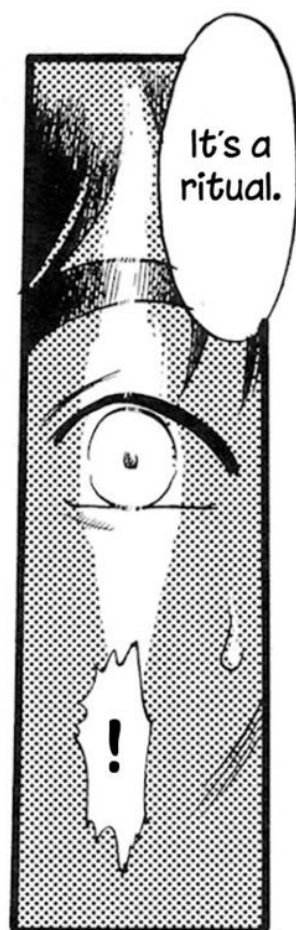

Mayu-
zumi
Mayu-
mi?

I don't know, but I recognize some of the men.

Who's that girl?

Eh?

That's a secret tradition of this village

... However some villagers might involve you in this.

You can still leave.

Seiji-kun, you're still an outsider here

...

Since ancient times, this village has been handed down two traditions. "The god's descend" and "The god's ascend".

That what you're seeing is "the god's ascent" back into the mountain

....
She's
going to
....

What's
going to
happen
to that
girl?

Mayu-
chan.

I'm
still not
satisfied!

hehehe
....
I'm next!

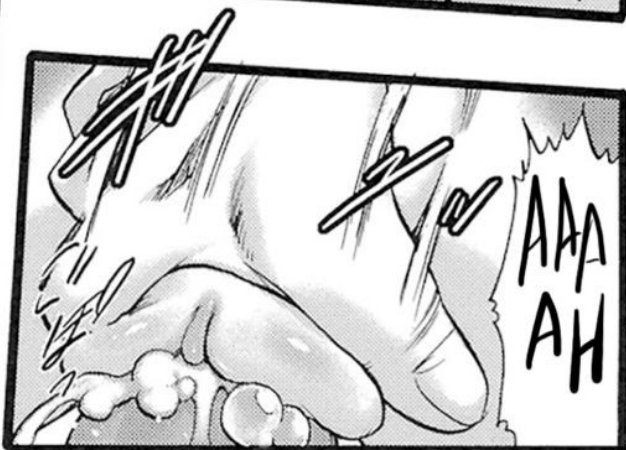

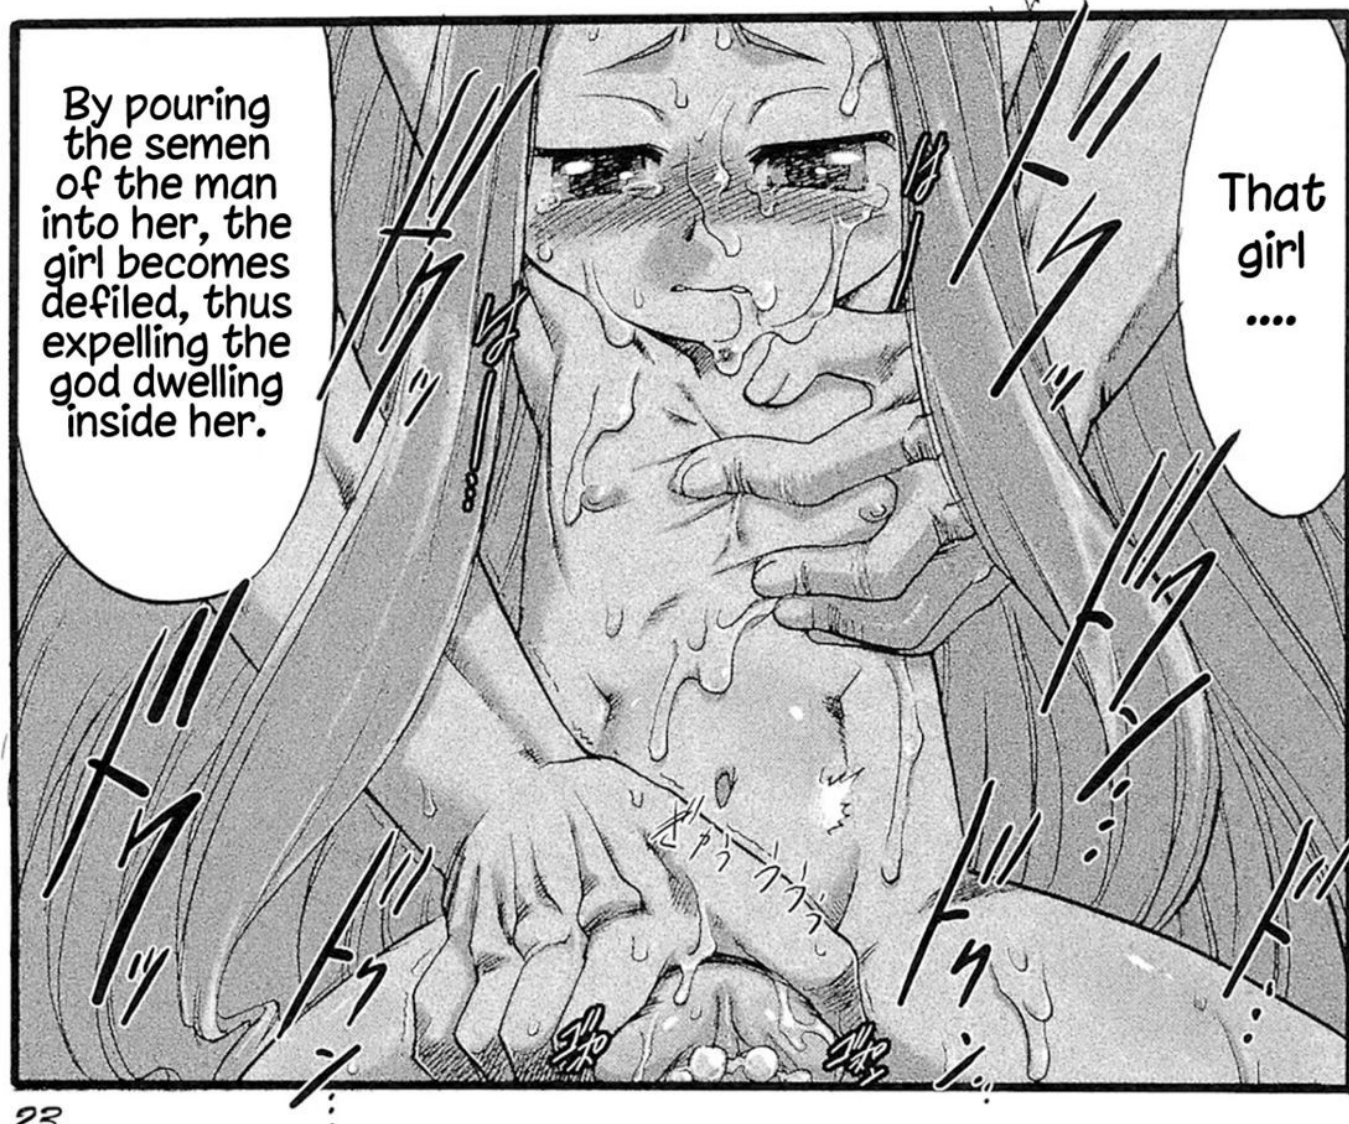

he
he
he
...

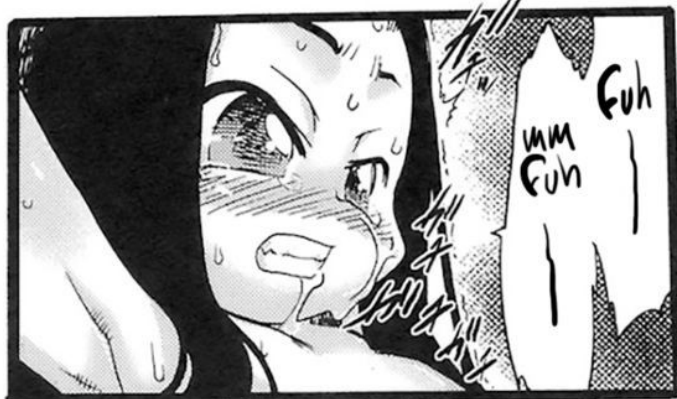

ah...
gah...

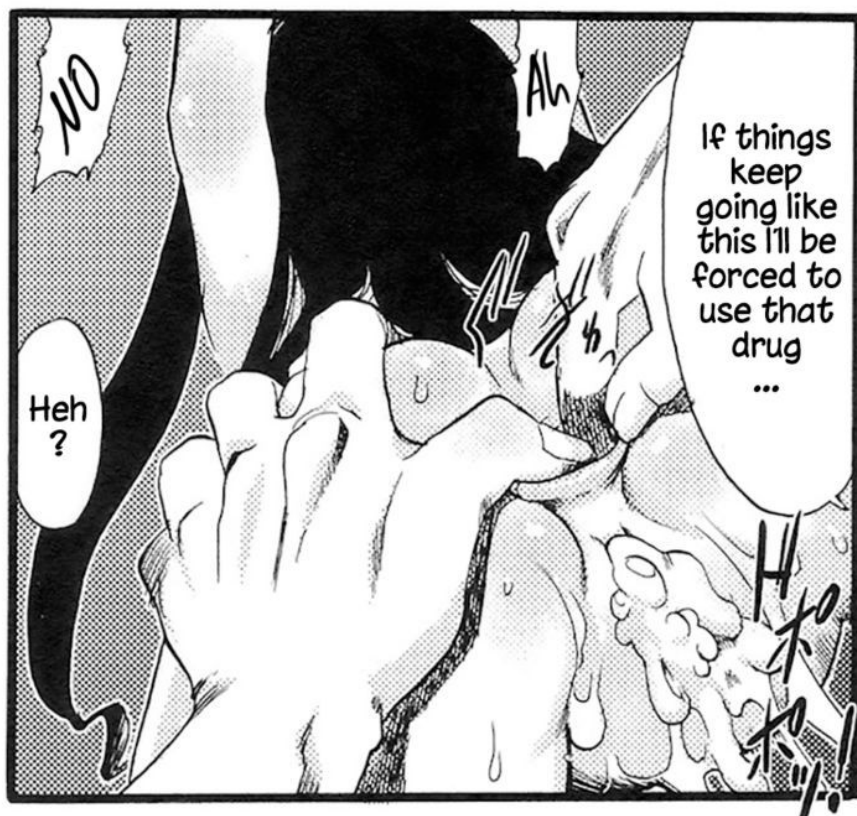

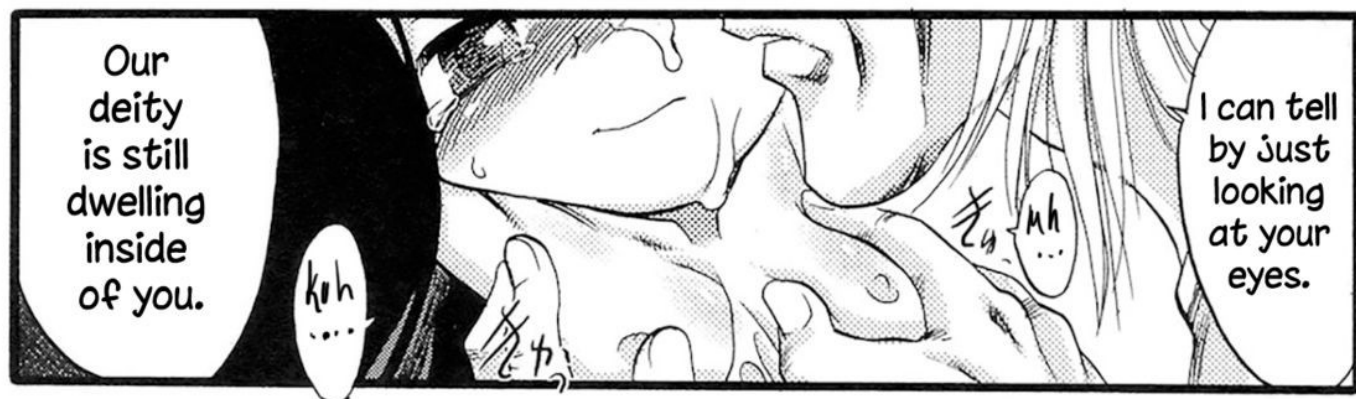

guh
uh
!!

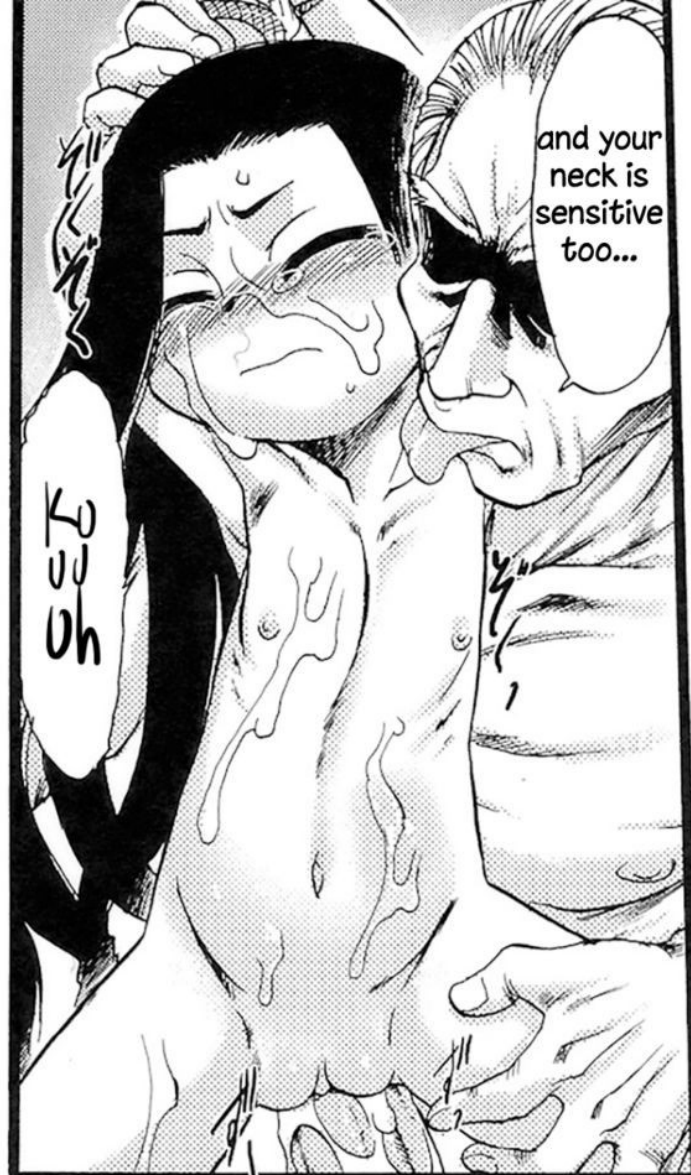

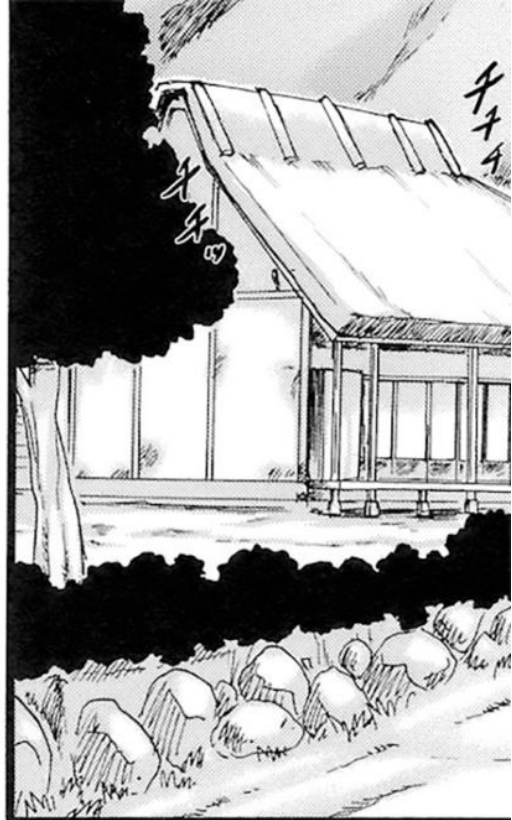

CHAPTER 2
SHUKURE'S DETERMINATION

I'll have
to use
the drug!

It generates an in-
tense arousal
and loss of mind
....
It's an aphrodisiac
created to help with
the ritual of the as-
cension.

A
drug?
...

Lorem Ipsum

!?

It's pro-
bable
that the
girl....
ends up
broken
...

The after
effects
are as
strong it's
efficacy.

With it,
they force
the ritual
to end
but...

As a
father
you have
left me
no choice
....

Fa-
ther.

I'm
sorry
...

Once the ritual
begins you won't
be able to rest
until it's over.
It'll be better if
you rest as much
as you can
tonight.

I'll bring
the drug
tomorrow
morning.

I already
told you
to stop!

You heard
that, right?
They'll bring
the drug
tomorrow
morning.

No,
Abso-
lutely
Not!

Outsiders?
I'm already
acquainted
with the
people of this
village...

Why?
Don't
you
want
to help
her?

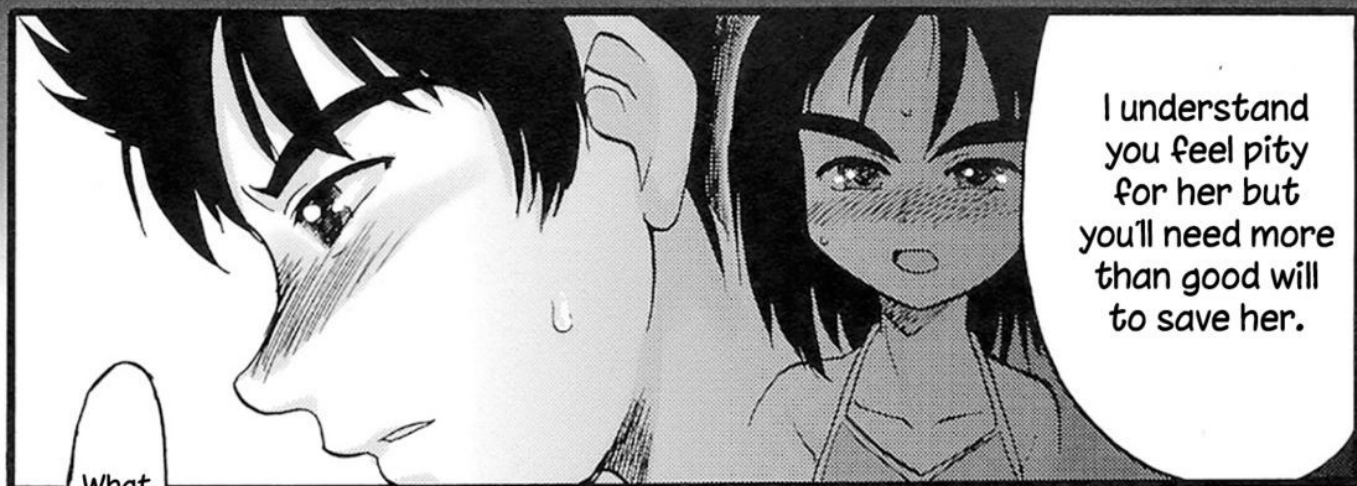

God
dammit
...
Just
pretend
you know
nothing!

You
musn't
do any
more!

I told
you!
We're
outsiders,
We
shouldn't
get
involved!

I understand you feel pity for her but you'll need more than good will to save her.

What is wrong with her?

If she doesn't believe I can help her then why did she bring me there!?

How could I not?

Hey!
I'm talking
to you,
Nozomi!

Nozo
-mi!

Heh?
Not
really
...

What's
wrong?
Are you
interested
in that
cabin?

Why
are you
getting
angry?

Mo...moron!
What are
you even
saying?
We must
never go
there!!

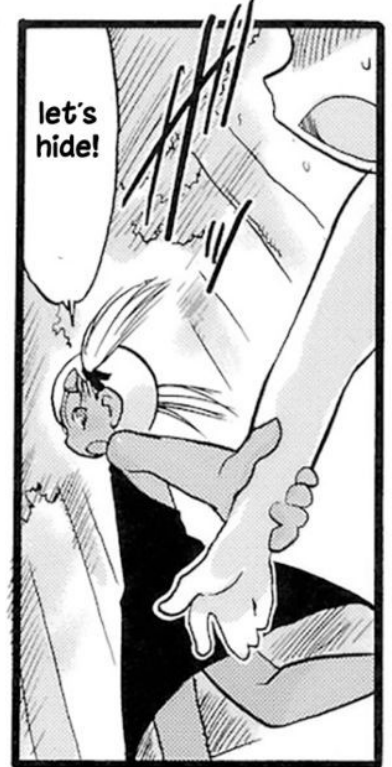

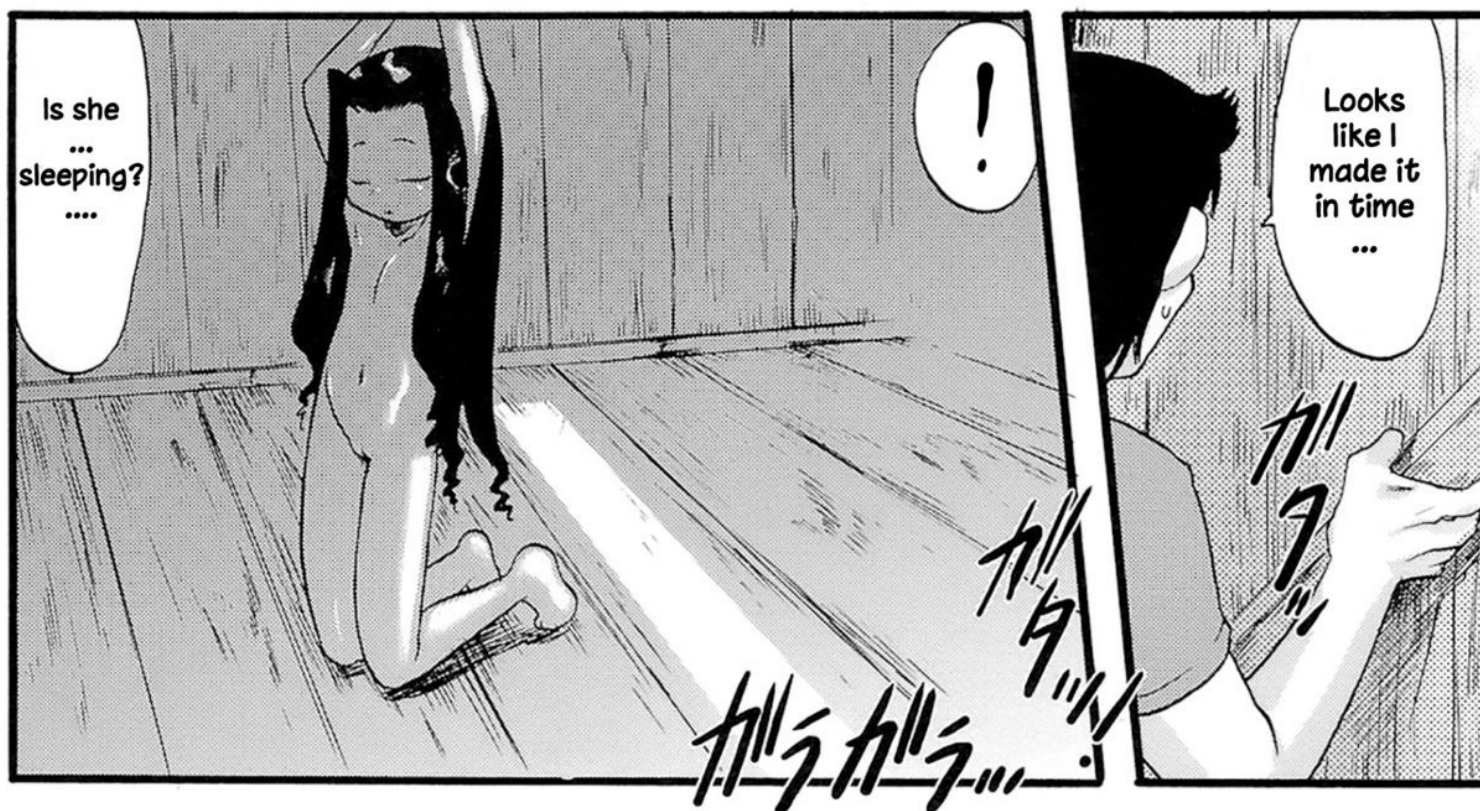

ta ta ta ta

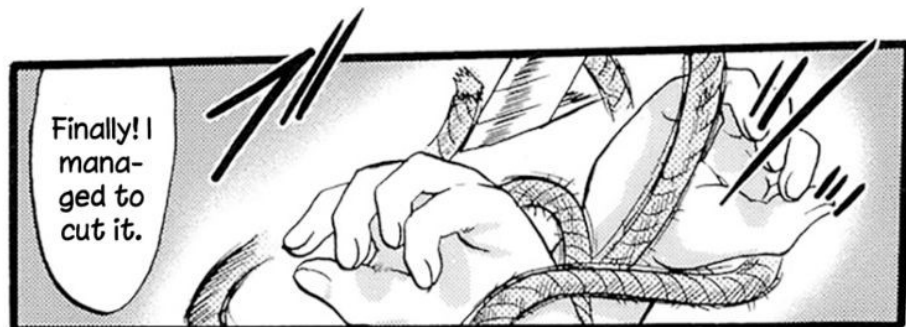

What
!?
...

If you're
that
interes-
ted we
could go
there
together.

She's gone!?
I understand
I'll be there
immediately

Yes!

Yes!

ring
rūūūūū

He...
must be
taking a
walk or
fishing
at the
river.

Could
it be
...

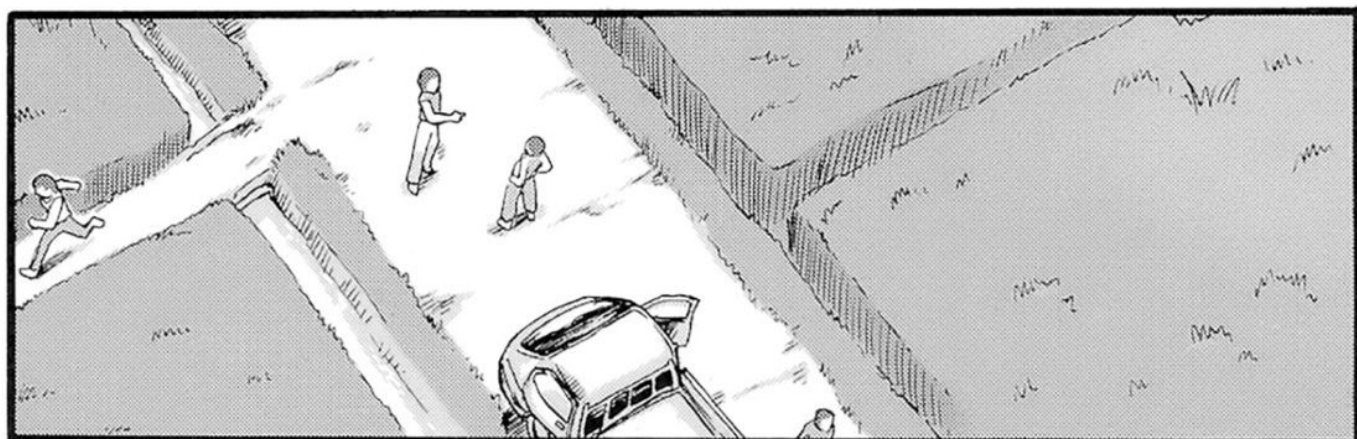

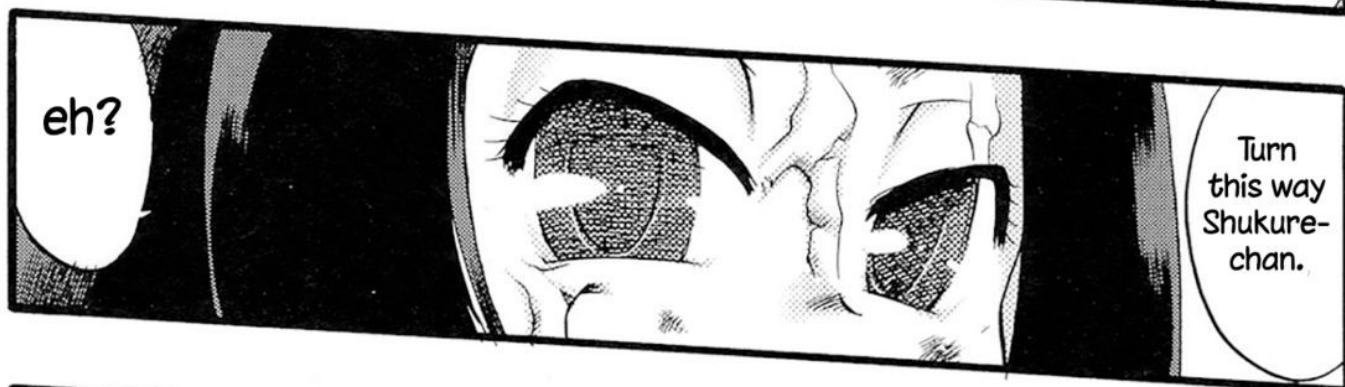

Daaad.
I can't
find Sei-
i-san

He
could
do it
later
...

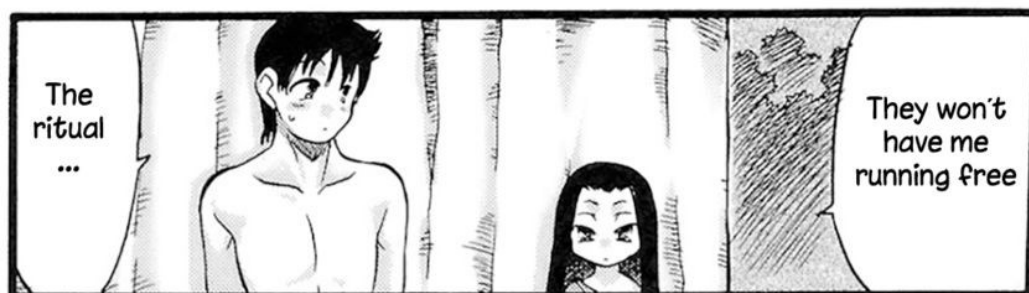

It's not
his duty
to take
you there.

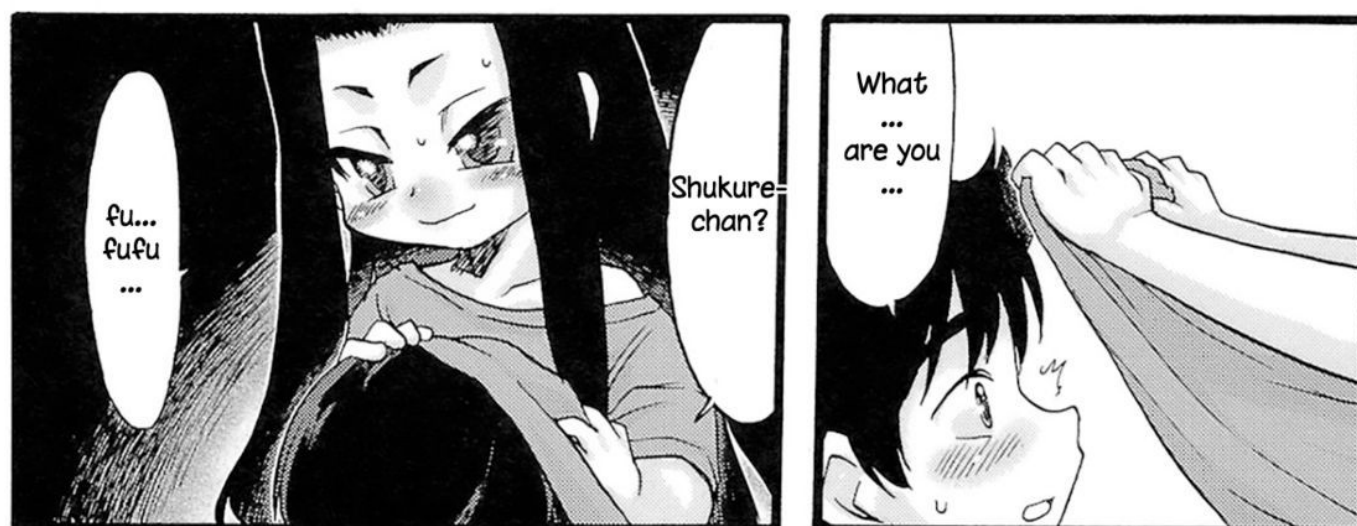

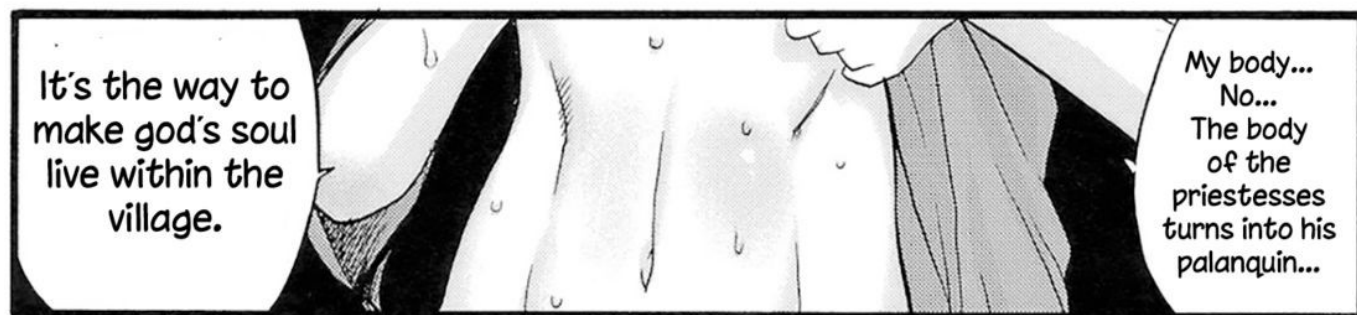

He even
promised to
come with me
to the river
today...

You were peeping while the village men were defiling me by poring their seed inside me

....
Your thing got hard, right??

What are you ...

You were peeping, right?

they were doing to me, during the ritual

....
You even know my name ...

How do you know all that?

You know what...

What should I do?
Should I tell on them?

Shukure ...
is doing that?
....

What !?

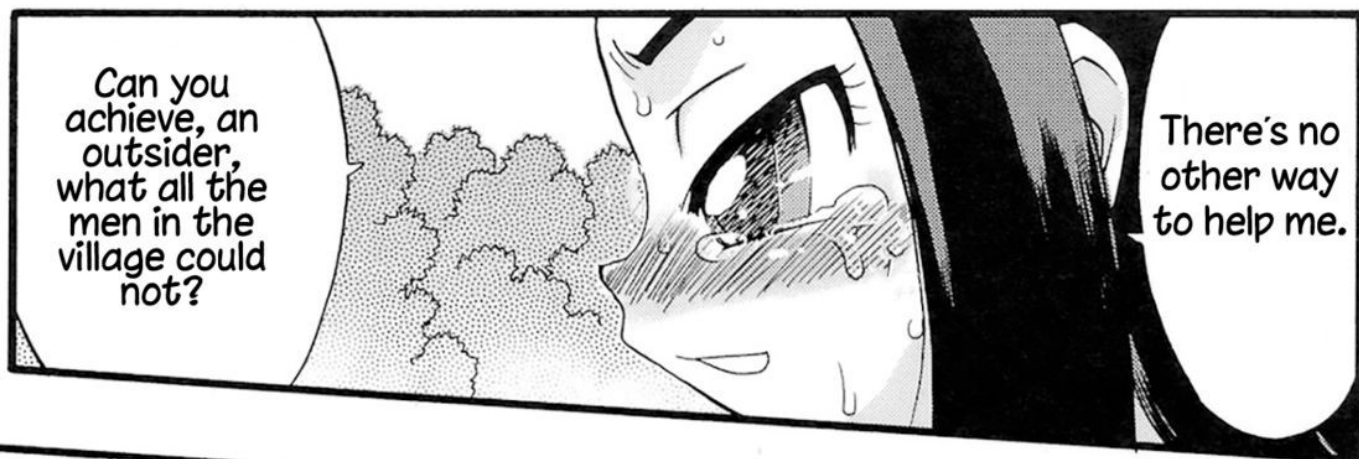

I'm talking about this.

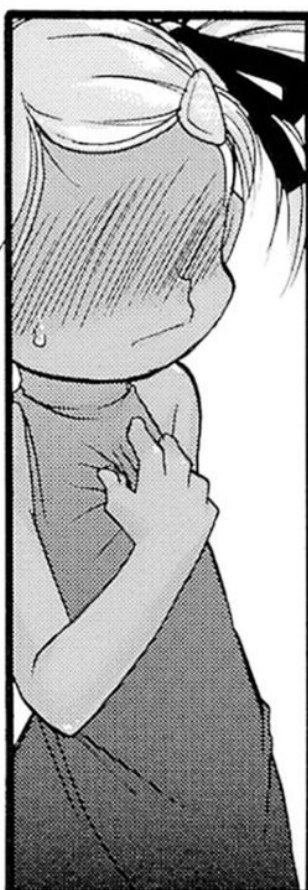

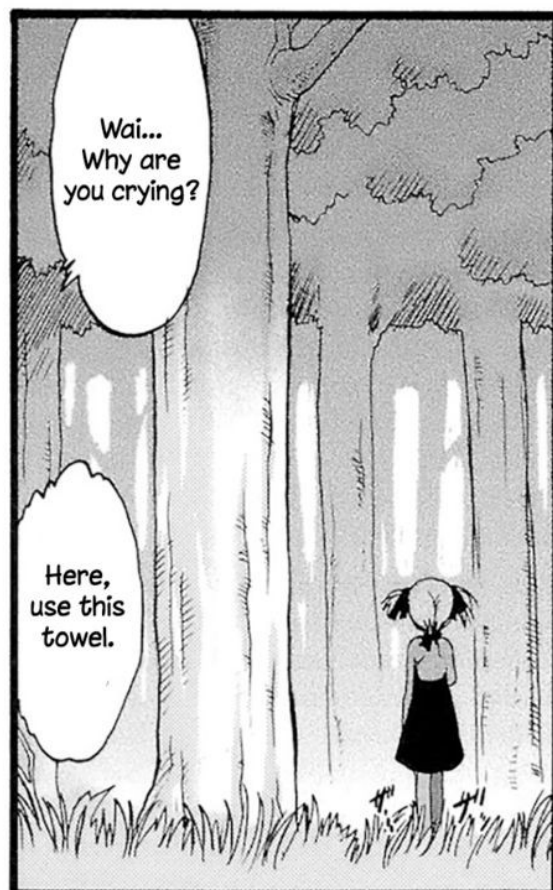

Maybe ...
I should just watch for now?

Noo!
Take it
out!

It
huurts
...!!

I was
watching
intently
...

what
you're
asking me
to do is
not what
you want
me to do
...

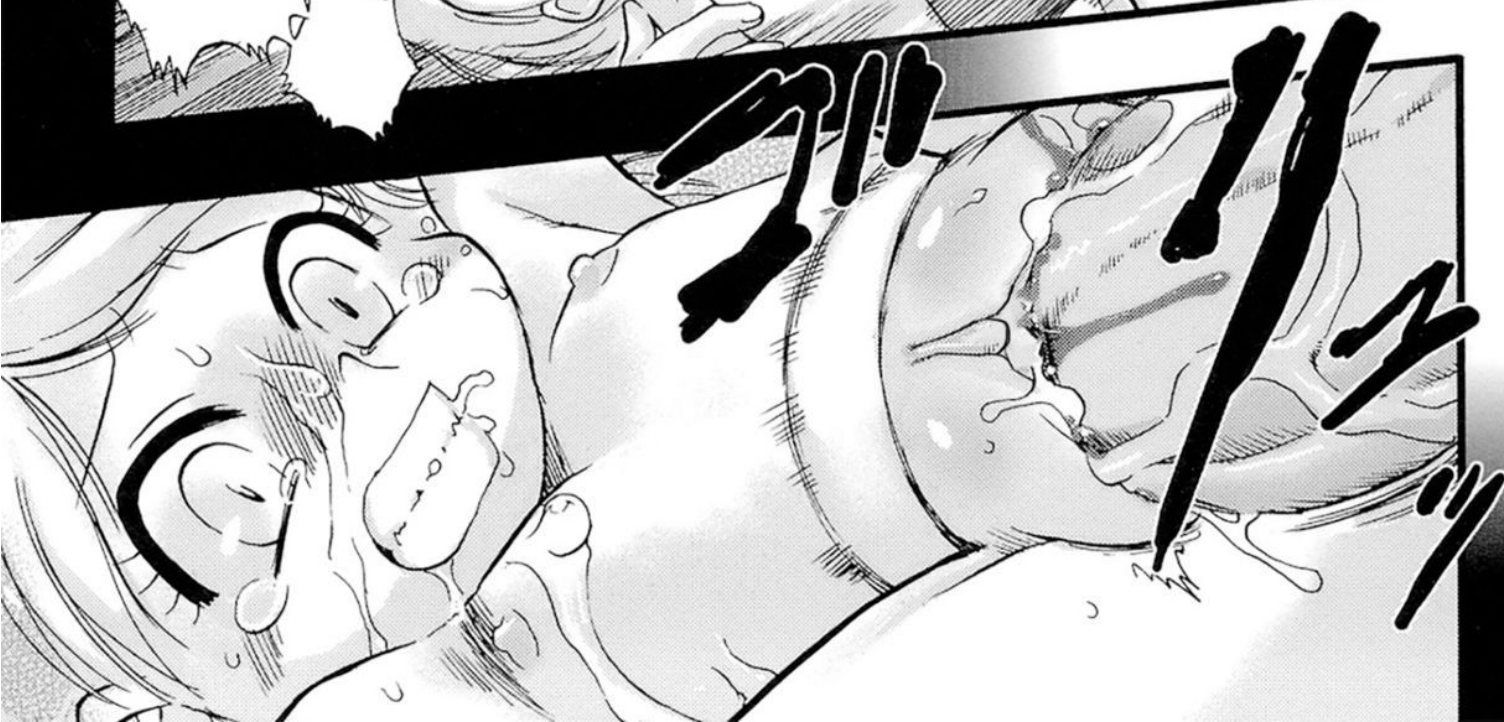

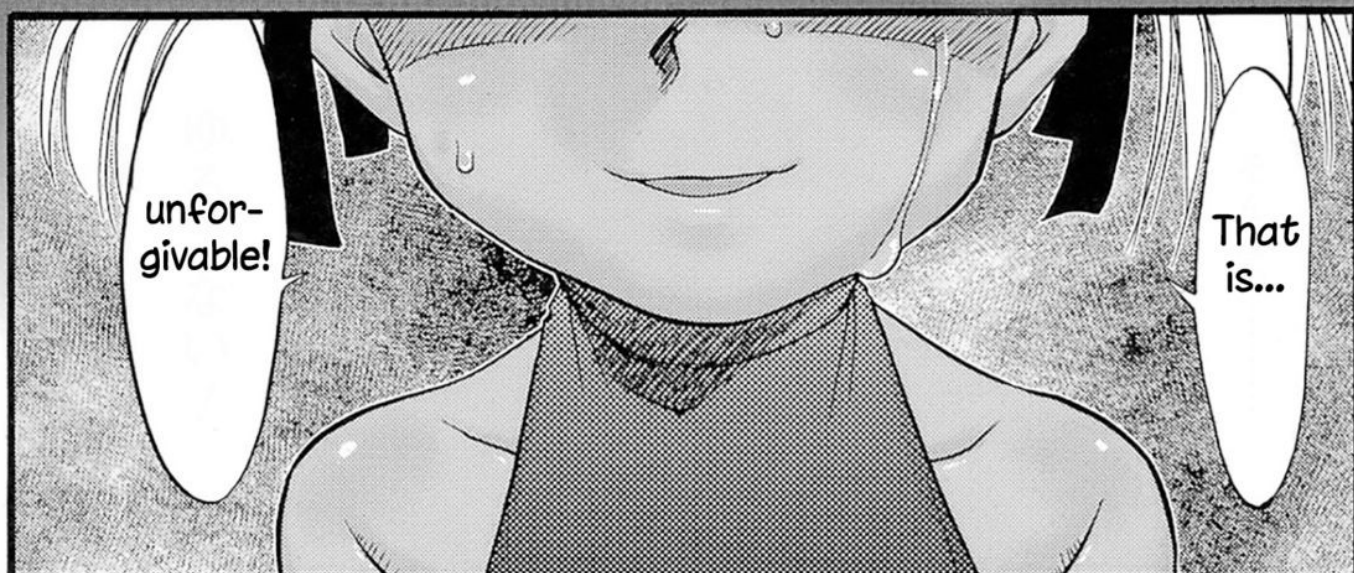

I just
wanted
to help
you...

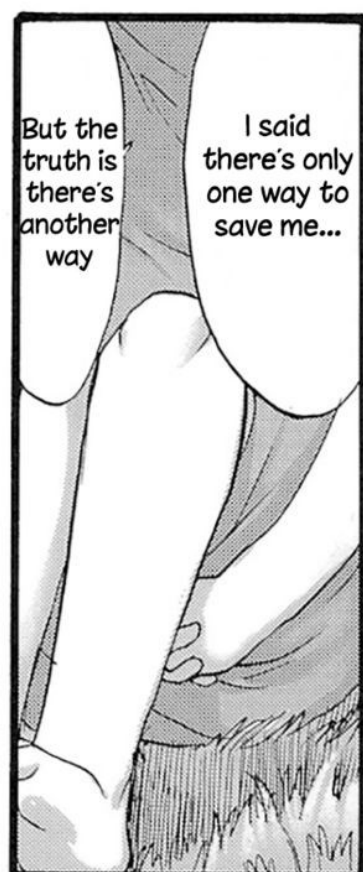

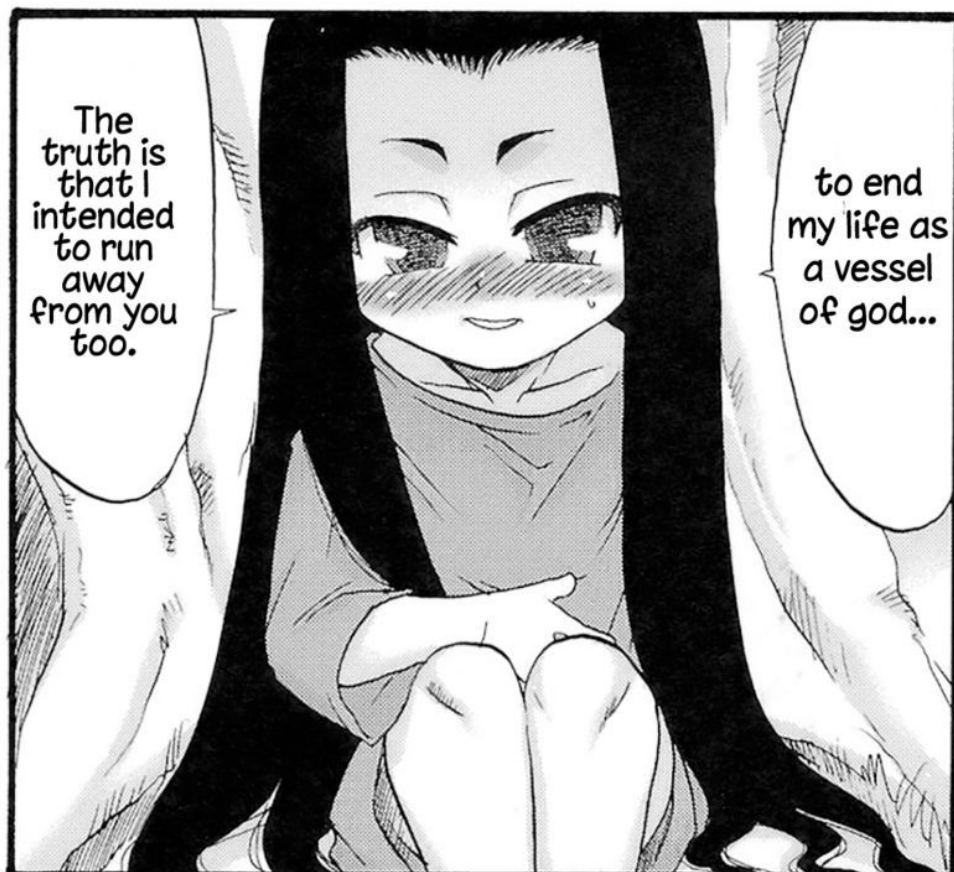

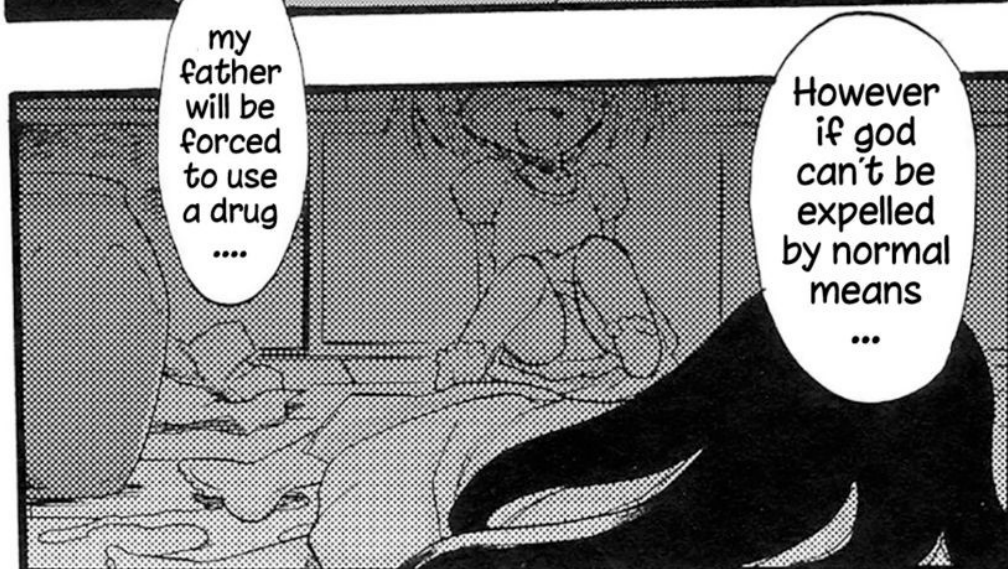

It should
go even
deeper.

You say it
hurts?
But this
isn't your
first
time.

Shu-
ku-
re-
chan

I'm so
scared
of that...

but...
let's just
stay like
this for
a little
while
...

sorry
...

Se...
Seiji...
san!?

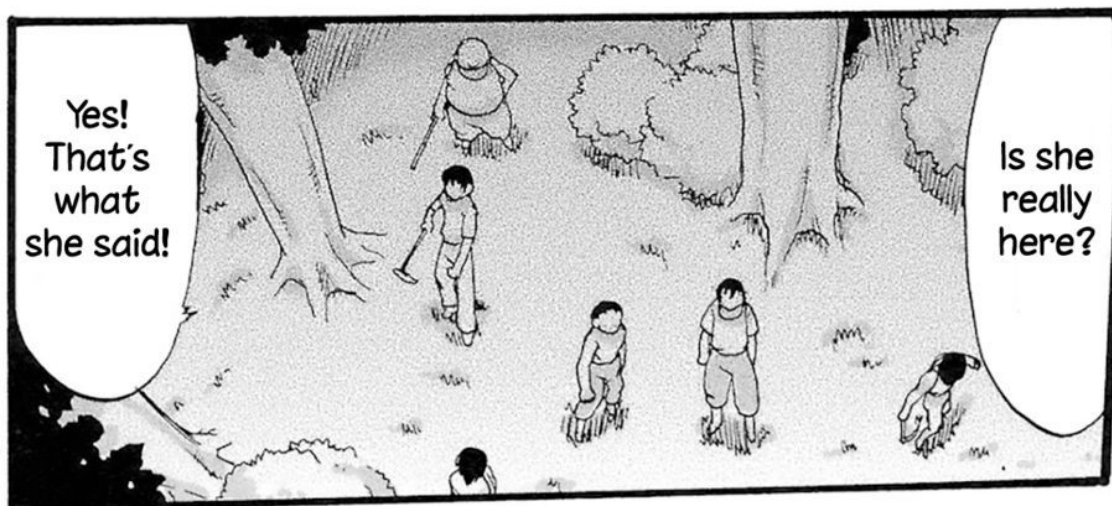

I'm
sorry
...

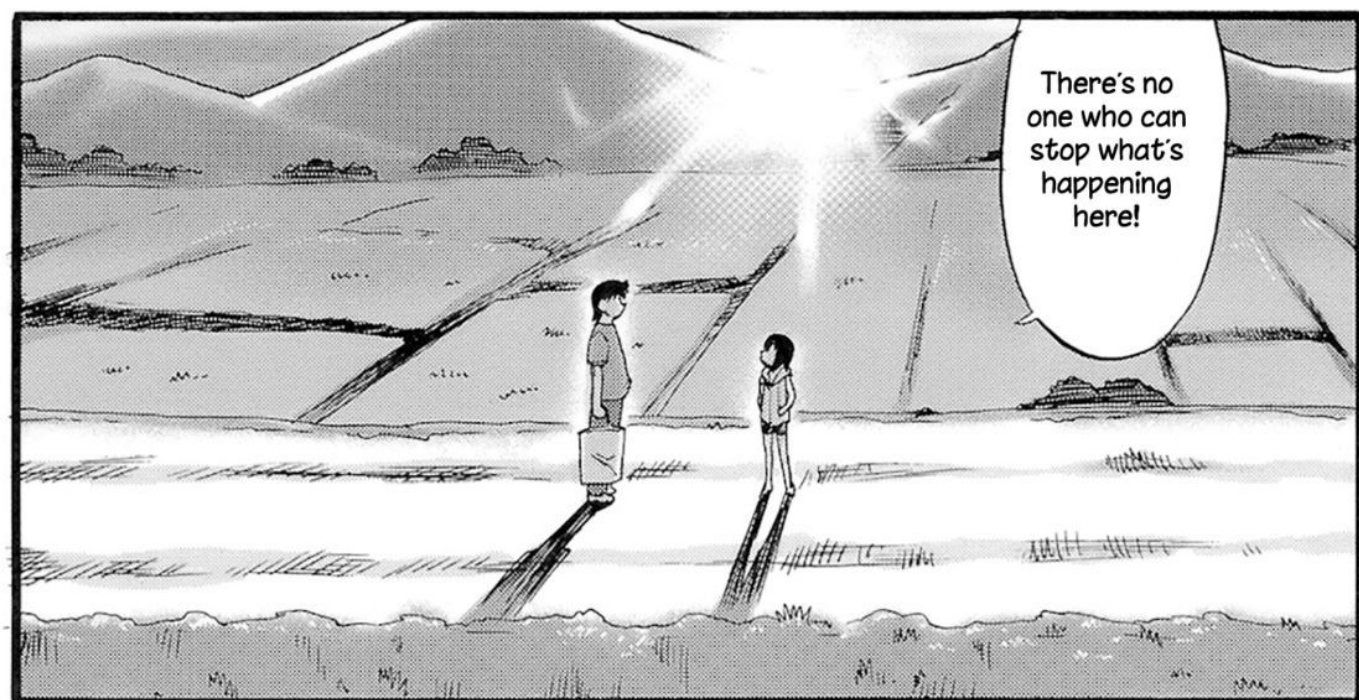

Seiji-san
...
your
heart is
beating
so strong
...

thump
thump
thump

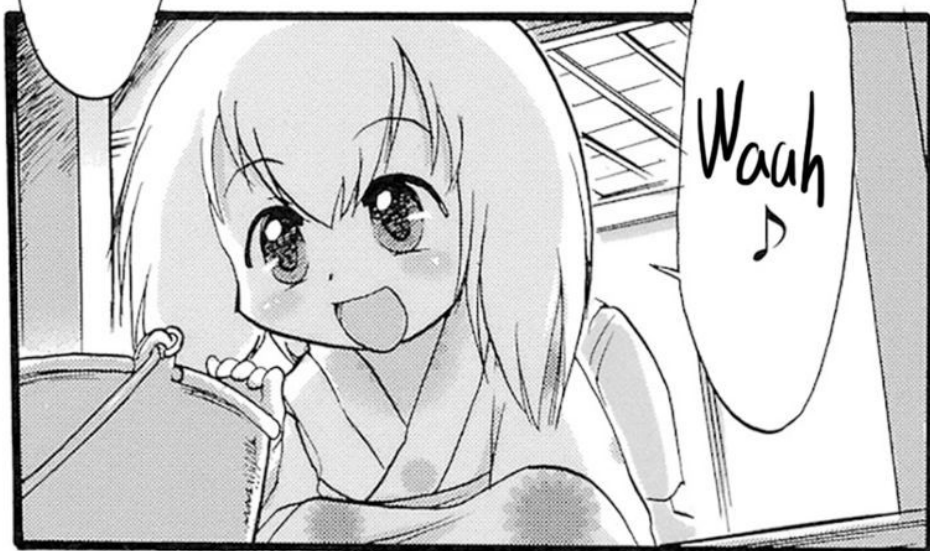

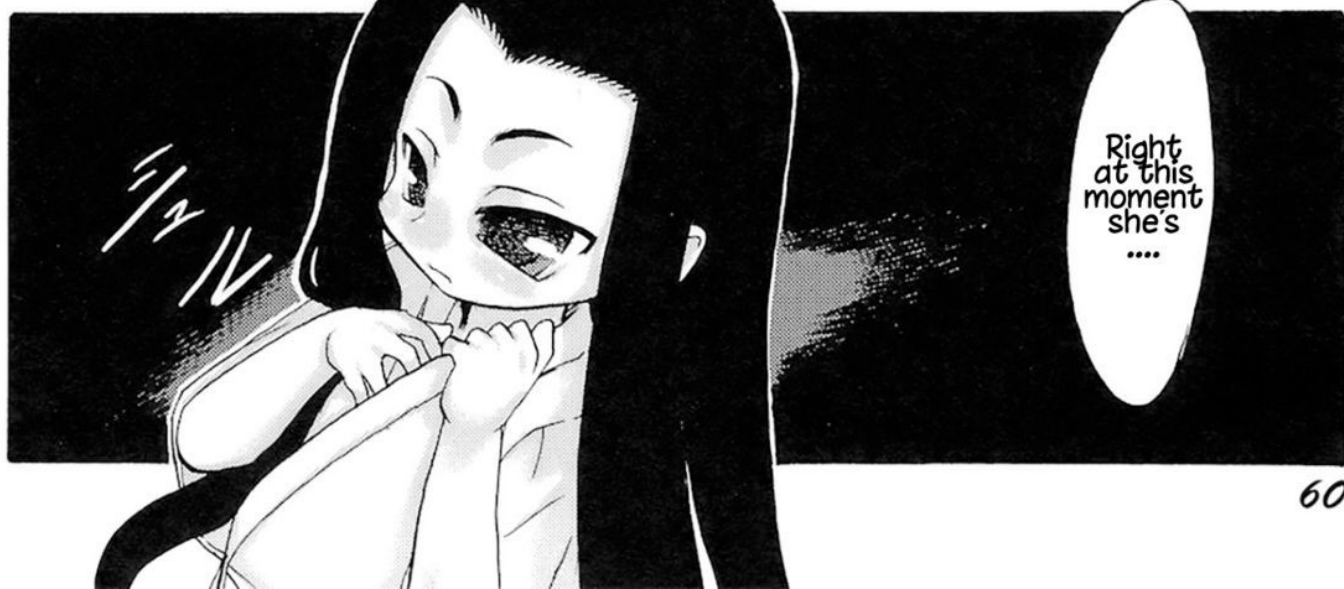

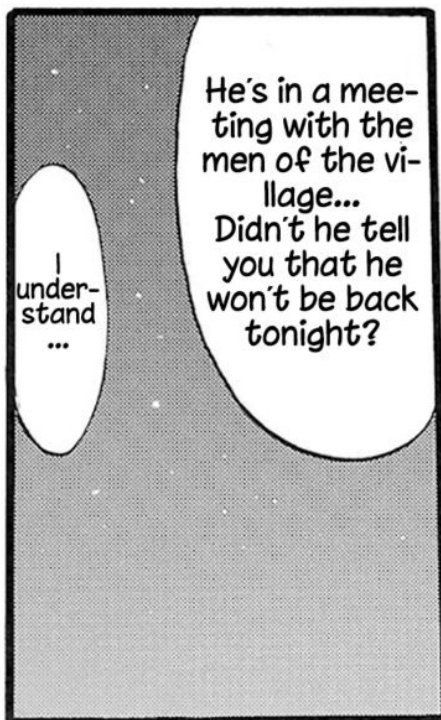

It's the mountain god's blessing.

In this chapter Shukure is presented as last year's priestess.

She was chosen as a priestess for something they call "god", it stays in the village by dwelling in the womb of the current priestess. That way the village has good harvests, apparently.

In this village exists a ritual to force their deity to stay in the body of the priestess called "God's descent".

According to Shukure, that's real, not a superstition. Shukure really believes that a god lives in her womb.

The time that a priestess carries the deity in their womb is one year. After carrying the deity for that duration, the men of the village pour their semen in the womb of the priestess to destroy god's dwelling, and so, the deity goes back to the mountain. That is the ritual of "god's ascent".

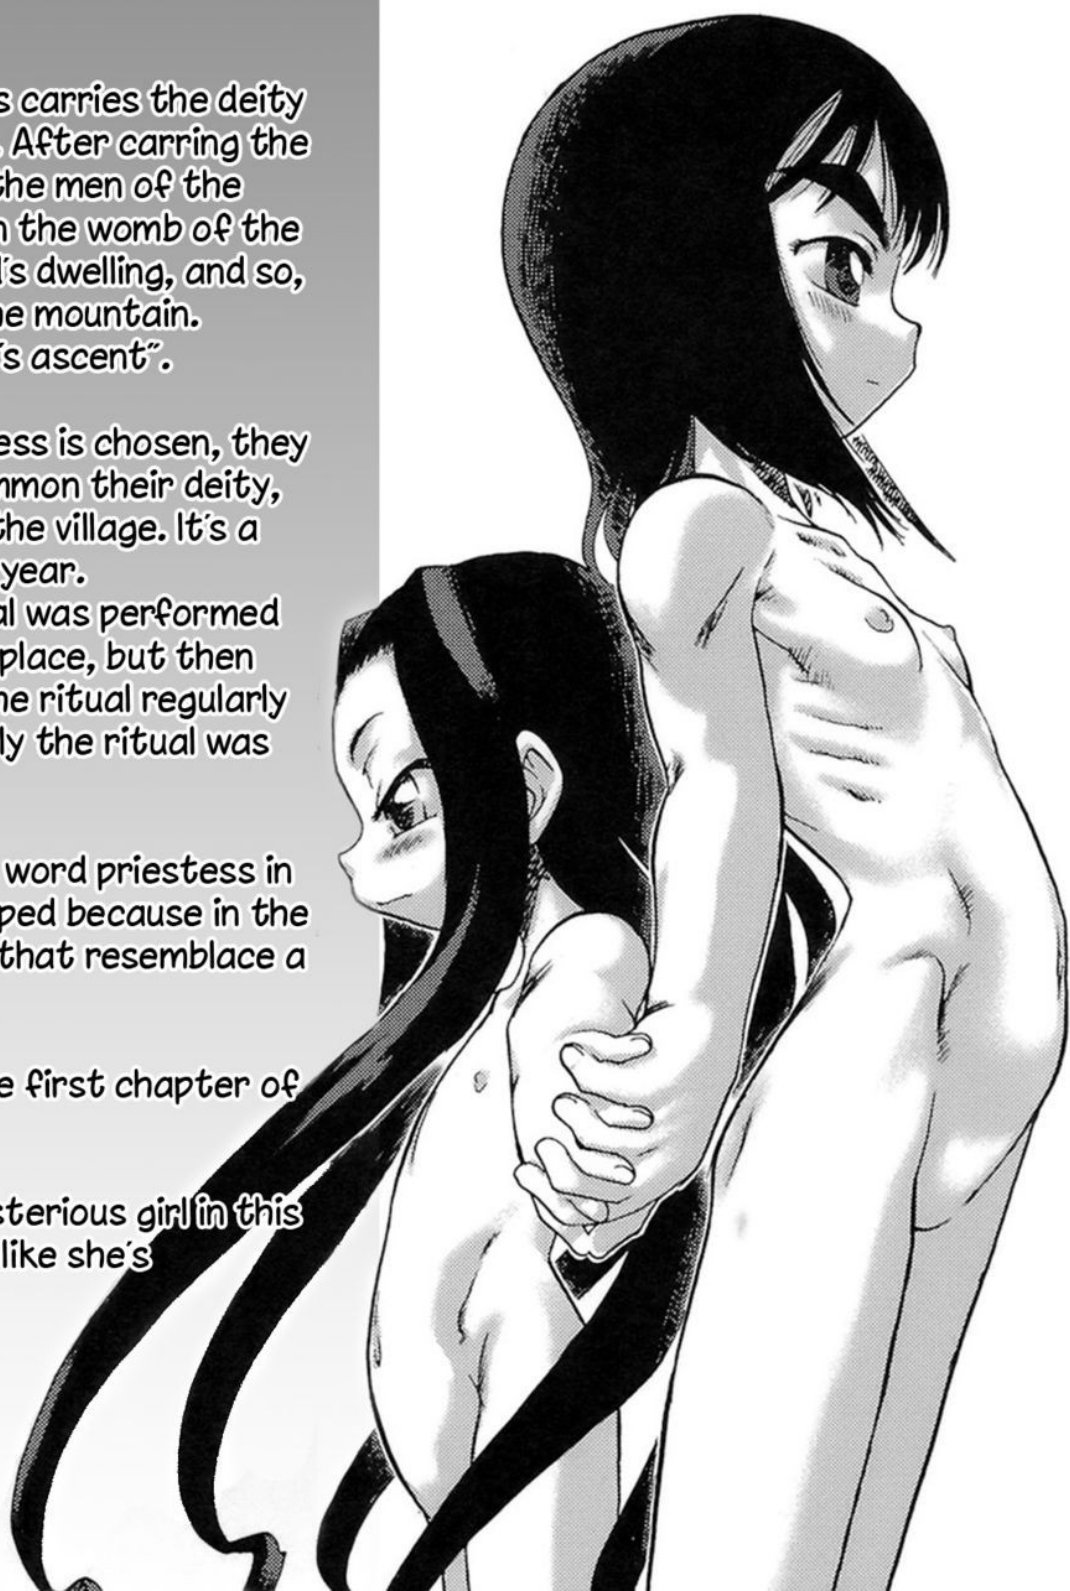

After which a new priestess is chosen, they perform the ritual to summon their deity, then the deity will live in the village. It's a cycle that repeats every year.

In the beginning, the ritual was performed when a bad harvest took place, but then they began to perform the ritual regularly every few years and finally the ritual was performed every year.

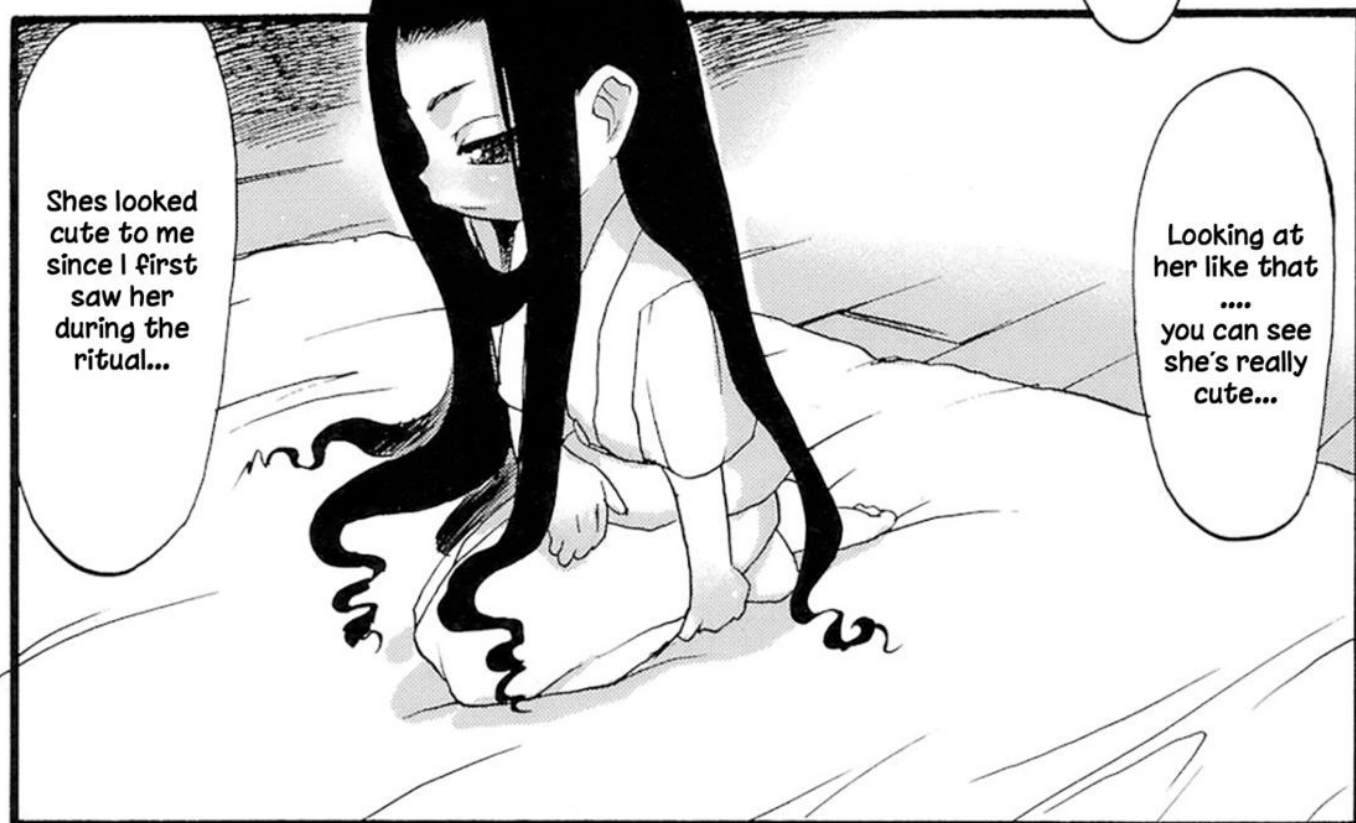

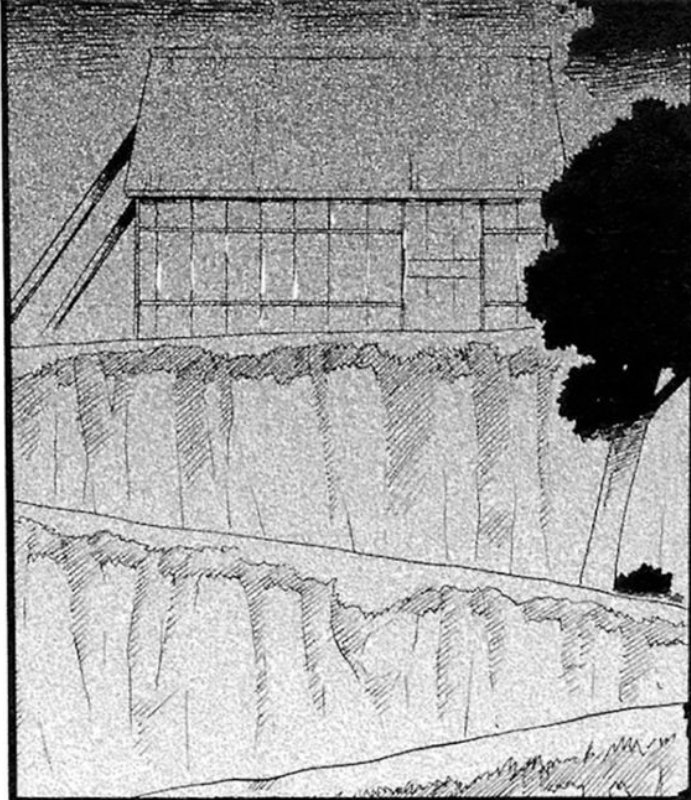

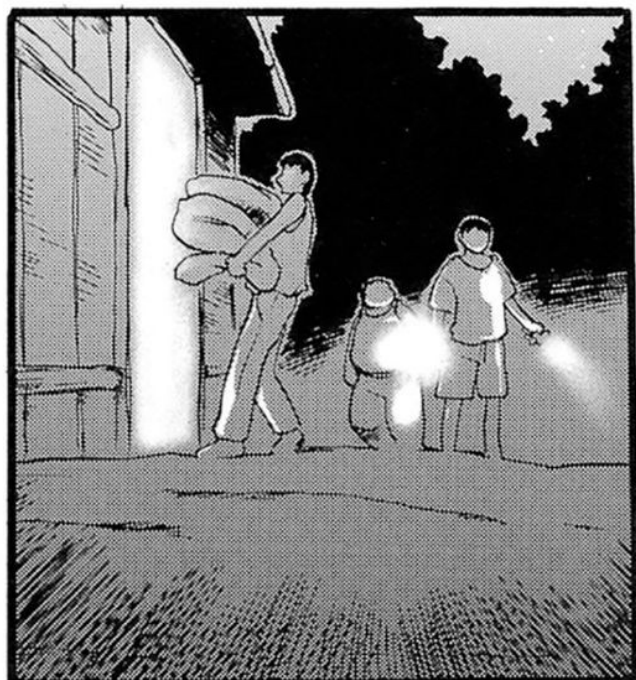

I thought of including the word priestess in the books title but I stopped because in the drawings there's nothing that resemble a priestess.

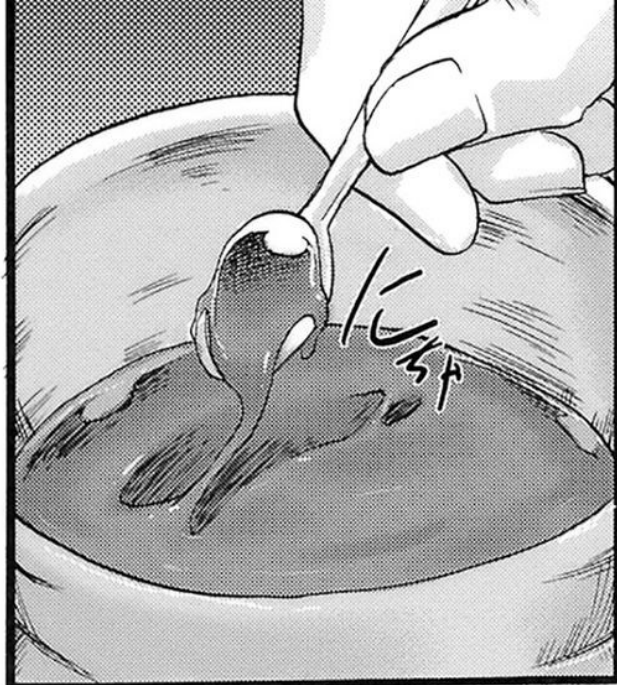

I drew this picture for the first chapter of the doujinshi.

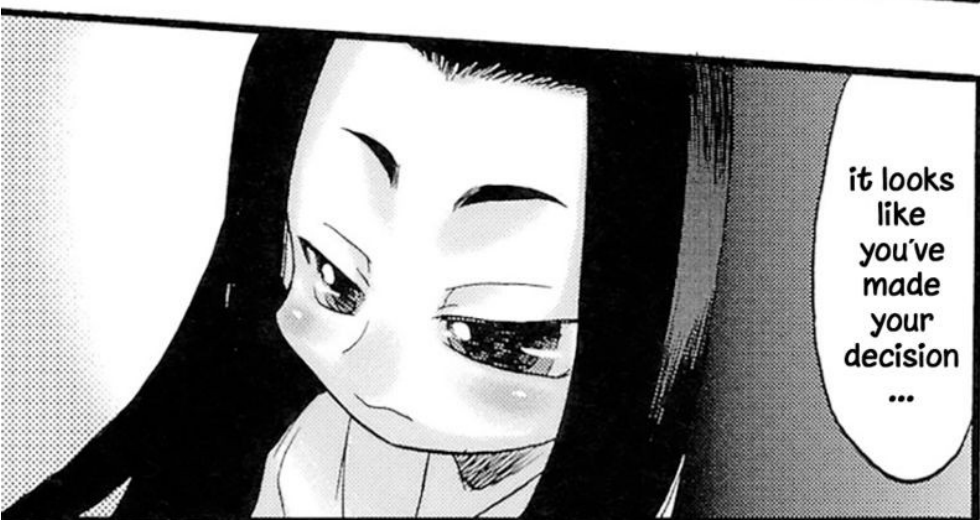

Mayu appears to be a misterious girl in this chapter. She might seem like she's manipulating Sei'i but....

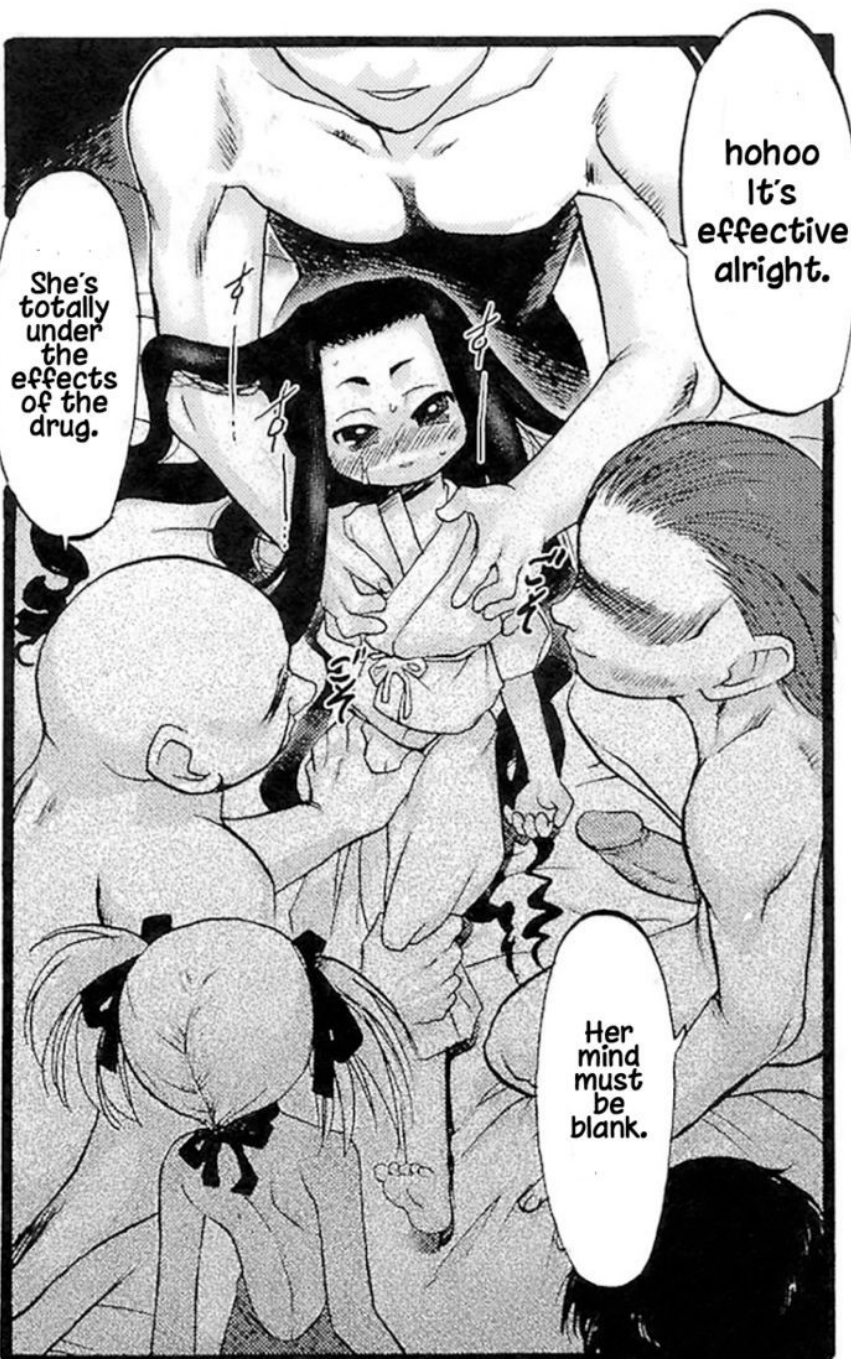

Please
don't
think
bad
about
me.

I'm
sorry.

I never expected he would use it on his own daughter.

Only the high priest can handle the dosage but ...

If you drink too much it's possible for you to stop breathing. Because the mixing is delicate, only the high priest is allowed to make the dosage.

heee
eeeh

I'm sorry I lied to you.

I'm sorry Shukure. It was me who told them where you were...

But I'll never forgive you

Nozo-mi?

Open your mouth.

I'll be pounding you plenty with it.

Come on, Shukure! Here is my dick!

She can't suck my dick like that.

As I thought.

Her mouth is filled with so much saliva that it feels like a honey jar!

ah... her mouth feels great.

Let's get sweaty with her

Isn't that great?

Look at this. She's sweating a lot.

Her body's burning hot!

It's almost as if I'm gonna fuck a corpse. I don't always have this chance!

It's fine but don't forget this is a ritual, okay?

She's breathing as if she were asleep. She won't wake up at all.

Can I... fuck her now?

I want to fuck her too.

You're right.

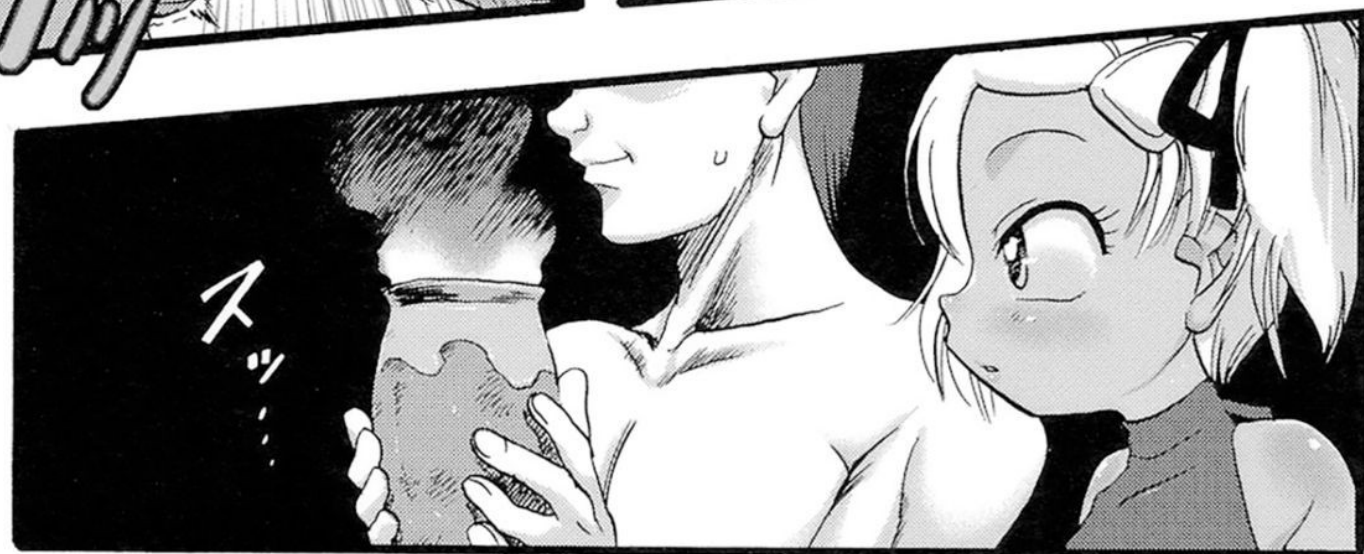

I'm pouring
my semen
deep
inside her
throat!

I'm gonna
rub my
dick on
her ribs.

It's a
mixture of
the drug
dilluded in
plenty of
water.

What is
that?

The water in contact with her hot skin evaporates and fills the cabin little by little.

I must keep her robe soaked.

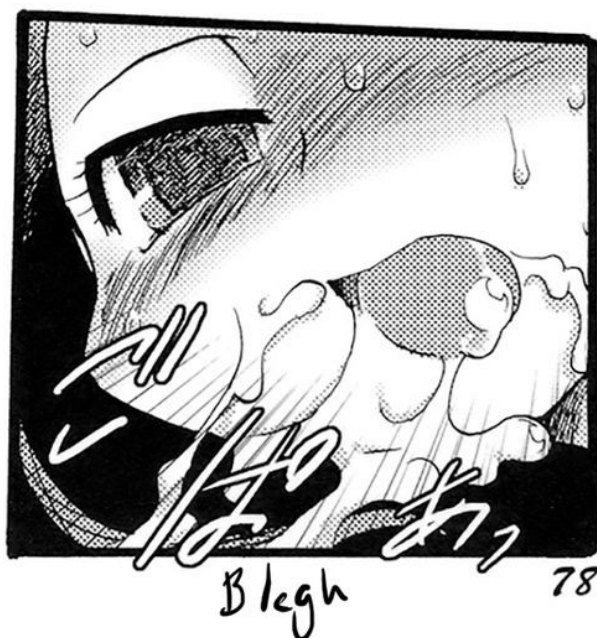

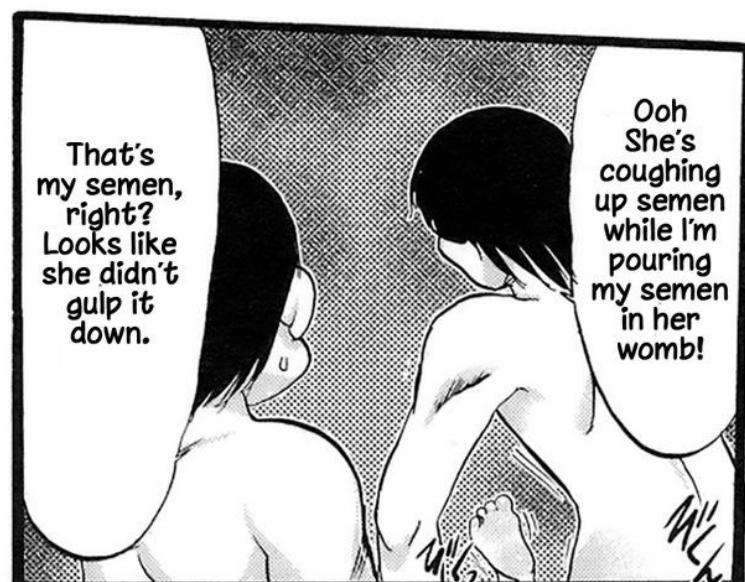

That way the men will recover their vigor.

at this stage of the ritual there's a lot of men that can't get it up...

Usually it isn't needed to use this drug to perform the ritual however ...

"The
god's
ascent~
....

So
soon?

Shukure is
starting to
regain her
senses...

Shu-
kure-
chan
...

Then we
must
continue
...

In this tankoubon are compiled the individual works of the doujins "the god who dwells in the mountain" chapter 1-7. The first chapter was published in January 2006. Comparing the former and actual design, I've made many changes.

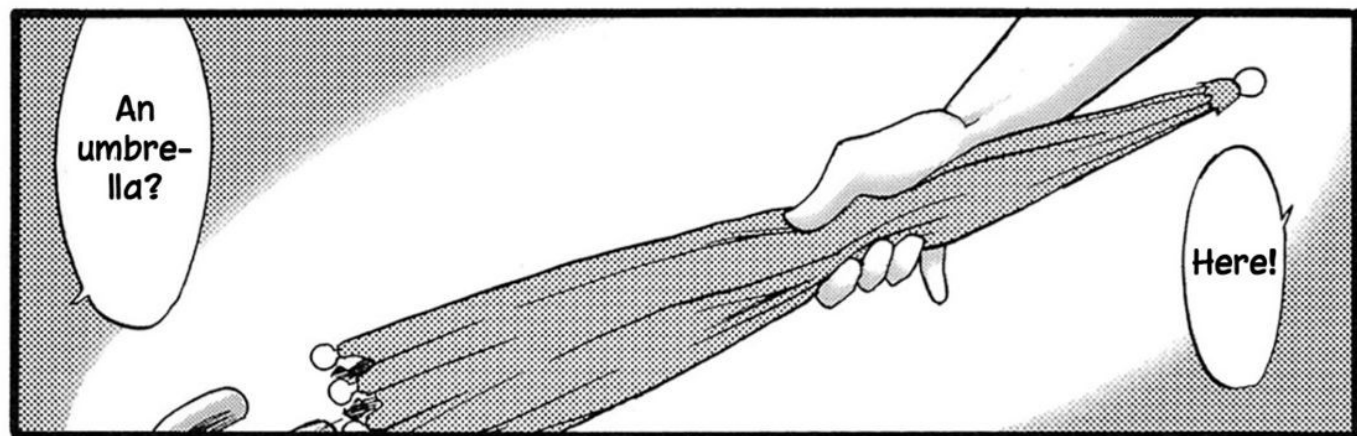

Since some time ago readers have been asking "do you have a compilation of the chapters?"

Some of the chapters have sold out, I've always had plans to release a tankoubon but I always got stuck midway, but at some point Kubo bookstore contacted me, I carefully edited the script and suddenly I finished what I've been postponing.

To those of you that have read the doujin chapters, what is your impression of the tankoubon?

CHAPTER 4 BEAUTY INCENSE

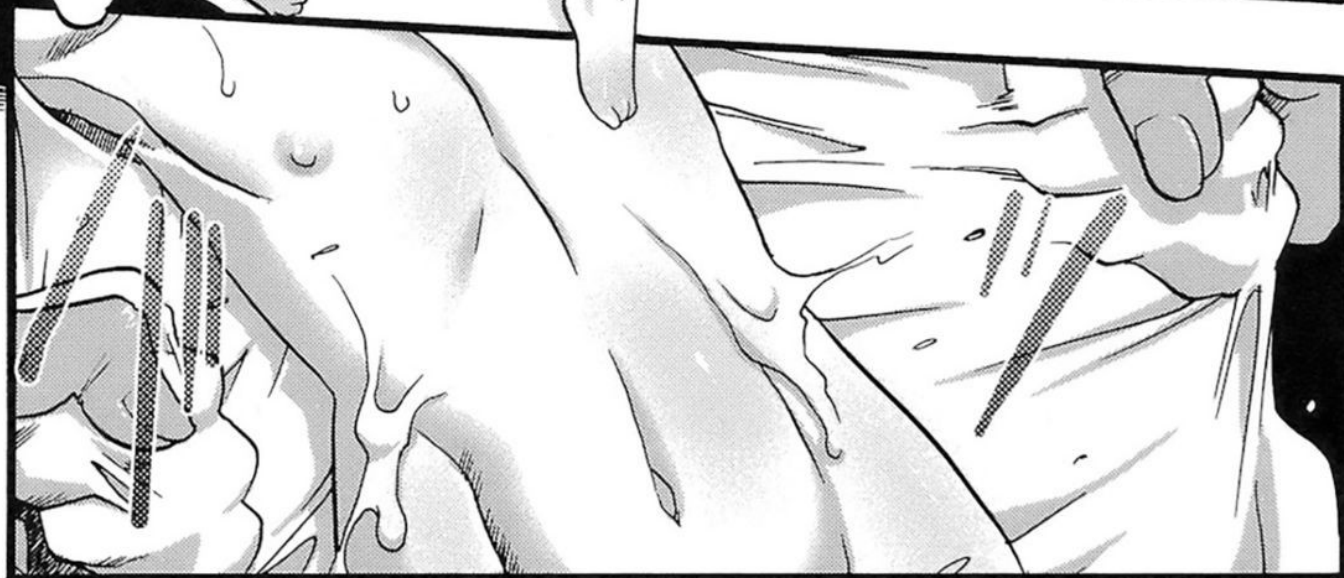

Her body won't be able to oppose the pleasure!

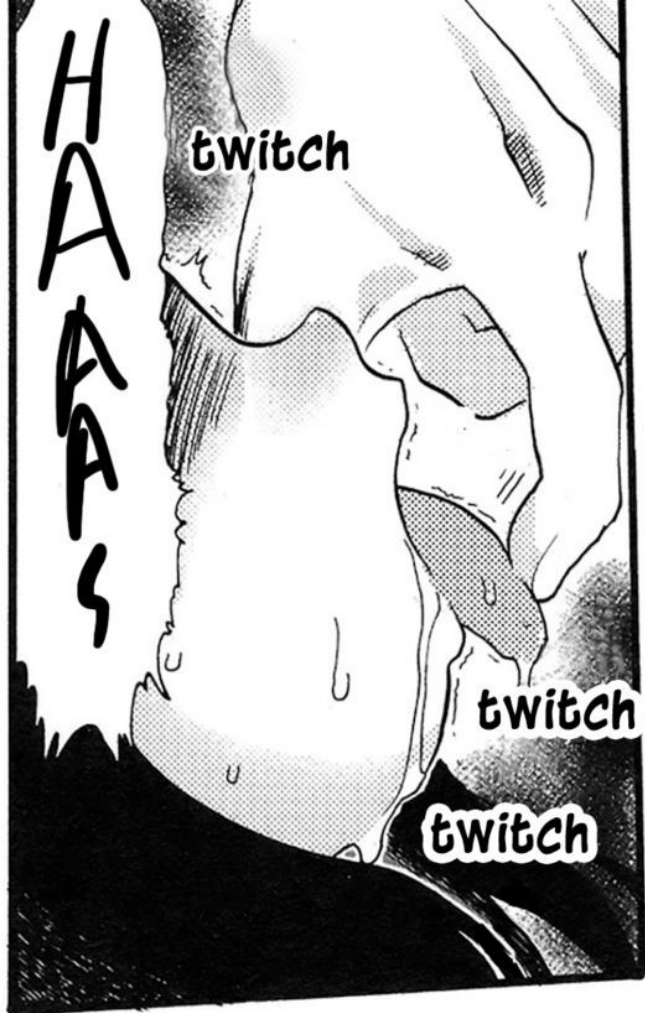

when she finally recovers her consciousness

So with that all the pleasure ...

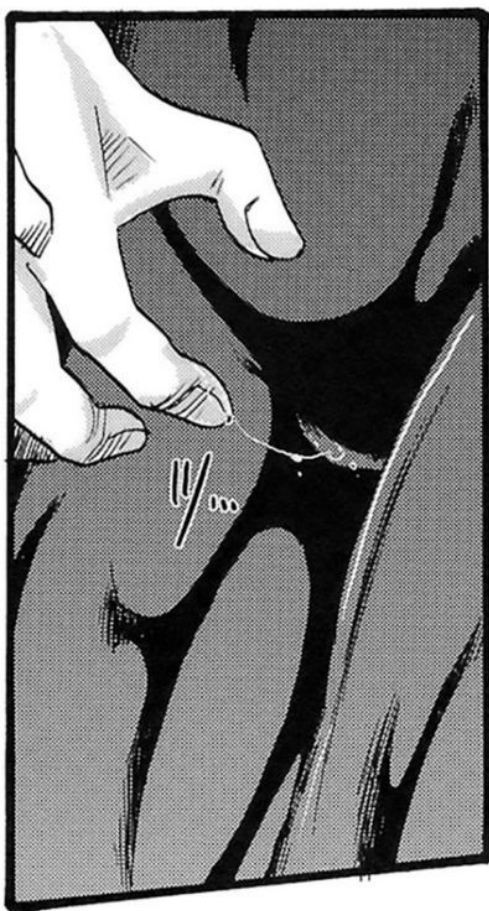

With that drug you recover your senses before you recover consciousness.

Just as the high priest predicted the vessel regained consciousness... Though about Shukure's sanity...

While before she was unconsciously reaching out for dicks, but now she's actively looking for them.

She's already choosing her words. Soon she'll regain consciousness...

It's about to ascend ...

heh ?

While we can say that she's regaining consciousness she's....

HA HA

As always you're ready to do it.

You're a nympho after all.

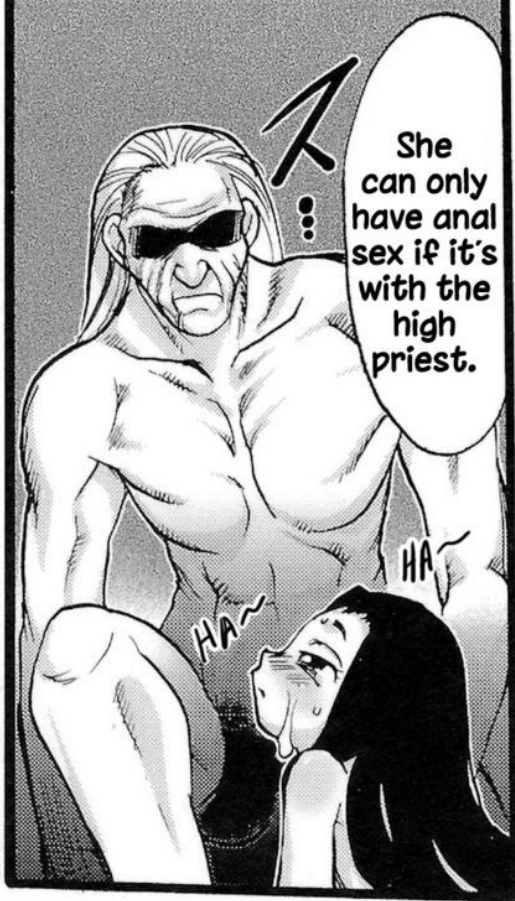

mmh Fine.

Come on, Nozomi! Let's have some fun ourselves!

AAH

She can only have anal sex if it's with the high priest.

It's not that she can't ...

Shukure can't have anal sex?

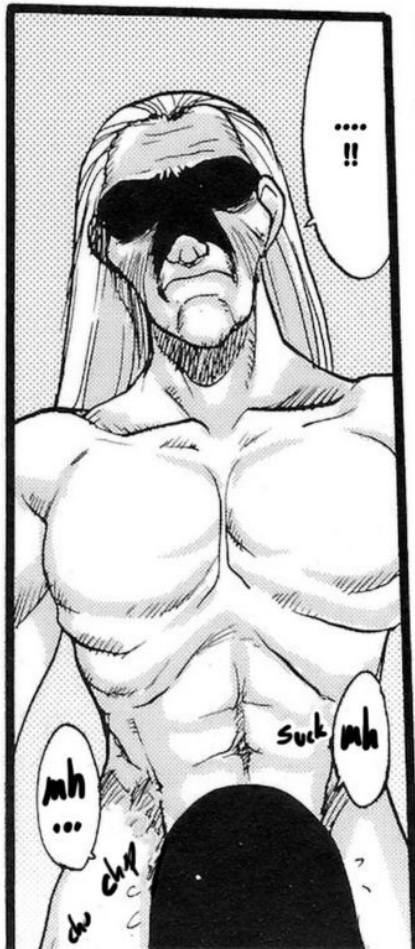

We're not allowed to use Shukure's ass.

Nozomi-chan, can I put it in your ass?

Shukure...

...!!

Suck

Ah...

ha

ha

HA

HA

HA

HA

HA

ah... ah...
