the pool,

fering
with my

What
are
you
doing
here!?

It isn't only effective when you drink it with your upper mouth, the lower one works too!

Ahhh!

But that's where babies- ...!

What are you talking about? It'll improve your time so what're you worried about getting pregnant for!?

Inside

I made
your womb
drink up
plenty of
semen.

Take that!
Get

Let's head
to your
house and
continue
with our
training
there.

Ah!
♥

Aww damn.
Natsuki,
seeing you
in your
uniform
got me all
horny
again.

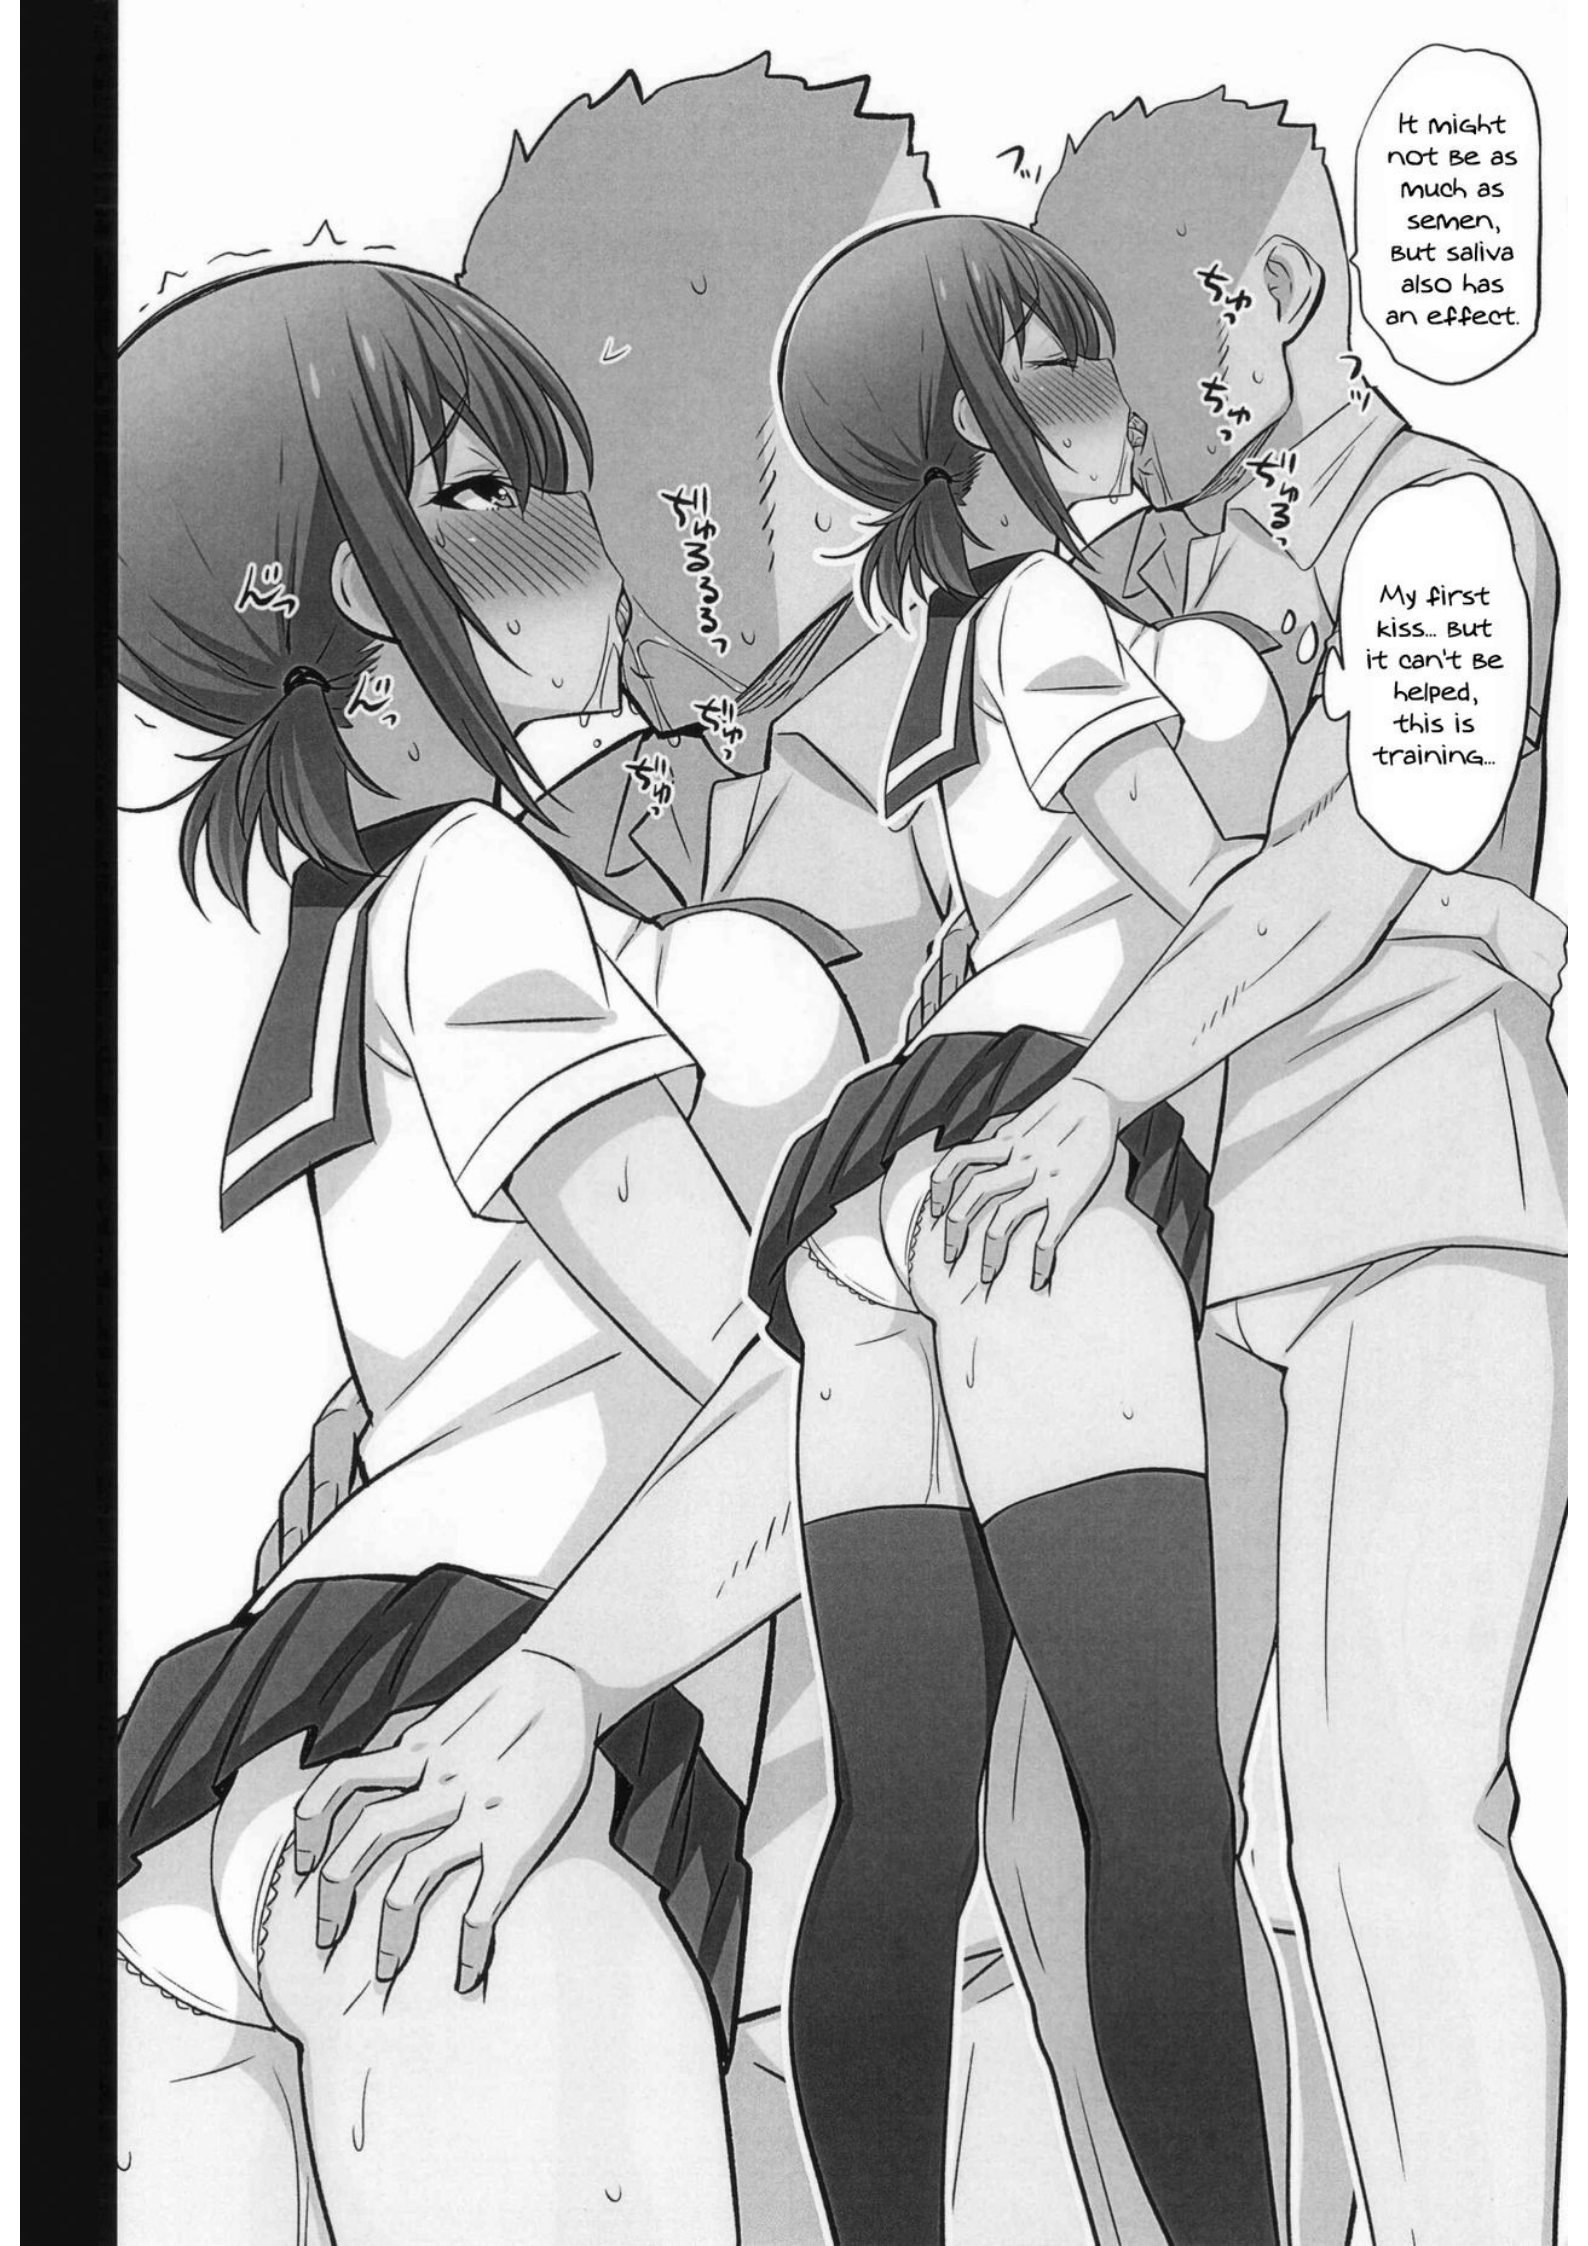

Well...
thanks for
training
with me
today.

Eh?!

You still
haven't
drank
enough
semen,
right?

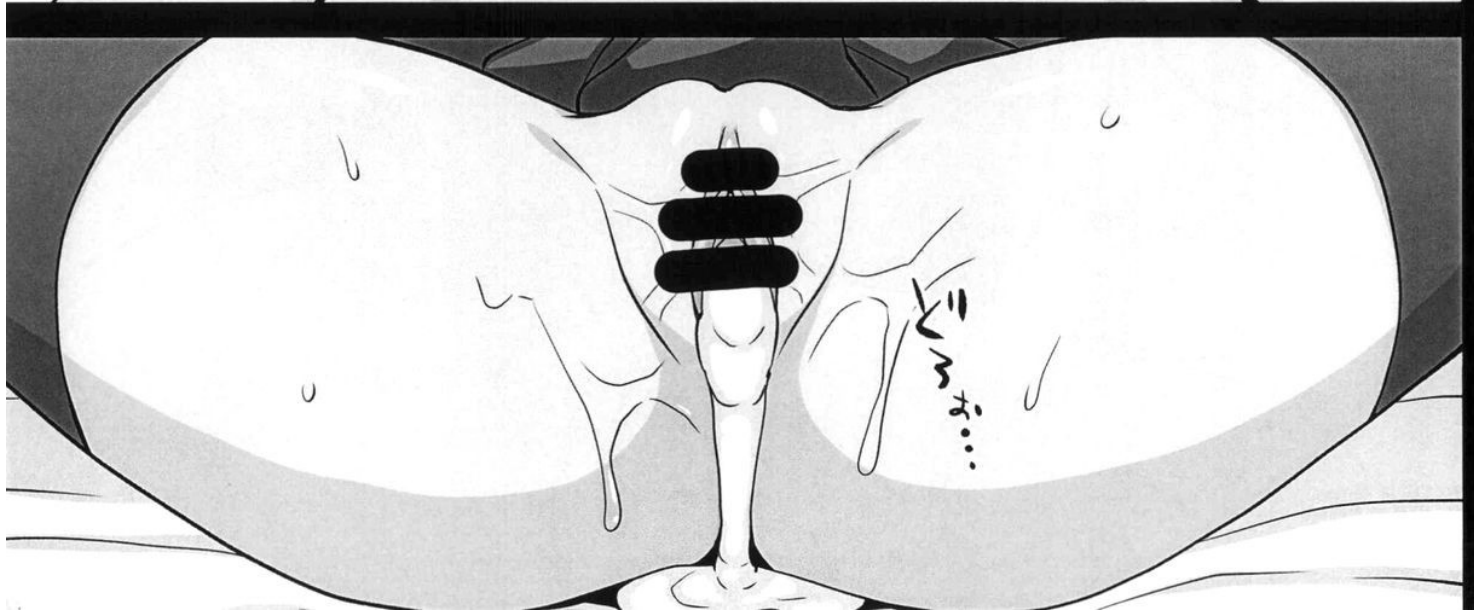

Y...
Yes!

It might not be as much as semen, but saliva also has an effect.

My first kiss... But it can't be helped, this is training...

AND
SO, WE
KEPT ON
FUCKING
ON
NATSUKI'S
BED
UNTIL
MORNING.

Agh!

continue
with the
training!
♡

Alright,
I'm
satisfied.
Come to
