If you

CHANCE ENCOUNTER

Côte d'Azur

grumbles

Now here I am alone in a king sized bed at a romantic resort.

Since I thought it was ridiculous to waste tickets, I came all the way to France.

I feel so empty...

My head hurts...

Like really bad.

I was waaaay too plastered.

Now I just don't think I can trust a woman.

Or should I say I WAS a romantic?

...That is to say, I can't help that I'm a romantic with sentimental thoughts.

I truly want to honor and trust just one woman in a lifelong marriage.

My ex was a first-class cheater, abuser and domestic criminal.

When I met her at the mixer she told me:

You can't come because you're back with your ex!
A sudden one-sided break-up

WHAT!??

Shortly before departure

I listened to her worries, and to her ego, on holidays I gave her presents, and to think I even arranged an overseas vacation to get treated like this in return.

If that's so, I guess I'm just in time. You're safe with me. I will treat you kindly.

It would be nice if the next guy I met was nice, honest and upfront.

Wha--!? A man with a wife and kids got you pregnant?

Furthermore, the one before that who I met at a spouse-hunting party* turned out to be deep into compensated dating.**

In the course of our relationship, I discovered she was keeping 5 other men in her crotch.

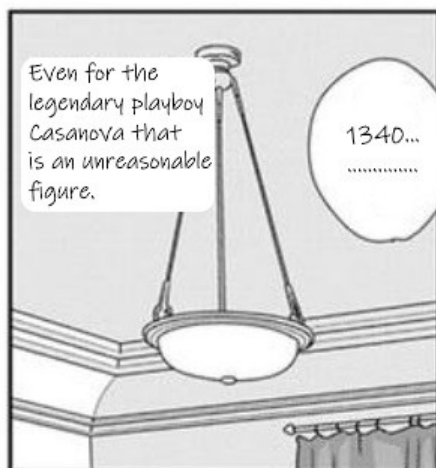

Wait, who are these messages from!?

The girlfriend before I got to know through a dating app.

Shut up!

**Compensated dating what the Japanese call it so that prostitutes don't feel like they are prostitutes.

*A party where all the participants are looking to meet someone to be a spouse. This is as Japanese as it sounds.

Even for the legendary playboy Casanova that is an unreasonable figure.

1340...
.....

If about 1340 were tested, it would result in the level of trustworthiness.

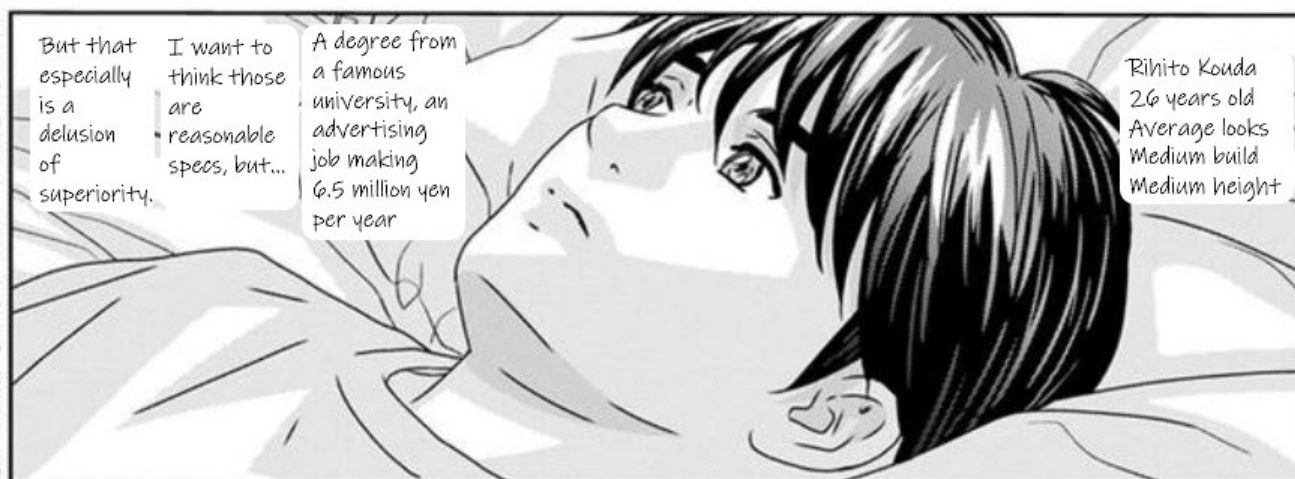

For a population of 100,000, a test group would need to be 383...

To do it for women age 20 to 25 in a population of 350,000....

A relevant sample group to be tested would necessarily differ with the larger populus.

But the sample group is too small to conclude that all women have a high probability of cheating.

※この作品はフィクションです。実在の人物・団体、その他とは一切関係ありません。

But that especially is a delusion of superiority.

I want to think those are reasonable specs, but...

A degree from a famous university, an advertising job making 6.5 million yen per year

Rihito Kouda
26 years old
Average looks
Medium build
Medium height

The girl I came to like was shallow and unintelligent. To add to that she clung to a rude man while I did nothing but watch with envy.

I hadn't had a girlfriend until my 2nd year of college when times changed for me.

In my high school era, I was a perfect honor student, anti-social, and unpopular with girls.

SAD RIHITO

Well, whatever

I'll shelve wishing for anything at all and go back.

Be that as it may, to use English economist Peter Bacchus's formula, the likelihood of finding an ideal partner would be 0.0049% and, furthermore, the chances of mutual love would be 0.0025%... I guess...

But I'd be a total loser if I opted out of this Darwinian sexual market.

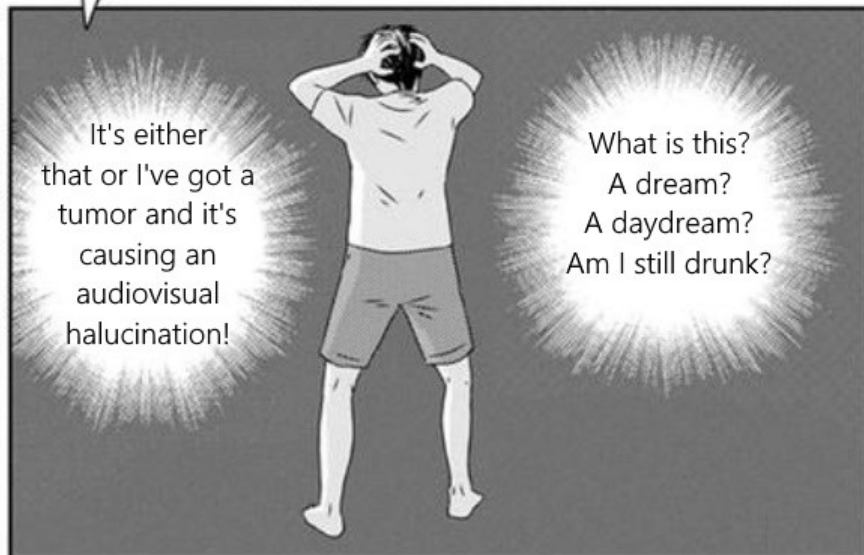

So then improving my appearance and learning a little about communication I think would make me less objectionable.

むっ

No... It's no wonder I haven't made any woman into my partner, isn't it?

Up until now, the seldom encounters with women have gone bad.

Umm...
ahh... sorry.
Don't mind
me.

Don't look
at him.

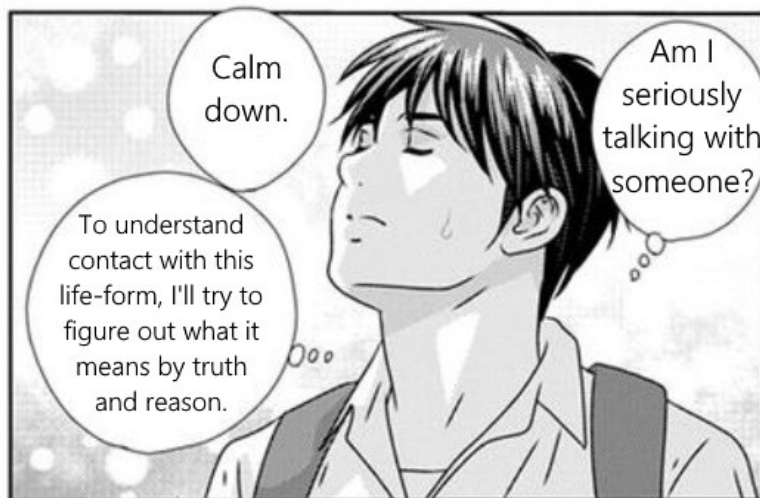

That guy
high on drugs?

Shut
up!!

Quit
talking
in my
head!!

**Don't
treat me
like a
disease!**

Calm
down.

Am I
seriously
talking with
someone?

To understand
contact with this
life-form, I'll try to
figure out what it
means by truth
and reason.

No!
That's
your
fault!

**They all
think you're
actually
psychotic.**

**Since I have
no body I
do not need
to eat.**

Do you
happen to
eat
humans?

Well,
thank
God for
that.

**I am a lost
child of space-
time from a
parallel dimension
with different
laws of physics
from your own.**

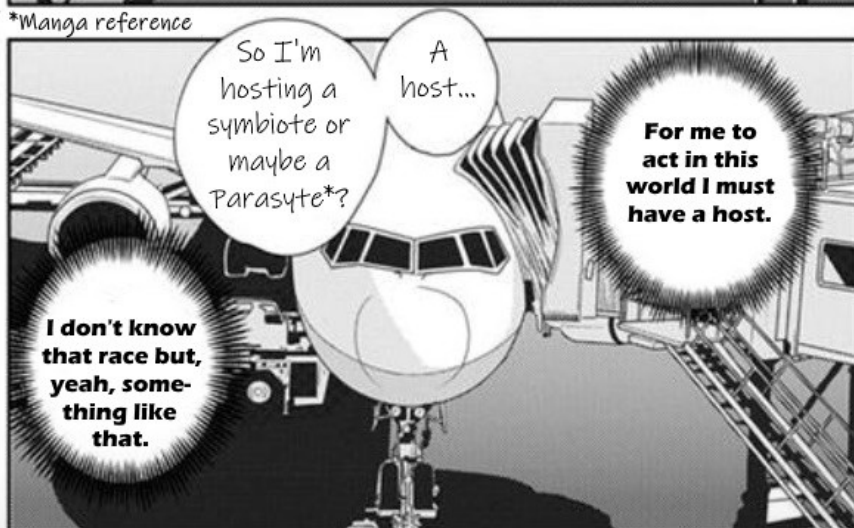

Who
are
you?

**You really
don't
remember?**

At any
rate, why
are you
inside of
me?

Welcome
back,
sir.

*Manga reference

So I'm
hosting a
symbiote or
maybe a
Parasyte*?

A
host...

**For me to
act in this
world I must
have a host.**

**I don't know
that race but,
yeah, some-
thing like
that.**

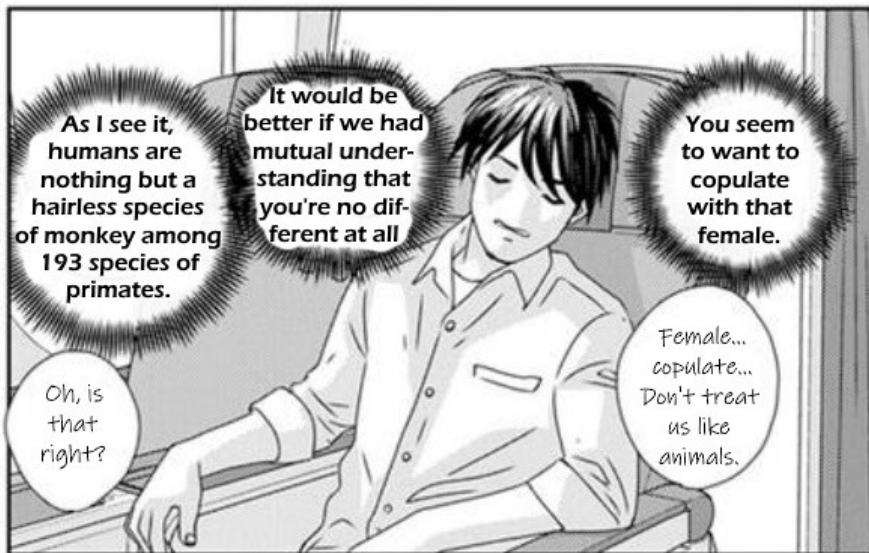

Why is that?

I want to do it but there's no way that could happen.

Yeah, why is that?

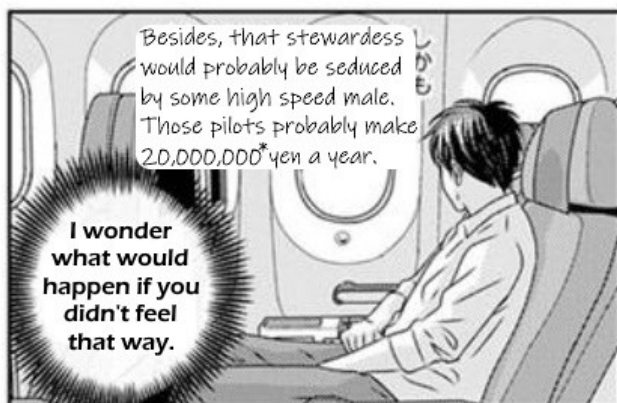

As I see it, humans are nothing but a hairless species of monkey among 193 species of primates.

It would be better if we had mutual understanding that you're no different at all

You seem to want to copulate with that female.

Female... copulate... Don't treat us like animals.

Oh, is that right?

Besides, that stewardess would probably be seduced by some high speed male. Those pilots probably make 20,000,000* yen a year.

I wonder what would happen if you didn't feel that way.

Maybe because I'm not up to the challenge.

That's why I feel like I can't find a partner and I think I'll lose my nerve.

Especially because women who are out of my league can give me a tension I never experienced even in my school days.

*Something like 200,000 bucks

On that point our interests are in agreement.

Life exists to survive and breed.

I have access to your thoughts and emotions.

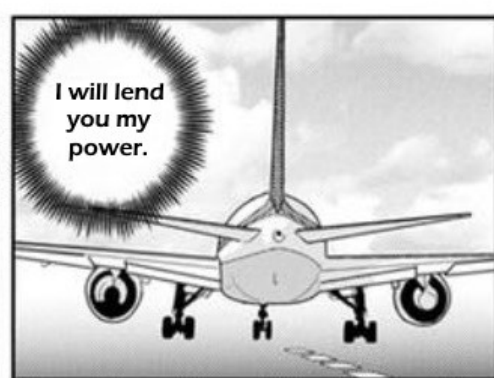

What? No words came out of my mouth. We can talk by thinking?

Then you should have said so earlier...

Easy?

If you had my power, granting your wish would be easy.

I will lend you my power.

Hey!!
Get back
inside!!

Did I clear
that up
enough
for you?

Biologically,
what creates
feelings of love
is nothing more
than various
chemicals and
hormones.

It's well
said that it's
easy to fall
for a
woman.

I didn't
permit you
to use
me as a
host.

Drink

For fucks
sake, every time
you talk to me
it's something
annoying.

Well,
looky
here.

It's
crowded
and
uncom-
fortable!

If my dick
is out people
will think I'm
a pervert.

And more
importantly
don't get
so long.

It's fine.
quit
complaining.

I was
startled.

Aagh!!

Hey!
What are
you---

Can I
help you
sir?

Sorry!
My hand
moved on
its----

Sure,
I'll take
a mineral
water.

Soon you
will witness
my power.

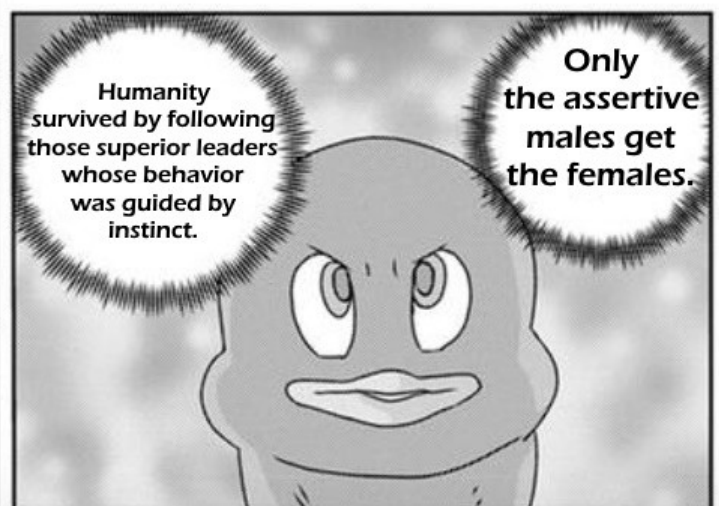

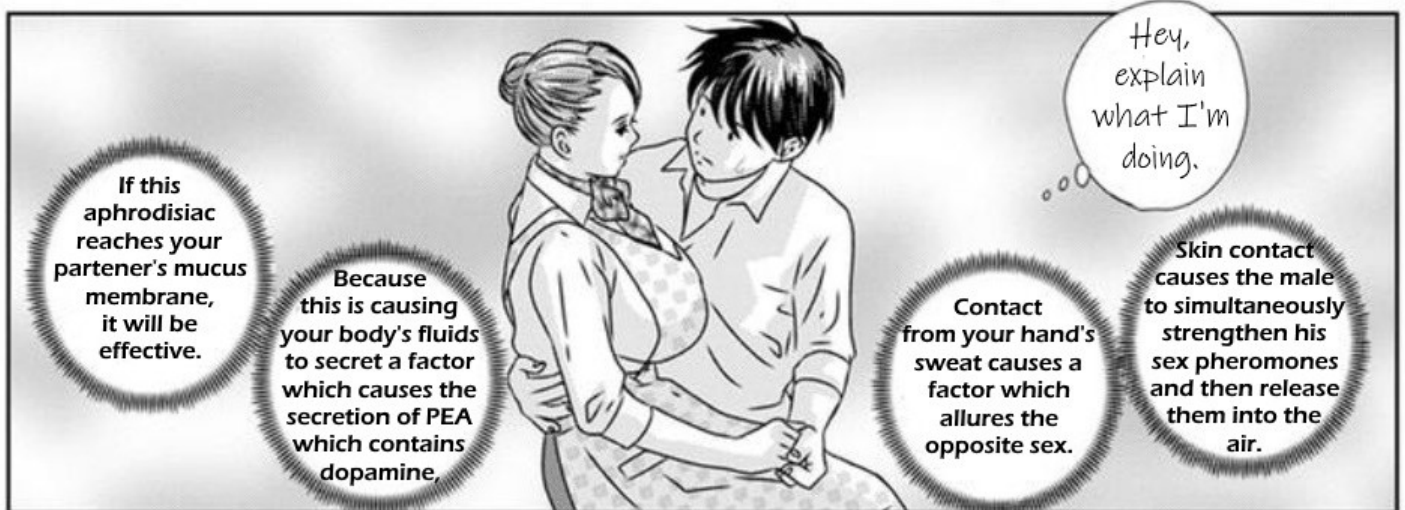

Would you
like something
to drink?

In a short
time I will
sweep up
her body.

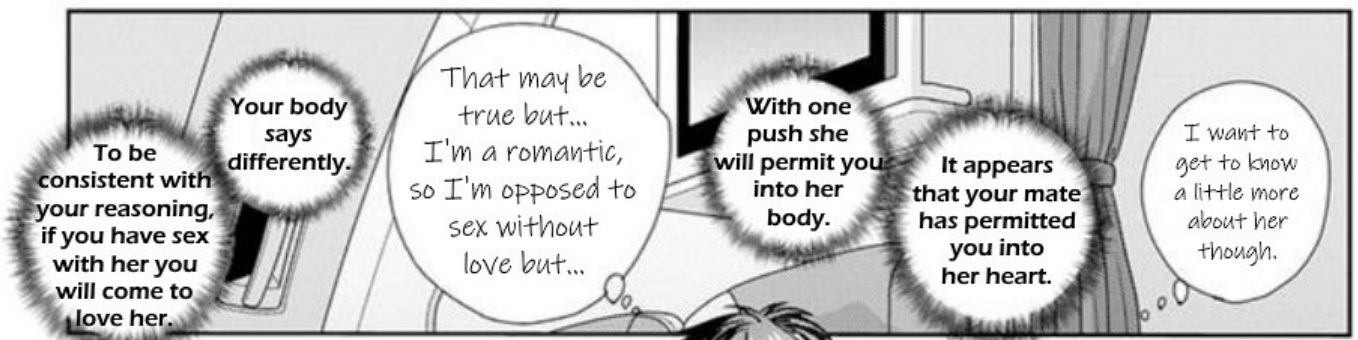

Yes?

Huh??

If it's messed up I'll get yelled at.

There's no mirror so I won't be able to tie it up right.

キッ

I'll take off everything but the scarf. That alright?

I understand.

Umm...

キッ

Whatever you do don't take my scarf off.

Ah, wait!

I'd like to see your tits, Miwa-san.

キッ

I really want to take it off so I can grope and fondle the shit out of them.

Your breasts must be uncomfortable in this tight bra.

Ahh...

I wanna see your nipples, too.

They're so voluptuous.

These are seriously heavy.

You're embarrassing me.

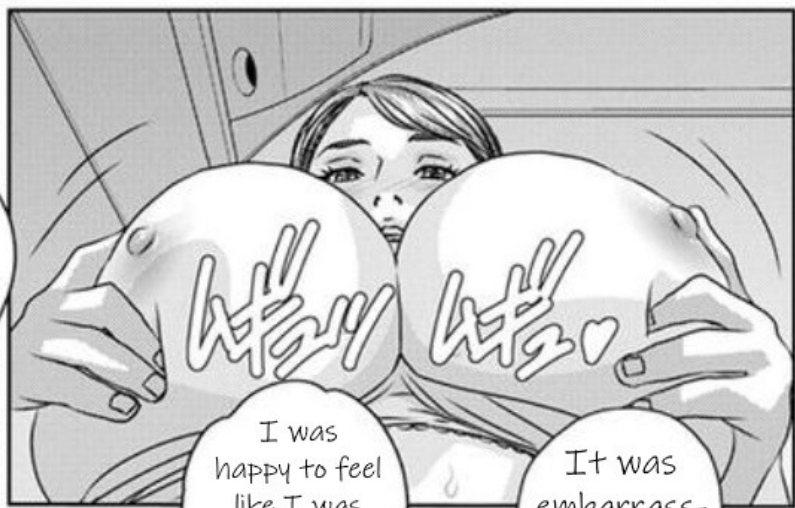

※この作品はフィクションです。実在の人物・団体、その他とは一切関係ありません。

Ah...

I hated
being made
fun of.

I was
happy to feel
like I was
becoming an
adult.

It was embarrass-
ing but...

Did the boys
in your class
stare at your
boobs a lot?

Rihito-san,
when you
look at me it
makes my
heart race.

No...

Do you
hate it when
I look at
you?

You smell
so sweet.

NOW

Ahhh... the
silky texture
of your skin is
so refreshing.

Yes. I only ever went to all-girls' schools.

Ah...

.....None...

How many guys have you been with?

No way! Really?

Then I'm a really lucky guy.

HaaAhn!

My nipples feel so good!

You're super sensitive, aren't you?

Ah... No...

Yes...

So you're a virgin.

Mmm... Ahh...

It can't land here.

Ah...

"The plane is preparing to make a landing."

Well then, what about down here?

Sorry, the captain already decided to make his final approach.

It seems the runway is in a wet condition.

Do you mean to tell me you aren't wet?

No... That's...

Without even confirming for yourself?

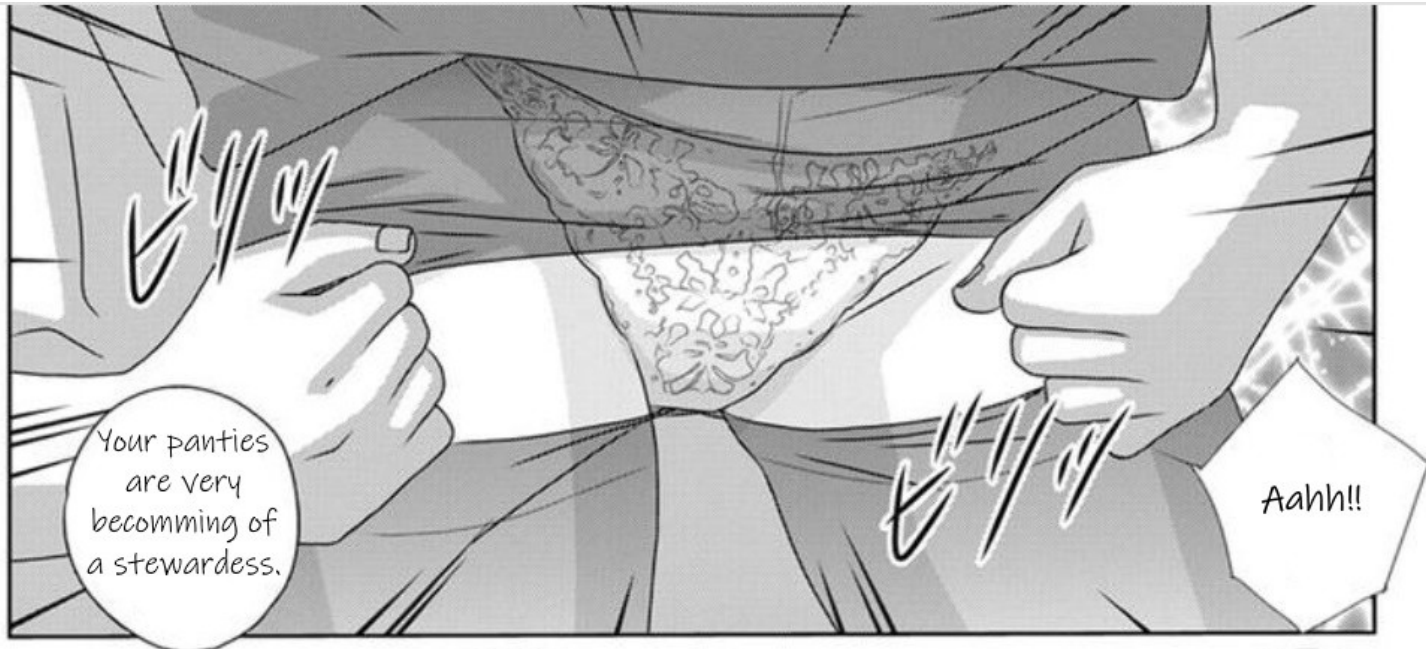

He's gonna make a soft landing touchdown.

Aahn!! No!

Haaghn!!

No,
wait a
sec.

Next is
my...

**Are you
talking
to me?**

Yeah,
who
else?

If my
penis has a
face she'll
be scared.

It made
me want
to kill
you.

I wouldn't
have been able
to use my penis
with my mate.

Then why
did you give
it a face?

**It would
be weird
if it did.**

**I manipulated
your visual cortex
to make it appear
anthropomorphic.**

So then
my penis
doesn't have
that face?

**I thought
it might
make you
like me.**

Yeah,
more or
less.

Do you
know how to
give head?

I'm okay,
I was just
thinking too
much.

Hey,
are you
alright?

Okay,
now pull down
my pants and
take out
my dick.

Somehow it seems bigger than its original size.

What!?

It's way bigger than my dad's.

Wow Amazing!

And I feel so hot.

Aahh... What is it about this strong smell that is so alluring?

Lick it and suck it.

So is this because of my strengthened pheromones?

The sense of smell has an extreme, direct influence on the nervous system which will soon reach her brain.

This virgin is spellbound by my penis.

My heart feels like it's jumping out of my chest.
♡

No, wait.

If I'm helping too much I'll turn it back.

I thought this would charm her.

Yes?

This is better.

So it is.

When testosterone exceeds prolactin, its stopping mechanism, sexual stimulation will renew so there's no need to worry.

It's not like I have endless sexual energy

But if I cum here I'll need time before I can get hard again.

Uuhh, Aahh...

I'm gonna cum soon!

So why don't you cum then?

What are you talking about??

In other words, I'm saying that your stimulation will renew again so you can ejaculate.

I can really ejaculate!?

Swallow every drop!!

MMGH!!!

Mmm!!!

Alright, I'll believe what he says, and I'll cum right now.

I'll cum in your mouth like this!!

MMMMnn
nnMMMM!!!

Huuuh!
I'm cumming!

Ahh~
Mmmh!

But the
first time--
Oh my God!
It feels so
good!!

It's like the
chemicals in her
brain made it
so she didn't
feel her hyman
break.

Hmmm~
Aaaa~
Aaaa~

So,
how does
your first
time feel?

I heard
from my friends
that the first
time would hurt
so I was scared
but...

You don't
have to be
afraid.

It's gonna
get even
better after
this.

It feels like
during this whole
time I've been
a totally
different
person.

Sex feels
so good!

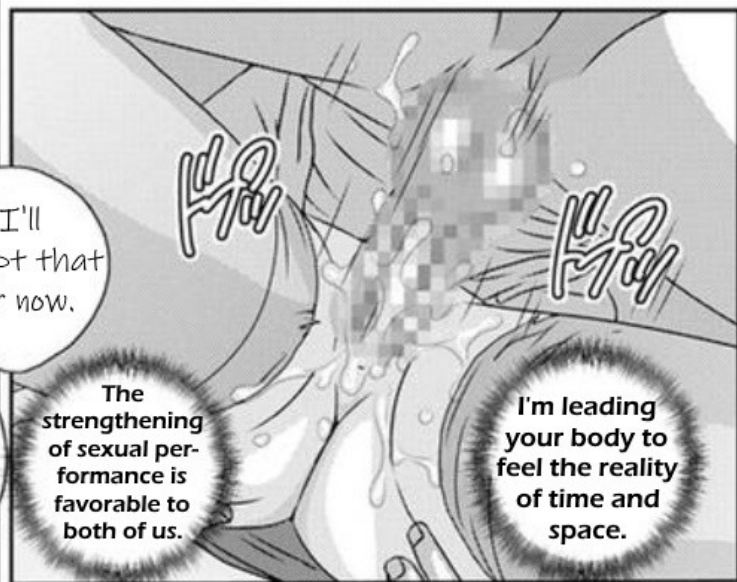

Why was
I so
afraid?

Oh no!!
If you fuck me
any harder
I'll cum!!!

She's so sexy!
She's got the
best tits and the
best pussy I've
ever had!!

Aaah!!!
Nnn~!!

Uuuh Agh!
I'm cumming again!!

Hnnnnng!!

I'm happy
it made my
tits feel
good.
♡

It's
wonderful.
You came
so much!
♡

I didn't
even think
I could
cum this
much!

It got
your face
and scarf!

Sorry!!
too much
came out!

I thought
she would be

Before you see that angel from heaven again, you should be fixing your appearance and cleaning your room.

You really are a baffling human being.

But all you have been up to all day is going to see different doctors.

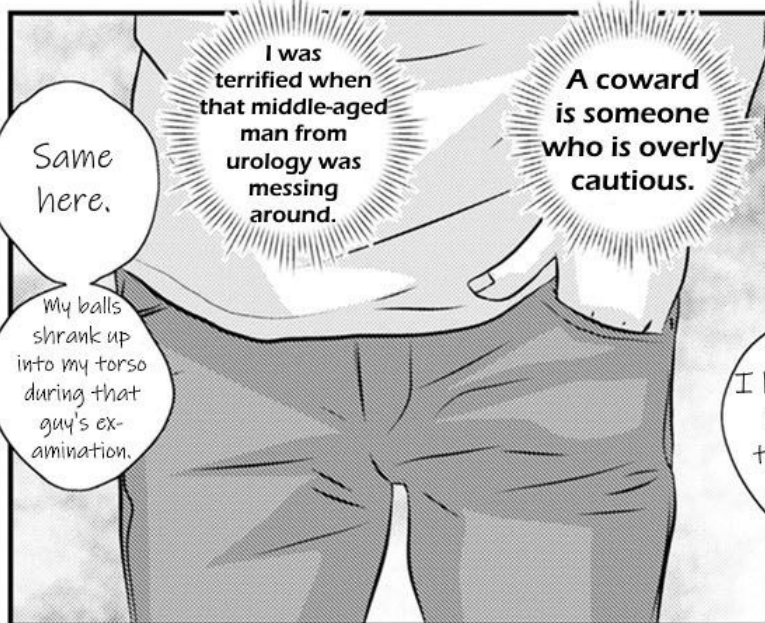

What do you mean?

Is it really a wonder that I still don't completely trust you?

I still had paid time off left over.

Thanks to my vacation ending early,

I was terrified when that middle-aged man from urology was messing around.

A coward is someone who is overly cautious.

Same here.

My balls shrank up into my torso during that guy's examination.

Since it is said that things like demons can harm your life-force,

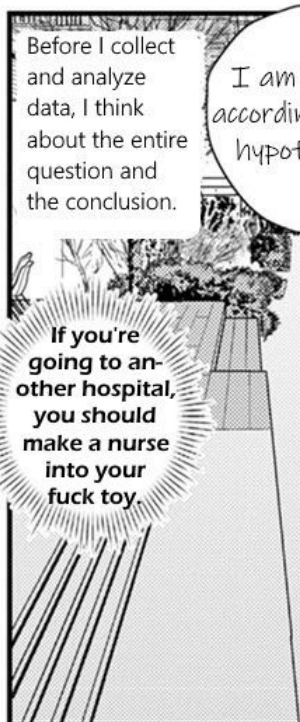

I am thankful for you supporting me like some kind of guardian spirit, but,

Although I haven't been harmed, I think this is necessary.

Oh, the next one is here.

As I master the skill of hypothetical thinking, my accuracy at work will gradually increase.

Before I collect and analyze data, I think about the entire question and the conclusion.

I am acting according to my hypothesis.

If you're going to another hospital, you should make a nurse into your fuck toy.

And after all that, he didn't find anything wrong.

Hypothetically thinking is one of my most important skills as a businessman.

Back in high school, she was chosen for the Miss Japan semi-finals. Afterwards she went to medical school. As it were, she is a woman of beauty and intelligence.

Her name is Emiru Kuresawa, age 28. On top of being a beautiful, she's a huge titted doctor. She's even famous for having performed on television.

No I'm not!

You're a bit of a stalker.

After high school I gained a tendency to check for her in magazines and television programs.

So the reason you came here is to get therapy and counselling.

I'm glad you like it.

On top of that it's got a very relaxed atmosphere.

From the reception desk to here I didn't see one other patient. You must really care a lot about our privacy.

This is a splendid clinic.

It's a shame the human brain can't do two things at the same time.

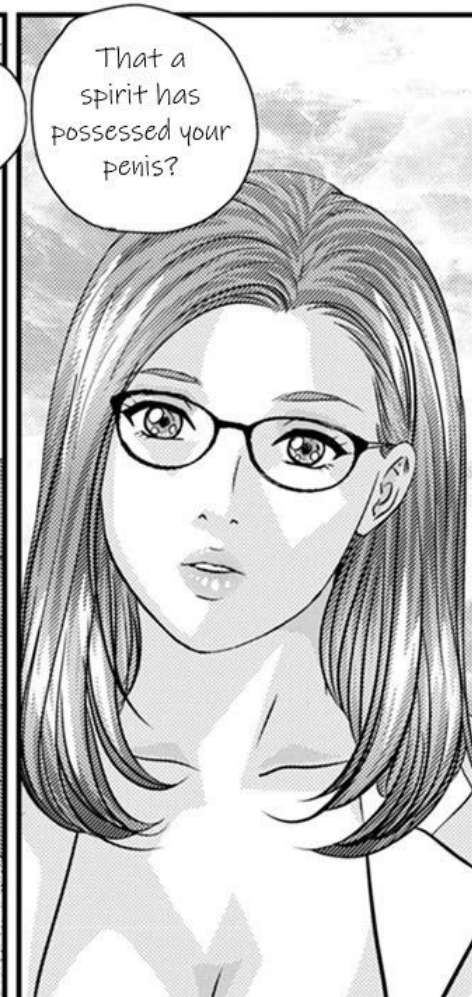

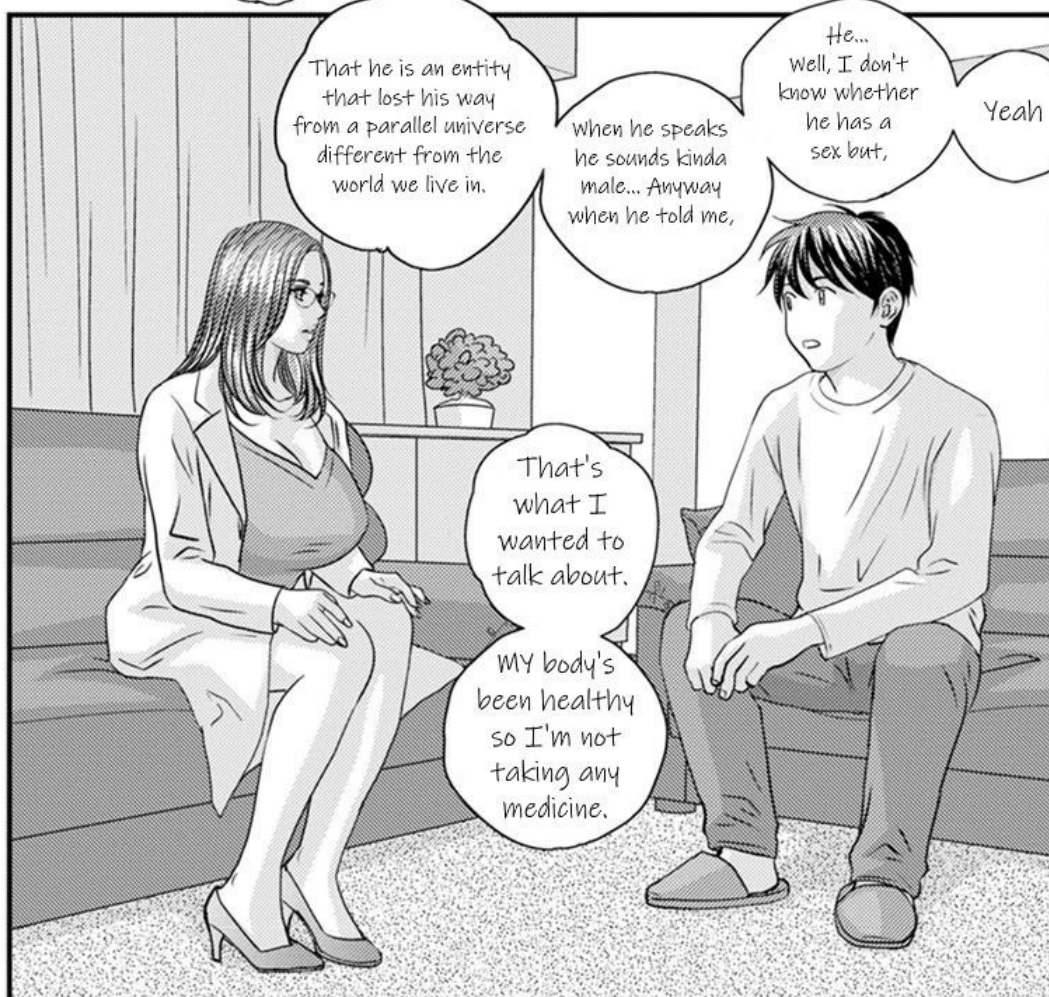

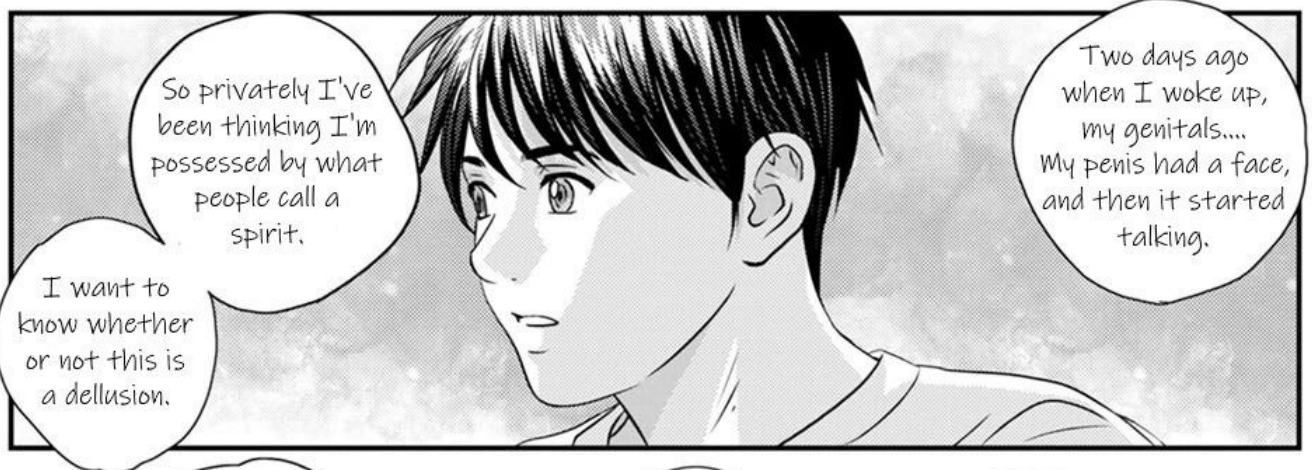

Hey! Quit talking to me! I'll mess up the conversation.

Do you feel sexual desire for this woman?

Would you elaborate on this?

Your questionnaire says that you had an audio-visual hallucination.

Rihito Kouda, age 26, corporate employee...

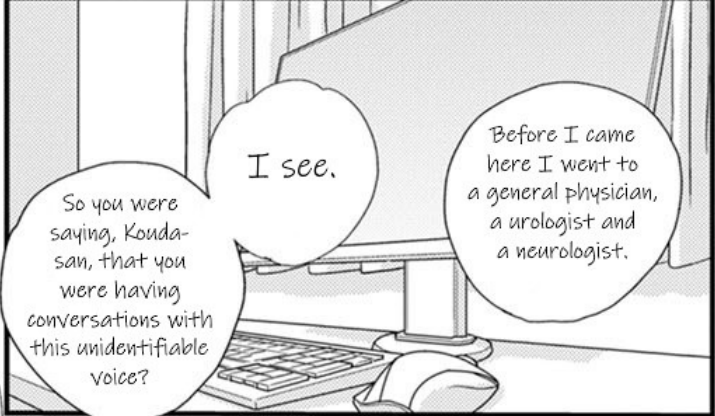

Does it criticize you or tell you to do anything?

Yes.

And also, can you hear it clearly?

I hear it very clearly.

I see.

So you were saying, Kouda-san, that you were having conversations with this unidentifiable voice?

Before I came here I went to a general physician, a urologist and a neurologist.

How much do you hear the voice?

Yes.

Let's go back to where you said,

Your genitals had a face and were talking to you.

I see.

No, I've slept just fine.

Is he manipulating you?

Are you worried and feel unable to sleep?

Yes, he temporarily manipulated me.

Although not all the time. It seems other people would see just an ordinary penis.

He messed with my sense of vision, and just like that it looked like my genitals had a face.

It causes women to be drawn to me.

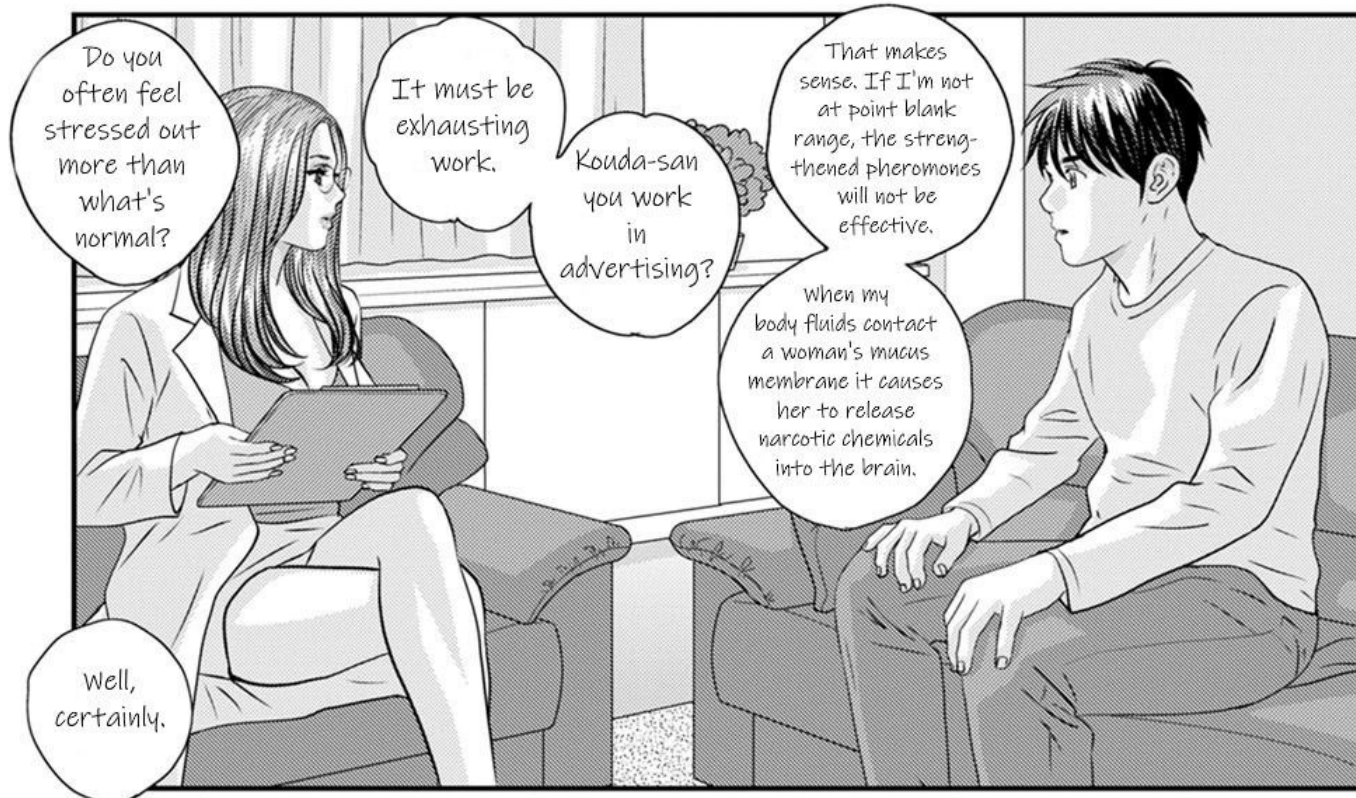

That said, it's like a strong love potion.

It's like magic you say?

For that reason he uses a certain secret magic power.

And secondly,

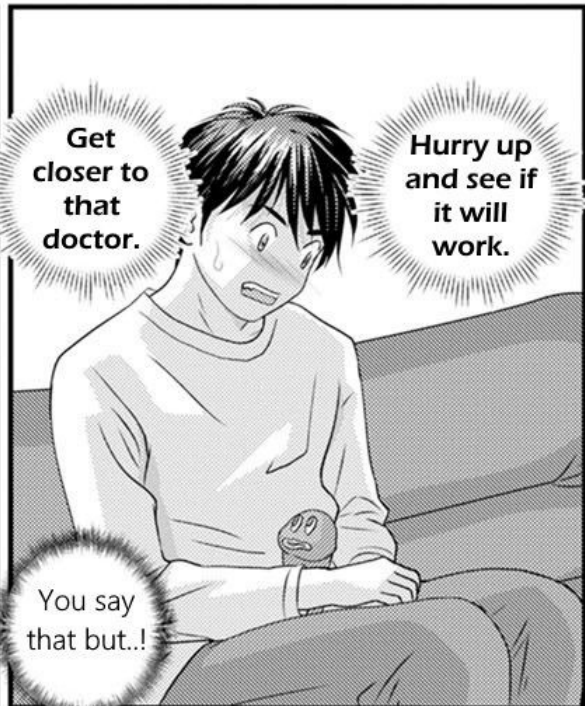

Because he is eager to feel sexual pleasure, he stirs up waves of emotions.

Exposing your
genitals in public,
exhibitionism, is
a disorder...
A sickness.

Hmm...?

Get
closer to
that
doctor.

Hurry up
and see if
it will
work.

You say
that but..!

Doctor,
you're very
calm about
this.

You're wrong!
He's the one
who's---

The origin
is an antisocial
personality
disorder.

It comes
out when stress
accumulates.

It is said
that exposing
your genitals is a
way of validating
your manliness.

One theory
is that you feel
castrated or
sexually
impotent.

You're too
far away.

Hey, it
isn't affecting
her!

Get
closer.

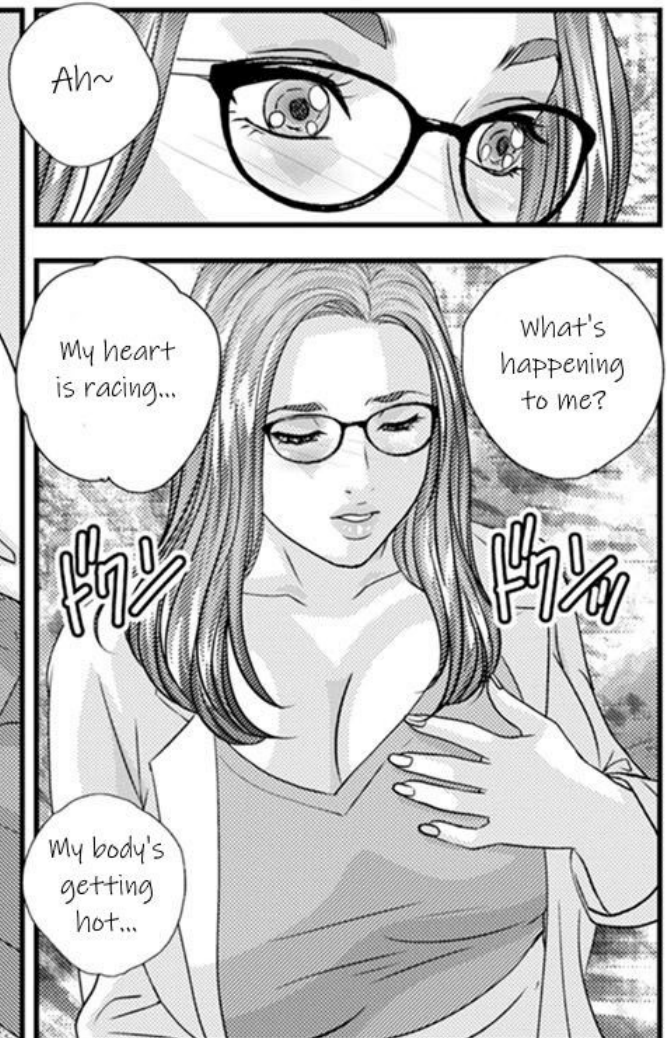

They were always
delighted when they
could harass and
embarrass the
women.

Can you
put that
away now?

Sometimes
I am.

I learned how
to be calm about
it when from when I
was on TV.
Those men were
always harsh and
inappropriate...

Like a genuine medical procedure.

Shall we continue the examination?

Uh...

Ummm... Well if we do the exam,

We won't have to bother the police.

A normal psychiatrist is only supposed to take your medical history but...

An examination?

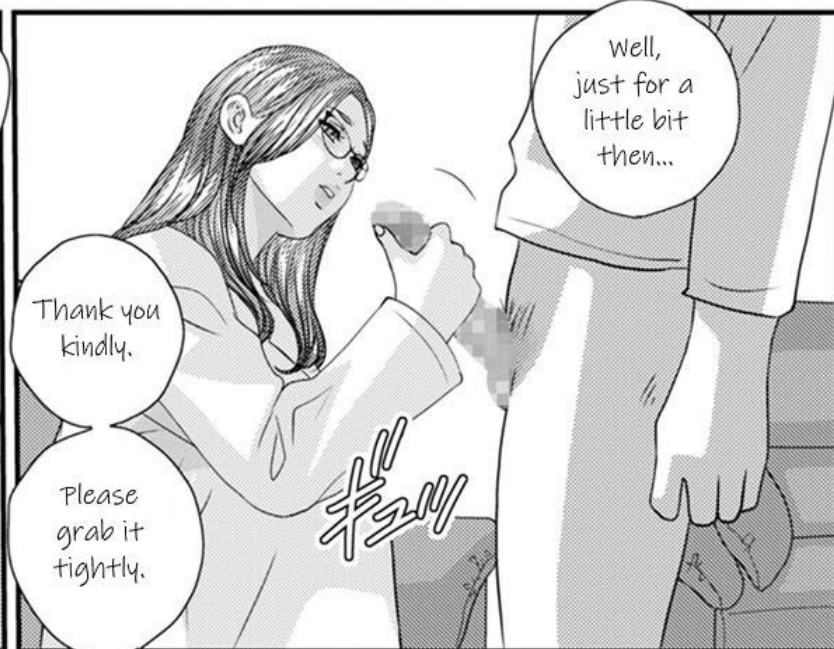

Yes, that's right.

It's so big... and so hot...

Aahh~

Doctor, having your long white fingers wrapped around my penis is very exciting.

Well, just for a little bit then...

Thank you kindly.

Please grab it tightly.

It's surprising,

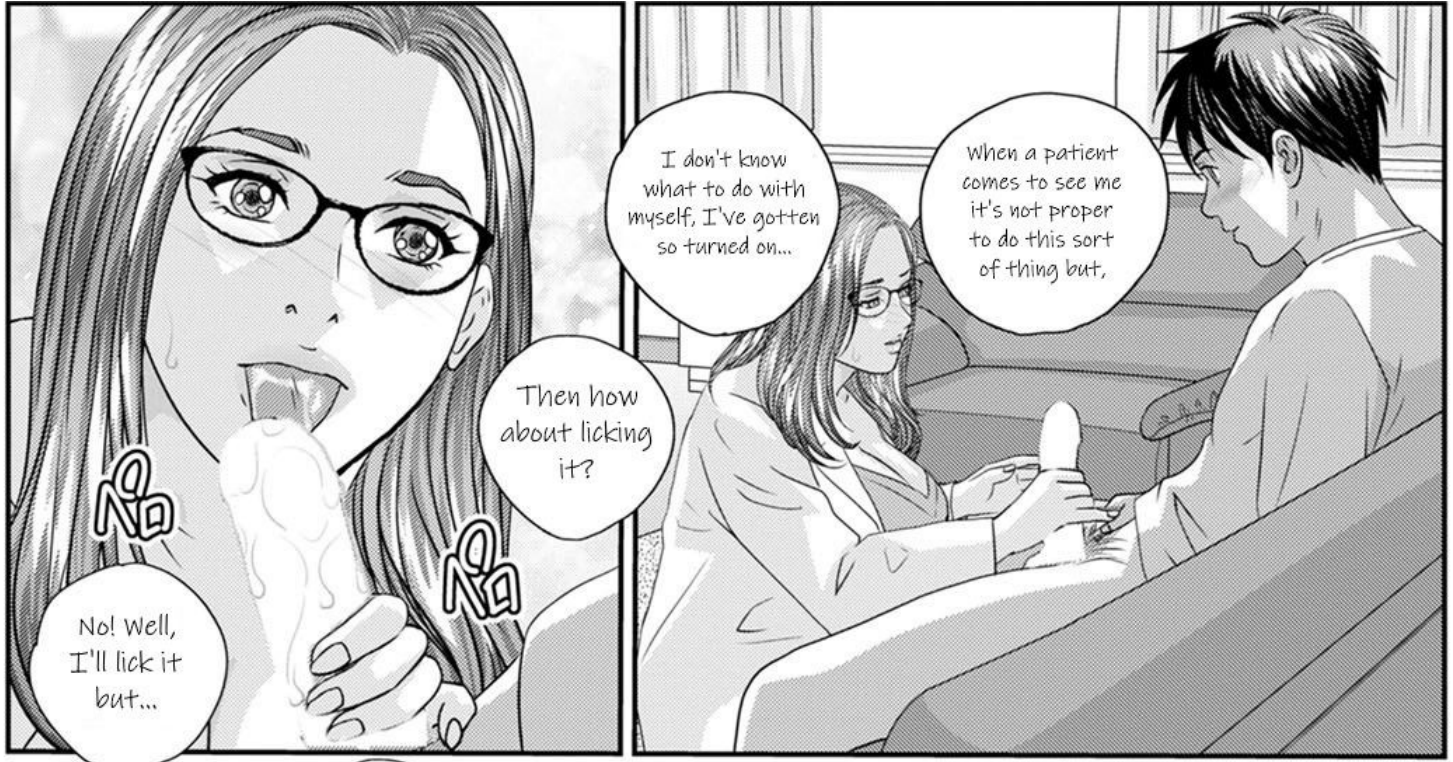

How strongly attracted I've become...

That's a lubricant. Would you rub it around the tip for me?

A clear white fluid is coming out of the tip.

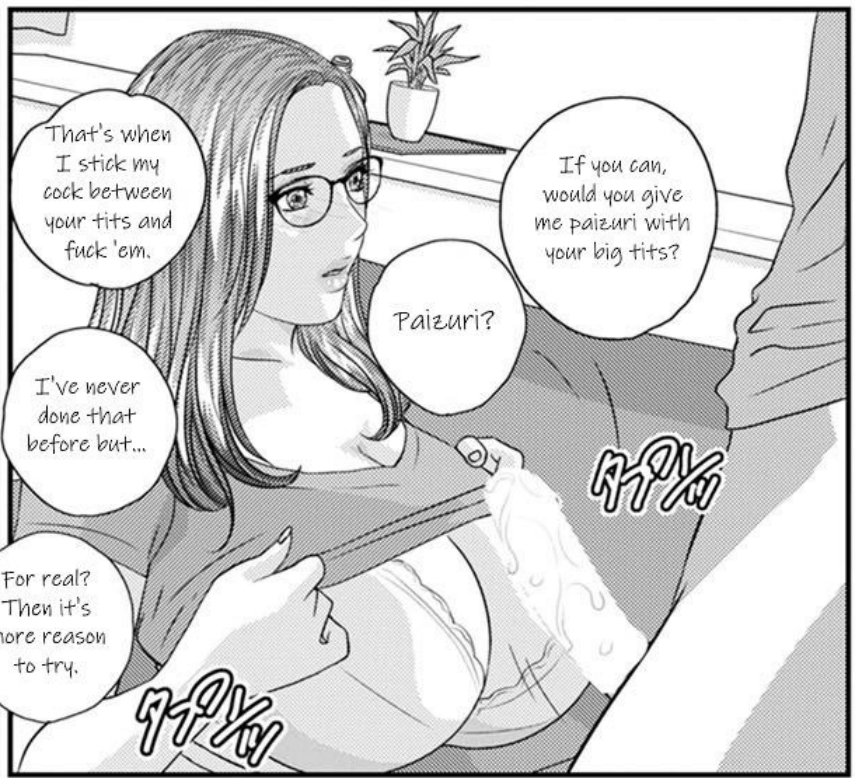

It excites me, too...

You really have a fetish for big tits.

Okay, I accept your challenge.

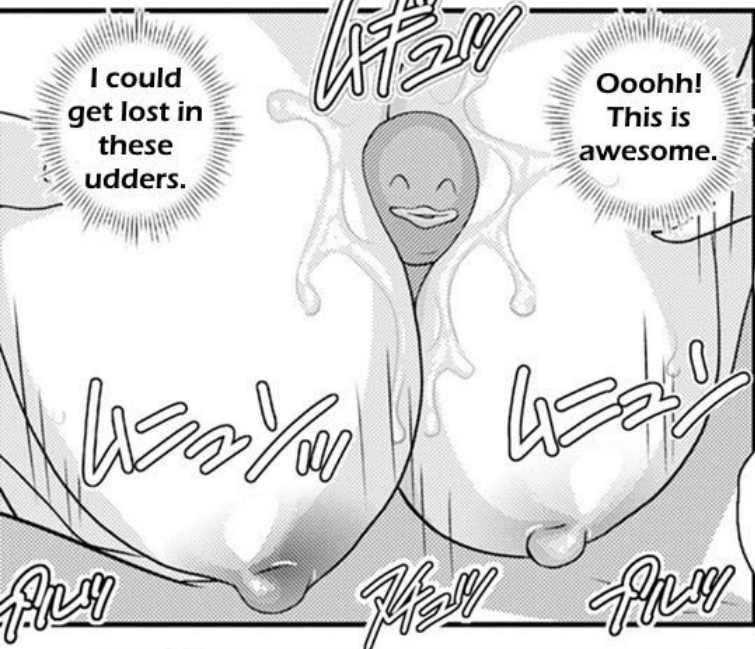

That's when I stick my cock between your tits and fuck 'em.

I've never done that before but...

For real? Then it's more reason to try.

Paizuri?

If you can, would you give me paizuri with your big tits?

I could get lost in these udders.

Ooohh! This is awesome.

Well, psychologically speaking,

Men who like big tits are like spoiled children and day-dreamers, and they have a strong tendency to want social validation.

Isn't it male nature to prefer women with voluptuous breasts?

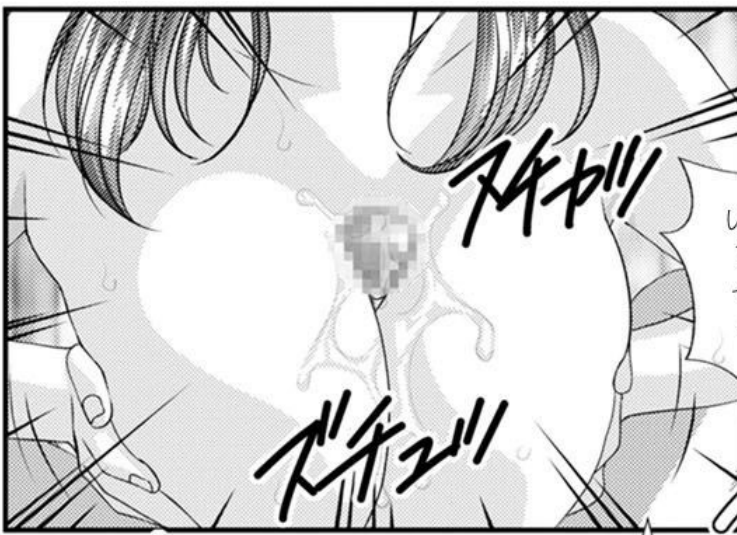

Then, shall I make you love it more?

Oh, is that right?

giggles So my tits feel good, do they?

Yes. My dick is loving your treatment.

I feel biologically charmed by you, doctor.

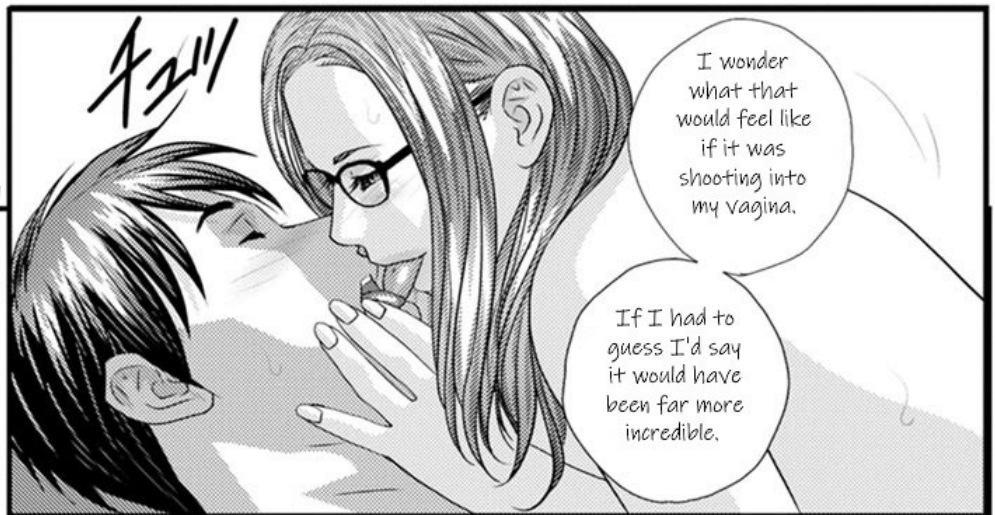

Really?
Incredible,
if I say so
myself.

I don't think
I've ever seen
it fly that far
even in
highschool.

Thanks to
me, all male
sexual functions
are enhanced.

I've
never seen
that
before.

Hey, did
that hit the
ceiling just
now?

I wonder
what that
would feel like
if it was

If I had to
guess I'd say
it would have
been far more
incredible.

PRIDE AND PREJUDICE

I can't believe it's my first day back to work in a week.

I've got a bad feeling that my section chief is gonna chew me out.

In the business world of advertising, Angel Ad Agency ranked 3rd behind Thunder Traffic and Mythical Phoenix Public.

From TV, newspapers, magazines, ads in public trains, to the internet, there was no media of advertising I missed at all.

Our enterprise includes supplying marketing solutions, proposals for new ads and promotion territory, content planning, production, import and export, and sales marketing.

But there are just some things you don't get about life yet.

Right. No one else can see you...

No need for alarm. What you see is an illusion.

I don't desire a life where my dick keeps sticking out its head!!

...yeah...

Hey! How did you get there?

Oh, so this is where you come do manual labor?

If this is all you desire out of life, fine with me.

Thanks to you, I've become a lot more self-confident.

Until recently my lovelife had been a disaster.

True.

You ought to appreciate my existence more.

Because of me you can make any woman you like into your toy.

So I'll just leave this with the receptionist.

Right. If everyone at the office is busy eating this, I'll buy time...

And that's why I have this secret weapon.

I'm thinking about trying a more aggressive attack from now on.

Saving face at work, eh?

That's the souvenir you got in France!

It's my job here to assist each creative projects' various questions from the viewpoint of management and legal marketing.

The branch office I was at praised my performance. After half a year, I was reassigned to the home office. I was the VP's top pick for a job in admin. planning.

Having an overseas vacation during our busy season might have been good for yourself,

As you can see, the chief finds my very existence an eyesore.

But if you don't start to realize that you're just an employee,

I will royally fuck you.

Don't you think this will cause people to start asking questions about you?

No. The VP wants you in his office.

So then, should I go get started?

Thanks to you, I feel refreshed and ready to put that energy to work.

Chief, I'm very grateful for the time off you gave me.

I don't know about that, but... I'll go see the VP now then...

※この作品はフィクションです。実在の人物・団体、その他とは一切関係ありません。

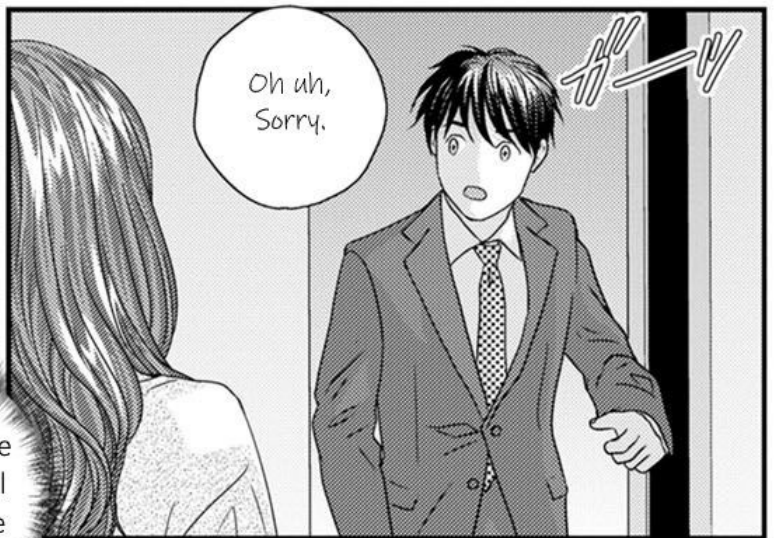

Yeah,
okay.

Ritsuka
Suzumine, the
VP's personal
secretary, the
Ice Queen.

I'm going
to the vice
president's
floor.

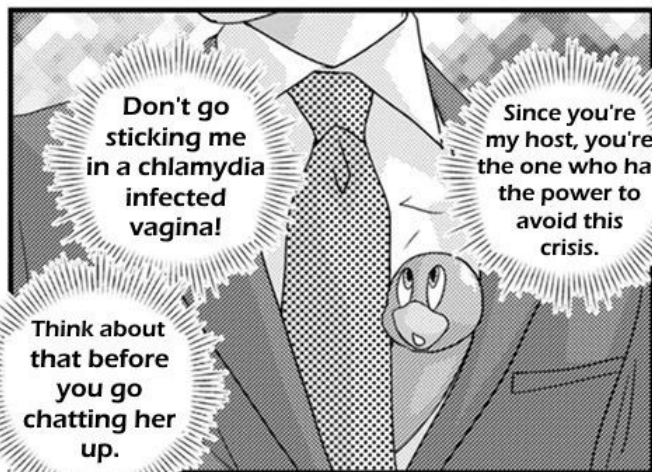

Wait!!
Hold the
door!!

Oh uh,
Sorry.

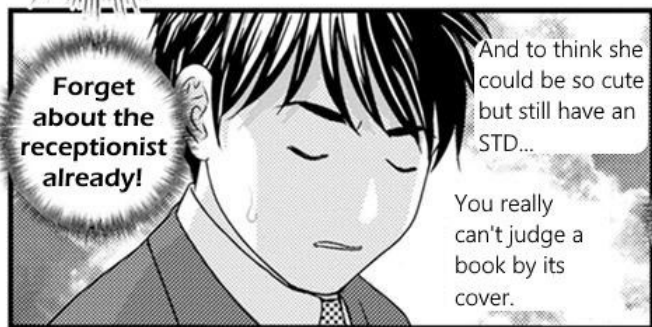

Don't go sticking me in a chlamydia infected vagina!

Since you're my host, you're the one who has the power to avoid this crisis.

Think about that before you go chatting her up.

Forget about the receptionist already!

And to think she could be so cute but still have an STD...

You really can't judge a book by its cover.

Hey, unlike the receptionist this girl smells good.

It was like I could smell a rotten fish from between the receptionist's thighs.

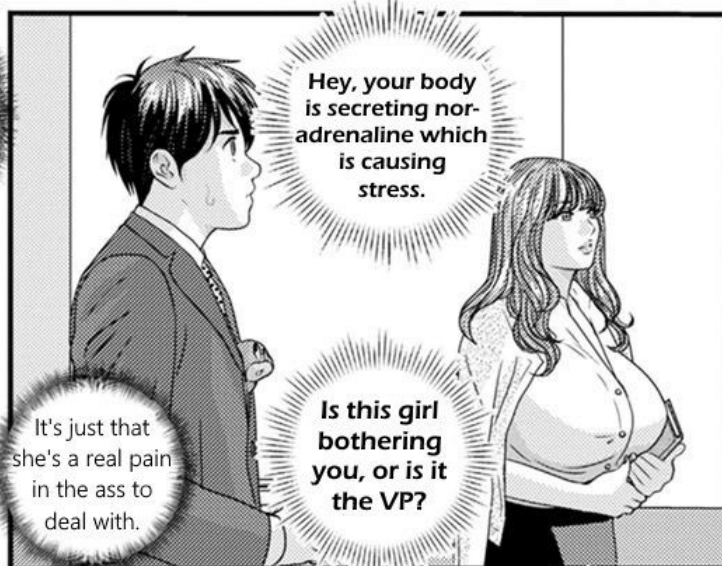

Then you can just make a miracle like usual.

We were hired the same time, but she won't even look me in the eyes when we pass in the hall.

I knew that she didn't care about me at all, but I still kept on thinking that I wanted to get to know her.

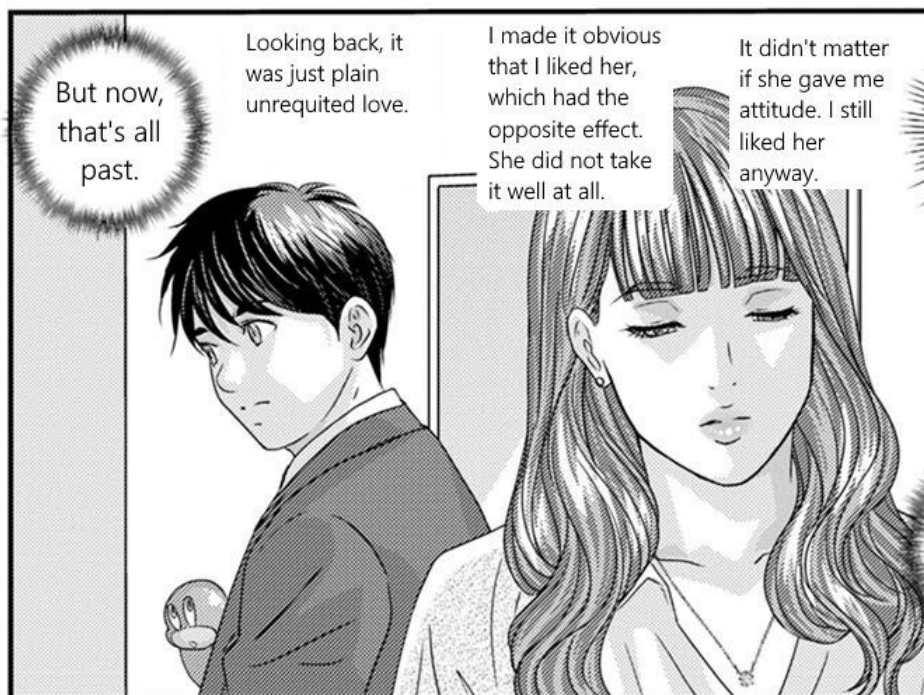

She doesn't think we're on the same level at all.

Hey, your body is secreting nor-adrenaline which is causing stress.

It's just that she's a real pain in the ass to deal with.

Is this girl bothering you, or is it the VP?

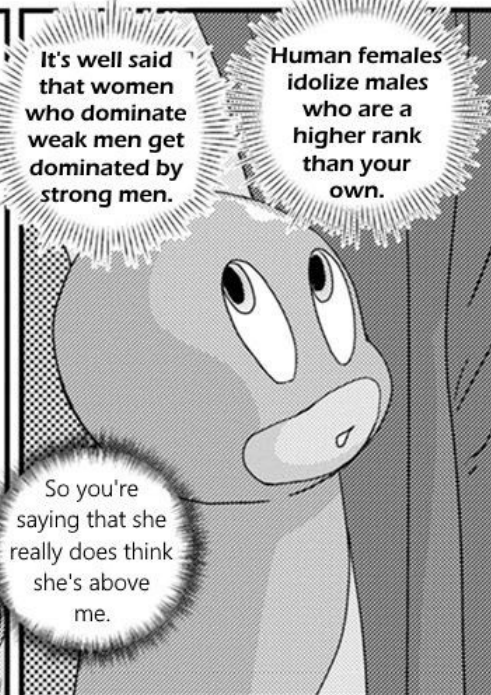

But now, that's all past.

Looking back, it was just plain unrequited love.

I made it obvious that I liked her, which had the opposite effect. She did not take it well at all.

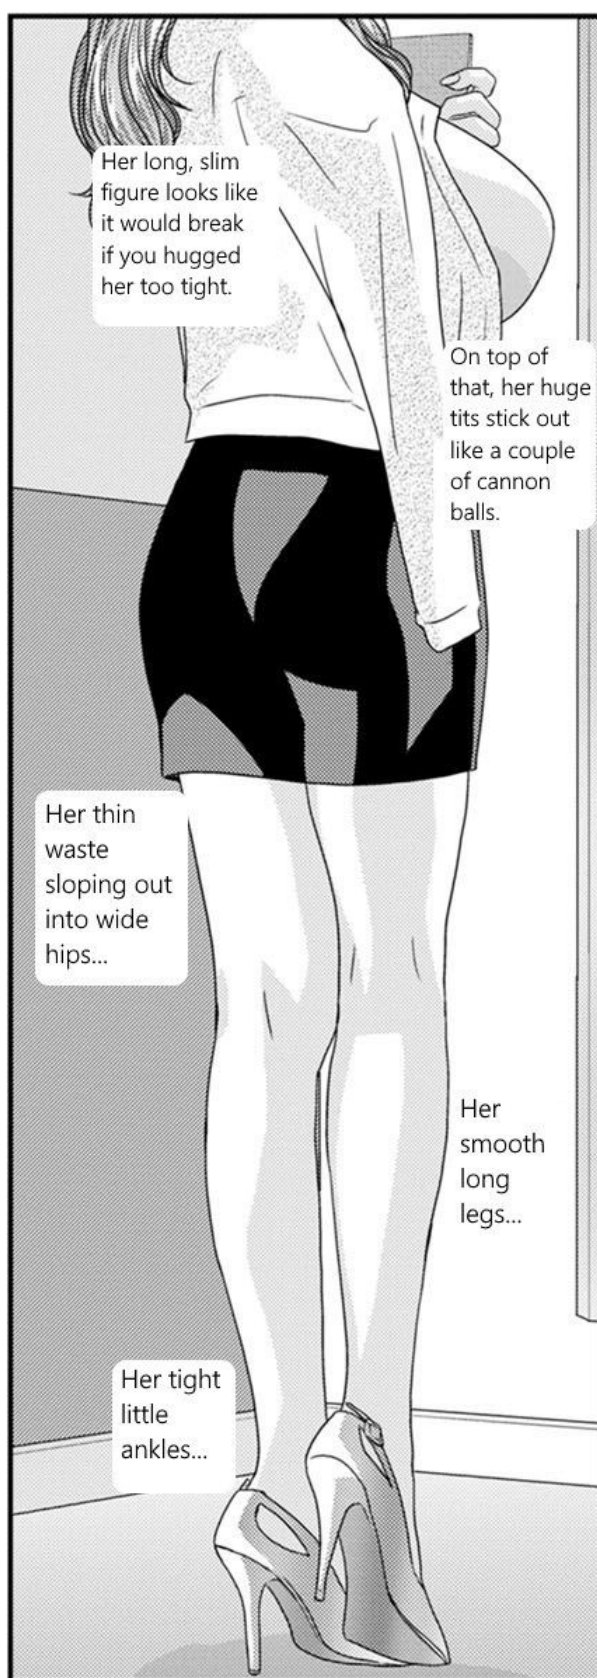

It didn't matter if she gave me attitude. I still liked her anyway.

It's well said that women who dominate weak men get dominated by strong men.

Human females idolize males who are a higher rank than your own.

So you're saying that she really does think she's above me.

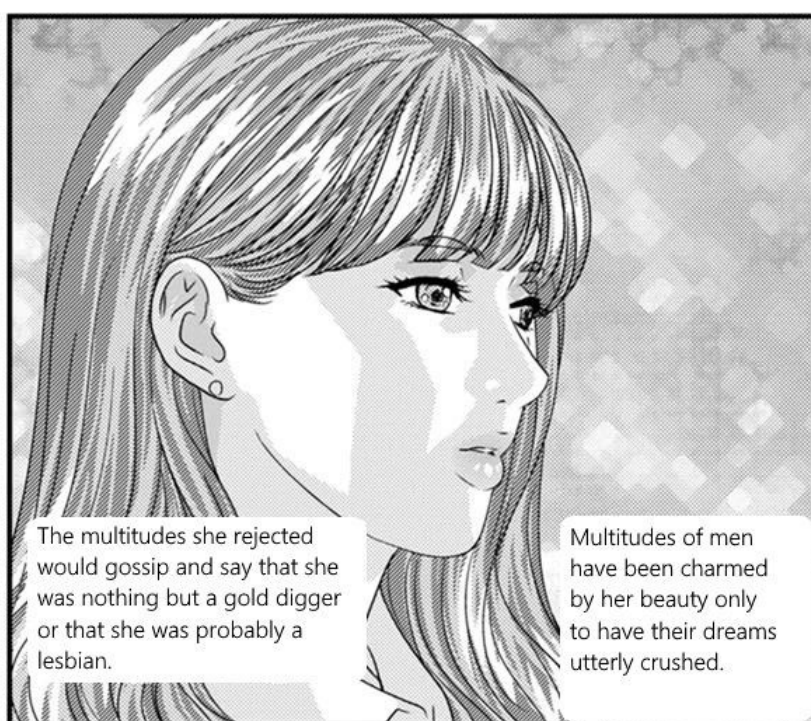

Her long, slim figure looks like it would break if you hugged her too tight.

On top of that, her huge tits stick out like a couple of cannon balls.

Her thin waste sloping out into wide hips...

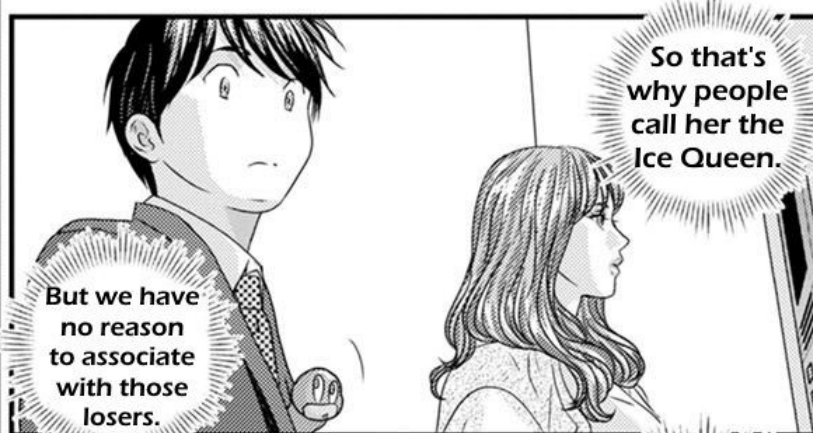

Her smooth long legs...

Her tight little ankles...

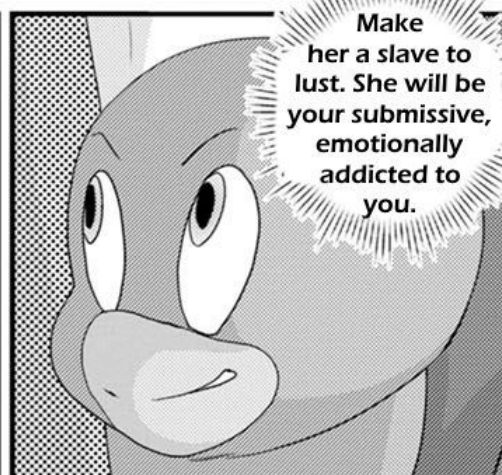

The multitudes she rejected would gossip and say that she was nothing but a gold digger or that she was probably a lesbian.

Multitudes of men have been charmed by her beauty only to have their dreams utterly crushed.

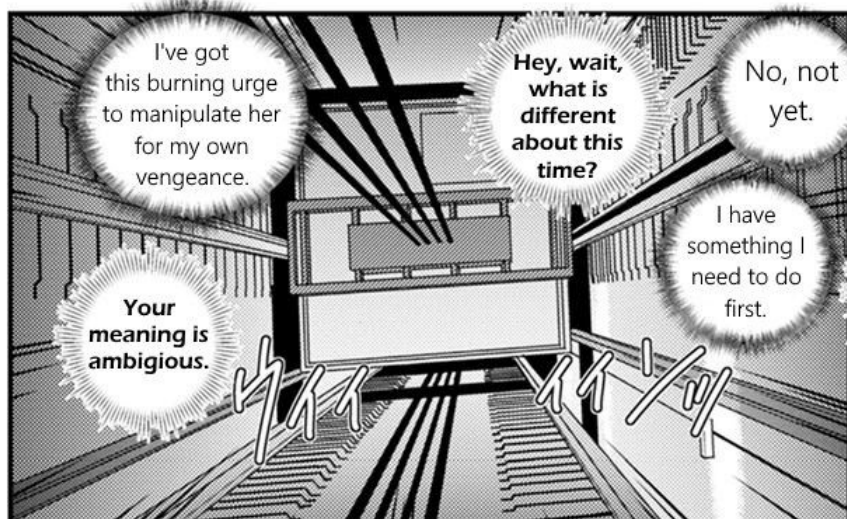

But we have no reason to associate with those losers.

So that's why people call her the Ice Queen.

Make her a slave to lust. She will be your submissive, emotionally addicted to you.

I've got this burning urge to manipulate her for my own vengeance.

Hey, wait, what is different about this time?

No, not yet.

I have something I need to do first.

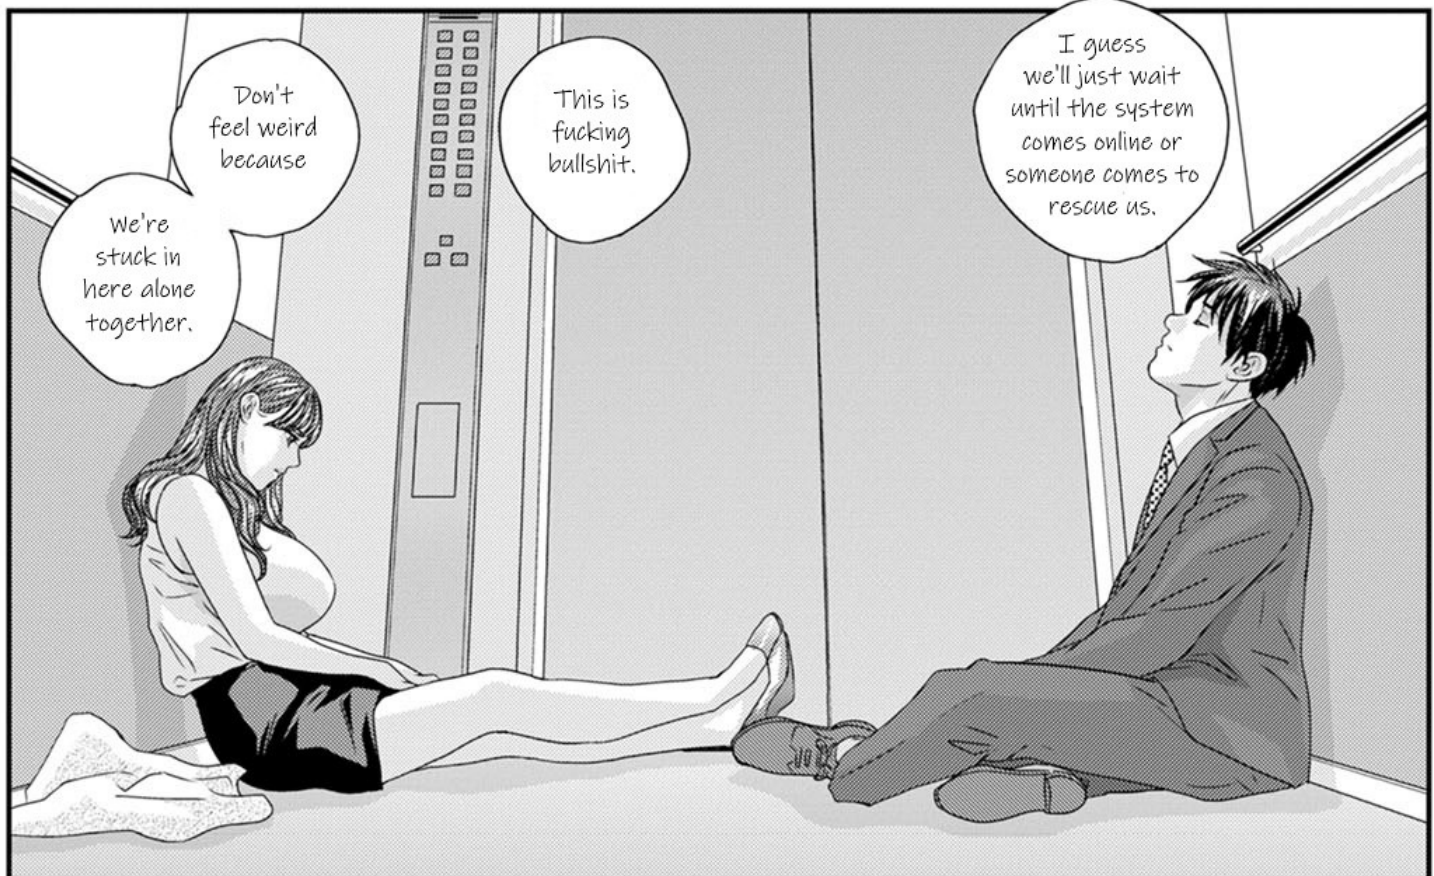

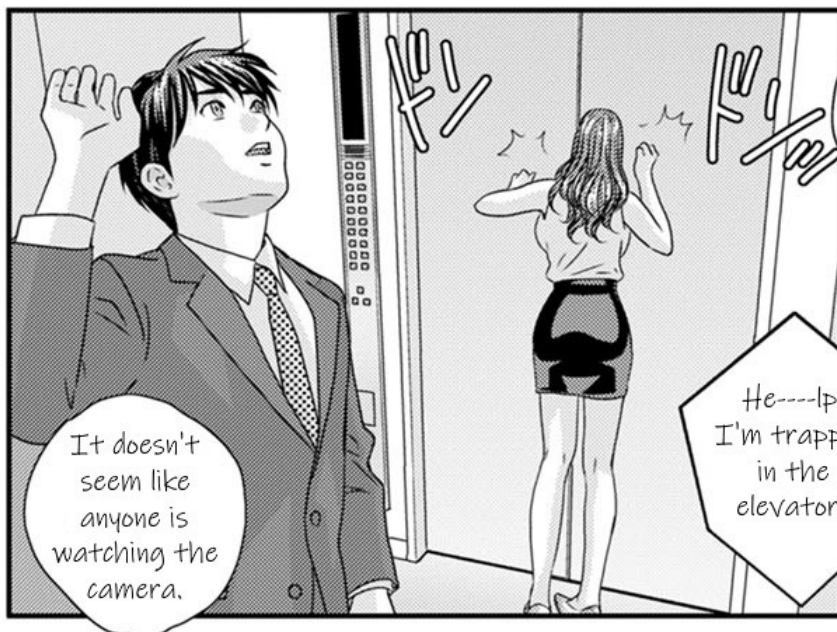

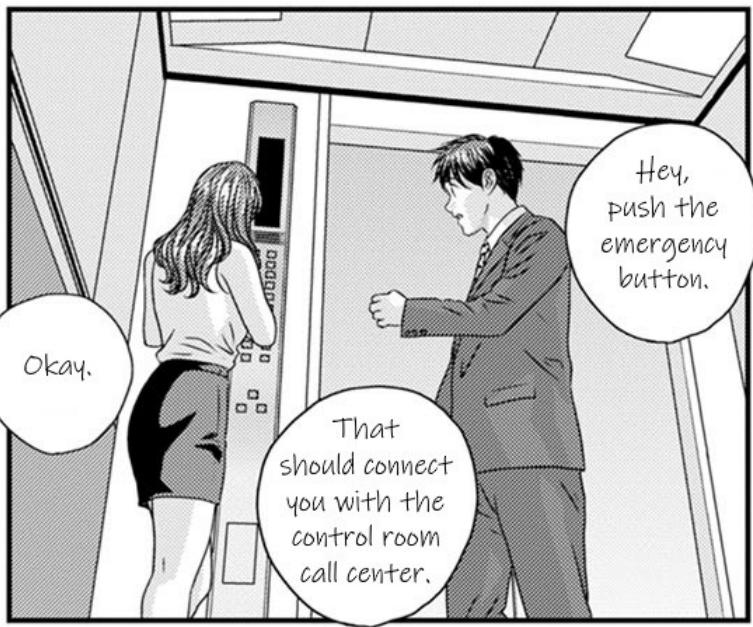

Your meaning is ambiguous.

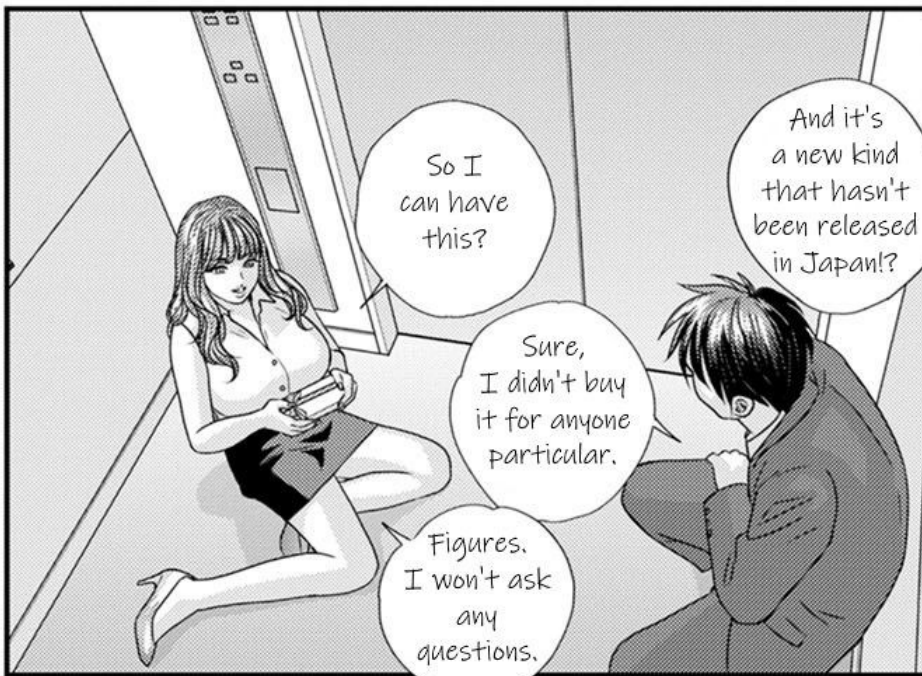

Well, I definitely don't want to look like a big baby in front of her.

So it's my turn?!

Seeing her let down her guard was definitely worth it.

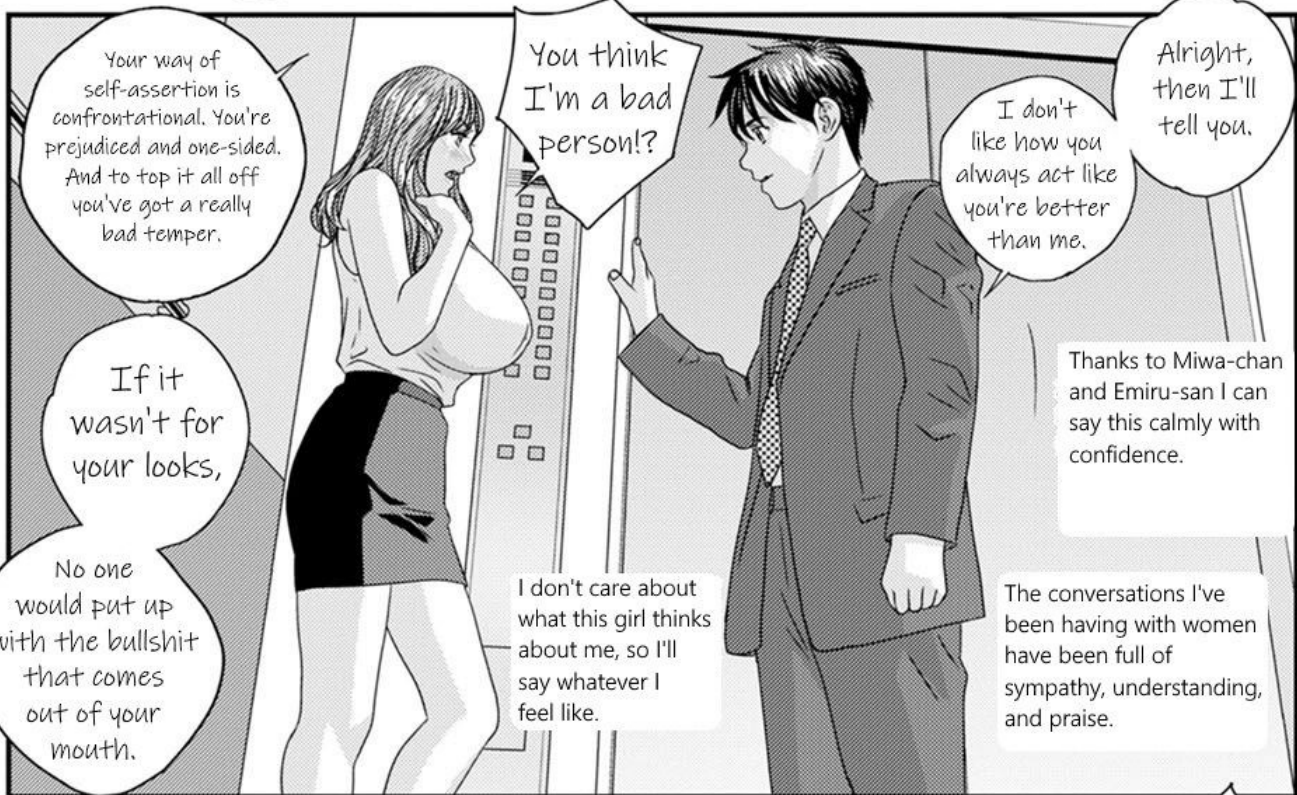

What's that look on your face? What are you thinking?

If you've got something to say then spit it out already!

That's why I don't let my guard down with anyone.

I've been fed-up with men trying to hit on me.

Your way of self-assertion is confrontational. You're prejudiced and one-sided. And to top it all off you've got a really bad temper.

If it wasn't for your looks,

No one would put up with the bullshit that comes out of your mouth.

You think I'm a bad person!?

I don't care about what this girl thinks about me, so I'll say whatever I feel like.

I don't like how you always act like you're better than me.

Alright, then I'll tell you.

Thanks to Miwa-chan and Emiru-san I can say this calmly with confidence.

The conversations I've been having with women have been full of sympathy, understanding, and praise.

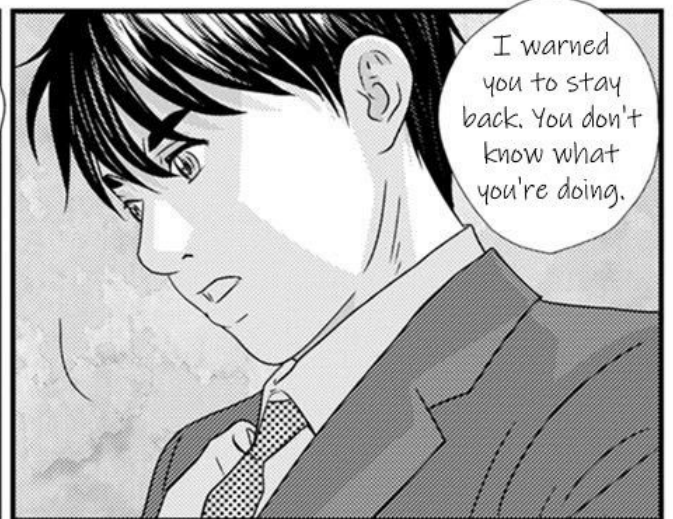

If you smell my pheromones you'll fall in love with me.

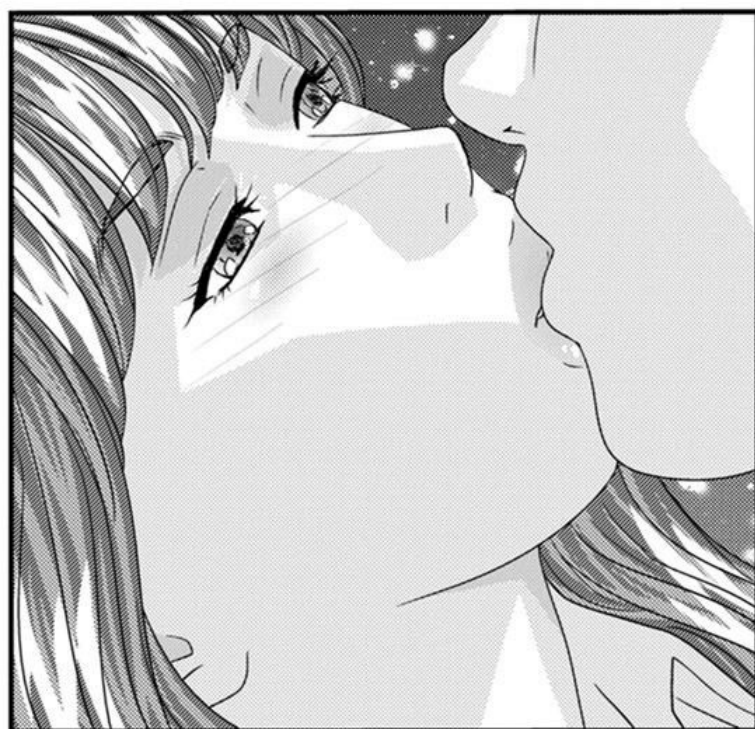

Huh!?

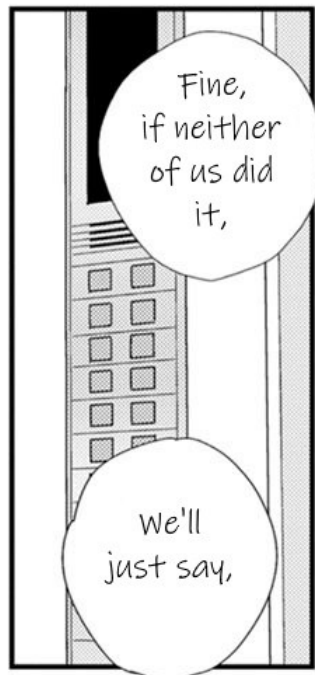

Hey, back away from me!

You don't know a fucking thing about me!!

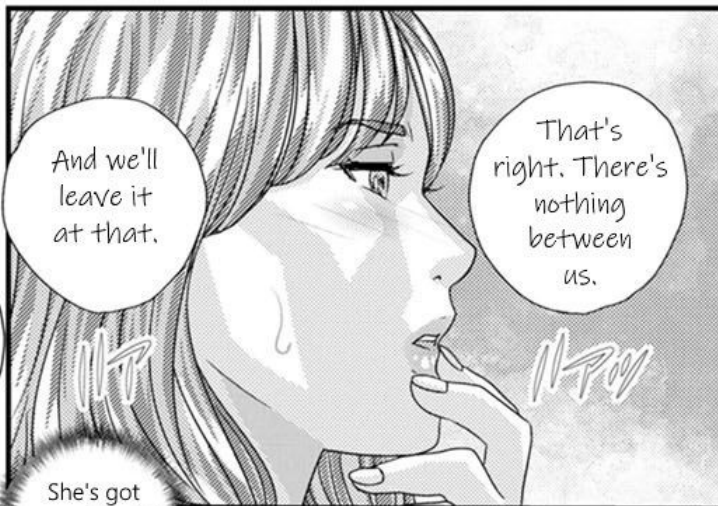

Oh, God!
I'm going
crazy!!!

Holy
crap!
☆

And we'll
leave it
at that.

That's
right. There's
nothing
between
us.

She's got
a considerably
strong will.

The
aphrodisiac
in your
saliva will
turn her
around.

This is
all your
fault...

Mmm~

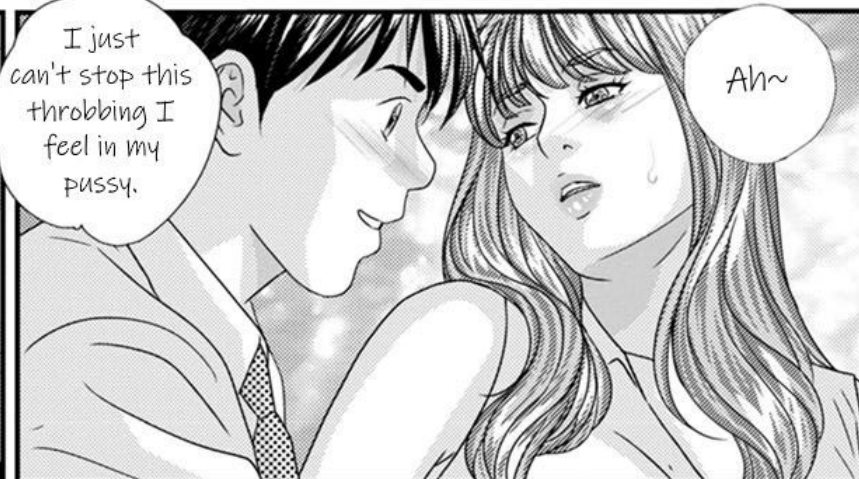

I'm not
the kind of
woman who
does this.

Yes, I know.

Ohh~ what's
happening
to me?

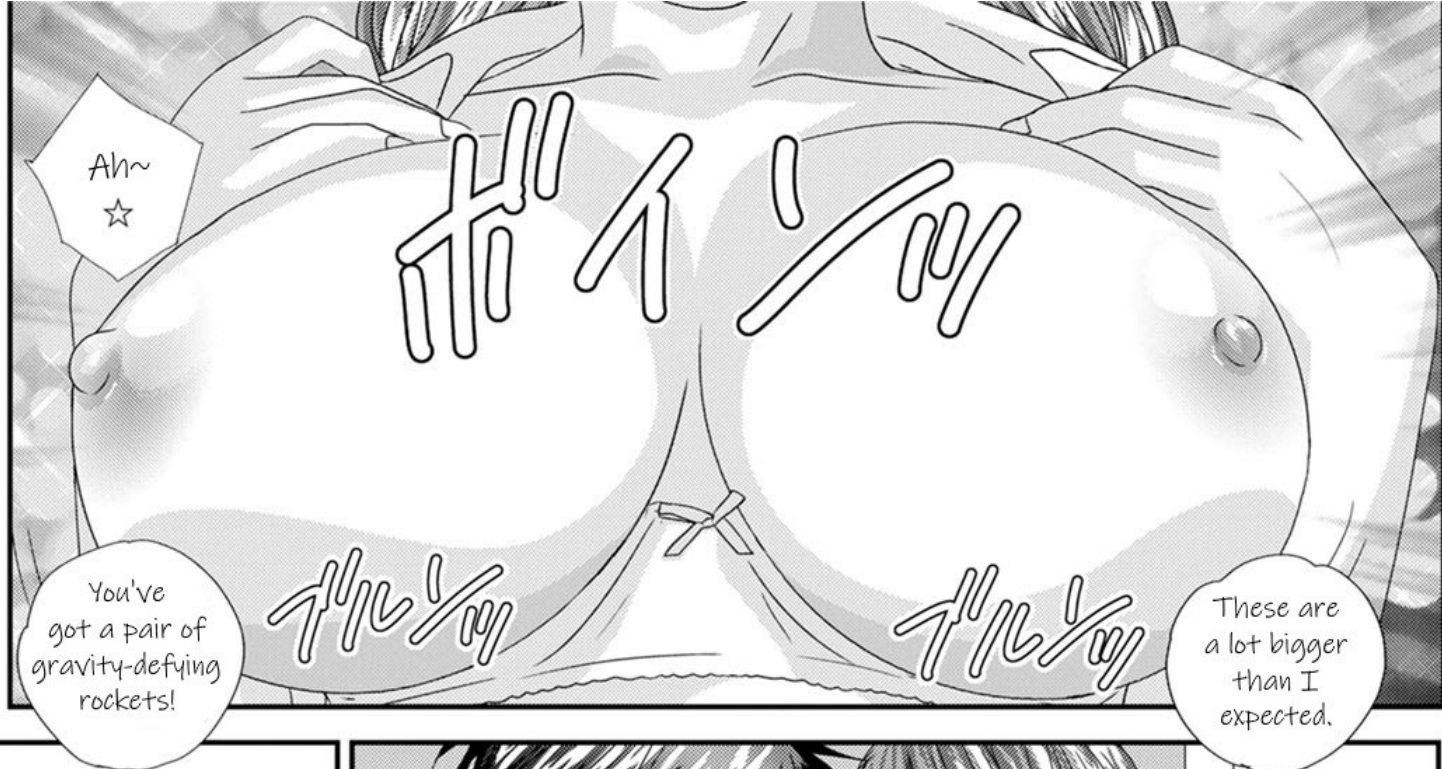

It's like
I've been
dominated by
your cock.

I just
can't stop this
throbbing I
feel in my
pussy.

Ah~

Ah~
☆

You've
got a pair of
gravity-defying
rockets!

These are
a lot bigger
than I
expected.

Your skin
is white like
snow and your
nipples are pink
like cherry
blossoms.

Oh~~

They're
as pert and
cheeky as
your
personality.

So these
are the reasons
you act like
a bitch.

Aah~~

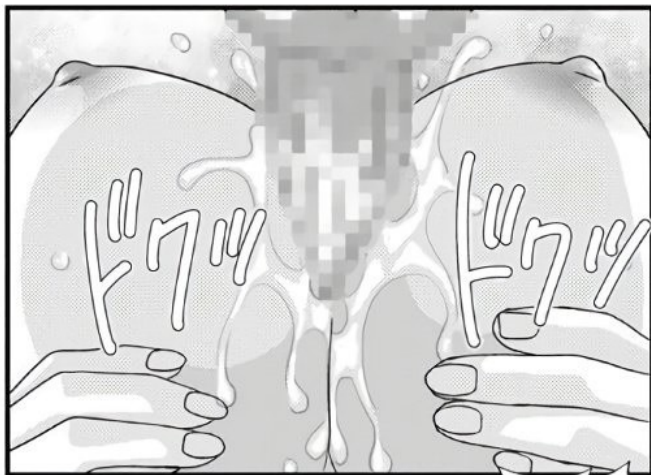

nibbles

Mmmm...
Your tits
smell like
sweet milk.

You can't!!

You aren't used to being honest about your feelings.

Look, I'll prove it to you now.

You want me to bully you more.

No! How can you say that!?

This certainly is a wonderful smell.

Jerk.

Looky here.

Lift up your leg so I can take this stocking off.

Aah~! Now!

You're getting so wet.

Look, I'm rubbing your pussy all over.

And that was only from fingering you...

Look, this is how wet you are.

You're coiling around my finger so tightly.

Jesus fuck.

Aah~! Quit it!

What a gorgeous pussy. ♡

Your labia are small and tight.

Your skin is so snow white that even your pussy has pretty color.

Aah~! God~!

Stop licking me like this! It's filthy!!

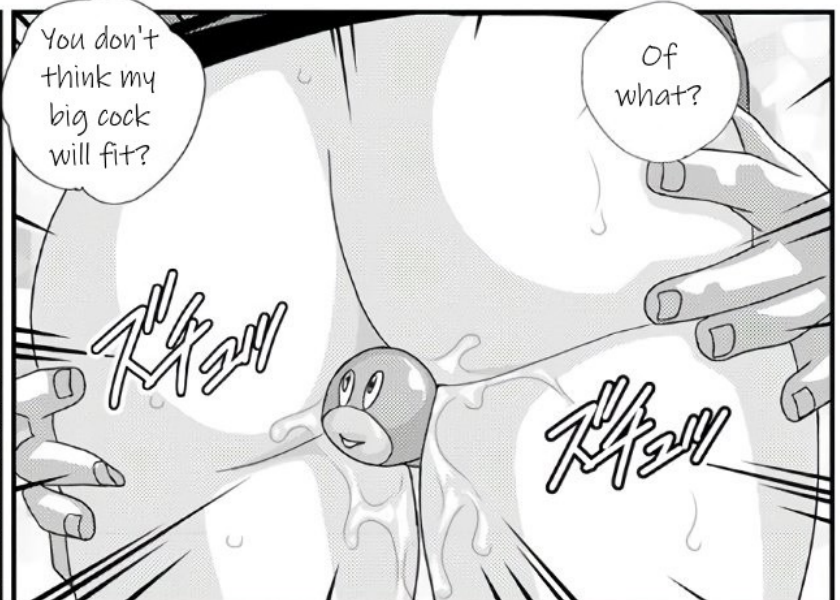

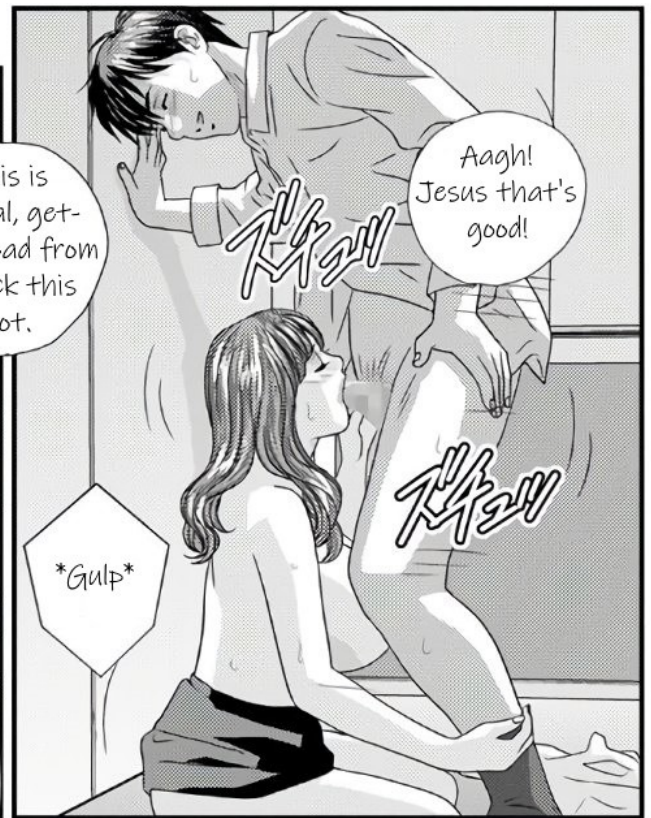

There's nothing filthy about it.

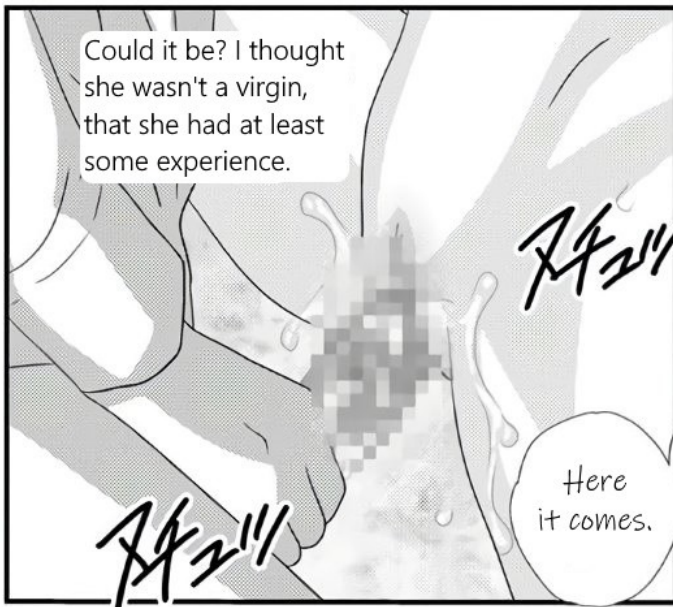

Mmm... You taste great!

Ritsuka, you have a very slutty pussy.

Could it be? I thought she wasn't a virgin, that she had at least some experience.

What was that first reaction about?

None of the boys wanted me for a girlfriend.

When I was in highschool I was fat and unattractive.

You're kidding.

It's true.

Until now I had always taken great measures to guard myself.

That's why there's no need to feel like you need to take responsibility.

I really was never strong, was I?

Somehow I've broken through my issues...

I felt bad that I had become an object of sexual desire.

I began to feel like isolating myself from all of my girlfriends.

As a result I had no friends.

I moved to Tokyo for college and adjusted to the new rhythm of life and learned how to make myself up.

Everything about my appearance and demeanor changed.

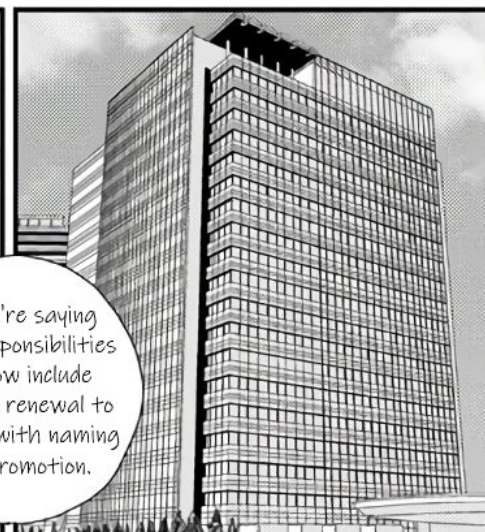

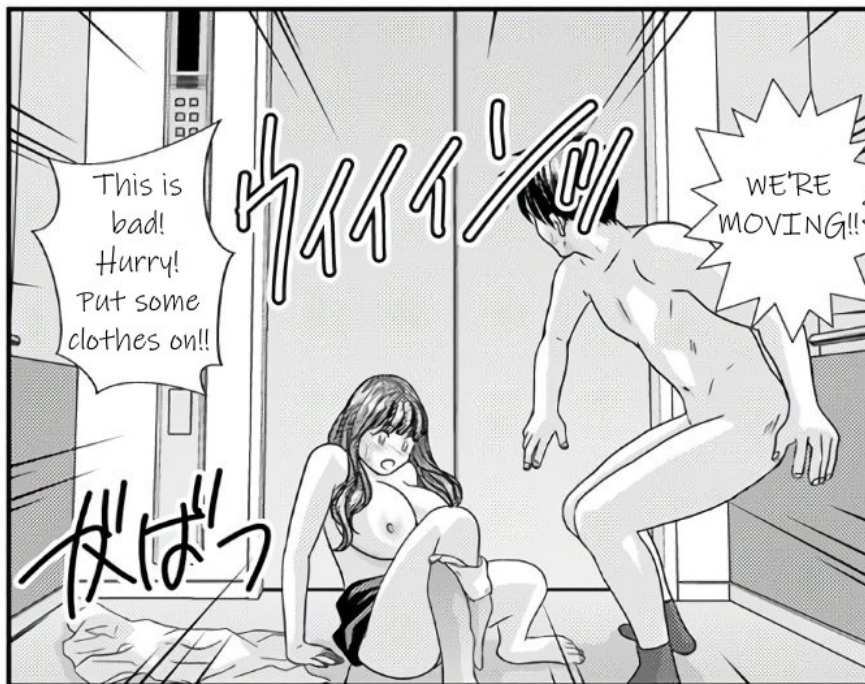

So that's how it was... I feel like I've gotten to know you a little better.

Nothing about me changed on the inside.

You must think I'm a fool.
