I... don't really have any summer vacation plans

What about you, Miko-chan?

Sounds great

I'm going off to summer camp tomorrow

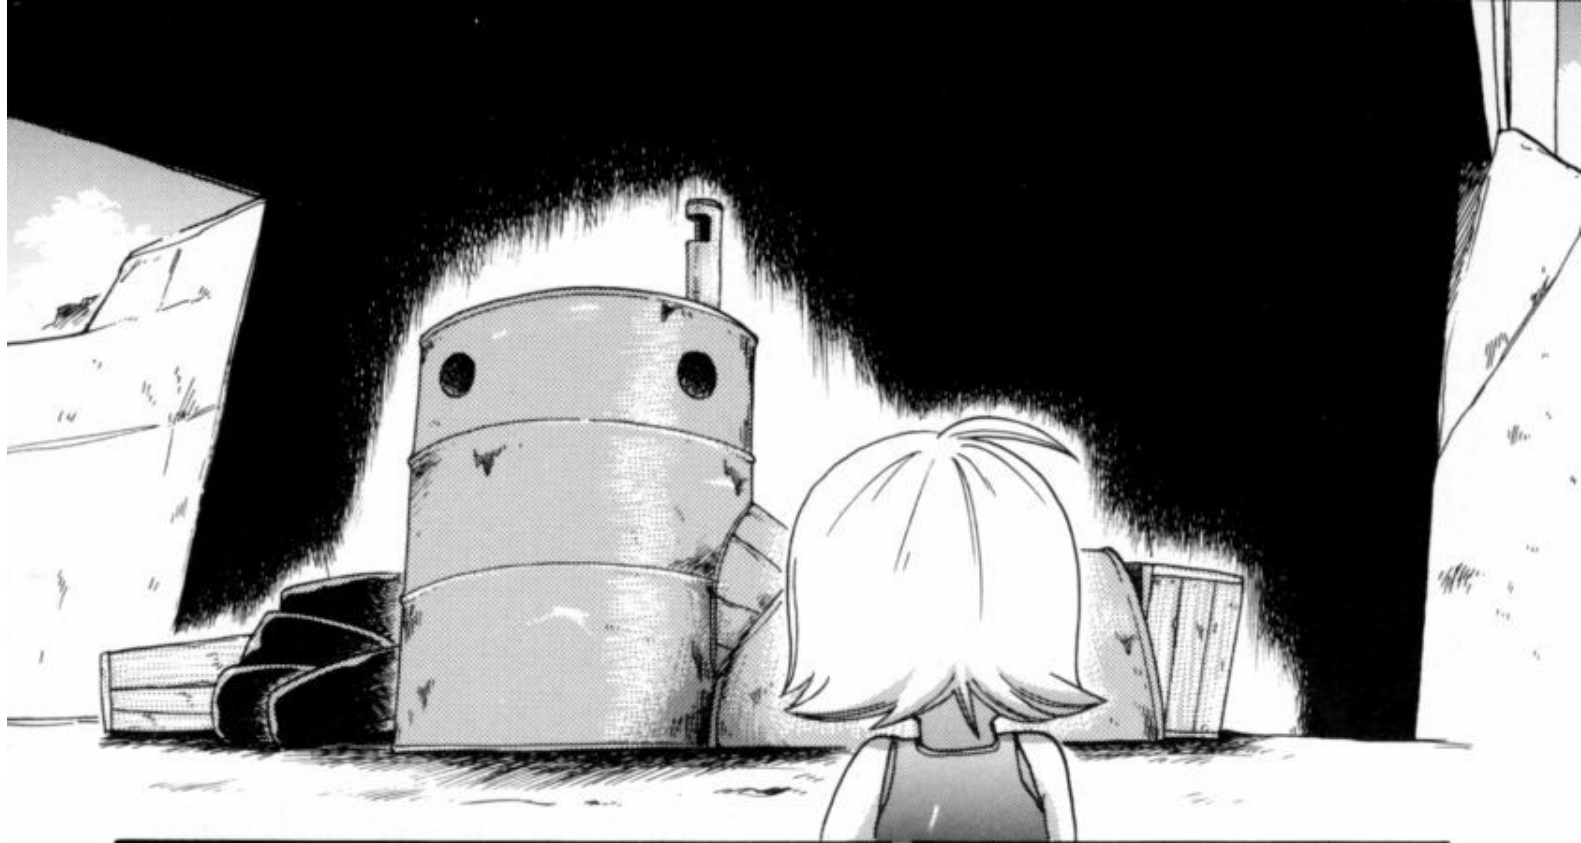

Bye bye!

Yeah! See you!

Promise me we'll play again when I get back next week!

Wh-oops

He was
supposed
to be
keeping
an eye
on me

Big
brother's
stupid
bicycle

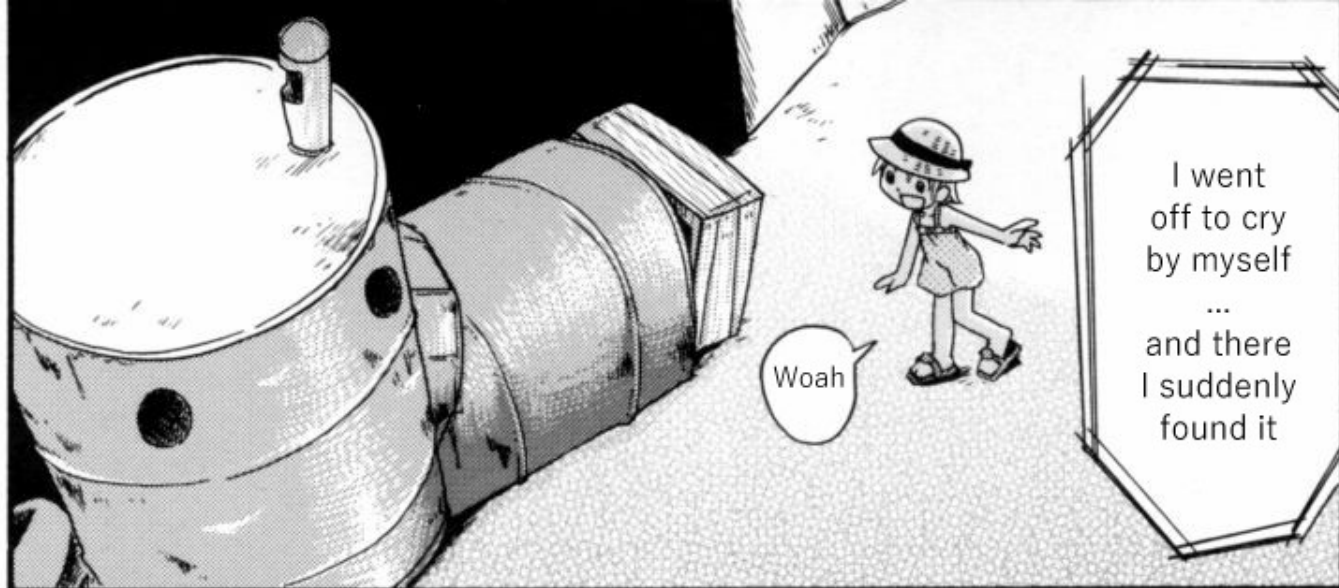

Keep an
eye on my
stuff
Miko-
chan!

That's
right, when
I was much
smaller...
I came to
this beach
before

Hey!
Brother!
BRO-
THER!

Maybe
this is
someone's
home
...!!

Some
one's
coming!
What do
I do?!

ガサ...
すず...

...
and
then

I felt a
person
approach
behind
me...

I held
my
breath
and
didn't
move

eeek

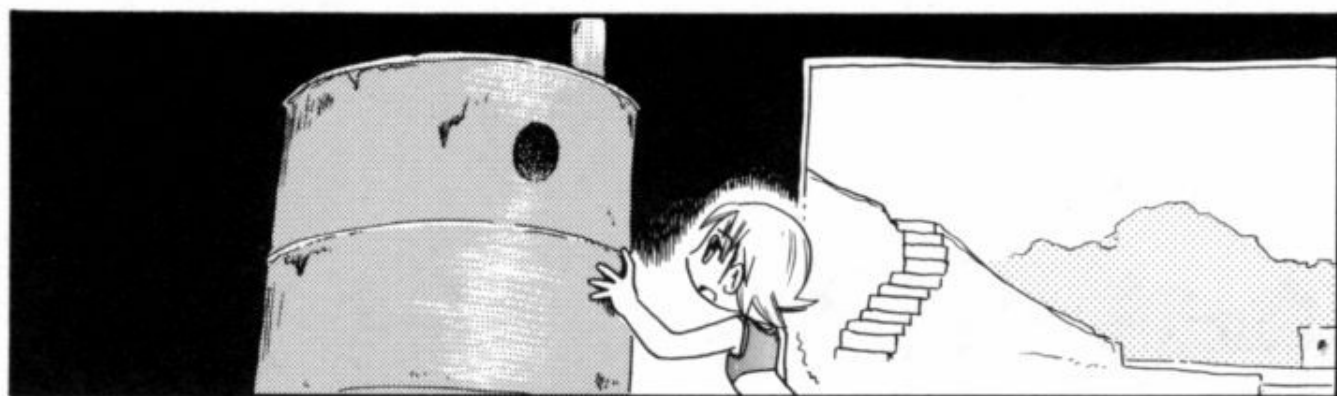

Without speaking, the person began to fondle my body

In the darkness I couldn't see their face.
I didn't know why this was happening... I couldn't move

Haa

Ha

と...と

Ah,
nice body.
You grew
up well like
I thought
you
would

The more
I stroke
you like
this,
the more
you suck
softly

You're white
like milk...

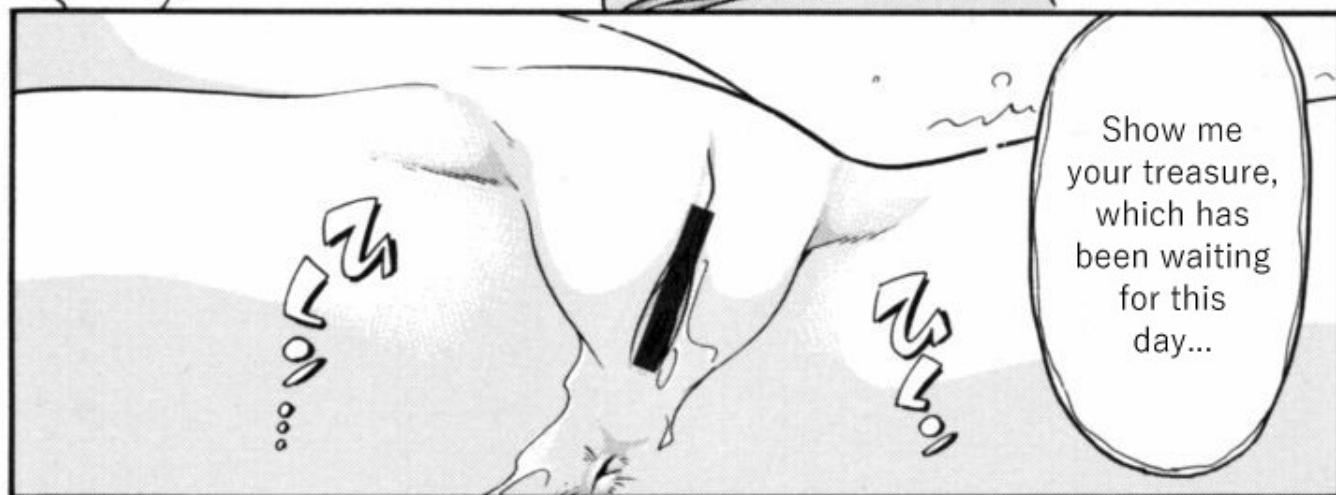

But now,
you are
making a
sweet scent
as well

It
comes
from
here

Nnh..
ah
...

It's
coming
from
here

Ah
...

Ah...ah..ah...

Wrapped in
this nostalgic
fragrance...

I can't
tell how
much time
is passing

My body is
trembling,
pulsating
inside
...
It is
endlessly
repeating...

And I
listen to myself
...
my small ragged
voice, echoing,
echoing in a
rusty iron shack
