You bastards...

Eunhye's Supermarket 01

Even before the entrance ceremony, I had the formula of college life = dating

But on the day of the entrance ceremony, I knew my formula was ruined

I didn't know there were so many guys in science...

There was no way out

But there was one hope in this place...

That hope...

A fresh smile...
The innocence of that sister

The super goddess in front
of the school...

Enthusiasm, who has a pretty
face, cute, and unique,
belonging to all of us

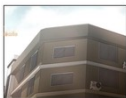

No one has really
talked to her before,
but everyone thinks
the same thing...

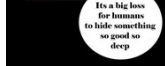

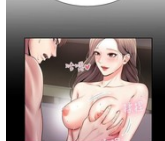

She is the best part of
this supermarket.

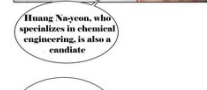

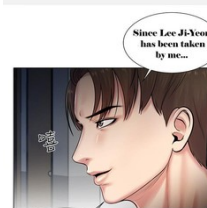

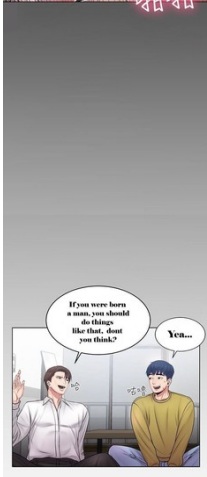

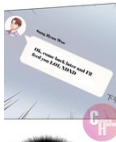

Eunhye's Supermarket

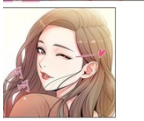

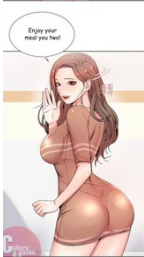

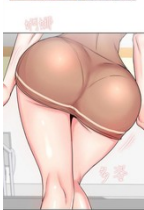

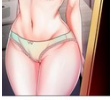

She needs my magic!
Ehehe...

Eumhye's Supermarket

Senior employment club, the dream

Senior- keep your voice down

Do you want rumors to spread about us at school?

It's ok- it doesnt matter to me

Wow senior~

You love to do thrilling things!

It was just the way
it felt like I was
being held.

Let me go, please.
I don't want to
be here.

I heard you had
been to the
hospital.

Oh, my
God.

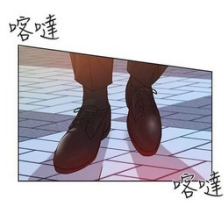

I heard you had
been to the
hospital.

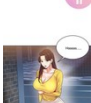

I think I
understand.

Just thinking about it...

Did she really?

No...She said...

Oh...

Is that it?

Is it that?

Thank's for being around at all!

Not what kind of data would I be
to have to do that?

Maybe I should send a text?

Heh.

This won't be awkward will it?

Wow... after that we all seemed up

I don't know...

I think everything will work out somehow

Oh... there's a message?

She replied back?

If she is....

Then you shouldn't even have to think about it

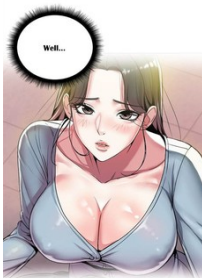

Do what you want to do

Do what I want to do?

Well...

She seemed pretty desperate earlier...

Not here...
Maybe I can her to use more than her mouth...

Is she really that desperate?

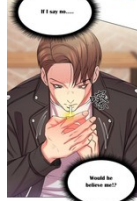

Look Chang

I'm not a girl

That's because of me right....?

I'm a idiot. Who would believe that?

Day's boyfriend....

Come to think of it, I've never seen her in a relationship...

Someone else would see
Day's chest....

I touched them....

No Cheng! Stop thinking
that! It's bad!

It would feel better
to feel the woman's
breast

It's definitely not

Maybe she would...

Maybe I should
ask her?

Great timing!

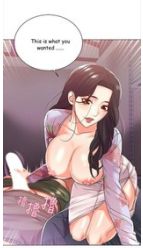

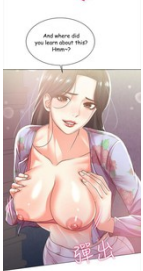

This is good, but...

Aw man I'm too embarrassed to say it

Right?

To be continued...

It feels good when
she does it with her mouth

She hasn't even used
her chest yet

It's gonna feel
fucking great

Or should I have
her keep using her
mouth....?

Your not paying
attention, are you?

No, I am...
It's great

.....

Finally....Embye's Chest!

What's this feeling?!

It's way different than her mouth!

They're squeezing me!

I didn't know it would feel this good!

Her chest is so soft

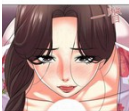

Her breast are moving separately....

First of all...

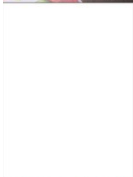

This visual is cheating!!

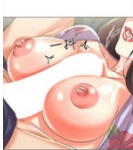

Ugh!

Ah, I came on her face again...

Is she gonna be cold to me again like last time now?

Would it be bad to run into her here?

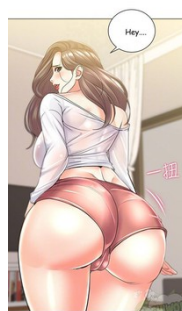

I'm sure she's dressed
like that since she's

Tests are just around
the corner...

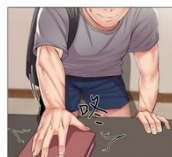

I'm sure she just wants
to study....

Are you staring
at my ass?

Yeah....This is
just Jiyeon's personality

How are we suppose to study like this!?

Ugh!!

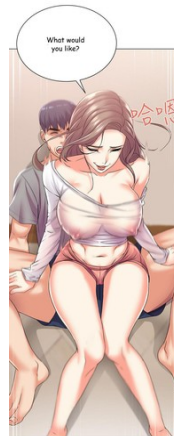

She asked me to study, but....!
